AD LECTOREM.

SACRARVM Synodorum codices quo in pretio & honore omnibus esse debeant, facile intelligunt, qui Synodorum ipsarum perpetuam in Ecclesia auctoritatem, summam ac prope necessariam vtilitatem, originem denique, primamq. illarum institutionem considerant. Nam de origine quidem si agitur, haud aliam fuisse constat, quàm Apostolicam, hoc est, non tam humano, quàm diuino consilio, ex Christi scilicet disciplina, & Spiritus sancti, qui Apostolos regebat, afflatu & magisterio introductam. Primi si quidem Apostoli in illo *Actor.15.* Hierosolymitano conuentu, quem exorta apud Antiochenos de legalibus ceremonijs controuersia, ex vniuersa, quæ tunc erat, Ecclesia conuocarunt, Ecclesiasticarum Synodorum non solum formulam & exemplar, verum etiam causas, & quos maxime ad vsus cogendæ essent, ostenderunt. Disceptatio namque illa, vt Theologi obseruarunt, partim fidei, partim morum, rituumq. quæstionem continebat. Cumq. his fere duobus tota Ecclesiastici iuris ratio nitatur, & quicquid aduersus intactam Christi sponsam satanæ insidiæ commouerint, ad horum alterum tendat, vt vel rectam fidem prauis opinionibus euertat, vel externum Domus Dei ornatum, decoremq. labefactet: quandocumque alterutram in partem summo remedio opus fuit, Apostolicum secuti exemplum, eorum muneris heredes, atque in Ecclesiæ gubernatione successores Episcopi, nullum aliud præsentius, nullum aptius, opportuniusq. censuerunt, quàm frequentium, legitimorumq. Conciliorum. Hinc ergo fluxit perpetua & constans in Ecclesia, per omnes eius ætates, Prouincialium, Nationalium, Generalium Synodorum consuetudo. quæ in ipsis etiam persecutionum procellis, per quas in vnum Episcopis coire vix licuit, vsqueadeo intermissa non

ed, se pone así, después mandó Ferdinando regresar todos los soldados, que tenía en Italia, y Don Hernando Cortés, para que le ayudasse en la conquista de Nueva España, que ya tenía noticia de ella, y assí dio orden como se hiziesse una armada, y para ello le dio todo el favor necessario, y assí se hizo, y embarcándose, con el número que, arriba queda dicho, llegaron a la Isla de Cuba, donde Don Diego Velázquez, Governador de ella, los recibió con mucho gusto y amor, y de allí Cortés embarcó de Puerto de Carenas, y fue a la Isla de Cozumel, donde halló a Gerónimo de Aguilar, y a Melchorejo, que eran los primeros que supieron que los indios, de quien tuvieron noticia, eran Mexicanos, y que tenían un Rey muy poderoso, que se llamaba Motezuma, y que tenían muchas ciudades, y muy grandes, y muchas riquezas, y que tenían religión y costumbres muy diferentes de todas las demás naciones, que hasta entonces habían descubierto, y assí se embarcaron desde la Isla de Cozumel, y llegaron a la provincia de Tabasco, que es la primera que se halla en la Nueva España, y allí desembarcaron, y tomaron tierra con gran gusto, y alegría, y dieron gracias a Dios, que les había traído a tierra tan deseada, y tan rica, y allí hallaron muchos indios, que estaban en la ribera del mar, y Cortés les mandó, que llamassen a su Señor, y que le dixessen, que allí estaba un Capitán, que quería hablar con él, y assí vino luego, y Cortés le dixo, que venía de parte de un Rey muy poderoso, que se llamaba Carlos, que era Señor de muchas tierras, y muy grandes, y que era el mayor Príncipe, que había en el mundo, y que le quería hablar, y tratar cosas de su servicio, y que le rogaba, que le diesse licencia para ello, y que le daría muchas cosas de las que él tenía, y que le quería mucho, y que le tenía por amigo, y que le rogaba, que le tuviesse por tal, y que le quería dar a conocer a su Rey, y Señor

Eutychem ad oppugnandum incarnationis Dominicæ ſacramentum pari ſcelere, licet diſpari erroris via ingreſſos; dum alter duplicem in Chriſto perſonam temere diſtinguit, alter duas eius naturas perperam miſcet ac confundit; illum Epheſinæ, hunc Chalcedonenſis Synodi Patres ſuffragijs, decretisq. ſuis confoderunt. Nec diſſimilis Quintæ Synodi ratio fuit: quæ Origenis errores, & renaſcentes Theodori Mopſueſteni, eiusq. ſimilium, tamquam corruptæ, & in Neſtorio iam truncatæ radicis fibras prorſus excídit. Idemq. Sextæ aduerſus Monotheletas; idem Septimæ aduerſus Iconomachos congregatæ iudicium; pari ſemper omnium fructu, & publicæ vtilitatis emolumento. Tanta enim erat ſacratiſſimorum cœtuum apud omnes dignitas & momentum, vt quod in commune illis placuiſſet, id non tam ex confluentium hinc inde Antiſtitum ſenſu, quàm ex ſedentis in eorum medio iuxta promiſſionem ſuam, & per eos loquentis Chriſti ore depromptum arbitrarentur: & ſynodalia decreta ac ſtatuta, tamquam è cælo delapſa, & Spiritu ſancto auctore dictata ſuſciperent. Hunc etenim legitimis Eccleſiæ Concilijs præſidere; atque vnctione ſua in ipſius nomine congregatos docere, & deducere in omnem veritatem; ita vt quod in primo illo ſuo *Actor. 15.* conſeſſu pronuntiare non dubitarunt Apoſtoli, cùm in ſynodica ſua ſcriberent, Viſum eſt Spiritui ſancto, & nobis; id omnibus rite conuocatis Concilijs ſine controuerſia liceat vſurpare. Hæc nimirum illa eſt omni maior exceptione prærogatiua, quæ inuiolabilem atque inconcuſſam vindicat plenarijs Eccleſiæ Synodis auctoritatem. Huius cauſa magnus Gregorius quatuor prima Concilia perinde ac totidem Chriſti Euangelia ſe venerari profitebatur: non quia diſcrimen inter vtraque nullum ſit; ſed quòd ad dogmatum certitudinem ac ſtabilitatem non diſpar vtrobique, tamquam eodem ex fonte ducta firmitas reperiatur. HISTORIA CONCILII NICAENI.

LAVII *Constantini Magni Imperio Arius presbyter Alexandrinus ambitionis &* [a] *inuidiæ stimulis agitatus aduersus Alexandrum, qui post Petri & Achillæ obitum Alexandrinam ecclesiam sanctissime regebat, cum eius vitam non posset, doctrinam criminari instituit: vtq. elati animi fœditatem, quam deformi* [β] *fatebatur aspectu, sacrilega fateretur & lingua, nouo atque impio dogmate disseminato, ad quem honoris gradum nequiuerat ingredi per ostium, veluti fur & latro aliunde ascendere nitebatur. Itaque de Dei Filio illa iactabat in vulgus: Erat* [γ] *aliquando, quando non erat: ex non exstantibus factus est, non de Patris substantia genitus: ex tempore, non ab æterno: haudquaquam Deus verus de Deo vero; sed ex nihilo creatus, minor Patre, voluntate naturaq. mutabilis. Quæ aliaq. id genus cum impie deliraret, multis sane calamitatibus omnem afflixit Ecclesiam, quas antea Petrus Alexandrinus sanctitate ac martyrio clarissimus, & magnus Antonius abbas prædixerant. quorum* [δ] *ille cum ad aram noctu supplex oraret, Christum Dominum vidit discissa veste, auditisq. flebiliter dicentem: Arius vestem meam, quæ est Ecclesia, dilaceranit: hic* [ε] *vero in questus ac lacrymas effusus, vidisse se retulit altare Dei mulorum impetu, crebrisq. calcibus disturbatum; Ariane immanitatis ostentum. Cum itaque Arij impietas septuaginta* [ζ] *virgines Deo sacras, septem presbyteros, & diaconos duodecim pestilenter infecisset, Alexander* [η] *episcopus hominem blandis cohortationibus ab ea mente deducere studuit. Verum nec his Arij furor conquieuit: bacchari* [θ] *magis in dies, pellicere quoscumque posset in sceleris consortium, turbare priuatas domos; ipsos etiam ecclesiarum pastores vt in lupos verteret, eniti; Eusebium in primis Nicomediensem episcopum: qui cum suscepto Arij patrocinio, reliquos Episcopos in eius communionem hortaretur, Alexander periculi magnitudine commotus, coacta* [ι] *ex Libya & Aegypto centum Episcoporum Synodo, Arium, magnamq. hominum illuuiem, qui in eius verba iurauerant, anathemate percussos ab Ecclesia* [κ] *expulit, remq. totam per circulares, quas appellant, litteras vniuersis perscripsit Episcopis. Ceterum Arius, qui in Palæstina,* [λ] *& apud Eusebium Nicomediæ exulabat, Eusebij machinatione Arianorum episcoporum concilio apud Bithyniam* [μ] *coacto, in Ecclesiæ communionem recipi iubetur. Ad grauissimum hoc malum, quod longe lateq. serpebat, opprimendum, Alexander datis ad Constantinum Imperatorem litteris,* [ν] *pium principem etiam atque etiam obtestatus est, vt Ariani incendij flammas, quæ plus nimio grassabantur, sua auctoritate restingueret. Qui misso in Aegyptum Hosio* [ξ] *Cordubensi episcopo, cum res æquissime componere conatus esset, tantum abest vt ex eo pax Ecclesiæ reddita sit, vt Ariana in dies hæresis magis ac magis inualesceret.*

Erat & aliud per id temporis intestinum in Ecclesia malum auctore Meletio [ο] *Aegyptio episcopo: quem multis conuictum criminibus, eo potissimum quòd Idolis sacrificasset, cum Petrus Alexandrinus episcopus & martyr in frequenti Episcoporum Synodo ab episcopatu deturbasset, is rem indignissime ferens, non modo Petrum ipsum, eiusq. successores Achillam & Alexandrum fœdissimis probris & criminationibus laceranit, sed etiam tota fere bacchatus Aegypto, & multis per ciuitates diaconis, presbyteris, episcopis creatis, pernicioso schismate discindebat Ecclesiam. Ad hos Meletij, Arijq. tumultus accedebat & alia grauis atque inueterata dissensio ex Asianis* [π] *plarisque Episcopis, qui nec Dominico die, quo Christus Dominus ab inferis resurrexit, sed ipsa quartadecima primi mensis luna, in quemcumque incidisset diem, Iudaico ritu Pascha celebrabant: nec primum mensem eum numerabant, cuius quartadecima luna in ipsum æquinoctij* [ρ] *verni diem, proximeve sequentem recurreret, sed qui per Iudaicos emboliſmos sese primus obiceret. Quem ritum ab Apostolica traditione penitus abhorrentem sanctus* [σ] *Victor Romanus Pontifex & martyr*

dam in ecclesiam ducitur, alio lacessente secedere coactus, teterrimo loco male olentem animam diffusis visceribus exhalauit. Longum est commemorare quàm caste ac religiose vniuersi Patres Nicænam synodum, velut oraculum de cælo editum venerati sint. Ad hanc tamquam inuiolabilem legem ac tribunal Athanasius [a] vbicumque cum Ario, cum Aristæo, cum Eusebio pugnat, constantissime prouocat. Hanc Hilarius [β] Pictauensis episcopus Constantio fidei paternæ desertori exprobrat, & reliquarum Synodorum quasi lydium lapidem ac normam esse contendit. Hanc perinde atque Ecclesiæ fluctuantis anchoram, in Panarijs & Anchorato prædicat Epiphanius. Ad hanc non aliter quàm ad arcem & propugnaculum fidei, Gratianum Augustum, a quo in bellum profecturo de fide fuerat interrogatus, deducit [γ] Ambrosius. Quid attinet singulos recensere? Ipsæ œcumenicæ Synodi quidquid actura, quidquid disputatura essent, principio Nicænæ [δ] se fidei inhærere velle vestigijs professæ sunt vniuersæ; vt magni quidam lapides videantur Nicæno superextructi fundamento. Iam vero huius augustissimæ Synodi doctrinam Deus quot insignium doctorum disputationibus, quot cælestibus miraculorum prodigijs, quot sanctissimorum virorum tolerantia ac martyrijs illustrauit? Gothorum reges in Italia & Hispania, Vuandalorum in Africa, Constantius & Valens [ε] Romanorum Impp. toto terrarum orbe prætores, milites, exercitus, synodos adhuc prouinciarum, Ariminēnsem etiam ac Seleucienſem ex numerosissimo Episcoporum grege conuentum aduersus Nicænos canones instruxerant. Quæ tamen omnia fuerunt illis non tam hostiles ad exitium machinæ, quàm ad immortalem gloriam trophæa victoriæ, Deo per hæc testificante, solidissima petra nixam ac fundatam fuisse Nicænam fidem, quam tanta fluminum, ventorum, procellarum vis labefactare non potuit. Apostolica denique sedes huius cælestis thesauri diligentissima custos, sub Iulio, [ζ] sub Damaso, sub Siricio, & alijs, alterius nullius Synodi acriorem se probauit propugnatricem, vt nihil eorum quæ Nicænis Patribus placuere, violari vmquam, aut reuocari in dubium passa sit. Itaque sanctissimus Leo [η] primus ad Anatolium Constantinopolitanum episcopum, Nulla, inquit, sibimet de multiplicatione congregationis synodalia concilia blandiantur, neque trecentis illis decem & octo Episcopis quantumlibet copiosior numerus sacerdotum, vel comparare se audeat, vel præferre, cum tanto diuinitus priuilegio Nicæna sit synodus consecrata, vt siue per pauciores, siue per plures Ecclesiastica iudicia celebrentur, omni penitus auctoritate sit vacuum, quidquid ab illorum fuerit constitutione diuersum. Et paulo post: Sancti illi & venerabiles Patres, qui in vrbe Nicæna, sacrilego Ario cum sua impietate damnato, mansuras vsque in finem mundi leges Ecclesiasticorum canonum condiderunt, & apud nos, & in toto orbe terrarum in suis constitutionibus viuunt: & si quid vsquam aliter quàm illi statuerant, præsumitur, sine cunctatione cassatur; vt quæ ad perpetuam vtilitatem generaliter instituta sunt, nulla commutatione varientur. Et epistola ad [ϑ] Pulcheriam: Quoniam contra statuta paternorum canonum, quæ ante longissima ætatis annos in vrbe Nicæna spiritalibus sunt fundata decretis, nihil quidquam audere conceditur; ita vt si quis diuersum aliquid decernere velit, se potius minuat, quàm illa corrumpat: quæ si (vt oportet) à cunctis Pontificibus intemerata seruentur, per vniuersas ecclesias tranquilla erit pax, & firma concordia, nulla de mensuris harum dissensiones, nulla de ordinationibus lites, nulla de priuilegijs ambiguitates, nulla erunt de aliena vsurpatione certamina, sed ea quæ iure charitatis rationabilis est, & morum & officiorum seruabitur vnanimitas. Et in epist. lxvi. Tanta apud me est Nicænorum canonum reuerentia, vt ea quæ sunt à sanctis Patribus constituta, nec permiserim, nec patiar aliqua nouitate violari, &c. Sanctus Gregorius [ι] sicut sancti Euangelij quattuor libros, sic quattuor Concilia suscipere & venerari se fatetur, Nicænum scilicet, Constantinopolitanum, Ephesinum, & Chalcedonense. & alibi [κ] inquit: Nos generales Synodos a Nicæna incipientes, cum reliquis quattuor veneramur, quia ipsam sequentes in cunctis sententijs vnanimes concordant.

Qui ergo defecerunt ab Eccleſia, ſunt Arius, Achillas, Aithales, Carpones, Arius alter, Sarmates, Euzoius, Lucius, Iulianus, Menas, Helladius, Caius, Secundus item, & Theonas, qui dicti ſunt olim epiſcopi. Quæ vero iſti cõtra Scripturas excogitarint, temereq. effutiuerint, ea ſunt huiuſmodi: Deum non ſemper Patrem fuiſſe; ſed tempus aliquando extitiſſe, cum Deus non eſſet pater: Non ab æterno Dei Verbum fuiſſe, ſed ex nihilo ortum eſſe. nam Deum qui eſt, eum, cum non erat, ex eo quod non eſt, procreaſſe; & propterea tempus fuiſſe aliquando, cũ non eſſet. creatum enim & factum eſſe Filium, neque eſſentia Patri ſimilem, neque natura verum Patris verbum, neque veram eius ſapientiam eſſe, ſed vnum ex rebus creatis & factis; per abuſionem autem verbum & ſapientiam dici: Ipſum factum eſſe proprio Dei verbo & ſapientia, quæ in Deo eſt, per quam cum cetera omnia, tum illum ipſum fecit Deus: & eam ob cauſam natura ſua poſſe conuerti & mutari, ſicut animantia omnia ratione vtentia. Verbum eſſe peregrinum, alienum & ſeiunctum a ſapientia Dei. Patrem a Filio minime explicari poſſe. nam Patrem a Filio nec plene & accurate cognoſci, nec plene atque perfecte cerni poſſe. etenim ſuam ipſius eſſentiam, vt eſt, Filium non percipere: quippe Filium noſtra cauſa factum eſſe, vt Deus per ipſum, tamquam per inſtrumentum nos crearet: neque extiturum fuiſſe aliquando, niſi Deus nos creare in animum induxiſſet. Quæſitum eſt igitur ab illis, vtrum Dei verbum poſſet mutari, quemadmodum diabolus mutatus eſt; & non veriti ſunt reſpondere: Certe poteſt; nam & mutabilis naturæ factus eſt, & mutabilis exiſtit. Ario igitur, & eius fautoribus qui iſta aſſerunt, & de eiſdem tam impudenti ore loquuntur, vna cum illis qui eius opinioni aſſentiuntur, nos cum alijs fere centum Aegypti & Libyæ Epiſcopis in vnum conuenientes, anathema denuntiauimus. Ceterum Euſebius eos ad ſe admittit, operamq. ſedulo dat, vt mendacium cum veritate, & cum pietate impietatem commiſceat: ſed nullo pacto euicerit. vincit enim veritas, & nulla eſt ſocietas luci cum tenebris, nulla conuentio Chriſti ad Belial. Quis enim vnquam talia audiuit? aut quis eſt, qui ſi iam audiret, non ea tamquam inſolita & peregrina obſtupeſceret? auresq. obturaret, ne eiuſmodi verborum ſordes in eas illaberentur? Aut quis eſt, qui cum Ioannem audiat dicentem: In principio erat Verbum; non iſtos condemnauerit dicentes, *Erat tempus aliquando cum non eſſet?* Aut quis eſt, qui cum audiat in Euangelio: Vnigenitus filius: &, Per ipſum facta ſunt omnia; non iſtos vituperarit, affirmantes Filium vnam eſſe ex creaturis? Aut qui poterit ipſe illis rebus, quæ per ipſum factæ ſunt, omnino par; aut ſi (vt illorum fert opinio) ceteris rebus vniuerſis connumeretur, eſſe vnigenitus? Aut quomodo ex nihilo factus eſt, cum Pater dicat;

Iam vero, cum & Saluator noster IESVS Christus hoc ipsemet præceperit, & per Apostolum de eiusmodi hominibus significarit: nos certe, qui illorum impietatem nostris ipsi auribus accepimus, non sine causa eius generis hominibus (sicut antea diximus) anathema denuntiauimus, eosq. ab Ecclesia & fide catholica alienos palam declarauimus: vestramq. pietatem fecimus certiorem; charissimi & honoratissimi fratres, qui estis nobiscum in Ecclesiæ ministerio coniuncti; vt si forte quidam ex illis temeritate impulsi, ad vos venire non vereantur, ne eos admittatis; neve Eusebio, vel alteri cuipiam, qui eorum causa ad vos scribat, omnino attendatis. Nam par est, vt nos qui sumus Christiani, omnes qui contra Christum loquantur, animoq. sint ab eo abalienato, tamquam Dei hostes, & corruptores animarum deuitemus; neq. id genus hominibus, sicut præcepit beatus Ioannes, vel Aue dicamus, ne quando illorum peccatis communicemus. ALTERA EPISTOLA ALEXANDRI EPISCOPI ALEXANDRIAE.

Est quidem propositum hominibus improbis, in quorum animis inexplebilis honoris & pecuniæ cupiditas insita est, vt ecclesijs, quæ videntur plus habere dignitatis, ex occulto insidientur; qui per varias ac multiplices vias sinceram Ecclesiæ pietatem oppugnare non cessant. Nam impulsu diaboli, qui vim suam in eorum animis exercet, in furorem acti, ad voluptates quæ forte se offerunt, feruntur præcipites; atque ab omni pietate refugientes, timorem diuini iudicij proterunt. De quibus ego, qui inde non parum acceperim incommodi, necesse habui vestræ pietati significare, vt id generis homines sedulo deuitetis, ne forte quisquam illorum audacia fretus, vel per se ipsum, vel per alios (sunt enim præstigiatores ad simulandam fraudem, atque adeo inferendam ex se apti & comparati) vel per litteras omnis mendacij elegantia & suauitate sic conditas, vt simplicis ac sinceræ fidei hominem facile a veritate abstrahant, in vestris ecclesijs erroris sui imprimat vestigia. Nam Arius & Achillas nuper facta coniuratione, dum Colluthi ambitionem imitari student, eum in eo vitiositatis genere longe superarunt. Ille enim hos ipsos accusans, improbo suo proposito habuit quod prætexeret: hi autem cum illius nundinationem, qua Christum ipsum vendidit, animaduerterent, non amplius Ecclesiæ legibus subiecti esse sustinuerunt; sed speluncis latronum sibi constructis, conuentus in illis sine intermissione agere, noctes diesq. lem fuisse tum, cum factus erat, qualis quisque homo est. omnia enim Deum ex nihilo fecisse. Qua sententia Dei Filium in creatione omnium rerum, siue rationis sunt illæ participes, siue expertes, concludunt. Quibus etiam consequenter addunt, eum natura posse mutari, virtutis & vitij capacem esse. Itaque hoc posito, eum ex nihilo factum; litterarum sacrarum, quæ Verbi Dei æternitatem, immutabilitatem, eius sapientiæ diuinitatem (atque ista sunt Christus) docent, prorsus labefactatur auctoritas. Est enim in nostra quoque situm potestate (istæ Ecclesiæ pestes aiunt) filios Dei fieri, non aliter atque ille factus est. Scriptum namque esse: Filios genui, & exaltaui. Ac cum illis obijcitur sententia, quæ deinceps sequitur: Et ipsi spreuerunt me; quod plane naturæ Saluatoris, qui est natura immutabilis, repugnat; tum omni exuta erga Deum pietate ac reuerentia, aiunt, Deum, cum illum præscientia & præsensione prænouisset, neutiquam ipsum aspernaturum, idcirco ex omnibus elegisse. non enim eum aut natura, aut prærogatiua quidquam præter ceteros filios habuisse (nullum namque natura filium Dei esse affirmant, neque quemquam esse qui vlla cum eo proprietate coniunctus sit) sed cum esset natura mutabili, & propter singularem in vita & moribus rite instituendis diligentiam ac studium non ad vitia deflecteret, Deum illum elegisse; adeo vt Paulum & Petrum, si in hoc & ipsi obnixe incubuissent, eodem modo futuros fuisse asserant filios Dei, quo ille fuit. Ac quo insanam & pestiferam suam doctrinam confirment, etiam in ipsas scripturas vim faciunt, & sententiam in Psalmis de Christo traditam, quæ ita se habet: Dilexisti iustitiam, & odisti iniquitatem; propterea vnxit te Deus Deus tuus oleo lætitiæ præ participibus tuis; ad suum institutum detorquent. Verum quòd Filius Dei non creatus fuerit ex nihilo, neque tempus fuisse cum non erat, Ioannes Euangelista abunde satis docet. Sic enim de illo scribit: Vnigenitus Filius, qui est in sinu Patris. Cum enim diuinus ille magister docere instituerit, Patrem & Filium duas res esse quæ separari nequeunt, Filium in sinu Patris esse dixit. Quin etiam, quòd Filius Dei non sit rebus ex nihilo creatis annumerandus, idem Ioannes ostendit, cum dicat, Omnia per ipsum facta esse. Nam proprium eius subsistētiæ modum declarauit his verbis: In principio erat Verbum, & Verbum erat apud Deum, & Deus erat Verbum. omnia per ipsum facta sunt, & sine ipso factum est nihil quod factū est. Quòd si omnia per ipsum facta sunt, quì fieri potest, vt is qui rebus creatis essentiam indulserit, quodam tempore non fuerit? Nulla enim ratio vult, vt quod creat, eiusdem sit cum creatis naturæ. Quòd si ipse fuit in principio, & omnia per ipsum facta sunt, creataq. ex nihilo (nam quod est, ac subsistit, illis quæ fiunt ex nihilo, contrarium est, vehementerq. repugnat; cum alterum, nullum esse interuallum inter Patrem & Filium, neq. illud vlla animi cogitatione posse informari; alterum, mundum ex nihilo conditum ostendat:) perspicuum est, mundum recentiorem

Itaque sanctissimus Ioannes, cum illud, *Erat*, quod est Verbi Dei proprium, immensum esse, & longe supra mortalium captum & cognitionem positum animaduerteret; eius genesim, creationemq. dicere noluit; immo vero ne ausus quidem est verbis, litteris eisdem ac syllabis compositis, gignens & genita nominare: non quòd Verbum Dei ingenitum sit, (nam solus Pater est ingenitus) sed quòd ineffabilis vnigeniti Filij Dei subsistentia non modo solertem intelligentiam Euangelistarum, verum fortasse etiam Angelorum comprehensionem longe superat. Itaque meo quidem iudicio, nec in pijs quidē numerandi sunt, qui in istarum rerum inquisitionem intrare non

Nam id quod dicitur, *Non erat*; aut in tempore fuisse necesse est, aut in aliquo sæculi interuallo. Proinde si verum est, omnia per ipsum facta esse; constat etiam omne sæculum, tempus, interualla temporis, & illud, *Quando*, in quibus reperitur id quod dicitur, *Non erat*, per ipsum facta esse. Et quid est, quam ob rem non sit absurdum, eum qui sæcula, tempora, opportunitates temporū, quibuscum illud quod dicitur, *Non erat*, confusum est, progenuit, quodā tempore non fuisse asserere? quippe cum insulsum sit, & plenum cuiusque insciticæ, eum qui alicuius rei procreator extiterit, post rei illius procreationem, ipsum procreatum esse. A est. Accedit eodē Paulus, qui de eo his congruentia, voce clarissima fundit. sic enim ait: Quem posuit heredem omnium, per quem & sæcula condidit. Quin etiam in eo condita sunt omnia, & quæ in cælis, & quę in terra, visibilia & inuisibilia, siue principatus, siue potestates, siue dominationes, siue throni; omnia per ipsum, & in ipsum condita sunt, & ipse est ante omnia. Quo circa cum illud, *Ex nihilo*, seu, *Ex his quæ non sunt*, non sine summo scelere & impietate positum sit; necessario sequitur, Patrem semper patrem fuisse. Atque est pater semper, cum habeat filium, ob quem vocatur pater; & cum sit ei semper filius, B est semper pater, perfectus, atque in ipso quod vere bonum est, expletus omnibus suis partibus; qui Filiū vnigenitum neque in tempore, neque ex interuallo temporis, neque ex nihilo genuit. Quì igitur fieri potest, vt non sit impium dicere, quodam tempore sapientiam Dei non fuisse, cum loquatur de se: Ego eram apud illum componens; ego eram cui adgaudebat? aut virtutem Dei aliquando non fuisse, aut verbum eius mancum fuisse aliquando, aut alia negare, ex quibus & Filius cognoscitur, & Pater velut notis quibusdam discernitur? Nam cùm quis splendorem gloriæ neget esse, tollit simul & primariam lucem, cuius est C splendor. Quòd si porro imago Dei non erat semper; liquet neque illum, cuius imago est, semper fuisse. Quin etiam cum dicitur formam subsistentiæ Dei non esse, tollitur vnà etiam ille qui omnino ab ea figuratur. Vnde licet perspicere Saluatoris nostri proprietatem, qua filius est, nihil cū aliorum filiorum proprietate habere commune. Nam quemadmodū inexplicabilis eius subsistentia propter eximiam & singularem ipsius excellentiam ostenditur rebus præstare omnibus, quibus ipse essentiam tribuerit; pari etiam ratione quæ eiusdem est (vt ita dicam) filiatio, quæ est secundum naturam paternæ diuinitatis, ineffabili D præstantia antecellit eorum filiationi, qui per ipsum in filios adoptantur. Nam ille cum sit natura plane immutabilis, omnis in se perfectionis cumulum habens, non est vllius plane rei indigens: hi autem cum conuersioni vtrolibet subiecti sint, illius egent auxilio. Quì enim fieri potest, vt Dei sapientia vllos progressus faciat, aut ipsa veritas, omninoq. ipsum Dei Verbum sibi aliquid assumat? aut quomodo ipsa vita, lux vera præstabilior fiat? Quod si ita se habet, quanto magis repugnat naturæ, vt sapientia stultitiæ aliquando capax fit; aut potentia Dei implicetur imbecillitate, aut obscuretur temeritate ratio, aut tenebræ denique cum vera luce commisceantur? præsertim cum & Apostolus simili causa adductus dicat: Quæ societas luci ad tenebras, aut quæ conuentio Christo ad Belial? Et Salomon quoque, quòd fieri nequit, vt vel cogitatione comprehendatur via serpentis super petram, quæ est, vt Paulus censet, Christus. Qui autem sunt eius creaturæ, vt homines & angeli, benedictionem accepere vt in dies proficerent, vt virtutibus mandatisq. in lege præscriptis exculti exercitatiq. non in vitia dilaberentur, ad eum plane finem, vt Dominus noster Iesvs Christus, qui est Patris natura

Cancelli, or lattices, are crossed bars of wood, or iron, placed in courts of justice, to separate the judge from the bar, and the bar from the rest of the court. Cancelli are also used in churches, to separate the chancel from the body of the church.

Cancellis, in the civil law, is a term used for the boundaries of lands, which are to be kept by the neighbours, that they may not encroach upon each other's property

cuius generis sunt illa: Ego & Pater vnum sumus. Quam sententiam dum protulit Dominus, non se Patrem appellauit, neque duas secũdum hypostasim naturas, vnã esse declarauit; sed quòd Patris Filius ipsam Patris effigiem plene atque perfecte retinere & seruare soleat; quippe cum eius similitudinem natura in se impressam habeat, & perfecta sit Patris imago, & expressa figura primarij illius exemplaris. Vnde Dominus Philippo quodam tempore Patrem eius videre cupienti, dicentique: Ostende nobis Patrem; aperte commonstrat: Qui vidit me, vidit & Patrem; quandoquidem Pater per ipsum, velut per speculum purissimum, idemq. animatum, in quo Dei exprimitur & elucet imago, manifeste cernitur. Filium porro Patri similem, in Psalmis pronuntiatũ memorant sanctissimi viri, in quibus scriptum est: In lumine tuo videbimus lumen. Quapropter qui honorat Filium, honorat & Patrem: idq. plane merito. nam omnis vox impia, quæ temere contra Filium profertur, in Patrem quoque recidit. Atque nemini mirum debet videri, fratres charissimi, (hoc enim quoque persequi animus est) si falsas confictasq. tum contra me, tum contra populum nostrum sanctissimum criminationes deinceps exposuero. Nam qui aciem ad diuinitatem Filij Dei oppugnandam instruxerint, non mirum si nos contumeliosis maledictis lacerare non vereantur. Qui etiam neminem volunt ex antiquis Patribus sibi cõparari, neque illis, quibus nos ab ineunte ætate vsi sumus præceptoribus, se pares existimari sinunt; immo ne vnum quidem collegarum nostrorum vel ad mediocrem sapientiam peruenisse censent; sed se solos sapientes, solos egestatem voluntariam sectantes, solos dogmatum inuentores, & sibi solis ea doctrinę patefacta esse mysteria, quæ in nullius vmquam sub sole cogitationem ac mentem venerint, arbitrantur. O impiam arrogantiam; ò insaniam immensam; ò inanem gloriam cum furore coniunctam; o spiritus plane satanicos, qui impijs eorum animis velut callum malitiæ obduxere. Non diuina veterum scripturarum claritas vllũm ipsis incussit pudorem; non consentiens collegarum, & pia de Christo doctrina eorum audaciã repressit: quorum scelus nefarium ne dæmones quidem (quippe qui sedulo caueant, ne vllam omnino maledicam & cõtumeliosam vocem contra Filium Dei eloquantur) omnino ferre videntur. Ista a nobis pro virili nostra parte in præsentia allata sunt ad eos coarguendos, qui in tam inepto contra Christum latratu, tamquam in puluere se exercent, & nostræ erga illum pietati falso obtrectare nituntur. Nam isti ridicularum fabularum inuentores asserunt, nos dum blasphemiam illam impiam, & a nemine vmquam litteris proditam, nimirum quæ Christum filium Dei ex nihilo ortum prædicat, auersamur, duo ingenita tradere: atque, quæ est eorum inscitia, dicunt necesse esse alterum ex duobus istis statuere, nempe vel eum ex nihilo creatum, vel omnino duo esse ingenita: si quidem propter inertiam ignorant prorsus, quantum interfit inter Patrem qui ingenitus est, & res ab eo conditas ex nihilo, siue rationis sint participes illæ quidem, siue expertes. cognita, iam obscurari; est sanè perspicuum, quòd illud, Erat, semper, & ante sæcula, longe abest ab eo quod illi expectant: quæ quidem cuiuscumque generis sint, non sunt idem cum Ingenito: ac propterea & dignitas quæ est ingeniti Patris propria, ei seruanda est, dicendumq. nullum ipsi esse eius essentiæ causam; & honor Filio debitus ei tribuendus, assignandaq. illi generatio à Patre initio carens. Et cum hunc illi honorem, quantum in nobis est, tribuimus, has voces, Erat, semper, & ante sæcula; pie & sancte, cum de eo loquimur, proferimus: non tamen vt quidquam de eius diuinitate detrahamus, sed vt exquisitam omnino imagini & figuræ Patris attribuamus similitudinẽ, & Ingeniti vocabulum Patri, vtpote eius solũ proprium, adscribendum propterea existimemus, quòd Saluator ipse dicit: Pater maior me est. Ac præter istam piam de Patre & Filio sententiam, vnum præterea Spiritum sanctum, sicut nos docent sacræ litteræ, confitemur; qui non modo sanctos homines veteris Testamenti, sed etiam diuinos noui Testamenti doctores inouauit. Ecclesiam porro vnam solam catholicam & Apostolicam agnoscimus; quæ sicut numquam expugnari potest, etiam si totus mundus eam oppugnare instituat; sic omnem impiam hæreticorum incursionem euincit ac profligat; quandoquidem eius Dominus nos efficit satis animosos, dum clamat: Confidite, ego vici mundum. Quinetiam credimus ex mortuis resurrectionem, cuius primitiæ fuit Dominus noster IESVS Christus, qui corpus non specie adumbratum, sed verum ex Deipara Maria sumpsit: qui in fine sæculorum inter homines ad delẽda peccata versatus est: qui crucifixus est, & mortuus, sine vlla diuinitatis imminutione: qui resurrexit à mortuis, ascendit ad cælos, & sedet ad dexteram maiestatis Dei. Ista quidem ex aliqua parte epistola complexus sum, quandoquidem singula accurate litteris prosequi, absurdum, vt dixi, ideo sum arbitratus, quòd eædem res vestras pias ac studiosas mentes minime fugiant. Ista docemus, ista prædicamus, ista sunt Apostolica Ecclesiæ dogmata, pro quibus mortem oppetere non dubitamus: nec vero moramur eos, qui nos ad hæc eiuranda & retractanda compellere studeant; & licet nos tormentis cogere aggrediantur, non tamen spem, quæ in hac fide est, abijciemus. Cui doctrinæ Arius, Achillas, & reliqui pariter veritatis hostes refragati, Ecclesia exturbati sunt; quippe cum sint à pia nostra doctrina prorsus auersi, iuxta illam beati Pauli sententiam: Si quis vobis euangelizauerit præter id quod accepistis, anathema esto, licet angelum è cælo se simulet. Quin etiam, si quis aliud doceat, non accedat sanis sermonibus Domini nostri IESV Christi, & doctrinæ quæ secundum pietatem est, is inflatus est, nihil sciens. & quæ sequuntur. Istos vero à fratribus anathemati addictos nemo vestrum excipiat; neque eorum verba vel scripta audire sustineat. omnia enim nõ aliter atque præstigiatores ementiuntur; veritatem loqui nolunt. Τὰ ἀρχαῖα ἔθη κρατείτω, τὰ ἐν Αἰγύπτῳ, καὶ Λι-
βύῃ, καὶ Πενταπόλει, ὥστε τὸν Ἀλεξανδρείας ἐπίσκοπον

φῳ εὐλόγῳ ὄσῃ, καὶ κατὰ κανόνα ἐκκλησιαστικὸν δύο,
ἢ τρεῖς διὰ οἰκείαν φιλονεικίαν ἀντιλέγωσι, κρατείτω
ἡ τῶν πλειόνων ψῆφος.

Antiqua consuetudo seruetur * per Aegyptũ, Libyam, & Pentapolim, ita vt Alexandrinus Episcopus horum omnium habeat potestatem; quia & vrbis Romæ Episcopo parilis mos est. Similiter autem & apud Antiochiam, ceterasq. prouincias, suis priuilegia seruentur ecclesijs. Illud autem generaliter clarum est, quòd si quis præter sententiam Metropolitani fuerit factus episcopus, hunc magna Synodus definiuit, episcopum esse non oportere. Sin autem communi cunctorum decreto rationabili, & secundum Ecclesiasticam regulam comprobato, duo aut tres propter contentiones proprias contradicant, obtineat sententia plurimorum.

* quæ est per totum hunc Canonem in Conc. Chalced. act. 16. tribus fuit hoc modo: Quod Ecclesia Romana semper habuit primatum. Teneat autem & Aegyptus, vt Episcopus Alexandriæ &c.

Quia consuetudo obtinuit, & antiqua traditio, vt Aeliæ Episcopus honoretur; habeat honoris consequentiam, salua Metropoli propria dignitate.

A lem fuisse tum, cum factus erat, qualis quisque homo est. omnia enim Deum ex nihilo fecisse. Qua sententia Dei Filium in creatione omnium rerum, siue rationis sunt illæ participes, siue expertes, concludunt. Quibus etiam consequenter addunt, eum natura posse mutari, virtutis & vitij capacem esse. Itaque hoc posito, eum ex nihilo factum; litterarum sacrarum, quæ Verbi Dei æternitatem, immutabilitatem, eius sapientiæ diuinitatem (atque ista sunt Christus) docent, prorsus labefactatur auctoritas. Est enim in nostra quoque situm potestate (istæ Ecclesiæ pestes aiunt) filios Dei heri, non aliter atque ille factus est. Scriptum namque esse: Filios genui, & exaltaui. Ac cum illis obijcitur sententia, quæ deinceps sequitur: Et ipsi spreuerunt me; quod plane naturæ Saluatoris, qui est natura immutabilis, repugnat; tum omni exuta erga Deum pietate ac reuerentia, aiunt, Deum, cum illum præscientia & præsensione prænouisset, neutiquam ipsum aspernaturum, idcirco ex omnibus elegisse. non enim eum aut natura, aut prærogatiua quidquam præter ceteros filios habuisse (nullum namque natura filium Dei esse affirmant, neque quemquam esse qui vlla cum eo proprietate coniunctus sit) sed cum esset natura mutabili, & propter singularem in vita & moribus rite instituendis diligentiam ac studium non ad vitia deflecteret, Deum illum elegisse; adeo vt Paulum & Petrum, si in hoc & ipsi obnixe incubuissent, eodem modo futuros fuisse asserant filios Dei, quo ille fuit. Ac quo insanam & pestiferam suam doctrinam confirment, etiam in ipsas scripturas vim faciunt, & sententiam in Psalmis de Christo traditam, quæ ita se habet: Dilexisti iustitiam, & odisti iniquitatem; propterea vnxit te Deus Deus tuus oleo lætitiæ præ participibus tuis; ad suum institutum detorquent. Verum quòd Filius Dei non creatus fuerit ex nihilo, neque tempus fuisse cum non erat, Ioannes Euangelista abunde satis docet. Sic enim de illo scribit: Vnigenitus Filius, qui est in sinu Patris. Cum enim diuinus ille magister docere instituerit, Patrem & Filium duas res esse quæ separari nequeunt, Filium in sinu Patris esse dixit. Quin etiam, quòd Filius Dei non sit rebus ex nihilo creatis annumerandus, idem Ioannes ostendit, cum dicat, Omnia per ipsum facta esse. Nam proprium eius subsistẽtiæ modum declarauit his verbis: In principio erat Verbum, & Verbum erat apud Deum, & Deus erat Verbum. omnia per ipsum facta sunt, & sine ipso factum est nihil quod factũ est. Quòd si omnia per ipsum facta sunt, qui fieri potest, vt is qui rebus creatis essentiam indulserit, quodam tempore non fuerit? Nulla enim ratio vult, vt quod creat, eiusdem sit cum creatis naturæ. Quòd si ipse fuit in principio, & omnia per ipsum facta sunt, creataq. ex nihilo (nam quod est, ac subsistit, illis quæ fiunt ex nihilo, contrarium est, vehementerq. repugnat; cum alterum, nullum esse interuallum inter Patrem & Filium, neq. illud vlla animi cogitatione posse informari; alterum, mundum ex nihilo conditum ostendat:) perspicuum est, mundum recentiorem

rem, quàm essentiam Filij Dei, habuisse generationem, quippe cum omnia a Patre per Filium talem sint essentiæ originem consequuta. Itaque sanctissimus Ioannes, cum illud, *Erat*, quod est Verbi Dei proprium, immensum esse, & longe supra mortalium captum & cognitionem positum animaduerteret; eius genesim, creationemq. dicere noluit; immo vero ne ausus quidem est verbis, litteris eisdem ac syllabis compositis, gignens & genita nominare: non quòd Verbum Dei ingenitum sit, (nam solus Pater est ingenitus) sed quòd ineffabilis vnigeniti Filij Dei subsistentia non modo solertem intelligentiam Euangelistarum, verum fortasse etiam Angelorum comprehensionem longe superat. Itaque meo quidem iudicio, ne in pijs quidē numerandi sunt, qui in istarum rerum inquisitionem intrare non dubitant, spreta reiectaq. illa sententia: Altiora te ne quæras, & sublimiora te ne scruteris. Quòd si cognitio multarum aliarum rerum, quæ sunt sine dubio his longe imperfectiores, comprehensionem fugiat humanam (quales sunt illæ, de quibus Paulus sic loquitur: Quæ oculus non vidit, nec auris audiuit, nec in cor hominis ascenderūt, ea quæ præparauit Deus diligentibus se; quales sunt præterea stellæ, quas Deus Abrahamo numerari posse negauit; qualis denique est arena maris, & stillæ pluuiæ; quas res, inquit Scriptura, quis enumerare poterit?) quid ergo est, cur quisquam, nisi insanus & plane mente captus sit, Verbi Dei subsistentiam curiosè perscrutari moliatur? de qua ita spiritus loquitur propheticus: Generationem eius quis enarrabit? Per quam quidem sententiam ab animis eorum, qui erant velut columnæ & principes omnium qui in toto orbe vixerunt, Saluator noster, quò illis gratificaretur, istarum rerum notitiam tamquam onus auferre studuit; contraq. naturam esse docuit, vt quisquam eas cogitatione deprehenderet. nam soli Patri diuinissimi illius mysterij cognitionem reseruatam esse. sic enim loquutus est: Nemo nouit quis sit Filius, nisi Pater; & Patrem nemo nouit, nisi Filius. De qua re arbitror Patrem hoc quoque dixisse: Secretum meum mihi & meis. Quòd autem extremæ dementiæ sit, Filium ex ijs quæ non sunt, ortum, inq. tempore productum existimare, eædem ipsæ voces, nimirū, *Ex his quæ non sunt*, satis declarant, licet isti stupidi suarum vocum insaniam non intelligant. Nam id quod dicitur, *Non erat*; aut in tempore fuisse necesse est, aut in aliquo sæculi interuallo. Proinde si verum est, omnia per ipsum facta esse; constat etiam omne sæculum, tempus, interualla temporis, & illud, *Quando*, in quibus reperitur id quod dicitur, *Non erat*, per ipsum facta esse. Et quid est, quam ob rem non sit absurdum, eum qui sæcula, tempora, opportunitates temporū, quibuscum illud quod dicitur, *Non erat*, confusum est, progenuit, quodā tempore non fuisse asserere? quippe cum insulsum sit, & plenum cuiusque insciticæ, eum qui alicuius rei procreator extiterit, post rei illius procreationem, ipsum procreatum esse. Nam, vt istorum fert opinio, nō solum illud interuallum tēporis, in quo Filium a Patre generatū non fuisse asseuerant, tēpore prius erat quàm Dei sapientia, quæ hanc vniuersitatem construxit, verum etiā Scriptura, quę illum primogenitum omnis creaturæ appellat, mētita est.

A est. Accedit eodē Paulus, qui de eo his congruentia, voce clarissima fundit. sic enim ait: Quem posuit heredem omnium, per quem & sæcula condidit. Quin etiam in eo condita sunt omnia, & quæ in cælis, & quę in terra, visibilia & inuisibilia, siue principatus, siue potestates, siue dominationes, siue throni; omnia per ipsum, & in ipsum condita sunt, & ipse est ante omnia. Quo circa, cum illud, *Ex nihilo*, seu, *Ex his quæ non sunt*, non sine summo scelere & impietate positum sit; necessario sequitur, Patrem semper patrem fuisse. Atque est pater semper, cum habeat filium, ob quem vocatur pater; & cum sit ei semper filius, B est semper pater, perfectus, atque in ipso quod vere bonum est, explerus omnibus suis partibus; qui Filiū vnigenitum neque in tempore, neque ex interuallo temporis, neque ex nihilo genuit. Quì igitur fieri potest, vt non sit impium dicere, quodam tempore sapientiam Dei non fuisse, cùm loquatur de se: Ego eram apud illum componens; ego eram cui adgaudebat? aut virtutem Dei aliquando non fuisse, aut verbum eius mancum fuisse aliquando, aut alia negare, ex quibus & Filius cognoscitur, & Pater velut notis quibusdam discernitur? Nam cùm quis splendorem gloriæ neget esse, tollit simul & primariam lucem, cuius est C splendor. Quòd si porro imago Dei non erat semper; liquet neque illum, cuius imago est, semper fuisse. Quin etiam cum dicitur formam subsistentiæ Dei non esse, tollitur vnà etiam ille qui omnino ab ea figuratur. Vnde licet perspicere Saluatoris nostri proprietatem, qua filius est, nihil cū aliorum filiorum proprietate habere commune. Nam quemadmodū inexplicabilis eius subsistentia propter eximiam & singularem ipsius excellentiam ostenditur rebus præstare omnibus, quibus ipse essentiam tribuerit; pari etiam ratione quæ eiusdem est (vt ita dicam) filiatio, quæ est secundum naturam paternæ diuinitatis, ineffabili præstantia antecellit eorum filiationi, qui per ipsum in filios adoptantur. Nam ille cum sit natura plane immutabilis, omnis in se perfectionis cumulum habens, non est vllius plane rei indigens: hi autem cum conuersioni vtrolibet subiecti sint, illius egent auxilio. Quì enim fieri potest, vt Dei sapientia vllos progressus faciat, aut ipsa veritas, omninoq. ipsum Dei Verbum sibi aliquid assumat? aut quomodo ipsa vita, lux vera præstabilior fiat? Quod si ita se habet, quanto magis repugnat naturæ, vt sapientia stultitiæ aliquando capax sit; aut potentia Dei implicetur imbecillitate, aut obscuretur temeritate ratio, aut tenebræ denique cum vera luce commisceantur? præsertim cum & Apostolus simili causa adductus dicat: Quæ societas luci ad tenebras, aut quæ conuentio Christo ad Belial? Et Salomon quoque, quòd fieri nequit, vt vel cogitatione comprehendatur via serpentis super petram, quæ est, vt Paulus censet, Christus. Qui autem sunt eius creaturæ, vt homines & angeli, benedictionem accepere vt in dies proficerent, vt virtutibus mandatisq. in lege præscriptis exculti exercitatiq. non in vitia dilaberentur, ad eum plane finem, vt Dominus noster IESVS Christus, qui est Patris natura

cuius generis sunt illa: Ego & Pater vnum sumus. Quam sententiam dum protulit Dominus, non se Patrem appellauit, neque duas secũdum hypostasim naturas, vnã esse declarauit; sed quòd Patris Filius ipsam Patris effigiem plene atque perfecte retinere & seruare soleat; quippe cum eius similitudinem natura in se impressam habeat, & perfecta sit Patris imago, & expressa figura primarij illius exemplaris. Vnde Dominus Philippo quodam tempore Patrem eius videre cupienti, dicentique: Ostende nobis Patrem; aperte commonstrat: Qui vidit me, vidit & Patrem; quandoquidem Pater per ipsum, velut per speculum purissimum, idemq. animatum, in quo Dei exprimitur & elucet imago, manifeste cernitur. Filium porro Patri similem, in Psalmis pronuntiatũ memorant sanctissimi viri, in quibus scriptum est: In lumine tuo videbimus lumen. Quapropter qui honorat Filium, honorat & Patrem: idq. plane merito. nam omnis vox impia, quæ temere contra Filium profertur, in Patrem quoque recidit. Atque nemini mirum debet videri, fratres charissimi, (hoc enim quoque persequi animus est) si falsas confictasq. tum contra me, tum contra populum nostrum sanctissimum criminationes dein ceps exposuero. Nam qui aciem ad diuinitatem Filij Dei oppugnandam instruxerint, non mirum si nos contumeliosis maledictis lacerare non vereantur. Qui etiam neminem volunt ex antiquis Patribus sibi cõparari, neque illis, quibus nos ab ineunte ætate vsi sumus præceptoribus, se pares existimari sinunt; immo ne vnum quidem collegarum nostrorum vel ad mediocrem sapientiam peruenisse censent; sed se solos sapientes, solos egestatem voluntariam sectantes, solos dogmatum inuentores, & sibi solis ea doctrinę patefacta esse mysteria, quæ in nullius vmquam sub sole cogitationem ac mentem venerint, arbitrantur. O impiam arrogantiam; ò insaniam immensam; ò inanem gloriam cum furore coniunctam; o spiritus plane satanicos, qui impijs eorum animis velut callum malitiæ obduxere. Non diuina veterum scripturarum claritas vllum ipsis incussit pudorem; non consentiens collegarum, & pia de Christo doctrina eorum audaciã repressit: quorum scelus nefarium ne dæmones quidem (quippe qui sedulo caueant, ne vllam omnino maledicam & cõtumeliosam vocem contra Filium Dei eloquantur) omnino ferre videntur. Ista a nobis pro virili nostra parte in præsentia allata sunt ad eos coarguendos, qui in tam inepto contra Christum latratu, tamquam in puluere se exercent, & nostræ erga illum pietati falso obtrectare nituntur. Nam isti ridicularum fabularum inuentores asserunt, nos dum blasphemiam illam impiam, & a nemine vmquam litteris proditam, nimirum quæ Christum filium Dei ex nihilo ortum prædicat, auersamur, duo ingenita tradere: atque, quæ est eorum inscitia, dicunt necesse esse alterum ex duobus istis statuere, nempe vel eum ex nihilo creatum, vel omnino duo esse ingenita: si quidem propter inertiam ignorant prorsus, quantum intersit inter Patrem qui ingenitus est, & res ab eo conditas ex nihilo, siue rationis sint participes illæ quidem, siue expertes. ΠΙΣΤΕΥΟΜΕΝ εἰς ἕνα θεὸν, πατέρα παντοκράτορα, πάντων ὁρατῶν τε καὶ ἀοράτων ποιητήν· καὶ εἰς ἕνα κύριον Ἰησοῦν Χριστὸν τὸν υἱὸν τοῦ θεοῦ, γεννηθέντα ἐκ τοῦ πατρὸς μονογενῆ, τουτέστιν ἐκ τῆς οὐσίας τοῦ πατρός· θεὸν ἐκ θεοῦ, φῶς ἐκ φωτὸς, θεὸν ἀληθινὸν ἐκ θεοῦ ἀληθινοῦ· γεννηθέντα, οὐ ποιηθέντα, ὁμοούσιον τῷ πατρὶ, δι' οὗ τὰ πάντα ἐγένετο, τά τε ἐν τῷ οὐρανῷ, καὶ τὰ ἐπὶ τῆς γῆς· τὸν δι' ἡμᾶς τοὺς ἀνθρώπους, καὶ διὰ τὴν ἡμετέραν σωτηρίαν κατελθόντα, καὶ σαρκωθέντα, καὶ ἐνανθρωπήσαντα· παθόντα, καὶ ἀναστάντα τῇ τρίτῃ ἡμέρᾳ, καὶ ἀνελθόντα εἰς τοὺς οὐρανούς· καὶ ἐρχόμενον πάλιν κρῖναι ζῶντας καὶ νεκρούς· καὶ εἰς τὸ πνεῦμα τὸ ἅγιον. τοὺς δὲ λέγοντας, ἦν ποτε ὅτε οὐκ ἦν, καὶ πρὶν γεννηθῆναι οὐκ ἦν, καὶ ὅτι ἐξ οὐκ ὄντων ἐγένετο, ἢ ἐξ ἑτέρας ὑποστάσεως, ἢ οὐσίας φάσκοντας εἶναι, ἢ κτιστὸν, ἢ ἀλλοιωτὸν, ἢ τρεπτὸν τὸν υἱὸν τοῦ θεοῦ, τούτους ἀναθεματίζει ἡ καθολικὴ καὶ ἀποστολικὴ ἐκκλησία.

CREDIMVS in vnum Deum, Patrem omnipotentem, omnium viſibilium & inuiſibilium factorem. Et in vnum Dominum IESVM Chriſtum filium Dei, ex Patre natum vnigenitum, ideſt ex ſubſtantia Patris; Deum ex Deo, lumen ex lumine, Deum verum ex Deo vero; natum, non factum, conſubſtantialem Patri, per quem omnia facta ſunt, & quæ in cælo & quæ in terra. Qui propter nos homines, & propter noſtram ſalutem deſcendit, & incarnatus eſt, & homo factus; paſſus eſt, & reſurrexit tertia die; & aſcendit in cælos: & iterum venturus eſt iudicare viuos & mortuos. Et in Spiritum ſanctum. Eos autem qui dicunt: Erat aliquando quando non erat, & antequam naſceretur, non erat; & quia ex ijs quæ non ſunt, factus eſt; aut ex alia ſubſtantia vel eſſentia dicunt eſſe, vel creatum, vel mutabilem, vel conuertibilem filium Dei, anathematizat catholica & Apoſtolica Eccleſia.

CANONES TRECENTORVM decem & octo sanctorum Patrum, qui Nicæa conuenerunt, Consulatu Paulini & Iuliani virorum clarissimorum, anno ab Alexandro DCXXXVI. xiij. Kal. Iulij, qui est apud Græcos xix. dies mensis Δίου, id est, Iunij.

CAN. I.

Dionysij Exigui versio.

SI quis à medicis propter languorem defectus est, aut à barbaris abscisus; hic in clero permaneat. Si quis autem se ipsum sanus abscidit, hunc & in clero constitutum abstinere conuenit; & deinceps nullum debere talium promoueri. Sicut autem hoc claret, quòd de his qui hanc rem affectant, audentq. semetipsos abscindere, dictum sit; sic eos, quos aut barbari, aut domini castrauerunt, si inueniuntur aliàs [i] dignissimi, tales ad clerum suscipit regula.

[i] digni,

CAN. II.

Quoniam plura aut per necessitatem, aut aliàs cogentibus hominibus, aduersus Ecclesiasticam facta sunt regulam, vt homines ex Gentili vita nuper accedentes ad Fidem, & instructos breui tempore, mox ad lauacrum spiritale perducerent, simulq. vt baptizati sunt, ad Episcopatū vel ad presbyterium promouerent; optime placuit, nihil tale de reliquo fieri. nam & tempore opus est ei qui catechizatur, & post baptismum probatione quamplurima. manifesta est enim Apostolica scriptura, quæ dicit: Non neophytum, ne in superbiam elatus, in iudicium incidat, & in laqueum diaboli. Si vero processu temporis aliquod delictum animæ circa personam reperiatur huiusmodi, & à duobus vel tribus testibus arguatur; à clero talis abstineat. Si quis autem præter hæc fecerit, quasi contra magnum Concilium se efferens, ipse de clericatus honore periclitabitur.

CAN. III.

Interdixit per omnia magna Synodus, non Episcopo, non presbytero, non diacono, nec alicui omnino qui in clero est, licere subintroductam habere mulierem; nisi forte aut matrem, aut sororem, aut amitam, vel eas tantum personas, quæ [k] suspicionem effugiunt.

Episcopum conuenit maxime quidem ab omnibus qui sunt in prouincia, Episcopis ordinari. Si autem hoc difficile fuerit aut propter instantem necessitatem, aut propter itineris longitudinem; tribus tamen omnimodis in idipsum conuenientibus, & absentibus quoque pari modo decernentibus, & per scripta consentientibus, tunc ordinatio celebretur. Firmitas autem eorum quæ geruntur per vnamquamque prouinciam metropolitano tribuatur Episcopo.

Requiratur autem, ne pusillanimitate, aut contentione, aut alio quolibet Episcopi vitio videatur à congregatione secluſus. Vt hoc ergo decentius inquiratur, bene placuit, annis singulis per vnamquamque prouinciam bis in anno concilia celebrari, vt communiter omnibus simul Episcopis congregatis prouinciæ, discutiantur huiusmodi quæstiones. Et sic qui suo peccauerint euidenter Episcopo, excommunicati rationabiliter ab omnibus æstimentur, vsquequo * vel in communi, vel Episcopo placeat humaniorem pro talibus ferre sententiam. Concilia vero celebrentur, vnum quidem ante Quadragesimam Paschæ; vt omni dissensione sublata, munus offeratur Deo purissimum: secundum vero circa tempus autumni.

Illud autem generaliter clarum est, quòd si quis præter sententiam Metropolitani fuerit factus episcopus, hunc magna Synodus definiuit, episcopum esse non oportere. Sin autem communi cunctorum decreto rationabili, & secundum Ecclesiasticam regulam comprobato, duo aut tres propter contentiones proprias contradicant, obtineat sententia plurimorum.

CAN. XV.

Propter multam perturbationem, & seditiones quæ fiunt, placuit consuetudinem omnimodis amputari, quæ præter regulam in quibusdam partibus videtur admissa; ita vt de ciuitate ad ciuitatem non Episcopus, non presbyter, non diaconus [x] transferatur. Si quis autem post definitionem sancti & magni Concilij tale quid agere tentauerit, & se huiusmodi negotio mancipauerit; hoc factum prorsus irritum ducatur, & restituatur ecclesiæ, cuius fuit Episcopus, aut presbyter, vel diaconus ordinatus.

[x] transeat.

CAN. XVI.

Quicumque temere [x] aut periculose, neque timorem Dei præ oculis habentes, nec agnoscentes Ecclesiasticam regulam, discedunt ab ecclesia presbyteri, aut diaconi, vel quicumque sub regula prorsus existunt; hi nequaquam debent in aliam ecclesiam recipi, sed omnem necessitatem conuenit illis imponi, vt ad suas parœcias reuertantur. Quod si non fecerint, oportet eos communione priuari. Si quis autem ad alium pertinentem audacter inuadere, & in sua ecclesia ordinare tentauerit, non consentiente Episcopo, à quo discessit is qui regulæ mancipatur; ordinatio huiusmodi irrita comprobetur.

CAN. XVII.

Quoniam multi sub regula constituti, auaritiam & turpia lucra sectantur, oblitiq. diuinæ scripturæ dicentis: Qui pecuniam suam non dedit ad vsuram; mutuum dantes centesimas exigunt: iuste censuit sancta & magna Synodus, vt si quis inuentus fuerit post hanc definitionem vsuras accipiens, aut ex adinuentione aliqua, vel quolibet modo negotium transigens, aut hemiolia, idest sescupla exigens, vel aliquid tale prorsus excogitans turpis lucri gratia; deijciatur a clero, & alienus existat a regula.

Psal. 14. b.

CAN. XVIII.

Peruenit ad sanctum magnumq. Concilium, quòd in quibusdam locis & ciuitatibus, presbyteris gratiam sacræ communionis diaconi porrigant; quod nec regula, nec consuetudo tradidit, vt ab his qui potestatem non habent offerendi, illi qui offerunt, Christi corpus accipiant. Nec non & illud innotuit, quòd quidam diaconi ante Episcopos [x] sacra oblata contingant. Hæc igitur omnia rescecentur; & in sua diaconi mensura permaneant, scientes, quòd Episcoporum quidem ministri sunt, inferiores autem presbyteris habentur. Per ordinem ergo post presbyteros gratiam sacræ communionis accipiant, aut Episcopo eis, aut presbytero porrigente. Sed nec sedere in medio presbyterorum diaconis liceat: quia si hoc fiat, præter regulam & ordinem probatur existere. Si quis autem etiam post has definitiones obedire noluerit, a ministerio cessare debebit.

De Paulianiſtis ad Eccleſiam catholicam confugientibus definitio prolata eſt, vt baptizentur omnimodis. Si qui autem de his præterito tempore fuerint in clero, ſi quidem immaculati & irreprehenſibiles apparuerint, baptizati ordinentur ab Epiſcopo Eccleſiæ catholicæ. Quòd ſi diſcuſſio incongruos eos inuenerit, abijci tales conuenit. Similiter autem & de diaconiſſis, & omnino de his qui ſub regula verſantur, hæc forma ſeruabitur. Meminimus autem de diaconiſſis, quæ in eodem habitu eſſe probantur, quòd non habeant manus impoſitionem, & ideo modis omnibus eas inter laicas deputari.

CAN. XX.

Quoniam ſunt quidam in die Dominico genua flectentes, & in diebus Pentecoſtes: vt omnia in vniuerſis locis conſonanter obſeruentur, placuit ſancto Concilio, ſtantes Domino vota perſoluere.

SECVNDA EDITIO CANONVM CONCILII NICAENI.

CAN. I.

Iſidori Mercatoris. SI quis in ægritudine à medicis ſectus eſt, vel à barbaris caſtratus, placuit vt iſte permaneat in clero. Si quis autem ſanus ſe ipſum abſcidit, etiam ſi eſt in clero, ceſſare debet: & ex hoc nullum talem oportet ordinari. Sicut autem de his qui affectauerunt, vel auſi ſunt ſe ipſos abſcindere, hæc quæ diximus, ſtatuta ſunt; ita ſi qui vel à barbaris, vel à dominis ſuis ſecti, & probabilis vitæ ſunt, tales ſuſcipit Eccleſiaſtica regula in clerum.

CAN. II.

Quoniam multa ſiue per neceſſitatem, ſiue ex quacumque cauſa contra regulam geſta ſunt, ita vt homines ex vita Gentili nuper adhuc catechizati, vel inſtituti, ſtatim ad ſpiritalem baptiſmum veniſſent, & continuo cum baptizati ſunt, etiam ad epiſcopatum, vel ad presbyterium prouecti ſunt; recte igitur viſum eſt, de cetero nihil tale debere fieri. Nam & tempore opus eſt, vt ſit catechumenus; & poſt baptiſmum multa probatione indiget. Euidens namque eſt Apoſtolicum præceptum, dicens: Non neophytum, ne forte elatus, in iudicium incurrat, & laqueum diaboli. Si vero procedente tempore aliquod *peccatum admiſerit, & conuictus duobus, vel tribus teſtibus fuerit; ceſſet a clero qui huiuſmodi eſt. Si quis vero præter hæc ˣ facit, tamquam contraria ſtatutis ſancti Concilij gerens, etiam ipſe ˣ periclitabitur de ſtatu ſui cleri.

CAN. III.

Omnibus modis interdixit ſancta Synodus, neque Epiſcopo, neque presbytero, neque diacono, neque vlli clericorum omnino licere habere ſecum mulierem extraneam, niſi forte mater, aut ſoror, aut auia, aut amita, vel matertera ſit. In his namque ſolis perſonis, & harum ſimilibus, omnis, quæ ex mulieribus eſt, ſuſpicio declinatur. Qui autem præter hæc agit, periclitatur de clero.

CAN. IV.

Epiſcopum oportet ab omnibus Epiſcopis, ſi fieri poteſt, qui ſunt in prouincia eius, ordinari. Si vero hoc difficile fuerit vel aliqua vrgente neceſſitate, vel itineris longitudine; certe tres Epiſcopi debent in vnum eſſe congregati, ita vt etiã ceterorum, qui abſentes ſunt, conſenſum literis teneant, & ita faciant ordinationem. Poteſtas ſane vel cõfirmatio pertinebit per ſingulas prouincias ad metropolitanum Epiſcopum.

CAN. V.

Seruetur & iſta ſententia, vt hi qui ab alijs excommunicantur, ab alijs ad communionem non recipiantur. Requiratur ſane, ſi forte aliqua indignatione, aut contentione, aut qualibet commotione Epiſcopi ſui ˣ excommunicati ſint. Vt ergo digna hæc poſsint examinatione perquiri, recte viſum eſt, per ſingulos annos in ſingulis quibuſque prouincijs, bis in anno Epiſcoporum concilium fieri; vt ſimul in vnum conuenientes ex communi prouincia, huiuſmodi examinent quæſtiones: vt ita demum hi, qui ob culpas ſuas Epiſcoporum ſuorum offenſas merito contraxerunt, digne etiam a ceteris excommunicati ſimiliter habeantur, quouſque in communi, vel ipſi Epiſcopo ſuo viſum fuerit humaniorem circa eos ferre ſententiam. *perduret

quando-quidem &

Mos antiquus *perdurat in Aegypto, vel Libya & Pentapoli, vt Alexandrinus Epiſcopus horum omnium habeat poteſtatem, quoniam quidem & Epiſcopo Romano partilis mos eſt. Similiter autem & apud Antiochiam, ceterasq. prouincias, honor ſuus vnicuique ſeruetur Eccleſiæ. Per omnia autem manifeſtum eſt, quòd ſi quis præter voluntatem & conſcientiam metropolitani Epiſcopi fuerit ordinatus, hunc Concilium magnum & ſanctum cenſuit non debere eſſe Epiſcopum. Sane ſi communi omnium conſenſu rationabiliter probato ſecundum Eccleſiaſticam regulam, duo vel tres animoſitate ducti per contentionem contradicant, obtineat plurimorum ſententia ſacerdotum.

CAN. VII.

Quoniam mos antiquus obtinuit, & vetuſta traditio, vt Aeliæ, ideſt, Hieroſolymæ Epiſcopo honor deferatur; habeat conſequenter honorem ſuum, manente tamen metropolitanæ ciuitati propria dignitate.

CAN. VIII.

Si qui voluerint venire ad Eccleſiam catholicam ex Nouatianis, placuit ſancto Concilio vt ordinentur, & ſic maneant in clero. Ante omnia autem hanc habeant cõfeſſionem, quam per ſcripturam exigi oportet, vt fateantur ſe communi conſenſu catholicæ Eccleſiæ ſtatuta obſeruaturos, ideſt, communicaturos ſe & his, qui forte ſecundas nuptias experti ſunt, vel his qui perſecutionis tempore lapſi ſunt; quibus tamen lapſis pœnitentiæ modus & tempus adſcriptum eſt, vt in omnibus ſequantur ea, quæ in Eccleſia catholica obſeruantur. Et ſicubi ijdem ipſi fuerint inuenti ſiue in vicis ſiue in vrbibus clerici ordinati à Catholicis, ſic etiam in clero perſiſtant, vnuſquiſque tamen in ſuo ordine. Si vero Epiſcopus vel Presbyter Eccleſiæ catholicę fuerit ad quem aliqui ex his accedunt, certum eſt quòd Epiſcopus quidem catholicus ſuam habeat dignitatem, ſimiliter autem Presbyteri & diaconi habeant. Hi vero qui ab iſtis veniunt, ſi forte Epiſcopus fuerit, habeat ſacerdotij dignitatem: niſi forte placeat catholico Epiſcopo concedere ei etiam epiſcopalis nominis honorem. Si vero non placuerit, inueniat ei locum, vt ſit in parochia chorepiſcopus, aut in clero presbyter: vt in ciuitate vna non videantur duo Epiſcopi eſſe, & ille omnimodis in clero permanere videatur.

CAN. IX.

Si qui ſine examinatione promoti Presbyteri ſunt, & poſtea examinati, confeſſi ſunt peccata ſua; & cum confeſſi fuiſſent, contra regulam venientes homines, manus eis temere impoſuerunt; hos Eccleſiaſticus ordo non recipit. In omnibus enim, quod irreprehenſibile eſt, ſancta defendit Eccleſia.

E

CAN. X.

Quicumque ex lapſis per ignorantiam ſunt ordinati, vel contemptu eorum qui eos ordinauerunt; hoc non præiudicat regulæ Eccleſiaſticæ, cum enim compertum fuerit, deponantur.

CAN. XI.

De his qui negauerunt præter neceſſitatem, aut præter ablationem facultatum, aut præter periculum, vel aliquid huiuſcemodi (quod factum eſt ſub tyrannide Licinij) placuit ſanctæ Synodo, licet indigni ſint miſericordia, tamen aliquid circa eos humanitatis oſtendi. Si quos ergo ex animo pœnitet, tribus annis inter *pœnitentes habeantur. Si tamen fideles ſunt, ſeptem annis alijs inter pœnitentes ſint: duobus autem annis ijdem ſine oblatione in oratione ſola participent populo. Si qui vero per Dei gratiam vocati, primo quidem oſtenderunt fidem ſuam, depoſito militiæ cingulo; poſt hæc autem ad proprium vomitum ſunt reuerſi, vt & pecunias darent, & ambirent redire rurſum ad militiam; iſti decem annis ſint inter pœnitentes, poſt primum triennium quo fuerint inter audientes. Ab omnibus vero illud præcipue obſeruetur, vt animus eorum, & fructus pœnitentiæ attendatur. Quicumque enim cum omni timore & lacrymis perſeuerantibus, & operibus bonis, conuerſionem ſuam non verbis ſolis, ſed opere & veritate demonſtrant; cum tempus ſtatutum etiam ab his fuerit impletum, & orationibus iam cœperint communicare; licebit Epiſcopo humanius etiam circa eos aliquid cogitare. Qui vero indifferenter habuerunt lapſum, & ſufficere ſibi quòd Eccleſiam introierint arbitrantur; iſti omnimodo tempora ſtatuta complebunt.

CAN. XII.

De his vero, qui recedunt ex corpore, antiquæ legis regula obſeruabitur etiam nunc, ita vt ſi forte quis recedit ex corpore, neceſſario vitæ ſuę viatico non defraudetur. Quòd ſi deſperatus aliquis recepta Communione ſuperuixerit, ſit inter eos qui in ſola oratione communicant. De omnibus tamen his qui à corpore recedunt, in tradendo eis Communionem, cura & probatio ſit Epiſcopi.

CAN. XIII.

Placuit hoc ſancto & magno Concilio de catechumenis qui lapſi ſunt, vt tribus annis inter audientes verbum ſint tantummodo; poſthæc vero orent cum catechumenis.

CAN. XIV.

Canon hic in vers. Diuersis ponitur pro grege.

Peruenit ad ſanctum Concilium, quòd in locis quibuſdam & ciuitatibus, Presbyteris Sacramenta diaconi porrigant. Hoc neque regula, neque conſuetudo tradidit, vt hi qui offerendi ſacrificij non habent poteſtatem, his qui offerunt, corpus Chriſti porrigãt. Sed & illud innotuit, quòd quidam diacones etiam ante Epiſcopos Sacramenta ſumunt. Hæc ergo omnia amputentur, & maneant diacones intra ſuam propriam menſuram, ſcientes quia Epiſcoporũ quidem miniſtri ſunt, presbyteris autem inferiores. Accipiant ergo ſecundum ordinem poſt Presbyteros ab Epiſcopo, vel à Presbytero ſacram Communionem. Quòd ſi non fuerit in præſenti vel Epiſcopus, vel Presbyter, tunc ipſi proferant, & edant. Sed nec ſedere quidem licet in medio Presbyterorũ diacones, extra regulam enim eſt, vt hoc fiat. Si quis autem non vult his ſufficiens eſſe poſt hanc definitionem, ceſſet eſſe diaconus.

CAN. XV.

Propter multas perturbationes, & frequentes tumultus ſeditionum, quę fieri ſolent, placuit omnimodo iſtam abſcindi conſuetudinem, quę contra regulam eſt, ſicubi tamen ſit, ideſt, ne de ciuitate ad ciuitatem tranſeat vel Epiſcopus, vel Presbyter, vel diaconus. Si quis vero poſt hæc ſtatuta ſancti huius Concilij tale aliquid agere tentauerit, infringetur omni genere huiuſcemodi conatus; & reſtituatur propriæ Eccleſiæ, in qua ordinatus eſt.

CAN. XVI.

Si qui vero ſine reſpectu Dei agentes, & timorem Dei ante oculos non habentes, neque Eccleſiaſtica ſtatuta cuſtodientes, receſſerint ab eccleſia ſua, ſiue Presbyter, ſiue diaconus, vel in quocumque Eccleſiaſtico ordine poſiti fuerint, non debent ſuſcipi in alia eccleſia; ſed cum omni neceſſitate cogantur vt redeant ad eccleſiam ſuam. Quòd ſi permanſerint, excommunicare eos oportet.

CAN. XVII.

Si quis auſus fuerit aliquem, qui ad alterum pertinet, ordinare in ſua eccleſia, quum non habeat conſenſum Epiſcopi ipſius, à quo receſſit clericus, irrita ſit huiuſmodi ordinatio.

CAN. XVIII.

Quoniam multi clerici, auaritiæ cauſa turpia lucra ſectantes, obliti ſunt diuini præcepti, quo dictum eſt: Qui pecuniam ſuam non dedit ad vſuram; fœnerantes centeſimas exigunt; ſtatuit hoc ſanctum Concilium, Si quis inuentus fuerit poſt hanc definitionem vſuras accipere, vel ex quolibet tali negotio turpia lucra ſectari, vel etiam ſpecies frumentorum ad ſeſcuplum dare; omnis qui tale aliquid conatus fuerit ad quæſtum, deijciatur ex clero, & alienus ab Eccleſiaſtico habeatur gradu. *Pſalm. 14.*

CAN. XIX.

Si quis confugit ad Eccleſiam catholicam de Paulianiſtis, & Cataphrygis, ſtatutũ eſt rebaptizari eos omnino debere. Si qui vero clerici erant apud eos, ſi quidem inculpati fuerint & irreprehenſibiles, baptizati rurſus etiam ordinentur ab Epiſcopo Eccleſiæ catholicæ. Si vero examinati, minus fuerint apti deprehenſi, deponi eos oportet. Similiter autem & circa diaconos, & de omnibus qui in eodem clero inueniuntur, eadem forma ſeruabitur. Commemorauimus autem diaconiſſas, quæ in hoc ordine inuentæ ſunt, quæ nec manus impoſitionem aliquam habent, vt & omnimodo inter laicas habeantur. Similiter autem diaconiſſæ, quæ in catholico canone non habentur, ſimili loco, ideſt, laicę & tamquam non conſecratæ deputentur.

CAN. XX.

Quoniam ſunt in die Dominica quidam ad orationem genua flectentes, & in diebus Pentecoſtes; propterea itaque ſtatutum eſt à ſancta Synodo, quoniam conſona & conueniens per omnes Eccleſias cuſtodienda conſuetudo eſt, vt ſtantes ad orationem vota Domino reddamus.

Nihil eſt in auctoribus, temporum iniuria & librariorum erroribus magis expoſitum, quàm propria locorum perſonarumq. nomina. Nam cum vt plurimum peregrina ſint, facillimum quidem eſt corrumpi ac deprauari. Accedit, locorum appellationes propter varias diuerſarum gentium in alienos fines incurſiones, & pene momentaneas Imperiorum viciſſitudines, nullibi ſtabiles permanſiſſe. Hinc factum, vt in Conciliorum ſubſcriptionibus multa legantur, quæ aut plane depranata ſunt, aut certe iis nominibus habentur, quæ eo tempore vera & certa erant, noſtro ſæculo omnino & incognita. Sed cum in omnibus editionibus hactenus euulgatis prædicta ſubſcriptiones extent, viſum eſt omitti eas non poſſe.

Subſcripſerunt trecenti decem & octo Epiſcopi, qui in eodem Concilio conuenerunt.

Hoſius Epiſcopus ciuitatis Cordubenſis prouinciæ Hiſpaniæ dixit: Ita credo ſicut ſuperius ſcriptum eſt.

‖ Vitus ‖ Victor & Vincentius Presbyteri vrbis Romæ pro venerabili viro Papa & Epiſcopo noſtro ſancto Silueſtro ſubſcripſimus, ita credentes, ſicut ſupra ſcriptum eſt.

Quoniam ad me scripsisti, Ludouice, ut tibi consilium meum impertirem, quo pacto ad Iuris ciuilis studium accedere debeas, quod ego libenter facio, quia te amo, et quia ita mihi videtur, ut ad Iuris ciuilis studium acced

A sed quòd minime crederemus, eum, qui erat accusatus, hominem eius generis fuisse: præsertim cum ex illis, quæ priuatim ad nos ab eo tum per epistolas relata erant, tum per eius sermonẽ coram habitum declarata, pro certo essemus persuasi, ipsum longe alium esse. Quod si sanctum vestrum Concilium sibi de illo persuasit; ea quæ vestrò iudicio decreta sunt, non contradicendo impugnare, sed consentientibus animis confirmare decreuimus, & hoc libello consensum illum roboramus; non huc inducti, quòd exilium grauiter & iniquo animo ferimus; sed quòd libenter cupimus hæresis vitare suspicionem. Nam si nos B iam in vestrum conspectum venire permiseritis, comperietis nos vestris decretis omnino suffragaturos. Et quoniam vestræ reuerentiæ visum est, illum qui rerum istarum reus agitur, humanitus excipere, & ad vos accersere: est plane à ratione alienum, vt cum is, qui crimine tenetur implicatus, accersitus sit, illisq. quæ ipsi obijciũtur, responderit; nos reticendo, nosmetipsos culpæ conuincere videamur. Ne grauemini igitur (sicut vestram benignam decet reuerentiam) sanctissimum Imperatorem nostrum de his commonefacere, nostra postulata illi exponere, & mature ea quæ sunt prudentiæ vestræ consentanea, de nobis C statuere.

SALVETE plurimum, fratres charissimi. Permagnum certe & singulare beneficium à diuina prouidentia in nos collatum est, quòd omni errore liberati, vnã eamdemq. fidem agnoscamus. Non est profecto diaboli insidijs contra nos intentatis, de cetero quidquam loci relictum: nam quidquid est per fraudem in nos molitus, illud funditus sublatum est. Dissensiones autem animorum, schismata, tumultus illos, & lethalia discordiarum (vt ita dicam) venena, veritatis splendor (iuxta Christi monitum) penitus obruit, deleuitque. Vnum igitur Deum omnes & nomine veneramur, & esse credimus. Vt autem istud Dei admonitione ad exitum perduceretur, magnam Episcoporum turbam ad vrbẽ Nicæam accersiui: quibus cum ego, qui vnus ex vestrùm numero sum, quiq. eidem obsequio vnà vobiscum libentissime meipsum totum addico, operam dedi, vt veritas diligenter inuestigaretur. Proinde omnia, quæ aut controuersiæ, aut dissensionis materiam præbere videbantur, accurate excussa & exagitata sunt. Quanta & quàm execrabilia probra (ò bone Deus, sis nobis clemens & misericors) nonnulli in venerandum nostrum Saluatorem, in spem & vitam nostram scelerate nefarieq. iecerunt, & scripturis diuinitus inspiratis, fideiq. sacrosanctæ contraria non modo impudenter effutiuerunt, sed se ita credere palàm confessi sunt: Nam cum amplius trecenti Episcopi, viri propter animi modestiam & solertiam admirabiles, vnam eamdemq. fidem (quæ & veritate, & exquisitis Legis diuinæ testimonijs vera fides esse confirmatur) cõstabiliuissent; solus Arius inuentus est, qui vi ac fraude diabolica victus, ab ea penitus defeciuerit; quiq. impia animi impulsione incitatus, hanc erroris labem primum apud vos, deinde apud alios sparserit. Quo circa eam, quam omnipotens Pater nobis tradidit, doctrinã amplexemur: ad fratres nostros charissimos, à quibus nequam & impudens diaboli minister vos segregauit, redeamus: ad commune corpus Ecclesiæ, & ingenua nostra membra, toto pectore, vt dicitur, reuertamur. Illud enim vestræ prudentiæ, fidei, & sanctitati in primis consentaneum est, vt errore illius, qui se hostem veritatis instituerit, penitus depulso, ad Dei gratiam & voluntatem vos denuo recipiatis. Nam quod trecentis Episcopis visum est, non est aliud putandum, quàm Dei sententia: præsertim cum in talium & tam præclarorum virorum mentibus sacer insideret Spiritus, qui illis diuinam voluntatem aperuerit. Quapropter nemo vestrum hęsitet, nemo moram interponat; sed omnes lubentibus animis ad viã veritatis redite; vt simulatque ipse ad vos aduẽtanero, debitas gratias Deo, qui omnia lustrat, vnà vo-

LIBER PRIMUS.

Ante Concilium Tridentinum, quæ ad Religionem pertinuerint.

Cum Lutherus, Augustinianus Monachus, Ecclesiæ Romanæ, quæ Mater omnium Ecclesiarum est, & Magistra fidei, Sacramentorum, quæ Christus Dominus ad salutem humani generis, & ad perfectionem unius cujusque Sanctorum, quotquot ab initio fuerunt, & deinceps futuri sunt, instituit, & ordinavit, septenarium numerum, ac Sacrosanctum Missæ Sacrificium, & Sacerdotium, quod Apostolis, eorumque successoribus in Ecclesia Dei, ad Christi Corpus, & Sanguinem conficiendum, & ad peccata remittenda, & retinenda, Christus Dominus tradidit, & ordinavit, ac Sacrosanctum Matrimonium, quod Christus Dominus Ecclesiæ suæ, & populo Christiano, ut ex Apostolo colligitur, sanctificandum, & consecrandum tradidit, & ordinavit, ac Sacrosanctum Baptismum, quo

vitate (nam de [a] præſtituti ad Concilium temporis anguſtia nonnulli Orientales Epiſcopi eum criminabantur) Imperatorumq. [β] conſenſu apud Sardicam Illyrij vrbem Synodus generalis indicitur, Rufino [γ] iterum & Euſebio Coſſ. anno poſt obitum Conſtantini vndecimo. Eò conuenere [δ] Epiſcopi circiter ducenti octoginta ex Occidente, & ex Oriente ſeptuaginta ſex. Hoſius, [ε] Archidamus & Philoxenius Iulij nomine præerant. Adfuit [ζ] & Athanaſius cum ſocijs, ad crimina, quorum poſtulati fuerant, diluenda. Verum Orientales Ario pleni, cum intelligerent rem agendam eſſe ſine [η] Muſoniano, Heſychio, & Caſtritio, quorum muniti lictoribus, Epiſcoporum ſolebant obterere libertatem; diffiſi cauſa, & ſcelerum conſcientia conſternati, venturos [θ] ſe in Synodi conſpectum, niſi prius Athanaſio & ſocijs de medio pulſis, palam negarunt. Quod cum Sardicenſes Patres de innocentibus ac ſanctiſſimis viris, iamq. in Romanam communionem receptis abnuerent conſtituere, Arianosq. iterum atque iterum commonuiſſent, vt è palatio, quo ſeſe [ι] abdiderant, prodirent in medium, flagitia quæ Athanaſio intenderant, probaturi; alioquin ipſos reorum loco habendos eſſe; illi tam incorruptis iudicum ſubſellijs res ſuas credere non auſi, clam [κ] Philippopolim [λ] Thraciæ defugere. Vbi [μ] noua fidei formula, velut ad explendum quod Nicæna deerat, edita, damnarunt Homouſion; aduerſus Athanaſium & ſocios ſua decreta confirmarunt; Iulio, Hoſio, ceterisq. Athanaſij fautoribus edixerunt anathema, & epiſcopale nomen [ν] abrogarunt. Quæ omnia quò plus haberent auctoritatis ac ponderis, ad hæreticorum dolos conuerſi, tamquam acta geſtaq. in Sardicenſi Synodo, cuius abutebantur nomine, ad Donatum [ξ] tunc catholicæ Eccleſiæ infenſiſſimum in Africa, vt ipſum ſuis adiungerent partibus, perſcripſere; tametſi ea fraus haud quaquam fefellerit Africanos Patres. Nam longo poſt tempore cum Donatiſtæ eo Concilio, quod coactum fuerat ab Arianis, in ſuæ cauſæ patrocinium vellent abuti, continuo beatus Auguſtinus ex iniquiſſima Iulij & Athanaſij condemnatione, quæ tamquam in eo Concilio facta recitabatur, opus ex Ariana officina prodijſſe deprehendit. Harum [ο] rerum indignitate, & ſingulari hominum impudentia commoti Sardicenſes Patres, in eos vt cauſæ deſertores, criminatores piorum omnium, & orthodoxæ fidei aduerſarios, iuſtiſſimum anathema conclamant; Stephanum Antiochenum, Menophantem Epheſinum, Narciſſum Neroniadis, Theodorum Heracleenſem, Acacium Cæſarienſem, Vrſacium & Valentem ex epiſcopali gradu dimouent, Gregorium in primis, qui in Alexandrinam ſedem armatis militibus ſeptus irruperat: Athanaſium & ſocios honorificis iudicum ſententijs ac decretis ornatos, ſuarum iterum iubent eccleſiarum gubernacula capeſſere: Homouſion, Nicænamq. doctrinam, vt nullis egentem [π] aſſumentis, ſed numeris omnibus abſolutam, religioſiſſimis acclamationibus comprobant: tabellam vero, ac nouam formulam, quam aduerſarij finxerant, & nomine Synodi Sardicenſis ediderant, vt adulterinam ac ſuppoſititiam abrogant atque reſcindunt: viginti denique canones [ρ] Græce ac Latine in communem Eccleſiæ vtilitatem ſancinnt: omniaq. quo ordine geſta ſunt, diligenter perſcribunt, primum [σ] Iulio Romano Pontifici, ceterisq. [τ] Epiſcopis; vt ijs, quos Ariani iniuſtiſſime vexauerant, ſolatio ac perfugio eſſent: deinde Alexandrinæ eccleſiæ, cuius tantopere intererat, quæcumque ad Athanaſij cauſam ſpectabant non ignorare: tum Conſtanti Auguſto, qui [υ] mox per litteras egit cum fratre Conſtantio, vt (quod & ſancta Synodus [φ] miſſis ad eum Euphrata Agrippinæ, & Vincentio Capuæ Epiſcopis rogabat) Athanaſio & ſocijs contra fas & ius omne depulſis ſuas reddi eccleſias imperaret. Atque hic fuit Synodi Sardicenſis exitus. Quoniam autem nihil nouum, quod ad fidem pertineret, in hac Synodo ſancitum fuit, nec [χ] nouus fidei articulus explicatus, ſed ea tantum nouis ſuffragijs ſtabilita ac confirmata, quæ Patres in Nicæna Synodo tradiderant: propterea Synodus Sardicenſis, licet ex toto fere orbe collecta, ſemper tamquam pars appendixq. Nicæni Concilij fuit habita, cum omnia quæ de fide fuerunt definita, ad illius decreta ſeruanda referantur. Itaque licet hæc Synodus altera fuerit à Nicæna, tamen quia non nouas ſuſcepit fidei vel Eccleſiæ cauſas, ſed Nicænæ tantum fidei tutelam ac patrocinium, &, vt eſt in Concilio Chalcedonenſi, [†] Arianorum reliquias oppugnauit; & quia ipſorum Sardicenſium & Nicænorum Patrum vna fuit ſententia, vna mens, vnus ſpiritus; idcirco Sardicenſe Concilium Nicæni nomine à multis comprehenditur, quemadmodum vrbs, ac vrbis propugnaculum, vna res cenſeri ſolet ac nominari. Quamobrem [ω] Innocentius & [α] Zoſimus Sardicenſes canones appellant Nicænos, vt ex Concilio ſexto Carthaginienſi appareat. Eamdem item ob cauſam ſanctus [β] Gregorius, Iſidorus [γ], Beda [δ] & alij Patres cum prima quattuor Concilia enumerant, Sardicenſe, quamuis reuera generale, ſilentio prætereunt, tamquam Nicæno incluſum. Quantam autem hæc Synodus auctoritatem habeat, multis validisq.

rationibus probari poteſt. Primùm enim eſſe generalem colligitur, tum ex magna Epiſcoporum frequentia qui ad eam conuenerunt, vt apparet ex [a] Athanaſio & alijs, qui Patrum numerum protulerunt; tum quia Iulij Pontificis maximi auctoritate [β] conuocata fuit, eiusq. Legati eidem præfuerunt. His accedit Conſtantis & Conſtantij Impp. auctoritas, qui omnem dederunt operam, vt Epiſcopi ex omnibus fere prouincijs conuenirent. Extat præterea Socratis, & (quod maius eſt) Iuſtiniani Imp. teſtimonium, qui in edicto de tribus Capitulis hæc verba ſcribit: Quoniam ex his qui in Nicæna ſancta Synodo conuenerunt, & expoſitæ ab ea fidei definitioni vel Symbolo ſubſcripſerunt, quoniam poſtea contraire ſapientes apparuerunt, alij quidem vini, alij poſt mortem anathematizati ſunt à Damaſo ſanctæ memoriæ Papa antiquioris Romæ, vel ab vniuerſali Sardicenſi Synodo, prout teſtatur ſanctus Athanaſius. hæc Iuſtinianus. Cum autem ipſemet Iulius [γ] in epiſtola ad Alexandrinos, ſuam de Athanaſio reſtituendo ſententiam a Synodo approbatam eſſe gratuletur; perſpicuum eſt ab eodem approbatam fuiſſe; præſertim cum Oſius & reliqui litteras ad ipſum dederint, eundemq. [δ] rogauerint, vt Concilij ſententiam ſua auctoritate confirmaret. Itaque ſi omnia diligenter perpendantur, exploratum erit, hanc Synodum generalem eſſe, cum nihil ex his quæ ad Concilium generale pertineant, in illa deſiderari poſſit. Apoſtolica etiam Sedes Sardicenſi Concilio ſemper honorem habuit: nam & in corpore Canonum, quo in primis olim in controuerſijs Eccleſiaſticis diiudicandis vtebatur, Sardicenſes canones collocauit: & Leo IIII. in epiſtola ad Epiſcopos Britanniæ, per huius Concilij canones Eccleſiæ diſceptationes diſſoluendas docuit. Gratus etiam Carthaginienſis Epiſcopus in Carthaginienſi primo Concilio idem confirmat, cuius verba hæc ſunt: Memini in ſanctiſſimo Concilio Sardicenſi ſtatutum, vt nemo alterius plebis hominem vſurpet; ſed ſi forte erit neceſſarius, petat à collega ſuo, & per conſenſum habeat. Quod in Sardicenſi Concilio can. xv. decretum eſt. Et Nicolaus primus in epiſtola iiij. Rhotadi cauſam huius Synodi auctoritate compoſuit: & epiſtola ad clerum Conſtantinopolitanum ab omni Eccleſia Sardicenſe Concilium receptum eſſe teſtatur.

HOSIVS vrbis Cordubæ Epiſcopus dixit: Non tam mala conſuetudo, quàm perniciosiſſima rerum corruptela, eſt ex ipſis fundamentis penitus extirpanda: ne cui Epiſcopo liceat à parua ciuitate in aliam migrare. Eius enim cauſæ prætextus eſt manifeſtus, propter quem talia tentantur. Nullus enim Epiſcopus adhuc inueniri potuit, qui à maiori ciuitate in minorem tranſire ſtuduerit. Vnde conſtat, eos ardenti plura habendi cupiditate ſuccendi, & magis arrogantiæ ſeruire, vt videantur maiorem habere poteſtatem. Placet ne hoc omnibus, vt eiuſmodi improbitas acerbius vindicetur? Exiſtimo enim eos ne laicorum quidem debere habere Communionem. Omnes Epiſcopi dixerunt: Placet omnibus.

CAN. II.

Hosius Episcopus dixit: Si quis autem adeo insanus, vel audax inueniatur, vt de ijs videatur aliquam afferre excusationem, asserens sibi à populo allatas esse litteras; clarum est potuisse paucos aliquos mercede & pretio corruptos, in ecclesia seditionem mouere, vt eumdem vtique postulent habere Episcopum. Omnino ergo has fraudes & artes puniendas esse existimo; vt nemo possit, qui est eiusmodi, ne in fine quidem laica Communione dignus haberi. An ergo hæc placet sententia, respondete. Responderunt: Placent quæ dicta sunt.

CAN. III.

Hosius Episcopus dixit: Hoc quoque necessario est adijciendum, vt nullus Episcoporum ex sua prouincia in aliam prouinciam, in qua sunt Episcopi, transeat; nisi vtique à suis fratribus vocetur; ne videamur dilectionis fores claudere. Hoc autem etiam similiter prouidendum est, vt si in aliqua prouincia Episcoporum quispiam aduersus fratrem suum & coepiscopum negotium habeat, neuter eorum ex alia prouincia Episcopos cognitores cuocet. Si quis autem Episcoporum in aliquo negotio condemnandus visus fuerit, & existimet se non malam, sed bonam causam habere, vt etiam rursus iudicium renouetur; si vestræ dilectioni videtur, Petri Apostoli memoriam honoremus, vt ab ijs qui iudicauerunt, scribatur Iulio Romanorum Episcopo; & per propinquos prouinciæ Episcopos, si opus sit, iudicium renouetur; & cognitores ipse præbeat. Si autem probare non potest, causam eius esse talem, vt eam rursus iudicari opus sit; quæ semel sunt iudicata, non infirmentur.

CAN. IV.

Gaudentius Episcopus dixit: Si videtur, necesse esse adijci huic sententiæ, quam sincera dilectione plenam protulisti, vt si quis Episcopus fuerit depositus iudicio Episcoporum, qui sunt in vicinia, & dicat rursus sibi defensionis negotium competere; non prius in cathedram alius substituatur, quàm Romanus Episcopus causa cognita sententiam tulerit.

CAN. V.

Hosius Episcopus dixit: Placuit, vt si quis Episcopus delatus fuerit, & congregati eiusdem regionis Episcopi eum gradu mouerint, & veluti appellans confugerit ad beatissimum Romanæ Ecclesiæ Episcopum, & velit ipsum audire, & iustum esse existimauerit eius rei examinationem renouari; coepiscopis scribere dignabitur, qui sunt propinqui prouinciæ, vt ipsi diligenter & accurate singula perscrutentur, & ex veritatis fide de re sententiam ferant. Si quis autem postulet suum negotium rursus audiri,

& ad ſuam ſupplicationem Romanorũ Epiſcopum [z] iudicare viſum fuerit, vt à proprio latere presbyteros mittat; erit in poteſtate ipſius quodcumque recte habere probauerit. & ſi decreuerit, oportere eos mitti, qui cum Epiſcopis ſint iudicaturi, habentes auctoritatem eius, à quo miſſi ſunt; & hoc ponendum eſt. Si autem ſufficere putauerit ad rei cognitionem, & Episcopi ſententiam, faciet quod prudentiſſimo eius conſilio recte habere videbitur. Reſponderunt Epiſcopi: Quæ dicta ſunt, placuerunt.

CAN. VI.

Hoſius Epiſcopus dixit: Si contigerit in vna prouincia, in qua ſunt plurimi Epiſcopi, vnum Epiſcopum conuentui non intereſſe, & ille per quamdam negligentiam nolit conuenire, & Episcoporum inſtitutioni & electioni aſſentiri, congregata autem populi multitudo ſuadeat & inſtet, vt fiat inſtitutio Epiſcopi, qui ab eis poſtulatur: oportet illum prius, qui non adfuerit, Epiſcopum admoneri per litteras Primatis prouinciæ, nempe Epiſcopi metropolitani, quòd rogat populus ſibi paſtorẽ dari; & exiſtimo recte habere hunc quoque expectari, vt adſit. Si autem litteris rogatus non adfuerit, ac ne reſcripſerit quidem; populi voluntati ſatisfiat. Oportet autem ex vicina quoque prouincia accerſi Epiſcopos ad metropolitani Epiſcopi inſtitutionem. Non licere autem ſimpliciter Epiſcopum conſtituere in aliquo pago vel parua vrbe, cui vel vnus presbyter ſufficit. non neceſſe eſt enim illic Epiſcopum conſtitui, ne Epiſcopi nomen & auctoritas vilipendatur. Sed prouinciæ (vt prius dixi) Epiſcopi debent in ijs vrbibus Epiſcopos conſtituere, vbi etiam prius Epiſcopi fuerunt. Si autem inueniatur vrbs aliqua tam populoſa, vt ipſa Epiſcopatu digna iudicetur, accipiat. An hoc omnibus placet? Reſponderunt omnes, Placet.

CAN. VII.

Hoſius Epiſcopus dixit: Importunitas noſtra, & multa aſſiduitas, & iniuſtæ preces effecerunt, vt nos non habeamus tantã gratiam & libertatem dicendi, quantam debebamus habere. Multi enim Epiſcopi non intermittunt ad caſtra accedere, & maxime Afri; qui, quemadmodum cognouimus à dilecto fratre noſtro & coepiſcopo Grato, ſalutaria conſilia non admittunt, ſed ita contemnunt, vt vnus homo in caſtra plurimas & diuerſas, & quæ non poſſunt iuuare eccleſias, preces afferat, & non (vt debet fieri & conuenit) pauperibus & laicis, vel viduis opem & auxilium ferat, ſed ſæculares dignitates & functiones aliquibus acquirat. Hæc ergo peruerſitas detrimentum non ſine offendiculo & condemnatione nobis conciliat. Conuenientius autem eſſe exiſtimaui, vt Epiſcopus illi ſuum auxilium præbeat, cui ab aliquo vis affertur; vel ſi quæ

Si itaque hoc quoque placet, omnes vnà quoque vestrum suffragium ferte. Responderunt omnes: Decernatur & hoc.

CAN. VIII.

Hosius Episcopus dixit: Hoc quoque vestra solertia iudicet, vt quia visum est, ne aliquis Episcopus in condemnationem incidat ad castra veniens, si qui eorum eiusmodi, quarum superius meminimus, habeant preces, per proprium diaconum mittant. Ministri enim persona non est inuidiosa, & quæ concessa fuerint, citius perferri poterunt.

CAN. IX.

Hosius Episcopus dixit: Hoc quoque consequens esse existimo, vt si in quacumque prouincia Episcopi ad fratrem & coepiscopum suum mittant preces, is qui est in maiori ciuitate, hoc est in Metropoli, ipse ministrum suum & preces mittat, præbens ei commendatitias quoque litteras, scribens videlicet per consequentiam etiam ad fratres & coepiscopos nostros, qui scilicet illo tempore in locis, vel ciuitatibus agant, in quibus pijssimus Imperator Remp. gubernat. Si quis autem Episcopus habet amicos in aula palatij, & velit aliquid, quod sit honestum & iustum impetrare, ne prohibeatur per suum ministrum & rogare, & ijs mandare, vt bonum suum auxilium ei velint præbere. Omnes Episcopi dixerunt, eis placere, & esse conuenientissimum hoc consilium.

CAN. X.

Hosius Episcopus dixit: Hoc quoque necessarium existimo, vt cum omni cura & diligentia examinetur; vt si quis dives, vel ex foro scholasticus, Episcopus fieri dignus habeatur, non prius constituatur, quàm lectoris & diaconi & presbyteri ministerium peregerit: vt in vnoquoque gradu, si dignus existimatus fuerit, ad Episcopatus fastigium per progressionem possit ascendere.

Neque enim conuenit, neque ſcientia & bona conuerſatio hoc recipit, vt temere & leuiter ad id accedatur, vt Epiſcopus, vel presbyter, vel diaconus prompte ac facile conſtituatur. Sic enim merito neophytus exiſtimetur, quandoquidem beatiſſimus Apoſtolus, qui fuit etiam doctor gentium, maxime prohibuiſſe videtur, ne celeres fierent inſtitutiones. Longiſſimi enim temporis probatio & conuerſationem, & vniuſcuiuſque mores non improbabiliter exprimere poterit. Omnes dixerunt ipſis placere, & omnino non oportere ea ſubuertere.

Gaudentius Episcopus dixit: Scis frater Aëtie, quòd tunc, cum Episcopus constitutus es, pax deinceps viguit; ne aliquæ dissidij reliquiæ remaneant, visum est, vt qui à Musæo & Eutychiano constituti sunt, quia nulla eorum culpa inueniebatur, omnes susciperentur.

CAN. XIX.

Hosius Episcopus dixit: Meæ mediocritatis hæc est sententia; quia quieti & patientes esse debemus, & perennem in omnes habere misericordiam, eos qui semel in clerũ ecclesiasticũ ab aliquibus fratribus nostris promoti sunt, si nolint redire ad eas, ad quas nominati sunt, ecclesias, deinceps non admitti: Eutychianum autem ne Episcopi quidem sibi nomen vsurpare; sed neque Musæũ vt Episcopum existimari. si autem laicam Communionem petiuerint, non oportere eis denegari. Omnes dixerunt, Placet.

CAN. XX.

Gaudentius Episcopus dixit: Hæc salutariter & congruenter definita, & nostræ sacerdotum dignitati conuenienter, & quæ Deo & hominibus placuerunt, potentiam & vires suas obtinere non poterunt, nisi etiam metus editas sententias consecutus fuerit. Ipsi enim scimus, sæpe propter paucorum impudentiam, diuinum & in primis venerandum sacerdotij nomen in * damnationem incurrisse. Si quis ergo præter ea quæ omnibus visa sunt, ausus fuerit, studens fastui magis & arrogantiæ seruire, quàm Deo placere, aliquid aliud agere; sciat iam se criminis reum, ac defensioni obnoxium constituere,

CANONVM SARDICENSIS CONCILII

EDITIO PRIMA LATINA.

CAP. I.

Dionysij Exigui. HOSIVS Episcopus dixit: Non minus malа consuetudo, quàm pernicioſa corruptela funditus eradicanda est; ne cui liceat Episcopo de ciuitate sua ad aliã transire ciuitatem. Manifesta est enim causa, qua hoc facere tentant; cum nullus in hac re inuentus sit Episcopus, qui de maiore ciuitate ad minorem transiret. Vnde apparet, auaritiæ ardore eos inflammari, & ambitioni seruire, & vt dominationem agant. Si omnibus placet, huiusmodi pernicies * sæuius & austerius vindicetur, vt nec laicam Communionem habeat qui talis est. Responderunt vniuersi: Placet.

* seuerius

CAP. II.

Hosius Episcopus dixit: Etiam si talis aliquis extiterit temerarius, vt fortassis excusationem afferens asseueret, quòd populi litteras acceperit; cum manifestum sit, potuisse paucos præmio & mercede corrumpi, eos qui sinceram fidem nõ habent, vt clamarent in ecclesia, & ipsum petere viderentur Episcopum. Omnino has fraudes damnandas esse arbitror, ita vt nec laicam in fine Communionem talis accipiat. Si vobis omnibus placet, statuite. Synodus respondit: Placet.

CAP. III.

Hosius Episcopus dixit: Illud quoque necessario adijciendum est, vt Episcopi de sua prouincia ad aliam prouinciam, in qua sunt Episcopi, non transeant; nisi forte à fratribus suis inuitati; ne videamur ianuam claudere charitatis. Quòd si in aliqua prouincia aliquis Episcopus contra fratrem suum Episcopum litem habuerit; ne vnus è duobus ex alia prouincia aduocet Episcopum cognitorem. Quòd si aliquis Episcoporũ iudicatus fuerit in aliqua causa, & putat se bonam causam habere, vt iterum concilium renouetur; si vobis placet, sancti Petri Apostoli memoriam honoremus, vt scribatur ab his qui causam examinarũt, Iulio Romano Episcopo: & si iudicauerit renouandum esse iudicium, renouetur, & det iudices. Si autem probauerit talem causam esse, vt non refricentur ea quæ acta sunt; quæ decreuerit, confirmata erunt. Si hoc omnibus placet? Synodus respondit: Placet.

CAP. IV.

Gaudentius Episcopus dixit: Addendum, si placet, huic sententiæ, quam plenam sanctitate protulisti; vt cùm aliquis Episcopus depositus fuerit eorum Episcoporum iudicio, qui in vicinis locis commorantur, & proclamauerit agendum sibi negotium in vrbe Roma; alter Episcopus in eius cathedra, post appellationem eius qui videtur esse depositus, omnino non ordinetur; nisi causa fuerit in iudicio Episcopi Romani determinata.

CAP. V.

Hosius Episcopus dixit: Si contigerit in vna prouincia, in qua plurimi fuerint Episcopi, vnum forte remanere Episcopum, ille vero per negligentiam noluerit ordinare Episcopum, & populi conuenerint; Episcopi vicinæ prouinciæ debent illum prius conuenire Episcopum, qui in ea prouincia moratur, & ostendere, quòd populi petant sibi rectorem; & hoc iustum esse, vt & * ipsi veniant, & cum ipso ordinent Episcopum. quòd si conuentus litteris tacuerit & dissimulauerit, nihilq. rescripserit; satisfaciendum esse populis, vt veniant ex vicina prouincia Episcopi, & ordinent Episcopum.

CAP. VI.

Licentia vero danda non est ordinandi Episcopum aut in vico aliquo, aut in modica ciuitate, cui sufficit vnus presbyter; quia non est necesse ibi Episcopum fieri, ne vilescat nomen Episcopi & auctoritas. Non debent illi ex alia prouincia inuitati facere Episcopum, nisi aut in his ciuitatibus quæ Episcopos habuerunt; aut si qua talis, aut tam populosa est ciuitas, quæ mereatur

habere Episcopum. Si hoc omnibus placet? Synodus respondit: Placet.

CAP. VII.

In Gnec. V. Hosius Episcopus dixit: Placuit autem, vt si Episcopus accusatus fuerit, & iudicauerint congregati Episcopi regionis ipsius, & de gradu suo eum deiecerint; si appellauerit qui deiectus est, & confugerit ad Episcopũ Romanæ Ecclesiæ, & voluerit se audiri; si iustum putauerit, vt * renouetur iudicium, vel discussionis examen, scribere his Episcopis dignetur, qui in finitima & propinqua prouincia sunt, vt ipsi diligenter omnia requirãt, & iuxta fidem veritatis definiant. Quòd si is qui rogat causam suam iterum audiri, deprecatione sua mouerit Episcopum Romanum, vt de latere suo presbyterum mittat; erit in potestate Episcopi quid velit, & quid æstimet. Et si decreuerit mittendos esse, qui præsentes cum Episcopis iudicent, habentes eius auctoritatem, à quo destinati sunt; erit in suo arbitrio. Si vero crediderit Episcopos sufficere, vt negotio terminum imponant; faciet quod sapientissimo consilio suo iudicauerit.

CAP. VIII.

In Gnec. VII. Hosius Episcopus dixit: Importunitates, & nimia frequentia, & iniustę petitiones fecerunt, nos non tantam habere vel gratiam, vel fiduciam, dum quidam non cessant ad Comitatum ire Episcopi, & maxime Afri; qui (sicuti cognouimus) sanctissimi fratris & coepiscopi nostri Grati salutaria consilia spernunt atque contemnunt; vt non solum ad Comitatum multas & diuersas Ecclesiæ non profuturas perferant causas, neque vt fieri solet, aut oportet, vt pauperibus, aut viduis, aut pupillis subueniatur; sed & dignitates sæculares, & administrationes quibusdam postulent. Hæc itaque prauitas olim non solum murmurationes, sed & scandala excitat. Honestum est autem, vt Episcopi intercessionem his præstent, qui iniqua vi opprimuntur, aut si vidua affligatur, aut pupillus expolietur; si tamen * isthæc nomina iustam habeant causam, aut petitionem. Si ergo vobis, fratres charissimi, placet, decernite, ne Episcopi ad Comitatum accedant, nisi forte hi, qui religiosi Imperatoris litteris vel inuitati, vel euocati fuerint. Sed quoniam sæpe contingit, vt ad misericordiam Ecclesiæ confugiant qui iniuriam patiuntur, aut qui peccantes in exilio vel insulis damnantur, aut certe quamcunque sententiam excipiunt; subueniendum est his, & sine dubitatione petenda indulgentia. Hoc ergo decernite, si vobis placet. Vniuersi dixerunt: Placet, & constituatur.

* ista omnia

CAP. IX.

In Gr. VIII. Hosius Episcopus dixit: Hoc quoque prouidentia vestra tractare debet; quia decreuistis, ne Episcoporum improbitas nitatur, vt ad Comitatum pergant. Quicunque ergo, quales superius memorauimus, preces habuerint, vel acceperint; per diaconum suum mittant; quia persona ministri inuidiosa non est, & quæ impetrauerit, celerius poterit referre. † Et hoc consequens esse videtur, vt de qualibet prouincia Episcopi ad eum fratrem & coepiscopum nostrum preces mittãt, qui in Metropoli consistit, vt ille & diaconum eius, & supplicationes destinet, tribuens commendatitias epistolas pari ratione ad fratres & coepiscopos nostros, qui in illo tempore in his regionibus & vrbibus morantur, in quibus felix & beatus Augustus Rempublicam gubernat. Si vero habet Episcopus amicos in palatio, qui cupit aliquid (quod tamen honestum est) impetrare; non * prohibetur per diaconum suum rogare ac significare his, quos scit benignam intercessionem sibi absenti posse præstare *.

CAP. X.

Qui vero Romam venerint, sicut dictum est, sanctissimo fratri & coepiscopo nostro Romanæ Ecclesiæ preces quas habent, tradant; vt & ipse prius examinet, si honestæ & iustæ sunt, & præstet diligentiam atque sollicitudinem, vt ad Comitatum perferantur. Vniuersi dixerunt, placere sibi, & honestum esse consilium. † Alypius Episcopus dixit: Si propter pupillos & viduas, vel laborantes, qui causas non iniquas habent, susceperint peregrinationis incommoda, habebunt aliquid rationis: nunc vero cum ea postulent præcipue, quæ sine inuidia * hominum, & sine reprehensione esse non possunt, non necesse est eos ire ad Comitatum.

CAP. XI.

Gaudentius Episcopus dixit: Ea quæ salubriter * prouidistis, conuenientia & æstimationi omnium, & Deo placitura & hominibus, tenere * hactenus firmitatem possunt, si metus huic sententiæ coniungatur. Scimus enim & ipsi, sæpissime propter paucorum impudentiam religiosum sacerdotale nomen fuisse reprehensum. Si igitur aliquis contra omnium sententiam nisus voluerit ambitioni magis placere quàm Deo; is debet scire, causis redditis, honorem dignitatemq. se amissurum. Quod ita demum compleri poterit, si vnusquisque nostrum qui in Canali constitutus est, cum progredientem Episcopum viderit, inquirat transitum eius, causas videat, quò tendat agnoscat: & siquidem eum inuenerit ire ad Comitatum, requirat & illud quod superius comprehensum est, * ne forte inuitatus sit, vt ei facultas eundi permittatur. Si vero, vt superius memorauit sanctitas vestra, propter desideria & ambitiones ad Comitatum pergat; neque in litteris eius subscribatur, neque in communionem recipiatur. Si vobis placet, omnium sententia confirmari debet. Vniuersi dixerunt, honestum esse, & placere sibi hanc constitutionem.

CAP. XII.

Hosius Episcopus dixit: Sed & moderatio necessaria est, dilectissimi fratres, ne adhuc aliqui nescientes quid decretum sit in Synodo, subito veniant ad ciuitates eas quæ in Canali sunt. Debet ergo Episcopus ciuitatis ipsius admonere eum, & instruere, vt ex eo loco diaconum suum mittat admonitus; ipse tamen redeat in parœciam suam.

ordinetur, niſi ante & lectoris munere, & officio diaconi, aut presbyteri fuerit perfunctus; & ita per ſingulos gradus, ſi dignus fuerit, aſcendat ad culmen epiſcopatus. Poteſt enim per has promotiones, quæ habebunt vtique prolixum tempus, probari qua fide ſit, quave modeſtia, qua grauitate & verecundia. Et ſi dignus fuerit probatus, diuino ſacerdotio illuſtretur: quia conueniēs non eſt, nec ratio vel diſciplina patitur, vt temere & leuiter ordinetur aut Epiſcopus, aut presbyter, aut diaconus, qui neophytus eſt: maxime cum

CAP. XIV.

In Conc. XI. Hoſius Epiſcopus dixit: Et hoc quoque ſtatuere debetis; vt Epiſcopus, ſi ex alia ciuitate conuenerit ad aliam ciuitatem, vel ex prouincia ſua ad aliam prouinciam, & ambitioni magis quàm deuotioni ſeruiens, voluerit in aliena ciuitate multo tempore reſidere: forte enim euenit Epiſcopum loci non eſſe tam inſtructum, neque tam doctum; is vero qui aduenit, incipiat contemnere eum, & frequenter facere ſermonem, vt deho-neſtet & infirmet illius perſonam; ita vt ex hac occaſione non dubitet relinquere aſſignatam ſibi eccleſiam, & tranſeat ad alienam: definite ergo tempus; quia & non recipi Epiſcopum, inhumanum eſt; & ſi diutius reſideat, pernicioſum eſt. Hoc ergo ne fiat, prouidendum eſt. Memini autem

Eliberin. c. 21. tem ſuperiore Concilio fratres noſtros conſtituiſſe, vt ſi quis laicus in ea, in qua commoratur ciuitate, tres Dominicos dies, id eſt, per tres ſeptimanas non celebraſſet conuentum, communione priuaretur. Si ergo hæc circa laicos conſtituta ſunt; multo magis Epiſcopum nec licet, nec decet, ſi nulla ſit tam grauis neceſſitas quæ detineat, vt amplius à ſupraſcripto tempore abſens ſit ab eccleſia ſua. Vniuerſi dixerunt, placere ſibi.

CAP. XV.

In Conc. XII. Hoſius Epiſcopus dixit: Quia nihil prætermitti oportet; ſunt quidam fratres & coepiſcopi noſtri, qui non in ea ciuitate reſident, in qua videntur Epiſcopi eſſe conſtituti, vel quòd paruam rem illic habeant, alibi autem idonea prædia habere cognoſcuntur; vel certe affectione proximorum, quibus indulgeant: hactenus permitti eis oportet, vt accedant ad poſſeſſiones ſuas, & diſponant vel ordinent fructum laboris ſui; vt poſt tres Dominicas, id eſt poſt tres hebdomadas, ſi morari neceſſe eſt, in ſuis potius fundis morentur. Aut ſi eſt proxima ciuitas, in qua eſt presbyter, ne ſine eccleſia videatur facere diem Dominicum, illuc accedat: vt neque res domeſticæ per abſentiam eius detrimentum ſuſtineant, & non, frequenter veniendo ad ciuitatem, in qua Epiſcopus moratur, ſuſpicionem iactantiæ & ambitionis euadat. Vniuerſi dixerunt, placere ſibi.

CAP. XVI.

In Conc. XIII. Hoſius Epiſcopus dixit: Hoc quoque omnibus placeat, vt ſiue diaconus, ſiue presbyter, ſiue quis clericorum ab Epiſcopo ſuo communione fuerit priuatus, & ad alterum perrexerit Epiſcopum; & ſcierit ille, ad quem confugit, cum ab Epiſcopo ſuo fuiſſe abiectum; non oportet, vt ei communionem indulgeat. Quod ſi fecerit, ſciat ſe conuocatis Epiſcopis cauſas eſſe dicturum. Vniuerſi dixerunt: Hoc ſtatutum & pacem ſeruabit, & concordiam cuſtodiet.

CAP. XVII.

In Conc. XIV. Hoſius Epiſcopus dixit: Quod me adhuc mouet, reticere non debeo. Si Epiſcopus quis forte iracundus (quod eſſe non debet) cito & aſpere commoueatur aduerſus presbyterum, ſiue diaconum ſuum, & exterminare eum de eccleſia voluerit; prouidendum eſt, ne innocens damnetur, aut perdat communionem. Et ideo habeat poteſtatem is qui abiectus eſt, vt Epiſcopos finitimos interpellet, & cauſa eius audiatur, ac diligentius tractetur; quia non oportet ei negari audientiam roganti. Et ille Epiſcopus, qui aut iuſte, aut iniuſte eum abiecit, patienter accipiat, vt negotium diſcutiatur: vt vel probetur ſententia eius à plurimis, vel emendetur. Tamen priuſquàm omnia diligenter & fideliter examinentur, eum qui fuerit à communione ſeparatus, ante cognitionem nullus alius debet præſumere, vt * communioni ſocier. CAP. XVIII.

Caput iſtud Græce non extat. Ianuarius Epiſcopus dixit: Illud quoque ſtatuat ſanctitas veſtra, vt nulli Epiſcopo liceat alterius Epiſcopi ciuitatis miniſtrum eccleſiaſticum ſollicitare, & in ſuis parochijs ordinare. Vniuerſi dixerunt, Placet: quia ex his contentionibus ſolet naſci diſcordia, & ideo prohibet omnium ſententia, ne quis hoc facere audeat.

CAP. XIX.

In Conc. XV. Hoſius Epiſcopus dixit: Et hoc vniuerſi conſtituimus, vt quicumque ex alia parochia voluerit alienum miniſtrum ſine conſenſu Epiſcopi ipſius & ſine voluntate ordinare, non ſit rata ordinatio eius. Quicumque autem hoc vſurpauerit, à fratribus & coepiſcopis noſtris & admoneri debet, & corrigi.

CAP. XX.

In Conc. XVI. Aëtius Epiſcopus dixit: Non ignoratis quanta & qualis ſit Theſſalonicenſium ciuitas. ſæpe ad eam veniunt ex alijs regionibus presbyteri & diaconi, & non ſunt contenti breui tempore morari, ſed aut reſident ibi, aut certe vix poſt longa ſpatia ad ſua redire coguntur. Vniuerſi dixerunt: Ea tempora, quæ conſtituta ſunt circa Epiſcopos, & circa has perſonas obſeruari debent.

CAP. XXI.

In Conc. XVII. Hoſius Epiſcopus dixit: Suggerente fratre & coepiſcopo noſtro Olympio, etiam hoc placuit; vt ſi aliquis vim perpeſſus eſt, & inique expulſus

Omnis Synodus dixit: Vniuersa quæ constituta sunt, catholica Ecclesia in vniuerso orbe diffusa custodiet.

Cap. III.

Hosius Episcopus dixit: Prouidendum est etiã, vt si in aliqua prouincia forte aliquis Episcopus contra fratrem suum Episcopum litem habuerit, ne vnus è duobus ex alia prouincia aduocet Episcopos ad iudicium.

Gaudentius Episcopus dixit: Addendum est, si placet, huic sententiæ, quam plenam sanctitate protulistis; vt quum aliquis Episcopus depositus fuerit eorum Episcoporum iudicio, qui in vicinis commorantur locis, & proclamauerit agendum sibi negotium in vrbe Roma; alter Episcopus in eadem cathedra, post appellationem eius qui videtur esse depositus, omnino non ordinetur, nisi causa fuerit in iudicio Romani Episcopi determinata.

Cap. VI.

Hosius Episcopus dixit: Si contigerit in vna prouincia, in qua fuerint plurimi Episcopi, vnum forte remanere Episcopum, ille vero per negligentiam noluerit ordinare Episcopum, & populi * conuenerint; Episcopi vicinæ prouinciæ debent illum conuenire Episcopum, qui in eadem prouincia moratur, & ostendere quòd populi petant sibi rectorem, & hoc iustum esse, vt & * ipse veniat, & cum eo ordinent Episcopum. Quòd si conuentus litteris, tacuerit & dissimulauerit, nihilq. responderit; tunc satisfaciendum esse populis, vt veniant ex vicinis prouincijs, & ordinent Episcopum. Iterum, licentia ordinandi Episcopũ danda passim non est. Si enim subito aut vicus aliquis, aut modica ciuitas, cui satis est vnus presbyter, voluerit sibi Episcopum ordinari, ad hoc, vt vilescat nomen Episcopi, & summi honoris auctoritas; non debent illi ex alia prouincia inuitati, facere Episcopum, nisi aut in ciuitatibus quæ Episcopos habuerunt, aut si qua tam populosa est ciuitas vel locus, qui mereatur habere Episcopum. Synodus respondit: Placet.

* conuenerint Episcopi vicinæ prouinciæ, debere illum prius conuenire Episcopum * ipsi remit.

Cap. VII.

Hosius Episcopus dixit: Et hoc placuit, vt si Episcopus accusatus fuerit, & omnes iudicauerint congregati Episcopi regionis ipsius, & de gradu suo eum deiecerint; si appellauerit qui deiectus videtur, & confugerit ad beatissimum Romanæ Ecclesiæ Episcopum, & voluerit se audiri; si iustũ putauerit, vt renouetur examen, scribere his Episcopis dignetur Romanus Episcopus, qui in finitima & propinqua altera prouincia sunt, vt ipsi diligenter omnia requirant, & iuxta fidem veritatis definiant. Quòd si is qui rogat causam suam iterum audiri, deprecatione sua mouerit Episcopum Romanum, vt de latere suo presbyteros mittat, erit in potestate ipsius quid velit, & quid æstimet. Et si decreuerit mittendos esse, qui præsentes cum Episcopis iudicent, vt habeant etiam * auctoritatem personæ illius, à quo destinati sunt; erit in eius arbitrio. Si vero crediderit sufficere Episcopos comprouinciales, vt negotio terminum imponant, faciet quod sapientissimo consilio suo iudicauerit.

CAP. VIII.

Hosius Episcopus dixit: Importunitatis nostræ nimia frequentia, & iniustæ petitiones fecerunt, nos non tantam habere gratiam, aut fiduciam, dum quidam non cessant ad Comitatum ire Episcopi, & maxime Afri, qui (sicuti cognouimus) sanctissimi fratris & coepiscopi nostri Grati salutaria consilia spernunt, atque contemnunt, & non solum ad Comitatum multas & diuersas Ecclesiæ non profuturas perferunt causas, vt fieri solet, aut oportet, vt aut pauperibus, aut viduis, aut pupillis subueniatur, sed & dignitates sæculares, & administrationes *quibusdam postulant. Hæc itaque prauitas olim non solum murmurationes, sed & scandala excitat. Honestum est autem, vt Episcopus intercessionem suam his præstet, qui aliqua iniqua vi opprimuntur, aut si vidua affligatur, aut pupillus expolietur; tamen & ista omnia, si iustam habeant causam & petitionem. Si vobis ergo, fratres charissimi, placet, decernite, ne Episcopi ad Comitatum accedant, nisi forte hi, qui religiosissimi Imperatoris litteris vel inuitati fuerint, vel vocati. Sed quoniam sæpe contingit, vt ad misericordiam Ecclesiæ cõfugiant qui iniuriam patiuntur, & qui peccantes in exilium vel insulas damnãtur, aut certe quamcumque sententiam suscipiunt; ideo subueniendum est his, & sine dubitatione eis petenda per Ecclesiam indulgentia. Si vero hoc vobis placet, statuatur. Vniuersi dixerunt: Placet, & constituatur.

CAP. IX.

Hosius Episcopus dixit: Hæc quoque prudentia vestra tractare debet; vt quia decreuistis, ne Episcopi improbitas notetur ad Comitatũ pergendo: quicumque ergo, quales superius memorauimus, preces habuerint vel acceperint, per diaconum suum mittant; quia persona ministri non erit inuidiosa, & quæ celerius poterit quæ impetrauerit referre. Et hoc consequens esse videtur, vt vnusquisque qui preces habuerit, eas ad fratres & coepiscopos nostros, qui in maxima ciuitate, ideſt, qui in Metropoli consistunt, mittat, & illi per suos diaconos destinent, tribuendo commendatitias epistolas pari ratione ad fratres & coepiscopos nostros, qui illo tempore in his regionibus & vrbibus morantur, in quibus felix & beatus Augustus Rempublicam gubernat. Si vero habet quis Episcoporum amicos in palatio, qui cupit aliquid (quod tamen honestum est) impetrare; non prohibeatur per diaconum suum rogare, & significare eis, quos scit benigna intercessione sibi absenti posse præstare. Qui vero Romam venerit, sicut dictum est, sanctissimo fratri & coepiscopo nostro Romanæ Ecclesiæ preces, quas habet, tradat, vt & ipse prius examinet, si honestæ & iustæ sunt, & præstet diligentiã atque sollicitudinem, vt ad Comitatum perferantur. Vniuersi dixerunt, placere sibi, & honestum esse consilium.

CAP. X.

Alypius Episcopus dixit: Si propter pupillos & viduas, vel laborantes, qui causas non iniquas habent, suscepcrint peregrinationis incommoda, habebunt aliquid iustæ rationis: nunc vero cum ea postulent, quæ sine inuidia omnium & reprehensione esse non possunt, non necesse est eos ire ad Comitatum.

CAP. XI.

Gaudentius Episcopus dixit: Ea quæ salubriter *prouidistis conuenienti æstimatione, omniumq. Deo placitura & hominibus, tenere hactenus fortitudinem possunt, si metus huic sententiæ coniungatur. Scimus enim etiam ipsi, sæpissime propter paucorum imprudentiam sacrum ac religiosum sacerdotale nomen fuisse reprehensum. Si igitur contra omnium sententiam aliquis nisus, voluerit ambitioni magis placere, quàm Deo, is debet scire, causis redditis, honorem atque dignitatem se amissurum. Hoc autem sciri & comperiri poterit, si vnusquisque nostrũ qui in Canali constitutus est, cum progrediẽtem Episcopum viderit, inquirat transitum eius, causas videat, quo tendit agnoscat. Et si quidem eum agnouerit ire ad Comitatũ, requirat illud quod superius comprehensum est, *ne forte inuitatus sit, vt ei facultas eundi permittatur. Si vero (vt superius meminit sanctitas vestra) propter desideria & ambitiones ire ad Comitatum tentauerit, neque litteris eius subscribatur, neque in communionem recipiatur. Si vobis placet, omnium sententia confirmari debet. Vniuersi dixerunt, hoc honestum esse, & placere sibi constitutionem.

CAP. XII.

Hosius Episcopus dixit: Sed & moderatio est necessaria, dilectissimi fratres, ne adhuc quidam nescientes quid decretum sit in Synodo, subito veniant ad ciuitates eas, quæ in Canali sunt: debet Episcopus ciuitatis ipsius admonere & instruere illum, *& ex eo loco ille mittat diaconum: admonitus tamen ipse redeat ad parochiam suam.

CAP. XIII.

Hosius Episcopus dixit: Necessarium arbitror, vt diligentissime *tractetis, si forte aut diues, aut scholasticus de foro, aut ex *administratore Episcopus fuerit postulatus, non prius ordinetur, nisi ante & lectoris munere, & officio diaconi & presbyteri fuerit perfunctus: & ita per singulos gradus, si dignus fuerit, ascendat ad culmen episcopatus. Potest enim per has promotiones, quæ habent vtique prolixum tempus, probari qua fide sit, quave modestia, & grauitate, & verecundia. Et si dignus fuerit probatus, diuino sacerdotio illustretur. Nam nec conueniens est, nec *ratio, nec disciplina patitur, vt temere ac leuiter ordinetur aut Episcopus, aut presbyter, aut diaconus, qui neophytus est; maxime cum beatissimus Apostolus magister gentium, ne hoc fieret, denuntiasse & prohibuisse videatur; sed hi, quorum per longum tempus examinata sit vita, & merita comprobata. Vniuersi dixerunt, placere sibi hæc.

CAP. XIV.

Hosius Episcopus dixit: Hoc quoque statuere debetis, vt Episcopus, ex alia ciuitate cum venerit ad aliam ciuitatem, vel ex prouincia sua ad aliam prouinciam, & ambitioni magis seruiat, quàm deuotioni, ita vt si voluerit in aliena ciui-

tate multo tempore reſidere,& contingat,vt Epiſcopus ciuitatis ipſius non tam inſtructus ſit, nec tam doctus;is vero qui aduenit,incipiat contemnere eum,& frequẽter facere ſermonem,vt dehoneſtet & deformet illius perſonam;qua occaſione fit,vt non dubitet relinquere ſibi aſſignatam Eccleſiam,& tranſire ad alienam:definite ergo tempus ; quia & non recipi Epiſcopum, inhumanum eſt; & diutius reſidere , pernicioſum . Ne fiat ergo hoc,prouidendum eſt. Memini autem ſuperiore Concilio fratres noſtros conſtituiſſe, vt ſi quis laicus in ea,qua commoratur ciuitate, tres Dominicas , ideſt , per tres ſeptimanas non celebraſſet conuentum, communione priuaretur. Si ergo hęc circá laicos conſtituta ſunt , tanto magis nec licet , nec decet, vt Epiſcopus ſi nullam tam grauem habet neceſſitatem , nec tam difficilem rationem , tamdiu deſit ab Eccleſia ; ne populum contriſtet. Vniuerſi dixerunt , placere ſibi.

CAP. XV.

Hoſius Epiſcopus dixit: Quia nihil prætermitti oportet; ſunt quidam fratres & coepiſcopi noſtri,qui non in ea ciuitate * poſſident,in qua Epiſcopi videntur eſſe conſtituti; vel certe paucam rem ibi , alibi autem idonea prædia habere noſcuntur,vel affectiones proximorum , quibus indulgeant; hactenus autem eis permitti oportet , vt accedant ad poſſeſſiones ſuas,& diſponant,vel ordinent fructum laboris ſui , vt poſt tres Dominicas,ideſt, poſt tres ſeptimanas,ſi morari neceſſe eſt , in ſuis potius fundis morentur . Et ſi eſt proxima ciuitas,in qua presbyter eſt, ne ſine Eccleſia facere videatur diem Dominicum,illuc accedat: vt nec res eius domeſticæ per abſentiam eius detrimentum ſuſtineant; & non , frequenter veniendo ad aliam ciuitatem , in qua eſt Epiſcopus , ſuſpicionem iactantiæ & ambitionis incurrat. Vniuerſi dixerunt, placere ſibi.

* reſident,

CAP. XVI.

Hoſius Epiſcopus dixit : Si hoc quoque omnibus placet,vt ſiue diaconus, ſiue presbyter, ſiue quis clericorum ab Epiſcopo ſuo communione fuerit priuatus, & ad alterum perrexerit Epiſcopum , & ſcierit ille , ad quem confugerit, eum ab Epiſcopo ſuo fuiſſe abiectum ; non oportet vt ei communionem indulgeat . Quod ſi fecerit, ſciat ſe,conuocatis Epiſcopis, cauſas eſſe dicturum . Vniuerſi dixerunt: Hoc ſtatutum & pacem ſeruabit,& concordiam cuſtodiet .

CAP. XVII.

Hoſius Epiſcopus dixit: Quod me adhuc mouet,reticere non debeo . Si Epiſcopus quis forte iracundus (quod eſſe non debet) cito aut aſpere commoueatur aduerſus presbyterum,aut diaconum ſuum,& exterminare eum de Eccleſia voluerit ; prouidendum eſt,ne innocens damnetur, aut perdat communionem . Et ideo habeat poteſtatem qui deiectus eſt , vt finitimos Epiſcopos interpellet , & cauſa eius audiatur , & diligentius tractetur;quia non oportet ei negari audientiam roganti . Et ille Epiſcopus,qui aut iuſte, aut iniuſte eum deiecit , patienter accipiat , vt negotium diſcutiatur ; vt vel probetur ſententia eius à plurimis, vel emendetur. Tamen priuſquam omnia diligenter & fideliter fuerint examinata , eum qui fuerit à communione ſeparatus , nullus alius debet præſumere vt recipiat,& communioni ſociet. Qui autem conuenerint ad audiendum, ſi clericorum eſſe faſtigium viderint & ſuperbiã , quia non decet, vt Epiſcopus aut iniuriam aut contumeliam patiatur , auſterioribus eos verbis caſtigent,vt obediant honeſta præcipienti Epiſcopo: quia ſicut ille ſincerum amorem debet clericis exhibere charitatis , ita quoque viciſſim miniſtri infucata debent Epiſcopo ſuo exhibere obſequia .

CAP. XVIII.

Ianuarius Epiſcopus dixit : Illud quoque ſanctitas veſtra ſtatuat; vt nulli Epiſcopo liceat alterius ciuitatis hominem Eccleſiaſticum ſollicitare,& in ſua diœceſi ordinare clericum : quia ex his contentionibus ſolent naſci diſcordiæ; & ideo prohibeat omnium ſententia, ne quis hoc facere audeat.

CAP. XIX.

Hoſius Epiſcopus dixit : Et hoc vniuerſi conſtituimus ; vt quicumque ex alia parochia voluerit alienum miniſtrum ſine conſenſu Epiſcopi ipſius & ſine voluntate ordinare , non ſit rata ordinatio eius . Quicumque autem hoc vſurpauerit, à fratribus & coepiſcopis noſtris & admoneri debet, & corrigi .

CAP. XX.

Aëtius Epiſcopus dixit: Non ignoratis quanta & qualis ſit Theſſalonicenſium ciuitas. Sæpe enim ad eam veniunt ex alijs regionibus presbyteri & diaconi,& non ſunt contenti vt breui tempore remorentur, & aut reſident ibi , aut certe vix poſt longa ſpatia ad ſua redire coguntur . Vniuerſi dixerunt : Ea tempora , quæ conſtituta ſunt circa Epiſcopos,& erga horum perſonas obſeruari debent .

CAP. XXI.

Hoſius Epiſcopus dixit: Suggerente fratre & coepiſcopo noſtro Olympio, hoc etiam placuit , vt ſi aliquis vim perpeſſus eſt , & inique pulſatus pro diſciplina vel catholica confeſſione , vel defenſione veritatis , fugiens pericula , innocens & deuotus ad aliam venerit ciuitatem ; non prohibeatur immorari,quamdiu aut redire potuerit , aut iniuria eius remedium acceperit. Durum eſt enim , qui perſecutiones patitur non recipi . Etiam & larga beneuolentia , & humanitas ei eſt exhibenda .

Inter ceteros qui ſubſcripſerunt huic Synodo, referuntur ſequentes.

quidam vincti in eadem iniusta defecerunt pœna; quorum ambigi non potest martyrio gloriosam mortem extitisse. adhuc quoque audet quosdam retinere: nec vlla causa fuit criminis, nisi quòd repugnarent, & clamarent quòd execrarentur Arianam & Eusebij hæresim, & nollent habere cum talibus communionem; ijs autem qui secum sentire maluerunt, prodesse; & qui antè fuerant deiecti, non solum recepti sunt, sed etiam ad clericalem dignitatem promoti, & receperunt præmium fallitatis. Quid autem de impijs & de imperitis adolescentibus Vrsacio & Valente statutum sit, accipe beatissime frater. Quia manifestum erat hos non cessare adulterinæ doctrinæ lethalia semina spargere, & quòd Valens relicta ecclesia aliam inuadere voluisset eo tempore, quo seditionem commouit, vnus ex fratribus nostris qui fugere non potuit "Viator, obrutus & conculcatus, in eadem Aquileiensium ciuitate die tertia defecit. causam vtique mortis præbuit Valens, qui perturbauit, qui sollicitauit. Sed ea quæ beatitudinis Augustis significauimus, cum legeritis, facile peruidebitis, nihil nos prætermisisse, quantum ratio patiebatur: & ne molesta esset longa narratio, quæ fecissent & commisissent insinuauimus. Tua autem excellens prudentia disponere debet, vt per tua scripta, qui in Sicilia, qui in Sardinia, & in Italia sunt fratres nostri, quæ acta sunt, & quæ definita cognoscant; & ne ignorantes eorum accipiant litteras communicatorias, quos "extra episcopatum iusta sententia declarauit. Perseuerent autem Marcellus, Athanasius, & Asclepius in nostra communione, quia obesse eis non poterat iniquum iudicium, & fuga & tergiuersatio eorum, qui ad iudicium omnium Episcoporum, qui conuenimus, venire noluerunt. Ceterum, sicuti superius commemorauimus, plena relatio fratrum, quos sincera charitas tua misit, vnanimitatem tuam perdocebit. Eorum autem nomina, qui pro facinoribus suis deiecti sunt, subijcere curauimus, vt sciret eximia grauitas tua qui essent communione priuati, vti ante præloquuti sumus. Omnes fratres & coepiscopos nostros litteris tuis admonere digneris, ne epistolas, id est, litteras communicatorias eorum accipiant.

Apologia c. Athanas.

ETIAM antequam acciperemus litteras vestræ religionis, non ignotum id nobis, sed prorsus compertum fuit, antesignanos infelicium Arianorum multa & grauia, sed tamen magis in exitium suarum animarum, quàm in Ecclesiam molitos esse. Ea enim eorum ars & vafricies fuit, semperq. huius pestiferi propositi fuere, vt omnes vbique orthodoxæ Fidei homines, & catholicæ Ecclesiæ doctrinam à patribus traditam seruantes, exagitarent & persequerentur. Quorum nonnullos falsis criminibus circumuenerunt, alios extra fines suos relegarunt, alios in ipsis supplicijs absumpserunt: certe fratris nostri & coepiscopi Athanasij innocentiam, vi & tyrannide circumuenire & opprimere

mere conati sunt, nulla in eius iudicio neque sedulitate, neque fide, neque iustitia adhibita. Iã ergo diffisi suis fabulis, & vanis rumoribus, ac etiam intuentes, quàm non possent de ijs rebus vera documenta afferre, cum essent in vrbe Sardica, non ausi sunt in concilio sanctorum Episcoporum apparere. Qua ex re æquitas iudicij fratris & coepiscopi nostri Iulij liquidissime apparuit, qui non temerario consilio, sed cum matura deliberatione sententiam tulit; adeo vt nihil relinquatur dubij de communione fratris nostri Athanasij adducentis octoginta Episcopos veros testes pro se in iudicium, atque eò potiore iure nitentis, quòd per dilectos fratres nostros presbyteros suos, & per litteras, Eusebianos non iure, sed vi grassantes conuenerit. Quapropter omnes vndique Episcopi viri communionem ob eius innocentiam confirmarunt. Illud quoque vestra charitas conspiciat; post Athanasij ad sacram Synodum Sardicæ congregatam aduentum, Orientales litteris mandatisq, citatos fuisse, vt se iudicio sisterent: verum illos sua conscientia prædamnatos, inhonestis caussificationibus tergiuersari incepisse, poscentes interim, vt innocentem quasi nocentem à nostra communione submoueremus, nihil spectantes, quàm vt indecentia, vel potius impossibilia postularent: atque adeo commentaria, actaq. Mareotæ, non nisi à sceleratis & perditissimis quibusdam nouitijs, quibus ne vulgarem quidem gradum clericatus committas, per absentiam alterius partis confecta esse. Neque enim frater noster Athanasius Episcopus, & Macarius presbyter, quem accusabant, præsentes adfuerunt: quamquam alioqui illorum inquisitio, seu potius insidiatio, nullo non probro scaturiebat, cum nunc ethnici, nunc catechumeni interrogarentur, non vt quæ scirent, dicerent, sed quæ ab illis didicerant, mentirentur. Nulla enim nostri ratio habita est, qui presbyteri sumus Athanasij, & curam eius absentiæ susceperamus, cupientes interesse quæstioni, & veritatem ostendere, & falsa redarguere: tantum autem abest vt nos præsentes esse voluerint, vt etiam contumeliose eiecerint. Ex istis rebus, quamquam sycophantiam esse clarissime constaret, tamen dum euoluimus acta, deprehendimus ipsum sceleratum Ischyram titulo Episcopi in mercedem calumniæ remuneratum, suam sycophantiam suis verbis prodere. Ipse enim Ischyras in monumentis actorum diserte testatus est, se ea ipsa hora, qua Macarius in suam cellam venerat, ægrotum iacuisse; Eusebianis contra scribentibus, cum tum stetisse, & oblationes fecisse, cum Macarius superueniret. Quin & illa calumnia, qua postmodum vsi sunt, manifesta apparuit. cum vociferarentur, & misere deplangerent, cædem Athanasium fecisse, & Arsenium Meletianum episco-

Verum ne sic quidem, cum isti ad omnia faciles, vidissent figmenta sua redargui, ipso Arsenio se viuum, & minime interfectum aut mortuum exhibente, quiescere potuerunt; sed nouas sycophantias veteribus accumulantes, omnibus machinis id agebant, vt hominem calumnijs iterum inuoluerent. Quid igitur dilecti? Ne sic quidem frater noster Athanasius animum despondit, sed magna cum fiducia eos etiam in hac causa ad iudicium prouocauit. quod & nobis in voto fuit, ac proinde eos hortabamur, vt iudicio se sisterent, & si possent, accusationis causam certis documentis peragerent. Sed, ò magnã improbitatem, ò grauem superbiam, vel potius (si verum dicendum est) ò malam & obnoxiã conscientiam. ac rem ita esse, nulli non clarissime innotuit. Quo circa, dilectissimi fratres, commonitos vos cupimus, & diligenter adhortamur, vt præ omnibus fidem catholicæ Ecclesiæ retineatis. Multa certe & grauia & acerba perpessi estis, multas vicissim contumelias & iniurias sustinuit catholica Ecclesia: sed qui in finem sustinuerit, saluus erit. Quapropter si denuo ausi & aliquid facere contra vos, tribulatio illa vobis pro gaudio sit. Nam istiusmodi passiones, pars aliqua martyrij haberi debent; & istiusmodi vestræ confessiones & tormenta non carebunt mercede, cũ præmia à Deo recepturi sitis. Quapropter in primis decertate pro sana fide, & cum comministris nostris. Nam neque silentio suppressimus, aut neglexim̃us ea, quæ ad vestram securitatem pertinebant; sed eius rei curam præcipuam habuimus, eaq. egimus, quæ dilectionis ratio postulabat. Compatimur enim fratribus nostris patientibus, & eorum passiones, nostras proprias arbitramur, & nostras lacrymas cum vestris commiscuimus. Neque vos soli dumtaxat passi estis, fratres; sed eadem alij complures comministri nostri, cũ huc venissent, deplorarunt. Quamobrem preces nostras ad religiosissimos & amantissimos Dei Imperatores retulimus, vt illorum humanitas, eos qui adhuc grauiter laborant & affliguntur, relaxari iubeat, constituatq. ne quis iudicũ, quorum munus est publica curare, de clericis sententiam ferat, aut vlla ratione in posterum sub prætextu ecclesiarum, quidpiam contra fratres moliatur: sed vnusquisque citra persecutionem, aut vim, aut fraudem (prout optat, & cupit) vitam instituat, & cum quiete & pace catholicam & Apostolicam fidem sequatur. Gregorium quidem illegitime ab hæreticis Episcopum constitutum, & in nostram ciuitatem ab illis deductum, ab vniuersa sacra Synodo de episcopatu (tametsi revera numquam Episcopus fuerit) depositum esse, vestram vnanimitatem scire volumus. A Athanasium, quem ob id ipsum cum pace dimisimus. Vnde admonemus omnes, qui vel per metum, vel per dolum circumuenti, cum Gregorio communicarunt, vt nunc nostra admonitione resipiscentes, deinceps ab illius nefaria communione abstineant, & se se Ecclesiæ catholicæ agglutinent. Ceterũ quia cognouimus, & Aphthonium, & Athanasium Capitonis filium, & Paulum & Plautionem compresbyteros nostros eamdem fraudem ab Eusebianis perpessos esse, & quosdam eorum in exilium eiectos, quosdam mortis interminationes effugisse; hac de causa hoc vobis significare necessarium duximus, etiã
B istos à nobis receptos esse, & vt innocentes crimine liberatos, cum non ignari simus, omnia ab Eusebianis contra orthodoxos per fraudem & libidinem acta esse. Aequum ergo fuerat, ipsum Episcopum vestrum, comministrum nostrum Athanasium vos de istis rebus, vt suis ac proprijs, certiores facere: sed tamen quia ipse sacram Synodum ea potius vobis ad certius testimonium scribere voluit, ideo nos quoque non superfedendum putauimus, sed statim significare studuimus, vt quemadmodum nos, ita vos quoque hos viros recipiatis, qui & ipsi etiam laudem merentur, quòd ob pietatem in Christum
C digni habiti sint qui ab hæreticis contumeliam paterentur. Quæ autem decreta sunt à sancta Synodo in Theodorum, Narcissum, Stephanum, Acacium, Menophantem, Vrsacium, Valentem, & Georgium antesignanos Arianæ hæreseos, qui & in vos, & in alias ecclesias peccauerunt; ex ijs quæ subiecta sunt, cognoscetis; quæ ideo ad vos misimus, vt vestra in Deum pia religio suffragetur sententijs à nobis latis, simulq. intelligat, Ecclesiam catholicam nequaquam dissimulanter cum ijs agere, qui ipsam offendunt. mebant, & homines ab exilio reuerſos. cognati autem eorum, qui illic adhuc vincti aſſeruantur, ibi quoque præſentes eorum oculis apparebant, vnaq. cum eis amici eorum, quos ipſi trucidauerant: &, quod maximum eſt, aderant Epiſcopi, quorum alij ferrum & catenas ſibi ab ipſis inditas proferebant: alij mortes, eorum calumnijs illatas teſtificabantur. Eo enim furoris proceſſerunt, vt etiam Epiſcopos interficere conarentur, & interfeciſſent, niſi eorum manus effugiſſent. Certe comminiſter noſter beatus Theodulus per calumniam eorum iuſſus eſt interfici, cùm fuga calumniam deuitaret: alij ictus gladiorum oſtentabant; alij famem toleratam conquerebantur: neque harum rerum vulgares homines, ſed integræ Eccleſiæ teſtes erant, quarum nomine legati, qui huc venerant, de militum gladijs, turbarum fuſtibus, iudicum minis, adulterinis & ſubornatis falſis litteris, certa documenta afferebant. Lectæ enim ſunt litteræ, quas Theognius in fraudem Athanaſij, Marcelli, & Aſclepæ finxerat, vt etiam Imperatores in hos viros concitaret: & hoc ita eſſe, ij qui Theognij per id temporis diaconi fuere, commonſtrarunt: vt interim omittamus virginum denudationes, eccleſiarum incendia, carceres eorum qui in ſacris miniſtri erant: quæ ſcelera nulla alia de cauſa, quàm ob infauſtam abominandamq. Arianorum hæreſim commiſſa ſunt. Omnia enim iſta mala coacti ſunt experiri, qui eorum communionem recuſabant. His igitur conſpectis, in anguſtũ cogebantur eorum conſilia, cum facta ſua perpuderet confiteri. Cũ vero non poſſent hæc amplius occultare, venerunt in Sardorum ciuitatem, vt aduentu ſuo exiſtimationẽ, quaſi non peccaſſent, excitarent. Ceterum cum eos conſpicerent, quos vel calumnijs, vel calamitatibus afflixerant, & teſtes in oculis hærerent, & ſub conſpectu eſſent rerum, quæ obijcerentur, documenta, noluerunt ad citationẽ in iudicio comparere, quamuis magna fiducia & libertate à comminiſtris noſtris Athanaſio, Marcello, & Aſclepa inceſſerẽtur, querelas ſuas proponentibus, ac nulla non ratione prouocantibus, cũ denuntiarent ſe paratos eſſe non ſolum calumnias eorũ refellere, ſed oſtendere quoque quæ contra ipſas Eccleſias publice deliquiſſent. Igitur tanto metu propter cõſcientiam correpti ſunt, vt ſe fugæ mandarint, & fugiendo calumnias ſuas patefecerint; & quæ peccauerant, fuga illa confeſſi ſint. Et quamquam eorum prauitas & calumnia non modo ex ſuperioribus, ſed ex iſtis quoque innoteſceret; tamen ne ex fuga noui alicuius ſceleris occaſionem comparare poſſent, decretum fuit, vt ſecundum veritatis [x] rationem, illorum ficta fabulæ examinarentur. Cum ergo in hoc eſſemus, deprehendimus ex actis, eos meros ſycophantas eſſe, & nihil aliud quàm inſidias noſtris coepiſcopis ſtruxiſſe. mulgauerant, vana esse apparent. De poculo autem à Macario presbytero Athanasij, vti ipsi aiebant, confracto, illi qui Alexandria & Mareota, locisq. contiguis huc venere, testantur nihil horum factum esse; & Episcoporum Aegyptiorum litteris ad comministrum nostrum Iulium abunde confirmatum est, ne suspicionem quidem ibi eius rei fuisse. Porro monumenta actorum, quæ aduersus eos se habere aiunt, satis constat, altera parte inaudita, confecta fuisse: & tamen in istis ipsis monumentis ethnici & catechumeni pro testimonio interrogati fuere; ex quibus vnus catechumenus dicebat, intus fuisse se, cum Macarius illuc venit; & alter dicebat, cum ex eo quæreretur, Ischyram ab ipsis toties iactitatum, ægrotum per id temporis in cellula decubuisse: vt ex eo appareat, nihil omnino mysteriorum actum fuisse, eo quòd catechumeni intus essent, & Ischyras non adesset, sed ægrotus decumberet. Quin & ipse sceleratissimus Ischyras, qui mentitus erat, Athanasium nescio quos sacros libros combussisse, & de eo crimine conuictum esse, postmodum confessus est se per id tempus ægrotasse & decubuisse, cum Macarius superueniret; vt vel inde facile colligas eum sycophantam esse: certe huius sycophantiæ gratia, ei qui ne presbyter quidem erat, titulum Episcopi indulsere. Duo enim quondam Meletij presbyteri, postea à beatæ memoriæ Alexãdro Episcopo Alexandriæ recepti, ijdemq. nũc Athanasij presbyteri, cũ aduenissent, testimonia deposuere, numquam Ischyrã Meletij presbyterum fuisse; immo ne habuisse quidem Meletium Mareotæ vllam ecclesiam, aut ministrum in sacris. Nihilominus tamen eum, qui presbyter non erat, vt Episcopum in testem produxerunt; vt magnificentia nominis per sycophantiam auditores percellerent. Recitata quoque sunt scripta collegæ nostri in sacris Marcelli, & deprehensa est Eusebij dolosa ars. Quæ enim Marcellus per modum quæstionis tractauerat, ea tamquam ita esse profiteretur, calumniati sunt. Recitata quoque sunt in his quæstionibus, quæ antecederent & subsequerentur; & inuenta est bona & recta fides istius viri. Non enim ex sancta Maria (vt ipsi asseuerabant) Verbo Dei initium attribuit, neque finem eius regno constituit; sed regnum eius initio & fine carere scriptis prodidit. Asclepas autem comministri noster in sacris, prolatis actorum monumentis Antiochiæ confectis, docuit, cum ibi simul & accusatores, & ipse Eusebius Cæsariensis adesset, iudicijs Episcoporum qui huic causæ præsidebant, se innocentem pronuntiatum esse. Non igitur sine causa est, dilectissimi fratres, quòd sæpius citati non obtemperarint, sed fugere maluerint; & conscientia ad fugam propulsi, crimen suæ sycophantiæ confirmauerint, & causam dederint, vt quæ eorum accusatores præsentes obijcerent & demonstrarent, pro veris haberentur: immo præter hæc omnia, depositos olim & eiectos ob Arianam hæresim non solum receperint, sed ad maiores gradus

dus euexerint, ex diaconis presbyteros, ex presbyteris Episcopos facientes, non in alium vsum, quàm vt impietatem disseminarent, latiusq. diffunderent, & piam fidem corrumperent. Quo in negotio, post Eusebiũ facile principes sunt Theodorus ab Heraclea, Narcissus à Neroniade Ciliciæ, Stephanus ab Antiochia, Georgius à Laodicæa, Acacius à Cæsarea Palæstinæ, Menophantes ex Epheso, quæ est Asiæ, Vrsacius à Syngidone Mysiæ, Valens à Mursis Pannonicis. Nam & isti eos, qui secum ab Oriente descendebant, non permiserunt ad sacrosanctam Synodum introire, aut vllo modo ad Ecclesiam Dei appellere; & in itinere Sardicensi certis in locis conciliabula in morem Synodi per se habuerunt, & fœdera cum interminationibus conflauerunt. Quapropter cum Sardicam peruenissent, minime omnium iudicio steterunt, aut in eumdem locum cum sacra Synodo conuenire voluerunt; sed mox vbi eò peruenissent, & perfunctoria specie purgationis, aduentum suum ostentassent, raptim inde aufugerunt. Rem ita actam esse, per comministros Macarium à Palæstina, & Asterium ab Arabia, qui vnà cum ijs in itinere fuerunt, & ab eorum infidelitate recessérunt, cognoscere licuit: qui cum ad sacram Synodum venissent, simul & de vi, quam passi essent, conquesti sunt; & quanta prauitate in rebus agendis vsi essent Eusebiani, indicarunt: id quoque ab illis additum, esse illic multos rectæ fidei cultores, quos isti prohibuerunt, ne huc venirent, pericula, minasq. si quis ab illis recederet, denuntiantes; ac propterea curasse, vt omnes in itinere eodem domicilio vterentur, ne vel tantillum quispiam ab illis seorsum agere posset. Sed quia eorum sycophantiæ, vincula, cædes, verbera, falsæ epistolæ, contumeliæ, virginum denudationes, exterminationes, deuastationes ecclesiarum, incendia, transpositionesq. à minoribus ciuitatibus ad maiores parœcias, &, quod grauissimũ est, denuo per eosdem excitata contra rectam fidem infelicissima Arianorum hæresis, reticenda nõ sunt; ideo nos dilectos fratres & comministros nostros Athanasium, Marcellum, Asclepam, cum ceteris comministris nostris innocentes & puros pronuntiauimus, litteris ad singulas parœcias missis, vt populi cuiusque ecclesiæ cognoscant sui Episcopi sinceritatem, eumq. pro Episcopo & habeant & expectent: istos autem more luporum in horum ecclesias inuadentes, Gregorium inquam in Alexandriam, Basilium in Ancyram, Quintianum in Gazam, eos neque Episcopos appellent, neque vllam cum eis communionem habeant, aut eorum litteras recipiant, aut vicissim mittãt: Theodorum autem, Narcissum, Acacium, Stephanum, Vrsacium, Valentem, Menophantem & Georgium per metum huc ab Oriente non audentem venire, sed tamen à beatæ memoriæ Alexandro depositum, tum quia iste, & ceteri illi, sectatores sunt Arianicæ rabiei, tum ob reatuum crimi-

crimination em, ſacroſancta Synodus communi calculo exauctoratos omnino ab officio epiſcopatus ſubmouit: decreuimusq. eos non modo Epiſcopos non eſſe, ſed ne dignos quidem fidelium communione. Nam qui ſeparant Filium à Patre, & Verbum à ſuo Patre abalienant; æquũ eſt eos ab Eccleſia catholica ſeparari, & alienos indignosq. haberi Chriſtiano nomine. Sint vobis igitur anathema, eo quòd verbum veritatis adulterauerunt. præceptum ſi quidem Apoſtolicum eſt, Si quis euangelizauerit vobis præter id quod accepiſtis, anathema eſto: cum his ne quis communionem habeat, præcipite. nihil commune luci cum tenebris: hos procul à vobis arcete, cùm nulla ſit concordia Chriſto cum Belial. Cauete interim, dilecti, ne vel ſcribatis ad eos, vel eorum ſcripta recipiatis. Quin & vos quoque ſtudete, fratres & comminiſtri noſtri in ſacris obeundis, vt ſpiritu præſentes in noſtra Synodo, idẽ ſuffragium conferatis per veſtras ſubſcriptiones; quò ab omnibus vbique ſacrorum miniſtris concordia ſeruetur. rus Hilario [a] *percunctanti explicuit his verbis: Dico Filium diſsimilem Deo eſſe, ſimilem Patri poſſe intelligi, quia Pater voluiſſet creaturam iſtiuſmodi creare, quæ ſimilia ſui vellet: & idcirco ſimilem Patri eſſe, quia voluntatis eſſet potius Filius, quàm diuinitatis: diſsimilem autem Deo eſſe, quia neque Deus eſſet, neque ex Deo, ideſt de ſubſtantia Dei, natus eſſet. Qua inſania dum fureret Conſtantius, ferre non poterat eos, qui vllo modo Vſiæ nomen vſurparent. Ac primum in Homouſianos draco iſte vſqueadeo deſæuit, vt perſecutionis cauda tertiam ſtellarum partem traxerit. Deinde nec Heterouſion paſſus, illius inuentores* [β] *Aëtium & Eunomium abegit in ſolitudinem, vnum quidem Phrygiæ, alterum Pamphiliæ; idem facturus & Eudoxio, qui à multis credebatur re vera primus monſtrum iſtud peperiſſe, niſi veritus ille iram Conſtantij, Heterouſii originem in Aëtium reiecisſet.*

Atque hæ variorum dogmatum peſtes ſub Conſtantio, aut paulo poſt eius exceſſum coortæ, ad Theodoſii vſque principatum longe lateq. peruagatæ ſunt. Quenam autem prima dico? Exilia, fugæ, bonorum proſcriptiones, inſidiæ tam apertæ, quàm obſcuræ; verborum illecebræ, vbi offerebatur occaſio; vis, vbi verborum blandicijs efficere nihil poterat. tatis

tatis viros, qui huic Synodo interfuerunt, numerantur in primis Helladius [a] Cæsariensis episcopus, Basilij Magni successor: Pelagius [c] Laodicensis, quem ob Nicænam fidem Valens in Arabia saltus [γ] relegarat: Amphilochius [δ] Icanij in Lycaonia episcopus, qui annos non paucos in solitudine transegerat, Basilij & Gregorij [ε] socius: Martyrius [ζ] episcopus Marcianopolitanus, Cyrillus [η] Hierosolymitanus, qui multis conflictatus erumnis ob Homousij fidem, egregias cum Arianis obierat dimicationes: Gelasius [θ] Cæsareæ Palæstinæ episcopus, morum scientiæq. fama clarissimus: Acholius [ι] Thessalonicensis, qui Theodosium per baptismi gratiam Christo regeneravit: utq. Isidorum [κ] Tyrium, Eulogium [λ] Edessenum, aliosq. Imperiali sanctione [μ] commendatos, prætereamus, tres claruere præ ceteris: unus fuit Gregorius [ν] Nyssanus, magni Basilij frater, eidemq. non magis consanguinitate, quàm eximiæ pietatis doctrinæq. laude coniunctus: alter fuit [ξ] Meletius Antiochenus, admirabilis vir sanctitate, quæ sub Valentis tyrannide arumnis, exilio, varijs etiam catholicorũ contentionibus, crebriq. miraculis illustrata resplenduit. Illum Theodosius adhuc prinus cũ vidisset in somnijs, paludamento & corona, insignibus Imperij, ab eo donari visus est. Itaque cum ex specie, quam animo retinebat, eum agnouisset in Concilio, mirifice recreatus, honorifico sanctissimi viri complexu vix expleri posse videbatur. tertius fuit sanctus Gregorius Nazianzenus, clarissimum Ecclesiæ lumen, qui [ο] cum Constantinopolitanam ecclesiam à Macedonio, Eudoxio, Demophilo Arianis episcopis, quorum unus alteri successerat, quadraginta circiter annis labefactatam, varijsq. errorum fluctibus æstuantem cerneret, orthodoxorum Episcoporum studijs ac suffragijs incitatus, ad eam regendam, ac densissimis frutetis & vepribus, quæ Apostolicam sementem pene oppressérant, expurgandam accessit. [π] Docebat tunc Gregorius in ecclesia perexigua, ad quam postea Impp. pietatis studio accensi amplissimum templum, Anastasiam nomine, adiecerunt, quòd eo in loco Nicæni Concilij fides hominum improbitate collapsa, reuixerit. Diuturnis autem laboribus exantlatis, multos passus Arianorum conflictus, tandem ne Catholicorum quidem effugit inuidiã. Aegyptij [ρ] namque Episcopi Maximum philosophum Cynicum, postea Apollinarius præstigijs excæcatum, cuius fuerant corrupti pecunijs, in illius locum tumultuarijs suffragijs suffecerunt. Cessisset statim Gregorius, & in optatissimam quietem lubenti animo redijsset, nisi piorum precibus fere inuitus detentus fuisset. Quin etiam non multo post Meletius, ceteriq. Episcopi, qui ad generale Concilium hanc etiam ob causam conuocati fuerant, vt Constantinopolitanæ ecclesiæ, sedatis tumultibus, pacem conciliarent, cum probe nossent, quàm legitime Gregorius eam ecclesiam regendã suscepisset, & quàm salutaribus præceptis atque institutis informasset regiam ciuitatem inter tot hæreticorum procellas fluctuantem, Maximo [σ] Cynico è sacris ædibus exturbato, eiusq. actis omnibus abrogatis, illum in suscepto regimine confirmarunt. Sed paulo post mortuo Meletio, & à Gregorio Nyssano [τ] funebri oratione laudato, cum videret Gregorius furere magis in dies Aegyptios, habita oratione ad centum quinquaginta Patres, sponte dimissionis libellum petijt, & se episcopali munere abdicauit. Substitutus [υ] in eius locum fuit tam Imperatoris studio, quàm vniuersæ Synodi sententia Nectarius Tarsensis, illustri loco natus, Senatorij ordinis, tunc etiam Prætor, ætate grauis, & honestissimis moribus. In eam vero electionem tam concordibus animis itum est ab Episcopis qui grauiter antea dissidebant, vt eum locum, in quo rebus pax reddita fuit, Concordiam [φ] nominarint. Maximo itaque electo, mox Concilij Patres ad Ecclesiam varijs hæreseon laqueis extricandam, animum adiecere. Aduocauerat autem in Synodum Theodosius Episcopos etiam Macedonianos [χ] numero triginta sex, duce Eleusio Cyzicено, quòd futurum speraret, vt pro ea, quam cum Liberio societatem inierant, in Homousion conuenirent. quod cum illi numquam se admissuros professi palam essent, è Synodo recessere. Patres vero post legitimas de orthodoxis dogmatibus disputationes, Eudoxianis, [†] Eunomianis, Macedonianis, Pneumatomachis, Sabellianis, Marcellianis, Photinianis, Apollinaristis anathema dixerunt: editaq. Fidei formula, quam Gregorius [ψ] Nyssenus Synodi auctoritate conscripsit, non solum Patris & Filij, sed & Spiritus sancti gloriam vnam, maiestatem parem, indiuisam sanxere substantiam. Qua fide sanctissime explicata, & nonnullis [ω] decretis quæ ad Ecclesiæ pacem & Episcoporum concordiam spectare videbantur, adiectis, domum rediere. Imperator [ϐ] autem seueriſsimis cauit legibus, vt quicunque à Nicæno, Constantinopolitanoq. Symbolo dissentirent, episcopatibus spoliarentur; nec modo non prouecherentur ad alios, sed ab ecclesijs, ab vrbium mœnibus, ab hominum consortio pellerentur. Qua [γ] de causa cum per ciuitates tumultuarentur hæretici, apertisq. odijs ac seditionibus omnia permiscerent, Theodosius in Ecclesia pacem resarciendam intentissimus, acceptis à Damaso litteris, quibus Orientales Episcopos ad Romanam Synodum ex toto orbe terrarum cogendam [ϑ] inuitabat, suæ ditionis Episcopos, cuinscumque religionis ac secta forent, iterum

Conſtantinopolim conuenire iuſſit. Vbi conuenere, ex Nectarij [a] *conſilio interrogat Arianos, Eunomianos, Macedonianos, velint ne acquieſcere ſanctis Eccleſiæ Doctoribus, qui antequam eorum hæreſes erumperent, de recta in Deum fide diſputarant. Collaudant aliqui Imperatoris conſilium ac mentem: improbant alij, non tam veterum doctrina Patrum, quàm dialecticorum captionibus, laqueisq. conſiſi: dumq. inter ſe litigant atque altercantur, imperat Theodoſius ſectarum principibus, vt ſuam ſinguli fidem referant in libellos: quibus ſtata die acceptis ac perlectis, diuina ſapientia lucem in re tam ardua ſuppliciter implorat: reliquis tandem damnatis, ac palam concerptis libellis, Homouſianam fidem, vt optimam atque Apoſtolicam comprobat. Conſternati diſcedunt hæretici, à ſuis etiam exagitati clientibus ob mutuam inter ſe ipſos diſſenſionem, quæ eorum cauſam deſpicabilem fecerat, & malæ ſuſpicionis.*

[a] Socr. lib. 5. c. 10. Sozom. lib. 7. c. 12.

Hic Romanam profectionem ex Damaſi [b] *præſcripto Epiſcopis denuntiat Imperator. Illi, cum greges ſuos, præſertim quos ab Arianis tenebris & voragine nuperrime liberarant, inter tot hæreticorum turbas atque inſidias deſerẽdos eſſe non putarent, tres Epiſcopos, Cyriacum, Euſebium, Priſcianũ legatos Damaſo miſerunt cum Synodicis litteris, quibus & cauſas, cur ad Vrbem vocati non adyſſent, explicarunt, & œcumenica Synodi, quam anno ſuperiore Conſtantinopoli celebrarant, acta Romano Pontifici recognoſcenda obtulere: quæ* [c] *ab eo confirmata ſunt. Quo ex tempore ea tamquam per Apoſtolicam Sedem approbata, ſummæ ſemper venerationi fuere. Itaque in Concilio Chalcedonenſi act. iiij. Paſchaſinus, Lucentius & Bonifacius Apoſtolici Legati nomine Leonis Papæ, regulam fidei à Nicænis & Conſtantinopolitanis & Epheſinis Patribus expoſitam, palam profitentur: quibus & tota Synodus aſſenſit. Item in act. v. ſic habetur: Definimus igitur, ordinem & omnes formulas cuſtodientes, quæ de fide ſunt conſtitutæ, & nos Synodo quondam in Epheſo factæ, cuius præſides fuerunt ſanctiſſimæ memoriæ Cæleſtinus Romanorum, & Cyrillus Alexandrinorum, præfulgere quidem rectæ & immaculatæ fidei expoſitionem ſanctorum & beatiſſimorum trecentorum decem & octo Patrum, qui in Nicæa temporibus piæ memoriæ Conſtantini Imp. congregati ſunt; ſeruari autem & ea, quæ apud Conſtantinopolim à ſanctis centum quinquaginta Patribus decreta ſunt, ad expellendas quidem omnes germinantes hæreſes, & ad confirmationem eiuſdem catholicæ & Apoſtolicæ noſtræ fidei. Atque hæ duæ actiones Chalcedonenſes referuntur & approbantur in Synodo v. Conſtantinopolitana, collatione vj. vbi & bis Symbolum decantatur, ſemel iuxta formulam Nicænam, iterum iuxta Conſtantinopolitanam explicationem. Ad hæc in Lateranenſi Concilio ſub Martino primo, conſuls. iij. Conſtantinopolitanum Symbolum principio recitatur, tamquam fidei fundamentum. qui mos ac ritus ad poſteriores Synodos manauit. Sed & Concilium Toletanum iij. can. ij. Pro reuerentia, inquit, ſanctiſſimæ fidei, & propter corroborandas hominum inualidas mentes, conſultu pijſſimi & glorioſiſſimi Reccaredi Regis conſtituit Synodus, vt per omnes Eccleſias Hiſpaniæ & Galleciæ ſecundum formam Orientalium Eccleſiarum, Concilij Conſtantinopolitani, hoc eſt, centum quinquaginta Epiſcoporum, Symbolum fidei recitetur, & priuſquam Dominica dicatur oratio, voce clara populo prædicetur; quò & fides vera manifeſtum teſtimonium habeat, & ad Chriſti corpus & ſanguinem prælibandum, pectora populorum fide purificata accedant. Romani etiam Pontifices in Fidei profeſſione inter œcumenicas Synodos Conſtantinopolitanam ſecundo loco ſemper reponunt: quo in genere ſanctus Gregorius* [d] *ait: Præterea, quia corde creditur ad iuſtitiam, ore autem confeſſio fit ad ſalutem; ſicut ſancti Euangelij quatuor libros, ſic quatuor Concilia ſuſcipere & venerari me fateor, Nicanũ ſcilicet, in quo peruerſum Arij dogma deſtruitur: Conſtantinopolitanũ quoque, in quo Eunomij & Macedonij error conuincitur: Epheſinum etiã primũ, in quo Neſtorij impietas iudicatur: Chalcedonenſe vero, in quo Eutychetis, Dioſcoriq. prauitas reprobatur, tota deuotione complector, integerrima approbatione cuſtodio, quia in his velut in quadrato lapide, ſanctæ fidei ſtructura conſurgit. Atque hæc de fide & Symbolo Conſtantinopolitano dicta ſint. nam Canonum longe alia ratio eſt. Romana autem Eccleſia (inquit ſanctus* [e] *Gregorius) eoſdem canones, vel geſta Synodi illius hactenus non habet, nec accepit: in hoc autem eamdem Synodum accepit, quod eſt per eam contra Macedonium definitum. Reliquas vero hæreſes, quæ illic memoratæ ſunt, ab alijs tam Patribus damnatas reprobat. Ea vero diuerſitas accidit in primis ob quintum canonẽ, qui huic Concilio communiter adſcribitur, in quo aduerſus Nicænam ſanctionem Conſtantinopolitano Epiſcopo ſecundus à Romano Pontifice locus & honor defertur: id quod impugnant acerrime Leo* [f] *primus, Nicolaus* [g] *primus, Leo* [h] *nonus. tametſi poſtea canon ille Conſtantinopolitanus vſu quodam & tacito Romanæ Sedis conſenſu confirmatus, & ab* [i] *Innocentio III. renouatus fuerit in Lateranenſi Concilio.*

S. GREGORII NAZIANZENI ORATIO

In præsentia centum quinquaginta Episcoporum habita.

QVo pacto res nostræ vobis se habere videntur, ò cari pastores & collegæ? quorum & speciosi pedes sunt annuntiantium pacem & bona, cũ quibus huc venistis; &, quantum ad nos attinet, speciosi, vtpote ad quos opportune vos contulistis, non vt errantem ouem in viam reducatis, verum vt pastorem peregre agentem inuisatis. Quo pacto peregrinatio nostra iudicio vestro se habet? Et quis huius fructus, vel (vt rectius loquar) spiritus in nobis habitantis, quo & semper mouemur, & nunc moti sumus, nihil proprium habere cupientes, nec fortasse habentes? Vtrum tandem per vosmet ipsi intelligitis & percipitis, ac benigniores rerum nostrarum censores estis? an contra nobis faciendum est, vt quemadmodum qui militaris imperij, aut gubernationis popularis, aut pecuniarum administrationis rationem exposcuntur, sic nos quoque eorum quæ à nobis administrata sunt, rationes publice vobis reddamus? Nec enim subire iudicium erubescimus, quandoquidem etiam vicissim iudicamus: atque vtrumque cum pari charitate. Vetus autem hæc lex est. Nam etiam Paulus Euangelium cum Apostolis cõmunicabat; non vt ambitiose se ostentaret (procul enim ab omni gloriæ cupiditate remotus est spiritus) sed vt vel confirmaretur quod recte & cum laude gerebat, vel corrigeretur quod officio decrat (si quid tamen huiusmodi erat in ijs quæ ab eo dicebantur, vel agebantur) quemadmodum ipse ostendit, cum de se ipso ad hunc modum scribit: Quoniam & spiritus prophetarum prophetis subijciuntur, iuxta Spiritus constitutionem, omnia recte dispẽsantis & diuidentis. Quod si ille priuatim & apud quosdam, ego autem publice & apud omnes iudicium subeo, ne id vobis mirandum accidat. Nam ego ea, quæ ex libera reprehensione percipitur, vtilitate magis opus habeo, quàm ille, si qua in re officij partes deseruisse videar; ne alioqui frustra curram, aut cucurrerim. Nec vero aliter defensionis munus recte suscipi potest, quàm si apud eos, quibus administrationis meæ ratio cognita est, sermo habeatur. Quæ igitur est nostra defensio? Ac si quidem falsa, coarguite: si autem vera, testimonio vestro confirmate; vos inquam, quorum causa, & apud quos hæc habetur oratio. Vos enim mihi defensio estis, & testes, & gloriæ corona. liceat enim mihi quoque ex Apostoli verbis aliquid audacter vsurpare. Hic grex exiguus quondam erat & imperfectus, quantum quidem oculorum sensu iudicari poterat, ac ne grex quidem, sed paruum quoddam & tenue gregis vestigium, aut reliquiæ; incompositus, pastore carens, nullis terminis incluſus, nec pascui liberi ius habens, nec caula cinctus, oberrans in montibus, in speluncis & cauernis terræ, huc illuc dispersus atque dissectus, còq. redactus, vt quà quamque ouem forte tulisset, tegeretur ac pabularetur; præclareq. secum agi

A agi duceret, si salutem suam subriperet: non secus videlicet ac grex ille, quem Icones expulerũt, aut tempestas dissoluit, aut caligo dissipauit, quem & Prophetæ lugent, populi Israelitici Gentibus traditi calamitatem adumbrantes: & nos etiam luximus, quamdiu in luctuoso statu res nostræ fuerunt. nam ipsi quoque re vera expulsi & proiecti fuimus, atque in montes omnes & colles ob pastoris inopiam dispersi; ac dira quædam tempestas Ecclesiam inuasit, & horrendæ belluæ in nos impetum fecerunt, quæ ne nunc quidem reddita serenitate nobis parcunt; verum (qua sunt impudentia) potentiores etiam & atrociores, quàm B tempus ferat, se præbent: atque tristis quædam caligo cuncta occupauit & contexit, multo sane nona illa Aegyptiorum plaga, hoc est palpabilibus tenebris grauior, præ qua pæne nec alij alios videre potuimus. Atque vt aliquid, quod maiorem commiserationem redoleat, dicam, eo scilicet, qui nos afflixit, tamquam parente, fretus; Abraham non cognouit nos, nec Israel nos agnouit: at tu pater noster es; in te oculos conijcimus; præter te alium non nouimus; nomen vnum tuum inuocamus. Propterea causam dicam, inquit Hieremias, ceterum iudicia loquar ad te. Facti sumus vt à principio, cum non imperares nobis; & C oblitus es testamenti sancti tui, ac misericordias tuas nobis occuluisti. Propterea opprobrium facti sumus dilecto tuo, nos inquam, Trinitatis adoratores perfecti, perfectæ diuinitatis clientes & supplices: nec eo audaciæ prorumpentes, vt quidquam eorum quæ supra nos sunt, ad nos detrahamus & deijciamus; nec ita superbi & arrogantes, vt (quod impiæ linguæ, ac deitatis hostes faciunt) Dominum in seruilem ordinem nobiscum redigamus: sed scilicet propter alia scelera nostra, & quia non, vt mandatis tuis dignum erat, vitæ nostræ rationes instituimus; verum post prauam nostram mentem & cogitationem ambulauimus (quænam enim alia causa proferri potest?) D hominibus iniquissimis, atque omnium quos terra fert, sceleratissimis dediti sumus. Primus Nabuchodonosor nos obtriuit, ille inquam, qui post Christum aduersus Christum furore flagrauit, atque ob eam causam Christum inuisum habuit, quia per eum salutem consecutus fuerat; ac sacros libros cum impijs sacrificijs commutauit. Deuorauit me; in partes distraxit me: contexerunt me tenebræ tenues (vt ne lugens quidem à verbis Scripturæ recedam:) Nisi quia Dominus adiuuit me, atque ipsum (qualia Dei iudicia sũt!) E in Persidem eiectum, iniquorum manibus, vt merebatur, tradidisset; ac pro nefarijs & impijs cruoribus iustus cruor fusus fuisset (hic solum ne longanimitate quidem vti sustinente vi illa vltrice) propemodum habitasset in inferno anima mea. Secundus nihilo humanior illo fuit; immo eo etiã acerbior, quòd Christi nomen ferens, pseudochristus erat, Christianisq. probrum & dedecus, quibus & facere impium, & pati inglorium erat; quòd ne iniuriam quidem accipere viderentur, nec illustre martyrij nomen cruciatibus accederet; verum hic quoque fucus veritati fieret, vt qui tamquam Christiani patiebantur, tamquam impij cruciatu afficerentur. quia in malis diuites & copiosi extitimus: quia ignis speciosa terræ comedit: residuum erucæ comedit locusta, & residuum locustæ comedit rubigo; tum bruchus, ac postea nescio quod aliud atque aliud malum subinde exoriens. Quid autem omnia illius temporis mala tragica oratione prosequi attinet, eamq. quæ tum nos inuasit, siue pœnam dicere conuenit, siue explorationem ac purgationem? Ceterum transiuimus per ignē & aquam; ac benigna Saluatoris voluntate in refrigerium prodijmus. Enimuero (vt eo se, vnde digressa est, oratio referat) hæc seges parua quondam & inops erat, ac non modo Deo, qui pulchris pietatis seminibus & doctrinis totum orbem terrarum excoluit, atque excolit, sed ne paupere quidem ac tenui homunculo digna, vt quidem videbatur; immo nec seges omnino, nec horreis, nec area fortasse, nec falce digna, nec etiam acerui, nec manipuli, aut certe parui & immaturi, & quales sunt tectorum; nec messoris manum implentes, nec eorum qui pertranseunt, benedictionem illicientes. Talis seges nostra erat, tantilla messis; magna illa quidem & pinguis apud eum qui abscondita intuetur, taliq. agricola digna, quam animarum recta doctrina excultarum valles multiplicant; at quæ tamen in vulgus minime nota esset, nec in vnum cogeretur, sed paulatim colligeretur, non secus ac stipula in messe, & racemulus in vindemia, cum nullus est botrus. Quin illa quoque, & quidem admodum tempestiue, mihi videor adiecturus, Vt ficum præmaturam in deserto Israelem inueni, & vt acinum vnū aut alterum maturum in immaturo botro, benedictionis quidem causa seruatum, ac primitijs consecratum, adhuc tamen paruum & rarum, nec os comedentis implentem: atque etiam vt signiferum lignum in colle, & malum mauis in monte; aut si quid aliud est singulare, nec multis conspicuum. Atque hæc quidem pristina nostra paupertas & mœstitia fuit. Ex quo autem tempore Deus, qui pauperem facit, & ditat; qui mortificat, & viuificat; qui sola voluntate omnia facit, atque immutat; qui ex nocte diem facit, ex hieme ver, ex tempestate tranquillitatē, ex siccitate pluuiā, idq. plerumque vnius iusti, diuturna persecutione vexati, precibus permotus; qui denique mansuetos in altum suscipit, ac peccatores vsque ad terram humiliat; illud secum dixit: Videns vidi afflictionem Israelis; nec luto, ac conficiendorum laterum labore diutius opprimetur: ac locutus visitauit, & visitans salutem attulit; populumq. suum eduxit in manu potenti, & brachio excelso, in manu Mosis & Aaron electorum suorum; quid sit? quæ signa & miracula? nimirum ea, quæ & memoriæ prodita, & litterarum monumentis commendata circumferuntur. Nam, vt miracula in via edita, magnumq. illum sonum taceam, ac rem vno verbo complectar; Ioseph vnus in Aegyptum proficiscitur, ac sexcenta hominū millia non multo post ex Aegypto excedūt (quid hoc admirabilius, aut illustrius diuinæ magnificentiæ

A centiæ argumentum, cum ex rebus perditis ac deploratis, iter secundis aperire voluerit?) ac promissionis terra per vnum hominem odio habitum sorte distribuitur, atque is qui venditus fuerat, gentes sedibus pellit, ipseq. in gentem magnam constituitur, ac parua illa propago vinea lata & palmitibus abundans efficitur, in eamq. magnitudinem euadit, vt & supra fluuios ascendat, & vsque ad mare extendatur, & à finibus in fines porrigatur ac dilatetur, & gloriæ sublimitate montes operiat, & cedrorum magnitudinem superet, & quidem cedros Dei, quicumque tandem montes illi, & quæcumque cedri existimandæ sunt. Talis quondam hic grex erat, talisq. rursum nunc, tamq. succulentus, lateq. se porrigens, ac si nondum perfectionem assecutus, ad eam tamen quotidianis incrementis progrediens, atque etiam, vt auguror, progressurus. Hoc mihi prædicit Spiritus sanctus, Il quid vaticinandi arte valeo, futuraq. prospicio. Ac simul ex ijs quæ præcesserunt, spem non dubiam concipio, atque ratiocinatione id percipio, vtpote rationis alumnus. Multo enim mirabilius est quòd ex tantillo ad tantam magnitudinem peruenerit, quàm vt ex eo statu, quo nunc est, ad summum splendoris gloriæq. gradum prouehatur. Posteaquam enim semel ab eo, qui mortuos ad vitam reuocat, ossa cum ossibus, & commissuræ cum commissuris iungi cœperunt, ac siccis rebus, spiritus vitæ & regenerationis datus est, resurrectionem vtique omnibus suis numeris partibusq. perfici atque expleri necesse est. Ac proinde qui exacerbant, non exaltentur in semetipsis; nec vmbram, aut somnium exurgentium, aut auram perflantem, aut nauis vestigia aquis impressa tenentes, quidquam se habere existiment. Vlulet pinus, quia cecidit cedrus. Ex aliorum malis documentum sibi capiant, ac discant, pauperem neB quaquam in finem vsque obliuioni fore; nec diuinitatem sese diutius cohibituram, quin procerum capita, vt Habacuc loquitur, cum stupore C dissecet; nimirum ipsa quoque dissecta, & male diuisa in id quod præst, & quod subest: vt sic maxime & deitas contumelia afficiatur, in creaturarum ordinem redacta, & res creatæ onerentur, deitati honore adæquatæ. Quin illam quoque eius, qui contritos & oppressos colligit, vocem mihi audire videor: Dilata adhuc locum funiculorum tuorum; extende ad dexteram & ad sinistram: fige, aulæis ne parcas. Ego tradidi te; & ego auxiliabor tibi. In parua ira percussi te; in D sempiterna autem misericordia glorificabo te. Maior est mensura benignitatis, quàm mensura correptionis. Priora illa, propter flagitia: hæc, propter Trinitatem quę adoratur. Illa, ob purgationem: hæc, ob gloriam meam, qui glorifico glorificantes me; & ad iram prouoco prouocantes me. Ecce hæc signata sunt apud me, atque hæc remunerationis inuiolabilis lex est. At tu parietes & tabulas crustasq. artissime tenebas, & scite atque elegãter cæsas tessellas, & longos cursus & ambitus, atque auro fulgebas & collucebas, illudq. partim aquæ instar spargebas, partim quasi E arenam aggerebas: nimirum ignorans, præstantiorem esse fidem sub dio degentem, quàm copio-

quar) non nihil ipſe quoque adiumenti attuli. Horum quiſpiam, ſermonum quoque noſtrorum opus eſt, non eorum quos proiecimus, ſed quos amore complexi ſumus; nec meretriciorum (vt quidam nos proſcindens dixit, homo & ſermonibus & moribus meretricijs) verum admodum etiam grauium & pudicorum. Horum quiſpiam mei quoque ſpiritus fœtus ac fructus eſt, quemadmodum ſpiritus eos, qui animum à corpore abduxerunt, gignere conſueuit. Huius rei non dubito, quin cãdidiſſimos & æquiſſimos quoſque veſtrum teſtes habiturus ſim, aut etiam omnes: quandoquidem omnes laborauimus. Ac nauatæ operæ merces, ſola confeſſio eſt. non enim aliud quidquam quærimus, aut quæſiuimus. Virtutem enim non mercenariam eſſe oportet, vt virtus maneat, nihil ſibi præter bonum ipſum & honeſtum proponens. Vultis iuuenilius aliquid adijciamus? Videtis aduerſarias linguas miteſcentes, atque eos qui diuinitati bellum indixerunt, nihil iam turbarum nobis faceſſentes? Id quoque ſpiritus, id quoque agriculturæ noſtræ eſt. Non enim imperite docemus, nec aduerſarios contumelijs & conuicijs inceſſimus, quemadmodum plærique faciũt, non cum ſermone, ſed cum loquente confligentes, ac rationum & argumentorum infirmitatem maledictis interdum obtegentes, non aliter ac ſepias atramentum ante ſe vomere aiunt, vt piſcatores effugiant, aut latendo aliquid ipſæ capiant. Verũ nos pro Chriſto bellum gerere, hoc argumento planum facimus, quòd ſecundum Chriſtum, qui mitis ac pacatus eſt, atque infirmitates noſtras portauit, dimicamus. nec in veræ doctrinæ detrimentum paci ſtudemus, non nihil de animorum contentione remittentes, vt facilitatis ac manſuetudinis famam colligamus (non enim quod bonum eſt, male aucupamur) & rurſum pacem colimus, legitime pugnantes, atque intra limites noſtros, ſpiritusq. regulam noſmet continentes. Ac de his quidem ita ſentio, cunctisq. animarum diſpenſatoribus, rectæq. doctrinæ arbitris legem ſtatuo; vt nec per duritiam hominum animos exaſperẽt, nec per ſubmiſſionẽ elatos & inſolentes efficiant; ſed prudenter & conſulte in fidei cauſa ſe gerant, nec in alterutro horum mediocritatem excedãt. Sed iam fortaſſe operæpretium eſt ipſius quoque fidei doctrinam, quæcunque tandem illa apud nos eſt, cupientibus vobis indicare. nam & ipſe per commemorationis aſſiduitatem ſanctitate afficiar, & populus hic vtilitatem conſequetur, ex huiuſmodi ſermonibus, ſi qua alia in re, mirificam voluptatem capiens; & vos denique agnoſcetis, an non fruſtra nobis inuideatur, dum ob veritatis manifeſtationem aliorum ſtudia æquamus, aliorum etiam anteuertimus. Quemadmodũ enim ſubterraneæ aquæ, partim in imo prorſus occultantur, partim in anguſtias redactæ ebulliunt, atque eruptionem iam iam quidem auribus pollicentur, ceterum adhuc morantur; partim denique in altum erumpunt: ad eumdem modum, eorum qui de Deo philoſophantur (vt eos qui omnino improbi ac perfidi ſunt, miſſos faciam) alij abditam omnino atque occultam ſibi ipſis pietatem habent: alij à partus doloribus non longe abſunt; ij nimirum, qui impietatem quidem fugiunt, ſed pietatem libero atque intrepido animo minime prædicant; ſiue conſilio quodam

malo permutemus, ſed vt à bono minime aberre-
mus. Nam profecto diaboli ludi hæc ſunt, pernì-

quidẽ quo ad eſſentiam, ac diuiſionis omnis expertẽ adorationem, credẽtes; tria autem quantum ad hy-

postaſes, ſiue perſonas, vt nonnulli malunt. Deſinant enim qui de his inter ſe contendunt, ineptire: perinde ac ſi fidei noſtræ pietas in nominibus, non in rebus conſiſtat. Quid enim dicitis, qui tres hypoſtaſes aſſertis? An hoc eo dicitis, quòd tres eſſentias exiſtimetis? Non eſt apud me dubium, quin aduerſus eos qui ita exiſtimant, ingentem clamorem excitaturi ſitis. Vnam enim & eamdē horum trium eſſentiam profitemini. Quid vos, qui perſonas dicitis, num vnum velut quiddam compoſitum animo fingitis, ac tres facies, aut humanam omnino formam habens? Abſit: ipſi quoque inclamabitis, Ne faciem quidem Dei, quæcumque tandem illa eſt, vmquam ille videat qui ita ſentit. Quid igitur, vt interrogare pergam, vobis hypoſtaſes volunt, aut vobis perſonæ? Nimirū tria eſſe, quæ diſtinguantur, non naturis, ſed proprietatibus. Optime. An fieri poteſt, vt quidam magis inter ſe concordent, atque idem dicant, quàm cum ita ſentiunt, tametſi alioqui ſyllabis diſcrepent? Videte qualem vobis pacificatorem me præbeam, à littera ad mentem traducens; quemadmodum ſi quis vetus Teſtamentum & nouum componat & conciliet. Sed eò, vnde digreſſi ſumus, redeundum eſt. Ingenitus quidem, & genitus, & procedens, dicantur ſane & intelligantur, ſi cui nomina fingere libeat. non enim verebimur, ne ea quæ corpore carent, corporeo modo intelligantur; quemadmodum ijs placet, qui deitati calumniam inferunt. At creatura, Dei quidem dicatur (nam id quoque nobis amplum & honorificum eſt) Deus autem nequaquam. Alioqui tum Deum creaturā eſſe admittam, cum ipſe quoque proprie Deus fuero. Sic enim res ſe habet: Si Deus eſt, creatura non eſt. creatura enim nobiſcum eſt, qui dij non ſumus. Si autem creatura eſt, vtique Deus non eſt. temporis enim ratione ortum habuit. quod autem ortum habuit, aliquando non erat. Quod vero eiuſmodi eſt, vt non fuiſſe, eo antiquius ſit; hoc certe proprie non eſt. Quod autem proprie non eſt, quo tandem modo Deus eſſe queat? Ergo nec quidquam horum trium creatura eſt, nec (quod eo eſſet deterius) propter me creatum eſt. alioqui non modo creatura eſſet, ſed etiam nobis abiectior atque contemptior. Nam ſi ego ad Dei gloriam conditus ſum, hoc autem propter me; forceps vtique propter currum efficitur, aut ſerra propter ianuam: ſequitur profecto, vt cauſæ reſpectu ſim ſuperior. Quanto enim Deus rebus creatis eſt ſublimior, tanto id quod mea cauſa creatum eſt, me, qui propter Deum effectus ſum, vilius atque ignobilius eſt. Aduerſus hæc Moabitis quidem & Ammonitis nec aditus ad Eccleſiam Dei pateat, hoc eſt, dialecticis & male curioſis ſermonibus, qui Dei generationem ac proceſſionem, quæ nullis verbis explicari poteſt, inquirentes, aduerſus diuinitatem temere inſurgunt: perinde ſcilicet ac ſi ea, quæ vim omnem & facultatem verborum ſuperant, ab ipſis ſolis percipi poſſe oporteat; vel omnino percipi nō poſſe, quia ipſi ea intellectu aſſequi nequeant. Nos autem Scripturæ diuinæ veſtigijs hęrentes, atque offendicula ea, quę cæcutientibus moleſtiā exhibent, ſubmouētes, ſalutem retinebimus, priusq. in omnē audaciam prorumpemus, quàm vt aduerſus Deum temere atque arroganter aliquid aggrediamur. Et quidem Scripturæ teſtimonia alijs relinquemus, cum à multis iam ſępe litteris mādata, tum

ta, tum etiam à nobis haud perfunctorie & negligenter. Ac simul, mea quidem sententia, turpe admodum fuerit, nunc earum rerum confirmationes colligere, quæ iam pridem persuasissimę sunt. Neque enim optimus ordo est, prius docere, ac postea discere, non dicam diuina, & vsque adeo magna & sublimia, sed ne aliud quidem quidquã paruum & contemnendum. Atque offendicula è Scripturis obiecta soluere & explicare non est præsentis temporis, sed maioris & perfectioris studij atque operæ, quàm pro præsenti instituro. Ac fidei quidem nostræ doctrina, vt summatim complectar, talis est. Atque etiam hæc ipsa non eo commemoraui, vt cum aduersarijs confligerẽ (iam enim sæpe confliximus, etsi leuiter, ac minus perfecte) verum vt doctrinæ meæ formam vobis ostenderem, an non vestrorum dogmatũ propugnator ego sim, atque aduersus eosdem, & pro ijsdem in acie stem. Habetis, ò viri, nostri in hanc vrbem aduentus apologiam; quæ si laudem mereatur, Deo & vobis, quorum accitu huc veni, gratiam habeo: sin autem spei vestræ minus respondi, sic quoque gratiam habeo. Non enim omnino vituperanda est, vt mihi persuadeo; ac vobis id affirmantibus fidem haud abrogo. Numquid populum hunc per auaritiam circumueniminus? Num quid priuatis vtilitatibus consulnimus, quemadmodum multos facere video? Numquid Ecclesiam molestia affecimus? Alios quidem fortasse, quibus, cum se quasi deserta causa, victoriam aduersum nos obtinuisse arbitrarentur, sermonem nostrum opposuimus: at vos nihil profecto, quantum quidem mihi conscius sum. Non bouem vestrum accepi, ait magnus Samuel, cum Israele propter Regem contendens; non animarum vestrarum piaculum (testis inter vos Deus) non hoc, atque aliud, plura commemorans (ne singulis enumerandis longius orationem producam) sed purum, minimeq. adulterinum sacerdotium custodiui. Quòd si principatus, aut sublimium thronorum studio ductus sum, aut Imperatorum aulas calcare appetij, numquam aliud quidquam splendoris consequi mihi contingat: aut si consecutus fuero, statim illud proijciam, atque amittam. Quid igitur est, quod dico? Non enim in eum virtutis gradum perueni, vt virtutem absque mercede colam. Laborum præmium mihi date. Quod tandem? Non quod nonnulli fortasse ex ijs, qui ad quiduis suspicãdum facile adducuntur, existimarint; sed quod mihi tuto postulare licet. Diuturnis laboribus nos leuate, ac recreate, Moueat vos hæc canicies, sit apud vos honori nostra peregrinatio. Alium subrogate, qui pro vobis vexetur, qui puris sit manibus, qui voce non inerudita, qui omnibus in rebus vobis obsequi, curasq. ecclesiasticas simul perferre possit: quandoquidem tales præsertim hoc tempus flagitat. At mihi cernitis quomodo corpus etiam hoc se habeat, nimirum & tempore, & morbo, & labore confectum: Quid vobis timido & ignauo sene opus est, atque in dies singulos, vt ita loquar, non corpore tantum, sed etiam curis moriente? qui vix hæc quoque ad vos loquor. tibus atque iactantibus, melius quiddam ipſe, quàm vulgus, ſentiens, vnus eorum eſſe malim, quàm, vt ſum, cum obſcuritate liber. Ac præterea ita quodammodo afficior, vt non admodum mihi cum vulgo conueniat, nec eamdem viam ingredi ſuſtineam: audacius id quidem fortaſſe, atque imperitius; ſed tamen ita afficior. Ea quæ alijs voluptatem gignunt, mihi moleſta ſunt: quæ autem alijs triſtia & iniucunda videntur, ea animum meum oblectant. Quo circa ne hoc quidem mihi mirum fuerit, ſi vinculis etiam adſtringar, vt incommodus & moroſus, ac plærisque deſipere videar: quemadmodum ethnico cuidam philoſopho accidit, cui prudentia, quaſi inſania vitio vertebatur, quoniam omnia irridebat, riſu videlicet ea digna eſſe perſpiciens, quæ à multis ſummo ſtudio expetuntur & coluntur: aut etiam muſto plenus eſſe cenſear, vt poſtea Chriſti diſcipuli, cùm linguis loquerentur; ignorante ſcilicet multitudine id Spiritus vi & facultate fieri, non mentis aberratione. Iam crimina quoque noſtra quæſo expendite. Tanto iam tempore, inquiunt, Eccleſiæ præes, temporis ope & auxilio fultus, atque Imperatoris voluntate, tanta re, ac tanti momenti: & quod mutationis ſignum nobis affulſit? Quot homines contumelijs nos prius affecerunt? Quid non acerbitatis paſſi ſumus? An non iniurias? an non minas? an non exilia? an non pecuniarum direptiones? an non bonorum proſcriptiones ac publicationes? an non presbyteros in mari combuſtos? an non templa Sanctorum cruore contaminata, & ex templis in ſepulchra immutata? an non publicas presbyterorum, Epiſcoporum, aut (vt aptiore verbo vtar) Patriarcharum cædes? an non illud, vt pijs ſolis inuius omnis locus eſſet? an non denique quidquid calamitatis vllis verbis quiſpiam conſequi poſſit? Quorum quidnam ijs, qui hoc fecerunt, rependimus? quandoquidem verſis, vt par erat, rerum vicibus, rependendi poteſtas nobis facta eſt: atque eos, à quibus per ſummam contumeliã vexati fueramus, caſtigari oportebat. Et, vt omiſſis alijs, noſtra, ne dicam tua, commemoremus; nonne perſecutionem paſſi ſumus? nonne contumelijs omnibus affecti? nonne eccleſijs, domibus, & (quod acerbiſſimũ eſt) ſolitudinibus ipſis pulſi ſumus? nonne furentem populum tulimus? contumelioſos præfectos? Imperatores ſimul cum edictis ſuis contumelioſe ſpretos? Quid poſtea? Fortiores extitimus: & perſecutores noſtri pœnam effugerunt. Ita ſane eſt, inquam. Mihi enim aduerſus eos qui iniuriam intulerunt, ſatis pœnarum eſt, par pari referendi poteſtas. at iſtis aliter videtur: perquàm enim exacti ac iuſti ſunt ad vlciſcẽdum; atque idcirco ea quæ temporis ſunt, exigunt. Quis præfectus multatus eſt, inquiunt? quis populus caſtigatus? qui plebis inflammatores? quem noſtri terrorem aduerſarijs in poſterum iniecimus? Quin hæc quoque fortaſſe nobis exprobrauerint (iam enim exprobrarunt) quòd nec menſa lauta & opipara, nec magnifica venetem adhibemus. CANONES SANCTORVM centum quinquaginta Patrum, qui Constantinopoli conuenerunt, Flauio Eucherio, & Flauio Euagrio viris clarissimis Cos. vij. idus Iulias.

Eiusdem sancti Concilij ad pijssimum Imperatorem Theodosium magnum nuncupatoria: cui adiunxerunt à se statutos Canones.

Religionis ac pietatis obseruantissimo, Deiq. amantissimo Imperatori Theodosio, sanctum Concilium Episcoporum, qui ex diuersis prouincijs Constantinopoli conuenerunt.

INITIO quidem nostri ad tuam pietatem scripti, gratias agimus Deo, qui tuæ pietatis Imperium constituit ad communem pacem Ecclesiarum, & sanæ Fidei confirmationem: agentes autem Deo debitas gratias, necessario quoque ea quæ acta sunt in sancto Concilio, ad tuam referimus pietatem; nempe quòd ex quo tempore iuxta litteras tuæ pietatis Constantinopoli conuenimus, primum quidem mutuam inter nos concordiam renouauimus: deinde vero breues etiam pronuntiauimus definitiones, quibus & Patrum, qui Nicææ congregati fuerunt, Fidem confirmauimus; &, quæ aduersus eam obortæ sunt, peruersas hæreses ac prauas opiniones extrema cum execratione ac detestatione reprobauimus. Præterea etiam ad recte constituendum & ordinandum statum & disciplinam Ecclesiarum, certos canones statuimus: quæ omnia huic nostro scripto subiecimus. Rogamus igitur tuam clementiam, vt per litteras quoque tuæ pietatis ratum habeatur Concilij decretum: vt sicuti litteris, quibus nos conuocasti, Ecclesiam honore prosecutus es, ita etiam finem eorum quæ decreta sunt, obsignes. Dominus autem Imperium tuum in pace & iustitia stabiliat, & producat in multas ætates & generationes, atque ad terrenum Imperium, cælestis quoque regni gaudium & fructum adijciat. Gratificetur Deus orbi terrarum, vt te, qui re vera pietatis studiosissimus, Deiq. amantissimus Imperator es, valentem, omnibusq. præclaris rebus florentem & excellentem videat: id quod Sancti etiam ab illo precibus ac votis petunt & orant.

Hæc decreuerunt ac statuerunt Episcopi, qui gratia Dei ex diuersis prouincijs Constantinopoli conuenerunt, vocati à Theodosio pijssimo Imperatore.

...ſtrong Reaſons, and Arguments, to ſhew the Neceſſity of Reformation, and to perſwade the People to it. Which Reaſons, and Arguments, are ſo ſtrong, and ſo many, that I cannot but wonder, how it is poſſible, that any Man, that is not wilfully blind, can reſiſt the Force of them. Nay, I cannot but wonder, how it is poſſible, that any Man, that is not wilfully blind, can reſiſt the Force of any one of them. For, if any one of them be ſtrong, and ſufficient to perſwade, it is enough. And, if any one of them be not ſtrong, and ſufficient to perſwade, it is not worth the while to make uſe of it. Therefore, I ſhall not trouble the Reader with many Words, but ſhall only ſet down ſome few of the moſt ſtrong, and moſt ſufficient Reaſons, and Arguments, to perſwade the People to Reformation.

The firſt Reaſon, and Argument, to perſwade the People to Reformation, is, That the Church of England, as it is now Eſtabliſhed by Law, is not Conformable to the Word of God. For, if the Church of England, as it is now Eſtabliſhed by Law, be not Conformable to the Word of God, then it is not to be Approved, but to be Diſapproved, and Reformed. But, the Church of England, as it is now Eſtabliſhed by Law, is not Conformable to the Word of God. Therefore, it is not to be Approved, but to be Diſapproved, and Reformed. The Major Proposition, or firſt Part of this Argument, is ſo plain, that it needs no Proof. The Minor Proposition, or ſecond Part of this Argument, is ſo plain, that it needs no Proof. For, if the Church of England, as it is now Eſtabliſhed by Law, be not Conformable to the Word of God, then it is not to be Approved, but to be Diſapproved, and Reformed. But, the Church of England, as it is now Eſtabliſhed by Law, is not Conformable to the Word of God. Therefore, it is not to be Approved, but to be Diſapproved, and Reformed. The Major Proposition, or firſt Part of this Argument, is ſo plain, that it needs no Proof. The Minor Proposition, or ſecond Part of this Argument, is ſo plain, that it needs no Proof. CAP. I.

Ex Dionysii Exigui versione.

FIDEM non violandam Patrum trecentorum decem & octo, qui apud Nicæam Bithyniæ conuenerunt; sed manere eam firmam & stabilem. Anathematizandam omnem hæresim, & specialiter Eunomianorum, vel Anomianorum, & Arianorum, vel Eudoxianorum, & Macedonianorum, vel Spiritui sancto resistentium; & Sabellianorum, & Marcellianorum, & Photinianorum, & Apollinariorum.

CAP. II.

Qui sunt super diœcesim Episcopi, nequaquã ad ecclesias, quæ sunt extra præfixos sibi terminos, accedant; nec eas hac præsumptione confundant; sed iuxta Canones, Alexandrinus antistes quæ sunt in Aegypto regat solummodo; & Orientis Episcopi Orientem tantum gubernent, seruatis priuilegijs, quæ Nicænis canonibus ecclesiæ Antiochenæ tributa sunt. Asianæ quoque diœceseos Episcopi, ea solum quæ sunt in Asiana diœcesi dispensent: necnon & Ponti Episcopi ea tantum, quæ sunt in Ponto; & Thraciarum, quæ in Thracijs sunt, gubernent.

Non vocati autem Episcopi vltra suam diœcesim non accedant propter ordinationes faciendas, vel propter alias dispensationes Ecclesiasticas. Seruata vero quæ scripta est de gubernationibus regula, manifestum est, quòd illa quę sunt per vnamquamque prouinciam, ipsius prouinciæ Synodus dispenset, sicut Nicæno constat decretum esse Concilio. Ecclesias autem Dei in barbaricis gentibus constitutas, gubernari conuenit iuxta consuetudinẽ, quæ est à Patribus obseruata. *Can. 5.*

Verumtamen Constantinopolitanus Episcopus habeat honoris primatum post Romanum Episcopum, propterea quòd vrbs ipsa sit iunior Roma.

CAP. III.

De Maximo Cynico, & eius inordinata constitutione quæ Constantinopoli facta est, placuit, neque Maximum Episcopum esse, vel fuisse, nec eos, qui ab ipso in quolibet gradu *cleri sunt ordinati; cum omnia quæ ab eodem perpetrata sunt, in irritum deducta esse videantur. *clerici

EXPOSITIO FIDEI CENTVM quinquaginta sanctorum Patrum, qui Constantinopoli congregati sunt.

CREDIMVS in vnum Deum, Patrem omnipotentem, factorem cæli & terræ, visibilium omnium & inuisibilium. Et in vnum Dominum IESVM Christum, Filium Dei, natum ex Patre, ante omnia sæcula, Deum verum de Deo vero; natum, non factum, consubstantialem Patri, per quem omnia facta sunt. Qui propter nos homines, & salutem nostram, descendit de cælis: & incarnatus est de Spiritu sancto ex Maria virgine, & humanatus est: & crucifixus est pro nobis sub Pontio Pilato, & sepultus est: & resurrexit tertia die; ascendit in cælum, sedet ad dexteram Patris, iterum venturus cum gloria iudicare viuos & mortuos; cuius regni non erit finis. Et in Spiritum sanctum, Dominum & viuificantem, ex Patre procedentem, cum Patre & Filio adorandum & conglorificandum: qui loquutus est per sanctos Prophetas. Et vnam sanctam catholicam & Apostolicam Ecclesiam. Confitemur vnum baptisma in remissionem peccatorum. Expectamus resurrectionem mortuorum: & vitam futuri sæculi. Amen.

SANCTVM EPHESINVM CONCILIVM, TERTIVM GENERALE

HISTORIA CONCILII EPHESINI.

SVCCESSERAT *in* [a] *Constantinopolitana sede Nectario sanctus Ioannes Chrysostomus; Chrysostomo Arsacius Nectarij frater; Arsacio Atticus; Attico Sisinnius. Post cuius obitum Theodosius iunior Augustus, Theodosij senioris nepos, & Arcadij filius, aduersis pugnantium ciuium studijs offensus, non ex Constantinopolitana, sed ex Antiochena ecclesia adsciscendum Episcopum putauit, Nestorium* [b] *nomine, Germanicia natum, dicendi quidem facultate praditum, à forensi* [γ] *tamen strepitu alienum: qui plebeij vestitus ruditate, incessus ac supercilij grauitate, oris pallore ac macie cum continentia, pietatis, ac veteris disciplinæ mentiretur imaginem, magno omnium consensu Constantinopolim accersitus, iiij. Idus Aprilis, Felice & Tauro Coss. Episcopus initiatus est. Duxerat secum Antiochia* [δ] *Anastasium presbyterum, fidissimum comitem, quo admodum familiariter vtebatur. Is presbyter* [ε] *cum aliquando verba faceret ad populum, in tantum scelus erupit, vt beatam Mariam* Θεοτόκον, *hoc est, Deiparam vocandam esse impudentissime negauerit, propterea quòd ab homine Deus nasci non posset. Excitauit impia vox magnos populi tumultus ac turbas. Nestorius autem suum presbyterum tantæ seditionis auctorem, diro alioquin anathemate & vltimo dignum supplicio, aduocata concione magnifice collaudauit: vtq. sacrilegia sacrilegijs obfirmaret, sublato Deiparæ nomine, Christum Dominum* [ζ] *in duas distraxit hypostases ac personas; in eoq. asseruit sicut naturas duas, ita & filios duos, & Christos duos; vnum quidem Deum ex patre Deo, hominem alterum ex matre; quam idcirco non Theotocon, sed Christotocon appellabat.*

Sed & Dorotheus [η] *quidam episcopus spe sordidi quæstus religionem prodidit. Nam in ecclesia coram Nestorio sacris operante, cum in editiorem cathedram irrupisset, ex ea repente omnibus qui Deiparæ vocem vsurparent, anathema conclamauit. Facinus* [θ] *comprobat Nestorius, impiumq. impius sacrorum mysteriorum communione dignatur. Attollitur* [ι] *continuo irati populi clamor ac fremitus aduersus Episcopum; obstrepitur docenti; decurritur per vrbem magno tumultu; ab nefarij hominis consortio secessio fit non modo plebis & senatus, sed monachorum quoque, & eorum qui Archimandritæ dicebantur; mœstis demum vocibus* [κ] *inclamatur per vicos, esse quidem in vrbe regulum, episcopum non esse. Quas ob causas ira ac metu furere Nestorius; rapere quos posset ad iudicium tribunalia; clericos* [λ] *recte sentientes ab aris ac focis auellere; vexare fame, vinculis, calcibus* [μ] *Archimandritas. Vulgantur* [ν] *interea per Orientem descriptæ Nestorij conciones, sanie ac veneno defluentes: fremunt aduersus eas orthodoxæ plebes & Antistites, Cyrillus* [ξ] *in primis Alexandrinus episcopus, vir omni sapientia & sanctitatis exemplo clarissimus; quem difficillimo sane tempore Deus & Apostolicæ fidei propugnatorem, & Nestorij antagonistam acerrimum comparauerat. Is primum Aegypti* [ο] *monachos per litteras de Nestorio docuit, eiusq. detestabilem vecordiam, prout par erat, detexit: deinde cum Nestorianum malum magis ac magis inualesceret, pullulantem hæresim doctissime confutauit libris tribus ad Theodosium & ad Reginas, hoc est, Pulcheriam & Eudociam missis: tametsi secus quàm oportuit, eam rem interpretatus Imperator, suadente Nestorio, illum acerbioribus quàm decuit litteris perstrinxerit. Dedit & alijs alias eodem argumento epistolas Cyrillus; quæ piorum hominum studio cùm ad Nestorium perlatæ fuissent, is grauiter offensus, sanctissimi viri existimationem cœpit criminationibus ac probris atrocissimis violare. Illum contra Cyrillus crebrioribus litteris ad saniorem mentem hortari; & quàm longe ab Apostolicis traditionibus recessisset, edocere. Calcitrabat contra stimulum Nestorius, & hortatorem*

Verum nec Conſtantinopolitani Imperij finibus contentus homo nequiſsimus, Romanorum etiam aures auſus eſt pertentare. Miſit itaque per Antiochum virum illuſtrem Caleſtino Romano Epiſcopo impias, quas Conſtantinopoli habuerat, conciones. Cyrillus quoque ſuas ad Neſtorium, & Neſtorij ad ipſum vltro citroq. datas litteras, per Poſsidonium Alexandrinæ eccleſiæ diaconum eidem Caleſtino miſit. Tum per litteras primarijs* [γ] *Orientis Epiſcopis catholicæ Fidei patrocinium aduerſus Neſtorianos furores graniſsimis verbis commendat, Cyrillo* [δ] *in primis, cui ſuas etiam partes vicesq. demandat, vt Apoſtolicæ Sedis nomine ſententiam contra Neſtorium (niſi intra legitimum tempus facti paniteat) eunlget, atque exequatur; peſtilentemq. hominem à fidelium communione depellat: qua de re Conſtantinopolitanum etiam populum Caleſtinus* [ε] *docuerat per epiſtolam. Cyrillus, quò ſuo officio ſatisfaceret, plures epiſtolas de Fidei veritate, & Neſtorij cauſa, vna cum mandatis Caleſtini ad Ioannem* [ζ] *Antiochenũ, Iuuenalem Hieroſolymitanum, & Acacium Beroenſem tranſmiſit: & vt conſultius ageret, Alexandrinam* [η] *Synodum coegit, & quattuor* [θ] *Epiſcopos miſit, qui Neſtorium coram commonefacerent; eiq. inſignem Synodi* [ι] *epiſtolam deferrent, duodecim capita, qui ab anathemate aduerſus hæreticos Anathematiſmi dicti ſunt, complectentem. Sprenit omnia Neſtorius: rogantibus Epiſcopis ne aditum* [κ] *quidem præbuit: anathematiſmos* [λ] *anathematiſmis oppoſuit: monachos, qui conſilijs ipſius obſiſtebant infenſius, adegit in cuſtodiam* [μ] *ac tormenta: ſed & in ceteros, quacunque potuit, ferocia & crudelitate deſæuijt.*

At vero, cum Cyrillus ipſius Neſtorij reſipiſcentiam ſibi in primis ante oculos proponeret, Synodum generalem neceſſariam eſſe putauit: Statimque, vt dictum eſt, præcipuas Orientis eccleſias, earumq. antiſtites litteris perurgere inſtitit, vt communicatis conſilijs cogitarent de Neſtorio vel ad meliorem frugem reuocando, vel, ſi res ita ferat, ab Eccleſiæ membris reſecando iuxta Caleſtini decretum. is enim Pontificis auctoritatem, veluti maximum huius cauſæ pugionem & clypeum, inculcabat omnibus, quibus ſcribebat, Epiſcopis, præſertim Iuuenali Hieroſolymitano, Acacio Beroenſi, & Ioanni Antiocheno, quem prater alios affatur his [ν] *verbis: Porro autem expoſitionibus Neſtorij, eiuſdemq. epiſtolis, & ijs præcipue, in quibus quòd apertam ipſius ſubſcriptionem præferrent, nullus tergiuerſandi locus reliquus erat, palam lectis, ſacra Romana Synodus diſertam ſtatim in illum ſententiam tulit. Quæ de re & ad tuam quoque pietatem perſcripſit. Horum proinde decreto modis omnibus parendum eſt illis, qui à totius Occidentis communione excidere noluerint. Scripſerunt namque expoſitæ ſententiæ exempla cum ad Rufum pijſsimum Theſſalonicæ epiſcopum, tum ad alios quoque nonnullos religioſiſsimos Macedoniæ Epiſcopos, qui ab illius ſententia non temere decedere ſolent. Scripſerunt nihilo ſecius & ad Iuuenalem quoque pijſsimum Hieroſolymorum epiſcopum. Iam tuæ pietatis fuerit, diligenter quid in rem futurum ſit expendere. Nos enim quæ illi iudicauerunt, ſequi omnino conſtituimus. Quapropter cum ea cunctatio eſſet Epiſcopis, qui ducenti & [κ] eo amplius iam conuenerant, moleſtiſſima, quòd alij ſumptuum premerentur inopia, alij grauibus ac periculoſis morbis conflictarentur, alij interpretarentur tantam moram contumelia & contemptu Synodi non carere; magna conſenſione decreuerunt Synodum auſpicari, idq. in ede B. Mariæ, decimo Kalendas [λ] Iulias, Baſſo & Antiocho Coſs. cum iam Epheſum adueniſſent illuſtres Comites [μ] duo, Irenæus & Candidianus, nihil ſane de Fidei cauſis cognituri; ſed Irenæus quidem amicitia tantum ſtudio Neſtorium ſecutus, nulla publica poteſtate; Candidianus autem cum Theodoſij mandatis, vt Synodi tuendæ promouendæq. ſollicitudinem curamq. pro imperio ſuſtineret. Itaque perlectis in Concilio Auguſtalibus litteris, quibus ad Synodum Epiſcopos inuitauerat, antequam diſceptationis initium fieret, Neſtorium, qui ſcelerum conſcientia perterritus in medium prodire auſus non fuerat, accerſendum curarunt, vt in Synodo ſacrilegia, quorum poſtulabatur, audiret, coramq. dilueret. Poſtera die ſecundo [ο] ac tertio mittuntur Epiſcopi, qui illum Synodi nomine conuenirent: totam opperiuntur diem pro foribus, nihil præter conuicia reportant: ſed & à ſatellitibus, qui Neſtorianam domum cinxerant, petulanter accepti pulſatiq. diſcedunt.

[e] Act. 2. in fin. Hanc Neſtorij condemnationem Apoſtolicæ Sedis [e] Legati, qui poſt latam ſententiam aduenere, cum acta Synodi recognouiſſent diligenter, ſuo etiam ſuffragio & chirographo munierunt. At vero Ioannes [ζ] Antiochenus, qui cum Epiſcopis ſuis, poſt damnatum eumdem Neſtorium, ante Legatorum aduentum Epheſum acceſſerat, Candidiani [u] Comitis ſuaſu doloq. deceptus, indigniſſime ſe ferre palam profeſſus eſt, non habita abſentis ratione, ſeq. inconſulto damnatum Neſtorium, & Cyrilli anathematiſmos, de quibus perperam ſentiebat, omnium ſententijs fuiſſe approbatos. Itaque velut vlturus iniuriam, ſeceſſione facta, coniunctisq. cum Neſtorio viribus, quoddam ſeorſim conciliabulum, cui & œcumenicæ Synodi nomen arrogabat, coegit ex [θ] triginta circiter Epiſcopis, ſeu potius perditiſſima atque infima Epiſcoporum fece; quippe quorum alij exterres erant ac vagi; alios grauibus de cauſis ipſorum Metropolitani abdicarant epiſcopatu; alios ob hæreſes ſuis è finibus eiecerant Theſſali; alij demum Pelagij errores ſequebantur. Hac hominum collunie fretus Ioannes, primum Theodoreti Cyrenſis opera duodecim [ι] Cyrilli anathematiſmos ſeu capita confutauit: deinde Cyrillo ac Memnoni Epheſino epiſcopo, viris ætate ac morum integritate graniſſimis, falſo ipſos cum Apollinare ſentire obijciens, indicta cauſa epiſcopatum, honorem ac nomen abſtulit: reliquos autem, qui Synodo interfuerant, iniuſte piorum communione priuauit: ſtatimq. ſcripſis imperatori, Cyrillo ac Memnoni epiſcopalem dignitatem legitimis iudicum ſuffragijs ademptam fuiſſe. Quarum rerum indignitate commoti Patres Epheſinæ Synodi, acceptis ſupplicibus [κ] libellis, quos pro ſe Cyrillus ac Memnon obtulerant, trium Epiſcoporum legatione Ioannem monent, vt in Synodum veniat, rationem eorum quæ in Cyrillum, in Memnonem, & reliquos per ſummam iniuriam conſtituerat, redditurus. Quocirca ſacroſancta Synodus illum [λ] cum ſocijs, qui peſſime Celeſtinum ac Pelagium olebant, anathemate atque epiſcopatus abdicatione multat: Cyrillum, Memnonem, ac reliquos contra fas ac ius omne damnatos eſſe pronuntiat: Celeſtinumq. per litteras de his omnibus certiorem facit; & Ioannis exauctorationem Apoſtolicæ Sedis reſeruat arbitrio. Verum Theodoſius, Ioannis atque Orientalium deceptus litteris, Neſtorium, Cyrillum, & Memnonem legitime damnatos credidit; ac Ioannem Comitem ad Synodum miſit, qui eoſdem in [μ] cuſtodiam tradi iuſſit. Mirum eſt quantum mœroris calamitas Cyrilli & Memnonis attulerit cùm Conſtantinopolitano Clero, tum ſacroſanctæ Synodo: quæ continuo Epiſcopos [ν] octo Legatos Conſtantinopolim miſit, qui rerum geſtarum omnium ordinem coram exponerent Imperatori. Qui difficilem ſane ingreſſi deliberationem, Maximianum [ρ] denique creant Epiſcopum, notiſſimæ pietatis virum: cuius electionem cum Celeſtinus [σ] à Synodo & Theodoſio per Legatos & litteras accepiſſet, ſumma lætitia comprobauit.

VIRGINEA panegyris, frequensq. ac celebris hic conuentus, fratres, festa hac luce linguam ad laudem prouocat; præsensq. solemnitas, præsenti cœtui vtilitatis rationem optimo iure conciliat. continet enim castimoniæ sanctitatisq. materiam, iustamq. feminei generis gloriationem. neque enim vulgaris muliebri sexui per virginem, & matrem in tempore accessit gloria. Desiderabilis sane, planeq. inaudita est hæc virginis & matris copula. Ecce enim & terra & mare Virginem honorant, & obsequij causa tamquam satellites stipantur; hoc quidem mitia nauigantibus dorsa substernens, illa vero viatorum vestigia inoffense dirigens. Exultet natura; honorantur feminæ: choros humana ducat natura, & carmina cantet; glorificantur virgines. Vbi enim abundauit delictum, superabundauit & gratia. Sacra Deipara Maria in vnum nos coëgit. Hæc illibatæ virginitatis purus ille thesaurus, decusq. & ornamentum: hæc spiritalis secundi Adami paradisus: hæc vnitarum inter se naturarum officina: hæc salutaris reconciliationis panegyris: hæc thalamus, in quo Verbum humanam carnem sibi desponsauit: hæc animatus naturæ rubus, quem diuini partus ignis non combussit: hæc vere leuis illa nubes, quæ super Cherubim sedentem in corpore suo gestauit: hæc vellus mundissimum cælesti pluuia madens, ex quo pastor ouem induit: hæc ancilla est & mater, virgo, & cælum: hæc sola pons est, per quem Deus ad homines descendit: hæc admirandæ illius œconomiæ tela, in qua ineffabili quodam modo admirabilis illius vnionis tunica confecta est. cuius quidem textor extitit Spiritus sanctus; nenetrix, virtus ex alto obumbrans; lana, vetusta Adami pellis; trama, impolluta Virginis caro; radius textorius, immensa gestantis gratia; artifex, Verbum per auditum illapsum. quis audiuit talia? Incircumſcriptus Deus vterũ inhabitat; quem cæli non capiunt, venter complexus eſt Virginis.

2 Attamen qui ex Virgine naſcitur, nec ſolus Deus eſt, nec purus rurſum homo: idemq. natus, mulierem, quæ peccati quondam ianua extiterat, ſalutis oſtium reddidit. Nam vbi ſerpens per inobedientiam virus ſuum infuderat, ibi Verbum per obedientiam ingreſſum, viuum ſibi templum exædificauit: vnde peccator Cain primus emerſit, inde generis noſtri aſſertor Chriſtus ſine ſemine prodijt. Clemens Deus ex muliere naſci non erubuit. quod enim agebatur, vitabatur. Nullam inde ille contrahit labem, quòd intra viſcera, quæ citra omnem dedecoris notam condiderat, inhabitat. Quòd ſi ea quæ genuit, virgo non permanſit; neque is qui natus eſt, aliud quàm purus homo extitit. atque ita partus ille nihil admiratione dignum habebit. Quòd ſi illa etiam poſt partum virginitatem illæſam retinuit, is citra omnem controuerſiam arcano modo ex ea ortus eſt, quem, cum per clauſas ianuas ingreſſus eſſet, Apoſtolus Thomas in gemina natura ſubſiſtentem agnouit, agnitumq. non abſque ingenti ſtupore huiuſcemodi voce compellauit: Dominus meus, & Deus meus.

3 Ne igitur, ò homo, partum hunc erubeſcendũ cenſeas. Hic enim ſolus ſalutis antidotum nobis attulit. Nam ſi ex muliere natus non eſſet, mortem vtique non oppetiuiſſet. Quòd ſi mortuus non eſſet, neque illum quoque per mortem deſtruxiſſet, qui mortis habebat imperium, hoc eſt, diabolum. Porro autem, vt architecto nullam maculam aſpergit, ſi domum, quam forte extruxerat, incoluerit: neque lutum figulum inficit, dum vaſculum quod finxerat, ex eo refingit: ita ex vtero virgineo prodijſſe, puriſſimum illud numen nihil quidquam polluit. Quam enim citra vllam ſui labem formauerat, ex hac quoque, nulla macula contracta proceſſit. O venter, in quo communis libertatis ſyngrapha confecta eſt: ò vtere, in quo arma aduerſus mortem fabrefacta ſunt: ò aruũ, ex quo naturæ colonus ſine ſemine exortus eſt: ò templum, in quo Deus naturam non demutans, ſed eum, qui eſt ſacerdos ſecũdum ordinem Melchiſedec, induens, noſtri miſericordia Verbum caro factum eſt, etſi Iudæi Domino id aſſeueranti non credant: Deus hominis formam induit, tametſi Gentes miraculum hoc ſubſannent. Tullia.

Lucius Tarquinius Superbus, qui regnum per scelus invaserat, ut omnia scelerum genera exsequeretur, Tullia, quæ Tarquinii Superbi uxor fuerat, ut ipsa quoque nihil non ausa relinqueret, Tullia, inquam, ubi primum virum regnare, non regem esse, vidit, ad scelus animum adjecit. Nec diu cum viro, quem ad facinus impulerat, gaudio regni fruitur. Nocturno enim tempore, cum ad curiam, ubi Servius Tullius jus dicebat, venisset, et in vestibulo curiæ patris sui cadaver jacere vidisset, ipsa quoque, ut ferunt, patris sanguine aspersa, furiis agitata, ad virum domum revertitur. Ibi, cum primum ei occurrisset, non ante ullum verbum fecit, quam ut eum nomine patris regem appellaret. Quo audito, cum ille, ut ferunt, gaudio exsultaret, ut ipsa quoque regina appellaretur, petiit. Quo audito, cum ille, ut ferunt, gaudio exsultaret, ut ipsa quoque regina appellaretur, petiit. Quo audito, cum ille, ut ferunt, gaudio exsultaret, ut ipsa quoque regina appellaretur, petiit.

ũmquam ſimile, nihil æquale in alio quopiam comperias. Conſidera immenſam illius benignitatem. vltro ad mortem condemnatus, mortem, quæ crucifixoribus debebatur, deſtruxit; occiſorumq. iniquitatem, in ſceleratorum ſalutem conuertit.

7 Poſſe itaque ſaluare, virium puri hominis non erat: nam ipſe quoque ſaluatore egebat, iuxta illud Pauli: Omnes, inquit, peccauerunt, & egent gloria Dei. Quia vero peccatum peccatorem diabolo obſtringebat, obſtrictumq. diabolus in mortem præcipitem agebat, res humanæ in ſummum diſcrimen adductæ cernebantur, nec vlla liberationis ſpes ſeſe offerebat. Quare Prophetæ, qui animarum medici deſtinati fuerant, concionabantur quidem, & incuſabant; verum vbi inflictũ vulnus humana induſtria maius eſſe animaduertebant, cæleſtis medici opem implorabant; & hic quidem aiebat: Inclina cælos, & deſcende: alius, Sana me Domine, & ſanabor. alius, Excita potentiam tuam, & veni ad ſaluandum nos. alius, Numquid vere Deus habitabit inter homines? alius, Cito anticipent nos miſericordiæ tuæ, quia pauperes facti ſumus nimis. alius, Heu me, perijt pius à terra, & non eſt inter homines qui æquitati ſtudeat. alius, Deus in adiutorium meum intẽde, Domine ad adiuuandum me feſtina. alius, Adhuc puſillum, & qui venturus eſt veniet, & non tardabit. alius, Erraui ſicut ouis quæ perijt; quære ſeruum tuum Domine ſperantem in te. alius, Deus manifeſte veniet, Deus noſter, & non ſilebit. Ille igitur, qui ſuapte natura rex eſt, humanam naturam tyrannide oppreſſam non deſpexit, neque permiſit miſericors Deus, vt perpetuo obligata diabolo teneretur: ſed venit ille, qui ſemper præſens adeſt; propriumq. ſanguinem noſtri cauſa in redemptionis pretium profundens, & carnem quam è Virgine ſuſceperat, in commutationem morti dedens, mundum à Legis maledicto redemit, morteq. mortem deſtruxit. Atque huc illud Pauli tendit: Chriſtus, ait, nos redemit de maledicto Legis.

8 Qui itaque nos redemit, ò Iudæe, non purus eſt homo; humana enim natura peccati ſeruituti oppreſſa tenebatur: ſed neque tantum quoque Deus erat humana natura deſtitutus; corpus enim habebat, ò Manichæe. niſi enim me induiſſet, me non ſaluaſſet. verum qui ex Virgine prodijt, ille me condemnationi obnoxium aſſumpſit. li doctrinam, de poteſtate tenebrarum nos eripuit: Eramus enim aliquando tenebræ, ſicut ſcriptum eſt. Ecquis ergo ille, qui apparuit nobis? Dauid ad hoc tibi reſponder. Scribit autem: Benedictus qui venit in nomine Domini. At clarius dic Dauid, quis nam ſit ille; exclama quantum viribus potes, nec ceſſes: exalta quaſi tuba vocem tuam, & edicito, quis nam ille ſit: Dominus Deus (inquit) virtutum, Deus Dominus, & illuxit nobis. Verbum enim caro factum eſt, duæq. in vnum ſimul coierunt naturæ: at id citra vllam omnino confuſionem.

Venit quidem ad ſaluãdum, ſed & pati quoque illum oportuit. At quomodo vtraque hæc fieri potuerunt? Homo purus ſaluare non poterat, Deus ſolus pati nequibat. Quid igitur? ipſe Emmanuel Deus factus eſt homo; & id quidem quod erat, ſaluauit; quod vero factum eſt, paſſiones ſubijt. Vnde cum Eccleſia Synagogam cerneret ſpinis illum coronantem, lugens tantum facinus aiebat: Filiæ Hieruſalem exite, & videte coronã, qua coronauit eum mater ſua. Ipſe etenim ſpineam coronam portauit, & ſpinarum ſententiam euertit. Idem erat in ſinu Patris, & in vtero Virginis. Idem detinebatur inter matris brachia, & ferebatur ſuper ventorum pennas. Idem ab Angelis adorabatur, & cum publicanis menſæ accumbebat. Vix Cherubim aſpicere audebant, & Pilatus interrogabat. Seruus colaphis cædebat, & ipſa creatura horrebat. Crucifigebatur, & thronus gloriæ non deſerebatur. In ſepulchro concludebatur, & cælum vti pellem extendebat. Inter mortuos reputabatur, & infernum deſpoliabat. Hic vt deceptor calumnijs afficiebatur, ibi vt ſanctus glorificabatur. O myſterij magnitudinem! miracula video, & diuinitatem prædico: cerno paſſiones, & humanitatem non nego. Naturæ portas reſerauit Emmanuel vt homo; ſed virginitatis clauſtra non violauit neque perrupit, vt Deus. Ita enim ex vtero eſt egreſſus, ſicut per aurem ingreſſus: ita natus, ſicut conceptus: qui impatibiliter fuerat illapſus, incorruptibiliter eſt elapſus. Hinc propheta Ezechiel aiebat: Conuertit me Dominus ad viam portæ Sanctuarij exterioris, quæ reſpiciebat ad Orientem, & erat clauſa. Et dixit Dominus ad me: Fili hominis, porta hæc clauſa erit, non aperietur, & vir non tranſiet per eam: ſed Dominus Deus Iſrael ſolus ipſe ingredietur & egredietur, & erit porta clauſa. En euidens demonſtratio ſacræ Deiparæ virginis Mariæ. Dirimatur proinde omnis contradictio, Scripturarumq. illuminemur ſcientia, quò regnum cælorum conſequamur in ſæcula ſæculorum, Amen.

EPISTOLA CYRILLI EPISCOPI ALEXANDRINI ad Monachos Aegypti.

CYRILLVS PRESBYTERIS, DIAconis, Patribus, Monachis, ceterisq. solitariam vitam vobiscum excolentibus, & in fide Dei constanter perseuerantibus, dilectis & desideratissimis in Domino Sal.

CAP. II. EX ijs qui vna vobiscum ætatem degunt, quidam de more Alexandriam venere. Cum autem rogarem, ac studiose admodum percontarer, ecquid honestis patrũ vestigijs insistentes, recta inculpataq. fide excellere eniteremini, spectataeq. vitæ studijs gnauiter incumberetis, necnon monasticæ exercitationis labores in præcipuis voluptatibus haberetis, eas demũ veras rati delicias, si quid officij causa forti animo tolerandum offerretur; responderunt illi, ita vos comparatos esse; addideruntq. cum præclaris maiorũ virtutibus impigre vos decertare. Itaque non potui non gaudere, & apud animum meum lætitia exultare; vt qui filiorum meorum gloriam, meã esse existimarem; idq. optimo iure. Absurdum enim foret, pædotribas adolescentum, quos in palæstra exercendos susceperunt, alacritate & robore voluptatem capere; ac si quid forte commendatione dignum, artis industria præstiterint, hoc ipsum veluti coronam quãdam capitibus suis adiungere, atque adeo quæ illis propter fortitudinem laus tribuitur, eam suum decus arbitrari; nos autem patres spiritales, qui doctrinis quę ad animi cultus viresq. comparandas haud parum faciunt, vos imbuimus (quò nimirum carnis tumultibus sedatis, vitatisq. peccatis, quantumcumque laboret satanas vt suis vos molitionibus prosternat, glorioſum triumphum reportetis) non magis quàm illos pia quadam mentis iucunditate perfundi.

3 Igitur, vt Christi Saluatoris nostri discipulus monet, curam omnem subinferentes ministrate in fide vestra virtutem, in virtute autem scientiam, in scientia autem abstinentiam, in abstinentia autem patientiam, in patientia autem pietatem, in pietate autem amorem fraternitatis, in amore autem fraternitatis charitatem. hæc autem vobis cùm adsint, & superent; non vacuos, neque sine fructu constituent vos in Domini nostri IESV Christi cognitione. Ceterum qui internam spiritalemq. in Christo vitam laude æmulationeq. dignam serio inire volunt, illos fide in primis sincera atque integra ornatos esse decet: Fidei porro integritati, virtutis quoque studium adiungant oportet. Hoc autem iacto fundamento, mysteriorum Christi cognitione se locupletent, & ad absolutam eorumdem intelligentiam contendant, necessum est. Quam vitæ rationem tenere, est, vt puto, in virum perfectum occurrere, & ad mensuram ætatis plenitudinis Christi peruenire. Sobrietate proinde, & castimonia, qua solitariam vitam agentes excultos esse conuenit,

Qua de re diuinus propheta Eſaias ita ſcribit: Oculi tui videbunt Hieruſalem habitationem opulentam; tabernacula quæ non concutientur. Eſa.33.d. 20.

Verumenimuero, etſi vitā veſtram planè conſpicuam & admiratione dignam eſſe certo ſciam, fidemq. modis omnibus integram & incorruptā vobis ſuppetere non ignorem; conturbor tamen non parum vehementer. Audio enim exitiales quoſdam rumores inter vos proſeminatos; nonnullos quoque oberrare, qui ſinceram veſtram fidem demoliri ſtudeant, & inanium vocularum bullas apud rude vulgus eructātes, vtrum Deiparam appellare liceat ſacrā Virginem, in controuerſum vocare audeant. Præſtaret ſane eiuſmodi quæſtionibus omnino abſtinere, & in ea quæ abſtruſioris conſiderationis ſunt, nec aliter fere, niſi veluti in ſpeculo & ænigmate, etiam ab ijs qui ingenij celeritate, mentisq. ſubtilitate pollent, perſpici poſſunt, nequaquam inquirere: nam ſimpliciorum captum ſubtiliora theoremata excedunt: at quia horum ſermonum expertes non permanſiſtis, fitq. probabile, contentioſos quoſdam non defuturos, qui venenū, quod ſemel hauſerunt, veluti ſpicula quædam in imbecilliorum animos defigere conabuntur, operæ me pretium facturum putaui, ſi pauca quædam ijs de rebus ad vos diſſererem; non eo id quidem conſilio, vt vos ad lites, verborumq. digladiationes inflammem; verum vt ſi qui de cetero vos adorti fuerint, illorum futilitati veritatem opponentes, & ipſi erroris perniciem effugiatis, & alios opportunis rationibus perinde vt fratres inducatis, quò fidem iam olim Eccleſijs per ſanctos Apoſtolos traditam, non ſecus ac margaritam animis ſuis inſertam, conſtanter retineant.

Miror itaque maiorem in modum eſſe aliquos omnino, qui vtrum ſacra Virgo Deipara appellanda ſit, plane addubitent. Etenim ſi Dominus noſter IESVS Chriſtus Deus eſt, quo tandem modo ſacra Virgo, quæ illum edidit, Deipara non dicatur? Hanc fidem diuini diſcipuli nobis tradiderunt, quamuis iſtius dictionis non meminerint. Ad hunc modum à ſanctis Patribus inſtituti ſumus. Enimuero percelebris memoriæ pater noſter Athanaſius, qui totos quadraginta ſex annos Alexandrinæ eccleſiæ pontificatum egregiā cum laude geſſit, loquacibusq. impurorum nefariorumq. hæreticorum commentis inuicta, planeq. tate conscripsit, oratione tertia, sacram Virginem passim Deiparam nominat. Cogor autem ipsis illius verbis hoc loco vti, quæ hunc in modum habent: Itaque diuinæ scripturæ scopus ac character, vt sæpe monuimus, eiusmodi est, vt vtrumque de Christo Saluatore nostro pronuntiet; puta Deum illum esse, & numquam non hoc ipsum extitisse: vt qui Patris sit Verbum, eiusdemq. splendor, & sapientia; tum eumdem rursum nouissimis hisce tẽporibus corpore ex Deipara virgine Maria sumpto, nostri causa hominem factum esse. Et nonnullis interiectis iterum: Multi extitere sancti, & ab omni peccato immunes. nam & Hieremias de materno vtero sanctificatus est: & Ioannes in lucem nondum editus, voce Deiparæ Mariæ percepta, lætabundus exilijt.] Sane idoneus est hic vir, apprimeq. dignus, cui intrepide fidem adiungere, quemq. tuto sequi liceat, vt qui nihil protulisset, quod à diuinis litteris alienum esset. Quo enim pacto illustris ille celebratusq. Pater, qui in sacra illa magnaq. Synodo Nicæna in tanta omnium admiratione habitus est, à veritatis tramite aberraret? Nam etsi per id tempus Episcopi munus nondũ sustineret, sed inter inferioris ordinis clericos etiam num degeret; attamen propter præclaram indolem, insignemq. vitæ probitatem, & subtilem ac incomparabilem mentis perspicaciam, à beatæ memoriæ episcopo Alexandro ad episcopalis prouinciæ consortium adscitus fuit. Versabatur autem cum sene tamquam filius cum patre, ad quiduis vtiliter conficiendum sese ducem præbens; necnon in omnibus quæ obeunda forent, commodum iter ostendens.

5 Verum quia verisimile est, non defuturos hic quosdam, qui ex sacra quoque diuinaq. Scriptura ea quæ hoc loco asserta sunt, corroboranda esse existimabunt: dicturos præterea, sanctam illam magnamq. Synodum neque Domini matrem Deiparam vsquam appellasse, neque quidquam omnino super ea re decreuisse: age quonam pacto arcanum illud œconomiæ Christi mysterium per diuinas quoque litteras prædicatum sit, pro virili parte planum faciamus: tum quid ipsi quoque Patres, qui Spiritu sancto, ne à vero discederent, afflati (Non enim ipsi loquebantur, sed, Christo Saluatore nostro testante, Spiritus Dei & Patris erat qui in ipsis loquebatur) sinceræ inculpataq. fidei canonem ediderunt, ea de re pronũciauerint, exponamus. Istud autem percommode fiet, si illum ipsum, qui ex sacra Virgine progenitus est, natura Deum esse, paucis demonstretur. Hoc namque commonstrato, neminem prorsus tam stupidum fore existimo, qui Virginem matrem iure optimo Deiparam habendam & appellandam esse non sit perspecturus. Igitur Fidei nostræ Symbolum hunc in modum habet.

descendisse, assumptaq. carne hominem factum, & passum esse, necnon ex mortuis ad vitam redijsse, ac iudicem olim venturum esse commemorat. Nec his contenta, illud ipsum quoque Verbum, quod & ex Deo prodijt, & vnum affirmat, & Dominum nostrum IESVM Christum nominat. Hic tu mihi nunc obserua, quomodo Patres illi vnum illum, quem IESVM Christum Dominum nostrum appellant, & vnigenitum, & Deum de Deo, & lumen de lumine; genitum rursum, non factum, ac Patri consubstantialem asserant.

10 Sed argutabitur forte hic quispiam, ac dicet: Nomen hoc, Christus, non in ipsum solum Emmanuelem conuenit, sed alijs quoque interdum tributum comperitur. Deus namq. de electis, & per Spiritum sanctificatis alicubi ita cauet: Nolite tangere christos meos, & in prophetas meos nolite malignari. Quin & diuinus quoque Dauid à Deo per Samuelem in regem inunctus, Saulum christum Domini vocat. Verum ad quid ego hæc recenseo? cum nullo fere negotio, oculos nõ omnino otiosos habentibus ostendi queat, omnes omnino, qui fide in Christum iustificati, & per Spiritum sanctum sanctificati sunt, passim eiusmodi appellatione cohonestatos? Etenim Habacuc mysterium Christi, & salutem quæ per ipsum futura erat, prænuntians, in hæc verba prorumpit: Egressus es in salutem populi tui, ad saluandum christos tuos. Nomen itaque hoc, Christus, neque soli Emmanueli, neque proprie quoque Emmanueli conuenit, sed ceteris omnibus, qui Spiritus sancti gratia vncti sunt. Deriuata namque est vox hæc ab ipsa re. ab eo siquidem, quòd inuncti sumus, christi appellamur. Quòd autem nos quoque hoc tam illustri, tamq. amplectendæ gratiæ dono vere locupletemur; id sapiens ille Ioannes eiusmodi oratione confirmat: Et vos, inquit, vnctionem habetis à Sancto. & infra: Neque opus habetis, vt quis vos doceat. ipsa vnctio docet vos. De ipso porro Emmanuele ita scriptum extat: IESVM à Nazareth, quomodo vnxit eum Deus Spiritu sancto & virtute. Sed & diuinus quoque vates Dauid eumdem alicubi ita affatur: Dilexisti iustitiam, & odisti iniquitatem; propterea vnxit te Deus, Deus tuus oleo lætitiæ præ consortibus tuis. Ecquid ergo eximium præ ceteris mulieribus in sacra Virgine elucet, esto ea Emmanuelem in lucem edidisse perhibeatur? Profecto nihil faceret absurdi, qui promiscue quorumlibet vnctorum matres Christiparas appellare in animum induceret.

11 Nihil ne ergo inter Christum Emmanuelem, & ceteros christos interest? Immo vero ingenti interuallo, & discrimine pæne immenso nos à Christi gloria & excellentia seiungimur. Etenim nos famuli sumus; ille vero etsi secreta quadam dispensatione nobiscum in humanis versatus sit, secũdum naturam tamen Deus & Dominus erat. Quare beatus Paulus & Christum & Deum illum appellat. ait enim: Hoc enim scitote intelligentes, quòd omnis fornicator, aut immundus, aut auarus, qui est idololatra, non habet hereditatem in regno Christi & Dei. Ceteri itaque omnes propter vnctionis beneficium & sint & appellentur christi,

christi, & iure isthuc appellentur: solus autem Emmanuel ita est Christus, vt verus quoque sit Deus. Quapropter licet grauis erroris accusari non posset, qui aliorum matres Christiparas appellare vellet; Deiparas tamen sine magno errore appellare illas neutiquam potest. sola namq. inter ceteras omnes sacra Virgo Christipara simul ac Deipara appellatur, & esse dignoscitur: quandoquidem vna hæc non merum hominem, vt ceteræ solent, sed Dei Patris Verbum incarnatum & hominem factum peperit. Rursum licet nos propter Dei gratiam, dij interdum nominemur; non ita tamen id sumus, aut dicimur, vt Filius. hic enim, quamquam corpus induit, natura & re ipsa Deus est.

Sed percunctabere hic forsan: Numquid, dic 12
age, diuinitatis mater Virgo extitit? Iam antedictum est, viuum illud & subsistens Dei Verbum vere citra vllam controuersiam ex ipsa Dei & Patris essentia genitum esse; substantiamq. temporis initio carentem sortitum, ad eum modum generanti cohærere, vt in ipso & cum ipso numquã non sit, esseq. intelligatur. Expositum est æque, illud idem Verbum nouissimis æui huius temporibus incarnatum, hoc est, corpori anima intelligenti informato coniunctum, secundum carnem ex muliere natum esse. Habet autem hoc incarnati Verbi mysterium non modicam cum humano partu cognationem: quandoquidem terrenorum hominum matres naturæ ad generandum subseruientes, in vtero quidem carnem gestant, quæ sensim per temporum interualla concrescẽs, arcanisq. quibusdam Conditoris operationibus incrementa paulatim sumens, ad perfectionem adducta, formam tandem attingit humanam: Deus vero corpusculo iam perfecto & animato, eo modo quem ipse nouit, Spiritum infundit: Formatenim ille spiritum hominis in illo, vt Propheta ait. Iam alia carnis, alia rursum animæ est ratio. Atqui licet illæ terrestrium dumtaxat corporum matres fiant; non alteram tamen hominis partem, sed totum hominem, qui ex anima & corpore conflatur, parere dicuntur. nemo enim (vt exemplo res illustretur) Elizabeth carnem tantummodo, non etiam animam peperisse dixerit: si quidem non solam carnem genuit illa, sed Baptistam ex anima & corpore constantem. Quemadmodum ergo vnus homo ex anima & corpore constituitur; ita & in Emmanuelis quoque ortu accidisse cogitemus. nam ex Dei Patris substantia natum est, vt dixi, vnigenitum illius Verbum: hoc autem posteaquã carne, quam propriam sibi fecit, assumpta, nostroq. more in lucem exortum, & filius hominis factum est, citra omnem absurditatem, immo vero necessaria conuenientiq. ratione secundum carnem ex muliere natum creditur & prædicatur. Quemadmodum & ipsa quoque hominis anima, licet naturaliter à corpore quod informat, diuersa sit, & propria quadam ratione subsistat; vnà tamen cũ suo corpore oritur, & velut vnum quidpiam cum ipso censetur. Quod si quispiam matrem alicuius non animi parum appellandam esse contenderit, sed ille se declarabit. Nam etsi id quod mulier parturit, tantum carniparam; næ ineptum plane blateronem

Luc. 1.

Psalme 103. Benedic anima mea.

Bleſſe the Lord O my ſoule, and all that is within me bleſſe his holy name.

Bleſſe the Lord O my ſoule, and forget not all his benefits.

Who forgiueth all thine iniquities, who healeth all thy diſeaſes.

Who redeemeth thy life from deſtruction, who crowneth thee with mercy and compaſſion.

Who ſatisfieth thy deſire with good things, ſo that thy youth is renewed like the Eagles.

The Lord executeth righteouſneſſe and iudgement for all that are oppreſſed.

He made his waies known vnto Moſes, his workes vnto the children of Iſrael.

The Lord is full of compaſſion and mercy, ſlow to anger, and of great kindneſſe.

He will not alwaies chide, neither will he keepe his anger for euer.

He hath not dealt with vs after our ſinnes, nor rewarded vs according to our iniquities.

For as the heauen is high aboue the earth, ſo great is his mercy toward them that feare him.

As far as the Eaſt is from the Weſt, ſo far hath he remoued our ſinnes from vs.

Like as a father pitieth his children, ſo the Lord pitieth them that feare him.

For he knoweth our frame, he remembreth that we are but duſt.

As for man, his dayes are as graſſe, as a flower of the field ſo he flouriſheth.

For the wind paſſeth ouer it, and it is gone, and the place thereof ſhall know it no more.

But the mercy of the Lord is from euerlaſting to euerlaſting vpon them that feare him, and his righteouſneſſe vnto children of children.

To ſuch as keepe his couenant, and to thoſe that remember his commandements to do them.

The Lord hath prepared his throne in the heauens, and his kingdome ruleth ouer all.

Bleſſe the Lord ye his Angels that excell in ſtrength, that do his commandements, hearkening vnto the voice of his word.

Bleſſe ye the Lord all his hoſts, ye miniſters of his that do his pleaſure.

Bleſſe the Lord all his workes in all places of his dominion, bleſſe the Lord O my ſoule.

Pſalme 104. Benedic anima mea.

Bleſſe the Lord O my ſoule. O Lord my God thou art very great, thou art clothed with glory and maieſty.

Who couereſt thy ſelfe with light as with a garment, and ſtretcheſt out the heauens like a curtaine.

Who layeth the beames of his chambers in the waters, who maketh the clouds his chariot, who walketh vpon the wings of the wind.

Who maketh his Angels ſpirits, his miniſters a flame of fire.

Who laid the foundations of the earth, that it ſhould not remoue for euer.

Thou couereſt it with the deepe as with a garment, the waters ſtand in the hills.

At thy rebuke they flee, at the voice of thy thunder they haſten away.

They go vp by the mountaines, they go downe by the valleys vnto the place which thou haſt appointed for them.

Thou haſt ſet them their bounds which they ſhall not paſſe, that they turne not againe to couer the earth.

He ſendeth the ſprings into the valleys, which runne among the hills.

They giue drinke to euery beaſt of the field, the wilde Aſſes quench their thirſt.

By them ſhall the fowles of the heauen haue their habitation, which ſing among the branches.

He watereth the hills from his chambers, the earth is ſatisfied with the fruit of thy workes.

He cauſeth graſſe to grow for the cattell, and herbe for the ſeruice of man, that he may bring forth food out of the earth.

And wine that maketh glad the heart of man, and oyle to make his face to ſhine, and bread which ſtrengthneth mans heart.

The trees of the Lord are full of ſap, the Cedars of Libanus which he hath planted.

Where the birds make their neſts, and the Storke hath her dwelling in the firre trees.

The high hills are a refuge for the wilde goates, and the rocke for the Conies.

He appointed the Moone for certaine ſeaſons, the Sunne knoweth his going downe.

Thou makeſt darkneſſe that it may be night, wherein all the beaſts of the forreſt do creepe forth.

The young Lions roare after their pray, and ſeeke their meate from God.

The Sunne ariſeth, they get them away together, and lay them downe in their dennes.

Man goeth forth vnto his worke, and to his labour vntill the euening.

O Lord how manifold are thy workes, in wiſedome haſt thou made them all, the earth is full of thy riches.

So is the great and wide ſea alſo, wherein are things creeping innumerable, both ſmall and great beaſts.

There goe the ſhips, there is that Leuiathan whom thou haſt made to play therein.

All theſe wait vpon thee, that thou mayeſt giue them their meate in due ſeaſon.

That thou giuing them they may gather, that thou opening thine hand they may be filled with good.

But if thou hide thy face they are troubled, if thou take away their breath they die, and returne to their duſt.

If thou ſend forth thy ſpirit they are created, and thou reneweſt the face of the earth.

The glory of the Lord ſhall endure for euer, the Lord ſhall reioyce in his workes.

He looketh on the earth and it trembleth, he toucheth the hills and they ſmoke.

I will ſing vnto the Lord as long as I liue, I will ſing praiſe vnto my God while I haue my being.

My meditation of him ſhall be ſweet, I will reioyce in the Lord.

Let the ſinners be conſumed out of the earth, and let the wicked be no more, bleſſe the Lord O my ſoule.

αὐτὸν κεκενῶσθαι δώσομεν, καὶ τὴν ὁμοίαν αὐτοῖς κένωσιν τῷ υἱῷ, καὶ τὸν τοῦ δούλου μορφὴν ἀναλαβεῖν, ὅτι πᾶς τῶν ἁγιαζομένων αὐτὸν ψυχὰς ἁγίους ποιῆσαι μονὸς ἰδίους; τί δὲ τὸ ἅγιον πνεῦμα τὸ κατοικοῦν ἐν ἡμῖν; ἆρα καὶ αὐτὸ τῆς ἐνανθρωπήσεως ἀπαλλάξομεν τὴν οἰκονομίαν, διὰ μόνου τοῦ υἱοῦ παρέχθαι φαμὲν τῆς πίστεως ἕνεκα ζωοποιίας καὶ ζωῆς; ἄπαγε τῆς οὕτω σκέτλης καὶ αἰσχρᾶς παιπαλοὺς ἀναισβουλίας. ergo & illum ipſum quoque, propterea quòd pias amicorum ſuorum animas ſedes ſibi conſtituat, exinanitum, ſimiliterq. cum Filio deiectum, ac ſeruili forma indutum concedemus? De Spiritu ſancto autẽ, qui in nobis inhabitat, quid ſtatuemus? 2. Tim. 1. Numquid & ipſum quoque incarnationis 6. œconomiam, quam per ſolum Filium ſalutis vitæq. omnium cauſa factam agnoſcimus, expleuiſſe dicemus? Apage cum iſtis adeo inanibus, ſtolidis & anilibus deliramentis.

Verbum igitur Dei, quod in forma & æqualitate Dei & Patris erat, ſemetipſum humiliauit, quãdo, vt Ioannes loquitur, caro factum ex muliere natum eſt; æternamq. ex Patre originem obtinens, noſtram quoque propter nos generationem experiri non recuſauit. Quòd ſi ſecus res habet, doceant nos ipſi, ecquo nã modo Dei Patris Verbum rite à nobis Chriſtus appelletur, & Chriſtus eſſe intelligatur. Nam ſi Chriſtum ab vnctione nominatum volunt; quem, quæſo, Pater oleo lætitiæ, hoc eſt Spiritu ſancto, inunxit? Si enim Dei Verbum, quod Deus eſt, & ſolum & proprie ex Patre natum eſt, inunctum dicant, atque huc vere quidquid de vnctione dicitur, pertinere contendant; nimirum inſcitia ſua, inſigni iniuria Vnigeniti naturam afficiunt, & ipſum nihilominus diuinæ diſpenſationis myſterium plane euertunt. Si enim Verbum, quod Deus eſt, Spiritu ſancto inunctum eſt; ergo ſuperioribus temporibus, quibus inunctionis huius beneficio, quod poſtea illi obtigit, adhuc deſtituebatur, ſanctificationis omnino indigebat; quod inficiari non poſſunt. Atqui omne quod ſanctificatione, cuius alioqui capax eſt, deſtituitur, illud ſuapte natura mutabile eſt; atque idcirco aut peccati, aut certe peccandi facultatis haudquaquam expers eſt. Si ergo Verbum ſecundum ſe inunctum eſt, ergo demutatum eſt; quia ad meliora progreſſum eſt. Quomodo ergo idem eſſe, & numquam mutari prædicatur? Porro autem ſi Deus Verbum, quod in forma & æqualitate Patris ſubſiſtens eſt, ſecundum ſe inunctum & ſanctificatum eſt; non deerunt fortaſſis qui in friuolas ineptasq. cogitationes præcipites ex hac re acti, ipſum quoque Patrem vnctione & ſanctificatione egere; & quod hinc conſequens eſt, Filium Patre maiorem eſſe nugabuntur. ſiquidem hic ante vnctionem Patri æqualis erat; nunc autem Spiritu ſancto inunctus eſt: Pater vero in quibus conſtitutus erat bonis manet, manebitq. ſemper. nec enim ille, vt Filius, inunctus aut ſanctificatus eſt; neque ad illius ſimilitudinẽ inungetur, aut ſanctificabitur vmquam. Immo vero hac admiſſa opinatione, Spiritus ſanctus qui inungit & ſanctificat, vtroque maior deprehenderetur. nam extra vllam controuerſiam ac dubitationẽ, quod minus eſt, ſemper à meliore benedicitur. Verum Hebr. 7. 8. iſthæc meræ ſunt nugæ, meraq. inſanorum homi- 7. nũ deliria, verborumq. portenta. Etenim conſubſtantialis Trias ſuapte natura ſancta eſt. Sanctus eſt Pater; ſanctus pari modo per eſſentiã eſt Filius, ſanctus eodem denique modo Spiritus ſanctus. Ad propriã proinde naturam quod attinet, Dei Patris Verbũ ſeorſum per ſe non eſt ſanctificatũ.

Quòd ſi quis eum, quem ſacra Virgo peperit, 16

solum,hoc est,in propria subsistentem hypostasi, vnctum & sanctificatum arbitretur, atque ob id Christum appellatum contendat; eiusmodi in medium prodeat, nobisq. exponat, sola ne illa vnctio sat sit, vt vnctus cum Deo,qui est super omnia,æqualis gloriæ,parisq. potentiæ & maiestatis esse censeatur? Quòd si id satis esse concedat, & nos quoque illam sacram vnctionem assecutos non neget, quemadmodum iure id negare non valet. est enim in sacris litteris: Vos vnctionem habetis ex sancto. Erimus igitur & nos ipsi quoque Deo quodamtenus pares:atque ita nihil,opinor, prohibebit, quo minus nos quoque perinde atque Emmanuel dextra illi assideamus. Dictum est enim ad illum: Sede à dextris meis,donec ponam inimicos tuos scabellum pedum tuorum. Adoret proinde & nos sacra illa mentium beatarum multitudo.nam vt Apostolus commemorat, cum primogenitum suum in orbem terrarum introducit,ita ait: Adorent illũ omnes Angeli Dei. At vero nos quamquam Spiritu sancto inungamur, necnon per gratiam in Dei filios cooptemur,& dij interdum quoque nominemur; nostræ tamen naturæ mediocritatem non ignoramus. Sumus enim de terra, & inter seruos numeramur. Ille vero naturæ nostræ legibus non continetur; sed natura & veritate Filius, totiusq. vniuersitatis Dominus est,atque è cælis ad nos delapsus est.

17 Nec vero dicimus, qui recte sentire decreuimus,Deum fuisse carnis patrem; nec rursum, diuinitatis naturam,hoc est, Deum prius à muliere editum, quàm humana natura se induisset: sed Verbum,quod ex Deo natura est,& hominem qui ex sacra Virgine perfecte in hanc lucem ortus est, à se inuicem non diuellentes, vnum Dominũ & Christum IESVM adoramus: ita vt vnũ hunc propter assumptam carnem extra diuinitatis terminos non eijciamus,neque propter eam rursus, quam communem nobiscum habet corporis similitudinem,intra totius humanæ naturæ cancellos includamus. Hoc etenim constituto, facile assequere, qua ratione Verbum ex Deo genitum voluntariam exinanitionem sustinuerit; quoue pacto is,qui suapte natura liber erat,serui forma suscepta, semetipsum humiliauerit; quo denique modo semen Abrahæ apprehenderit; carnisq. & sanguinis Deus Verbum particeps effectus sit. Nam si vt merus homo nostri similis, mente concipitur, quomodo semen Abrahæ, tamquam naturaliter quidpiam extraneum & ab se alienum apprehendit? quomodo propriæ carni, quò per omnia fratribus assimiletur, communicasse dicitur? Nam quod alteri assimilatur,ex dissimili ad similem formam transferatur oportet.

Rom. 8. d. 31. Quid igitur dicemus? Si Deus pro nobis, quis contra nos? Qui etiam proprio Filio non pepercit, ſed pro nobis omnibus tradidit illũ; quomodo non etiam cum illo omnia nobis donabit? Hic te nunc interrogo, quomodo is qui ex ſacra Virgine ortus eſt, proprius Dei filius appelletur? Sane vt hominis & cuiuſcumque alterius animantis proprium id eſſe recte dicitur quod naturaliter ex illo naſcitur; ita merito quoque id propriũ Dei cenſetur & appellatur, quod ex illius ſubſtantia progignitur. Qua igitur ratione Chriſtus proprius Dei filius nominatur, qui & à Deo quoque & Patre omnium ſalutis & vitæ cauſa oblatus hoc loco prædicatur? Traditus eſt enim propter delicta noſtra: & ipſe (ſecundum Prophetæ vocem) multorũ iniquitates in corpore ſuo pertulit ſuper lignum. Planum eſt, quòd ad naturarum vnionem reſpiciens, Emmanuelem qui ex ſacra Virgine exortus eſt, Dei Filium definiat: quandoquidem corpus quod ex ea natum eſt, non alterius cuiuſpiam hominis noſtrimet ſimilis, ſed ipſius Verbi, quod ex Patre natum eſt, proprium erat.

Proponatur verbi cauſa homo quiſpiam, cui ſit filius lyræ tractandæ gnarus, pſallendiq. oppido peritus; numquid hic lyram & reliqua muſices inſtrumenta eodem cum filio loco & ordine habebit? Nihil enim hac re dici queat abſurdius: ſiquidem lyra ad ſolum artis vſum aſſumitur; muſicus autem etſi omnino organo careat, parentis ſui filius eſſe non deſinit. ras cautes in aquarum fontes cõmutauit: mediator præterea Dei & hominum, & Legis minister, & populi denique dux & ductor extitit. Nihil proinde eximium in Christo fuisset, nec vllam in partem ceteros, qui illum antecesserant, excelluisset, si & ipse quoque æque ac illi, instrumenti ministriq. vicem expleuerit. Consequens sit ergo diuinũ Dauidem nugari, planeq. ineptire, dum ait: Quis in nubibus æquabitur Domino; & quis similis erit Domino in filijs eius? *Psal.118. b.8. Gal.3.c. Psal.88.a. 7.*

22 At longe alius sapientissimo Paulo de Christo sensus erat. Etenim Moysen, ad Hebræos scribẽs, domesticis annumerat; eum vero, qui diuina dispensatione ex muliere natus est, hoc est Christũ, Deum ac Dominum vocat. Scribit enim hunc in modum: Vnde, fratres sancti, vocationis cælestis participes, considerate Apostolum & Pontificem confessionis nostræ IESVM, qui fidelis est ei qui fecit illum, sicut & Moyses in omni domo eius. Amplioris enim gloriæ iste præ Moyse dignus est habitus, quanto ampliorem honorem habet domus, qui fabricauit illam. Omnis namq. domus fabricatur ab aliquo: qui autem omnia creauit, Deus est. Et Moyses quidem fidelis erat in tota domo eius tamquam famulus, in testimonium eorum quæ dicenda erant: Christus autem tamquã filius in domo sua, cuius domus nos sumus.] Iterum atque iterum hic mihi expende, quomodo & humanæ naturæ proprietates integras illi conseruet, & summæ nihilominus, soliq. Deo conuenientis gloriæ, ac dignitatis excellentiam eidem tribuat. Primo namque Apostolum ac Pontificem illum vocat; mox ei qui fecit illum, fidelem extitisse pronuntiat; postremo dignitate & honore tantum Moysen excelluisse asseuerat, quantum architectus domo quam fabricauit, gloria præstat. Subiungit deinde: Omnis autem domus fabricatur ab aliquo: is vero qui omnia creauit, Deus est. Diuinus itaque Moyses inter res effectas & structuras censetur: at vero Christus omnium opifex declaratur. Et quia omnia condere solius Dei est, Christum verum Deum esse omnino necessarium est, addit rursum: Et Moyses quidem tamquam famulus in tota eius domo fidelis erat; Christus autem tamquam filius supra domum illius est, cuius domus nos sumus. iuxta illud Prophetæ: Quoniam habitabo in illis, & ambulabo cum illis, & ero illorum Deus; & ipsi erunt mihi populus. *Ibid. Ibid. 2. Cor. 6. c. 16. ex Leuit. 26. b. 12.*

23 Dixerit forte quispiam: Ecquis hoc inter Christum & Moysen discrimen agnoscere queat? Etenim si vterque ex muliere progenitus est, quomodo alter est in domo tamquam fidus famulus, alter vero tamquam natura filius & Dominus supra domum illius, quæ domus nos sumus, constitutus est? Res hæc, vt ego quidem sentio, ijs qui ingenio valent, sensumq. & mentem Christi (vt Apostolus alicubi loquitur) obtinent, neutiquam obscura est. Moyses namque erat homo seruitutis iugo pressus; Christus vero vt Deus & vniuersorum architectus suapte natura liber erat. Nam etsi nostri causa in exinanitionem voluntariam sese demisit; ea tamen abiectio diuinam gloriam illi nequaquam adimebat; nec à suprema illa *2. Cor.7.a. 40. Philip.2.b.*

Neutiquam ergo templum illud, quod ex ſacra Virgine aſſumptum eſt, organi tantum loco habitum dicimus: verum ſacrarum Scripturarum ſenſum, ſanctorumq. 24 Verum quo planius fiat quod dicitur, age & in noſtram quoque mortem inquiramus, eiuſdemq. rationem accurate conſideremus. Numquid ergo mortalium quiſpiam ſana mente vtens, dum corpus hoc terrenum extinguitur, vnà cum illo ipſam quoque animam extingui credit? Non exiſtimo vel vni ex omnibus id eſſe perſuaſum: & tamen quod communiter accidere ſolet, non corporis, ſed hominis mors appellatur. Ad eũ itaque modum & de ipſo quoque Emmanuele ſtatuas licet. erat enim Verbum in eo quod ex muliere ſuſceptum erat, tamquam in proprio corpore. hoc ipſum autem corpus præfinito tempore in mortem contradidit, nihil interim incommodi propria natura ſuſtinens. ipſum namque & vita eſt, & cetera omnia viuificans eſt: verumtamen quæ carnis ſunt veluti propria in ſe transferens, & mortem perpeſſum, ac vnus qui omnibus dignitate præſtabat, pro omnibus mortuus, proprio ſanguine humanum genus expiaſſe, & quotquot per terrarum orbem degunt, Deo & Patri acquiſiuiſſe dicitur. Appendix to the Preface.

Of the Nature of Fluxions, and Infinite Series.

Mathematical Science is commonly distributed into two kinds, the one whereof is called Mixed, the other Pure Mathematics. The former is conversant about Quantity, as it is concreted with, and applied to, Sensible Bodies, whose Dimensions and Properties it considers, and measures, and reasons about. The latter treats of Quantity abstracted from Sensibles, or considered as general and universal. Pure Mathematics is supposed to contain Arithmetic and Geometry, the former of which is conversant about Discrete, the latter about Continued Quantity. But whether Time be not Continued Quantity, and whether all Continued Quantity be not resolvable into Geometrical Lines, is a Question that hath been much debated among Mathematicians and Philosophers. Time is commonly represented by a Geometrical Line, and the Points of Time by the Points of that Line. And some have thought that Motion, which is the Change of Place, doth not belong to Number, but to Magnitude. Certain it is that Velocity, which consists of Motion and Time, is not treated of in Arithmetic, but in Geometry. Whether Arithmetic and Geometry are not both conversant about Continued Quantity, and whether Arithmetic be not Geometry of Numbers, and Geometry be not Arithmetic of Continued Quantities, are Questions that have been likewise debated. But it is not my Business to enter into the Disputes of Mathematicians and Philosophers. I shall only observe that Quantity is commonly considered as consisting of Parts infinitely little, and that Quantities are compared by the Ratio's which they bear to one another in the Beginning of Nascency, or when they are in the Beginning of Evanescency, which Ratio's are also the Ratio's of the Velocities wherewith they increase and decrease. And that, in order to measure curvilinear Figures, Mathematicians suppose them to consist of infinitely small Parts, the Consideration whereof leads to the Method of Fluxions. And therefore I shall premise a Lemma concerning the Ratio's of Quantities, which vanish, before I proceed to the Quadrature of Curves.

Lemma I.

Quantities, and the Ratio's of Quantities, which in any finite Time converge continually to Equality, and before the End of that Time approach nearer the one to the other than by any given Difference, become ultimately equal.

If you deny it, suppose them ultimately to be unequal, and let their ultimate Difference be D. Therefore they cannot approach nearer to Equality than by the Difference D; which is contrary to the Supposition.

Lemma II.

If in any Figure AacE terminated by the right Lines Aa, AE, and the Curve cE, there be inscribed any number of Parallelograms Ab, Bc, Cd, &c. comprehended under equal Bases AB, BC, CD, &c. and the Sides Bb, Cc, Dd, &c. parallel to one Side Aa of the Figure; and the Parallelograms aKbl, bLcm, cMdn, &c. be compleated. Then if the Breadth of those Parallelograms be supposed to be diminished, and their Number to be augmented in infinitum, I say that the ultimate Ratio's which the Figure inscribed AKblLcmMdnD, the circumscribed Figure AalbmcndoE, and the curvilinear Figure AabcdE, will have to one another, are Ratio's of Equality.

For the Difference of the inscribed and circumscribed Figure is the sum of the Parallelograms Kl, Lm, Mn, Do, that is, the Rectangle Al, the Breadth whereof AB or Bb is supposed infinitely diminished. But the Figure AabcdE is less than the circumscribed, and greater than the inscribed Figure. Therefore the Difference of the Figure AabcdE from either of them is much less. Therefore the Figures AabcdE and AKblLcmMdnD, which differ from one another by less than the Rectangle Al, will have the ultimate Ratio of Equality. Q. E. D.

Lemma III.

The same Things being supposed, I say that the ultimate Ratio's which the Figure inscribed AKblLcmMdnD, the circumscribed Figure AalbmcndoE, and the rectilinear Figure AabcdE, will have to one another, are Ratio's of Equality.

For the Rectilinear Figure AabcdE is greater than the inscribed, and less than the circumscribed Figure.

Lemma IV.

If the right Lines AB, AC, and the Curve BTc, touch one another in B, and in the Points B, C the right Lines BD, CE are erected perpendicular to AB, AC, meeting in D; and the Points B, C, D approach and coincide: I say that the ultimate Form of the Triangle BDC is the Ratio of Equality.

For if you deny it, suppose the Curve BTc to be a right Line, and that BC is perpendicular to BD. Therefore the Triangle BDC is right-angled at B. And when the Points B, C, D coincide, the Angle BDC vanishes, and therefore the Triangle BDC is ultimately of the same Form with the Triangle CBA. Therefore the ultimate Form of the Triangle BDC is the Ratio of Equality. Q. E. D.

Lemma V.

The same Things being supposed, I say that the ultimate Ratio's which the Figure inscribed AKblLcmMdnD, the circumscribed Figure AalbmcndoE, and the curvilinear Figure AabcdE, will have to one another, are Ratio's of Equality.

For the Difference of the inscribed and circumscribed Figure is the sum of the Parallelograms Kl, Lm, Mn, Do, that is, the Rectangle Al, the Breadth whereof AB or Bb is supposed infinitely diminished. But the Figure AabcdE is less than the circumscribed, and greater than the inscribed Figure. Therefore the Difference of the Figure AabcdE from either of them is much less. Therefore the Figures AabcdE and AKblLcmMdnD, which differ from one another by less than the Rectangle Al, will have the ultimate Ratio of Equality. Q. E. D.

Lemma VI.

If the right Lines AB, AC, and the Curve BTc, touch one another in B, and in the Points B, C the right Lines BD, CE are erected perpendicular to AB, AC, meeting in D; and the Points B, C, D approach and coincide: I say that the ultimate Form of the Triangle BDC is the Ratio of Equality.

For if you deny it, suppose the Curve BTc to be a right Line, and that BC is perpendicular to BD. Therefore the Triangle BDC is right-angled at B. And when the Points B, C, D coincide, the Angle BDC vanishes, and therefore the Triangle BDC is ultimately of the same Form with the Triangle CBA. Therefore the ultimate Form of the Triangle BDC is the Ratio of Equality. Q. E. D.

Bill, and the Bill was read a first time.

Mr. Hume moved that the Bill be read a second time on Thursday next.

Mr. Wilks said, that he should oppose the second reading of the Bill, and he would state his reasons for doing so. He thought that the Bill was not necessary, and that it would be productive of great inconvenience. He thought that the Bill was not necessary, because the Act of 1832 had given the Commissioners of Woods and Forests the power to grant leases for twenty-one years, and that power was sufficient for the purpose of granting leases for building. He thought that the Bill would be productive of great inconvenience, because it would enable the Commissioners of Woods and Forests to grant leases for twenty-one years, and that would be a great inconvenience to the public. A Per quem omnia. Nam Verbum illud, per quod omnia conſiſtunt, ſecundum naturam Deum eſſe nouimus; etiam ſi caro, hoc eſt, homo factum eſt.

Ceterum quod ad vnionem & vnitatem hanc attinet, eorum dicta cum noſtris non ſatis congruunt. Nam & ipſi quoque vnum ſolum Chriſtū aperte conſtituunt, & vnum Emmanuelem in duos diuellere tamquam rem ſumma cum impietate coniunctā ſummopere execrantur: ſed Verbum interim carni, quæ humana, hoc eſt, ratione prædita anima exuta deſtituta q. ſit, vnitum prædicant: & cur iſtuc prædicare debeant, rationem admodum plauſibilem comperiſſe ſe autumant. B Aiunt enim, quæ ad vnius perfecti conſtitutionē per compoſitionem concurrunt, ea comparatione illius quod per ſe perfectum eſt, neque ſecundum propriam naturam, partium compoſitione indiget, veluti membra quædam, aut partes imperfectas cenſeri ſolere: atque ideo cauendum eſſe ſedulo, ne templum, quod Verbo vnitum eſt, perfectum hominem extitiſſe concedentes, exactam illam vnionis rationem, quæ in Chriſto accidiſſe dignoſcitur, meritæ calumniæ exponamus. Quin & illud quoque huc adiecturos ſuſpicor; nempe, ſi ex homine perfecto, & Dei Patris Verbo Emmanuelem coaluiſſe dicamus, in illud nos C & magnum, & plane ineuitabile periculum venturos eſſe, vt vel inuiti duos Chriſtos, & duos itidē filios tenere & profiteri cogamur. Cedo quid nos ad hæc reſpondebimus? Apprime indignum eſſe, nos antiquiſſimam Fidei traditionē (vt quæ ab ipſis ſanctis Apoſtolis profecta ad nos vſque peruenit) propter curioſas quaſdam ac ſuperuacaneas rationes ac diſceptationes deſerere; vel inquiſitionibus humanæ mentis captum excedētibus ſubijcere; vel in medium quoque, vt in illā inquiratur, adducere: quemadmodum nonnulli faciunt, qui ſuo ſenſu, contēpto periculo, quiduis metientes, dicere ſolent: Hoc recte ſe habet, illud D vero ſecus. Quanto ſatius, quantoq. vtilius foret, ſapientiſſimo Deo cōſiliorum ſuorum rationes integre permittere, & ea quæ ſapienter ab eo decreta definitaq. ſunt, impie non reprehendere? præſertim cum illum aperte dicentem, & quaſi expoſtulantem audiamus: Non ſunt conſilia mea ſicut conſilia veſtra, nec viæ meæ vt viæ veſtræ: ſed ſicut diſtat cælum à terra, ita viæ meæ à vijs veſtris, & cogitationes meæ à cogitationibus veſtris. Eſa. 55. b. 8.

Quare licet templum, quod Verbo vnitum eſt, 18 anima humana perfectum & informatum certo credamus, non duos tamen filios adoramus, nec duos Chriſtos agnoſcimus. Vt enim, tametſi Emmanuelē ex ſola carne & Dei Patris Verbo, iuxta opinionem quam illi complectūtur, compoſitum ſtatuerimus; nulla adhuc tamen ratione huc illi adigi ſe paterentur, vt carne ſeorſum, & Vnigenito rurſum ſeorſum poſito, duos Chriſtos profiterentur: ita nos quoque, quamuis Dei Verbum humanitati noſtræ ſecundum propriæ naturæ rationem omnino perfectæ vnitum, ineffabiliq. ac incomprehenſo plane modo ſociatum affirmamus; non duos tamen filios agnoſcimus, aut mente concipimus, ſed vnum eumdemque, qui quidem natura Deus exiſtens, vtpote ex Dei & Patris ſub-

A strent, in hac doctrina opus esse: siquidem mysteria diuina, tamquam humanæ mentis sensum excedentia, aut non videmus, aut solum velut in speculo & ænigmatice videmus. Est autem exemplũ allatum ad rem peropportunum; quippe quod verum potius, quàm verisimile rei, de qua sermo est, symbolum præseferat. Quemadmodum ergo caro, posteaquam Verbi omnia viuificantis caro effecta est, mox omni mortis & corruptionis imperio superior euasit: sic anima, vt ego quidem sentio, posteaquam illius effecta est qui peccatum non nouit, è vestigio statum firmum, ac in omnibus bonis stabilem, peccatoq. quod olim tyrannidem in nos exercebat, multis partibus potentiorem nacta est. Christus namque primus & solus ex omnibus in terra peccatum non fecit, nec dolus inuentus est in ore illius. qui vnus proinde positus est tamquam radix, & initium quoddam cunctorum, qui in Spiritu ad vitæ nouitatem, corporisq. immortalitatem instaurantur; quique eam, quæ ex diuinitate proficiscitur, securitatem ac firmitatem, secundum quamdam gratiæ communicationẽ in vniuersum hominum genus trãsmittit. Cuius quidem rei diuinus Paulus non ignarus, ita scribit: Sicut portauimus imaginem terreni, portemus & imaginem cælestis. Imaginem terreni peccandi propensionem, & mortem, quæ hinc oritur, vocat: at vero per imaginem cælestis, hoc est Christi, constantiam in sanctitate, reditumq. & instaurationem ex morte & corruptione ad vitam & immortalitatem designat.

Totum itaque Dei Verbum toti naturæ nostræ humanæ vnitum asserimus. nulla enim ratione putandum est, principe nostri parte, hoc est, anima rationis compote neglecta, omnis peregrinationis suæ molestias soli carni largiri voluisse. Pulchre autem per vtramq. partem dispensationis sacramentum perfecit. Carne sua tamquam organo quodã ad carnis opera, naturalesq. ægritudines, ac cetera officia vituperationis expertia; anima rursum ad humanas, inculpatasq. affectiones vtebatur. Nam & esuriem, & longioris itineris laborem, & stuporem, & metum, & tristitiam, & angorem, & ipsam denique in cruce mortem pertulisse traditur. Etenim nullo cogente, animam suam nostri causa posuit, quo nimirum omnium cùm viuorum, tum mortuorum quoque Dominum se declararet. Et quidem carnem suã dignum, citra controuersiam, liberationis pretiũ pro omnium carne dependit; animam vero iustum pro mortalium omnium animabus pretium exhibuit; tametsi vitam quam posuerat, vt vita, & Deus secundum naturam denuo resumpserit. Hinc diuinus Petrus: Viri, inquit, fratres, liceat audenter dicere ad vos de Patriarcha Dauid, quoniam & defunctus est, & sepultus est, & sepulchrum eius est apud nos vsque in hodiernum diẽ. Propheta igitur cum esset, & sciret quia iureiurando iurasset illi Deus, de fructu lumbi eius sedere super sedem eius, prouidens locutus est de resurrectione Christi, quia neque derelictus est in inferno, neque caro eius vidit corruptionem. Nec enim fas est dicere, carnem Verbo vnitam aliquando potuisse corrumpi; aut diuinam illam

animam intra inferni portas detineri. Nam vt
Ibid. diuinus Petrus ait, anima eius in inferno relicta non fuit. Neque vero naturā illam, quæ nec mente comprehendi, neque per mortem vllatenus capi potest, hoc est Vnigeniti diuinitatem, è subterraneis illis specubus rursum emersisse, dicemus: quandoquidem nulla admiratione dignum esset, si Dei Verbum diuinitatis vi, eiusdemq. efficacia nixum, apud inferos non hæsisset; immo vero cum admirabiliter omnia excedat, omnibus insideat, impleatq. omnia, à vera ratione alienissimum esset, si ibi detētum fuisset. Deitas namque omni loco & mensura, omniq. circumscriptione, & mensurabili magnitudine superior, à nullo capi comprehendive potest.

22 Neque vero mirum aut incredibile videri debet, si corpus suapte natura interitui & morti obnoxium ad vitam denuo redierit. id enim immortalis Verbi proprium erat. Sic quoque anima, quæ cum illo coniuncta copulataq. fuerat, non sua, sed diuina virtute, potentiaq. nixa, ad inferos descēdit; spiritibusq. ibidē captiuis sese exhibuit. etenim ijs qui vinculis ibi constricti detinebantur, Exite, ait; ceteris vero qui tenebris operiebantur, Reuelamini. Atque huc mihi magnus ille Petrus respexisse videtur, cum de Dei Verbo, eiusdemq. secundum dispensatoriam vnionem

Pet. 3. c. 17. anima, hunc in modum concionatur: Melius est, vt benefaciētes (si voluntas Dei velit) pati, quàm malefacientes: quia & Christus semel pro peccatis nostris mortuus est, iustus pro iniustis; vt nos offerret Deo, mortificatus quidem carne, viuificatus autem spiritu. In quo & his qui in carcere erant spiritibus veniens prædicauit, qui increduli fuerant aliquando. Nemo, opinor, dicet diuinitatem per se solam ad inferos descendisse, spiritibusq. ibidem conclusis prædicasse; cum ipsa omnino sub oculos non cadat, præstātiorq. sit, quàm vt ab vllo cerni queat. Multo vero minus concedendum est, ipsam in apparentem animæ speciē transformatam esse: siquidem externæ istius apparentiæ commentum omnino repudiari debet. Quemadmodum ergo Vnigenitus cum ijs, qui in corporibus suis adhuc degebant, versatus est in corpore; ita spiritibus, qui apud inferos tenebantur, animam mente & ratione præditam sibi coniunctam habens, concionatus est.

23 Est sane incarnationis modus admodum subtilis, vereq. inexplicabilis, talis demum, qui cogitationis captusq. nostri angustias multis partibus excedat. Quapropter illud iterum, iterumq. expendere nos decet; nempe, vt periculo non vacat curiosius in ea inquirere, quæ humana non sunt, quibusve humanus animus minus assueuit; ita extremæ dementiæ videri ea quæ mentis nostræ aciem excedunt, humani iudicij trutinæ subijcere moliri; vel ad eorum rursum cognitionem eniti, quæ nullo pacto nostra intelligentia comprehendi possunt. ...ing the magnetic axis of the earth, and the direction of the magnetic force at any point of the earth's surface, is called the magnetic meridian of that point. The angle which the magnetic meridian makes with the geographical meridian is called the variation of the compass, or the declination of the magnetic needle.

The variation of the compass is not the same at all places on the earth's surface, nor does it remain the same at the same place for any length of time. The variation at any place is found by observing the direction in which a magnetic needle, suspended so as to move freely in a horizontal plane, points when at rest, and comparing this direction with the geographical meridian of the place.

The variation of the compass was first observed by Columbus in 1492, during his first voyage to America. He found that the needle pointed to the true north in certain parts of the Atlantic Ocean, but that to the east of these parts it pointed to the north-west, and to the west of them it pointed to the north-east. The line passing through the places where the needle pointed to the true north was called the line of no variation.

Sane sola humanitatis paruitate, & abiectione inspecta, licebat quandoque, & quidem iure meritoq. licebat, eiusmodi adorationem recusare, debitumq. honoris cultum cunctantius impendere, ac illi qui propter nos nostri similis effectus fuerat, glorificationem denegare, ne quo errore imprudentes constringerentur (necdum enim ipsis mysterium illud Christi satis compertum erat.) Verum ne sanctissimæ illæ creaturæ in eam impietatem inciderent, Spiritus id illis aperuit. Hinc illud Pauli: Et cum inducit primogenitum in orbem terræ, dicit: Et adorent eum omnes Angeli eius. Is enim, qui naturæ proprietate vniuerso terrarum orbe sublimior est, illiq. præsidet, &, prout Deus mente concipitur, extra ipsum est, in ipsum vt homo ingressus, pars mundi effectus est: verumtamen nullam ea de causa diuinæ gloriæ iacturam fecit. Adoratur namque vt vnigenitus, etsi appelletur primogenitus: quæ sane appellatio humanitatis nostræ modulis, ac proprietatibus quam optime conuenit.

Heb.1.b.6.

31 Ergone Emmanuelem vt solum hominem adorabimus? Minime gentiũ: istuc enim nihil aliud foret, quàm errare, in fraudem induci, ac delirare. Hac siquidem ratione nihil quidquam ab ijs dissentiremus, qui opificis & procreatoris loco creaturam adorauerunt, veritatemq. (vt scriptũ est) in mendacium conuerterunt. Si illorum ergo sententiæ accesserimus, omnino vnà cum illis & illud Apostoli quoque audiemus: Dicentes se esse sapientes, stulti facti sunt; & mutauerunt gloriam incorruptibilis Dei in similitudinem imaginis corruptibilis hominis, & volucrum, & quadrupedum, & serpentum. Quid? nonne & nos ipsi quoque ijs, quorum modo meminimus, simulia facere & sentire censebimur, vt qui Dei gloriam in mendacium & similitudinem imaginis corruptibilis hominis demutauerimus, si Emmanuelem tamquam nudum, nostræq. conditionis hominem adorationis cultu prosequemur? Nonne cælestis ille Angelorum cœtus ijs, qui in tantam illam insaniam prolapsi sunt, annumerabitur? Quin & indelebile erroris crimen Ethnicorum gregi exprobrare licebit, nec facile elui potest verum culparum noxa. Errat namque & nunc quoque, perinde ac olim, & semitam quæ ad veritatem ducit ignorauit; neque beatus Paulus satis opportune Galatas increpat. ait namque:

ἀφανίσαι τυχὸν, τὸ καὶ ἐφ' ὅτι λυτεῖν εἰς μόνης A adigere nequaquam valeat, vt diuinitate obſcurata ſolam humanitatem obtinuiſſe aliquando ſuſpicemur. Enimuero Verbi natura humanam naturam ſuſcipiens, non eſt nuda humanitas; immo vero propria gloria & maieſtate aſſumptam naturam excedens, inconcuſſaq. ac immota perſiſtens nullam prorſus diuinæ illius excellentiæ paſſa eſt iacturam. Cuius quidē rei Chriſti diſcipuli non ignari, adorabant eum, dicentes: Vere Filius Dei es tu. Nam etſi illum ambulare, noſtroq. modo corpore indutum cernerent; ex eo tamen quod admirabiliter in ſummis fluctibus ambulabat, Deum eſſe colligebant. *Matth. 14. 4.11.*

Sed aliquis forte ex ijs, qui huic tantæ gloriæ aduerſantur, dicet: Eequis ille erat, qui mulieri Samaritanæ aiebat: Vos adoratis quod neſcitis: nos autē adoramus quod ſcimus? Præterea quomodo recte adoratur qui inter adorantes cenſetur? Ad hoc equidem reſponderim iſtuc: Quis ille erat, de Chriſto ſtolide omnino atque imperite dici; nullo enim modo Chriſtus diuiſus eſt. Quare qui cum muliercula loquebatur erat vnus, & ſolus Dominus IESVS Chriſtus ex humanitate adorante & adoranda diuinitate conſtitutus, illud in ſe complectens, vnde Deus ſimul, & homo vere dici, haberiq. poſſit. Quemadmodum videlicet de eo aliter dicere quis poteſt; quatenus enim Deus eſt, ipſe Dominus gloriæ eſſe intelligitur; quatenus vero homo, Dei liberalitate gloriæ particeps factus eſt, gloria indigebat, iuxta illud: Pater clarifica Filium tuū: næ, ſed vnus interim ſecundum Scripturas eſt Dominus, vna fides, vnū Baptiſma. Et quemadmodum vna eſt fides in Chriſtum, & vnum item baptiſma, etiamſi in Patrem, & Filium, & Spiritum ſanctum credamus, & baptizemur; ita plane, vt ego arbitror, vna quoque Patris, & incarnati Filij, & Spiritus ſancti eſt adoratio. Quamuis enim Vnigenitus caro factus inter nos habitarit, necnon primogenitus inter multos fratres appellatus ſit; hoc tamen nihil impedit, quo minus cum à nobis, tum ab ipſis quoque Angelis adorari debeat. Nam quæ alias fidei ratio de ipſo conſtare poſſet, peruidere neutiquam facile foret. Neque enim (ſi modo recte ſapere voluerint) facile dicturi ſunt, opinor, quod in Dei Patris Verbum ſolum carne exutum credamus; neque illud rurſum, nempe quòd in vnum aliquem noſtri ſimilem, aut in ſolum hominem fide tendamus; ſed quòd ſub perſona Chriſti in verum & naturalem Deum. Cui rationi & ſapiens quoque Paulus patrocinatur. ſcribit enim: Non noſmetipſos prædicamus, ſed IESVM Chriſtum Dominum noſtrum; nos autem ſeruos veſtros per IESVM. Quoniam Deus qui dixit de tenebris lucem ſplendeſcere, ipſe illuxit in cordibus noſtris ad illuminationem ſcientiæ claritatis Dei in facie Chriſti IESV. Ecce aperte, euidenterq. illuminatio ſcientiæ Dei Patris in perſona Chriſti effulſit. Vnde & ipſe: Qui videt me, inquit, videt & Patrem. Ego & Pater vnum ſumus. *Ioan. 2. p. a. 1. Ephes. 4. a. 5. Io. 14. a. 9. Io. 10. f. 30*

Scribit hac de re Euangeliſta Ioannes quoque: Multa, ait, & alia ſigna fecit IESVS in conſpectu diſcipulorum, quæ non ſunt ſcripta in libro hoc. Hæc autem ſcripta ſunt, vt credatis, quia IESVS eſt Chriſtus Filius Dei, & vt credentes vitam habeatis in nomine eius. Aeque admirari hoc loco & diuinum quoque Petrum licet: hic enim intrepide, diſerteq. Iudæos eiuſmodi oratione affatur: Principes populi, & ſeniores, ſi nos hodie diiudicamur in bene facto hominis infirmi, in quo iſte ſaluus factus eſt? Notum ſit omnibus vobis, & omni plebi Iſrael, quòd in nomine Domini noſtri IESV Chriſti Nazareni, quem vos crucifixiſtis, quem Deus ſuſcitauit ex mortuis; in hoc iſte aſtat coram vobis ſanus. Et poſt alia rurſum; Et non eſt in aliquo alio ſalus. Neque enim aliud nomen ſub cælo datum eſt hominibus, in quo oporteat nos ſaluos fieri. Ecquis, obſecro, eſt ille qui & mortem ſubijt, & cum triumpho à mortuis excitatus, & Nazarenus appellatus fuit, niſi Chriſtus IESVS? Hoc eſt, vnus ille, qui inexplicabili modo ante omne æuum ex Deo Patre genitus, vltimo hoc & ad finem iam decurrente ſæculi tempore ex muliere homo natus eſt? Vnde qui fidem in ipſum complexus fuerit, eximiam inde mercedem gloriamq. reportabit: vocabitur namque filius Dei. Eſt enim apud ſanctum Ioannem: Quotquot enim receperunt illum, dedit illis poteſtatem filios Dei fieri, his qui credũt in nomine eius; qui non ex ſanguinibus, neque ex voluntate carnis, neque ex voluntate viri, ſed ex Deo nati ſunt. Nam quo ipſe primatum in omnes obtineret, vt ſcriptum eſt, ex muliere naſci voluit.

Quia vero creaturæ per ſanctificationem apud Deum reformatæ initium extitit, ipſe præ ceteris omnibus ex Spiritu genitus declaratur, vtpote abſque viri mulierisq. congreſſu in lucẽ fuſus. Neque idcirco tamen aliquam ignominiæ notam naturæ inurere voluit; (ſunt enim nuptiæ honorabiles, & qui initio formauit omnia, maſculum & feminam fecit eos) ſed naturam humanam præſtantiori multisq. partibus excellentiori dignitate cohoneſtandam putauit: non enim viri, ſed Spiritus germen appellare nos voluit. Huc illud quoque ſpectat: Patrem nolite vobis vocare ſuper terram. Vnus enim eſt Pater veſter cæleſtis: omnes autem vos fratres eſtis. Quamobrem in illum credere omni prorſus reprehenſione vacat; immo vna omnium iſtuc peccatorum obliuione, hoc eſt condonatione penſatur. Scribit enim eximius ille Apoſtolus Paulus ad hunc modum: Scientes autem quia non iuſtificatur homo ex operibus legis, niſi per fidem IESV Chriſti; & nos in Chriſto IESV credidimus, vt iuſtificemur in ipſo. Ceterum quod ſupra indicaui, id paucis hoc loco repetere non grauabor, puta Dei Patris Verbum nude per ſe poſitum non intelligi Chriſtum; ſed tunc demum id nomen obtinuiſſe, cum humana natura aſſumpta citra vllam omnino confuſionem adiunctum eſt carni. Καὶ ἐπειδὴ καταβέβηκεν ἐκεῖνον ἐκ τῆς τοῦ ἀνθρωπίνης μέτρους, καθῆκε γὰρ ἑαυτὸν εἰς κένωσιν, ἔστιν ἐμμένειν ἀναγκαίως καὶ γίνηται τὸν ἐκ γυναικὸς, οὐκ ἀρχὴν τοῦ εἶναι λαβοῦσης τῆς θείας αὐτοῦ φύσεως, ὅτι κατ' αὐτὸν καὶ γεγονέναι λέγεται. ἀλλ' ἦν μὲν καὶ ἔστιν, ὡς ἔφην, ἐκ θεοῦ πατρὸς φυσικῶς τε καὶ ἀληθῶς ὁ λόγος. ἐπειδὴ δὲ ἐκ ἀνθρώπου ἁπλῶς τοῦτον καθ' ἡμᾶς ὁ ἐκ τῆς ἁγίας παρθένου γεγονὼς, ἀλλ' αὐτὸς σαρκωθεὶς ὁ λόγος, καὶ ἴδιον ἔχων σῶμα τὸ ἐξ αὐτῆς, διὰ τοῦτο λέγεται γεγονέναι σαρκικῶς· ὡς τῆς ἰδίας σαρκὸς τὸν γίνησιν οἰκειούμενος. Εἰ δὲ ἄνθρωπος ἐν κοινὸς ὁ Ἐμμανουήλ, πῶς ἂν ὠφέλησε τὸν ἀνθρώπινον φύσιν ὁ ἀνθρώπου θάνατος; καί τι πλέον προσπέφυκεν ἁγίοις προφήταις, Ἀβραὰμ ἐκεῖνος ὁ μεγαβόητος, Ἰσαὰκ, καὶ Ἰακὼβ, Μωσῆς τε, καὶ Σαμουὴλ, καὶ οἱ καθεξῆς γεγονότες ἅγιοι· ἀλλ' ὥστε μὲν ἰδεῖν τὸ ὀπὶ γῆς τῶν ἀνθρώπων γένος ὁ ἐκείνων θάνατος, ἀσθενὲς δὲ ὁ Χριστοῦ. προσκεκόμικε γὰρ ὑπὲρ ἡμῶν τὸν ἴδιον σῶμα, ὃ δὲ ὑπὲρ αὐτῶν τῷ θανάτῳ δὲ ἡμᾶς, πάντας ἐξείλετο τῶν τοῦ θανάτου δεσμῶν. ἦρκεσε γὰρ εἷς ὑπὲρ πάντων ἀποθανὼν, ὁ πάντων ἀξιώτερος, ὅτι καὶ φύσει γιὸς ὁ ἐκ πατρὸς ἐστι λόγος, καὶ ἴδιον αὐτοῦ σῶμα, τὸ ὑπὲρ ἡμῶν εἰς ὀσμὴν εὐωδίας τῷ θεῷ καὶ πατρὶ προσενεχθὲν. ἐκεῖνοι οὖν ἀσεβεῖς, καὶ τῶν λίαν ἐκτετυφωμένων, τὸ πάσχειν εἰς υἱοὺς δύο τὸν ἕνα κύριον Ἰησοῦν Χριστόν. αὐλοπαίζειν δὲ αὐτοῖς καὶ ὁ σοφώτατος Παῦλος

A Ceterum simulatq. ad humanę naturæ leges semel descēdit,(siquidem sua sponte se exinaniuit) non potuit ex muliere quoque non nasci. Nec ob id tamen diuina illius natura aliquod existendi principium tum demum sumpsit, cum illud secūdum carnem natum dicitur. Sed fuit quidem,& est (vt dixi) ex Deo Patre naturaliter & vere Verbum. Quoniam vero is qui ex sacra Virgine natus est,non homo simpliciter vt nos, sed ipsum Dei Verbum incarnatum intelligitur, quod corpus ex ipsa sumptum proprium sibi fecit;hinc est quod secundum carnem natum dicitur,carnis nimirum natiuitatem in se quasi propriam transferens.

B Illi autem,qui sacram Virginem Deiparam esse imperite negant, huc necessario adiguntur, vt duos Dei filios constituant. Nam si sacra Virgo Deum incarnatum secundum carnem non peperit;vel inuiti concedant oportet, hominem tantū vulgarem,nobisq. nihilo excellētiorem in lucem edidisse. Quod si res ita habet; qua obsecro ratione,omne genu illi incuruatur, omnisq. lingua confitetur,quòd Dominus noster IESVS est in gloria Dei Patris? Quomodo Angeli, & sacer ille cælestium virtutum cœtus illum adoret? Numquid hominem communem & nos, & vniuersum cælum hactenus percolimus? Absit: adoramus enim Emmanuelem tamquam verum & naturalem Deum. Atqui nulla ratione adorari potest, nisi credamus ipsum Dei Patris Verbum, quod ab vniuersa creatura adoratur, secundum Scripturas carnem factum esse: non quod in carnem demutatum transierit;sed quod ex ipsa sacra Virgine carnem susceperit,humanamque,vt ante expositum est, natiuitatem, perinde ac nos,subiuerit; quō nimirum homo nostri causa factum,more quidem aliorum hominum mortem pateretur,proculcato autem mortis imperio, diuina vi rursum resurgeret. Hoc enim modo factum est, vt nos quoque per Christum vincere, peccatoq. debellato,ac posita corruptione,mortem effugere possemus,lætitiaq. in Christo pleni diceremus: Vbi est mors victoria tua? vbi est stimulus tuus inferne? Vt enim in Adam deuicti sumus omnes: ita rursum in Christo deuicimus omnes.

6 Phil. 2. b. 12. Heb. 2. b. 8 1. Cor. 15. 55.

Quod si vulgaris tantum homo esset Emmanuel,quomodo mors illius humanæ naturæ,opem tulisset? Enimuero non pauci sanctorum Prophetarum mortem obierunt, vt laudatissimus ille Abraham,Isaac,Iacob,Moyses,Samuel, reliquiq. deinceps,qui omnes eximia vitę sanctimonia claruerunt; verumtamen mors illorum generi humano nihil omnino contulit. At vero mors Christi salutem præstitit; siquidem propriam pro nobis carnem obtulit; mortiq. semetipsum nostri causa contradens, omnes ex mortis laqueis exemit. Vnus enim pro omnibus moriens abunde satisfecit; vt qui plurimum ceteris omnibus dignitate præstaret. Nam & Dei Patris Verbum est, & natura Deus, & corpus quod pro nobis in odorem suauitatis Deo & Patri offerebat, illius proprium fuit. Impium est ergo, longeq. absurdissimum,vnum Dominū nostrum IESVM Christum in duos filios diuellere;maxime cū sapientissimus

simus Paulus huic sententiæ diserte reclamet. ait enim: Vnus est Dominus, vna fides, vnum baptisma. Nam si vnus dumtaxat est Dominus, quem illi in duos filios distrahunt, vtri, quæso, ex illis dominationis gloriam assignabimus? An Dei Patris genito Verbo? in hunc namque cum vniuersorum Dominus reipsa sit, & dominatus nomen, & res ipsa quoque multo maxime conuenit. Cedo autem, quo interim loco alterum illum habebimus? Nam cum hic priori illi vtpote infinitis partibus excelsiori iure meritoq. cessurus sit, necessum est, vt dominationis titulū prorsus amittat. At dominationis gloria, vt illi ipsi qui separant, dicunt, è muliere prognato tribuetur. Cum igitur sacrarum litterarum testimonio, vnus tantum sit Dominus; si dominationis vocabulum nudo homini impartimur, quomodo Dei Patris Verbum dominationis appellatione cohonestabimus? Quomodo rursum vna erit fides, & vnum item baptisma? Nam si duo sunt filij Dei, vt quidam opinantur, in quem ex illis credimus? (illorum insciticæ est dicere) aut in cuius nomine baptizati sumus, cum vnum sit baptisma?

Ephes. 4. a. 5.

8 Intelligit prudentia vestra perspicue, insanam hanc doctrinam in magnam absurditatem inclinare; immo vero in extremam impietatem præcipitem ferri. Existimo autem vos qui diuinum illud Christi mysterium accuratius expenditis, perspicaci mentis oculo facillime illos internoscere, qui impostu ram moliuntur, orationiq. suæ pietatis personam inducunt, cum quouis interim venenato iaculo magis feriant: nam si quod res ipsa est, palam dicere licet, Dominum qui eos redemit, hoc est, Christum neutiquam obscure inficiantur. Verumtamen piorum ob hanc rem offensionem, zelumq. æmulatione dignum metuentes, eum qui ex sacra Virgine natus est, & Deum, & Dominum, & Dei Filium esse profitetur. Quod si qui ex rudioribus illorum sermones forte hauriunt, recta mox, vt probabile est, & conuenientia, & quæ à veritate non dissentiant, illos loqui arbitrantur. Verum qui dicta illorum exactius perscrutantur, & iustis ponderibus examinant, nihil non fucatum ac perplexum comperiunt: sunt enim dij multi & domini multi, & in cælo & in terra, quemadmodum diuinus Paulus scriptū nobis reliquit: Nobis tamen vnus est Deus Pater, ex quo omnia & nos in illum; & vnus Dominus noster IESVS Christus, per quem omnia & nos per ipsum. Ceterum cum Dei Patris Verbum humana forma indutum, IESVM Christum nominamus, dignitatem hanc non muneri datam, aut ei extrinsecus aduentitiam obtigisse significamus; sed quod semper creditum est esse, hoc ipsum secundum veritatem esse indicamus. Nam cum extra carnem suapte natura Deus esset; posteaquam carnem induit, Deus esse non destitit. Rursum cum ante assumptam carnem naturalis Dei Filius esset, quando caro iam factum est, Filij rationem non amisit. Tandem cum vniuersorum Dominus ante existeret, posteaquam humana natura, quasi trabea ornatum prodijt, ab eo ordine & dignitate non excidit. Igitur si eum, qui ex sacra Virgine prodijt, hoc est naturale Dei patris Verbū

Chapter 1 of Book 1 of Euclid's Elements of Geometry.

A Point is that which hath no parts, or which hath no magnitude.

A Line is a length without breadth.

The Extremities of a line are points.

A right line is that which lies evenly between its extreme points.

A Superficies is that which hath only length and breadth.

The extremities of a superficies are lines.

A plane superficies is that which lies evenly between its extreme lines.

A plane angle is the inclination of two lines to one another in a plane, which meet together, but are not in a right line.

A plane rectilineal angle is the inclination of two right lines to one another, which meet together, but are not in a right line.

When a right line standing on another right line makes the adjacent angles equal to one another, each of the angles is called a right angle, and the right line which stands on the other is called a perpendicular to it.

An obtuse angle is that which is greater than a right angle.

An acute angle is that which is less than a right angle.

A figure is that which is enclosed by one or more boundaries.

A circle is a plane figure contained by one line, which is called the circumference, and is such that all right lines drawn from a certain point within the figure to the circumference, are equal to one another.

And this point is called the centre of the circle.

A diameter of a circle is a right line drawn through the centre, and terminated both ways by the circumference.

A semicircle is the figure contained by a diameter and the circumference cut off by it.

A segment of a circle is the figure contained by a right line and the circumference it cuts off.

Rectilineal figures are those which are contained by right lines.

Trilateral figures, or triangles, by three right lines.

Quadrilateral, by four right lines.

Multilateral figures, or polygons, by more than four right lines.

Of three sided figures, an equilateral triangle is that which has three equal sides.

An isosceles triangle is that which has only two sides equal.

A scalene triangle is that which has three unequal sides.

A right angled triangle is that which has a right angle.

An obtuse angled triangle is that which has an obtuse angle.

An acute angled triangle is that which has three acute angles.

Of four sided figures, a square is that which has all its sides equal, and all its angles right angles.

An oblong is that which has all its angles right angles, but has not all its sides equal.

A rhombus is that which has all its sides equal, but its angles are not right angles.

A rhomboid is that which has its opposite sides equal to one another, but all its sides are not equal, nor its angles right angles.

All other four sided figures besides these are called trapeziums.

Parallel right lines are such as are in the same plane, and which being produced ever so far both ways, do not meet.

A postulate is a demand, requiring that something be granted which is evident.

An axiom is a self evident truth.

Things which are equal to the same thing are equal to one another.

If equals be added to equals, the wholes are equal.

If equals be taken from equals, the remainders are equal.

If equals be added to unequals, the wholes are unequal.

If equals be taken from unequals, the remainders are unequal.

Things which are double of the same thing are equal to one another.

Things which are halves of the same thing are equal to one another.

The whole is greater than its part.

The whole is equal to all its parts.

All right angles are equal to one another.

Two right lines cannot have a common segment.

Two right lines which cut one another are not both parallel to the same right line.

Two right lines which are both parallel to a third right line are parallel to one another.

Two right lines which are perpendicular to the same right line are parallel to one another.

Two right lines which are parallel to one another are in the same plane.

Two right lines which are parallel to one another are equally distant from one another in all their parts.

Two right lines which are not parallel to one another, and which are in the same plane, will meet if produced sufficiently far towards the parts where their angles are less than two right angles.

Two right lines which are not parallel to one another, and which are in the same plane, will not meet if produced towards the parts where their angles are greater than two right angles.

cælo, sine in terra, (siquidem sunt dij multi, & domini multi) nobis tamen vnus est Deus Pater, ex quo omnia, & nos in illum, & vnus Dominus IESVS Christus, per quem omnia, & nos per ipsum. Si vnus solus est Deus, & alius præter illum nullus; assumitur autem in vnam Deitatis naturam, & vnus ille IESVS Christus quoque, per quem existunt omnia; Deus vtique erit Christus vt qui etiam tum, cum ex muliere natus, appellatus est IESVS Christus, immotè in Patris consubstantialitate subsisteret. Id etiam animaduertere hic licet, nempe quòd omnia per vnum illum, quē IESVM Christum ipse vocat, tamquam per vnū Filium secundum dispensatoriam vnionem condita esse affirmet.

Factus, inquit, sum ijs qui sine lege erant, tamquam sine lege essem; cum sine lege Dei non essem, sed in lege essem Christi. Si Christi legem habens, Dei legem habet; quomodo Christus non est Deus? *1. Cor. 9. d. 21.*

Sine offensione estote Iudæis & Gentibus, & Ecclesiæ Dei. Aduerte hic rursum, quòd eam Ecclesiam, quam Dei hoc loco appellat, Christi esse intelligat. *1. Cor. 10. d. 32.*

Volo autem vos scire, quòd omnis viri caput Christus est, caput autem mulieris vir; caput vero Christi Deus. Beatus Lucas dum Christi geneologiam texit, à Ioseph exorsus, paulatim ad Adam vsque ascendit, ac tandem infert: Qui fuit Dei; ipsum nimirum procreatorem Deum principij loco homini assignans. Pari itaque modo omnis viri caput Christum definimus. per ipsum enim conditus, & ad ortum euectus est. Non quòd Dei Filius creationis illius instrumẽtum, vel minister extiterit; sed quòd tamquam naturalis rerum opifex diuina virtute illum produxerit. Caput autem mulieris est vir: quandoquidem ex carne illius sumpta est, ipsumq. tamquam quoddam sui initium sortita est. Caput itidem Christi Deus est: siquidem naturaliter ex ipso est. Verbum namque ex Deo & Patre genitum est. Iam qua ratione Christus, cuius caput secundum naturam constitutus est Deus Pater, non erit Deus? Cum autem Christum appello, Dei Patris Verbū intelligo, quod in humana natura apparuit. *1. Cor. 11. a. 3.* *Luc. 3. 23. g. 38.*

Ideo notum vobis facio, quod nemo in Spiritu Dei loquens, dicit anathema IESV; & nemo potest dicere, Dominus IESVS, nisi in Spiritu sancto. Diuisiones vero gratiarum sunt, idem autem Spiritus; & diuisiones ministrationū sunt, idem autem Dominus; & diuisiones operationū sunt, idem vero Deus, qui operatur omnia in omnibus. Sane si aliud nihil est dicere Christum non esse verum, & naturalem Deum, quā dicere anathema IESVM, qui illum re ipsa IESVM esse inficiantur, illi vtique in Spiritu sancto istuc nentiquam faciunt. Rursum si gratiarum diuisiones interdum Spiritum, nonnumquam vero eumdem Dominum, aliquādo autem eumdem Deum operari profitetur, Christum ergo Deum esse non ignorat, qui per Spiritum operetur vt Deus; quique cælestia dona, quibuscumque & quomodocumque voluerit, tamquam natura Deus non absque auctoritate distribuat. Quòd autem Christus in virtute Spiritus sancti operetur, id Paulus de eo loquens, eiusmodi oratione deinceps explanat: *1. Cor. 12. 4. 3.*

1.Cor.12. d.28. Quosdam, inquit, posuit Deus in Ecclesia, primum Apostolos, secundo Prophetas, tertio Doctores, deinde virtutes, exinde gratias curationum: cum enim Deus isthæc efficere perhibeatur; Christus est, qui operatur. quandoquidem is est, qui Apostolos in Ecclesia collocauit, quiq. Doctores in eadem instituit; quibus quoque, vt virtutes operarentur, vim impertiuit. Dedit namque sanctis Apostolis potestatem, vt omne morborum ægritudinumq. genus in populo grassantium, curarent.

2: Cor.16. d.22. Salutatio, mea manu Pauli: Si quis non amat Dominum nostrum IESVM Christum, sit anathema, maranatha. Ecquem obsecro Dominum hoc loco vocat? in confesso est enim, tam ipsum Filium, quàm Spiritum quoque sanctum Dominum vocari, & Dominum esse. Scriptum est enim: 2.Cor.3.b.6. Spiritus Dominus est. Sane beati Pauli mens in ipsum IESVM hic fertur. ait namque: Vnus est Dominus IESVS Christus. Itaque anathemate percutit omnem omnino hominem, qui illum nõ diligit. Is autem Christum non diligit, qui neque natura neque veritate Dei Filium esse agnoscit; sed à Dei Verbo seiungit, ac veluti in secundum ordinem reijcit. Atque ita dum vnum Dominum IESVM Christum in duos diuidit, dispensationis mysterium atroci iniuria afficit.

2. Cor.2. d.14. DEo autem gratias, qui semper triumphat nos in Christo IESV, & odorem notitiæ suæ manifestat per nos in omni loco; quia Christi bonus odor sumus Deo, in ijs qui salui fiunt, & in ijs qui pereunt. Quòd si Christus paternæ cognitionis bonus odor est, quomodo Deus non est? Haud namque in humana natura diuinæ naturæ fragrantiam compererit quispiam; sed quemadmodum humanitatis odor plane hominem, ita diuinitatis odor Deum indicat. Iam si Christus bonus Patris odor appellatur, vereq. est; quomodo Deus non est, etiamsi illud ipsum Dei Patris Verbum dispensatione homo factum est?

Τῷ δὲ θεῷ χάρις πάντοτε τῷ θριαμβεύοντι ἡμᾶς ἐν τῷ Χριστῷ, καὶ τὴν ὀσμὴν τῆς γνώσεως αὐτοῦ φανεροῦντι δι' ἡμῶν ἐν παντὶ τόπῳ, ὅτι Χριστοῦ εὐωδία ἐσμὲν τῷ θεῷ ἐν τοῖς σῳζομένοις, καὶ ἐν τοῖς ἀπολλυμένοις. εἶτα πῶς οὐ θεὸς ὁ Χριστὸς, εἴπερ ἐστὶν αὐτὸς ὀσμὴ τῆς γνώσεως τοῦ πατρός; οὐ γὰρ ἔν γε τῇ ἀνθρώπου φύσει, τὴν τ' θείας φύσεως εὐωδίαν ἀναμάθοι τις ἄν· ἀλλ' ὥσπερ ἡ τῆς ἀνθρωπότητος ὀσμὴ σημαίνει που πάντως ἄνθρωπον· οὕτω καὶ ἡ τῆς θεότητος θεόν. εἰ δὲ Χριστὸς εὐωδία τοῦ πατρὸς εἶναι λέγεται, καὶ ἔστιν ἀληθῶς, πῶς οὐ θεός ἐστι Χριστὸς, κἂν εἰ γέγονεν ἄνθρωπος οἰκονομικῶς, ὁ ἐκ θεοῦ πατρὸς λόγος; Η ἐπιστολὴ ἡμῶν ὑμεῖς ἐστε, ἐγγεγραμμένη ἐν τῇ καρδίαις ἡμῶν, γινωσκομένη καὶ ἀναγινωσκομένη ὑπὸ πάντων ἀνθρώπων, φανερούμενοι, ὅτι ἐστὲ ἐπιστολὴ Χριστοῦ, διακονηθεῖσα ὑφ' ἡμῶν, ἐγγεγραμμένη οὐ μέλανι, ἀλλὰ πνεύματι θεοῦ ζῶντος, οὐκ ἐν πλαξὶ λιθίναις, ἀλλ' ἐν πλαξὶ καρδίας σαρκίνης. ἔφη που θεὸς δι' ἑνὸς τῶν ἁγίων προφητῶν· ἐν τῷ καιρῷ ἐκείνῳ, λέγει κύριος, δώσω νόμους μου εἰς τὴν διάνοιαν αὐτῶν, καὶ ἐπὶ τὰς καρδίας αὐτῶν ἐπιγράψω αὐτούς. γεγόναμεν τοίνυν ἐπιστολὴ Χριστοῦ, χαράττοντος ἡμῖν οὐκ ἐν μέλανι τὸ αὐτῷ δοκοῦν, ἀλλ' ἐν πνεύματι θεοῦ ζῶντος· οὐ διακονικῶς μᾶλλον, ἀλλ' ἵνα οὕτως εἴπωμεν, αὐτουργικῶς. ἴδιον γὰρ αὐτοῦ τὸ πνεῦμά ἐστιν. εἶτα πῶς οὐ θεὸς ὁ ἐν ἰδίῳ πνεύματι χαράττων ἡμῖν τῆς θεογνωσίας τὸν ὁδόν; ὡς τῶν ἰουδαίων φησὶ· ἀλλ' ἐπωρώθη τὰ νοήματα

A veteris testamenti manet non reuelatum, (quod in Christo euacuatur) sed vsque in hodiernum diem, cum legitur Moyses, velamen positum est super cor eorum. Cum autem conuersi fuerint ad Dominum, auferetur velamen. Dominus autem Spiritus est. Vbi autem Spiritus Domini, ibi libertas est. Quòd si legis & Prophetarum finis est Christus, neque velamen quod veteris Testamenti lectioni cohęret, tollitur, nisi per solũ Christum; quomodo rationi consentaneum erit, ipsum nudum esse hominem existimare, & sola filiationis appellatione honoratum? An non hac opinione fieret, vt fides nostra non collimaret in
B Deum, tamquam in finem, sed tamquam in homi nem nostri similem? Eo autem quid aut dici, aut cogitari queat absurdius?

Quòdsi etiam opertum est Euangelium nostrũ, in ijs qui pereunt, est opertum; in quibus Deus huius sæculi excæcauit mentes infidelium, vt non fulgeat illis illuminatio Euangelij gloriæ Christi, qui est imago Dei. Iam si, vt quidam sentiunt, Christus est homo cõmunis, sola personali vnione cum Dei Verbo societatem habens, (ad hunc enim modum loquuntur illi) quomodo in illis, qui pereunt Euangelium illius absconditum est? Gentes enim non Deum, sed hominem nostri similem esse persuasum habent. Quomodo item
C excæcati sunt à satana, qui de homine sentiunt, quod homo est? Qualis præterea illuminatio in Christi Euangelio est, si ipse Deus non est, neque vt Deus glorificatur? Qui denique imago Dei est, si ea solum attingit, quæ humanæ sunt naturæ; neque id reipsa obtinet, vt Filius & Deus sit, Filiusq. & Deus habeatur?

Si in vnũ hoc sancti incumbunt omnes, vt Deo placeant, repudiatoq. mortalium fanore, eiusmodi nos Christo probare enixe contendimus; quomodo Christum Deum esse planũ

Gal. 2. d. 19 EGo enim per legẽ, legi mortuus ſum, vt Deo viuam: Chriſto crucifixus ſum cruci. Viuo autem iam non ego, viuit vero in me Chriſtus. Quod autem nunc viuo in carne, in fide viuo Filij Dei, qui dilexit me, & tradidit ſemetipſum pro me. Quid diuinus Paulus hoc loco moneat, diligẽter expendendum eſt. Habac. 2. a. 4. autem ex fide viuet. Erat & per Moyſen quoque lex lata. Ait ergo: Fidei legem complexus, legi Moſaicæ mortuus ſum, hoc eſt quæ veteribus per vmbras & figuras præfinita erant, ea amplius non præſto. Hoc ipſum enim eſt legi Moſaicæ mortuos eſſe. Quo nimirum fidei, quæ in Chriſtum eſt adhærentes, Deo viuamus. Cum igitur iuſtificationem, quę per Chriſtum contigit, potiorem ducentes, legi Moſaicæ emoriamur, qua ratione Chriſtus, per quem lex tamquam fide infirmior euacuatur, non erit Deus? Quod ſi vero Chriſtus homo tantum erat, quomodo Filius in ipſum ipſa lege ſuperior euaſit?

Gal. 3. a. 5. Qui ergo tribuit nobis Spiritum, & operatur virtutes in nobis; ex operibus legis, an ex auditu fidei? Si lex Moſaica tametſi Dei lex eſſet, & ab Angelis promulgata eſſet, non ſubminiſtrat Spiritum.

multabatur; qui autem in hominem deliquerat, veniam interdum consequebatur) quomodo igitur maiori pœna dignus censetur, qui Christi sanguinem pollutum duxerit, eo qui in Mosaicam legem peccatum admiserat? Atqui grauiorem citra vllam controuersiam promeretur. Cur ita? quia Christi sanguis non vulgaris communisve hominis sanguis est, sed Dei. Verbum enim, quod carne se induit, Deus est.

Videte ne recusetis loquentem: Si enim illi nō effugerunt recusantes eum, qui super terram loquebatur; multo magis nos, qui de cælo loquentem nobis auertimus. Cuius vox mouit terram tunc; nunc autē repromittit Deus, dicens: Adhuc semel & ego mouebo non solum terram, sed & cælum. Quis ille, quæso, quem cum in terris loquentem Iudæorum maiores aspernarentur, graue sibi periculum acciuerunt? an non clarum est Moysen hunc extitisse? At Christus non de terra, sed de cælo est. Nam Deus Verbum, quod de supernis est, & ex Patre ortum est, factus est homo, idemq. Deus. Grauius proinde supplicium debetur his, qui ipsum auersantur, quàm qui Moysen; nec iniuria. Quandoquidē, vt sapiēs Ioannes monet: Qui de terra est de terra loquitur, hoc est terrena & humana: qui autem de supernis venit, super omnes est; nempe vt Deus. Hunc autem Christum esse, & fuisse, quæstionem nullam habet.

Hebr. 12. f. 25.

Christus Iesvs heri, & hodie, ipse & in sæcula. Verbum quod ex Deo gignitur, tunc demum Iesv Christi appellationem sortitum comperimus, cum ex muliere factum est homo. Sed quomodo idem est heri, & hodie, & in sæcula? Non alia vtique ratione, quàm carnis, quā assumpsit, cum Dei Verbo coniunctione, eiusdemq. ad vnū Filium relatione. Hac namque consideratione, etiamsi, vt carne indutum est, animo concipiatur; suam nihilominus naturalem stabilitatem integram semper retinet.

ET ſcimus, quoniam Filius Dei venit, & dedit nobis ſenſum, vt cognoſcamus verum Deū, & ſimus in vero Filio eius. Hic eſt verus Deus, & vita æterna. Dei Patris Verbum, prout ſecundum ſe nude, & extra carnem conſideratur, non appellatur Iesvs Chriſtus; Chriſti autem Iesv nomen tunc demum ſortitum eſt, cum homo factum eſt. Cum ipſe igitur, verus ſit Deus, & vita æterna, quis ſecus ſentientes ferre queat?

OMnem ſollicitudinem faciens ſcribendi vobis de communi veſtra ſalute, neceſſe habui ſcribere vobis, deprecans ſupercertari ſemel traditæ ſanctis fidei. Subintroierunt enim quidam homines (qui olim præſcripti ſunt in hoc iudicium) impij, Domini noſtri gratiam transferentes in luxuriam, & ſolum dominatorem, & Dominum Iesvm Chriſtum negantes. Cum incarnationis doctrinam vniuerſe admittamus, quomodo qui ſemel crediderunt, Dominum noſtrum Iesvm Chriſtum negare dicuntur? Sane ſi aliū Dei Patris Verbum Filium eſſe dixerimus, alium rurſus eum, qui natus eſt ex muliere; vnū eſſe Dominum diſerte inficiamur. Vnus enim Dominus Iesvs Chriſtus, ſecundum diſpenſatoriam cum Dei Patris Verbo vnionem, humanitate illius ad Deitatis gloriam euecta. Vnus proinde eſt Chriſtus, & Filius, vnusq. vt ſemel dicam, huius vniuerſi Dominus.

Iud. v. 3.

Ex

Ex euangelio ſecundum Matthæum.

Quòd Chriſtus ſit Deus.

Matth. 1. d.20. HAec autem eo cogitante, ecce Angelus Domini apparuit in ſomnis ei, dicens: Ioſeph, fili Dauid, noli timere accipere Mariam coniugem tuam. Quod enim in ea natum eſt, de Spiritu ſancto eſt. Pariet autem Filium, & vocabis nomen eius IESVM. Ipſe enim ſaluum faciet populum ſuum à peccatis eorum. Duo ſimul hoc loco ponit, quæ in diuinam tantum naturam quadrant, non etiam in humanam. Aſſerit namque illum, qui ex Maria ortus eſt, eos omnes, qui ſalutem per ipſum conſequuntur, populum peculiarem habere, tum ipſis eiſdem rurſum peccata ignoſcere. Atqui Dei ſunt vniuerſa; ipſiusq. ſolius eſt, peccatorum laqueis irretitos expedire. Is igitur, qui ex ſacra Virgine natus eſt, Deus eſt, cuius nos peculiaris populus ſumus, quiq. è peccatorum vinculis pro ſua poteſtate nos exemit, ac liberauit.

Matth. 2. a.1. Cum ergo natus eſſet IESVS in Bethlehem Iudææ. in Bethlehem Iudææ natus eſt, ex Ieſſæa radice. Vnde Deus & Pater per quemdam *Mich. 5. a.2.* è ſacris vatibus ita ait: Et tu Bethlehem domus Ephrata nequaquam minima es, vt ſis in millibus Iuda. Ex te enim egredietur mihi qui regat populum meũ in Iſrael, & egreſſus eius ab initio à diebus æternitatis. Quomodo Bethlehemita ille ab initio ſæculi egreſſus, hoc eſt ſubſtantiæ principium ſortitus dicitur, cum tamen in nouiſſimis ſæculi temporibus natum ipſum eſſe conſtet? Deus igitur eſt Chriſtus, ipſiusq. diuini Verbi antiquitas in illũ conuenit. Nam Deus erat propter nos ex muliere homo naſci dignatus.

Matth. 3. b.11. Ego quidẽ inquit, baptizo vos in aqua in pœnitentiam. Qui autem poſt me venturus eſt, fortior me eſt, cuius non ſum dignus calceamenta portare. Ipſe vos baptizabit in Spiritu ſancto, & igne. Cuius ventilabrum in manu ſua eſt, & permundabit aream ſuam. Haudquaquam humanæ naturæ opus eſt in Spiritu ſancto baptizare: ſed neque ſpiritalem quoque aream, hoc eſt homines ætatem in terra agentes, hominis cuiuſpiam propriam eſſe conceſſerimus. Eiuſmodi enim omnia ſolius Dei ſunt; ipſiq. ſoli congruit, illos, qui credunt, in Spiritu ſancto baptizare. Atqui Chriſtus, qui ſecundum carnem, incarnationisve menſuram poſt Ioannem veniebat, potenter iſthæc præſtabat, idemq. ſuam quoque aream permundat. Verus itaque Deus eſt Chriſtus.

Matth. 8. a.2. Et ecce leproſus veniens adorabat eum, dicens: Domine ſi vis, potes me mundare. Et extendens IESVS manum tetigit eum, dicens: Volo, mundare. Et confeſtim mundata eſt lepra eius. Opus diuinum moliri, non eſt virium humanarum. Conuenit id autem in Principem omnium naturã, hoc eſt diuinã. Atqui Chriſtus eiuſmodi opera molitur; non eſt ergo nudus tantum homo, quemadmodum nos; ſed Deus humanam naturam indutus. Quod de leproſo mundato hìc dicitur, hoc de ſocru Petri, de ventis item & mari, deq.

σε· ἀλλ' οὐ γυμνὸν ἡμῖν παρέδηξε τὸν ἴδιον λόγον, A ἀλλὰ ἐνωθέντα σαρκί. καὶ οὐκ εἶπεν, ὅτι οὗτός ἐστιν ὁ υἱός μου ὁ ἀγαπητός· ἀλλ' οὗτος ἐστιν ὁ μὴ σαρκός. εἷς ἄρα ἐστὶν κύριος καὶ υἱός.

non nudum Verbum ob oculos nobis posuit, sed incarnatum. Neque rursum dixit: In hoc est Filius meus dilectus; sed, Hic, quem coram cernitis in carne, est Filius meus. Vnus itaque est Dominus & Filius.

Καὶ ἐμαρτύρησεν Ἰωάννης, λέγων·

Erat lux vera, quæ illuminat omnem hominẽ venientem in hunc mundum. In mundo erat, & mundus per ipsum factus est, & mundus eum non cognouit. In propria venit, & sui eum non receperunt. Ecce accurate de diuinis differens, illum qui omnem hominem in hunc mundum venientem vera luce perfundit, quiq. mundi huius machinam condidit, in propria venisse prædicat. Venit autem Vnigenitus factus homo, tamquam ad suos, & præcipue ad Israelitici sanguinis homines. Cum ergo ipse sit lux illa vera, per quem omnia sunt condita, cumq. idem ille carne indutus venerit in propria; quomodo consequens non est, vt vnum Christum & Filium confiteamur? *Ioan.1.b.9.*

Et Verbum caro factum est, & habitauit in nobis (& vidimus gloriam eius, gloriam quasi vnigeniti à Patre) plenum gratiæ & veritatis. Si Verbum factum est caro, carniq. & sanguini æque ac nos communicauit, ac semen Abrahæ apprehendit, quò nimirum per omnia fratribus suis assimilaretur; quis dubitet, quin id plane permanserit quod erat, etiam si caro factum sit? Siquidem nulla in Verbi naturam cadere potest mutatio. Si frater noster appellatum est, quomodo Vnigeniti gloria præditum fuit? Sane licet factũ sit caro, Deus tamen esse non desijt. Vnigenitus proinde est vt Deus; primogenitus vero propter crucem humanitus susceptam. *Ibid.b.14.* *Hebr.2.d.*

Ioannes testimonium perhibet de ipso, & clamat, dicens: Hic erat quem dixi, Qui post me venturus est, ante me factus est, quia prior me erat. Et de plenitudine eius nos omnes accepimus. Ioannes de Christo ait: Qui post me venit, hoc est, post me in lucem prodit, is prior me est, hoc est, dignitate & gloria me præstat. Sed & ipsa quoque existendi ratione, vt Deus, prior erat. Quomodo ergo idem Ioanne prior, & posterior secundũ tempus extitit? Quia Verbum Deus erat, & factũ est caro. Prius proinde erat vt Verbum, posterius vero vt homo. Et quamuis omnes sancti de illius plenitudine hauserint; sola tamen diuinitas, iuxta Esaiæ vocem, absolute plena est. Ipsi namque soli conuenit, vt sua ipsius plenitudine aliorum inopiæ subueniat. Præstitit autem hoc ipsum Christus: incarnatum itaque Dei Verbum vnus est Dominus & Filius; idemq. Deus simul & homo. Eiusdem pæne sententiæ est quod mox subiungitur: Hic est, inquit, de quo dixi: Post me venit vir, qui ante me factus est, quia prior me erat. En licet virum vocet, & post se venturum prædicet; secundum diuinitatem tamen se priorem affirmat: In principio enim erat Verbum, & Deus erat Verbum. *Ioan.1.b.15.* *Ibid.c.32.*

Et testimonium perhibuit Ioannes, dicens; *Ibid.c.32.*

FIdelis sermo, & omni acceptione dignus, quòd Christus IESVS venit in hunc mundum peccatores saluos facere; quorum primus ego sum. sed ideo misericordiam cõsecutus sum, vt in me primò ostenderet Christus IESVS omnem patientiam, ad informationem eorum qui credituri sunt illi in vitam æternam. Si Christus IESVS peccatores saluat, patienterq; delinquentium mores tolerat, illorum pœnitentiam expectans; si tota fides nostra in ipsum fertur, & per fidem denique, quæ est in ipsum, vitam æternam adipiscimur; quomodo non est Deus? quandoquidem mundum, hoc est, eos qui in mundo hoc degũt, posse saluare, longanimiter adhæc peccatores ferre, vitam postremo per fidem impertiri spiritali vita destitutis, id merito in solum Deum conuenire creditur. *1.Tim.1. c.15.*

Et manifeste magnum est pietatis sacramentum, quod manifestatum est in carne, iustificatum est in spiritu, apparuit Angelis, prædicatum est Gentibus, creditum est in mundo, assumptum est in gloria. Quis is, quæso, est, qui in carne manifestatus est? An non modis omnibus perspicuũ est, non alium esse, quàm ipsummet Dei Patris Verbũ? Hinc namque magnum illud pietatis mysterium perspicitur. Hic autem ab Angelis visus est, cum in cælum susceptus est: prædicatus porro Gentibus est per sanctos Apostolos: creditus autem *1.Tim.3. d.16.*

sum. Qui credit in eum, non iudicatur: qui autẽ non credit, iam iudicatus est; quia non credidit in nomine vnigeniti Filij Dei. Si via ad salutem est fides in Filium, quomodo in ipsum credimus? aut quomodo in ipsum credentes, condemnationis sententiam euademus? Numquid illum fide vt hominem complectimur? nec quidquam omnino nisi humanum de illo concipimus? At quo pacto si hoc fecerimus, diuinum cultum homini impendisse non arguemur? Fide ne ergo in illum ferimur tamquam in Deum? Sane. Quis illum ergo, cuius fides terrarum orbem iustificat, verum Deum esse inficiari audeat?

Cognouit ergo pater quia illa hora erat, in qua dixit illi IESVS, Filius tuus viuit: & credidit ipse, & domus eius tota. Reuocat reguli filium à mortis vestibulo Christus, affatusq. patrẽ: Vade, inquit, filius tuus viuit. Credidit mox ille, & tota familia cum illo. Sed numquid ob insignẽ hanc, adeoq. diuinam potentiam regulus in illum credidit tamquam in hominem; an vero verum naturalemq. Deum esse agnouit, qui solus quoscumque sibi visum esset, vel solo verbo vitæ restituere posset? Sed obscurum non est, haud aliter in eum credidisse, quàm in verum Deum.

Ioan. 4. g. 53.

Ibid. g. 50.

Amen amen dico vobis, quia qui verbum meũ audit, & credit ei qui misit me, habet vitam æternam. Deus Pater Filium suũ misit nobis de cælis, vt omnis qui credit in illũ, non pereat, sed habeat vitam æternam. Cur hic ergo æterna vita ijs promittitur, qui credunt ei qui miserat illum? In quem tandem fertur fides? Numquid in Patrem & Christum tamquam in duos Deos credere nos oportet? Absit. Credimus enim tamquam in vnum verum Deum. Quamobrem si quis credit in Christum, credit idem in Deum Patrem quoque: & contra, si qui in Deum Patrem credunt, ijdem & in Dominum nostrum IESVM Christũ quoque credunt.

Ioan. 5. d. 24.

Ioan. 3. b. 16.

Respondit IESVS, & dixit illis: Hoc est opus Dei, vt credatis in eum, quem misit ille. Si Dei voluntatem perficimus cum in Christum credimus, (hunc enim Pater vere misit in mundum, quando nostri similis factus est homo) quomodo non est verus Deus? Neque enim opus Dei esset credere in eum.

Ioan. 6. d. 29.

IESVS autem clamauit, & dixit: Qui credit in me, non credit in me, sed in eum qui misit me. Et qui videt me, videt eum qui misit me. Et paucis interiectis: Quia ego ex meipso non sum locutus; sed qui misit me Pater, ipse mihi mandatum dedit quid dicam, & quid loquar. Cum ergo dicat: Qui videt me, videt eum qui misit me; (etsi vt homo paterno mandato obstrictum se prædicet, fidemq. quæ in illum est, ad Patrem mittentẽ referat) quis illum verum Deum esse negare audeat? Cognatum huic est & illud quoque: Creditis in Deum, & in me credite.

VErumtamen Filius hominis veniens, putas inueniet fidem in terra? Quando Christus è cælo olim est venturus, cuiusmodi, quæso, fidem à nobis

à nobis exiget? Si enim homo tantum noſtri ſimilis credi haberiq. vult, quis illi credere abnuat? Ioan. 10. f. 33. Iudæi illi inſultantes aiebant: Cur tu homo cum ſis, facis teipſum Deum? sum quod suapte natura seruum non est, immo vero omni seruitutis condicione superius, seruili forma se vestijsse; & in similitudinem hominum illum factum, qui natura talis non erat, priusquã homo fieret; ipsam denique altitudinem se humiliasse existimemus & prædicemus. Ipsum itaque Dei Verbum secundum naturam humanam sponte ad isthæc propter nos seſe demisisse; & in propriæ nihilominus excellentiæ culmine secundum diuinam naturam permansisse credimus. Hac ratione & superexaltatus esse dicitur, & accepisse nomen quod est super omne nomen, & ab omnibus adorari, atque in Dei Patris gloriam Dominus nominari. Nam etsi in Patris eminentia & inexplicabili maiestate constitutus esset; vbi primum tamen ad exinanitionem se demisit, seruiliq. forma se induit, humiliatus prædicatur; sed ita, vt naturæ sibi vnitæ, hoc est humanæ, paupertatem transcendens, ad proprias diuitias rursum ascenderet. Ad eum igitur modum secundum naturam humanam id accepisse dicitur, quod perpetuo constanterq. in se ipso possidet, nempe Deum & vniuersorum Dominum esse. Denique si Patri honorificum est Filium habere qui in omnes & omnia dominium obtineat; cui dubium esse potest, quin illi etiam post serui formam acceptam, libertatem, supernaturalemq. potestatis & dominationis in omnes dignitatem integram asseruarit?

Gratias agentes Patri, qui dignos nos fecit in partem sortis sanctorum in lumine: qui eripuit nos de potestate tenebrarum, & transtulit in regnum Filij dilectionis suæ: in quo habemus redemptionem, & remissionem peccatorum; qui est imago Dei inuisibilis, primogenitus omnis creaturæ: quoniam in ipso condita sunt vniuersa in cælis & in terra, visibilia & inuisibilia, siue Throni, siue Dominationes, siue Principatus, siue Potestates; omnia per ipsum, & in ipso creata sunt: & ipse est ante omnes, & omnia in ipso constant. Et ipse est caput corporis Ecclesiæ, qui est principium, primogenitus ex mortuis; vt sit ipse in omnibus primatum tenens: quia in ipso complacuit omnem plenitudinem inhabitare; & per eum omnia reconciliare in ipsum, pacificans per sanguinem crucis eius siue quæ in terris, siue quæ in cælis sunt. Docetur hic, Dei Verbum, hoc est, Filium naturaliter ex illo natum, inuisibilis Dei imaginem esse. Adhæc omnia visibilia & inuisibilia, siue in cælis, siue in terris, per ipsum condita esse: ipsum præterea omnia antecedere, (In principio enim erat Verbum) sæculorumq. conditorem esse: existentiam postremo nulla temporis mensura intercluſam obtinere. Eiusmodi autem bonis secundum propriam naturam cumulatum, primogenitum ex mortuis, & caput corporis Ecclesiæ à Deo Patre datum esse affirmat. Iam quomodo qui Dei Patris Verbum est, semperq. fuit, per quem omnia constant, primogenitus ex mortuis, dormientiumq. primitiæ appellatur, si corpus quod assumpsit, vere illius proprium non erat, quò nimirum illo mortem subeunte, & ipse quoque mortem subijsse intelligatur?

De Christi obedientia.

IGITVR sicut per vnius delictum, in omnes homines in condemnationem; sic & per vnius iustitiam, in omnes homines in iustificationem vitæ. Sicut enim per inobedientiam vnius hominis, peccatores constituti sunt multi; ita & per vnius obeditionem, iusti constituentur multi. Cũ humana natura ob protoplasti inobedientiam maledicto mortisq. sententiæ obstricta hæreret, oportuit ad inculpatam illam obedientiæ demonstrationem, quæ initio præstabatur, denuo illam reduci. Atqui istud humanæ naturæ facultates multis partibus excedebat. neque enim vllus à peccato immunis erat. Nam cum ea semel in noxam erroremq. incidisset, intestinisq. infirmitatibus victa prostrataq. iaceret', & intra propriam carnem malitiæ sensum foueret, ac infrænem tandem peccati legem intra sua viscera perpetuo gestaret, quomodo omnem omnino lapsum euaderet? Nam sapientia carnis (vt inquit ille) omnino inimicitia est in Deum; legi enim Dei non est subiecta; nec enim potest. Itaque Deus Pater mira quadam dexteritate omnia per Christum instauraturus, humanæq. naturæ reditum, ac quasi regressum ad id quod aliquando fuerat, non absque magna quadam animi lenitate conciliaturus, misit Filium suum factum ex muliere; quò nimirum corpus nostro simile, sibiq. proprium factum assumens, tamquã homo in terris appareret omnis peccati ignarus; atque ita Deo Patri per omnia obsecutus, humanam naturam in semetipso iustificaret, mortisq. vinculis eximeret, innocentiæ stola à Deo Patre coronandam. Etenim perabsurdum fuerit, per inobedientiam prioris Adæ ad mortem & corruptionem præcipitantis, damnationis heredes constitutos nos esse; iustitiæ vero posterioris per consummatam illam obedientiam in vitam reducentis, exortes nos manere. Cum itaque diuina Scriptura multos per vnius obeditionem iustificatos asserit, non simplicem aliquem, nostræq. condicionis hominem ad hoc assumptum cogitare debemus; sed ipsummet Vnigenitum hominem factum, qui obedientiam Patri pro omnibus præstitit. Is enim solus inter omnes repertus est, qui, attestante Scriptura, peccatum non fecit, neque dolus inuentus est in ore eius.

ΕΠΙΣΤΟΛΗ ΚΕΛΕΣΤΙΝΟΥ πρὸς Κύριλλον.

Τῷ ἀγαπητῷ ἀδελφῷ Κυρίλλῳ Κελεστῖνος.

Κιρ. Τὴν ἡμετέραν συγκόπτει τὰ διὰ τοῦ υἱοῦ ἡμῶν Ποσιδωνίου τοῦ διακόνου δοθέντα περὶ τῆς σῆς ἀγιότητος γράμματα, ἀπέδωκαν ὀδυμίαν, & αὐτικαταλλαξάμεθα τὸ ἡδὺ αὖθις τῷ λυπηρῷ. διαβλέποντες γὰρ καὶ ἐννοοῦντες, ὅπερ εἶπεν ὁ τὴν ἐν Κωνσταντινουπόλει ἐκκλησίαν διεφθαρμένας παραμιλίαις βαρείαις θλιβόντων, οὐ σμικρῷ κατ' αὐτὸν τὸν ψυχὸν πεπληγμένοι πόνῳ, διαφόροις σκέψεων κέντροις βασανιζόμεθα· ἐννοοῦντες, ὅπως βοηθεῖν εἰς τὸ ἐμμένειν τῇ πίστει. ὡς οὖν τὸν ἡμέτερον διάκονον εἰς τὸ ὦδε τῆς σῆς ἀδελφότητος παραφθάσαι μετεπέμψαμεν, ὥφθη ἡμῖν ὅλως ἐπιμονὴν θεραπείαν, δι' ἧς ἡ λοιμώδης νόσος ὑγιεινῷ φαρμάκῳ ἀπελαθήσῃ· φημὶ δὴ τὸν τῆς καθαρᾶς πηγῆς ἔκρουσιν, τὸν διὰ τοῦ λόγου τῆς σῆς ἁγιότητος ἐκρεύσαντα, δι' οὗ πᾶσα καθαιρεῖται ἡ ἰλὺς τοῦ κακῶς διαχεομένου ῥεύματος, καὶ πᾶσιν αὐτόχρημα ὁ τρόπος τῆς ἀκεύστου περὶ τὸν ἡμέτερον πίστιν ἐννοίας. ὥσπερ οὖν ἐκεῖνον στίζομεν καὶ μεμφόμεθα, οὕτω τὸν σὸν ἀγιότητα, ὥσπερ παρόντα ἐν τοῖς ἰδίοις γράμμασι, τῇ τοῦ κυρίου ἀγάπῃ περιπλεκόμεθα, εἰδότες, ὅτι ἓν καὶ τὸ αὐτὸ περὶ τοῦ διαστόλου φρονοῦμεν. καὶ θαυμαστὸν οὐδέν, τὸν προηγησάμενον τοῦ κυρίου ἱερέα ὑπὲρ τοῦ τῆς πίστεως ἔρωτος πιστὸν διακόνησιν ἀρετῇ· ὅστε τῇ ἀπόψει τῶν ἑαυτοῦ τόλμῃ αὐθαιρέτως δύνασθαι, καὶ τοὺς αὐτῷ ἐμπεπιστευμένους πιστοῖς ὑποθήκαις βεβαιοῦν. ὥσπερ τοίνυν ἐκεῖνα ἡμῖν πικρά, οὕτω πάντα ἦν ἡδέα· ὥσπερ ἐκεῖνα ἰλυώδη, οὕτω πάντα καθαρά. χαίρομεν τοιούτων ἐκείνων ἱερώντας τῇ σῇ διλαβείᾳ ἰσχύειν, ὡς ἤδη σε νενικηκέναι τὰ ὑποδείγματα τῶν ἐκ προηγουμένων, ζηλοῦντα ἀεὶ καὶ αὐτὸν ἐκείνων τοῦ ὀρθοδόξου δόγματος. ἀληθῶς τι ὄφελος ἐκ ἀγαθοῦ ἡ διαγγελικὴ μαρτυρία ἡ λέγουσα· ὁ ποιμὴν ὁ ἀγαθὸς τὴν ψυχὴν αὐτοῦ τίθησιν ὑπὲρ τῶν ἰδίων προβάτων. ἀλλ' ὥσπερ σὺ ποιμὴν ἀγαθός, οὕτως ἐκεῖνος οὐδὲ ὡς κακὸς μισθωτὸς καταγορεύσῃ ἄξιος· ὃς ἐκ ὢν τοῦ ἀγαθοῦ, ὡς τὰ ἑαυτοῦ καταλιπὼν πρόβατα, ἀλλ' ὅτι ἥρπασεν αὐτὰς ἀγαπᾷ πόλων αὐτά. Προσθῆναι δὲ ἴσως ἃ ἡμεῖς ἐμέλλομεν, ἀγαπητὲ ἀδελφέ, εἰ μὴ ἐωρῶμεν σὲ τὰ αὐτὰ φρονοῦντα πάντα, ἅπερ φρονοῦμεν καὶ ἡμεῖς, καὶ ἐν τῇ βεβαιώσῃ τοῦ πίστεως ἀδοκιμάζομέν σε ἐκδίκων ἰσχυρότατον. ἀπέδωκε γὰρ ἡμῖν καὶ τάξιν πάντα τὰ διὰ τοῦ ἡμῶν Ποσιδωνίου τοῦ διακόνου, ὅσα περὶ τούτου τοῦ πράγματος ἡ σὴ ἁγιότης γεγράφηκε. πάντα τὰ δίκτυα τῆς δολίας προφάσεως ἐγύμνωσας· καὶ οὕτω τῇ πίστει ἰσχύσας, ὡς μὴ δυνάσθαι τὴν καρδίαν τῶν τῷ Χριστῷ καὶ ἡμῖν πεδόντων εἰς ἕτερον ἐκκλιθῆναι μέρος. μέγας

EPISTOLA CAELESTINI Papæ ad Cyrillum.

Cæleſtinus dilecto fratri Cyrillo.

LITTERAE, quas ſanctitas tua per filium noſtrum Poſſidonium ad noſtram mæſtitiam miſit, multa nos lætitia affecerunt; etſi interim gaudium, quod in illis offerebatur, viciſſitudine quadam cum dolore commutauerimus. Etenim dicta illius intuentes, anxiaq. cogitatione pertractantes, qui prauis ſuis ſermonibus Conſtantinopolitanam eccleſiam turbare nititur, non mediocriter animo ſauciati, diuerſis cogitationum ſtimulis agitamur; aſſidue id vnum mente verſantes, quo pacto fideles, vt in ſuſcepta ſemel Fide conſtãter retinenda perſeuerent, adiuuare poſſimus: contra vero, cũ ad ea cogitationem noſtram conuertimus, quæ dilectio tua ſcribit; præſens remedium, quo peſtifer ille morbus velut ſalutari quodam antidoto depelli poſſe videatur, ſeſe offert: loquor autem de puri fontis ſcaturigine, quæ magna vbertate ex dilectionis tuę doctrina promanat; per quam quoque omnis illa fæx malè currentis riuuli auferatur, omnesq. ad certam veramq. fidem inſtituuntur. Vt illum igitur notamus & incuſamus; ita tuam ſanctitatem veluti in proprijs litteris præſentem in Domino amplectimur: quandoquidem vnum idemq. nos de Chriſto Domino noſtro ſentimus. Neque mirum ſane, prouidentiſſimum Chriſti ſacerdotem, Fidei amore ac ſtudio incenſum, tanta virtute decertare; tum vt abſurdæ aduerſariorum temeritati obuiam eat, tum maxime vt curæ ſuæ concreditos eiuſmodi admonitionibus confirmare queat. Vt illa ergo nobis ſunt peracerba; ita hæc apprime dulcia. Rurſum vt illa ſunt lutulenta & immunda; ita hæc limpida & ſincera. Equidem vehementer gaudeo, tantum vigilantiæ ſtudium reuerentiæ tuæ adeſſe cernens, vt præclara maiorum exempla iam ſuperaſſe videare. nam & ipſi quoque acerrimi ſemper purioris dogmatis vindices extiterunt. Vere & apte Euangelicum illud in te quadrare deprehenditur: Bonus paſtor ponit animam ſuam pro ouibus ſuis. Verum enimuero vt tu bonus es paſtor, ita ille nec mercenarij etiam mali dignus eſt nomine; quippe qui non ob id acculàtur, quòd proprias oues deſeruerit [*malorum mercenariorum inſtar,*] ſed quòd ipſemet eas diſſipare ac lacerare [*vt ſæuus lupus*] deprehendatur. *Ioan.10. b.11.*

Quin & nos quoque, dilecte frater, nonnulla addituri eramus, niſi eadem omnia, quæ nos ſentimus ac tenemus, te itidẽ ſentire ac tenere perſpiceremus, & in Fide tuenda fortiſſimũ te propugnatorem eſſe exploratum haberemus. Nam quæcumque ſanctitas tua de hoc negotio perſcripſit, ea omnia Poſſidonius diaconus ordine nobis expoſuit. Omnes ſermonum illius technas retexiſti, Fidemq. ad eum modum corroboraſti, vt corda in Chriſtum Deum noſtrum credentia in alteram partem abduci non facile queant. Magnus

A re de his incipis, si qua ante nescisti. Causam tuam magis modo, quàm aliorum, catholica & festina deliberatione curato; quia conuenienter dicimus: Medice, cura teipsum, qui alijs desideras subuenire. Alexandrinæ ecclesiæ sacerdotis fidem & probauimus & probamus: & tu admonitus per eum, rursus eadem senti nobiscum, si vis esse nobiscum, ò frater. Si tibi sensus datur, damnatis omnibus quæ hucusque sensisti, statim hæc volumus prædices, quæ ipsum videas prædicare. Nos contra fas, etiã sacerdotes volumus esse correctos; quibus sicut præmissa correctione consulimus, ita in hos necesse est damnationis sententiam, si abutũtur nostra salubri admonitione, firmemus. Hoc tamen erit post damnationem praui dogmatis plenum correctionis indicium, si reuocentur omnes ad Ecclesiam, qui propter Christum caput eius videntur excluſi. Ad Clerum quoque ecclesiæ Constantinopolitanæ, vel omnes qui censentur nomine Christiano, qualia necessitas postulauit, scripta direximus: vt si in peruersæ disputationis obstinatione persistis, neque hæc, quæ frater Cyrillus prædicat, nobiscum prædicaueris, à nostro collegio, cum quibus tibi non potest esse communio, te intelligant separatum; scituri, exemplo iam cauti, qualiter animæ suæ decocto & maturo iudicio debeant prouidere.

tra Paulum prope in omnibus sentiens, qui Euangelij Domini, quod ante fuerat persecutus, factus est postea prædicator. Desertus est impius disputator à sancto Spiritu, postquam in ipsum Spiritum sensit aduersa. Merito si persistit, audiet à nobis Samuelis verba, quæ Sauli tunc ab ipso dicta sunt sacerdote: Spernet te Dominus, ne regnes super Israel. Si hoc ille meruit, quia solum in agendis rebus Dei præcepta contempsit, quæ huic pœna debetur, qui se in ipsum Dominum maiestatis erexit? Curare nunc vestrũ est quodcumque vulnus inflixit, & his præbere medicinã qui eius sermonibus sauciati sunt. Firmis in hunc state vestigijs, quẽ, sicut eius sermo demonstrat, iam cecidisse videmus: & quidquid intulit, ferte patienter. Indixit iniurias, indixit exilia: ille in suis hæc passus est, quem suscepisse pro nobis hominem diffitetur. Vnde nullus deficat, quidquid in aliquos vestrum facere molitus est. Patientiæ vobis atque constantiæ forma Stephanus, primus Christi testis, existat. Plebs in hunc prædicantem stridult perfidorum, nec tamen idoneus Christi comes tacuit quod videbat. Exclamauit inter furentes, inter religionis inimicos, videre se apertos cælos, & Filium hominis, propter quem talia paterentur, stantem ad dexteram Dei. Longum est ire per singulos, qui vitam vel morte vel confessione sibi mercati sunt. Habetis vos, quicumque ecclesia estis electi, pæne nostrorum temporum beatæ recordationis Athanasij Alexandrinæ ecclesiæ prudentissimi sacerdotis exemplum. Cui non consolationi sit illius tolerantia? cui non sit exemplo eius fortitudo, vel constantia? cui non spem faciat eius expectata reuersio? Eijcitur Ario persequente, sed reuocatur Domino prosequente. Passus est carcerem, passus angustias. nec mirum, si vir Apostolicus ea passus est, quibus se Apostolus gloriatur exercitatum. In his tamen omnibus secutus est illum, qui sibi in tribulationibus se placere testatur. Fugatus illinc, & in nostris partibus roboratus est. Denique hic ei redintegratus est status, & in hac sede quietem communionis inuenit, à qua semper catholicis subuenitur. Nec tamen sensit in tribulationibus latitudinem, qui factus est in persecutione confessor. Vnde Christianorum nullus illatum sibi temporale deflere debet exilium; quia eorum nemo exul est Deo. Timeamus, ne è regione viuorũ, hoc est ab illa, quã nostram patriã esse volumus, exulemus. Illud enim nostrũ est, illud perpetuum, illud æternũ nostrum enim non est vnde transitur, sed illa vere nostra sunt, quæ spes certissima pollicetur: Sunt autem, dicente Apostolo, quæ oculus non vidit, nec auris audiuit, nec in cor hominis ascendit, hæc præparauit Deus diligentibus se. Ne tamen ad tempus eius videatur valere sententia, qui in se iam diuinam sententiam prouocarat,

Dilecto fratri Ioanni, Caelestinus.

XX. OPTAREMVS quidem, sicuti est vna Deitatis essentia, ita inter omnes, qui vbique sunt homines, vnam rectę Fidei veritatem teneri. Minor tamen gemitus est, ll qui se extra gregem dominicum segregantes, & per angulos latebrasq. latitantes, alios sibi vel paucos, qui secum sentiunt, occulto errore persuadeant. Cum vero aliquis sacrosanctæ Ecclesiæ Dei sub nomine præpositus sacerdotis, ipsum Christi populum à tramite veritatis in præceps deuiæ persuasionis auertit, & hoc in amplissima vrbe, ad quam propter inhabitantis Imperatoris reuerentiã de vniuerso orbe cõfluit multitudo; tunc plane est geminanda lamentatio, & maior sollicitudo, ne quid lupi rapacitas prævaleat, adhibenda. Minor enim cura est obsidentis inimici, quàm intra mœnia debacchantis: leuiusq. sollicitat lupus extra ouilia pererrans, quàm intra gregem locum pastoris inuadens: quia bellum plus quàm ciuile est, cum intra Ecclesiam, ideſt, intra ipsum Christi thalamum tela sectæ impiæ iaciuntur. Vnde vehementer contristata sunt nostra viscera, quòd is, qui Constantinopolitanam obtinere videtur ecclesiam, deuotissimis Christi populis peruersa quædam contra reuerentiam Virginei partus, & contra spem nostræ salutis infundit. Hæc ad nos ingerente dolore fidelium peruenerunt; hæc libris, quos ipse miserat, publicata sunt; &, quod maioris probationis est, hæc ad nos missis epistolis ipsa auctoris subscriptione munitis, ita insinuata sunt, vt dubitari vltra non liceat. Vnde quoniam in talibus causis nõ est tuta longior conniuentia, quia tantumdem pæne criminis est conniuere talibus, quanti sceleris est tam sacrilega prædicare; & episcopum Nestorium, & si quis alius eum secutus hæc prædicat, à nostra cõmunione secreuimus, quamdiu scriptura professionis emissa, peruersitatem, quam cœperat docere, condemnet; & hanc de Virgineo partu, ideſt, de humani generis salute fidem asserat se tenere, quam secũdum Apostolicam doctrinam Romana, & Alexandrina, & catholica vniuersalis Ecclesia tenet, & veneratur, & prædicat. Si quis vero aut ab episcopo Nestorio, aut ab alijs qui eum sequuntur, ex quo talia prædicare cœperunt, vel excommunicatus, vel exutus est seu antistitis, seu clerici dignitate, hunc in nostra communione & durasse & durare manifestum est. ACACII BEROEAE EPIscopi ad Cyrillum epistola.

Domino meo per omnia sanctissimo, Deoq. dilectissimo Episcopo Cyrillo, Acacius in Domino Sal.

XXIII. PIETATIS tuæ litteras paulo ante ad nos perlatas, propter rumores & turbas in vrbe Constantinopolitana excitatas infaustis lacrymis lamentisq. plenas legi; quibus Christianæ fidei profunditas quantum sat est ijs, qui eiusdem participes extitere, breuiter exponitur. nam principio quoque hæc in mediũ afferre superuacaneum erat. Quam enim vtilitatem insignis ille disputator Apollinaris Laodicenus in Ecclesiam attulit, dum veluti vnus è principibus de recta Fide aduersus Fidei hostes depugnat? An non, dum suæ sapientiæ nimium fidit, dumq. ex inuijs, planeq. impermeabilibus, quosdam meatus & quasi vias in incontaminatã simplicemq. Christi Fidem introducere nititur, id conatu suo consequutus est, vt ab vniuersa catholica Ecclesia inter schismaticos haberetur? An non à quodam veterum Episcoporum, dum bene affectos, integroq. sensu & mentis intelligentia præditos, ne curiosius quæ humanum captum excedunt, perueſtigarent, reprimere vellet, sapientissime cordatissimeq. dictum est quando-

Non est enim tibi necessarium ea quæ abscondita sunt, videre oculis tuis. Illos autem qui inquirunt, qua ratione eos excusent qui hæc cognoscere effarive laborant, eiusmodi quid passos aiunt, quæ beato Paulino Episcopo accidisse traditur. Hic enim

Quamobrem si quid tale initio effluxit, quod multos merito religiosos piosq. homines affligere conturbareve queat, tuam integritatem, omnibusq. numeris absolutam prudentiam summopere niti decet, vt motum hunc continuo sedet: quamquam, vt aliàs quoque indicaui, plurimi tum Clero adscripti, tum plebei quoque ex vrbe Constantinopolitana Antiochiã

ΑΚΑΚΙΟΥ ΒΕΡΡΟΙΑΣ ΕΠΙΣΚΟΠΟΥ ΠΡΟΣ ΚΥΡΙΛΛΟΝ ΕΠΙΣΤΟΛΗ.

Τῷ δεσπότῃ μου τῷ πάντα ἁγιωτάτῳ καὶ θεοφιλεστάτῳ ἐπισκόπῳ Κυρίλλῳ Ἀκάκιος ἐν κυρίῳ χαίρειν.

ΕΝέτυχον χάρμασι τῆς σῆς θεοσεβείας, ὅτε τοῦ σωτῆρος ἡμῶν δεσποτικοῖς ἀπρεπῶς, δακρύων καὶ θρήνων μεστῆς, τῶν ἁγίων Κωνσταντινουπόλιν θρυλουμένων ἔνεκεν· ἐν οἷς καὶ κεφαλὴ τὸ [x] βάθος τῆς ἁγίας Χριστοῦ πίστεως, καθὸ δὴ μετέχουσιν, ὡς ἀληθῶς ἐμοὶ δοκεῖ, καὶ τὸν ἀρχαῖον εἰς μέσον ἀχθῆναι. τί γὰρ ὤνησεν Ἀπολινάριος ὁ Δαοδικεὺς, ἐξ ὧν ἐν τοῖς ἔμπροσθεν ὁ μέγας ἀγωνιστὴς, ὁ ὑπὲρ τῆς ὀρθῆς πίστεως κεφαλαιωδῶς πρὸς τοὺς ἐχθροὺς μαχεσάμενος, θεραπείας ἑαυτὸν τῇ σοφίᾳ; καὶ ἐθελήσας περισσαγεῖν ἐξ ἀπόρων πόρους ἴσως, τῇ καθαρᾷ καὶ ἀβόλῳ τοῦ Χριστοῦ πίστει; οὐ περιεπλάκησαν ἐν τοῖς χισμαδικοῖς ἑαυτὸν ᾧδῇ τῇ καθόλου ἐκκλησίᾳ λογομαθίαις; οὐκ ἔστιν ἵνα τῶν πρὸ ἡμῶν θεσπεσίων, [x] αἰσχύλλαι βουλομένῳ, τὸν ὑπὲρ ἄνθρωπον μὴ πειρᾶζεσθαι τοὺς δι' ἀγάπης μεμαθηκότας, ἐρρωμένῃ τῇ διανοίᾳ, καὶ ἐπιλέγειν σαυτῷ ταύτῃ ῥήξασθαι τὸν φωνέα· πῶς ὁ πατὴρ τὸν μονογενῆ ἐγέννησε, σιωπᾷ ἰσμάσθω; καὶ περιόντος τοῦ λόγου, ἀπαριθμήσατο ὡς διαλανθάνει ἤδη ἡ ἕρμα καὶ μικρὸν πᾶσαν ὁμοῦ τὰς κατ' οὐρανὸν δυνάμεις, μᾶλλον δὲ ἀνθρώπους, καὶ ἔννοιαν ἀνθρώπων; πῶς οὖν οὐκ ἀναγκαῖα καὶ πρέπουσα ἡ παραίνεσις τῶν θείων γραφῶν, ἐκδιδάσκουσα· βαθύτερά σου μὴ ζήτει, καὶ ἰσχυρότερά σου μὴ [x] ἐξέτασε· ἃ προστέταχέ σοι, ταῦτα διανοοῦ. οὐ γὰρ χρεία σοι τῶν κρυπτῶν. οἱ δὲ ὑπερεκπλαγῆναι ζητοῦντες τῶν πάντα ἐννοοῦντος καὶ Θεοῦ πάντων δημιουργοῦντος, παρόμοιόν τι λέγουσι πτοηθῆναι, ὃν ὑπέμεινεν ὁ μακάριος Παυλῖνος ὁ ἐπίσκοπος, ὃς παρῆπτο τρεῖς ὑποστάσεις λέγειν ῥητῶς, δυνάμει καὶ ἀληθῶς [x] τοῦτο Φρυγῶν, [x] τοῦτο μειζόνων. ἠκολούθησε δὲ τοῖς δυτικοῖς θεοφιλέσιν ἐπισκόποις, τῷ ἐστερῶσθαι τὸν Ρωμαϊκὸν φωνὸν, καὶ μὴ δυνασθαι πρὸς τὸν ἡμέτερον τῶν Γραικῶν Φρυγῶν, τρεῖς ὑποστάσεις λέγειν. Πλὴν ὅτι χρὴ πάντας ἡμᾶς τοὺς δυναμένους συναλγεῖν καὶ συμπάσχειν τῇ ἐκκλησίᾳ τοῦ θεοῦ, ὡς πολλοῦ πάσης, κατεστάλαι τὸν ἐξαγγελθέντα φωνὸν· ὅπως μὴ πρόφασις δοθῇ τοῖς διαζητοῦσι καὶ διαπίπτειν τὴν ἐκκλησίαν τοῦ θεοῦ ἑτοίμως ἔχουσι. διὸ χρὴ τὸν σὸν ὁσιότητα καὶ ἀπηρτισμένην σύνεσιν, εἴ καί τι τοιοῦτον τὸν ἀρχὸν ἐλέχθη, τὸ [x] λυπεῖν, καὶ διαταράττειν πολλοὺς τῶν εὐλαβῶν καὶ φιλοχρίστων δυνάμενον, κατεστάλαι τὸ κινηθέν. εἰ καὶ τὰ μάλιστα, ὡς φθάσας ἔφθη, πολλοὶ τῶν ἀπὸ Κωνσταντινουπόλεως ἀφικνουμένων εἰς Ἀντιόχειαν καὶ πρὸς ἡμᾶς, τοῦτο μὲν πλεονεκτῶν, τοῦτο

pacem mittere in terram, sed gladium. Veni enim separare hominem aduersus patrem suum. Quòd absque omni crimine & noxa, immo vero summa cum laude bellũ in parentes suscipitur, quando id ad Christi gloriam facere dignoscitur; quo pacto modis omnibus necessarium non est, vt (licet ob fratris iacturam lacrymis perfundamur) diuino zelo accingamur, illudq. tantum non omnibus qui terram incolunt, occinamus: Si quis est Domini, iungatur mihi? Equidem amice vnis iam aut alteris illum admonui litteris, ne proprij iudicij sensum sequi malit, quàm rectam, Apostolicamque, & Ecclesijs iam olim traditam Fidem; ratus fore, vt hac ratione ab expositionum suarũ pranitate recederet. Verum pharmacum beneuolentiæ nihil hactenus profuit, suggestumq. cõ filium vi caruit. Immo vero tantum abfuit vt veritatis dogmata complecti instituerit, vt litteras quoque sua ipsius subscriptione munitas ad me dederit; in quibus haud secus ac graui iniuria à me affectus, stomachatur, aperteq. sacram Virginem Dei genitricem esse inficiatur. Quod, quæso, quid aliud est, quàm manifeste dicere, Emmanuelem, ex quo tota salutis nostrę fiducia pendet, non esse verum Deum?

Exod. 12. c. 22.

Ceterum Romanam Ecclesiam in suam sententiam pertrahere se posse arbitratus, scripsit ad eiusdem Ecclesiæ Episcopum Cælestinum, dominum, fratrem & comministrum meum longe pijssimum, Deoq. dilectissimum; ijsq. litteris dogmatum suorum peruersitatem inseruit. Misit eidem & multas quoque exegeses, ex quibus peruersa sentire aperte deprehensus, iure merito ab illo hæreseos est condemnatus. Cum igitur reuerendissimus pijssimusq. Romanæ Ecclesiæ Episcopus Cælestinus comperta de illo scripserit, ipsasq. litteras ad me dederit; equidem illas vicissim ad te mittendas existimaui; quò nimirum pium quemdam zelum, ad quem alioqui pietas tua suapte natura incensa est, litteris illis excusitem: quatenus vnanimi consensu, alacriq. contentione, charitatem, quæ est in Christo, accingamur, populoq. non paruis periculis obiecto salutem procuremus; ac Ecclesiam denique adeo conspicuam illustremq. stabiliamus. Hoc autem cõsequemur, si singuli cum singulis congruentes, secundum præfinitam formulam, cum ad ipsum, tum ad populum quoque scribamus. Nam si in rem id fecerimus; hoc est, si illum ab ijs quæ hactenus sentit, ad veritatem transtulerimus, lucrifaciemus fratrẽ, seruabimus & Ecclesiæ quoque pastorem: sin vero consilium hoc nostrum frustra susceptum fuerit, sibi ipsi quodcumque tandem euenerit, adscribens, laborum suorum fructum ipse manducabit. Oportebit autem litteris ad Christianissimum, pijssimumq. Imperatorem, ceterosq. in magistratu constitutos missis, ijsdem persuadere, hinc quidem, ne pietati, quæ est in Christum, vlla ratione hominem anteferant; inde vero, vt terrarum orbi rectæ Fidei stabilitatem concilient, ouesq. à malo pastore liberent: nisi is tamen ita comparatus sit, vt omnium consilijs obsequi velit. Saluta quæ apud te est, fraternitatẽ: quæ apud nos est, te in Domino salutat.

EXEMPLVM EPISTOLAE scriptæ à Ioanne Episcopo Antiocheno ad Nestorium.

Domino meo pijssimo sanctissimoq. Episcopo Nestorio, Ioannes in Domino Sal.

MEAM de tua pietate sententiam per dominum meum, magnificumq. per omnia Comitem Irenæum sincere absque vllo prorsus fuco dilectioni tuæ patefeci: & quoniam vera expurgatione vsus, omni, vt arbitror, suspicione apud te vaco, libere candideq. sinceritati tuæ in posterum consilium dare instituì. Poteris autem ex ijs quæ suasurus sum, nostri erga te candoris non leue argumentum sumere; simulq. quantæ ea charitas, quæ secundum Deum est, curæ nobis sit perspicere. Quam sane charitatem qui consectantur, illi diuinis legibus obtemperant: qui vero ea neglecta, imposturis student, ij suis se telis prius conficiunt, quàm eos quos adoriuntur. Hæc itaque opportune, vt existimo, præfatus, te etiam atque etiam rogo, vt me consultorem haud malum tibi futurum beneuole admittas: neque siquid vtile, aut diuinæ charitati cognatum in dictis meis occurrerit, idipsum respuas.

XXV.

Et quidem oportebat, vt de rebus bonis atque vtilibus inter nos conferremus. Verum quia peccata nostra perturbationibus ecclesiasticis ingens ostium patefecerunt, ideo ea charitati tuæ explanare cogor, quæ nuperrime ex Romana & Alexandrina vrbe ad me perscripta sunt. Etenim clerici Alexandrini diuersas de tua pietate litteras magno ad nos studio pertulerunt; vnas quidem pijssimi Episcopi Cælestini; reliquas omnes sanctissimi Episcopi Cyrilli. Harum autem exempla mittens, charitatem tuam obnixe rogatam cupio, vt ita eas legat, ne qua hinc animi perturbatio consurgat; ex qua contentiones, seditionesq. admodum noxiæ sæpenumero exoriuntur. Sed neque rem hanc tantam parui quoque ducas, aut contemnas. Diabolus namque res initio minus recte habentes, per superbiam nouit amplificare, in eamq. magnitudinem paulatim euehere, vt postea omnem curã, omnemq. medicinam respuant. Quare beneuolum ac studiosum affectum ad illarum litterarum lectionem afferas: viros quoque nonnullos cordatos, ac tibi beneuolos, ad propositarum rerum considerationem socios tibi adiungas; illisq. non quæ grata, sed quæ vtilia sunt, effandi potestatem facias. Omnino enim si arbitri plures, minimeq. fucati, ac liberam quod sentiunt dicendi facultatem nacti, præsentis negotij disquisitioni adhibeantur, facillime illud ea deliberatione consequemur, vt id quod nunc perplexum, durum ac triste censetur, mox leue & lætum sit.

Enimuero licet dominus meus Cælestinus Deo deuotissimus Episcopus, decem tantum dierum interuallum, terminum vsque responsioni præfinitum valde angustum, litteris suis interposuerit;

tamen res ea eiusmodi est, vt non dico decem diebus, sed vno, immo vero paucis horis tota confici posse videatur. Nam quid facilius est, quàm nomine commodo, multisq. sanctis Patribus visitato, & vero nihilominus salutariq. ex Virginis ortui percongruo, in Christi omnium nostrum Regis dispensatione vti? Cum hoc ergo neque graue, neque periculosum sit, æquum non est vt sanctitas tua illud refutet. Neque id nunc apud se cogitet, turpe esse sibi pugnantia docere. Si enim mens tua eadem sapit & sentit, quæ sancti Patres, Ecclesiæq. Doctores sentiunt & sapiunt, (nam hoc, domine mi, & ex multis, & ex communibus amicis de te accepimus) quorsum vereris pium animi tui sensum conuenienti voce publicare? præsertim cum tot tantiq. tumultus ac disceptationes ex te natæ, ob oculos iam versentur. Eas namque (mihi crede, Deo dilecte) cum apud finitimos, tum apud longe quoque positos turbas concitasti, quæ ingentem ex insperato Ecclesijs tempestatem peperere. Constat enim, fideles circumquaque degentes, huius quæstionis & cõtrouersiæ causa inter se conflictari, quotidieq. à se inuicem diuelli. Verum autem esse quod dicimus, ex ipsismet rebus haud difficile perspicere licet. Nam & Occidens, & Aegyptus, & ipsa quoque Macedonia ab ea vnione sese abrumpere decreuerunt, quam singularis Dei beneficentia, per multos sanctorum Patrum, celebriumq. Episcoporum, & præcipue per sanctissimi magniq. illius patris nostri Acacij sudores molestiasq. communi Ecclesiæ vtilitati impertiuit. Quis, quæso, reprehendat, si ea quæ sentis, libere exponas? Immo vero quis laudibus non efferat, si nomen, cuius sensum pietas tua, vt cognouimus, possidet, propter publicam quietem, communemq. orbis pacem aliquando amplecti in animum inducas? Quòd si ita visum est, perpulchrum, & ad præsentem controuersiam peropportunum exemplum tibi hoc loco in mentem reducam, cuius te quoque meminisse velim. temporis enim, ex quo illud apud nos accidit, adeo multum non interceſsit, vt iam animo excidere potuerit. Memoria haud dubie tenes, cùm beato [x] Paulo in expositione quadam excidisset quiddam, quod tibi in primis, cui per id tempus ceteris liberius agere licebat, tum alijs quoque omnibus, ad quorum aures peruenerat, neque recte, neque satis quoque catholice dictum videbatur; quo pacto ille, posteaquam damnum turbamq. quæ exiguus admodum motus pepererat, considerasset, expendisset, nihilo secius eiusmodi tumultuationes, sectas, dissidiaq. generare posse; (solent namque homines huiusmodi arrepta occasione, vltro citroq. tumultuari, atque à se mutuo seiungi) cogitasset præterea, paruam offensionis scintillam magnum sæpe fomitem discordijs subministrare, (quod etiam nũc apud nos vsu veniisse cernimus) ac tandem opportunæ correctionis commoda secum reputasset; non post multos dies generose in medium progressus, id quod à se non satis commode dictum fuerat, in gratiam Ecclesiæ, nihil quidquam veritus, correxerit; factaq. emendatione omnem mox calumniam aduersum se excitatam penitus extinxerit. Et quamuis nemo nesciret, quod

quod ab illo dictum erat, minus recte sincereq. dictum fuisse; attamen quòd prompte id retractaret quod dixerat, hominem statim complexi sunt omnes.

Equidem non ad probrosam aliquam orationis correctionem, neque ad puerilem palinodiã, vt sic loquar, pietatem tuam inuito: sed quia multi, vt intelligo, non infrequenter ex te audierunt, quòd ipsam solam vocem, non piam quoque ipsius vocis notionem auerseris: si qui vero celebrioris famæ Ecclesiastici auctores tibi fuerint, vt ipso quoque nomine admisso, sacram virginem Mariam Deiparam appelles, te istud neutiquam recusaturum esse. Hanc ob rem te iterum atque iterum moneo, hortorque, vt libera id voce depromas, quod citra errorem sapere certo dignosceris. Age inquam, rei quam recte tenes, nomen, quod à multis sæpe Patribus vsurpatum, scriptum, ac pronuntiatum est, adiungere ne graueris: neque vocabulum, quod piam rectamq. notionem in animo gignit, refutare pergas. Etenim nomen hoc, Theotocos, nullus vnquam Ecclesiasticorum doctorum repudiauit. Qui autem illo subinde vsi sunt, & multi reperiũtur, & apprime celebres. Quòd si qui sunt qui illud non vsurparunt, illi numquam erroris alicuius eos insimularunt, qui illo forte vsi fuissent. Sane dum superuacanea quadam ad vanas hæreticorum opiniones solum spectante curiositate incitati, nomen, cuius sententiam recte tenemus, pertinaciter respuimus; aliud nihil, vt videtur, facimus, quàm quòd fratrum nostrorum conscientias & temere, & absque vlla vtilitate grauiter offendimus, planeq. contemnimus. Etenim si id quod nominis significatione offertur, non recipimus; restat, vt in grauissimum errorem prolabamur: immo vero, vt circa inexplicabilem illam vnigeniti Filij Dei œconomiam periculosissime versemur: quandoquidem nomine hoc sublato, vel huius potius nominis notione repudiata, sequitur mox, illum non esse Deum, qui admirabilem illam dispensationem nostræ salutis causa suscepit; tum Dei Verbum neque se exinaniuisse, neque in serui formam se demittens, ineffabilem quamdam benignitatis magnitudinem humano generi exhibuisse. Hanc enim Dei erga nos clementiam diuinæ Scripturæ hinc præcipue confirmant, quòd vnicum illum sempiternumq. Dei Filium ante omnia sæcula natum, impatibili modo ex sacra quoque Virgine ortum ostendunt. Huc namque diuinus tendit Apostolus, dum ita ait: Misit Deus Filium suum factum ex muliere. Clare hic ostendit, non alium, sed ipsummet Dei Vnigenitum admirabili ortu ex Virgine in lucem prodijsse, vt paulo ante dixi. Quòd si Virgo à sanctis Patribus propter hanc generationem Deipara nominatur, vt vere hoc nomine ab illis nominatur, nescio quorsum attinuerit, vt quæstionem hanc nequaquam necessariam (bona venia tua dictum sit) & contra illos ipsos, & contra Ecclesiasticam pacẽ quoque, vt vides, agitandam susceperimus. Etenim nulli nos periculo exponimus, si ea sentimus & loquimur, quæ doctores in Ecclesia Dei celeberrimos sensisse & docuisse certo nouimus. Superuacaneum autem est illorum nomina hoc loco percensere. nosti enim illos æque ac nos, vt

Hoc nostrum, quæso, consilium admitte; hæc per nos rogatus exequare, nullum dissidijs locũ, nullum gliscenti nouitati fomentum suppedites. Cogita, si priusquam vllæ omnino litteræ missæ forent, multi contra nos extitere infrẽnes, præneq. intolerabiles; quales nunc futuri sint, tanta ex allatis litteris submini strata fiducia; qualiq. in posterum aduersus nos audacia sint vsuri. Hæc ego, complures religiosissimos, tuæq. pietatis studiosissimos Episcopos apud me habens, quos tunc adesse contigit, cum infaustæ illæ litteræ afferrentur, scribere volui; ratus ingenui amici officium, illudq. à promissione mea non alienũ me præstiturum, si fraterno quodam consilio existimationem tuam grauiter hoc tempore laborantem, nonnihil subleuarem. Quocirca pietatem tuam rogo, obtestorque, vt ea quæ ob sanctæ Ecclesię tranquillitatem cum Dei timore, veraq. erga te charitate exposui, placido animo suscipias. Nam non solus hæc dictaui, sed, vt modo aiebam, præsentibus multis Episcopis, videlicet domino meo Archelao Episcopo pijssimo, Apringio, Theodoreto, Heliade, Meletio, & Macario, qui per Dei gratiam ecclesiæ Laodicænæ præfectus est nuperrime. Qui omnes & in Fidei doctrina instructissimi, & tui studiosissimi vnà mecum, domine mi, te rogant, vt animo facili litterarum illarum turbinis instar ruentium impetũ sistas: quæ, si quidem obstinati restiterimus, molestiam afferent non modicam: sin autem obsecuti fuerimus, neque turbare, neque alia ex parte confundere nos poterunt. Hæc, tua perinde ac propria cordi habentes, monere voluimus. iam tuum est æquo beneuoloq. animo monita nostra complecti: nisi forsan minus nostri amans ita comparatus sis, vt cum tui, & reip. Christianæ damno obstinate hæc aspernari decreueris. Obsecro, vt quàmprimum, quod visum fuerit, immo vero non quod visum fuerit, sed quod vtile sit rescribas.

3 Credimus in vnum Deum, Patrem omnipotentem, omnium viſibilium & inuiſibilium creatorem: Et in vnum Dominum IESVM Chriſtum, filium Dei vnigenitum, natum ex Patre, hoc eſt, ex Patris ſubſtantia, Deum de Deo, lumen de lumine, Deum verum de Deo vero; genitum, non factum, conſubſtantialem Patri; per quem omnia facta ſunt & quæ in cælo & quæ in terra. Qui propter nos homines, & propter noſtram ſalutem deſcendit, & incarnatus eſt, & homo factus eſt, & paſſus eſt, & tertia die reſurrexit: aſcendit ad cælos, venturus iudicare viuos & mortuos: Et in Spiritum ſanctum. Qui autem dicunt: Erat aliquando cum non eſſet, & priuſquam naſceretur, non erat; vel quòd ex non exiſtentibus, aut ex alia ſubſtantia, vel eſſentia ſit; aut qui Filium Dei mutationi, aut alterationi obnoxium aſſerunt; hos catholica & Apoſtolica anathematizat Eccleſia. Deus, licet carnẽ & ſanguinem aſſumpſiſſet, conſtanter manens: neque carnem in diuinitatis naturam verſam; nec contra rurſum, ineffabilem illam naturam in carnis ſubſtantiam tranſmutatam aſſerimus. eſt enim immutabilis, nulliq. alterationi obnoxius, ſemper idem, ſuiq. ſimilis, vt ſcriptum eſt, manens. positasim vnitum fateamur; vnum tamen Filium ac Dominum IESVM Christum adoramus: neque Deum & hominem secamus, aut in partes diuellimus, quasi dignitatis tantum & auctoritatis communicatione inter se consociẽtur: (hoc enim dicere, nihil aliud esset, quàm inanem quamdam vocum nouitatem inepte profundere) neque duos constituimus Christos; alterum per se ac seorsum Dei Patris Verbum; alterum illum rursus seorsum, qui ex muliere natus est: sed vnum dumtaxat Christum agnoscimus, Dei videlicet Patris Verbum cum carne, quam propriam sibi adsciuit. Ex eo enim tempore etiam si ijs, qui vt recipiant non indigni videntur, Spiritum sanctũ impertiatur, æque ac vnus ex nobis secundum humanam naturam inunctus esse dicitur. verum istud, vt beatus Euangelista Ioannes testatur, non ad mensuram. Sed neque Dei Verbum in sacræ Virginis filio, veluti in communi quodam homine inhabitasse, dicere quoque fas est; ne hac videlicet ratione Christus Deifer homo esse intelligatur. Nam licet Verbum in nobis habitarit, omnemq. diuinitatis plenitudinem corporaliter in Christo inhabitare, litteris alicubi proditum sit; attamen non ita in illo habitauit, vt in Sanctis inhabitare dicitur. Habitauit autem eatenus in illo, quatenus caro factum est; talemq. fere, carni secundum naturam vnitum, non etiam in carnẽ versum, in ea habitationem constituit, qualem in suo corpore hominis anima efficere consueuit.

Ioan. 3. d. 34.

Ioan. 1. b. 14.

Coloss. 2. b. 9.

Vnus itaque est Christus & Filius & Dominus; non ita quasi homo eam tantum cum Deo coniunctionem sortitus sit, quæ in sola dignitatis, vel auctoritatis vnitate, hoc est æqualitate, posita sit. non enim honoris æqualitas naturas vnit: alioqui Petrus & Ioannes qui paris dignitatis extiterunt (ambo namque fuerunt Apostoli, ambo sancti discipuli) vnus essent, non duo. nec rursum appositione, vel quadam quoque contiguatione, aut conglutinatione vnam vnitatem metimur: ea enim ad naturalem vnionem constituendam sat esse nequit: neque secundum habitus participationem, quomodo nos Domino cohæremus, vnusque, vt scriptum est, cum eo spiritus efficimur: immo vero coagmentationis, connexionis, vel contiguationis vocabulum, tamquam ad vnionem hanc exprimendam minus idoneum, non iniuria hic repudiamus. Sed neque Dei Patris Verbum, Christi Deum aut dominum nominamus; ne vnum rursus Christum & Filium & Dominum in duos aperte diuellentes, in blasphemiæ crimen (vtpote Deum ipsum sui ipsius dominum constituentes) incidamus. Verbum enim Dei, vt sæpe iam admonuimus, carni secundum hypostasim vnitum, & Deus est, & creaturarum omnium dominus; sui autem ipsius neque dominus neque seruus est. Ita enim sapere, aut dicere, nihil aliud esset, quàm impie desipere. Appellat quidem Patrem Deum suum, licet Dei Verbum Deus sit, & ex paterna substantia genitum: non ignoramus tamen, cum hoc ipso quòd Deus est, hominẽ quoque factum esse, proindeq. secundũ legem humanæ naturæ congruentem, Deo subiectũ esse. Interim vt sui ipsius vel Deus vel dominus sit, id fieri nulla ratione potest. Vt homo igitur, & ad exinanitionis condicionem quod spectat, æque

Porro autem voces, quibus Saluator noster de se loquens, passim in Euangelijs vtitur, illas duabus subsistentijs aut personis nequaquam tribuimus. nam etsi ex duabus rebus, rjsq. diuersis, in vnitatem quamdam inseparabilem coaluerit; vnus tamen & solus est Christus, non etiam gemi- 8
nus. Quemadmodum etiam homo, licet ex anima & corpore constituatur, non duo tamen, sed vnus tantum ex vtroque concretus est. Vnde recto animi sensu vtentes, vtrasque, hoc est, diuinas & humanas ad vnam tantum personam transferimus. Cum ergo vt Deus de se ipso ait: Qui videt me, videt & Patrem meum. &: Ego & Pater vnum sumus; diuinam ineffabilemq. illius naturam concipimus, secundum quam vnum est cum suo Patre, propter eamdem, quam cum ipso sortitur essentiam. Est enim imago & character & splendor gloriæ illius. Quando vero humanæ naturæ infirmitatem non aspernatus, Iudæos hac oratione alloquitur: Nunc quæritis me interficere hominem, qui veritatem dixi vobis; æquè iterũ, ac ante, ipsum Dei Verbum, quod in æqualitate & similitudine Patris consistit, non nudum tamen, sed humanæ naturæ condicionibus vestitum agnoscimus. Etenim si credere nos oportet, cùm suapte natura Deus esset, carnem, hoc est, hominem anima rationali animatum effectũ esse; quam obsecro excusationem afferre potest is, quem ijs vocibus vti pudet, quas ille in humanam naturam conuenientes deprompsit? Nam si voces quæ in hominem cõgruunt, refutaret; quis eum vt homo nostri similis fieret, coegit? Cum ergo nostri causa semetipsum in voluntariam exinanitionem demiserit, nulla apparet causa, cur sermones huic exinanitioni consentaneos repudiare debuerit. Omnes proinde voces, quæ in Euangelijs leguntur, vni tantum personæ, vniq. Dei Verbi incarnati hypostasi tribuamus necesse est. Vnus enim est Dominus IESVS Christus, secundum Scripturas.

Rursum licet Apostolus, nostræq. confessionis 9
Pontifex appelletur, tamquam qui fidei confessionẽ, quam ipsi & per ipsum Deo Patri & sancto quoque Spiritui litamus, Deo Patri offerat; hoc tamen non obstat, quo minus ipsum naturalem & vnigenitum Dei Patris Filium esse prædicemus. Neque enim sacerdotij nomen aut rem homini ab ipso diuerso adscribimus: quandoquidem vnus hic, dum Deo & Patri in odorem suauitatis se ipsum offert, Dei & hominum mediator & pacificator effectus est. Atque huc tendit dum ait: Hostiam & oblationem noluisti, corpus autem aptasti mihi. holocautomata, & pro peccato, nõ tibi placuerunt. tunc dixi: Ecce venio. in capite libri scriptum est de me: vt faciam voluntatem tuam Deus. Nostri enim, non sui causa corpus proprium in odorem suauitatis obtulit. Qua enim ille oblatione aut sacrificio pro se ipso indigeret, qui omni peccato, vt Deus, superior existebat? Si enim omnes peccauerunt, & egent gloria Dei; prout omnes ad lapsum propensi

XXVIII PIETATIS vestræ zelum, quem pro Christo publice in orthodoxorum Ecclesia blasphemijs appetito declarastis, plene didicimus; summisq. laudibus, vt æquum erat, dilectionem vestram in Christum & eius nomen extulimus. At nos interim in lacrymis luctuq. iacentes, Christum vniuersorum saluatorẽ obtestamur, vt vel nunc tandem diffipatis diaboli laqueis, Ecclesiarum scandala præscindat, maledictisq. gloriam illius infectantes compescat. Quia vero longanimis est, pœnitentiæ tẽpus abunde satis Nestorio hucusque concessit, omnibus interea conticentibus, magnoq. desiderio expectantibus, vt profana illa vocum nouitate relicta, quæ recta ac decentia, diuinisq. Scripturis consentanea sunt, nobiscum saperet; Fidemq. per sanctos Apostolos & Euangelistas, qui germani mysteriorũ Christi dispensatores extiterunt, mandatumq. vt Euangelium illius vniuerso terrarũ orbi annuntiarent, habuerunt, iam inde ab initio traditam susciperet. At quia in ijsdem erroribus perseuerat, blasphemiasq. blasphemijs cumulans ad deteriora subinde gradũ facit, & peregrina alienaq. dogmata, quę sancta Dei Ecclesia nũquam agnouit, proponere non desinit; omni seruata æquitate grauati nõ sumus vel tenuis litteris illum commonefacere. quibus illæ quoque accedunt, quæ iam vnà cũ nostris postremis, à sanctissimo pijssimoq. fratre & comministro nostro Cælestino magnæ vrbis Romæ Episcopo missæ sunt.

Summa autem admonitionis hæc est; si quidem resipiscere, & ea quæ dixit, lacrymis diluere; ac dogmata nihilominus quæ falsa proposuit, scripto anathemate condemnare; & rectam tandem inculpatamq. catholicæ Ecclesiæ fidem voluerit agnoscere; fore vt veniam, si tamen eam petat, & quæ oportet doceri se sinat, promereatur. INSANI NESTORII ANAthematismi, Cyrilli Anathematismis oppositi.

XXIX. SI quis eum qui est Emmanuel, Deum verum esse dixerit, & non potius nobiscum Deum; hoc est, inhabitasse eam quæ secundum nos est, naturam, per id quòd vnitus est nostræ, quam de Maria virgine susceperit: matrem etiam Dei Verbi, & non potius eius, qui Emmanuel est, nuncupauerit; ipsumq. Dei Verbum in carnem versum esse, quam accepit ad ostentationẽ Deitatis suæ, vt habitu inueniretur vt homo; anathema sit.

C

II. Si quis in Verbi Dei coniunctione, quæ ad carnem facta est, de loco in locum mutationé, diuina sententia dixerit esse factam; eiusq. diuinæ naturæ carnem capacem dixerit, ac partialiter vnitam carni; aut iterum in infinitum incircumscriptæ naturæ, cum extenderent carnem, accipiendum Deum; eumdemq. ipsum natura & Deũ dicat & hominem; anathema sit.

D

III. Si quis non secundum coniunctionem vnũ dixerit Christum, qui est etiam Emmanuel secundum naturam; ex vtraque etiam substantia, tam Dei Verbi, quàm etiam ab eo hominis suscepti, in vna Filij connexione, quam etiam nunc inconfuse seruamus, minimo confitetur; anathema sit.

IV. Si quis eas voces, quæ tam in Euangelicis, quàm in epistolis Apostolicis de Christo, qui est ex vtraque, scripta sunt, accipiat tamquam de vna natura; ipsiq. Dei Verbo tentat passiones

tribuere, tam secũdum carnem, quàm etiam Deitatem; anathema sit.

V. Si quis vnum esse post assumptionem hominis naturaliter Dei Filium audet dicere, cum sit Emmanuel; anathema sit.

VI. Si quis post incarnationem Deum Verbum alterum quempiam præter Christum nominauerit; serui sane formam initium non habere cum Deo Verbo, & increatam, vt ipse est, dicere tentauerit, & non magis ab ipso creatam confiteatur, quàm natura Dominum & creatorem & Deum, quam & suscitare propria virtute promisit: Soluite, dicens, templum hoc, & in triduo suscitabo illud; anathema sit.

Psal.109.

VII. Si quis hominem, qui in Virgine creatus est, hunc esse Vnigenitum dixerit qui ex vtero Patris ante Luciferum natus est, & non magis propter vnitionem eum, qui est naturaliter Vnigenitus, Patris ingeniti appellatione confiteatur participem factum; IESVM quoque alterum quempiam præter Emmanuelem dicat; anathema sit.

VIII. Si quis serui formam pro se ipso, hoc est, secundum propriæ naturæ rationem, colendam esse dixerit, & non omnium dominam; & non potius per societatem, qua beatæ, & ex se naturaliter domini Vnigeniti naturæ coniuncta est, veneratur; anathema sit.

IX. Si quis formam serui consubstantialem esse dixerit Spiritui sancto, & non potius per illius mediationem, quæ est ad Deum Verbum, & ex ipsa conceptione habuisse dixerit coniunctionẽ, per quas communes nonnumquam in homines miranda curatione exercuit, & ex hoc curandorum spirituum eueniebat esse potestatem; anathema sit.

Hebr.3.8.

X. Si quis illum in principio Verbum, Pontificẽ & Apostolum confessionis nostræ factum esse, seq. ipsum obtulisse pro nobis dicat, & non Emmanuelis esse Apostolum dixerit, oblationemq. secundum eamdem rationem ei tribuat, qui vniuit; si quis vnitus ad vnam communitatem Filij, hoc est, Deo quæ Dei, & homini quæ sunt hominis deputans; anathema sit.

Ioan.6.5. 63.

Ioan.4.c. 24.

XI. Si quis vnitam carnem, ex naturæ propriæ possibilitate viuificatricem esse dixerit, ipso Domino & Deo pronuntiante: Spiritus est qui viuificat, caro nihil prodest; anathema sit. Spiritus est Deus, at non pronuntiatum est. Si quis ergo Deum Verbum carnaliter secundum substantiam carnẽ factum esse dicat, hoc autem modo & specialiter custodit, & maxime in Domino Christo post resurrectionem suam discipulis suis dicente: Palpate & videte, quia spiritus ossa & carnem nõ habet, sicut me videtis habere; anathema sit.

Luc.24.f. 39.

XII. Si quis confitẽs passiones carnis, eas quoque tamquam Verbo Dei tribuit, quas etiã carni, in qua factus est, adhibuerit, non discernens dignitatem naturarum; anathema sit.

Pijssimis & honoratissimis, Deoq. & hominibus dilectis, Christianis Imperatoribus, Flauijs Theodosio & Valentiniano, Basilij diaconi & Archimandritæ, & Thalassij lectoris & monachi, reliquorumq. Christianorum Monachorum supplicatio, seu exhortatio.

XXX. IMMENSA illa Dei optimi maximi benignitas & clementia, quæ mortalium genus suis donis & bonis numquam cumulare desinit, in omnibus & super omnia conspicua est. Porro autem inter alia Dei beneficia non immerito censenda est veritatis cognitio, & odium falsæ cognitionis: quò nimirum explorata perspectaq. habeamus Fidei mysteria, iam inde ab initio à sanctis Apostolis, Martyribus, Confessoribus & Episcopis, conspirantibus ad id quoque religiosissimis Principibus, catholicæ Ecclesiæ tradita. Hausimus autem hanc Fidei notitiam, primo quidem ab Apostolorum principe Petro, secundum cognitionem quam diuinitus perceperat, hanc palam confitente, posteritatiq. tradente: Tu es Christus filius Dei viui: mox vero à Iacobo Apostolo & Archiepiscopo, Ioanne Apostolo & Euangelista, reliquisq. Euangelistis, Martyribus, Confessoribus, Episcopis; postremo autem ab omnibus Patribus, qui consubstantiali Trinitati crediderunt, & credunt; ab Irenæo, Gregorio magno Neocæsareæ Episcopo; à sancta Synodo Antiochiæ contra Paulum Samosatenum congregata, quæ centum octoginta numero Patres complexa, illum propter suam impietatem (negabat enim Christũ natura esse Deum, & Dei Patris filium) exauctorauit; à magna & sancta trecentorum decem & octo Episcoporum Synodo, apud Nicæam habita, quæ sententiam eorum qui Antiochiæ contra Paulum Samosatenum conuenerant, confirmauit & approbauit; à Basilio & Gregorio Episcopis & fratribus, Athanasio ecclesiæ Alexandrinæ Episcopo, Ephræm Syro, Gregorio Episcopo, Ammone Episcopo, Vitalio Episcopo, Amphilochio, Paulo, Antiocho, Eustathio, Methodio, Optimo, Leporio, Ambrosio Mediolanensium Episcopo; ab vniuersa Synodo Africana, Ioanne, Seueriano, Attico Episcopo, Cyrillo Alexandriæ Episcopo, qui etiamnum superstes vestræ pietatis legibus obsequitur. Denique nullus hominum facile enumerauerit omnes fideles, qui crediderunt & credunt in Christum Dei filium, vt qui verus Deus existit. Neque enim, posteaquam nostri causa homo factus est, id quod erat, hoc est, Deus esse desijt: semper enim (quemadmodum & vestra quoque pietas non ignorat) quod erat constanter mansit. Vnde & nos quoque credimus, & profitemur, & prædicamus, Deum Verbum, vnigenitumq. Dei Filium, qui sæcula omnia antecedebat, propter suam erga nos benignitatem, immensamq. bonitatem,

A tatem, hominem perfectum, nobisq. per omnia similem (peccato tantum excepto) effectum esse; id ipsum quod erat, non amittens, modo quem solus ipse nouit, ex sancta virgine Maria pro salute humani generis natum esse.

Ob hoc autem verum & illustre dogma in sanctissima Dei Ecclesia sincere hactenus prædicatum, Paulumq. hæreticum iure optimo eiectum, facta sunt schismata populorum, perturbatio sacerdotum, & pastorum tumultuatio. Quin & hoc ipso quoque tempore quidam è reuerendissimorum sacerdotum numero Nestorium, qui Episcopatus huius sedem (si tamen Episcopum vocare fas est) obtinere videtur, eo quòd Christum natura verum Deum, sanctam vero Virginem Deiparam esse obstinata animi contentione negare pergat, in publico consessu non infrequēter corripuerunt, & propter prætractam illius contumaciam ab eiusdem communione palam desciuerunt, & in hodiernū vsque diem desciscunt: nonnulli clanculū ab illius consortio se subduxerunt: alij ex religiosissimis presbyteris, quoniā in hac sancta Ecclesia dicebant, Pax oris maritimis contra pullulans prauum dogma; hæc dicere prohibiti sunt. Vnde accidit, vt populus vsitatam, pridemq. receptam Fidei doctrinam requirens, publice aliquando inclamarit: Regulum habemus, Episcopum non habemus. Verum hic populi conatus non mansit impunis. Pars namque illo ipso temporis articulo comprehensa, & in regia hac ciuitate ad tribunal abstracta, tali immanitate diuerberata exceptaq. est, qualis ne apud barbaras quidem nationes quandoque vsitata fuit. Non defuerunt qui populo præsente & audiente in sanctissima Ecclesia coram illi reclamarent; quamuis hoc ipsum quoque non citra grauissima incommoda, quæ ea de causa pertulerunt. Denique simplex quidam monachus, zelo vehementi instigatus, in medium Ecclesiæ progressus, impietatis præconem, quòd hæreticus esset, quòdq. populi synaxis haberetur, ab ingressu prohibuit. Sed hunc ille cæsum, magnificis præsidibus tradidit; flagrisq. denuo dissectum, publico præcone non absque clamore præeunte, miserando spectaculo in exilium expulit. Neque tragœdia hæc hisce finibus constitit. Etenim quidam ex proscripti contubernio post impiam illius cōcionem, certissimam, nisi Deus prohibuisset, in ipsamet sacrosancta Dei Ecclesia cædem edituri erant.

Porro autem quæ nos ab illo perpessi sumus, ea omnem fidem omnemq. opinionem longe superant. Etenim quo perfecte edoceremur, vera ne ea essent, an falsa, quæ de eo acceperamus, in Episcopale palatium illius iussu hortatuq. conscendimus. Aliquoties autem in aliud & aliud tempus reiecti, vix tandem prodiens: Quæ, inquit, vultis, ea paucis exponite. Posteaquam vero ex nobis audiuit, quæ docuerat; scilicet, Mariam nihil aliud peperisse quàm hominem sibi coessentialem; nihil rursum ex carne nasci posse, nisi carnem; ea rectæ Fidei non satis consentanea

videri; quàmprimum decurionibus, vt nos à turba abreptos cædant, serio mandat. Cæsi autem, inde ad Ecclesiasticum tribunal abducimur, ibidemq. veluti nequam scelerati, summumq. supplicium

EXEMPLVM SACRAE, quam religiosissimus Princeps Theodosius ad Cyrillum Alexandriæ Episcopum misit.

Imperatores Cæsares, Theodosius & Valentinianus, victores, triumphatores, maximi, semper Augusti, Cyrillo Episcopo.

XXXI. PIETATE quidē nihil nobis est antiquius, propter quam si qui forte incautius deliquerunt, venia dignos censemus. At parum interim laudabile est, illos ea indigere, qui propter summam religionem, plurimum à nobis commendari, maximisq. honoribus cumulari debuerant. Oportet autem sacerdotes cùm morum suauitate, fideiq. integritate in primis ornatos esse; tum maximum animi candorem ac sinceritatem per omnem vitæ cursum præ se ferre; ac certo denique secum statuere, vniuscuiusque rei naturam, potissimum vero incorruptæ pietatis doctrinam, sedulo inuestigandi studio facilius, quàm pertinaci animorum contentione inueniri. Etenim iam inde à primis vsque temporibus non imperantis cuiuspiam, aut certe imperium vsurpantis interminationes aut proteruitas, sed sanctorum Patrum, sacrarumq. Synodorum decreta eam nobis constituerunt. Nam religionem prudentia & consilio magis quàm cuiuspiam imperio firmari, nulli opinor dubium esse potest. Nunc igitur tua pietas exponat, quid ita nobis, quibus religionem tantopere curæ esse non ignorabas, contemptis, sacerdotibusq. quotquot circumquaque degunt (quos vtique in vnū locum congregatos, natam de religione controuersiam discutere dirimereq. par erat) despectis, hasce turbas discordiasq. inter ecclesias concitaris. Quasi vero impetus temerarij pietatis doctrinam magis, quàm sedula diligensq. veritatis inquisitio decere videantur; plusq. apud nos valeat versutia & audacia, quàm cura aut industria; aut aliud quidpiam huiusmodi magis nos, quàm animi candor ac simplicitas oblectet. Quamuis ergo honorem non vsque adeo magnum inde ad nos accessurum existimemus, si à tua pietate obseruemur; nec omnia rursum turbatum iri, si quod hic indignationis exemplum in te velimus edere: attamen hoc tempore magis nobis curæ est, vt sancta pax, exoptataq. tranquillitas ecclesijs restituatur. Scito interim, magnam abs te rerum perturbationem excitatam esse: neque mirū est sane, eum qui modum excessit, ijs conatus suos non definiuisse, quę ad ecclesias & sacerdotes spectāt; sed vltra progressum, de nobis ipsis quoque quiddam pietate nostra prorsus indignum credidisse. Nam nisi aliquod inter nos de religione dissidium ortum esse persuasum habuisses, aut certe aliquid eiusmodi ex litteris tuis oriturum speraſſes; cur obsecro, alia priuatim ad nos, alia rursum ad Eudociam religiosissimam coniugem meam, alia tandem ad Pulcheriam sororem meam Augustam, eamdemq. pietatis studiosissimam perscripsisses? Quod profecto dissidium si inter nos forte natum fuisset, nosq. ad eum modum affectos esse contigisset; omnino tamen vituperationem effugere non poterat, eum, qui tanto locorum interuallo à nobis disiungitur, curiosius in res nostras inquirere: si id au-

A id autem inter nos non existit, conari vt existat, cuiusuis potius, quàm sacerdotis fuerit. Quid enim indignius, quàm vno impetu, vnoq. animi conatu Ecclesiastica & Regia omnia velle cõfundere, ac à se inuicẽ diuellere? quasi vero alia omnis desit occasio, ex qua laudẽ & gloriam aucuperis.

Ne igitur clam te fit, quo nam in statu res nostræ versentur, noris Ecclesias & Regnum nostrũ coniuncta esse, nostraq. accedente auctoritate & imperio, & Christi Saluatoris nostri aspirãte prouidentia magis subinde inter se coitura esse: tũ tibi quoque à nobis cõdonatum esse, ne hinc capta occasione iure conqueri ac dicere queas, te ob B pietatis doctrinam in reprehensionem incidere. Quam quidem pietatis doctrinam in sacra Synodo in vtramque partem ventilatam, eatenus obtinere volumus, quatenus æquitati & rationi consentaneum esse iudicabitur. At vero, siue illi qui victi discedent, veniam impetraturi sint à patribus, siue non; nos sane ciuitates simul & ecclesias conturbari nequaquam sinemus; sed nec eam quoque doctrinam indiscussam manere patiemur, cui dijudicandæ eos præfici oportet, qui sacerdotijs vbique præsident, per quos & nos quoque in veritatis sententia stabilimur, magis magisq. identidem stabilietmur. Omnino autem nemo, qui vel aliqua ex parte ad rempublicam pertinet, qualicumque fiducia fretus, inconsultius quidpiam in hoc negotio tentet, aut impedire studeat. alioqui enim certam condemnationis sententiam non euadet: quandoquidem nostra maiestate eos qui prompte alacriterq. ad huiusmodi inquisitionem aduolare nõ cunctabuntur, merita laude prosequente; ceterosq. qui imperare C forte mallent, quàm in mediũ consulere, aut aliorum de eiusmodi rebus consilium audire, coercente, nulli omnino, vt maxime velit, integrum istud erit. Quamobrem & tuam quoque reuerentiam ad tẽpus, quod alijs litteris ad vniuersos Metropolitanos Episcopos missis ediximus, præsto adesse oportebit: neque prius nostram amicitiã te recuperaturum confidas, quàm omni turbatione & animorum ægritudine sedata, ad propositarum quæstionum discussionem vltro accurreris. Hac enim ratione, quæ pro tuenda opinione acerbe inconsulteq. abs te iam gesta sunt, neque priuato dolore perculsus, neque alicui præter decorum infestus admisisse; & quæ adhuc reliqua sunt, legitime transigere velle censeberis. Si quid autem secus visum fuerit, id nequaquam sustinebimus.

ΠΑντων μὲν τῶν κοινῇ συμφερόντων πολλὴν φροντίδα ποιούμεθα, διαφερόντως δὲ τῶν εἰς εὐσέβειαν ἡκόντων. δι' ὧν καὶ τῶν λοιπῶν ἀγαθῶν ἡ χορηγία τοῖς ἀνθρώποις συμβαίνειν. διό τοι τοῦτο πρώην μὲν ὠφείλομεν τὴν συνέλευσιν τὴν ὑμετέραν θεοσεβείαν εἰς τὴν τῶν Ἐφεσίων μητρόπολιν, ἣν εἰκότως μεγαλοφήκαμεν. ἐπειδὴ δὲ χρὴ καὶ τῆς πρεπούσης ἀκριβείας τι, καὶ ἡσυχίας, τῇ διαπύστῳ τῆς ἁγιωτάτης ὑμῶν συνόδου, δεούσας φροντίσαι· οὐδὲ τοῦτο παρήκαμεν, ὥστε αὐτὴν παντελῶς ἀνεφύξαι ἀφυλακτηθῆναι τὸ ἀπρεπέστατον. καὶ πεπείσμεθα μὲν, ὡς εὐθυμίας τῆς ἐξωθεν βοηθείας, εἰς τὸ καὶ ἑτέροις εἰρήνην διαπρᾶξαι, δεῖται ὑμῶν ἡ θεοσεβεστάτη· ἀλλὰ καὶ τοῦτο τῆς ἐμμελοῦς ἡμῶν σπουδῆς ἐπὶ τὴν εὐσέβειαν σπουδαίας, μὴ παρεδεῖν. Ἐντέταλται γάρ μοι Κανδιδιανὸς, ὁ μεγαλοπρεπέστατος Κόμης τῶν καθωσιωμένων ἀκουστικῶν, ἄγειν τῆς ἁγίας ὑμῶν διαβλῆναι συνόδου· καὶ μηδὲν μὲν τῶν περὶ τῶν δογμάτων γινομένας ζητήσεσιν, καινοτομῆσαι· ἀφήμισαν γὰρ, τὸν μὴ ἐξ καταλόγου τῶν ἁγιωτάτων ἐπισκόπων τυγχάνοντα, τοῖς ἐκκλησιαστικοῖς σκέμμασιν ἐπιμίγνυσθαι· τοὺς κοσμικοὺς δὲ καὶ μοναζοντας, τούς τε ἤδη διὰ τοῦτο συνειλεγμένους, καὶ τοὺς συνάξοντας μέλλοντας, τῆς αὐτῆς παντὶ τρόπῳ χωρίσαι πόλεως. ἐπειδήπερ οὐ χρὴ τοὺς κατ' οὐδὲν ἀναγκαίους ὄντας τῇ μελλούσῃ τοῦ δόγματος διασκέψει, κινεῖν θορύβους· καὶ διὰ τοῦτο ἐμποδίζειν τοῖς εἰρηνικῶς τυποῦσθαι ἐθέλουσι τῆς ὑμετέρας ἁγιωσύνης ὀφείλουσι. καὶ φροντίσαι τοῦ μὴ ἵνα δι' ἀνοίας ἐξ αὐτοπαθείας δεῖ πολέμου ἐνεχθῆναι· ὡς ἂν μὴ ἐκ τούτου ἡ τῆς ἁγιωτάτης ὑμῶν συνόδου περιμποίζοιτο διάστασις, καὶ ἡ ἀκεραίου τῆς ἀληθείας ζήτησις ἐκ τῆς ἐγγενομένης τυχὸν ἀπάτου ἐπιχύσεως διαθρούηται. αὐτίκα γὰρ ὡς τῶν λεγομένων ἕκαστον ἀκροώμενον, ἐπιγνῶναι τὸ δοκοῦν, ἢ αἱρεῖσθαι· καὶ οὕτως ἐξ ἐπιπόνου τι καὶ λύσιν, τῷ ἐνὶ τοῦ ἀληθοῦς δόγματος ἐρεύναν, δίκαιον ἔσεσθαι ἐπιλυθῆναι· καὶ κοινῇ τῆς ὑμετέρας ἁγιότητος ψήφῳ, ἀσφαλέστερόν τι καὶ τὸν πᾶσιν ἀρέσκοντα τύπον λαβεῖν. πρωτύπως δὲ ἐνδὸν τῆς ἡμετέρας θέσπις ὁ αὐτὸς μεγαλοπρεπέστατος κὴρ Κανδιδιανὸς ἐντέταλται, πάντι τρόπῳ ἐνφυλάττειν, μηδένα τῶν τῆς ἁγιωτάτης ὑμῶν συνόδου, ὡς οἷόν τε ἐπανιέναι, ἢ καὶ τὸ ἧττον ἡμῶν φραπίδων καταλαβεῖν βουλόμενον, ἢ καὶ ἀλλαχοῦ που ἀφικνεῖσθαι σπεύδοντα, ἀπολιπεῖν τὸν ὁρισθέντα τῇ διασκέψει τόπον· μή τι μᾶλλον ἔτερον τὸ ἐνδέχεσθαι πρότερον ἐκκλησιαστικῷ ζήτημα,

CVm magnam omnium quæ è re publica sunt, curam habeamus, tum vero maximam illorum, quæ ad pietatem religionemq. conseruãdam pertinere arbitramur. per ea namque cetera quoque bona hominibus suppeditantur. Scripsimus proinde non ita multo ante de pietatis vestræ Synodo apud Ephesiorum metropolim congreganda, eaq. Sacræ nostræ inseruimus, quæ institutæ rei quàmmaxime conuenire censebamus. Quia vero ordinis, quietisque, quam sacræ vestræ Synodi consultationes iure deposcunt, decentem quoque curam adhibere oportuit; hanc quoque partem, quò vndique tranquillitas adesset, non prætermittendam existimauimus. Non arbitramur autem, pietatem vestram vt alijs pacem conciliet, alterius cuiuspiã extrinsecæ opis egere. nihilominus ad nostrũ erga religionem studium, singularemq. prouidentiam pertinebat & hanc quoque non negligere.

Igitur Candidianum præclarissimum religiosorum domesticorum Comitem ad sacram vestrã Synodum abire iussimus; sed ea lege & condicione, vt cum quæstionibus & controuersijs quæ circa Fidei dogmata incidunt, nihil quidquam commune habeat: (nefas est enim qui sanctissimorũ Episcoporum catalogo adscriptus non est, illum Ecclesiasticis negotijs & consultationibus sese immiscere) verum vt monachos, & sæculares, ac ceteros denique omnes, qui huius spectaculi causa vel eò nunc confluxerunt, vel in posterum forte confluent, ab eadem illa ciuitate modis omnibus submoueat: (quandoquidem non licet, illos qui omnino necessarij nõ sunt, sacrorum dogmatum examen aliquo tumultu impedire; & ijs quæ cum tranquillitate à vestra sanctitate constitui definiriq. debent, obstaculum aliquod afferre) tum rursum, vt diligenter prospiciat, ne qua grauior dissensio ex mutuo repugnandi studio coorta, & sæuæ tempestatis instar debacchata, sanctissimæ Synodi vestræ cõsultationem, exactioremq. veritatis indagationem quouis modo obturbet: tum denique quò operam det sedulam, vt omnibus & singulis quæ dicuntur, rite perceptis, singuli inoffense quod visum fuerit in medium proponere, vel ab alijs propositum, si opus id fuerit, refutare queant: vt ea tandem ratione, vbi per singulas propositiones exceptionesq. inquisitio citra vllam omnino turbam contentionemq. habita fuerit, quod omnibus placitum probatumq. erit, communi vestræ sanctitatis sententia constituatur decernaturque. Ante omnia autem scuere eidem magnificentissimo Candidiano mandatum est, vt quàmstudiosissime obseruet, ne quem ex sanctissima vestra Synodo aut reditum molientem, aut iter ad exercitum nostrum affectantem, aut ad alium quemcumque locum abscedere cupientem, prius inde abire permittat, quàm diligenti adhibita discussione, ea omnia decreta definitaq. fuerint, quæ in disquisitionem venerant. Hinc, ne vllam omnino aut Ecclesiasticam, aut

aliam quamcumque cõtrouerſiam vndecumque natam vel motam, quæ ad propoſitam ſancti dogmatis conſiderationem non pertineat, ante moueri ſinat, quàm eorum omnium quæ nũc in quæſtionem vocata ſunt, ambiguitate ſoluta, ea quæ ad veritatis inueſtigationem faciunt, exactiſſimo iudicio diſcutiantur, finemq. orthodoxæ religioni congruum ſortiantur. Quin & huius quoque admonita ſit veſtra pietas, nempe, ſerenitati noſtræ viſum eſſe, vt nulla omnino in ſacra veſtra Synodo, aut etiam in publico Epheſiorum iudicio, pecuniaria aut criminalis cauſa aduerſus aliquem agitetur. Quòd ſi quid eiuſmodi extiterit, cuipiamve vſu venerit, huius integram cognitionem magnæ huic noſtræ ciuitati reſeruatam volumus. Denique nec id quoque vobis clam ſit, videlicet, magnificentiſſimũ Comitem Irenæum neque ſanctiſſimæ veſtræ Synodi conſilijs, neque his quæ eximio legato noſtro Candidiano à nobis demandata ſunt, vllatenus communicare debere: vt qui ſolius amicitiæ cauſa cum pijſſimo celeberrimæ ciuitatis huius Epiſcopo Neſtorio Epheſum profectus ſit.

EPISTOLA IOANNIS EPIſcopi Antiochiæ ad Cyrillum.

Domino meo religioſiſſimo, ſanctiſſimoq. commiſtro Cyrillo, Ioannes in Domino Sal.

XXXVI NON mediocriter me cruciat, poſteaquã ſanctitas tua Epheſi præſto eſſe cœpit, paucos hoſce dies me abfuiſſe. Etenim ſanctitatis tuæ deſiderium, non minus quàm res ipſa, vt iter hoc quàmcitiſſime abſoluere cupiam, me ſtimulat. Tandem ergo poſt multas exantlatas itineris moleſtias, ſanctitatis tuæ precibus adiutus, præ foribus ſum. Nam triginta totos dies (tot enim ſpatij intercapedo poſtulat) iter vſque facio, nihil quidquã quietis prorſus mihi indulgens: multis interim religioſiſſimis Epiſcopis ob itineris difficultatem grauiter afflictis: neque paucis quoque iumentis ob continuum profectionis laborem extinctis. Tu igitur Deum preceris obſecro, vt hoſce quinque aut ſex itineris dies ſine moleſtia percurrere, ſacrumq. ac ſanctum tuum caput cũ gaudio nobis complecti & exoſculari liceat. Ioannes, Paulus, Macarius, ceteriq. qui apud me ſunt, Deo chariſſimi Epiſcopi ſanctitatem tuam ſalutant. Ego quoque cum meis domeſticis, vniuerſam quæ tecum eſt, fraternitatem plurimum ſaluto. Incolumis vale, & pro nobis orare perge, domine pijſſime ac ſanctiſſime.

Παῦλος ἐπίσκοπος Λάμπης εἶπε· Τῆς ἁγίας ὑμῶν καὶ μακαρίας συνόδου ἐπιτρεψάσης ἀπελθεῖν ἡμᾶς πρὸς τὸν ἁγιώτατον Νεστόριον, καὶ συνομιλῆσαι τούτῳ, ὥστε καὶ τὴν σήμερον ἡμέραν ἀπελθεῖν ἐπὶ τῆς ἁγίας ὑμῶν καὶ μακαρίας συνόδου, ἀπελθόντες κἀγὼ μὲν τῶν ἁγίων ἀδελφῶν τῶν ἤδη καταβεβηκότων, ὑπεμίμνησα αὐτὸν, ὥστε καὶ τὴν σήμερον ἡμέραν ἀπελθεῖν ἐπὶ τῆς ἁγίας ὑμῶν συνόδου, καὶ συνεδρεῦσαι. ὁ δὲ ἔφη· εἰ δοκιμάσω, ἥκει, τελευταῖος ἀπελεύσομαι. οὐ μόνον δὲ αὐτὸν ὑπεμνήσαμεν, ἀλλὰ καὶ ἄλλους, οὓς εὕρομεν μετ' αὐτοῦ ἁγιωτάτους ἐπισκόπους τυγχάνοντας. ἦσαν δὲ μετ' αὐτοῦ μικρῷ πρὸς ἑξ, ἡ ἑπτὰ ἐπίσκοποι. Φλαυιανὸς ἐπίσκοπος Φιλίππων εἶπε· Διαβαίνοντες ἄλλοι τῶν ἁγιωτάτων ἐπισκόπων, ὑπομνήσατε καὶ αὐτούς, ὥστε καὶ ἀπελθεῖν αὐτὸν, καὶ συνεδρεῦσαι τῇ ἁγίᾳ συνόδῳ. Καὶ ἀπεκρίθησαν ἀπελθόντες τῆς ἁγίας συνόδου Θεόδουλος ἐπίσκοπος Ἐλούσης Παλαιστίνης, Ἀνθήμιος ἐπίσκοπος Χερρονήσου Κρήτης, Θεόπεμπτος ἐπίσκοπος Καβάσων Αἰγύπτου, καὶ Ἐπαφρόδιτος ἀναγνώστης καὶ νοτάριος τοῦ ἁγιωτάτου ἐπισκόπου Ἑλλανίκου τῆς Ῥοδίων πόλεως· ἐπιφερόμενοι καὶ ἀπολογητικὸν τῆς ἁγίας συνόδου πρὸς αὐτὸν τὸν ἁγιώτατον ἐπίσκοπον Νεστόριον, οὗτος εἶχεν οὕτως. Paulus Epiſcopus Lampæ dixit: Sancta ac beata veſtra Synodo præcipiente, ad reuerendiſſimũ Neſtorium acceſſimus cum ſanctis fratribus qui iam depoſuerunt; eumdemq. vt hodierna die ad ſanctam ac beatam veſtram Synodum ſeſe adiungeret, vnaq. vobiſcum conſideret, admonuimus. Ille autem: Si, inquit, mihi placuerit, ad id tempus adero. Neque illum ſolum admonuimus, ſed & quoſdã quoque alios reuerendiſſimos Epiſcopos, quos apud illum inuenimus. Erant autem cum illo plus minus ſex aut ſeptem Epiſcopi.

Flauianus Philippenſium Epiſcopus dixit: Abeant rurſum alij nónulli ex religioſiſſimis Epiſcopis, qui illum denuo adeſſe, necnon ad ſanctã hanc Synodum accedere moneant.

Et deſtinati ſunt à ſancta Synodo Theodulus Heluſæ Palæſtinæ, Anderius Cherroneſi Cretæ, Theopemptus Cabaſorum Aegypti Epiſcopi, & Epaphroditus lector & notarius Hellanici pijſſimi Rhodiorum ciuitatis Epiſcopi. Syngrapha autem, quam à ſancta Synodo ad religioſiſſimum Epiſcopum Neſtorium ijdem afferebant, huius ſententiæ erat.

Oportebat quidem pietatem tuam per religioſiſſimos pijſſimosq. Epiſcopos, vt ad ſacram Synodũ, quæ in ſancta & catholica Eccleſia hoc ipſo die celebratur, veniret, heſterno die admonitam nullatenus defuiſſe. Quoniam vero ſanctitas tua in Synodo deſiderata eſt; per Theopemptum, Anderium & Theodulum, religioſiſſimos pijſſimosq. Epiſcopos, & Epaphroditum lectorem & Rhodiorum ciuitatis notarium te denuo rogare cogimur, vt te nobis adiungas; neque vllo pacto ab earum rerum tractatione, quæ iam præ manibus ſunt, diutius abeſſe pergas: præſertim cum religioſiſſimi, Deoq. addictiſſimi Imperatores noſtri, vt ceteris omnibus poſthabitis, ad Fidem confirmandam ſummo ſtudio incumbamus, tantopere nos vrgeant.

His porro reuerſis, Petrus presbyter Alexandrinus & notariorum primicerius dixit: Quandoquidem religioſiſſimi pijſſimiq. Epiſcopi, qui à ſancta Synodo ad Neſtorium miſſi fuerant, redierunt; poſtulamus, vt coram exponant, quale reſponſum ab illo acceperint.

Theopemptus Cabaſorum Epiſcopus dixit: A ſancta & magna hac Synodo ad religioſiſſimum Neſtorium deſtinati, in eius domum venimus. Atque hoc ipſum veſtræ pietati renuntiatum voluit. Nos vero conteſtati & ipſum, & omnes præſentes milites & clericos eius, receſſimus.

Theodulus Helnſæ Epiſcopus dixit: Ego quoque eadem audiui,eademq. refero.

Anderius Cherroneſi Cretæ Epiſcopus dixit: Et ego quoque, qui ſanctæ Synodi iuſſu illuc mecũtuli,ea quæ religioſiſſimi Epiſcopi collegæ mei audierunt, & accurate retulerunt, audiui & memini.

Flauianus Philippenſiũ Epiſcopus dixit: Quoniam nihil ex ijs omnibus quæ ad Eccleſiaſticum ordinem pertinent,prætermitti par eſt: cum certum ſit, pijſſimum Neſtorium & heri,& hodie denuo vocatum non comparuiſſe,& tertia rurſum facitatione accerſatur. Poſteaquam vero & hi quoque reuertiſſent, Petrus presbyter Alexandrinus & notariorum primicerius dixit: Quoniam & hac quoque vice religioſiſsimi Epiſcopi huc redierũt, petimus vt quale reſponſum conſecuti ſint, nobis aperiatur.

Ioannes Hephæſti Epiſcopus dixit: Miſſi à ſancta hac, Deoq. dilecta Synodo, vt pijſſimum Neſtorium tertio moneremus, & vt vel nunc tandem ſanctæ huic Synodo ſeſe adiungens, Fidei doctrinam vna nobiſcum diſcuteret,eumdem hortaremur; pro eo ac veſtra ſanctitas nobis præceperat, recta ad illius hoſpitium nos contulimus. Ανδήριος ἐπίσκοπος Χερρονήσου Κρήτης εἶπε· Καὶ αὐτὸς, μετ' τὸν ὅρον τῆς ἁγίας καὶ μακαρίας συνόδου, ἀκηκοὼς ἐκεῖ, τὰ αὐτὰ εἶπον καὶ ἤκουσα, ἅπερ ἀδιαλείπτως καταφέρω οἱ μετ' ἐμοῦ θειοτάτοις ἐπίσκοποι.

Φλαυιανὸς ἐπίσκοπος Φιλίππων εἶπεν· Επειδὴ ἀδύνατον παντελῶς παραλιπεῖν τῶν ἡκόντων εἰς ἀκολουθίαν ἐκκλησιαστικὴν, φανερὸν τυγχάνοντος, ὅτι καὶ χθὲς τε καὶ σήμερον δεύτερον ἐπομνηθεὶς ὁ θεοφιλέστατος Νεστόριος οὐκ ἀπήντησε, καὶ τρίτῳ πάλιν παρακαταγνωστικῷ ἐπομνηθήσεται· λαβόντων δὲ λαὸν Ανυσίου ἐπισκόπου Θηβῶν τῆς Ελλάδος, καὶ *Μάμμιος ἐπισκόπου τῆς αὐτῆς Ελλάδος, καὶ Ιωάννου ἐπισκόπου Ηφαίστου τῆς Λυκαονικῆς, καὶ Δανιὴλ ἐπισκόπου Δάρνεως τῆς Λιβύης, τῶν θεοτιμήτων συλλειτουργῶν, καὶ ἐκ τρίτου ἐπομνησόντων αὐτόν. καὶ ἀπῆλθον μὲν Ανυσίου τοῦ τοπάρχου, καὶ ἀκολουθοῦντος φέρειν τὸ παρακατακόλουθον ἐπισκόπου Καππαδοκίας, διαφερόμενον τὸ παρακατακόλουθον, ἐπέχον οὕτως.

Τρίτην πάντῃ κλῆσιν τῶν ἁλόντων συνεγκαλεῖ ἡ ἁγιωτάτη σύνοδος, τῷ καιρίῳ ἐπιτιθεμένη, καὶ νέμουσα τὸν τῶν ἀσεβῶν καὶ μακροθυμίαν. παντελῶς οὖν καὶ νῦν χρὴ ἀπαντᾶν διαλογισμοὺς πρὸς ἃ φασὶ τὸν εἰρηκέναι ἐπ' ἐκκλησίας αἱρετικῶν δογμάτων, διὰ τοῦ κοινοῦ τῆς ἐκκλησίας εἰδέναι, ὅτι οἱ μὴ ἀπαντήσαντες τῇ πρὸς τὰ ἀσεβῆ, ἐγκαθεῖς καὶ σαθρὰ λεγόμενα, ἀναγκαίως ἴσχει ἡ ἁγιωτάτη σύνοδος, τὰ δοκοῦντα τοῖς τῶν ἁγίων πατέρων κανόσι διὰ παντὸς ὀρίσαι.

Ὧν ἐπιτελουμένων, Πέτρος πρεσβύτερος Αλεξανδρείας, καὶ πριμικήριος νοταρίων εἶπεν· Επειδὴ δὲ πάλιν ἐπιτρέψαντες οἱ θεοσεβέστατοι ἁλόντες ἀποκρίσεως ἐτύχομεν, ἀκούσωμεν καταφέρω, τίνας ἀποκρίσεις ἐποιήσατο.

Ιωάννης ἐπίσκοπος Ηφαίστου εἶπε· Απεσταλέντες παρὰ τῶν ἁγίων πάντων καὶ θεοφιλεστάτων συνόδου, ἵνα λάβω τὸ παρακατακόλουθον τρίτον ὑπομνήσω τὸν θεοσεβέστατον Νεστόριον, συνεφωνήσαμεν πάλιν μετὰ τῶν ἁγίων τούτων πατέρων, πρὸς τὸ, παρόντες αὐτοῦ τῆς θειοτάτης, τοὺς περὶ τῆς πίστεως καταξιωθῆναι λόγους, ἀκολούθως τοῖς προτεταγμένοις ἡμῖν παρὰ τῆς ὑμετέρας θειοτάτης, ἀφικόμεθα εἰς τὸ τοῦτο καταγώγιον. καὶ ὃν τρόπον προθύμως ἡμεῖς,

Ἀνύσιος ἐπίσκοπος Θηβῶν εἶπεν· Ἃ περ κατέλαβε ὁ
ἁγιώτατος ἀδελφὸς καὶ συλλειτουργὸς Ἰωάννης, ἀληθῆ

ἁγιωτάτου Νεστορίου, τοῦτο εἴδομεν, καὶ ἠκούσαμεν.

* Δόμνος ἐπίσκοπος Ὀπουντίας τῆς Ἑλλάδος εἶπεν· Ἃ περ κατέλαβε οἱ ἁγιώτατοι καὶ θεοφιλέστατοι
ἀδελφοὶ καὶ συλλειτουργοὶ Ἰωάννης καὶ Ἀνύσιος, ταῦτα
κἀγὼ εἶδον, καὶ ἤκουσα.

* Δαϊήνου ἐπίσκοπος * Δαρείων εἶπεν· Ἃ περ κα- D

Ἰουβεναλίος ἐπίσκοπος Ἱεροσολύμων εἶπεν· Τῶν

mus, non paruam militum fuſtibus armatorum manum intra ipſum veſtibulum inuenimus. Rogauimus, vt ad ædiũ, quibus Neſtorius vtebatur, ianuam nos admittant; vel ſaltem vt ipſi illũ, nos cum tertia iam citatione adeſſe, certiorẽ faciant; à ſacra Synodo ad hoc vnum deſtinatos, vt ſuam pietatem blande, omniq. cum manſuetudine inuitemus. Verum diu multumq. præſtolati, ne ſub vmbra quidem ab illius ſatellitibus conſiſtere permiſſi ſumus: immo vero inſolenter impudenterq. huc illucq. nos impellentes, vix tantillum loci concedebant, vbi pedem quiete figeremus. Sed neque vllo quoque humano beneuoloq. reſponſo nos dignabantur. Porro autem cum multas horas fruſtra expectaſſemus, illud repetentes, quòd quatuor tantũ Epiſcopi præſto ſumus; nullo conuiciandi ſtudio incitati, neque ob id miſſi, vt quidpiã contumelioſum aut inhoneſtum agamus, ſed vt ſecundum iuris ordinem etiam nunc tertio illum amice admoneamus, vt ad ſacram hãc Eccleſiam properans, ſanctę Synodo interſit: tandem milites nos dimiſerunt, dicentes, aliud nullum reſponſum nos eſſe ablaturos, etiam ſi ad veſperam vſque in domus veſtibulo opperiremur. Addunt & hoc quoque, nempe ea de cauſa veſtibulo ſe cuſtodes adhibitos, illudq. à Neſtorio in mandatis accepiſſe, ne vllum omnino, qui à Synodo miſſus eſſet, ad ipſum ingredi permittãt.

Anyſius Thebarum Epiſcopus dixit: Quæ ſanctiſſimus frater & comminiſter noſter Ioannes expoſuit, ea vera ſunt; ſiquidem multo temporis ſpatio in veſtibulo pijſſimi Neſtorij conſiſtentes, hæc vidimus & audiuimus.

Domnus Opuntis Helladis Epiſcopus dixit: Quæ ſanctiſſimi Deoq. dilectiſſimi fratres & comminiſtri Ioannes & Anyſius expoſuerunt, hæc ego etiam vidi & audiui.

Daniel Darnenſium Epiſcopus dixit: Quæ expoſuerunt pijſſimi Epiſcopi, hæc & ego quoque audiui, & vera ſunt.

Hinc incipit ſacra Synodus examinare Neſtorij dogmata.

Iuuenalis Hieroſolymorum Epiſcopus dixit: Quãuis Eccleſiaſticæ ſanctiones ſat eſſe ſtatuant, ſi rei ad diluenda obiecta crimina tertio citentur; nos tamen ex quadam benignitate religioſiſſimũ Neſtoriũ quarta citatione admonere & prouocare parati eramus. Verũ quòd ſatellitum turmis ædes ſuas vndique obſeſſas habeat, quòdq. nemini, ſicuti Epiſcopi inde redeuntes teſtati ſunt, aditũ ad ſe patefaciat; manifeſtum eſt, cõſcientia nequaquã pura ſanctę huius Synodi conſpectum recuſare. Proinde quæ iam præ manibus ſunt, & ad rectã piamq. Fidem noſtram corroborandã conferunt, ea capeſſantur, riteq. ſecũdum canonicas ſanctiones conſtituantur. In primis autem recitetur Fides, quam trecenti decem & octo Patres & Epiſcopi, Nicææ quondam congregati expoſuerunt; vt ſententijs ad Fidei doctrinã ſpectantibus cum ea expoſitione collatis, conſentientes quidem confirmentur, diſſentientes autem reijciantur. Et lectum eſt Fidei Symbolum hoc modo.

Nicæna Synodus hanc Fidem expoſuit.

CRedimus in vnum Deum, Patrem omnipotentem, omnium viſibilium & inuiſibilium factorem. Et in vnum Dominum IESVM Chriſtum, filium Dei, natum ex Patre, hoc eſt, ex Dei ſubſtantia, vnigenitum; Deum de Deo, lumen de lumine, Deum verum de Deo vero; genitum, non factum, conſubſtantialem Patri, per quem omnia facta ſunt & quæ in cælo & quæ in terra. Qui propter nos homines, & propter noſtram ſalutem deſcendit, & incarnatus eſt, & homo factus, & paſſus eſt, & die tertia reſurrexit: aſcendit ad cælos, inde venturus iudicare viuos & mortuos. Et in Spiritum ſanctum. Qui autem dicunt: Erat aliquando quando non erat, & antequam naſceretur, non erat; & quòd factus eſt ex non exiſtentibus, aut ex alia ſubſtantia vel eſſentia; aut qui Filium Dei mutabilem aut alterabilem eſſe affirmant; eos catholica & Apoſtolica Eccleſia anathematizat.

Symbolo hoc recitato Petrus presbyter Alexandriæ, & notariorũ primicerius dixit: Eſt in manibus noſtris Cyrilli ſanctiſſimi pijſſimiq. Archiepiſcopi epiſtola, quam ille perſuaſoria exhortatoriaq. doctrina refertam ad reuerendiſſimum Neſtorium tamquam minus recte ſentientem perſcripſit. hanc ſi veſtra ſanctitas iuſſerit, legam.

Acacius Melitenæ Epiſcopus dixit: Quandoquidem pijſſimus & religioſiſſimus presbyter Petrus, qui ſermonis exordium fecit, quædam à pijſſimo ſanctiſſimoq. Epiſcopo Cyrillo ad religioſiſſimum Neſtorium tamquam prauam doctrinam proſeminantem perſcripta eſſe indicauit, conſentaneum eſt vt illa quoque legantur.

Et lecta eſt epiſtola, & poſita in præcedentibus. Principium epiſtolæ ſic habet.

Exemplum epiſtolæ à Cyrillo ad Neſtorium ſcriptæ. Intelligo quoſdam meæ apud tuam pietatem exiſtimationi falſo detrahere, multaq. temere effutire, &c.

Habetur 3. part. c. 4.

Et poſtquam lecta eſt epiſtola, Cyrillus Epiſcopus Alexandriæ dixit: Audiuit ſancta & magna hæc Synodus, quæ ad religioſiſſimum Neſtorium ſcripſi, ea rectæ Fidei congruere. Certo namque perſuaſum habeo, nullam me in partem ab orthodoxæ Fidei doctrina deflexiſſe, aut à Symbolo per ſanctam & magnam illam Synodum Nicææ olim congregatam tradito declinaſſe. Quare ſanctitatem veſtram rogatam cupio, vt coram exponat, recte ne & inculpate, ſanctoq. illi Concilio conuenienter hæc ſcripſerim, an ſecus.

Iuuenalis Hieroſolymorum Epiſcopus dixit: Sacrum Fidei Symbolum Nicææ quondam editum, & paulo ante hic recitatum, & ſanctiſſimi Archiepiſcopi Cyrilli epiſtolam, ceteraq. omnia à ſancta illa Synodo expoſita, per omnia

Ἡ ἐν Νικαίᾳ σύνοδος πίστιν ἔθετο ταύτην.

Πιστεύομεν εἰς ἕνα θεὸν, πατέρα παντοκράτορα, πάντων ὁρατῶν τε καὶ ἀοράτων ποιητήν. καὶ εἰς ἕνα κύριον Ἰησοῦν Χριστὸν, τὸν υἱὸν τοῦ θεοῦ, γεννηθέντα ἐκ τοῦ πατρὸς μονογενῆ, τουτέστιν ἐκ τῆς οὐσίας τοῦ πατρός· θεὸν ἐκ θεοῦ, φῶς ἐκ φωτὸς, θεὸν ἀληθινὸν ἐκ θεοῦ ἀληθινοῦ· γεννηθέντα, οὐ ποιηθέντα, ὁμοούσιον τῷ πατρὶ, δι' οὗ τὰ πάντα ἐγένετο τά τε ἐν τῷ οὐρανῷ καὶ τὰ ἐν τῇ γῇ· τὸν δι' ἡμᾶς τοὺς ἀνθρώπους, καὶ διὰ τὴν ἡμετέραν σωτηρίαν κατελθόντα, καὶ σαρκωθέντα, ἐνανθρωπήσαντα, παθόντα, καὶ ἀναστάντα τῇ τρίτῃ ἡμέρᾳ· ἀνελθόντα εἰς τοὺς οὐρανούς, ἐρχόμενον κρῖναι ζῶντας καὶ νεκρούς. καὶ εἰς τὸ πνεῦμα τὸ ἅγιον. τοὺς δὲ λέγοντας· ἦν ποτὲ ὅτε οὐκ ἦν, καὶ πρὶν γεννηθῆναι, οὐκ ἦν· καὶ ὅτι ἐξ οὐκ ὄντων ἐγένετο, ἢ ἐξ ἑτέρας ὑποστάσεως ἢ οὐσίας φάσκοντας εἶναι, ἢ τρεπτὸν ἢ ἀλλοιωτὸν τὸν υἱὸν τοῦ θεοῦ, τούτους ἀναθεματίζει ἡ καθολικὴ καὶ ἀποστολικὴ ἐκκλησία.

Οὗ ἀναγνωσθέντος, Πέτρος πρεσβύτερος Ἀλεξανδρείας, καὶ πρωτομυσταγωγὸς νοταρίων εἶπεν· Ἔχομεν μὲν χεῖρας τοῦ ἁγιωτάτου καὶ θεοσεβεστάτου ἀρχιεπισκόπου Κυρίλλου ἐπιστολὴν, γραφεῖσαν πρὸς τὸν εὐλαβέστατον Νεστόριον, συμβουλῆς καὶ παραινέσεως γέμουσαν, ὡς οἶδε ὀρθὴ φρονοῦντες αὐτός. ἐὰν οὖν κελεύσῃ ὑμῶν ἡ ὁσιότης, ἀναγνωσθείη.

Ἀκάκιος ἐπίσκοπος Μελιτηνῆς εἶπεν· Ἐπειδὴ ὁ εὐλαβέστατος καὶ θεοφιλέστατος πρεσβύτερος Πέτρος, ὁ τὴν ἀρχὴν τῆς διηγήσεως ποιησάμενος, ἔφησεν ἐπεστάλθαι ὑπὸ τοῦ θεοφιλεστάτου καὶ ὁσιωτάτου ἐπισκόπου Κυρίλλου πρὸς τὸν εὐλαβέστατον Νεστόριον, ὡς οἶδε ὀρθῇ διδασκαλίᾳ χρώμενον, ἀκόλουθον καὶ τοῦτο ἀναγνωσθῆναι.

Καὶ ἀνεγνώσθη, ἐν κεφαλαίῳ ἐν τοῖς προλαβοῦσι, καθὼς προέχει ἡ ἀρχὴ τῆς ἐπιστολῆς.

Ἀντιγραφὴ ἐπιστολῆς γραφείσης παρὰ Κυρίλλου πρὸς Νεστόριον. Κατεφλυαρῆσι μὲν, ὡς μαθόντα, ὑπὸ τῶν ἐμῆς ὑπολήψεως, ἀλλὰ τῶν θεοσεβείας. καὶ τὰ λοιπά.

Καὶ μετὰ τὸ ἀναγνωσθῆναι τὴν ἐπιστολὴν, Κύριλλος ὁ ἁγιώτατος ἐπίσκοπος Ἀλεξανδρείας εἶπεν· Ἤκουσεν ἡ ἁγία καὶ μεγάλη αὕτη σύνοδος, ὧν ἀπέστειλε τῷ εὐλαβεστάτῳ Νεστορίῳ, συναγορεύων τῇ ὀρθῇ πίστει. Δέδεικται μὲν ἤδη, ὅτι κατ' ἀρχὰς τρόπον ἐκβεβηκὼς ἁλίσκεται τὸ ὀρθὸν τῆς πίστεως λόγου, ἤγουν ἐκβεβηκὼς τὴν ἐκτεθεῖσαν ὑπὸ τῶν ἁγίων καὶ μεγάλης, συνόδου, τῶν ΡΙΘ καὶ ἡμῶν ἐν τῇ Νικαέων συνελεγμένης συμβόλου. καὶ παρακαλῶ τὴν ὑμετέραν ἁγιότητα εἰπεῖν, πότερον ταῦτα ὀρθῶς, καὶ ἀπλήθως, καὶ συμφώνως τῇ ἁγίᾳ ἐκείνῃ συνόδῳ τὰ πιστωθέντα γράφαται, ἢ μή.

Ἰουβεναλίος ἐπίσκοπος Ἱεροσολύμων εἶπεν· Ἀναγνωσθείσης τῆς ἐκτεθείσης ἁγίας πίστεως τῆς ἐν Νικαίᾳ, καὶ τῆς ἐπιστολῆς τοῦ ἁγιωτάτου ἀρχιεπισκόπου Κυρίλλου, καὶ τῶν ὑπὸ τῆς ἁγίας συνόδου ἐκτεθέντα, σύμφωνα

συμφωνα ὑρίσκω, καὶ τούτοις τοῖς ὀρθοβόσι δόγμασι συντίθεμαι, καὶ συναινῶ.

Φίρμος ἐπίσκοπος Καισαρείας Καππαδοκίας εἶπε· Τὰ ἐν συντόμῳ καὶ ἐν κεφαλαίῳ ἡρμένα ὑπὸ τῆς ἁγίας συνόδου, τῆς ἐν Νικαίᾳ, ἐξηγησαμένη ἡ σὴ θεοσέβεια λεπτῶς καὶ ὑπὸ πάσας ἐπέφερεν ἡμῖν καὶ ἐναργεστέραν τὴν κατάληψιν τῆς ἁγιωτάτης πίστεως ἐποιήσατο· ὥστε μηδὲν εἶναι ἐν τοῖς λεγομένοις ἀμφίβολον, πάντων ἀλλήλοις συμφωνούντων, καὶ τὴν πίστιν βεβαιουμένης. τούτων δὲ ἀκριβῶς ἐχόντων, καὶ ἀνυστερήτως, ἐν οὐδένα νεωτερισμὸν ἐμπιπτόντων, κἀγὼ συντίθεμαι, τὴν αὐτὴν δόξαν ὑπὸ τῶν ἁγίων ἐπισκόπων τῶν ἐμῶν πατέρων δεξάμενος.

Μέμνων ἐπίσκοπος τῆς Ἐφεσίων πόλεως εἶπε· Τῇ πίστει, τῇ ἐκτεθείσῃ ὑπὸ τῶν ἁγίων πατέρων τῶν τριακοσίων δέκα καὶ ὀκτώ, τῶν ἐν Νικαίᾳ συνελθόντων, συμφωνα καὶ ἡ ἐπιστολὴ ἡ ἀναγνωσθεῖσα τοῦ ἁγιωτάτου καὶ θεοσεβεστάτου πατρὸς Κυρίλλου τοῦ ἐπισκόπου πρείχει, οἷς καὶ συντίθεμαι, καὶ συναινῶ μηδὲν ἐλλιπὲς ἐρέσκοντες, μηδὲ διαφωνοῦν.

Θεόδοτος ἐπίσκοπος Ἀγκύρας εἶπε· Θαυμαστὸν οὖσαν καὶ εὐσεβεστάτην ἐν ὀρθῇ τῇ ἐκθέσει τῆς ἁγίας πίστεως, γεγραμμένην ὑπὸ τῶν ἁγίων πατέρων τῶν τριακοσίων δέκα καὶ ὀκτώ, ἐν Νικαίᾳ συνελεγμένων, ἔδειξε σαφέστερον, καὶ φανερώτερον ἡ ἐπιστολὴ ἣν ἐποιήσατο ὁ θεοφιλέστατος καὶ θεοσεβέστατος πατὴρ ἡμῶν καὶ ἐπίσκοπος Κυρίλλος, κατ' οὐδὲν διαφωνοῦσα πρὸς τὴν ἐκθεσιν τῆς πίστεως ἐκείνης, τὸ συντομώτερον ἡρμένα πλατύτερον ἐκθεμένη. ὅθεν τὴν συμφωνίαν ἐπιγνόντες τῆς τε ἐπιστολῆς, καὶ τῆς γνώσεως, καὶ τῆς πίστεως τῶν τριακοσίων δέκα καὶ ὀκτὼ ἁγίων πατέρων, συντίθεμεθα, καὶ συναινοῦμεν, ὥσπερ ἐκεῖνοι, οὕτω καὶ τῷ πατρὶ ἡμῶν, τῷ διὰ ἐπιστολῆς τὰ ἐκείνων γνωρίσαντι. καὶ ταῦτα πιστεύομεν, ἅπερ καὶ αὐτὸν ἐξέθεντο καὶ ἡ ἐπιστολὴ τοῦ μεμνονευμένου ἁγιωτάτου ἐπισκόπου Κυρίλλου σαφῶς διηγήσατο.

Φλαυιανὸς ἐπίσκοπος Φιλίππων εἶπε· Ἀναγνωσθείσης ἡμῖν τῆς πίστεως, τῆς ἐν Νικαίᾳ ἐκτεθείσης ὑπὸ τῶν ἀθροισθέντων ἐν ἐκείνῃ τῇ πόλει ἁγίων πατέρων τῶν τριακοσίων δέκα καὶ ὀκτώ, καὶ ἀναγνωσθείσης καὶ τῆς ἐπιστολῆς τοῦ ἁγιωτάτου πατρὸς καὶ ἐπισκόπου Κυρίλλου, τῆς γραφείσης πρὸς τὸν Δωλαβέστατον Νεστόριον περὶ τῆς πίστεως, εὕρομεν συνάδουσαν αὐτὴν σαφῶς καὶ διαρρήδην τῇ ἐν Νικαίᾳ ἐκτεθείσῃ πίστει, καὶ πολὺ φῶς ὑπαχθεῖσαν εἰς κατάληψιν τῆς ἐννοίας τῶν εἰρημένων. ὅθεν συμφημι καὶ αὐτὸς τῇ ἐπιστολῇ, τῇ γραφείσῃ ὑπὸ τοῦ ὁσιωτάτου καὶ θεοφιλεστάτου πατρὸς καὶ συλλειτουργοῦ Κυρίλλου, κατ' οὐδὲν τρόπον ἀπαδούσῃ τῆς ὀρθῆς πίστεως, ἀλλὰ συμφώνῳ οὔσῃ τῷ ἀποστολικῷ κηρύγματι, καὶ τῇ ἐκτεθείσῃ ἐν Νικαίᾳ ὑπὸ τῶν ἁγίων πατέρων ὀρθοδόξῳ πίστει.

Σωαιρεῖν δὲ τούτοις διαβεβαιοῦμαι καὶ τὸν ἁγιώτατον ἡμῶν πατέρα Ροῦφον τῆς Θεσσαλονικέων μητροπόλεως. τούτοις γὰρ μοι ὑπαχθεῖσι εἰς τοῦτο τὸ μεγάλιον καὶ ἁγίαν σύνοδον, ἐδώκασι τὰς ἐντολὰς, διὰ ἀρρωστίαν αὐτὸς ὑπομένοντος τὴν ἐνδημίαν. καὶ πάντας δὲ πιθόμην τοὺς ὑπὸ Ἰλλυ-

nia sibi consentanea, ac inter se consentientia, comperio. quocirca pijs hisce dogmatibus assentior & subscribo.

Firmus Cæsareæ Cappadociæ Episcopus dixit: Quæ compendio quodam, summatimq. ac breuiter per sanctam Synodum Nicænam exposita fuerant, ea dum pietas tua subtilius commodiusq. explanat, Fidei sententiam accuratiorem luculentioremq. nobis reddidit. Cum ergo in prædictis nihil sit ambiguum, nihil dissentaneum; sed omnia cum sibi ipsi, tum constitutæ Fidei sint consona, eaq. integritate & constãtia decurrant singula, vt nullam penitus nouitatem afferant; ego quoque, qui eamdem Fidei sententiam à sanctis Episcopis & Patribus meis susceperi, ijs consentio.

Memnon metropoleos Ephesiorum Episcopus dixit: Sanctissimi pijssimiq. patris & Episcopi Cyrilli epistola modo lecta, Fidei in Nicæa ciuitate à trecentis decem & octo Patribus expositæ prorsus consonat. Cui proinde & nos quoque, quòd nihil mutilum, nihilq. distortum aut discrepans contineat, subscribimus & assentimur.

Theodotus Ancyræ Episcopus dixit: Sanctæ Fidei expositionem à trecentis decem & octo sanctis Patribus, qui Nicææ conuenerunt, editã, admirabilem, rectamq. & apprime piã, religiosissimi pijssimiq. patris nostri & Episcopi Cyrilli epistola clarius & apertius ostendit: quæ in nullo ab ea Fidei expositione dissentit, & ea tractat fusius, quæ illa differuerat angustius. Quare cognita epistolę, & trecentorum decem & octo sanctorum Patrũ mentis & fidei cõcordia, vt illis adnuimus, & per omnia adstipulamur; ita etiam patri nostro Cyrillo, qui illorum dicta planius per hanc epistolam exposuit. hæc inquam nos credimus, quæ illi exposuerunt, & quæ memorati sanctissimi Episcopi Cyrilli epistola diserte explanauit.

Flauianus Philippensium Episcopus dixit: Lecta Fide à trecentis decem & octo Patribus in Nicæa ciuitate, in qua congregati erant, quondã exposita, recitataq. Cyrilli sanctissimi patris ac Episcopi epistola de Fide ad religiosissimum Nestorium perscripta, comperimus illam Fidei Nicænæ euidenter luculenterq. consentire, multumq. lucis ad percipiendã germanam eorũ, quæ ibi disputata sunt, sententiam afferre. Quare & ipse quoque pijssimi patris, sanctissimiq. comministri Cyrilli epistolæ per omnia assentior, vt quæ à rectæ Fidei regula nusquam discedat, sed tam Apostolicæ doctrinæ, quàm Fidei à sanctis & orthodoxis Patribus in Nicæa ciuitate expositæ vbique consonet.

His quoque sanctissimũ patrem nostrũ Rufum Thessalonicensium Metropolitanum subscribere affirmo. Nam cum propter ægritudinem huc venire non posset, mihi ad sanctam & magnam hanc Synodum proficiscenti hæc mandata dedit. Quin omnes quoque Illyrici Episcopos in meam sen-

εἶπεν, Τῶν ἐν τῇ Νικαέων συναχθέντων, συμβαίνοντα, ἄλυτόν τι τῆς ὀρθῆς πίστεως, καὶ σύμφημι, καὶ συναινῶ τῷ διαβεβαιῶσθαι τῶν δογμάτων.

Προθύμιος ἐπίσκοπος Κομανίας εἶπε· Κατ' οὐδὲν λοιπὸν, ἢ πλεονάζουσαν τὴν ἔκθεσιν τῆς πίστεως τοῦ ὑπαναγνωσμένης ἡμῖν ἀπὸ τοῦ ἐπιστολῆς τοῦ ἁγιωτάτου πατρὸς ἡμῶν, καὶ ἐπισκόπου Κυρίλλου· ἀρνοῦμαι τὴν πίστιν τὴν ἐκτεθεῖσαν ὑπὸ τῶν πατέρων τῶν τριακοσίων δέκα καὶ ὀκτὼ, ἢ μόνας ἐν φιλαῖς λέξεσιν, ὁμολογῶ ἐν αὐτῇ βεβαπτίσθαι, καὶ τεθῆναι, καὶ πεπρεσβυκέναι, καὶ ἱερωσύνης ἠξιῶσθαι· ἐν ταύτῃ δέχομαι καὶ τὸν βίον τοῦτον ὑπεξελθεῖν, καὶ ταύτην φυλάξαι ἐν τῇ ἀναστάσει τῷ δεσπότῃ Χριστῷ.

Ἰωάννης ἐπίσκοπος Προικονήσου εἶπε· Τὰ αὐτὰ κἀγὼ καταθήσομαι τῷ ἁγιωτάτῳ ἐπισκόπῳ Προθυμίῳ, καὶ οὕτω πιστεύω.

Κωνσταντῖνος ἐπίσκοπος Φρυγίας Πακατιανῆς εἶπε· Τὰ αὐτὰ κἀγὼ καταθήσομαι, καὶ οὕτω πιστεύω.

Εὐτύχιος Θεοδοσιουπόλεως τῆς Ἀσίας εἶπε· Ἐκ νέας ἡλικίας καθὼς ἐπιστεύσαμεν, οὕτω ἐξενίσθημεν ἐκ τῆς ἐπιστολῆς τῆς γραφείσης παρὰ τοῦ θεοφιλεστάτου ἀρχιεπισκόπου Κυρίλλου, τῆς ἀποστολικοῖς τῷ ἁγιωτάτῳ Νεστορίῳ. σύμφωνος γὰρ εὑρέθη τῇ ἐκτεθείσῃ πρὸ τῶν τριακοσίων δέκα καὶ ἑπτὰ, τῶν συναθροισθέντων ἐν τῇ Νικαέων· καὶ οὕτω πιστεύω, καθὼς καὶ οἱ ἅγιοι πατέρες ἐφρόνησαν ἐν ταύτῃ τῇ μεγάλῃ συνόδῳ.

Eutychius Theodoſiopolis Aſiæ Epiſcopus dixit: Ex religioſiſſimi Archiepiſcopi Cyrilli epiſtola ad pijſſimum Neſtorium ſcripta, & paulo ante in hoc confeſſu recitata, nihil alienum ab ea Fide accepimus, quam ab ineunte ætate imbibimus. Quia ergo Fidei à trecentis decem & octo Patribus Nicænis editæ vndequaque conſona comperitur, ego quoque ita credo, quemadmodum ſancti Patres in magna hac Synodo expoſuerunt.

Ἀδέλφιος

Ἀδέλφιος Σαέων εἶπε· Τῆς πίστεως τῶν ἁγίων πατέρων, τῆς ἐκτεθείσης ἐν τῇ Νικαέων πάλαι, καὶ τῆς ἐπιστολῆς τοῦ θεοφιλεστάτου καὶ ἁγιωτάτου πατρὸς ἡμῶν Κυρίλλου, συμφωνον ἐχούσης πίστιν, ταύτῃ κἀγὼ ἀναγκαίως συντίθεμαι, χάριτι τῆς ἁγίας τριάδος.

Adelphius Saënſium Epiſcopus dixit: Cum ſanctorum Patrum Fides quondam apud Nicæam explanata, & Cyrilli religioſiſſimi & pijſſimi patris noſtri epiſtola vnam eamdemq. Fidei doctrinam profiteantur; per ſanctæ Trinitatis gratiam ego quoque huic conſentire debeo.

Rho-

Rhodon Palæopolis Aſiæ Epiſcopus dixit: Quando Cyrilli ſanctiſſimi ſacratiſſimiq. Epiſcopi epiſtola à ſanctis Patribus Nicænis nihil omnino diſcrepat, ego ipſe quoque, hoc eſt, ſecundum Fidem ab illis expoſitam, credere me affirmo.

Neſtorius Sionis prouinciæ Aſiæ Epiſcopus dixit: Sanctorum Nicænorum Patrum expoſitionem complectens, quodq. illi profeſſi ſunt, firmiter tenens; & Deo deuotiſſimi Epiſcopi Cyrilli epiſtolam ab illorum doctrina minime recedere deprehendens; ei quoque non ſecus atque ſanctorum Patrum expoſitioni adſtipulor; & quod vitæ temporis mihi reliquum eſt, hoc per Chriſti gratiam in hac ipſa Fide tranſigere vehementer cupio.

Paulus Epiſcopus ciuitatis Lampæ, prouinciæ Cretæ, dixit: Cum audiuerim & inuenerim epiſtolam ſanctiſſimi & Deo dilectiſſimi Epiſcopi Cyrilli conſonam expoſitæ Fidei Patrum, qui conuenerunt in ciuitate Nicæna; ei aſſentior, atque ita credo, & cupio in ea Fide perpetuo permanere.

Macarius Metelitarum Aegypti Epiſcopus dixit: Quia Cyrilli ſanctiſſimi Archiepiſcopi noſtri epiſtola, Fidei per Spiritum ſanctum à ſanctis Patribus apud Nicæam expoſitæ non repugnat; illiusq. doctrina à Fide ſanctiſſimæ Dei Eccleſiæ à ſanctiſſimis Patribus tradita nihil diſſentit, ſed eidem per omnia, vt modo aiebam, conſentit; ego quoque huic Fidei accedo.

Lampetius Caſſij prouinciæ Auguſtamnicæ Epiſcopus dixit: Epiſtolæ ſanctiſſimi Archiepiſcopi patris noſtri Cyrilli iam recitatæ adſtipulor, vt quæ Synodo Nicænæ, & Fidei à ſanctis Patribus expoſitæ per omnia conſentiat.

Φίρμος ἐπίσκοπος Καισαρείας Καππαδοκίας εἶπε· Μόρφωσιν εὐσεβείας σχηθεὶς ἐν προοιμίοις τῆς ἐπιστολῆς, προϊόντος τοῦ λόγου, οὐδενὶ τρόπῳ τὸ ἑαυτοῦ φρόνημα συνετάξατο δυνηθείς, γυμνὸν προκαλύμματος τὸ ἑαυτοῦ παρέσχετο φρόνημα, ἀπᾴδον τῆς τῶν ἁγίων πατέρων τ τριακοσίων δέκα καὶ ὀκτὼ πίστεως, καὶ τῇ ἐπιστολῇ τοῦ ἁγιωτάτου ἀρχιεπισκόπου Κυρίλλου, ἐναντίως ἔχον.

Οὐαλεριανὸς ἐπίσκοπος Ἰκονίου εἶπε· Πᾶσιν ἐκφανὴς ἡ τῆς ἐπιστολῆς ἑαυτοῦ τοῦ εὐλαβεστάτου Νεστορίου, οὐ μόνον τῆς πίστεως τ ἁγίων πατέρων, τῶν ἐν Νικαίᾳ, καὶ τῆς ἐπιστολῆς τοῦ θεοφιλεστάτου καὶ ἁγιωτάτου ἀρχιεπισκόπου Κυρίλλου, ἀπᾴδουσα· ἀλλ' ἐξ ἰδίᾳ ἑαυτῇ συμβαίνουσα.

Ἰκόνιος ἐπίσκοπος Γορτύνης εἶπε· Ἡ ἐπιστολὴ τοῦ εὐλαβεστάτου Νεστορίου, ἣ νῦν ἀναγνωσθεῖσα, οὐδεμίαν συμφωνίαν πρὸς τὴν ἔκθεσιν τ ἁγίων πατέρων, τ ἐν Νικαίᾳ συναχθέντων, ἔχει· οὐδὲ μὴν πρὸς τὴν ἐπιστολὴν τοῦ ἁγιωτάτου πατρὸς ἡμῶν καὶ ἐπισκόπου Κυρίλλου. διὸ πάντη ἀποπεμπόμενος, καὶ ἀναθεματίζων τοὺς οὕτω πιστεύοντας, συντίθεμαι τῇ ἐκθέσει τ ἁγίων πατέρων τ ἐν Νικαίᾳ, καὶ τῇ ἐπιστολῇ τοῦ ἁγιωτάτου πατρὸς καὶ ἀρχιεπισκόπου Κυρίλλου.

Ἑλλάνικος ἐπίσκοπος Ῥόδου εἶπε· καὶ ἤδη καταγράμμου, ὅτι τῇ ἐκθέσει τῆς ὀρθοδόξου πίστεως τ τριακοσίων δέκα καὶ ὀκτὼ ἁγίων πατέρων, τ συνελθόντων ἐν τῇ Νικαίων, ἀκολουθῶ· καὶ τὴν ἁγίαν παρθένον Μαρίαν θεοτόκον ὁμολογῶ. ἀνάθεμα δὲ ἔστω ὁ μὴ πιστεύων οὕτως.

Ἀκάκιος ἐπίσκοπος Μελιτινῆς εἶπε· Ἔδοξεν ἡμῖν ἡ ἀναγνωσθεῖσα ἐπιστολὴ τοῦ εὐλαβεστάτου ἐπισκόπου Νεστορίου,

cuius religioſiſſimus presbyter Petrus initio mentionem fecit; vt hinc intelligamus, num & illa quoque ſanctorum Patrum Nicænorum expoſitioni conſentiat.

Et lecta eſt ad eum modum, quo ſupra præmittitur. Paul. ep.

Religioſiſſimo, Deoq. amabiliſſimo comminiſtro Cyrillo, Neſtorius in Domino Sal. Admirabilium litterarum tuarum contumelias, quas in me exprompſiſti, tamquam medica quadam manſuetudine dignas, miſſas facio. & quæ ſequuntur.

Et poſtquam lecta eſt epiſtola, Cyrillus Epiſcopus Alexandriæ dixit: Quid videtur ſanctæ huic & magnæ Synodo de epiſtola modo recitata? Numquid hæc ipſa quoque Fidei à ſancta Nicænorum Patrum Synodo expoſitę conſentanea eſt, an vero ſecus?

Iuuenalis Hieroſolymorum Epiſcopus dixit: Nullo modo conſona eſt piæ Fidei expoſitæ à ſanctis Patribus, qui Nicææ conuenerunt: atque ideo eos omnes anathematizo, qui ita credunt: etenim aliena ſunt hæc omnia ab orthodoxa Fide.

Flauianus Philippenſium Epiſcopus dixit: Omnia quæ epiſtola hæc complectitur, cum Fide Nicæna aperte pugnant; ſuntq. ab eadem omnino aliena: quare omnes qui ita credunt, à recta Fide alienos eſſe iudicamus.

Firmus Cæſareæ Cappadociæ Epiſcopus dixit: In proœmio pietatis ſpeciem habet; at vero in ſermonis progreſſu nulla ratione animi virus diſſimulare amplius valens, depoſita perſona diſerte, quod ſentit, eloquitur, & à trecentorum decem & octo ſanctorum Patrum Fide diſſentit, & ſacratiſſimi Archiepiſcopi Cyrilli epiſtolæ contraria habet.

Valerianus Epiſcopus Iconij dixit: Religioſiſſimi Neſtorij epiſtolæ diuerſitas omnibus conſpicua eſt. Neque enim ſolum cum ſanctorum Patrũ Nicænorum Fide, ac ſanctiſſimi pijſſimiq. Archiepiſcopi Cyrilli epiſtola, ſed ſecum ipſa quoque manifeſte pugnat.

Iconius Gortynæ Epiſcopus dixit: Religioſiſſimi Neſtorij epiſtola iam recitata nihil omnino neque cum ſanctorum Patrum, qui olim Nicææ conuenerunt, expoſitione, neque cum ſanctiſſimi patris noſtri & Epiſcopi Cyrilli epiſtola conuenit. Quamobrem huic ego abrenuntians, eosq. qui ita credunt, anathematizans, ſanctorum Nicænorum Patrum Fidei, & ſanctiſſimi patris & Archiepiſcopi Cyrilli epiſtolæ ſubſcribo.

Hellanicus Rhodi Epiſcopus dixit: Iam ante indicaui, me orthodoxæ Fidei expoſitionem à trecentis decem & octo ſanctis Patribus in Nicæa ciuitate editam, ſequi; ſanctamq. virginem Mariam Deiparam profiteri. quocirca anathema ſit omnibus qui ita non credunt.

Acacius ciuitatis Melitenæ Epiſcopus dixit; Epiſtola religioſiſſimi Epiſcopi Neſtorij iam iam

lecta,

Νεστορίου,

lecta, diſerte oſtendit, timore minime vano impeditum ad ſanctam hanc & magnam Synodum venire detrectaſſe. Conſentaneum namque eſt, eum qui male ſibi conſcius erat, diuinasq. Scripturas deprauauerat, & ſanctorum quoque Patrum dogmata adulterauerat, ea formidine fuiſſe correptum, vt domum ſuam militum multitudine vallandam eſſe exiſtimaret. Etenim epiſtola illius, quæ paulo ante recitata eſt, apertiſſime indicat, quòd vocibus ſententijsq. quas de vnigenito Dei Filio trecenti decem & octo ſancti Patres & diuini Epiſcopi aſſeruerunt, ablatis, ſingulisq. quæ ad ſalutaris illius diſpenſationis myſterium pertinent, ſoli carni tributis, ſolum per ſe Dei templum natiuitatem & mortem ſuſtinuiſſe prædicarit. Quin & ipſi quoque diuinæ Scripturæ mendacium imponere non dubitauit. Perinde enim loquitur, ac ſi ipſa natiuitatem & paſſionem non Deo tribuat, ſed nudo homini. Apertam ad hæc aduerſus ſanctiſſimi & reuerendiſſimi Epiſcopi Cyrilli litteras calumniam intulit, quaſi Deum paſſibilem dixerint: quod neque ipſe, neque quiſquam eorum qui pie ſentiunt, aut cogitare aut dicere auſus fuit. Denique vnionem Dei cum carne, ſolo nomine agnoſcere, re ipſa autem eamdem prorſus negare, vbique aperte deprehenditur. Ceterum quòd doctrina admodum peregrina vtatur, vel hoc argumento clare demonſtrat, quòd Fidei dogma iamdemum opera ſua illuſtratum eſſe affirmare audet. His omnibus ergo, quòd à veritate quàm longiſſime diſtent, multamq. impietatem in ſe contineant, reiectis; ab illorum qui talia proloquuntur, communione alienum me eſſe pronuntio.

Memnon Epheſiorum Epiſcopus dixit: Epiſtola iam lecta, non calumniæ tantum, ſed fœdæ quoque blaſphemiæ labe contaminata eſt. Quam ob rem Fidei à trecentis decem & octo ſanctis Patribus apud Nicæam quondam expoſitæ, per omnia aduerſatur.

Theodotus Ancyræ Epiſcopus dixit: Nulla in re reuerẽdiſſimi Neſtorij epiſtolam cũ ſanctorum Patrum & diuinorum Epiſcoporum, qui Nicææ conuenerunt, expoſitione congruere deprehendimus. Quare vt illorũ explanationi aſſentimur; ita Neſtorij epiſtolam ab orthodoxa Fide alienã eſſe decernimus. Illos autem qui eiuſmodi ſenſu imbuti ſunt, ab orthodoxa Fide extraneos cenſemus.

Palladius ciuitatis Amaſiæ Epiſcopus dixit: Equidem propter blaſphemiam Neſtorij litteris incluſam, aures obturare non moror, nimioq. dolore correptus ita obrigeo, vt vocem edere vix poſſim. Credo etiam, vniuerſam hãc Deo deuotã ſanctamq. Synodum idem de lecta paulo ante epiſtola ſentire. Vnum hoc tantum dixerim, nempe epiſtolam illam ab orthodoxa ſanctorum Patrum expoſitione omnino diſtare. ob id ſane nullo pacto agnoſcimus eam eſſe catholicæ Eccleſiæ.

Donatus Nicopolis veteris Epiri Epiſcopus dixit: Religioſiſſimi Neſtorij epiſtola modo recitata, nullã neque veritatis doctrinã habet, neque Fidei

*Δωρόθεος ἐπ. Νικοπόλεως

Theodorus Gadarorum Episcopus dixit: Et ego quoque venerabilem Nestorium anathematizo, vt qui, quemadmodum ex epistola illius iam lecta perspicue cognoscere licet, sanctorum Patrum Nicænorum doctrinam, sicuti oportebat, non recipiat.

Rufinus Taborum Episcopus dixit: Religiosissimi Nestorij epistola, quam modo audiuimus, auctorem suum ab orthodoxa sanctorum Nicænorum Patrum expositione diuersa sentire aperte declarat: quare & illum anathematizo, & omnibus illius blasphemijs, absurdisq. explicationibus abrenuntio.

Paulianus Maiumæ Episcopus dixit: Ego similiter illum anathematizo. nam quòd præpostere sapiat, id illius epistola euidenter demonstrat.

Aeanus Sycamazonis Episcopus dixit: Non vulgari, aut simplici modo religiosissimi Nestorij sententia per epistolam illius sese aperit; quando-quidem quòd sensum ille orthodoxæ Fidei plane contrarium habeat, id minime obscure ostendit: quare ego quoque illum anathematizo. *Ioannes

Petrus Parembolæ Episcopus dixit: Cum illos qui Deo adhærere studeant, Fidem orthodoxam, sanctorumq. Patrum qui in Nicæa ciuitate conuenerunt, expositionem sectari oporteat, & religiosissimus Nestorius nentri satis consentiat; ego quoque propter eius epistolam modo lectam illum anathematizo.

Ioannes Augustopolis Episcopus dixit: Quoniam quidem religiosissimus Nestorius ex epistola quam paulo ante audiuimus, catholicæ Fidei contraria sapere, clare deprehensus est; ego etiã illum anathematizo.

Paulus Anthedonis Episcopus dixit: Non decet homines apprime Christianos ijs sese adiungere, qui praue, non recte sentire cognoscuntur. Cum ergo religiosissimus Nestorius non pauca, quæ ab orthodoxa Fide, sanctorumq. Patrum qui apud Nicæam conuenerunt, expositione aliena sunt, tenere ex epistola sua conuincatur; ego quoque eumdem detestor, atque anathematizo.

Letoius Episcopus Libyadis dixit: Multum ab orthodoxa Fide dissentit sensus Nestorij religiosissimi, vt ex ijs quæ lecta sunt, constat: quare & ego anathematizo eum.

Saidas Phænis Episcopus dixit: Et ego eumdẽ neque recte sentientem, neque Fidei sanctorum Patrum Nicænorum assentientem, anathematis execratione deuincio: siquidem epistolæ illius lectio, quæ sit eius mens sententiaque, satis superq. nobis aperit.

Eusebius Pelusij Episcopus dixit: Quæcumque in epistolã religiosissimi Nestorij iam lectã congesta sunt, ea omnia à Fide Nicæna per sanctos Patres exposita, extranea sunt: vnde & hæc ipsa, & omnes præterea qui talia sapiunt, anathematizo.

Macarius Antei Episcopus dixit: Plæraque omnia quæ reuerendissimi Nestorij epistolæ inserta comperiuntur, Fidei quam sancti Patres in Nicæa ciuitate exposuerũt, admodum dissona sunt: atque ideo ijs omnibus qui eo sensu præditi sunt, ana-

Ρουφῖνος Ἐπίσκοπος Ταβῶν εἶπεν· Ἡ ἀναγνωσθεῖσα ἐπιστολὴ τοῦ εὐλαβεστάτου Νεστορίου, ἐδείξεν αὐτὸν ὑστεροῦσαν τῆς ὀρθοδόξου πίστεως περὶ τῶν ἁγίων πατέρων, τῶν ἐν Νικαίᾳ συνελθόντων, φρονοῦντα· ὅθεν ἀναθεματίζω αὐτὸν, καὶ τῆς *ἐκπλήξεως παρ' αὐτοῦ δυσφημίας καὶ βλασφημίας ἀποστρέφομαι. *ἐκπλήξεως

Σαΐδας Ἐπίσκοπος Φοίνικος εἶπεν· κἀγὼ αὐτὸν ἀναθεματίζω κακῶς φρονοῦντα, καὶ μὴ συμφωνοῦντα τῇ πίστει τῶν ἁγίων πατέρων, τῶν ἐν Νικαίᾳ συνελθόντων. ἐδείξε γὰρ αὐτοῦ τὸν γνώμον ἡ τῆς αὐτοῦ ἐπιστολῆς ἀνάγνωσις.

Εὐσέβιος Ἐπίσκοπος Πηλουσίου εἶπεν· Τὰ ἐγκείμενα πάντα τῇ ἐπιστολῇ τῇ ἀναγνωσθείσῃ τοῦ εὐλαβεστάτου Νεστορίου, ἀλλότρια τυγχάνει τῆς ἐκτεθείσης πίστεως ἐν Νικαίᾳ ὑπὸ τῶν ἁγίων πατέρων. καὶ πάντα ἀναγκαίως ἀναθεματίζω, καὶ τοὺς ταῦτα φρονοῦντας.

Διαλαλιὰ Κυρίλλου ἐπισκόπου Ἀλεξανδρείας, περὶ τῶν αὐτοῦ δυσφημιῶν.

Κύριλλος ἐπίσκοπος Ἀλεξανδρείας εἶπεν· Ἐπειδὴ οὐ περὶ τ τυχόντων ἡμῖν ὁ λόγος, ἀλλὰ περὶ ὅ πάντων κεφαλαιωδεστέρων πράγματος, φημὶ δὴ τῆς ὀρθῆς εἰς Χριστὸν πίστεως, ἀναλαβεῖν ἐστι, τοὺς φιλαβεστάτους ἐπισκόπους, Θεόδοτον καὶ Ἀκάκιον, καὶ τὰς εὐλαβεστάτης τοῦ φιλαβεστάτου ἐπισκόπου φύσεως, καὶ τοὺς ὁρκισμοὺς, τοὺς ἐπενεχθέντας, φιλαλήθεις ὄντας, καὶ ἁγίους, εἰπεῖν, εἴπερ ἀκηκόασι λέγοντος αὐτοῦ ἐν τῇ Ἐφεσίων πόλει, διαλεχθῆναι περὶ αὐτὸν ὑπὲρ τῆς ὀρθῆς πίστεως κινήσαντος.

Θεόδοτος ἐπίσκοπος Ἀγκύρων εἶπεν· Οὐδαμῶς μὲν ὑπὲρ φίλου. πάλαι πάσης φιλίας προτιμῶ τὴν εὐσέβειαν. διὸ ἀνάγκην ἔχω, καὶ μὴ πολλῆς ἀθυμίας, περὶ ὧν ἐρωτῶμαι, τὴν ἀλήθειαν ἐκφῆναι· σὺν οἶμαι χρεὼν εἶναι τῆς ἡμῶν μαρτυρίας, τοῦ φρονήματος αὐτοῦ δῆλα γεγενημένου ἐκ τοῦ γράμματος τοῦ πρὸς τὴν ὀρθοδοξίαν· ἃ γὰρ ἐκεῖ ἀπηνέχθησαν περὶ τοῦ θεοῦ λόγου λέγεσθαι, τουτέστι τοῦ μονογενοῦς, ἀνατιθέντα αὐτῷ τὰ ἀνθρώπινα, πῶς, καὶ ἐνταῦθα διαλεχθέντος, ἔφη· μὴ δεῖν περὶ θεοῦ λόγου κακολογεῖσθαι, μηδὲ χρῆσιν τὴν ἐκ παρθένου· οὕτω καὶ ἐνταῦθα πολλάκις ἔφη, δίμηνιαῖον, ἢ τρίμηνιαῖον, μὴ δεῖν λέγεσθαι θεόν· καὶ πάντα οὐχ ἡμεῖς μόνοι, ἀλλὰ καὶ ἕτεροι πλείονες, ἀκηκόαμεν, οὐ περὶ πολλῶν ἡμερῶν πρὸς ἡμᾶς αὐτοῦ ἐν Ἐφέσῳ διαλεχθέντος.

Ἀκάκιος ἐπίσκοπος Μελιτηνῆς εἶπε· Πίστεως προκειμένης, καὶ τῆς εἰς τὸν θεὸν εὐσεβείας, ἀνάγκη πᾶσαν σχολάζειν διάθεσιν· ὅθεν εἰ καὶ σφόδρα ἕτερος τοὺς ἄλλους τὸν κύριον Νεστόριον ἠγάπησα, καὶ παντοίως αὐτὸν θεραπεῦσαι ἐσπούδασα, ἀνάγκη νῦν φιλαλήθως τὰ παρ' αὐτοῦ εἰρημένα εἰπεῖν, ἕτερ τοῦ μὴ καταγελασθῆναί με τῷ ψυχῷ, δοκιμάσαντος πλεῖστα. παρεσχεθημεν ἐπιστὰς τῇ Ἐφεσίων πόλει, ἐπιποθήσαντι πρὸς τὸν εἰρημένον ἄνδρα διαλέξει· καὶ γνοὺς αὐτὸν σὺν ὀρθῶς φρονοῦντα, παντοίως αὐτὸν ἐσπούδασα διορθώσασθαι, καὶ διαπεῖσαι τοῦ πατρικοῦ φρονήματος. αὐτόν τε ἐκεῖνον ἰσχυρῶς τοῖς χείλεσι συνομολογοῦντα, ὅτι δὴ μεγαλοφυΐαν τῆς τοιαύτης ἐννοίας· ἡμέρας δὲ δέκα, ἢ δώδεκα διαλιπόν, πάλιν λόγου τινὸς κινηθέντος, ἀντιλαβόμενον τοῦ τῆς ἀληθείας λόγου· καὶ ἀντιπίπτοντα αὐτὸν τούτῳ ἰσχυρῶς· καὶ δύο ἀτόπως τὸ αὐτὸ ἐμφανῶσον ἀναπλέκειν· πρότερον μὲν γὰρ ἐκ τοῦ αὐτοῦ ἐπερωτήσεως ἀτόπου οὔσης ἀνάγκην ἐπιθεῖναι τοῖς δόκησιν λεγομένοις, ἢ πάντη ἀρνήσασθαι, τὸν τοῦ μονογενοῦς θεότητα ἐνανθρωπήσαι, ἢ ὁμολογεῖν, ὅπερ ἐστὶν ἀσεβὲς, ὅπερ καὶ ἡ τοῦ πατρὸς καὶ ἡ τοῦ υἱοῦ, καὶ ἡ τοῦ πνεύματος, θεότης συνεπερώθη τῷ θεῷ λόγῳ· ἅπερ ἐστὶ πάντι τρόπῳ κακοτέχνου διανοίας, καὶ ἐκβαλλόμενος τὸν ἀσεβῆ πίστιν. ἔπειτα δ' αὖτε κινηθέντος λόγου,

mus, vt in præsentium actorum fidem & confirmationem nobis exponant, quidnam ante hoc proximum triduum ex ipso Nestorio audierint.

Pronuntiatum Cyrilli Episcopi Alexandrini de blasphemijs Nestorij.

Cyrillus Alexandriæ Episcopus dixit: Quandoquidem non de vulgari, sed de re omnium maxima hic agitur, puta de recta in Christum fide, consentaneū est vt reuerendissimi Episcopi Theodotus & Acacius iuxta obtestationem, oblatiq. iurisiurandi religionem pijssimi Fidi Episcopi, quemadmodum sanctos & amatores veritatis decet, ea candide sincereq. nobis aperiant, quę cum Nestorio in hac Ephesiorum ciuitate de orthodoxa Fide disputantes, ex illius ore audierunt.

Theodotus Ancyræ Episcopus dixit: Equidem amici causa grauiter affligor; nihilominus omni amicitiæ præpono pietatem. Adigor proinde, idq. non magna absque animi mei tristitia, vt eorum, de quibus interrogor, veritatem exponam; etsi interim nostrum hoc testimonium non magnopere desiderari existimem. Nam cuius illefententiæ sit, ex litteris quas ad pietatem tuam dedit, satis apertum est: siquidem humana, quæ ibi de Verbo, hoc est Vnigenito, tamquam illo indigna prędicari posse negauit, eadē & hic quoque inficiari non erubuit. Etenim vt lactationem ex Virgine generationem, aliaq. ciusmodi de Deo dici non posse, in epistola contendit; ita hoc in loco differens, Deum bimestrem aut trimestrem appellare, nefas esse repetiuit. Atque hoc non solum nos ex eo intelleximus, cum paucis antediebus in hac Ephesiorum ciuitate contra nos disceptaret, sed alij præterea non pauci.

Acacius Melitenæ Episcopus dixit: Fide & pietate erga Deum in medium propositis, omnis priuata affectio facessat necesse est. Quamobrem licet dominum meum Nestorium præ ceteris ardenti quodam amore prosequutus sim semper, eumq. omnino seruare studuerim; nupc tamen necessitas hortatur, vt quæ ab ipso prolata mihi constant, ea vera narratione hic explanem: ne, si forte veritatem cælauero, meritam damnationis sententiam animæ meæ afferam. Igitur vbi primum in hanc Ephesiorum ciuitatem ingressus sum, cum prædicto viro in colloquium veni. Cumq. inter differendum, illum minus recte sapere animaduerterem, ab erronea opinione, qua tenebatur, eum abducere, & ad veritatis tramitem transferre conatus sum: eòq. hominem induxisse videbar, vt se verbis saltem ab ea sententia recessisse fateretur. Ceterum decem aut duodecim dierum interuallo interiecto, intermissam disceptationē denuo redintegramus. Cumq. ego veritatis patrocinium suscepissem, deprehendi illum & veritati serio obniti, & in duas graues absurditates simul prolabi. Primo namque ex illius interrogatione, quæ non parum inepta erat, eo responsurum adigere contendebat, vt vel Vnigenitum incarnatum inficiaretur; vel certe (quod impium erat) Patrem & Spiritum sanctū vna cum Verbo carnem sumpsisse profiteretur. Quod, vt dixi, mentis erat peruersissimæ, & piam Fidē modis omnibus euertere paratæ. Mota deinde altera

concertatione, Episcopus quidam qui ipsi adhærebat, sermonem excipiens, alium asserebat Filiũ esse qui mortem subierat, & alium item Dei Verbum. Quam blasphemiam amplius ferre non valens, omnibus consalutatis abiui. Aderat & alius quidam ipsi, qui Iudæis patrocinatus, eos non in Deum, sed in hominem impios extitisse affirmabat.

Flauianus Philippensium Episcopus dixit: Cũ pijssimorum & religiosissimorum cõsacerdotum nostrorum Acacij & Theodoti narratio manifesta existat; consequens est, vt beatorum Patrum nostrorum sententiæ ad præsens institutum facientes in medium proferantur, prolataq. & lectæ in acta referantur.

Petrus presbyter Alexandriæ, & notariorum primicerius dixit: Quandoquidem sanctissimorũ sacratissimorumq. Patrum ac Episcoporum, & diuersorum præterea Martyrum codices in promptu habemus, nonnullaq. capita ex illis selegimus; ea, si vobis ita visum fuerit, prælegemus.

Flauianus Episcopus Philippensium dixit: Legantur, & in actorum monumenta referantur. Et lecta sunt in hunc modum.

Ἀθανασίου τοῦ ἁγιωτάτου, ἡμῶν ἐπισκόπου Ἀλεξανδρείας, ἐκ τοῦ κατ' Ἀρειανῶν βιβλίου.

Athanasii sanctissimi Episcopi Alexandriæ, ex libro contra Arianos.

Πολλοὶ μὲν οὖν ἅγιοι γεγόνασι, καὶ καθαροὶ πάσης ἁμαρτίας· Ἱερεμίας μὲν γὰρ ἐκ γαστρὸς ἡγιάσθη· καὶ Ἰωάννης ἔτι κυοφορούμενος, ἐσκίρτησεν ἐν ἀγαλλιάσει, ὅτε τῇ Φωνῇ τῆς ἁγίας Μαρίας. καὶ ὅμως ἐβασίλευσεν ὁ θάνατος ἀπὸ Ἀδὰμ μέχρι Μωϋσέως, καὶ ἐπὶ τοὺς μὴ ἁμαρτήσαντας, ὅτι τῷ ὁμοιώματι τῆς παραβάσεως Ἀδάμ. καὶ οὕτως ἔμενον οὐδὲν ἧττον οἱ ἄνθρωποι, θνητοὶ, καὶ φθαρτοὶ, ἐκτικοὶ τῶν ἰδίων τῆς φύσεως παθῶν. νῦν δὲ, τοῦ λόγου γενομένου ἀνθρώπου, καὶ ἰδιοποιουμένου τὰ τῆς σαρκὸς, ἀκέραια τοῦτα τοῦ σώματος ἄπεστιν, διὰ τὸν ἐν αὐτῷ γενόμενον θεὸν λόγον· ἀλλ' ἐπ' αὐτοῖς μὲν αὐτὰ λοιπά. λοιπὸν δὲ οἱ ἄνθρωποι ἀκέραια τὰ ἴδια πάθη μένουσιν ἁμαρτωλοὶ καὶ νεκροὶ, ἀλλὰ τῇ τοῦ λόγου δυνάμει ἀπαθεῖς, ἀθάνατοι καὶ ἄφθαρτοι ἀεὶ διαμένουσιν. ὅθεν καὶ γενομένης τῆς σαρκὸς ἐκ τῆς θεοτόκου Μαρίας, αὐτὸς λέγεται γεγεννῆσθαι, ὁ τοῖς ἄλλοις τὸ γενέσθαι, εἰς τὸ εἶναι, παρέχων· ἵνα τῷ ἡμῶν εἰς ἑαυτὸν μεταθῇ γένεσιν, καὶ μηκέτι ὡς γῆ μόνη ὄντες, εἰς γῆν ἀπέλθωμεν· ἀλλ' ὡς τῷ ἐξ οὐρανοῦ λόγῳ συναφθέντες, εἰς οὐρανὸν ἁρπαγησώμεθα διὰ αὐτό· σχεδὸν οὕτω καὶ τὰ ἄλλα πάθη τοῦ σώματος ἔχει ἀπηκότως εἰς ἑαυτὸν μεταθῆκεν, ἵνα μηκέτι ὡς ἄνθρωποι δοκῶμεν· ἀλλ' ὡς ἴδιοι τοῦ λόγου, τῆς αἰωνίου ζωῆς μεταλάχωμεν. ἀκέραια δὲ τῷ λόγῳ τὰ περὶ τὴν γένεσιν ἐν τῷ Ἀδὰμ πάντες δοκοῦμεν· ἀλλὰ λοιπὸν τῆς γενέσεως ἡμῶν, τῇ πάσης τῆς σαρκικῆς ἀσθενείας μεταπεθέντων εἰς τὸν λόγον, ἐλαφρόμεθα δικαίως τῆς, λυπρίας τῆς δι' ἁμαρτίαν κατάρας. Διὰ τὸ ἐν ἡμῖν ὑπὲρ ἡμῶν γενόμενον κατάραν.

Multi sane & sancti extitere, & ab omni peccato immunes. Siquidem Hieremias ex vtero sanctificatus est: & Ioannes adhuc intra materna viscera delitescens, Deiparæ virginis Mariæ voce percepta, præ gaudio exultauit. Verùtamen regnauit mors ab Adam vsque ad Moysen, etiam in eos qui non peccauerunt in similitudinem præuaricationis Adæ. Atque ita homines morti & corruptioni, ceterisq. miserijs quæ in ipsorum naturam conueniunt, obnoxij manebant. Nunc autem posteaquam Verbum incarnatũ est, & ea quæ carnis sunt propria, sibi adsciuit, eiusmodi passiones in corpus non amplius desæuiunt, propter Deum Verbum quod in eo factũ est, sed ab ipso quidem cõsumptæ sunt. Restat ergo, vt homines secundum propriæ naturæ passiones peccato & morte non amplius constricti teneantur; sed Verbi virtute exsuscitati, perpetuæ immortalitatis & incorruptionis beneficio potiantur. Carne proinde ex Deipara Maria nata, ipse natus perhibetur, qui alijs rebus vt sint largitur: quò videlicet nostra natiuitate in seipsum translata & transformata, non amplius tumquam terra tantum simus, in terram abeamus; sed tamquam cælesti Verbo coniuncti, ab ipso in cælum euehamur. Ad hunc modum alias quoque corporis passiones haud incongrue in seipsum transtulit ille, ne in posterum sicut homines moriamur, sed tamquam Verbi Dei proprij effecti, sempiternæ vitæ participes existamus. Neque enim vltra, iuxta priorem generationem, omnes in Adam morimur; sed tam natiuitate, quàm reliquis omnibus carnis infirmitatibus in Verbum translatis, à maledictione per peccatum nobis inflicta, propter eum qui in nobis nostri causa factus est maledictio, resurgimus.

SI mihi non credunt, credant Apostolo dicenti: Postquam vero venit plenitudo temporis, misit Deus Filium suum factum ex muliere, factũ sub lege. Filium, inquit, suum, non vnum de multis; non communem, sed suum. Suum cum dicit, generationis æternæ proprietatem significauit. Hunc postea factum ex muliere asseruit, vt factura non diuinitati, sed assumptioni corporis adscriberetur. Factum ex muliere per carnis susceptionem: factum sub lege per obseruantiam legis. HOc enim sapite, inquit, in vobis, quod & in Christo IESV: qui cum in forma Dei esset, non rapinam arbitratus est, esse se æqualem Deo; sed semetipsum exinaniuit, formam serui accipiens. Quid serui forma de Deo dici potest abiectius? Quid de omniũ Rege humilius, quàm quòd sponte ad abiectæ naturæ nostræ commercium sese abiecit? Rex regum, Dominus dominantium seruili forma induitur: omnium iudex, mundi huius dynastis vectigalis efficitur: creaturæ Dominus in antro diuersatur: qui omnia palmo concludit, locum in diuersorio nullum inuenit, sed in brutorum animantium præsepi reclinatur: mundus & immortalis humanæ naturæ sordes non auersatur, & omnem mendicitatem nostram transgressus, ipsam demum mortem perpetitur. Voluntariæ huius paupertatis & abiectionis mensuram perpendite. Vita degustat mortem; iudex in prætorium adducitur; omnium viuentium Dominus iudicis sententiæ subijcitur; omnium cælestium virtutum Rex, carnificum manus experiri non grauatur. SI quem ambiguum facit Vnigeniti inhumanatio, & Virginis partus, & passionum communicatio, & crux, & mors, & resurrectio, discens agnoscat hæc mundo salutem parere; non tamen indigna benignitate præstantioris existimari debent. Si enim turpe est Deo in virgine habitare, turpius fuerit & eam condere. Quòd si eam condens nullam incurrit ignominiam; nec habitare in creatura dignum opprobrio iudicauit. Si vero pati malum est, liberare passionibus quantum est? Quare & mortuus est, immortalis existens, vt morti mortem inferret; & resurrexit, nostram constituens resurrectionem. Et hæc omnia suscepit, non natura deitatis, sed assumptione carnis: illa quidem in asylis suæ habitans impassibilitatis, hac autem omnia passus, & tolerans, vt fieret optimi instituti dux & legislator.

sententia aliquot ex fratribus & coëpiscopis nostris, instructam potius legationem mittere licuisset, quàm excusationem lamentatione dignã: nisi hanc animi nostri affectionem diuersæ causæ impediuissent. Primum enim domini & filij nostri religiosissimi Theodosij Imperatoris litteræ ad manus nostras perlatæ, eiusmodi erant, quæ beatæ memoriæ fratris & coëpiscopi nostri Augustini præsentiam peculiari ratione efflagitabant. Verum cum ea litteræ illum iam tum è viuis excessisse comperissent, ego regiam illam significationem, licet ad prædictum Augustinum præcipuè destinata videretur, excipiens, missis ad vniuersas Africæ prouincias congruis litteris, consuetisq. sermonibus, synodum cogere volui conuenientem; quò nimirum ex fratrum & Episcoporum nostrorum numero seligerentur nonnulli, qui ad venerabilem beatitudinis vestræ Synodum destinarentur. At omnis hac tempestate viæ aditus præclusus est. Etenim effusa hostium multitudo, & ingens vbique prouinciarum vastatio, quæ incolis partim extinctis, partim in fugam actis, miseram desolationis speciem, quoquo versum longe lateq. porrigitur, oculis offert, promptam illam veniendi facultatem reprimit. His itaque impedimentis Episcopi, quibus propositum id erat, prohibiti, ex Africæ ambitu simul conuenire nequiuerunt. Hisce incommodis accedebat, litteras Imperatoris in diebus Paschæ ad nos perlatas esse, quando iam inde vsque ad vniuersalem venerandam Synodum vix duorum mensium spatium superabat. Quod sane temporis interuallum, etsi nulla in præsentiarum ab hostibus difficultas fuisset obiecta, vel ad Africanam Synodum cogendam vix satis erat. Hinc factum est, vt licet solemnem aliquam legationem mittere nequaquam valuerimus; attamen propter reuerentiam & obseruantiam, quæ Ecclesiasticæ disciplinæ iure debetur, filium meum Besulam diaconum vnà cum his excusationis litteris ad vos, venerabiles fratres, destinauerimus. Quamobrem vestram sanctitatem iterum atque iterum rogatam cupio (etiamsi Fidem catholicam per tantam venerandorum sacerdotum Synodum, Dei nostri auxilio in omnibus stabilem ac firmam futuram certo confidam) vt Spiritu sancto cooperante, quem cordibus vestris in omnibus quæ acturi estis, præsto futurum non dubito, nouas doctrinas, & antehac ecclesiasticis auribus inusitatas, priscæ auctoritatis robore instructi, è medio profligetis, tantaq. constantia ac virtute quibuscumque nouis erroribus resistatis, ne hos, quos pridem impugnauit Ecclesia, hisq. temporibus repullulantes, Apostolicæ Sedis auctoritas, sacerdotumq. in vnum consonans sententia oppressit, secundæ disputationis prætextu vox iam dudum ablata renouare videatur. Quòd si quid forte nouarum controuersiarum inciderit, id discussioni subijciatur oportet: vt vel recte dictum comprobetur, vel condemnatione dignum explodatur. At vero si quis

quis ea quæ iam olim dijudicata ſunt, denuo in diſputationem vocari ſinat; in ſane aliud nihil facere cenſebitur, quàm de Fide, quæ hactenus valuit, ipſemet dubitare. Deinde ad poſteritatis exemplum, vt ea quæ nunc pro catholica Fide definita ſunt, perpetuam firmitatem obtinere valeant, oportet ea omnia inconcuſſa immotaq. conſeruare, quæ ſuperioribus temporibus à ſanctis Patribus conſtituta ſunt. Nam qui illa perpetuam ſtabilitatem retinere voluerit quæ de catholicæ Fidei ratione ſtatuerit, is non propria auctoritate, ſed antiquorum Patrum iudicio ſententiam ſuam corroborare debet; ita vt ea ratione partim veterum, partim recentiorum decretis & ſententijs placita ſua comprobans, vnicam Eccleſiæ veritatem, iam inde ab initio ad præſens vſque tempus ſimplici puritate, inuictaq. conſtantia & auctoritate decurrentem, ſe aſſerere, docere, & tenere oſtendat. Hæc pro præſenti Africanorum legatione, quam neceſſitas ſuperius memorata impediuit, venerabilibus veſtris auribus ſuggerere volui; obnixe interim rogans, vt calamitatibus rerum, præſentiumq. temporum ſpectatis, noſtram abſentiam non ſuperbiæ aut negligentiæ, ſed manifeſtæ huic neceſſitati adſcribere velitis.

Cyrillus eccleſiæ Alexandrinæ Epiſcopus dixit: Et hæc reuerendiſſimi pijſſimiq. Carthaginis Epiſcopi Capreoli, quæ lecta eſt epiſtola, cum dilucidam ſententiam in ſe contineat, fidei geſtorum inſeratur. Vult enim antiqua Fidei dogmata confirmari; noua vero, & abſurde excogitata, & impie diuulgata, reprobari ac proſcribi.

Omnes Epiſcopi ſimul exclamauerunt: Hæc omnium voces, hæc omnes aſſerimus, hoc omnium eſt votum.

A πάλαι ἐκελεύθη, ἐάν τις ἐπαφῇ εἰς διάφορον διάλεξιν κληθῆναι, εὐδὲν ἕτερον δόξει, ἢ περὶ τῆς πίστεως, ἢ τις μέχρι δεῦρο κατέχειν, αὐτὸς ἀμφιβάλλειν· ἕνεκα διὰ τὸ τῶν μεταγνώσεων ὑπόδειγμα· ἵνα πᾶσι, ἅπερ νῦν ὑπὲρ τῆς καθολικῆς πίστεως ὥρισται, ἰσχὺν δυνηθῇ διηνεκῆ βεβαίωσιν, πᾶσι, ἅπερ ἤδη ἰσὶ τῶν πατέρων ἀοριθέντα, φυλακτέα ἐστὶν· ἐπειδὴ ὃς ἂν βούλεται, ἅπερ ὑπὲρ τῆς καθολικῆς καθαιρέσεως ἐθέσπισαν, εἰς τὸ διηνεκὲς μένειν· ἢ τῇ ἰδίᾳ αὐθεντίᾳ, ἀλλὰ διὰ τῆς τῶν ἀρχαιοτέρων ψήφου ὀφείλει βεβαιωθῆναι, ὅπερ ἐφρόνησεν· ὥστε ἅτοις, τοῦτο μὲν διὰ τῶν B ἀρχαιοτέρων, τοῦτο δὲ καὶ διὰ νεωτέρων ὅρων, ὅπερ διαβεβαιῶται, δοκιμάζων, μονογνὴ τὴν καθολικῆς ἐκκλησίας τὴν ἀλήθειαν, διὰ τῶν παρωχημένων καιρῶν μέχρι τῶν παρόντων, ἥτις τῶν ἡμετέρων, ἀσυλῇ καθαρότητι, καὶ ἀπαθεῖ αὐθεντίᾳ τετύχηκεν, ἑαυτὴν καὶ λέγειν, καὶ διδάσκειν, καὶ κατέχειν. πᾶσι πῶς ὑπὲρ τοῦ παρούσης πρεσβείας τοῦ Ἀφρικῆς· διὸ ἵνα καθαπέμψαι ἡ ἀνάγκη ἡ σφοδρὰ ἐπιβάσα καὶ συνεχώρησε, τῆς συνοχῆς τῆς ὑμῶν ἀκοαῖς ὑπεβάλομεν, παῖσα σῦγχαλῶν· ἵνα γνωρισθῶσιν τὰ ἐν τοῖς πράγμασι, καὶ τοῖς καιροῖς συμφορῶν, τὴν ἡμετέραν ἀπουσίαν μηδεμιᾷ ὑπερφανείᾳ, ἢ ἀμελείᾳ· ἀλλὰ ταύτῃ τῇ σφοδρᾷ ἀνάγκῃ μᾶλλον, λογίσασθαι καταξιώσητε.

C Κύριλλος ἐπίσκοπος Ἀλεξανδρείας εἶπε· Καὶ ἡ ἀναγνωσθεῖσα ἐπιστολὴ ὑπὸ διλαβεστάτου, καὶ θεοφιλεστάτου, ἐπισκόπου τῆς Καρθαγένης Καπρεωλέ, ἐμφερέσθω τῇ πίστει τῶν ὑπομνημάτων· φανερὸν ἔχουσα διάνοιαν· βλέπει γὰρ, τὰ μὲν ἀρχαῖα κεφαλαιοῦσθαι τῆς πίστεως δόγματα, τὰ δὲ νεαρὰ, καὶ ἀτόπως ἐξηυρημένα, καὶ ἀσεβῶς εἰρημένα, ἀποδοκιμάζειν, καὶ ἐκβάλλειν.

Πάντες οἱ ἐπίσκοποι ἀνεφώνησαν· αὕτη πάντων αἱ φωναί· ταῦτα πάντες λέγομεν· αὕτη πάντων ἡ ψυχή.

SENTENTIA DEPOSITIONIS à ſancta Synodo contra Neſtorium lata.

SAncta Synodus dixit: Cum præter cetera impiſſimus Neſtorius neque noſtræ citationi parere, neque ſanctiſſimos religioſiſſimosq. Epiſcopos à nobis deſtinatos admittere voluerit, nō potuimus ad eorum, quæ impie docuit, examinationem animum nō adiungere. Deprehendentes itaque partim ex litteris, commentarijsq. ipſius hic publice lectis; partim è ſermonibus, quos nuperrime in hac Epheſiorum metropoli habuit, quiq. teſtimonijs comperti ſunt, illum impie ſentire & prædicare: coacti per ſacros Canones, & epiſtolam ſanctiſſimi patris noſtri & comminiſtri Cæleſtini Romanæ Eccleſiæ Epiſcopi, lacrymis ſubinde perfuſi, ad lugubrem hanc contra eum ſententiam neceſſario venimus.

Igitur Dominus noſter IESVS Chriſtus, quem ſuis ille blaſphemis vocibus impetiuit, per ſanctiſſimam hanc Synodum eumdem Neſtorium Epiſcopali dignitate priuatum, & ab vniuerſo ſacerdotum conſortio & cœtu alienum eſſe definit.

A stinatio. Neque enim pœnituit, neque ea fletu diluit, quæ contra gloriam omniũ nostrum saluatoris Christi dicere ausus fuerat: quin etiã cum venisset Ephesum, ijsdẽ rursum vsus est sermonibus, quibus ante; ac denuo certum omnibus indicium fecit, se à peruersa sententia minime alienum esse. Itaque cum quidam celebris famæ Metropolitani, pijssimiq. Episcopi, aduersus eum quæstionẽ merito mouerent, clareq. ex diuina Scriptura Deum esse illum, quẽ sancta Virgo secundum carnẽ genuerat, ostenderẽt, atque inde ipsum errare euidenter concluderent; in hanc scelleratam vo-
B cem prorupit: Ego Deum bimestrem, & trimestrem non dico. Quibus alia addidit non pauca, Vnigeniti incarnationem è medio plane tollens.

Ac terminus quidem sanctæ Synodo à pijssimis Imperatoribus præstitutus erat sacra Pentecostes dies. Primæ enim illorum litteræ, quibus ad Synodum euocabamur, ita iubebant. Hanc autẽ præstitutam diem nos nostro aduentu in ciuitatem Ephesiorum anteuertimus. neque enim decebat, vt Dominorum nostrorum edicta negligeremus. Verum posteaquam pijssimum religiosissimumq. Ioannem Episcopum Antiochenum aduentare accepissemus, adhuc sexdecim dies expe-
C ctauimus, cum tamen tota Synodus reclamaret, asserens illum confessui interesse non velle, quòd metueret, ne forte reuerendissimus Nestorius, qui ex illius ecclesia assumptus fuerat, loco suo moueretur: quæ res ipsi fortasse iustum pudorem incuteret. Quam suspicionẽ veram extitisse, ipsa postea experientia liquido ostendit. nam distulit aduentum suum. Etenim nonnulli ex Orientalibus Episcopis, qui cum ipso agunt, ab illo præmissi, hæc denuntiarunt: Præcepit nobis dominus Ioannes Episcopus, vt vestræ pietati dicamus; Si tardauero, quod facturi estis, id faciatis. Sancta itaque Synodus octauo & vigesimo die mẽsis Pau-
D ni, vt Alexandrini vocant, in ecclesia magna, quæ appellatur sancta Maria, congregata, missis quibusdã religiosissimis Episcopis, Nestorio denuntiat, vt veniat, sibiq. non desit, ac de ijs quæ scripserat & docuerat, coram rationem reddat. Ille autem primo eo congressu aliud nihil respondit, quàm vnũ hoc: Cõsiderabo, & videbo. Accersitus est ergo altera citatione per sanctissimos quosdã Episcopos, iterum à sancta Synodo ad eum missos. Ille vero rem tum commisit plane indignam. Nã milites à Candidiano magnificentissimo Comite acceptos, ante ædes in quibus versabatur, collocauit, vt fustibus arcerent, si qui forte ad il-
E lum ingredi vellent. Cum autem sanctissimi Episcopi, qui missi fuerant, perseuerarent, vnum hoc asserentes, se non adesse vt asperum quidpiam dicerent, vel audirent, sed vt iuxta sanctæ Synodi mandatum ipsum vocarent; varijs vsus est excusationibus; vt qui conscientia sua redargutus venire nollet. Vsi sumus tertia deinde citatione, ac diuersarum prouinciarum Episcopis denuo ad illum destinatis, ille rursus militum violentiam adhibuit, neque accedere voluit. Cum ergo sancta Synodus cõsedisset, necnon, Ecclesiasticis sanctionibus insistens, illius epistolas & expositiones legisset, lectasq. multis & magnis blasphemijs

plenas comperisset; & quidam præterea insignes, A pijssimiq. Episcopi metropolitani testati essent quòd in ipsa quoque Ephesiorum ciuitate cum ipsis disceptans, IESVM Deum esse aperte negasset; ipsum deposuit, ac iustam, legitimamq. sententiam in illum protulit.

Quia vero necessarium est, vt pietas vestra, hæc ipsa comperta habens, illos quoque de his cõmonefaciat, quos ea maxime scire oportet, ne vel ipse, vel alij illius fautores aliò vos abducant; operæpretium censui, vt hæc indicarem. Habemus quoque Ioannis pijssimi, religiosissimiq. Episcopi epistolam ad eum perscriptam, qua sane acriter illum increpat, tamquam qui noua & B impia dogmata in Ecclesias inuexerit, sanctorumq. Euangelistarum & Apostolorum doctrinam Ecclesijs traditam euertat. At quia nihil ad blasphemiarum suarum defensionem afferre potest, noxæ suæ velamen quærens, ait: Quattuor dierum dilationem petij, donec veniret Episcopus Antiochenus, & noluerunt concedere. cum tamen memoratus sanctissimus Episcopus Ioannes venire recusasset. Nam si adesse voluisset, quorsum pertinuit, vt per Episcopos, quos sub se habebat, significaret: Si tardauero, quæ facturi estis, facite? Noluit enim, vt dixi, interesse; sciens fore, vt sancta Synodus depositionis sententiam in Nestorium, qui aduersus omnium nostrum saluatorem Christum impia blasphemaq. verba protulerat, omnino ferret. Quoniam vero quædam, vt intellexi, relationes à magnificentissimo Comite Candidiano delatæ sunt, cauti ac vigilantes estote, ac docete, commentarios rerum in Nestorij depositione gestarum nondum perfecte conscriptos esse: vnde ne ad religiosos quidem victoresq. Imperatores nostros relationem, quæ merito mitti debuerat, adhuc mittere potuimus: at, Deo bene fauente, vna cum commentarijs mittetur, si quis tamen modo nobis obtigerit, qui perferre queat. Quòd si commentariorum & relationis series tardius ad vos deferetur, sciatis nos, quo minus mittamus, impediri. Valete.

Cyrillus Presbyteris, & Diaconis, populoq. Alexandriæ, dilectis, deſideratiſſimisque, in Domino Sal.

Εἰ καὶ πλατύτερον ἔδει τὰ γεγενημένα τῇ ὑμετέρᾳ θεοσεβείᾳ γνωρίσαι, ἀλλὰ διὰ τὸ καταπίπτειν τοὺς τὰ γράμματα διακομιοῦντας, σπουδῇ ἐπέστειλα. ἴστε οὖν, ὅτι τῇ ὀγδόῃ καὶ εἰκάδι τοῦ Παυνὶ μηνὸς, ἡ ἁγία σύνοδος γέγονεν ἐν τῇ Ἐφέσῳ ἐν τῇ μεγάλῃ ἐκκλησίᾳ τῆς πόλεως, ἥ πως καλεῖται Μαρίᾳ θεοτόκος. διαπλεύσαντος τοῦ πᾶσαν τὴν ἡμέραν, πλοῦτον καταγνωσθέντα, καὶ οὐδὲ τολμήσαντα παραβαλεῖν ἐν τῇ ἁγίᾳ συνόδῳ, τὸν δύσφημον Νεστόριον καθαιρέσει ὑποβεβλήκαμεν, καὶ ἐξεβάλομεν τῆς ἐπισκοπῆς. ἦμεν δὲ οἱ συνελθόντες ἐπίσκοποι, ὡσεὶ διακόσιοι, ἢ πλείους, ἢ ὀλίγῳ πλείους. ἐπέμενε δὲ πᾶς ὁ λαὸς τῆς πόλεως ἀπὸ πρωῒ ἕως ἑσπέρας, προσμένων τὸ κρίμα τῆς ἁγίας συνόδου. ὡς δὲ ἤκουσαν, ὅτι καθῃρέθη ὁ δύσφημος, πᾶσα φωνῇ μιᾷ ἤρξαντο δοξάζειν τὸν θεὸν, ὅτι πέπτωκεν ὁ τῆς πίστεως ἐχθρός. ἐξελθόντες δὲ ἡμᾶς ἐκ τῆς ἐκκλησίας προέπεμψαν μὲ λαμπάδων ἕως τοῦ καταγωγίου· λοιπὸν

ΚΥΡΙΛΛΟΥ ΕΠΙΣΤΟΛΗ ΓΡΑΦΕΙΣΑ ἐκ τῆς Ἐφέσου, πρὸς τοὺς πατέρας τῶν μοναζόντων.

Κύριλλος, τοῖς εὐλαβεστάτοις, καὶ θεοσεβεστάτοις πατράσι μοναχοῖς, καὶ τοῖς σὺν ὑμῖν τὸν μονήρη βίον ἀσκοῦσι, καὶ ἐν πίστει θεοῦ ἱδρυμένοις ἀγαπητοῖς, καὶ ποθεινοτάτοις, ἐν κυρίῳ χαίρειν.

Ὁ κύριος ἡμῶν Ἰησοῦς Χριστὸς, ὅτε τοῖς παρὰ τῶν οὐρανίων ἰουδαίων ὑπέμεινε πικρώτερα, λοιδορούμενος καὶ ῥαπιζόμενος, καὶ μαστιζόμενος, καὶ τὸ πλεῖστον, τῷ σταυρῷ προσηλούμενος, ὁρῶν ἅπαντας τοὺς συνεληλυθότας εἰς αὐτὸν, καὶ τοὺς αὐτοῦ B στόμασι κατ' αὐτοῦ σείοντας κεφαλὰς, ἔφασκε· καὶ ὑπέμεινα συλλυπούμενον, καὶ οὐκ ὑπῆρξε, καὶ παρακαλοῦντας, καὶ οὐχ εὗρον. πολλῷ τοίνυν πλείονα νῦν γεγονότα ὁρῶμεν· μᾶλλον δὲ, ἵνα μὴ τῶν πιστῶν, καὶ γνησίων ὑβρίζω ζῆλον, ὅτι τοῖς δυσφημίαις Νεστορίου πολλοὶ ἦσαν συλλυπούμενοι· εἰ καὶ ἠγνόησάν τινες αὐτῶν τὸν συνταραγμένον εἰς ἱερωσύνῃ, συμπεσόντες τῷ αἱρετικῷ, καὶ τοῖς αὐτοῦ πολεμοῦσιν αὐτοπαθόμενοι· ἀλλὰ καταργήσῃ Χριστὸς τοὺς τούτων ἀπαιδεύσιας· μᾶλλον δὲ ἤδη κεκατάργηκε. πάπαι γὰρ τὸ δύσφημον στόμα, καὶ σεσίγηκεν ἡ μιαρωτάτη γλῶττα, οὐκέτι τοῖς κατὰ Χριστοῦ προφέρουσα βλασφημίας ἐν ἐξουσίᾳ διδασκαλικῇ τινι, καὶ ἀρχιερατικῇ· καὶ οἱ τὴν φιλίαν αὐτοῦ δυσωπηθέντες μᾶλλον, καὶ οὐχὶ τὸ πρὸς Χριστὸν ἀγάπης πεφορτισμένοι, ἀτιμίας ἔχουσι τὰ πρόσωπα μεστά· ὅτε γὰρ αὐτοῖς ὠφείλετο. ἀλλ' εἰ καὶ νενίκηται λοιπὸν ὁ ἐχθρὸς, καὶ ἐσμὲν ἐν λειψάνοις τῆς φρενοπλήκτου, χρῄζομεν δὲ ἔτι τῶν ὑμετέρων ἱκετηρίων πρὸς τὸν θεόν· δεῖ γὰρ ἀναγκαῖον ὑμᾶς, ὡς ἁγνεύσαντας τῷ θεῷ τὴν ἑαυτῶν ζωὴν, ὁσίας ἐπαίρειν χεῖρας, καὶ εὐχῆς ἔτι προσαιτεῖν ὑπὲρ ἡμῶν. ἐννοήσατε γὰρ ὅτι Ἰησοῦς, ὁ τοῦ Ναυῆ, μετὰ τῶν ἐκλεκτῶν τοῦ Ἰσραὴλ ἀντεπρόσωπος τῷ Ἀμαλὴκ, ὁ δέ γε μακάριος Μωσῆς, τὰς χεῖρας ἐπαίρων, ἐζήτει παρὰ θεοῦ τὸ νικᾶν δωρεάσθαι τοὺς ἐν πολέμῳ, καὶ μάχῃ. σπουδάζεσθω τοίνυν ἡ θεοσέβεια ὑμῶν ἐν προσευχαῖς, καὶ ὡς τέκνα γνήσια πατράσι συμπρόπεμπε, νόσον ὥσπερ τινὰ λοιμικὴν, τὴν Νεστορίου κακοδοξίαν ἐκνήψαντες· ἵνα καὶ ἄσπιλον, καὶ ἀμώμητον, καὶ ἀδαμόθεν ἐγκεβλημένῳ ἔχοντες πίστιν, εὐαρεστῆσαι ἰσχύσωμεν τῷ τὰ πάντα δι' ἡμᾶς, καὶ ὑπὲρ ἡμῶν, ὑπομεμενηκότι Χριστῷ. δύνασθε δὲ καὶ διὰ γραμμάτων ἡμᾶς· δεξόμεθα γὰρ ὡς ἱκανωτάτην τὴν παρ' ὑμῶν εὐφρόσυνον. ἐρρῶσθαι ὑμᾶς εὔχομαι, ἀγαπητοὶ, καὶ ποθεινότατοι ἀδελφοί.

CYRILLI EPISTOLA AB EPHESO ad Patres monachorum scripta.

Religiosissimis, piissimisq. monachorum Patribus, ceterisq. qui monasticam vitam vna vobiscum exercent, & in fide Dei constanter perseuerant, dilectis ac desideratissimis, Cyrillus in Domino salutem.

DOminus noster IESVS Christus à scelestis Iudæis contumelijs affectus, illusus, colaphis ac flagellis cęsus, ac postremo propter nos & pro nobis cruci affixus, cũ omnes in ipsum delinquentes, & impia aduersum se capita mouentes cerneret, aiebat: Et sustinui qui simul contristaretur, & non fuit; & consolantes, & non inueni. Eiusmodi quidpiam nunc quoque accidisse videmus. Immo vero, ne sincere fidelium zelum iniuria afficiam, plurimos habuit, qui propter Nestorij blasphemias simul contristati fuerunt: quamquã non omnium hic sensus fuit. Nam inter eos quoque, qui sacerdotio fungũtur, comperti sunt nonnulli, qui causam ipsius desererent, vtpote cum homine hæretico conspirantes, ijsq. qui illum impugnant, sese obiectantes. Sed horum inscitiã Christus destruet, aut (vt verius dicam) iam destruxit. Compressum est enim os blasphemum, & conticuit lingua impurissima, nec amplius blasphemas contra Christum voces in pontificali & doctorali auctoritate in posterum depromet. Et qui ipsius amicitiam charitate, quæ est in Christum, potiorem ducebant, ij vultus iam nunc gerunt dedecore plenos. hoc enim iure optimo debebatur ipsis. Sed licet inimicus iam debellatus sit, attamen nõnullis curarum reliquijs adhuc distenti, vestris ad Deum precibus egemus. Et necessarium est, vt vos, qui vestram vitam Deo consecrastis, puras ad illum manus leuetis, atque hoc ipsum pro nobis sæpe faciatis. Considerate, Iesum Naue cum selectis Israëlitis contra Amalec dimicasse, beatum vero Moysen sublatis in cælum manibus victoriam his à Deo postulasse aduersus eos, quibus cum pugnabant. Viriliter itaque agat vestra pietas in precando, vestrisque, vt germani filij, adeste patribus, qui falsam Nestorij doctrinam veluti morbum quempiam pestiferum exciderunt; vt Fidem immaculatam, inculpatamque, ac nulli prorsus reprehensioni obnoxiam tenentes, Christo omnia propter nos, nostriq. causa perpesso, placere possimus. Exhilarate vero etiam nos per litteras. Illæ enim nobis maximæ erunt consolationi. Bene valere vos opto, dilecti & desideratissimi fratres.

Quomodo cecidit de cælo Lucifer, qui mane oriebatur? &: Quomodo Babylon cecidit? alteri te conferre non valeo, quàm Iudæis, qui Dominum occiderunt. horum namque impietatem tu exſuſcitaſti. Illi enim aliquando Dei portio extiterũt, legem q. acceperunt, & filiorum adoptione dignati ſunt, & innumeris bonis potiti fuerũt. Verum cum in beneficiorũ magnitudine ebriorum more inſanirent, Deum dicentem audierunt: Filios genui, & exaltaui, ipſi autem ſprenerunt me. Sed quo te nomine quiſpiam recte appellet? An infelicis illius Cain vocabulo te nuncupabimus? Atqui Caini commiſſa tuis minora extiterunt. An miſerabilem illum Cham te vocem, qui paternam nuditatem deriſit? Sed & Sodomitarum facta cum tuis collata blaſphemijs eiuſmodi ſunt, vt dicere nobis liceat: Sodoma iuſtificata eſt ex te. Tu enim breui temporis ſpatio terrarum orbem commouiſti, Fidemq. euertere voluiſti, & ineffabilem illam aduentus in carne Vnigeniti diſpenſationem, quantum in te fuit, penitus demoliri ſtuduiſti, ita ſane, vt recte illud dici de te poſſit: Vulnera tua malagma non admittunt, oleum & colligationem faſciæ reſpuerunt. Enimuero ad manifeſtam impietatis tuæ redargutionem dudum exiguum aliquod audaciæ tuæ pretiũ tibi & tuis caſtris, conflagratione, terræ ve hiatu conſumptis, reddi oportuerat, quò vel hac ſaltem ratione ſimplicioribus pœnas dediſſe videreris. nam apud nos iam dediſti: quandoquidem Deus Verbum, quod ex Dei para virgine Maria incarnatum prodijt, abs te diuiſum, in die iudicij ineuitabile cruciatus ſupplicium tibi decreturum eſt. Ecquid, ò tu & mari & morte inſanior dicere poteris? Etenim mare Dominum agnoſcens, dorſa illi ſubſtrauit; mors vero inſueta lege Lazarum conſanguineis ſuis reſtituit. Præterco ſolem ob Domini paſſionem præ horrore cælatum, petras ſciſſas, monumenta aperta. Quòd ſi hæc parua tibi videntur, reuerere reſuſcitatorum mortuorum teſtimonium, ianitorum inferni tremorem, veli ſciſſionem, lucis mutationem, diei tenebras. In his autem omnibus infelix, inemendabilem prauitatis conſuetudinem retinens, immobilis perſtitit. Ac illius quidem talis eſt ſtatus. Nos autem diuinis nutibus obſequentes, adoremus Deũ Verbum, quod in carne nobiſcum verſari non eſt dedignatum, quamuis per hoc à paterna ſubſtantia minime receſſerit, exiſtens ſplendor gloriæ, & figura ſubſtantiæ eius, portansq. omnia verbo oris ſui.

CYRILLI EPISCOPI ALEXANDRINI homilia Epheſi dicta, cum ſynaxes perage-rentur, depoſito Neſtorio.

ἐν Ἐφέσῳ

Ἔδει μὲν δηπόθεν τῆς τῶν προλαβόντων διδασκάλων μυσταγωγίας, καὶ τοῖς ἱεροῖς ἐμπλασμένους νάμασι, λιμῆναι τὸν κόρον. ἐπειδὴ δὲ βλέπω πρὸς φιλακροασίαν ἀπλήστως διακειμένους, φέρε καὶ ἡμεῖς ὀλίγα λέγωμεν, τοῖς προλαβοῦσιν ἁπλῶς. ἔστι τίνων οὐδαμόθεν ἀμφίβολον, ὅτι τῆς εἰς Χριστὸν εὐφημίας ὁ λαμπρὸς τῶν ἁγίων διαπεμπώσεται χορός· καὶ καύχημα ποιεῖται τῆς εἰς αὐτὸν ἀγάπης τὸ γνήσιον. καὶ γοῦν ὁ μακάριος προφήτης Ἡσαΐας πρὸς αὐτόν που φησί· κύριε ὁ θεός μου δοξάσω σε· ὑμνήσω τὸ ὄνομά σου· ὅτι ἐποίησας θαυμαστὰ πράγματα. ὁ δέ γε μακάριος προφήτης Δαυίδ· ἡ γλῶσσά μου, φησὶ, μελετήσει τὴν δικαιοσύνην σου, ὅλην τὴν ἡμέραν τὸν ἔπαινόν σου. Ἀλλ' οὗτος μὲν τοῖς ἁγίοις ὁ σκοπός· οἱ δὲ πονηροὶ, καὶ ἀλιτήριοι, οἱ τὸ μέγα, καὶ σεπτὸν, καὶ βαθὺ, τῆς ἐνανθρωπήσεως τοῦ μονογενοῦς οὐκ εἰδότες μυστήριον, δυσφημοῦσιν ἀφυλάκτως, ἀκρατῶς, καὶ ἀπύλωτον ἀνοίγοντες στόμα. τοιγοῦν ἀκουέτωσαν λέγοντος πρὸς αὐτοὺς διὰ προφήτου Ἡσαΐου· ὑμᾶς δὲ προσκαλοῦμαι ὧδε, υἱοὶ ἄνομοι, σπέρμα μοιχῶν καὶ πόρνης· ἐν τίνι ἐτρυφήσατε, καὶ ἐπὶ τίνα ἠνοίξατε τὸ στόμα ὑμῶν; οὐχ ὑμεῖς ἐστε τέκνα ἀπωλείας, σπέρμα ἄνομον; τέκνα γὰρ ἀπωλείας καὶ ἀλήθειαν, καὶ ἄνομον σπέρμα, οἱ τὸν ἀγοραστὴν αὐτοὺς δεσπότην ἀρνησάμενοι· ἠγοράσθημεν γὰρ ὑμεῖς, καὶ οὐ φθαρτῆς, ἀργυρίου, ἢ χρυσίου, ἀλλὰ τιμίῳ αἵματι, ὡς ἀμνοῦ ἀμώμου, καὶ ἀσπίλου Χριστοῦ. αἷμα δὲ ἀνθρώπου κοινοῦ, καὶ ἑνὸς τῶν καθ' ἡμᾶς, πῶς ἂν ἐξήρκεσε τῆς οἰκουμένης αὐτάξιον; πῶς δὲ καὶ εἷς ὑπὲρ πάντων ἀπέθανεν, ἵνα πάντας σώσῃ; πῶς οὖν γεγόναμεν, οἱ τὸν ἀληθῆ, καὶ φύσει θεὸν ὑπερφρονοῦμενοι; πῶς αὐτῷ λατρεύομεν, οἱ τὸ προσκυνεῖν τῇ κτίσει πρὸ τοῦ κτίσαντος περαιτέρω τιθέμενοι; ἀλλὰ γὰρ, ὡς ἔφην ἀρτίως, ἠχαρίστηταί τινες τῇ τοῦ σωτῆρος ἡμῶν ἡμερότητι, δεσπότην τὸν δεσπότην, δουλείαν τῆς ἐλευθερίας τὸν ζυγόν· ἵνα καὶ περὶ αὐτῶν λέγῃ Χριστὸς διὰ φωνῆς προφήτου· οὐαὶ αὐτοῖς, ὅτι ἀπεδήμησαν ἀπ' ἐμοῦ· ὀφείλαται εἰσὶν, ὅτι ἠσέβησαν εἰς ἐμέ· ἐγὼ δὲ ἐλυτρωσάμην αὐτούς· αὐτοὶ δὲ κατελάλησαν κατ' ἐμοῦ ψευδῆ. κατεψεύσαντο γὰρ τῆς τοῦ σωτῆρος ἡμῶν ἐλευθερίας, καὶ ἐξουσίας, οἱ τῆς τῶν Φαρισαίων σκαιότητος, καὶ ἀσυστόλου μιμηταί· οἱ χριστιανὸν μὲν πρόσωπον ἀναδησάμενοι ἑαυτοῖς, Ἰουδαΐζειν δὲ τὴν διάνοιαν ἔχοντες· οἱ γλῶσσαν ἐπισκηνώσαντες πικρὰν, καὶ ἰοβόλον· ἵνα δὲ πρὸς αὐτοὺς λέγῃ Χριστὸς διὰ φωνῆς Ἱερεμίου· ἰδοὺ ἐγὼ πρὸς σὲ, τὴν ὑβρίστριαν, λέγει κύριος. ἰουδαῖοι μὲν οὖν, οἱ πάλαι, κατεπεφύκεσαν τοῦ παντὸς ἡμῶν σωτῆρος Χριστοῦ· ἐπεπήδων, ὡς θῆρες· ἐβαλλον δὲ λιθοβολοῦντες, καὶ σώζοντα. ἔτι πρὸς αὐτοὺς ἔφασκεν ὁ σωτήρ· πολλὰ καλὰ ἔργα ἐδείξα ὑμῖν ἐκ τοῦ πατρός μου, διὰ ποῖον αὐτῶν

OPortebat ſane doctorum eorum, qui ante nos dixerunt, inſtitutione contentos, ſacrisq. fluentis iam repletos, ſatietatem hanc honorare. At vero quia animaduerto, vos inſatiabili audiendi ſtudio incenſos; agedum & nos quoque pauca ijs quæ ante iam dicta ſunt, conſentanea in medium afferamus. Nullum itaque dubium eſt, quin illuſtris hic ſanctorum chorus ex Chriſti laudibus decus & ornamentum capiat, glorioſeq. exultet eo nomine, quòd ſincere illum diligat. Beatus itaque propheta Eſaias alicubi ad ipſum ait: Domine Deus meus glorificabo te, hymnum dicam nomini tuo, quoniam feciſti res admirabiles. Et beatus propheta Dauid: Lingua mea, inquit, meditabitur iuſtitiam tuam; tota die laudem tuam. Et hic quidem ſanctorum eſt ſcopus. At vero mali & ſcelerati, magnum illud, venerandumq. ac profundum incarnati Vnigeniti myſterium ignorantes, temere blaſphemant, incontinensq. ac effrænatũ os aperiunt. Quamobrem audiant hi prophetam Eſaiã hac oratione ipſos compellantem: Vos autem accedite huc, filij iniqui, ſemen adulterorum & fornicariæ; in quo oblectati eſtis, & ſuper quem aperuiſtis os veſtrum? Numquid non eſtis vos filij perditionis, ſemen iniquum? Sunt enim perditionis filij, & ſemen iniquum, qui Dominum qui illos redemit, abnegarunt. Empti enim ſumus pretio; & non corruptibilibus argento vel auro, ſed pretioſo ſanguine quaſi agni immaculati & incontaminati Chriſti. At quomodo vulgaris, nobisq. ſimilis hominis ſanguis orbis pretium exæquare potuiſſet? Quomodo vero vnus pro omnibus mortuus eſt, vt omnes ſaluaret? Quomodo illius facti ſumus, qui veri, naturalisq. Dei titulo inſignimur? Quomodo cum colimus, qui creaturæ ſeruire, & cultum adhibere potius quàm creatori, detrectamus? Verum, vt modo aiebam, quidam Saluatoris noſtri manſuetudini ingrati, Dominum negant, ſeruitutisq. iugum excutiunt; vt & de ijs dicat Chriſtus per Prophetæ vocem: Væ eis, quoniam receſſerunt à me: infelices ſunt, quoniam impie egerunt in me: & ego redemi eos, & ipſi loquuti ſunt contra me mendacia. Mentiuntur enim contra Saluatoris noſtri gloriam & excellentiam, Phariſæorum improbitatis & impietatis imitatores. Enimuero Chriſtiani hominis perſonam induunt; ſed mentem interim iudaizantem obtinent, linguamq. amaram & virulentam exercent; vt ad eam Chriſtus per Hieremiæ vocem dicat: Ecce ego contra te contumelioſam, dicit Dominus. Iudæi ſane veteres Chriſtum omnium noſtrum ſaluatorem adorabantur, perinde ac feræ in illum irruebant, lapidibusq. benefactorem ac ſaluantem appetebant. ad quos tum loquebatur Saluator: Multa bona opera oſtendi vobis ex Patre meo, propter quod eorum opus me lapida-

A re natus est. Tu ergo, dic mihi, diuina consilia reprehendis? tu dispensationem reijcis? tu Domini voluntatem arguis? Ad hunc ille modum orbem saluum facere voluit. Tu ne sapientia ipsa es sapientior? Orem incredibilem. lucerna cum sole contendit. Vniuersorum Dominus operum suorum rationem nouit. Amplectere itaque dispensationem, honora mysterium in fide, ne curiose perscruteris quæ mentem nostrã exceduntur: ne nimis anxie ea indages, quæ ratione comprehendi non possunt: crede nobiscum. ΤΟΥ ΑΥΤΟΥ ΠΡΟΣ ΝΕΣΤΟΡΙΟΝ, *ὑνίκα κατῆλθον οἱ ἑπτὰ πρὸς τὴν ἁγίαν Μαρίαν.*

EIVSDEM CYRILLI HOMILIA Ephesi in Nestorium habita, quando septem ad sanctam Mariam descenderunt.

ΦΑΙδρὸν ὁρῶ τὸ σύστημα τῶν ἁγίων, πάντων συνελθόντων προθύμως, κεκλημένων ὑπὸ τῆς ἁγίας, καὶ θεοτόκου Μαρίας, τῆς ἀειπαρθένου. ἀλλὰ γὰρ ἐν λύπῃ μοι διαγούσῃ πολλῇ, εἰς χαρὰν μετέβαλεν ἡ τῶν ἁγίων πατέρων παρουσία. νῦν ἐπληρώθη πρὸς ἡμᾶς τὸ τοῦ ὑμνογράφου Δαυὶδ γλυκερὸν ῥῆμα· ἰδοὺ δὴ τί καλὸν, ἢ τί τερπνὸν, ἀλλ' ἢ τὸ κατοικεῖν ἀδελφοὺς ἐπὶ τὸ αὐτό; Χαίροις τοίνυν παρ' ἡμῶν ἁγία μυστικὴ τριὰς, ἡ τούτους ἡμᾶς πάντας συγκαλεσαμένη ἐπὶ τὴνδε τὴν ἐκκλησίαν, τῆς θεοτόκου Μαρίας. χαίροις παρ' ἡμῶν Μαρία θεοτόκε, τὸ σεμνὸν κειμήλιον ἁπάσης τῆς οἰκουμένης, ἡ λαμπὰς ἡ ἄσβεστος, ὁ στέφανος τῆς παρθενίας, τὸ σκῆπτρον τῆς ὀρθοδοξίας, ὁ ναὸς ὁ ἀχωρήτου, ἡ μήτηρ, καὶ παρθένος· δι' ἣν ἐν τοῖς ἁγίοις εὐαγγελίοις εὐλογημένος, ὁ ἐρχόμενος ἐν ὀνόματι κυρίου· χαίροις, ἡ τὸν ἀχώρητον χωρήσασα ἐν μήτρᾳ ἁγίᾳ παρθενικῇ· δι' ἣν τριὰς ἁγιάζεται· δι' ἣν σταυρὸς τίμιος ὀνομάζεται, καὶ προσκυνεῖται εἰς πᾶσαν τὴν οἰκουμένην· δι' ἣν ὁ οὐρανὸς ἀγάλλεται· δι' ἣν ἄγγελοι καὶ ἀρχάγγελοι διώκονται· δι' ἣν δαίμονες φυγαδεύονται· δι' ἣν διάβολος πεσὼν ἔπεσεν ἐξ οὐρανοῦ· δι' ἣν τὸ ἐκπεσὸν πλάσμα εἰς ὕψος ἀναλαμβάνεται· δι' ἣν πᾶσα ἡ κτίσις, εἰδωλομανίας κατοχομένη, εἰς ἐπίγνωσιν ἀληθείας ἐλήλυθε· δι' ἣς βαπτίσματος ἅγιον γίνεται τοῖς πιστεύσι· δι' ἣς ἔλαιον ἀγαλλιάσεως· δι' ἣς εἰς πᾶσαν τὴν οἰκουμένην ἐκκλησίαι ἱδρύθησαν· δι' ἣς ἔθνη ἄγονται εἰς μετάνοιαν. καὶ τί πολλὰ λέγω; δι' ἣς ὁ μονογενὴς υἱὸς τοῦ θεοῦ φῶς ἔλαμψε τοῖς ἐν σκότει, καὶ σκιᾷ θανάτου καθημένοις· δι' ἣν προφῆται προεμήνυσαν· δι' ἣς ἀπόστολοι κηρύττουσι σωτηρίαν τοῖς ἔθνεσι· δι' ἣς νεκροὶ ἐγείρονται· δι' ἣς βασιλεῖς βασιλεύουσι, διὰ τριάδος ἁγίας. καὶ τίς δυνατὸς ἀνθρώπων, λέγειν τὴν πολυύμνητον Μαρίαν, μητέρα ἅμα καὶ παρθενικήν; ὧν ἕν μόνον θαύματος. ἐκπλήττει με τὸ θαῦμα. τίς ἦν ποτὲ πώποτε οἰκοδόμος, νεὼν ἴδιον οἰκοδομήσασθαι, καὶ κωλυόμενον οἰκεῖν ἐν αὐτῷ; τίς

SAnctorum cœtũ, qui à sancta & Deipara, semperq. virgine Maria inuitati prompto animo huc confluxerunt, lætum, erectumq. conspicio. Quare licet multa premerer mœstitia, attamen hic sanctorum Patrum conspectus lætitiam mihi præbuit. Nunc dulce illud hymnographi Dauidis verbum apud nos impletum est: Ecce iam quid bonum, aut quid iucundum, nisi habitare fratres in vnum? Salue itaque à nobis sancta mystica Trinitas, quæ nos omnes in hanc sanctæ Mariæ Deiparæ ecclesiam conuocasti. Salue à nobis Deipara Maria, venerandus totius orbis thesaurus, lampas inextinguibilis, corona virginitatis, sceptrũ rectæ doctrinæ, templum inditolubile, locus eius, qui loco capi non potest, mater & virgo; per quam is benedictus in sanctis Euangelijs nominatur, qui venit in nomine Domini: salue, quæ immensum, incomprehensumq. in sancto virgineo vtero comprehendisti, per quam sancta Trinitas glorificatur, & adoratur; per quam pretiosa crux celebratur, & in vniuerso orbe adoratur; per quam cælum exultat, per quam Angeli & Archangeli lætantur, per quam dæmones fugantur, per quam tentator diabolus cælo decidit, per quam prolapsa creatura in cælum adsumitur, per quam vniuersa creatura, idolorum væsania detecta, ad veritatis agnitionem peruenit, per quam sanctum baptisma, obtingit credentibus, per quam exultationis oleum, per quam toto terrarum orbe fundatæ sunt ecclesiæ, per quam Gentes adducuntur ad pœnitentiam. & quid plura dicam? per quam vnigenitus Dei Filius ijs qui in tenebris & in vmbra mortis sedebant, lux resplenduit; per quam Prophetæ prænuntiarunt, per quam Apostoli salutem Gentibus prædicarunt, per quam mortui exsuscitantur, per quam reges regnant, per sanctam Trinitatem. Ecquis hominum laudabilissimã illam Mariam pro dignitate celebrare queat? Ipsa & mater & virgo est. ò rem admirandam. Miraculum hoc me in stuporem rapit. Quis vnquã audiuit, ædificatorem prohiberi, ne propriũ templum, quod ipse construxerit, inhabitaret? Quis ob id ignominiæ sit obnoxius, quòd propriã

Dominum noſtrum IESVM Chriſtum, quem peperit Maria, ſicut ipſe voluit. Quid enim me iuuat circa Scripturam curioſius inquirere, nec potius eam humane ſuſcipere, & amice ſentire? At memorabis mihi Iudæorum negationem? Prophetæ ab initio illorum ingenia prodiderunt, nempe quòd propriæ malitiæ ſtimulis acti,necem Chriſto molituri eſſent: hoc autem facinus, abnegationis nomine iam tum deſignabant. Aut certe tetrum illum Arij morbum? Is peſtilenti deſiderio Epiſcopalis cathedræ laborabat. Aut denique obſcurum, impiumq. laſciuiæ Gentilium ſenſum? Ignorantiæ erat iſtud inſtitutum. Ecquid hæc recenſere attinet? Omnem gentem nefarijs laſciuijs & diſſolutionibus indulgentem, hic ſua malitia excellit. Gentes enim plerumque, cum Scripturas ignorent, Deum incaute imprudenterq. blaſphemant: hic autem, qui vniuerſam Scripturam tenet, & magicis quoque illuſionibus fortaſſe (auſim dicere) operam nauauit,diuinam Scripturam non ſincere inſpexit; inſpexit autem argentum & aurum. Væſania circa blaſphemiæ negotium excæcatus & infatuatus, te ipſum abalienare volens ab Epiſcopali ſede, etiam è fratrum catalogo te deleuiſti, illum qui pontificatus ſortem tibi impertitus fuerat, non agnoſcens. An non tibi perſuaſit Paulus,dicens:

Ratus te omnibus eccleſijs dominaturum, eius qui te è ſtercore ad cæleſtem ſublimitatem euexit, non meminiſti: rebusq. procreatis intendens, opificem non agnouiſti, terrarum orbem ſubuertere volens fraudulentis ſermonibus, contumeliam Dei templo inferens; & eum qui ex Maria virgine genitus eſt, diuidere volens, dogma prauum, & rabiem, quæ nec diſſoluitur, nec manifeſtatur, mundo huic excitaſti. Sed nec requiſitus, Belial ante tempus imitatus, arbitratus es iniquarum cogitationum tuarum catenis te perſuaſurum Imperatorem,

torem, rectæ doctrinæ studiosum, & consubstantialis adoratorem Trinitatis, per quam constanter regnat, per quam hostiles gentes conterit, per quam semper virginum chorus triumphat, per quam mundum in pace moderatur. Hunc te putasti deceptorijs sermonibus tuis apostatam redditurum: populum quoque Deo dilectum perdere voluisti: patrumq. multitudinem, qui in respiratione degebant, tu dispoliasti. Non fuisti contentus teipsum, dum Deum blasphemas, perdidisse; sed blasphemias tuas per vniuersum quoque orbem diuulgasti. Sed ecce impletum in te etiam illud est: In operibus manuũ suarum comprehensus est peccator. Sanctum presbyterorum ac diaconorum clerum, quòd importunam insaniam tuam redarguerent, & ne cum Ario sentires, admonerent, extra ecclesiam eiecisti. Et nunc equidem te prolapsum non dejcio, neque fluctuantem demergo; sed vasanam iniquorum consiliorum sycophantiam frango. Quis nauem in sereno ac tranquillo portu constitutã, naufragium vidit perpeti? Quis, quæso, athletam ad locum certaminis prolapsum, erigi non vidit? At cum circa Fidem rueres, naufragiumq. faceres, nonne manum tibi porreximus? Testem accipe honorandum & sanctum Archiepiscopum magnæ Romæ Cælestinum, qui te per litteras continenter admonuit, vt à vano hoc atque inutili, sibiq. minime constanti, & nulla ratione nixo dogmate abstineres. Pari modo testem accipe nostram quoque tenuitatem, breuibus litteris hortatam, vt nos de Deo loquentes audires. Tu vero duritiam quamdam, stultitiamq. indutus, nullam nostri habuisti rationem, glorians in malitia, tamquam potens, & iniqua cogitans. Et factus es nouacula contra teipsum acuta, dolum machinans. Quare Deus quoque, aduersus quem cauillis es vsus, te deiecit, tuamq. radicem è terra viuentium euulsit, propterea quòd nullã Dei rationem habuisti. Et hæc hactenus à nobis dicta contra istum sint satis. Iudex est Deus, & vnicuique reddet iuxta opera sua. Contingat autem nobis, vt vnionem reuereamur, & adoremus, pijssimoq. Imperatori nostro obediamus, tum principibus & potestatibus subijciamur, ac indiuisam Trinitatem tremamus & colamus; Mariam semper virginem,* sanctum videlicet [Dei] templum, eiusdemq. Filium, & sponsum immaculatum laudibus celebrantes. Quoniam ipsi gloria in sæcula sæculorum. Amen.

ACTA CONCILIABVLI.

COMMENTARII GESTORUM apud Orientales Episcopos, in quibus sanctissimos Cyrillum ac Memnonem deponunt, & omnes qui ad sanctam Synodum conuenerant, excommunicant.

ΥΠΟΜΝΗΜΑΤΑ ΠΑΡΑ ΤΟΙΣ ἀνατολικοῖς Ἐπισκόποις, ἐν οἷς καθαιροῦσι Κύριλλον, καὶ Μέμνονα, τοὺς ἁγιωτάτους, καὶ ἀκοινωνήτους ποιοῦσι πάντας τοὺς τῆς ἁγίας συνόδου.

Φασὶν τὸν ἐν Ἐφέσῳ ἀθροισθέντα τῶν ἀνατολικῶν ἐπισκόπων, ἐν ᾧ Κύριλλον καὶ Μέμνονα ἀκοινωνήτους ἐποίησαν.

IOANNE sanctissimo, Deoq. amabilissimo Episcopo metropolis Antiochiæ, Orientis diœcesis, in suo diuersorio manente, sanctaq. illius synodo præsente, magnificentissimus, illustrissimusq. deuotorum domesticorum Comes Candidianus dixit: Optabam equidem, pietate tua coram constituta, totaq. synodo in vnum simul coacta, Dominorum nostrorum, ac pijssimorum Imperatorum litteras exhibere, vt omnia quæ ab ipsis mandata sunt, vniuersa synodo simul, vt modo aiebam, congregata, executioni mandarentur. Ceterum, cum ante quinque proximos hosce dies reuerendissimus Episcopus Cyrillus, ac Memnon huius ciuitatis Episcopus, & qui cum ipsis sunt, reuerendissimi Episcopi in sancta ecclesia conuenissent, à me prohibiti sunt, ne contra Dominorum nostrorum, & pijssimorum Imperatorum decreta, inter se consessum facerent; atque moniti vt omnium vestrum aduentum expectarent: illi autem vt Sacram prælegerem, efflagitarunt. Cum vero id recusarem propter sanctitatis tuæ absentiam, quòdq. multi præterea alij Episcopi & Metropolitani nondum aduenissent, coëgerunt me illi, se ignorare asserentes quid à Dominis nostris perscriptum esset. Metu ergo coactus, ne turbæ cuiuspiam aut seditionis occasionem præberem, ipsis congregatis Sacram legi: verumtamen etiam discessurus, & præsens ipsos contestatus sum, ne præceps aliquid agerent; quemadmodum multi sanctissimi Episcopi, qui vna mecum ad ipsos introierant, compertum habent. Illi vero contestationem eam nihil morati, omnia pro suo arbitratu egerunt.

Comitis Candidiani coram Ioanne Antiocheno, eiusdemq. concilibulo confecta narratio.

Ioannes Episcopus Deo deuotissimus dixit: Optamus piarum litterarum tenorem audire. Oportet namque in his rebus non coniecturis niti, sed recta ad veritatem ipsam contendere, piumq. Deo dilectissimorum Imperatorum nostrorum scopum intelligere; qui nullum studium pro Christi ecclesijs detrectant, neque quidquam hoc

ΠΑΡΟΝΤΟΣ ἐν τῷ οἰκείῳ καταγωγίῳ τοῦ ἁγιωτάτου, καὶ θεοφιλεστάτου, Ἰωάννου τοῦ ἐπισκόπου τῆς Ἀντιοχέων μητροπόλεως τῆς ἀνατολικῆς διοικήσεως, καὶ τῆς σὺν αὐτῷ ἁγίας συνόδου, ὁ μεγαλοπρεπέστατος, καὶ ἐνδοξότατος Κανδιδιανὸς, ὁ Κόμης τῶν καθωσιωμένων δομεστίκων, εἶπεν· Ἐμοὶ μὲν δίχης ἔργον ἦν, καὶ τῆς σῆς θεοσεβείας παρούσης, καὶ πάσης ὁμοῦ τῆς συνόδου συναχθείσης εἰς ἓν, τὰ γράμματα τῶν δεσποτῶν ἡμῶν, καὶ δοσιβεστάτων βασιλέων, δοθῆναι, ὡς τὸ πάσης, ὡς σεσήμανται, τῆς συνόδου συναχθείσης, τὸ τελεσθῆναι τὰ σεσημασμένα παρ' αὐτῶν γενέσθαι. ἀλλὰ πρὸ τούτων ἡμερῶν ε' ὁ ἁγιώτατος ἐπίσκοπος Κύριλλος, καὶ Μέμνων, ὁ τῆσδε τῆς πόλεως ἐπίσκοπος, καὶ οἱ σὺν αὐτοῖς ἁγιώτατοι ἐπίσκοποι, συναχθέντες ἐν τῇ ἁγίᾳ ἐκκλησίᾳ, ἐκωλύοντο παρ' ἐμοῦ καθ' ἑαυτοὺς συνεδρεύειν πρὸ τῶν τεθεσπισμένων ὑπὸ τῶν δεσποτῶν ἡμῶν, καὶ δοσιβεστάτων βασιλέων, καὶ περιμένειν τὴν παρουσίαν τῶν πάντων ὑμῶν παρουσίαν· οἱ δὲ ἀπήτουν παρ' ἐμοῦ τὸ ἀναγνωσθῆναι τὴν σύνοδον· μὴ βουλόμενος δὲ πρὸ τοῦ τὸ μὴ παρεῖναι τὴν σὺν ἁγιωσύνῃ, πολλούς τε ἑτέρους ἐπισκόπους, καὶ μητροπολίτας, μηδέπω ἐληλυθέναι, ἐδεήθην παρ' αὐτῶν, πρὸ τοῦ εἰρηκέναι αὐτοὺς, ὅπερ ἀγνοοῦσι, τί ἂν εἴη τὸ γεγραφὲν ὑπὸ τῶν δεσποτῶν ἡμῶν. τοῦτο ἔνεκεν συναχθέντων αὐτῶν, ἀναγνωσθεὶς ὑπὲρ τοῦ μὴ δοῦναι πρόφασιν ἀπιστίας, ἀνέγνων αὐτοῖς τὴν σύνοδον, καὶ παρὼν, καὶ μέλλων ἐξιέναι, διεμαρτυράμην αὐτοὺς, μηδὲν προπετὲς πρᾶξαι, καθὼς καὶ πολλοὶ τῶν ἁγιωτάτων ἐπισκόπων, τῶν σὺν ἐμοὶ πρὸς αὐτοὺς εἰσελθόντων, ἴσασιν· οἱ δὲ οὐδὲ οὕτως ἀναχώρησαν, ἔπραξαν, ἅπερ αὐτοῖς ἤρεσεν.

Ο θεοφιλέστατος ἐπίσκοπος Ἰωάννης εἶπεν· Εὐχῆς ἔργον, ἐπακοῦσαι τῶν δοσιβῶν συλλαβῶν· χρὴ γὰρ μὴ καταστοχάζεσθαι τῶν πραγμάτων, ἀλλ' ἐπ' αὐτὸ βαίνειν τοῦ ἀληθοῦς, καὶ μαθεῖν τὸν δοσιβῆ σκοπὸν τῶν θεοφιλεστάτων ἡμῶν δεσποτῶν· οἵτινες πᾶσαν σπουδὴν ἔχουσιν ὑπὲρ τῆς ἁγίας ἐκκλησίας, καὶ σπεύδουσι βαιλιον τύπου

μεγαλοπρεπέστατος Κόμης Καυδιδιανὸς εἶπεν· Ἀναμφισκομένης τῆς αἰτίας, ἐπεφήμησαν πάντες· ὡς νομίσαι με, ὅτι ἀληθῶς εἴκουσι πᾶσι τοῖς παρὰ τῶν εὐσεβῶν ἡμῶν βασιλέων ψηφισθῆσι. καὶ ἔχαιρον ἐγὼ τούτοις. μὴ δὲ τούτων ἀναγκαιοῦντός μου εἴξαι πάντας τοῖς γράμμασιν, οὐδείς τ' ἐμοῦ ἀναχωρῆσαι ἐβούλετο, ἀλλὰ μετ' ὕβρεως τοὺς ἀλλαβεστάτους θεσπεσίους, τοὺς παρὰ τοῦ ἁγιωτάτου θεσπεσίου Νεστορίου διαπεμφθέντας, καὶ τοὺς σὺν αὐτοῖς, ἐξέωσαν· κἀμὲ δὲ πάλιν ὅτι πολὺ παρακαλοῦντα ἐξέωσαν τοῦ συνεδρίου, ὡσανεὶ οὐκ ὀφείλοντα κοινωνῆσαι τοῖς παρ' αὐτῶν τυπωμένοις. ἄλλως δὲ οὐδὲ τὸ διαπεμφθὲν αὐτοῖς παρανάγνωσιν παρὰ τῶν ἀλλαβεστάτων θεσπεσίων συνεχώρησαν ἀναγνωσθῆναι, ὡς οἱ σὺν ἐμοὶ ὄντες ἁγιώτατοι θεσπέσιοι ἴσασι, καὶ μαρτυροῦσι τοῖς παρ' ἐμοῦ ἀκριβῶς γεγραμμένοις. τοῦτο δὲ πάντα καὶ εἰς γνῶσιν τῶν θειοτάτων τῆς οἰκουμένης αὐτοκράτορα, δηλοῦντες, ὅτι τῆς σῆς ἁγιωσύνης πάρεσται, καὶ τῶν σὺν αὐτῇ ἁγιωτάτων θεσπεσίων, ἀναμένομεν.

ὁ θεοφιλέστατος ἀρχιεπίσκοπος Ἰωάννης εἶπεν· Ἀναγνωσθήτω καὶ ἡμῖν τὰ εὐσεβῆ γράμματα. τῶν δὲ ἁγιωτάτων θεσπεσίων ἀκουσάντων, ἀνέγνω ὁ μεγαλοπρεπέστατος Κόμης Καυδιδιανός. Τούτου δὲ γενομένου, καὶ ἐπαξιωμένων τῶν θεοφιλεστάτων θεσπεσίων τῷ εὐσεβεῖ αὐτῶν κράτει, ὁ θεοφιλέστατος ἀρχιεπίσκοπος Ἰωάννης εἶπεν· ἤρκει μὲν [a] αὐτὸ τοῦ εὐσεβοῦς γράμματος ἡ καλλιφωνία, πρὸς πᾶσαν αὐτοὺς ἀγαγεῖν εὐπείθειαν, εἰ καὶ [b] ἔξω ἦσαν τοῦ ἐκκλησιαστικοῦ πάγματος. ἀλλ' ἐπειδὴ, ὡς εἶπεν ὑμῶν ἡ μεγαλοπρέπεια, θεοφιλεῖς καὶ εὐπειθεῖς μετὰ μὲν τὴν ἀνάγνωσιν τῶν γραμμάτων τὰ πάντα [c] ἐπληρώσατε, καὶ ὕβρεις ἐπήγαγον τοῖς θεοφιλεστάτοις θεσπεσίοις, καὶ τῇ σῇ μεγαλοπρεπείᾳ, θεσπέσιε ἡμεῖς μὲν τῆς [d] ἐκκοπούσης εὐπειθείας, καὶ τοῦ γράμματος ἐπηκούσαμεν, καὶ τὸν σκοπὸν τῶν θεοφιλεστάτων ἡμῶν βασιλέων εἰς ἔργον ἀγαγεῖν [e] σπουδαίως ἔχομεν, θεοῦ βοηθοῦντος. παρακαλῶ δέ, καὶ εἴ τι παρ' αὐτῶν πεπραγμένον παρ' αὐτῶν, μαθεῖν παρὰ τῆς σῆς μεγαλοπρεπείας.

ὁ μεγαλοπρεπέστατος Κόμης Καυδιδιανὸς εἶπεν· Ἐπειδὴ πάντα ἀκριβῶς ζητεῖ ἡ σὴ ἁγιωσύνη, καὶ ἀκολούθως, δίκαιον καὶ τὰ λοιπὰ λέγεσθαι παρ' ἐμοῦ. τῇ γὰρ ἑξῆς ἡμέρᾳ, ἀγνοῶν πάντα τὰ πεπραγμένα, ἐξαίφνης ἤκουον, τὸν ἁγιώτατον θεσπέσιον Νεστόριον καθῃρῆσθαι παρ' αὐτῶν, καὶ πάθοι τι κράμμα, τὸ καθαιρετὸν, ἀκούσας αὐτῶν, ὅπερ ἀπέστειλα τοῖς ἀλλαβεστάτοις ἡμῶν βασιλεῦσι. μετ' ὀλίγον δὲ καὶ τῷ ἀγορᾷ ἦκουον καὶ δημοκήρυκας θεσπίζοντας, τὸν καθαίρεσιν τοῦ μνημονευθέντος ἁγιωτάτου θεσπεσίου Νεστορίου ἐκπεμφθεῖσαν. τούτοις τοίνυν γενοῦς, [f] ἐσχας ἀπέστειλα αὐτοῖς πρὸς τὸ μηδὲν πραχθῆναι τοῦ τε τὰ προσκρούοντα τοῦ τῶν εὐσεβεστάτων ἡμῶν

A hoc antiquius habent. Vestra proinde magnificentia nobis exponat, quænam, litteris his pijssimis apud illos lectis, consequuta fuerint.

Magnificentissimus Comes Candidianus dixit: Lecta Sacra omnes applausserunt, ita vt non dubitarem, quin vere omnibus quæ à pijssimis Imperatoribus nostris sancita fuerant, morem essent gesturi; & eam ob rem gaudio perfundebar. Verum cum postea rogarem, vt litteris parerent omnes, nullus audire me sustinere voluit. Sed & religiosissimos Episcopos, quos sanctissimus Nestorius miserat, ceterosq. qui comites ipsis adiuncti fuerant, non absque ignominia exegerunt: me quoque, cùm precibus iterum obnixius instarem, veluti cui cum illorum placitis nihil commune esset, è ſpo consessu expulerunt. Sed neque admonitorium, quod religiosissimi Episcopi ad illos destinauerant, legi permiserunt: quemadmodum sanctissimi Episcopi norunt, quibus mecum hisce interesse contigit; qui testantur etiam, quæ à me conuenienter gesta fuerunt. De his autem omnibus orbis Dominos certiores fecimus, significantes sanctitatis tuæ, sanctissimorumq. Episcoporum, qui tecum sunt, aduentum nos expectare.

Tota hæc Candidiani narratio, manifesta falsitatis signa præ se fert.

Ioannes Deo dilectissimus Episcopus dixit: Legantur & nobis quoque piæ litteræ. Sanctissimis autem Episcopis consurgentibus, magnificentissimus Comes Candidianus legit. Hoc autem facto, & postquam religiosissimi Episcopi piæ ipsorum maiestati bene precati essent, religiosissimus Archiepiscopus Ioannes dixit: Sufficiebat pia harum litterarum serenitas ad inducendum illos in omnem modestiam, etiam si sacerdotum catalogo adscripti non essent: sed quoniam, vt magnificentia tua retulit, post recitatas litteras tumultu & perturbatione omnia compleuerunt, & contumelijs tum religiosissimos Episcopos, tum magnificentiam tuam affecerunt; nos ea, qua par fuit, attentione ac modestia litteras excipientes, parati sumus pijssimorum Imperatorum nostrorum voluntatem, Deo nobis bene fauente, rebus ipsis exequi. Rogo autem, vt si quid aliud ab ipsis actum est, ex tua magnificentia intelligamus.

Candidianus Comes magnificentissimus dixit: Quandoquidem sanctitas tua omnia ordine & exacte perquirit, æquum est, vt à me cetera quoque in medium afferantur. Sequenti itaque die, cum penitus quid actum esset nescirem, repente sanctissimum Episcopum Nestorium ab ipsis esse depositum audiui. Refixi scripturam illam depositionis publice propositam, quam ad pijssimos Imperatores nostros misi. Paulo post & publicos quoque præcones forum obeuntes, memoratiq. sanctissimi Episcopi Nestorij depositionem solemni pompa ebuccinantes audio. Cum igitur hæc resciuissem, inhibitiones ad illos misi, ne quidquam omnino præter ea, quæ à religiosissimis Imperatoribus nostris decreta

creta fuerant, molirentur. Admonui nihilominus ſanctiſſimos Epiſcopos noſtros, qui illorum congregationi non interfuerant, vt veſtræ ſanctitatis aduentum præſtolarentur.

Religioſiſſimus Archiepiſcopus Ioannes dixit: Canonibusne, ſanctionibusq. Eccleſiaſticis, ac Regijs litteris in omnium præſentia conſentanee diſſerentes, congruaq. & ad rem facientia interrogantes, ac reſponſionibus auditis ad hoc deuenerunt? conuictumne, an vero indicta cauſa virum condemnarunt?

Impudentiſſimi mentitur hic Candidianus.

Magnificentiſſimus Comes Candidianus dixit: Pijſſimi Epiſcopi omnes qui mecum fuerunt, norunt quòd ſine vllo prorſus examine, & abſque aliquo iudicio hæc ab illis conſtituta ſunt.

Falſa quoque eſt hæc expoſitio Rufini.

Religioſiſſimus Archiepiſcopus Ioannes dixit: Sane etiam illa, quæ in noſtra præſentia geſſerũt, his maxime conſentanea fuerunt. Cum enim oportuiſſet, vt illos, qui è tam longa peregrinatione iam tum recens aduenerant, fraterne complecterentur, puluereq. adhuc aſperſos benigne & comiter exciperent, ac refocillarent aſſectu fraterno; tumultuario impetu ſtatim ad nos perturbandos irruerunt, conſuetamq. inſolentiam ac immodeſtiam apertis indicijs declararunt. Verumtamen ſancta Synodus, quæ mecum aderat, nec aures his adhibuit. Ea quoque ſancta Synodus in illos ſtatuet, quæ in eos decerni par erit, qui adeo illegitime, tyranniceq. omnia conturbarunt.

His ad eum modum tranſactis, & poſteaquàm magnificentiſſimus deuotorum domeſticorum Comes Candidianus exiuiſſet, piæq. litteræ recitatæ fuiſſent, & poſt depoſitionem prædictæ narrationis, religioſiſſimus Archiepiſcopus Ioannes dixit: Audiuit veſtra pietas tum piam religioſiſſimorum Imperatorum noſtrorum epiſtolam, tum magnificentiſſimi quoque Comitis Candidiani narrationem: agnouit præterea pijſſimorum Imperatorum ſcopum; quomodo omnem Eccleſiaſticæ pacis curam, ac ſanæ, conſtantisq. Fidei, Apoſtolicorumq. dogmatum rationem habentes, ſanctam Synodum hunc in locum conuocarint: rem videlicet maieſtate ſua dignam inſtituentes, id fieri mandarint, vt omnibus in vnum congregatis, ea quæ in diſceptationem veniunt, fraterne, ſacerdotaliq. modeſtiæ conuenienter, propoſitionibus & ſolutionibus, interrogationibus & reſponſionibus adhibitis, accurate diſcutiantur, citra omnem tumultuationem ac turbam. Adhæc de nulla controuerſia pecuniaria, aut criminatoria, aut alio quocumque eiuſmodi capite prius tractare licere, quàm pia Fides à ſanctis beatisq. Patribus in Nicæa Bithyniæ congregatis expoſita, diligenter perpenſa confirmetur. Quid ergo veſtra pietas in eos ſtatuendum cenſet, qui litteras adeo pias tam indignis modis contempſerunt?

Sancta Synodus dixit: Cyrillus reuerendiſſimus eccleſiæ Alexandrinæ Epiſcopus, necnon Memnon religioſiſſimus huius ciuitatis Antiſtes, qui Cyrillo in omnibus adminiſtrum ſeſe exhibuit,

A βασιλέων. ἐδόκει γὰρ ἦπον καὶ τοὺς ἀγιωτάτους ἡμῶν ἐπισκόπους ἐμεθόδιον, τοὺς μὴ συναθροισθέντας μετ' αὐτῶν, ἀναμένειν τὴν τῆς ὑμετέρας ἁγιωσύνης παρουσίαν.

Ὁ θεοφιλέστατος ἀρχιεπίσκοπος Ἰωάννης εἶπεν· Ἀκολούθως τοῖς κανόσι, καὶ τοῖς ἐκκλησιαστικοῖς ὅροις, καὶ τῷ βασιλικῷ γράμματι, ἆρα παρουσίᾳ πάντων διαλεχθέντες, καὶ ἐπερωτήσαντες τὰ πρόσωπα, καὶ τυχόντες ἀποκρίσεως, ἦλθον ἐπί τινι; ἐλέγχων γενομένων, ἢ ἐρήμῳ καταδίκασαν τὸν ἄνδρα;

Ὁ μεγαλοπρεπέστατος Κόμης Καυδιδιανὸς εἶπεν· Ἴσασι πάντες οἱ συμπαρόντες μοι θεοσεβέστατοι ἐπίσκοποι, ὡς χωρὶς λύσεως κρίσεως, καὶ ζητήσεως τὰ ἐξητασμένα παρ' αὐτῶν τετύπωται.

Ὁ θεοφιλέστατος ἀρχιεπίσκοπος Ἰωάννης εἶπεν· μᾶλλον μὲν οὖν δεῖ τὰ ἐφ' ἡμῶν αὐτῶν πραχθέντα, ἀκόλουθα εἶναι· δεῖν γὰρ αὐτοὺς, τοὺς ἄρτι ἐξ ἀποδημίας ἔτους μακρᾶς ἥκοντας, ἀδελφικῶς ἁπτεσθαι, καὶ κεκονιαμένους ἐπιφιλοφρονήσασθαι, καὶ ἀσπάσασθαι ἀδελφικῇ διαθέσει, οὕτως ἦλθον ταραχοντες ἡμᾶς, καὶ θορυβοῦντες, καὶ τὴν συνήθη ἀπαξίαν ἐπιδεικνύμενοι. ἀλλ' ὅμως φύσις ἡ συνοῦσά μοι ἁγία συνόδος οὐδὲ τὰς ἀκοὰς ὑπέσχε δέξασθαι τὰ γενόμενα· ἐγένετο γὰρ ἡ ἁγία συνόδος τὰ ἐφ' ἑκάστου καὶ τῶν οὐτως ἀθέσμως, καὶ τυραννικῶς, ἅπαντα συγχεάντων, ἀκολούθως τυπωθῆναι.

Τούτων οὕτως ἐχόντων, καὶ ἐξελθόντος τοῦ μεγαλοπρεπεστάτου Καυδιδιανοῦ, τοῦ Κόμητος τῶν καθωσιωμένων δομεστίκων, μὲ τὴν τοῦ θεοσεβοῦς γράμματος ἀνάγνωσιν, καὶ τὴν κατάθεσιν τῆς προκειμένης διηγήσεως, ὁ θεοφιλέστατος ἀρχιεπίσκοπος Ἰωάννης εἶπεν· ἀκήκοεν ἡ ὑμετέρα θεοσέβεια τοῦ τε θεοσεβοῦς γράμματος τῶν θεοφιλεστάτων ἡμῶν βασιλέων, καὶ τῶν ὧδε τοῦ μεγαλοπρεπεστάτου Κόμητος Καυδιδιανοῦ καταθέντων· καὶ ἐγὼ τὸν σκοπὸν τῶν θεοσεβεστάτων βασιλέων· ὡς πᾶσαν πρόνοιαν ποιουμένοι τῆς ἐκκλησιαστικῆς εἰρήνης, καὶ τῆς ὑγιοῦς, καὶ ἀνεπιτρέπτου πίστεως, καὶ τῶν ἀποστολικῶν δογμάτων, τὴν ἁγίαν ἐνταῦθα συνηθροισμένην σύνοδον, ἀξίως τοῦ θεοφιλοῦς αὐτῶν κράτους, τοῦτο γνῶναι προστάξαντος· ὥστε πάντας καὶ περὶ παντὸς γνωμένους, τὰ τε ζητούμενα ἀδελφικῶς, καὶ ὡς ἐπρέπει πρέπει, βασανίσαι, καὶ τὰ πρόσωπα καὶ λύσιν, καὶ πίστιν καὶ ἀποκρίσεις, ταραχῆς πάσης ἐκτὸς, καὶ θορύβου χωρὶς· μηδενὸς ἐπιφερομένου ζητουμένου, μήτε ἐγκληματικοῦ, μήτε χρηματικοῦ κεφαλαίου, περὶ τῆς ἀκριβοῦς ἐρεύνης, καὶ βεβαιώσεως τῆς θεοσεβοῦς πίστεως τῶν ἁγίων, καὶ μακαρίων πατέρων, τῶν ἐν Νικαίᾳ τῆς Βιθυνίας συνελθόντων. τί φήσω συμφορᾷ ὑμῶν ἡ θεοσέβεια, δεῖν γνῶναι διὰ τοσούτων τῶν θεοσεβῶν γραμμάτων καταφρονήσαι;

Ἡ ἁγία συνόδος εἶπεν· δῆλός ἐστιν ὁ ὑλαβέστατος ἐπίσκοπος Κύριλλος, ὁ τῆς Ἀλεξανδρέων, καὶ Μέμνων, ὁ τῆσδε τῆς πόλεως ὑλαβέστατος ἐπίσκοπος, ὁ ὡς ἅπαντα συνεργήσας αὐτῷ, ὡς ἀκριβῶς ἔχομεν

Ὁ θεοφιλέστατος θεοσόπος Ἰωάννης εἶπε· Εὐχῆς μοι ἦρχον ἐγὼ, τὸ μηδένα τῶν τῷ θεῷ ἱερατεύειν ἀφορισθέντων ἐκτὸς γενέσθαι τοῦ ἐκκλησιαστικοῦ ζώματος. ἐπεὶ δὲ ἀναγκαία τῶν ἀπάτους ἐχόντων μελῶν ἡ τομὴ, διὰ τὸ τοῦ παντὸς ζώματος ὑγιείαν, Κύριλλον μὲν καὶ Μέμνονα, ὡς ἐξάρχους τῆς γεγενημένης παθοκοπίας, καὶ τοῦ πατηθῆναι τοὺς ἐκκλησιαστικοὺς θεσμοὺς, καὶ τὰ θεσπέσια γράμματα τῶν θεοσεβεστάτων ἡμῶν βασιλέων, καὶ διὰ τὸ αἱρετικὸν τῶν προειρημένων κεφαλαίων φρόνημα, καθαιρεῖσθαι προσήκει, τοὺς δὲ ὑπ' αὐτοὺς, ἀκοινωνήτους γενέσθαι, ἕως ἂν τὸ οἰκεῖον διηνεκὲς πληρώσαντες πλημμέλημα, τὰ τε αἱρετικὰ τοῦ Κυρίλλου κεφάλαια ἀναθεματίσωσι, καὶ τῇ ἁγιωτάτῃ πί- E

Ἡ ἁγία σύνοδος εἶπε· Εὐνόμως, καὶ ἐυδίκως ἡ σὴ ἀπεφήνατο ἁγιότης· δεῖ τοίνυν χράσασθαι κοινῇ Κυρίλλῳ μὲν, καὶ Μέμνονος, τὴν καθαίρεσιν, τῶν δὲ λοιπῶν

A buit, (vt certo cognouimus qui huc ante pietatis vestræ aduentum accessimus, & hisce, vt dici solet, oculis inspeximus quæ ille perpetrare ausus est: nam sanctas ecclesias, sanctasq. Martyrum ædes, ac sanctam quoque Apostoli basilicam præcluſit, & ne sacrum quidem Pentecostes diem religiosissimis Episcopis celebrare permisit: multitudine præterea agrestium hominum coacta, ciuitatem turbis repleuit: insuper clericos suos ad pijssimorum Episcoporum diuersoria mittens, vel extrema quæque, nisi confuso eorum concilio sese adiungerent, illis comminatus est) malæ nimirum conscientiæ stimulis agitati, dinoscuntur omnia conturbasse ac commiscuisse, res Ecclesiasticas tumultibus impleuisse, pias litteras paruipendisse, Ecclesiæ ritus proculcasse, ne in hæreticam, peruersamq. eorum doctrinam inquireretur. Quam quidem doctrinæ labem in capitibus quæ reuerendissimus Episcopus Cyrillus non-ita pridem ad regiam ciuitatem misit, deprehendimus. Maxima enim illorum pars Arij, & Apollinarij, & Eunomij impietati est consentanea. Necesse est ergo, vt sanctitas tua, nosq. omnes, manibus pedibusq. pro pietate decertemus, ne qui hæreticis religiosissimi Episcopi Cyrilli capitibus decipiantur, nêve sanctorum Patrum Fides corrumpatur. Et quidem hæretici dogmatis auctores, excitataeq. perturbationis, quæ maior est, quàm vt verbis vllis explicari possit, principes, digna tanto scelere sententia condemnentur; reliqui vero religiosissimi Episcopi, quos hi sibi per fraudem adiunxerunt, & in suam sententiam callide pellexerunt, Ecclesiasticæ pœnæ subijciantur oportet.

Hæc omnia vel falsa sunt, vel propter manifestam illorum hæresim audierit.

Concilabuli falsò imponit Cyrillo impietatem Apollinarij, Eunomij, & Arij.

Nestoriani & Orientales schismatis Cyrillum & Memnonem depositione dignos pronunciant.

Ioannes Deo dilectissimus Episcopus dixit; Ego quidem neminem ex ijs qui ad sacerdotium à Deo adsciti sunt, extra Ecclesiasticum corpus eijci optabam. Sed quia, cum membra quæpiam immedicabili morbo corripiũtur, ob totius corporis incolumitatem quædam ipsorum resectiones adhibeantur necesse est; cum Cyrillus & Memnon, perpetratæ illius iniquitatis auctores extiterint, atque occasionem præbuerint, vt Ecclesiasticæ sanctiones, piaq. religiosissimorum Imperatorum nostrorum decreta conculcarentur, & in prædictis capitibus hæretice senserint; æquum est, vt ipsi quidem depositionis sententia plectantur; reliqui vero, qui in ipsorum errorem abducti sunt, excommunicationis vinculis innodentur, donec proprio delicto agnito, hæretica Cyrilli capita anathematizent, & in Fide à sanctis Patribus Nicæ quondam congregatis edita plane se acquiescere profiteãtur, ita vt nihil prorsus diuersum, aut peregrinum, vel à pietate alienum superaddant, & iuxta pijssimorũ Imperatorum nostrorum litteras cœtui nostro sese adiungant, & controuersarum quæstionum examinatione fraterne agitata, piam Fidem confirment.

Ioannes Antiochenus Cyrilli anathematismos vt hæreticos condemnat.

Concilium plenam Concilij auctoritatem sibi vindicat.

Sancta Synodus dixit: Sanctitas tua legitime, iusteq. sententiam pronunciauit. Quamobrem necessarium censemus, vt communi, publicoq. scripto, & omnium nostrum subscriptionibus confirma-

Immo vero malitiose & iniustissime.

firmato, Cyrilli quidem & Memnonis depositionem, reliquorum vero excommunicationem testatam faciamus.

Ioannes Deo dilectissimus Archiepiscopus dixit: Quæ communi suffragio inter nos decreta sunt, fiant.

Ioannes Antiochiæ Episcopus pronuntiault.

SENTENTIA.

Concilium S. synodum se vocat.

SAncta Synodus per Dei gratiam, pijssimorumq. ac Christianissimorum Imperatorum nostrorum decretum in Ephesiorum ciuitate congregata, quæ hic subiunguntur, promulgauit.

Optabamus quidem, iuxta sanctorum Patrum canones, pijssimorumq. ac Christi amantium Imperatorum nostrorum litteras, synodum pacate celebrari. Quoniam vero vos hæretico sensu menteq. vsi, ac temeritate & confusione priuatum inter vos consessum celebrastis (tametsi secúdum terminum à pijssimorum Imperatorum nostrorum litteris præfinitum, præ foribus iam versaremur) omniq. turbarum genere ciuitatem, & sanctã hanc synodum impleuistis, ne videlicet in capita, quæ tum Apollinarij, & Eunomij, atque Arij impietate, ac peruersa doctrina congruunt, inquirerctur; neque religiosissimorum Episcoporum à pijssimis Imperatoribus nostris vndecunque conuocatorum, aduentum expectastis, cum tamen magnificentissimus Comes Candidianus & scripto, & verbis, ne quidquam tale auderetis, sed communem omnium sanctissimorum Episcoporum consessum expectaretis, vobis præcepisset: ideo tu Cyrille Alexandrine, & tu Memnon huius ciuitatis Episcope, scitote vos depositos, & ab Episcopatu alienos, atque ab omni Ecclesiastico ministerio & functione esse amotos; vt qui in causa fuistis, vt Patrum canones conculcarentur, & Imperatorum decreta contemnerentur, omniaq. confusione & turbis miscerẽtur, ac totius sceleris auctores & duces extitistis. At vos reliqui omnes, qui seditiose & inique contra Ecclesiasticas sanctiones, regiaq. decreta agentibus consensistis, anathemati subiacete, donec agnita culpa vestra resipiscatis, Fidemq. à sanctis Patribus in Nicæna ciuitate congregatis expositam suscipiatis, nihil illi extraneum aut peregrinum attexentes: capita præterea hæretica à Cyrillo Alexandrino exposita, quæ & Euangelicæ & Apostolicæ doctrinæ apertæ repugnant, anathematizetis: & litteris denique pijssimorũ, Christiq. amantium Imperatorum nostrorum, quæ Fidei quæstionem quiete agitari, accurateq. discuti præcipiunt, per omnia pareatis.

Ο ἁγιώτατος ἀρχιεπίσκοπος Ἰωάννης εἶπε· Γενέσθω τὰ συνδόξαντα.

Ἰωάννης ἐπίσκοπος Ἀντιοχείων διελάλησε.

Ψ Η Φ Ο Σ.

Ἡ ἁγία σύνοδος, ἡ χάριτι θεοῦ συγκροτηθεῖσα ἐν Ἐφέσῳ, καὶ τὸ γράμμα τῶν εὐσεβεστάτων, καὶ φιλοχρίστων, ἡμῶν βασιλέων, διελάλησε τὰ ὑποτεταγμένα.

Ηὐχόμεθα μὲν κατὰ τοὺς κανόνας τῶν ἁγίων πατέρων, καὶ τὸ γράμμα τῶν εὐσεβεστάτων, καὶ φιλοχρίστων, ἡμῶν βασιλέων, εἰρηνικῶς γενέσθαι τὴν σύνοδον. ἐπειδὴ δὲ θρασύτητι, καὶ ἀπειρίᾳ, καὶ αἰρετικῷ φρονήματι κεχρημένοι, καθ' ἑαυτοὺς συνηλάσατε, καίτοι ἡμῶν ὄντων καὶ τὸ γράμμα τῶν εὐσεβεστάτων ἡμῶν βασιλέων, ἐπὶ πᾶσι τεταγμένης τὴν πόλιν, καὶ τὴν ἁγίαν σύνοδον ἀναπληροῦσθαι, ὑπὲρ τοῦ μὴ ζητηθῆναι τὰ κεφάλαια, ἃ συμβαίνει τῇ Ἀπολιναρίου, καὶ Ἀρείου, καὶ Εὐνομίου κακοδοξίᾳ, ἐν δυσεβείᾳ, καὶ οὐκ ἀνεμείνατε τὴν τῶν ἀπανταχόθεν ἁγιωτάτων ἐπισκόπων παρουσίαν, τῶν κληθέντων ὑπὸ τῶν εὐσεβεστάτων ἡμῶν βασιλέων· καὶ τοῦτο, τοῦ μεγαλοπρεπεστάτου Κόμητος Κανδιδιανοῦ ἐγγράφως, καὶ ἀγράφως, διαγγείλαντος ὑμῖν, μηδὲν τοιοῦτο τολμῆσαι, ἀλλὰ ἀναμεῖναι τὴν χρεωστουμένην τῶν ἁγιωτάτων ἐπισκόπων συνέλευσιν· τούτου ἕνεκεν γινώσκετε, ὡς καθῃρημένοι ἐστὲ, καὶ ἀλλότριοι τῆς ἐπισκοπῆς, σύ τε Κύριλλε, ὁ τῆς Ἀλεξανδρέων, καὶ Μέμνων, ὁ τῆσδε τῆς πόλεως, ἐν πάσῃ ἐκκλησιαστικῇ λειτουργείᾳ ἀλλότριοι, ὡς πάσης τῆς ἀσεβείας, καὶ βλασφημίας ἐξάρχοι, καὶ ἡγεμόνες, καὶ τοῦ παυθῆναι τοὺς κανόνας τῶν πατέρων, καὶ τὰ βασιλικὰ διατάγματα, αἴτιοι γεγόνατε· οἱ δὲ λοιποὶ πάντες, οἱ συμφωνήσαντες τοῖς ἠσεβηκόσι, καὶ βλασφημήσασι κατὰ τῶν κανόνων, καὶ τῶν βασιλικῶν διατάξεων, ἀκοινώνητοι ἔστωσαν ἕως ἂν ἐπιγνόντες τὸ οἰκεῖον πλημμέλημα, μετανοήσητε, καὶ τῇ πίστει τῶν ἁγίων πατέρων, τῶν ἐν Νικαίᾳ συναθροισθέντων προσδράμητε, μηδὲν ἕτερον αὐτῇ ξένον ἐπισυνάπτοντες, καὶ ἀναθεματίσητε τὰ αἱρετικὰ κεφάλαια, τὰ ἐκτεθέντα ὑπὸ Κυρίλλου, τοῦ Ἀλεξανδρέως, τὰ ἐναντιούμενα τῇ διαγγελικῇ, καὶ ἀποστολικῇ διδασκαλίᾳ, καὶ τῷ γράμματι τῶν εὐσεβεστάτων, καὶ φιλοχρίστων, ἡμῶν βασιλέων ἐμμένητε, τῷ πολλοστῷ ἡσύχως, καὶ ἀκριβῶς, τὰ θεσπισθέντα ζητοῦντι.

ΓΡΑΜΜΑ ΤΩΝ ΑΥΤΩΝ, ΤΟ ΤΗΣ ΑΠΟΚΟΙΝΩΝΗΣΙΑΣ, ΣΗΜΑΙΝΕΙ ΤΗ ΑΓΙΑ ΣΥΝΟΔΩ.

Η ἁγία συνοδος, τοὺς παρ' ἡμῶν ἡγουμένους ἀκοινωνήτους, ὑποπτεύσεις τάδε δηλοῖ, καὶ συμβουλεύει.

Δεινὸν μὲν ὡς ἀληθῶς τὸ ἁμαρτάνειν, καὶ τὸν δεσπότην παροργίζειν θεόν· δεινότερον δὲ πολλῷ, καὶ χαλεπώτερον, τὸ μὴ λύειν μεταμελείᾳ τὴν ἁμαρτίαν· ὅπερ ὑμεῖς μέχρι τοῦ παρόντος πεποιήκατε· σκυθρωπώσεσι μὲν τοῖς ἀθέσμοις, καὶ ἀπάκτοις, μεμυημένοις τῷ Κυρίλλου, καὶ Ἀλεξανδρείας, καὶ Μέμνονος, καὶ Ἐφεσίων· ἀκοινώνητοι ὑπὸ παρ' ἡμῶν τύχοι χάριν γεγυμνένοι, καὶ τὴν φιλανθρωπίας τὴν θύραν πεπηγμένην ὑμῖν διὰ τῶν ἡμετέρων ἀποφάσεων ὁρῶντες,

LITTERÆ EORVMDEM, excommunicationem ſignificantes, ad ſanctam Synodum miſſæ.

Epiſcopis à nobis excommunicatis, ſancta Synodus hæc ſignificat & ſuadet.

GRaue revera eſt peccare, & Dominum Deum ad iram prouocare; ſed longe grauius & periculoſius, peccatum pœnitentia non diluere. Hoc autem malum vos hactenus commiſiſtis, iniquis quidem ſeditioſisq. Cyrilli Alexandrini & Memnonis Epheſij ſtudijs & machinationibus adſtipulati, tum hac quoque de cauſa excommunicationem perpeſſi à nobis, cum benignitatis oſtium per noſtram ſententiam pateſactum vobis cerneretis, non accurriſtis, orantes vt ab

Orientales ſchiſmatici Synodum ratho. litorũ excommunicant ob conſtantem cũ Cyrillo communionem.

vt ab excommunicationis vinculis abſolueremini: immo vero hominum hæreſi contaminatorũ, ſanctorumq. Patrum canones, & Imperatorum pijſsimorum decreta conculcantium, & ſexcenta alia per iniquitatem perpetrantium, (propter quæ etiam gradu moti, ac Epiſcopali dignitate exuti ſunt) neceſſitudine & conſuetudine vſque hodie vtimini. Scitote proinde, niſi mature, quod æquum eſt, prouideritis, & à noxio illo commercio ſemoti, Fidem ſanctorum Patrum Nicænorum vos tenere profeſſi fueritis, & nobiſcum conſeſſum, iuxta religioſiſſimorum Imperatorũ noſtrorum præſcriptum, placide, ac citra vllum ſtrepitum aut tumultum celebrare velitis, fore, vt non quidem de nobis conqueraminí, ſed veſtram ſtultitiam accuſaturi ſitis.

Conciliabuli vtique nomine Concilij auctoritatē fibi arrogat.

EORVMDEM AD IMPERATOREM EPISTOLA, QUA ILLŨ DE SUIS ACTIS, DEQ. CAUSA, QUÆ ANTIOCHENI EPISCOPI ADUENTUM REMORATA FUERAT, CERTIOREM REDDUNT.

ΕΠΙΣΤΟΛΗ ΤΩΝ ΑΥΤΩΝ πρὸς τ̃ βασιλέα· δι' ἧς ἐμφαίνουσι τὰ παρ' αὐτοῖς γενόμενα, καὶ τ̃ αἰτίαν δι' ἣν βράδυς τ̃ ἀφίξεως τοῦ Ἀντιοχείας ἐπισκόπου.

IVxta piarum litterarum veſtrarum præſcriptum ad Epheſiorum metropolim deuenimus; & confuſionibus, inteſtinoq. bello res Eccleſiaſticas oppletas eſſe comperimus: quandoquidem Cyrillus Alexãdrinus, & Memnon Epheſius, ſatellitio comparato, magnaq. agreſtium hominum multitudine coacta, ne ſanctæ quidem Pentecoſtes feſtum celebrare, matutinave aut veſpertina officia obire permiſerunt. Ac præter hæc, ſanctas etiam eccleſias, ſanctasq. Martyrum ædes nobis præcludentes, ipſi cum quibuſdam in errorem illorum abductis, quemdam inter ſe conſeſſum inſtituerunt; ſanctorumq. Patrum canonibus, veſtrisq. decretis proculcatis, ſexcenta ſcelerum exempla ediderunt: cumtamen magnificentiſſimus Comes Candidianus, Chriſti amantis celſitudinis veſtræ nomine legatione fungẽs, & ſcripto, & verbis quoque illis denuntiaſſet, vt ſanctiſſimorum Epiſcoporum vndecunque aduenientium præſentiã expectarent; ac tum demũ iuxta pietatis veſtræ litteras communiter ſynodum celebrarent. Sed & ipſe quoque Cyrillus Alexandrinus biduo ante habitum ab ipſis conſeſſum illum, ſcripſerat ad me Antiochenum Epiſcopum, quòd vniuerſa Synodus meum aduentum præſtolabatur. Propter hæc ergo vtrumque, Cyrillum inquam, & Memnonem, exauctorauimus, & ab omni Eccleſiaſtica functione amouimus: reliquos vero huius iniquitatis eorum ſocios excommunicationi ſubiecimus, donec capita, quæ Cyrillus Apollinarij, & Eunomij, & Arij peruerſis dogmatibus plena euulgauit, abijciant & anathematizent; ac iuxta pietatis veſtræ decretum communiter nobiſcum conſeſſum celebrent; controuerſiasq. qua conuenit diligentia & quiete, vna nobiſcũ diſcutiant,

Nullum impietatis, ſed multa pietatis exempla ediderunt.

Et hoc, communitum eſt mecum.

Τοῖς εὐσεβέσιν ὑμῶν κελεύσθησι γράμμασι, καταλάβομεν τὴν Ἐφεσίων μητρόπολιν, καὶ εὕρομεν πάσης συγχύσεως καὶ ἐμφυλίου πολέμου γέμοντα τὰ ἐκκλησιαστικὰ πράγματα, Κυρίλλου τοῦ Ἀλεξανδρείας, καὶ Μέμνονος συμφεξαμένων, καὶ πολλῶν ἀγροικικῶν συναθροισμάτων, καὶ μήτε τῆς ἁγίας πεντηκοστῆς τὴν παννύχιον ἐπιτελεσθῆναι συγχωρησάντων, μήτε τὰς ἑσπερινὰς, ἢ τὰς ἑωθινὰς λειτουργίας. πρὸς δὲ τούτοις, καὶ τὰς ἁγίας ἐκκλησίας, καὶ τὰ ἅγια μαρτύρια ἀποκλεισάντων· καθ' ἑαυτοὺς δὲ σὺν τῇ ἀπατηθεῖσιν ὑπ' αὐτῶν συναθροίσαντων, καὶ μυρία κατόρθωμα ἐργασαμένων· καὶ τύπους τε τῶν ἁγίων πατέρων καινίσαι, τά τε ὑμέτερα πατησάντων θεσπίσματα· ἐξ ὧπερ, τοῦ μεγαλοπρεπεστάτου Κόμητος Καυδιδιανοῦ, τοῦ παρὰ τῆς ὑμετέρας Φιλοχρίστου κορυφῆς δεσταλέντος, παρεγγυήσαντος αὐτοῖς καὶ ἐγγράφως, καὶ ἀγράφως, ἀναμεῖναι τοὺς παραχρῆμα ἀφικνουμένους ἁγιωτάτους ἐπισκόπους, καὶ τότε κοινῇ τὸ συνέδριον ποιῆσαι, κατὰ τὰ γράμματα τ̃ ὑμετέρας εὐσεβείας· καὶ αὐτὸ δ' τοῦ Κυρίλλου, τοῦ Ἀλεξανδρείας, ἀπεστάλκατο μοι, τῷ τ̃ Ἀντιοχέων, πρὸ δύο ἡμερῶν τ̃ γραφείσης ὑπ' αὐτῶν συνόδου, ὡς ἡ σύνοδος πᾶσα ἀναμένει μου τὴν παρουσίαν. διὸ ἀμφοτέρους τοὺς προειρημένους καθείλομεν, Κύριλλον, καὶ Μέμνονα, καὶ πάσης ἐκκλησιαστικῆς λειτουργίας ἀλλοτρίους ποιήσαμεν. τοὺς δὲ λοιποὺς, τοὺς πάσης τ̃ ἀθεμίτου αὐτοῖς κοινωνήσαντας, ἀκοινωνήτους ποιήσαμεν, ἕως αὐ τὰ κεφάλαια, τὰ ὑπὸ Κυρίλλου ἐκπεμφθέντα, τ̃ Ἀπολιναρίου, καὶ Εὐνομίου, καὶ Ἀρείου κακοδοξίας γέμοντα, ἀναθέλωσι, καὶ ἀναθεματίσωσι, καὶ σὺν τ̃ τ̃ ὑμετέρας εὐσεβείας γράμμασι, κοινῇ σὺν ἡμῖν συνοδεύσαντες, ἡσύχως καὶ ἀκριβῶς, πᾶν ζητήματα

μαζα σὺν ὑμῖν ἴδωσι, καὶ τὸ ἀσεβὲς τῶν πατέρων βεβαιώσωσι δόγμα. ὡς δὲ τῆς ἐμῆς βραδυτῆτος ἴσως ὑμῶν ἡ εὐσέβεια, ὡς πρὸς τὸ χειρόγραφον διάστημα τῆς ὁδοῦ, διὰ γῆς γὰρ ἡμῶν ἡ ὁδὸς γεγένηται, σφόδρα ἐπιταχύναμεν· παραπόντια γὰρ μονὰς οὐκ ἐποιησάμεθα, μηδεμιᾶς ἀναπαύσεως χάριν τὴν περίεια ἀπολαύσαντες· ὡς ἔχειν ὑμῶν τῇ φιλοχρίστῳ βασιλείᾳ σὺν τοῖς κατὰ τὴν ὁδὸν πόλεις οἰκητόρων μαθεῖν. πρὸς δὲ τούτοις, καὶ ὁ λιμὸς κατὰ τὴν Ἀντιόχειαν γενόμενος, καὶ αἱ καθ' ἑκάστην ἡμέραν ταραχαὶ τοῦ δήμου, καὶ ἡ παρὰ τὸν καιρὸν σφοδροπάθη γενομένη ἐπομβρία, ἢ καὶ κίνδυνον ἐπ τῶν χειμάρρων ἐπήγαγε τῇ πόλει, οὐκ ὀλίγους ἡμέρας ἡμᾶς εἰς τὴν προειρημένην ἐπίσχε πόλιν.

tiant, & pium ſanctorum Patrum dogma confirment. Quòd vero tardius aliquanto aduenerim, aliud cauſæ fuit. Nam ſi terreſtris itineris interuallum (terra enim venimus) pietas veſtra ſpectauerit, magna profecto celeritate nos iter hoc confeciſſe comperiet: ſiquidem quadraginta mãſiones peragrauimus, nulla vmquam à progrediendo relaxatione vſi, quemadmodum Chriſto dilecta veſtra maieſtas ex earum ciuitatum incolis, per quas iter fecimus, facile intelligere poteſt. Fames præterea, quæ Antiochenam ciuitatem vehementer afflixit, & quotidianæ populi perturbationes, & ingens præter tempus vis imbrium, quæ torrentibus inundantibus in diſcrimen ciuitatem adduxerat, non paucos quoque dies in ſupradicta ciuitate nos detinuerunt.

Non tam longo diſtitimus Antiochia ab Epheſo, quantum hîc perſuadere conatur.

ΕΠΙΣΤΟΛΗ ΙΩΑΝΝΟΥ ΕΠΙσκόπου Ἀντιοχείας, καὶ τῶν σὺν αὐτῷ, πρὸς τὸν Κωνσταντινουπόλεως κλῆρον.

EPISTOLA IOANNIS Antiocheni, ceterorumq. qui cum ipſo erant, ad Clerum Conſtantinop.

Ἔγνω που πάντως ὑμῶν ἡ ὁλόσβεια τὰ ἀθέσμως, καὶ παρανόμως, ὑπὸ Κυρίλλου τοῦ Ἀλεξανδρέως, καὶ Μέμνονος τοῦ Ἐφεσίου, καὶ τῶν σὺν αὐτοῖς, παρὰ τὸ χάραγμα τῶν εὐσεβεστάτων, καὶ φιλοχρίστων, ἡμῶν βασιλέων συνῳδούντων μηχανημένα. διὸ ἀναγκαῖον ἡγήσαμεν, γνωρίσαι ὑμῶν τῇ θεοσεβείᾳ, ὡς ἐκεῖνα μὲν ἅπαντα, τὰ ὑπ' αὐτῶν πολυμηχανηθέντα, ἰσῆς ἀράχνης κατ' τὸν προφήτην ὑπάρχει· αὐτοὶ δὲ οἱ ταῦτα πολυμηχανήσαντες, ὅ τε Κύριλλος, καὶ ὁ Μέμνων, ὡς ἔξαρχοι τῆς ἀπειθείας, καὶ παρανομίας, ἡγούμενοι, ὑφ' ἡμῶν καθῃρέθησαν, καὶ ἀλλοτρίοις τῆς ἐπισκοπῆς ἐγένοντο· τοὺς δὲ σὺν αὐτοῖς συνοδεύσαντας ἑλομένους, ἀκοινωνήτους ποιήσαμεν, ἕως ἂν τὸ οἰκεῖον ἐπιγνόντες πολυμέλημα, τὰ τε αἱρετικὰ κεφάλαια Κυρίλλου τοῦ Ἀλεξανδρέως ἀναθεματίσωσι, καὶ τὴν πίστιν τῶν ἁγίων πατέρων, τῶν ἐν Νικαίᾳ τῆς Βιθυνίας συναθροισθέντων, ἀδόλως κατασπάζωνται. μὴ τοίνυν θορυβήσῃ τις τὴν ὑμετέραν εὐλάβειαν τὰ τοιαῦτα πάθη ἀνθρώπων· εὐδεμίαν γὰρ ἰσχύι, ὡς ἤδη ἐδηλώσαμεν, ἔχει τὰ παρανόμως ὑπ' αὐτῶν πολυμηχανήματα. τοῦτο γὰρ καὶ τῷ εὐσεβεῖ, καὶ φιλοχρίστῳ, ἡμῶν βασιλεῖ ἐγνωρίσαμεν, καὶ τοῖς μεγαλοπρεπεστάτοις, καὶ ἐνδοξοτάτοις ἄρχουσι.

INtellexit haud dubie pietas veſtra iniquas temerariasq. Cyrilli Alexandrini, Memnonisq. Epheſij, & ceterorum qui cum ipſis ſunt, machinationes contra omne fas & ius: qui contra pijſſimorum, Chriſtiq. amantium Imperatorum noſtrorum litteras inter ſe conſeſſum conſtituere non ſunt veriti. Quapropter neceſſarium duximus, pietatem veſtram certiorem facere, omnes illorum conatus & machinationes, iuxta Prophetæ dictum, aranex telam eſſe. Illi autem qui hæc auſi ſunt, vt temeritatis, iniquitatis, confuſionisq. auctores, Cyrillus & Memnon, à nobis exauctorati, atque Epiſcopali dignitate exuti ſunt: ceteros vero, qui eorum conſeſſui adeſſe voluerũt, excommunicationi ſubiecimus, donec proprio errore agnito, hæretica Cyrilli Alexandrini capita anathematizent, Fidemq. ſanctorum Patrum, qui in Nicæa Bithyniæ quondam conuenerunt, ſincero animo complectantur. Ne quis igitur ex eorum numero, qui ſeditiones excitare ſolent, veſtram pietatem conturbet: nam temerarij & illegitimi illorũ auſus, vt iam ſignificauimus, nullam penitus vim habent. Hoc ipſum quoque pio Chriſtiq. amanti Imperatori noſtro, ceterisq. magnificentiſſimis, celeberrimisq. Principibus indicauimus.

Non primũ, ſed publicum & legitimum inſtituerunt.

Eſa. 59. a.

Sed totum id fruſtra: nam ſchiſmatici in catholicos nullam vim obtinent.

Si nullã vim haberent, Neſtorius in exilio non periſſet.

ΕΠΙΣΤΟΛΗ ΤΩΝ ΑΥΤΩΝ, πρὸς τὴν ἁγίαν Κωνσταντινουπόλεως σύγκλητον.

EORVMDEM AD SENATVM Conſtantinopolitanum epiſtola.

Τῇ θεοφιλεῖ, καὶ φιλοχρίστῳ, συγκλήτῳ ἡ ἁγία σύνοδος ἐν κυρίῳ χαίρειν.

Pio Chriſtoq. dilecto Senatui, ſancta Synodus in Domino ſalutem.

Schiſmatici ſemper ſacra Synodis inuidere ſolent.

Λίαν ἀλγοῦμεν, οἰκείων μελῶν ἐκπτωσιν τῇ ὑμετέρᾳ μεγαλοπρεπείᾳ μηνύειν, ἀναγκαζόμενοι· εἰ γὰρ καὶ ἀναγκαῖος ὁ χωρισμὸς τῶν σεσηπότων μελῶν,

MAgno ſane animi dolore hoc ipſo afficimur, quòd membrorum noſtrorum excisionem veſtræ magnificentiæ indicare compellimur. Nam etſi putridorũ membrorum ſeparatio interdum

interdum eſt neceſſaria; attamen acerbum dolorem reliquo corpori affert. Si quid enim (ait beatus Paulus) patitur vnum membrum, compatiuntur omnia membra. Verumtamen inutilium noxiorumq. membrorum reſectio à medicis eſt adhibenda. Etenim prudens ac ſapiens corporũ curator, reliquorum membrorum ſanitatem ob oculos ponens, illud quod putredine cõſumptum erat, negligit, ad totius corporis curam & conſeruationem omne conſilium & ſtudium conferens. Hoc ipſum in præſentia & nos quoque fecimus. Comperimus enim Cyrillum Alexandrinum Epiſcopum, & Memnonem Epheſiorum, ſexcẽta grauiſſima & detrimentoſa contra ſanctam Dei Eccleſiam geſſiſſe; & ciuitatem, ſanctamq. Synodum turbis tumultibusq. compleſſe; atque ex nautis Aegyptijs, Aſiaticisq. ruſticis ſatellitio collecto, tyrannidi ſuæ miniſtros quæſiuiſſe; neque ſanctiſſimos pijſſimosq. Epiſcopos vndecunque conuocatos expectaſſe; neque litterarum pijſſimorum, Chriſtiq. amantium Imperatorum noſtrorum vllam rationem duxiſſe; neque magnificentiſſimi ac celeberrimi Comitis Candidiani admonitiones & præcepta quidquam omnino curaſſe: ſed omnia religionis ornamenta late permiſcuiſſe, omnia inique & illegitime perpetraſſe; ſacram ſanctæ Pentecoſtes ſolemnitatẽ celebrari vetuiſſe; ſacra templa, inuictiſſimorumq. Martyrum ædes præcluſiſſe, ita vt ne orare quidem volentibus licuerit; neque è locis vſque adeo remotis venientibus, ſanctorumq. ac triumphatorum Martyrũ, maxime vero beatiſſimi Ioannis Theologi ac Euangeliſtæ (quem ſummam apud Dominum noſtrum fiduciam familiaritatemq. obtinuiſſe conſtat) monumenta complectendi deſiderio flagrantibus, id facere integrum fuerit. Quapropter prædictos Cyrillum & Memnonem deponere, & epiſcopali munere exuere compulſi ſumus: reliquos vero tyrannidis ac temeritatis illorum fautores & adminiſtros, ſiue metu adacti, ſiue fraude quoque allecti fuerint, excommunicationi ſubiecimus, correctionis modum voluntaria illorum pœnitentia definientes. Nam ſi eos pœnituerit, & hæreticam illã doctrinam deſeruerint, ſanctorumq. Patrum qui Nicææ Bithyniæ conuenerunt, Fidem receperint, & noſtro confeſſui iuxta religioſiſſimorum, ac Chriſti amantium Imperatorum noſtrorũ litteras ſeſe adiunxerint, eaq. modeſtia, quæ ſacerdotes decet, quæ diſputantur perueſtigarint; excommunicationis vinculo abſoluentur, & in ſacerdotalis miniſterij locum reſtituentur.

1. Cor. 12. d. 26.

Atqui Cyrillus & Memnon, non putrida, ſed viua membra amant.

Omnia hæc impudentiſſima ſunt mendacia.

Compulſi ne vestra malitia & vafritia, nulla iuſta ratione hoc fecimus.

Interpretatio depoſitionis.

Philippus presbyter Apoſtolicæ Sedis, & Legatus dixit: Veteri conſuetudini ſatisfactum eſt, vt Apoſtolicæ Sedis litteræ Latine in primis legantur. Nunc vero itidem, quoniam beatitudo veſtra efflagitat, vt Græce etiam legantur, neceſſarium eſt, vt ſanctitatis veſtræ deſiderio ſatisfiat: id quod faciendum curauimus, vt Romana oratio in Græcam conuerteretur. Iubete igitur ſuſcipi, & ſanctis veſtris auribus inſinuari.

Interpretatio depoſitionis.

Arcadius & Proiectus Epiſcopi & Legati dixerunt: Sicut iuſſit beatitudo veſtra, vt allatæ litteræ in omnium notitiam veniant; quia ſanctorum fratrum Epiſcoporum noſtrorum non pauci ſunt, qui Latine neſciunt, propterea allata epiſtola, Græce quoque reddita eſt, &, ſi iuſſeritis, legetur.

Papæ Cælestini Episcopi formam vestra sanctitas consideret: qui sanctitatem vestram hortatus est, non quasi ignorantem docens, sed tamquam gnaram commonefaciens, vt ea quæ & dudum ante definire, & nunc in memoriam reuocare dignatus est, iuxta communis Fidei regulam, catholicæq. Ecclesiæ vtilitatem, ad finem numeris omnibus absolutum deduci iubeatis.

D Firmus Cæsareæ Cappadociæ Episcopus dixit: Apostolica & sancta Sedes Cælestini sanctissimi Episcopi, per litteras, quas ad religiosissimos Episcopos, ad Cyrillum, inquam, Alexandrinum, & Iuuenalem Hierosolymitanum, & Rufum Thessalonicensem, necnon ad sanctas Constantinopolis & Antiochiæ ecclesias misit, etiam ante de præsenti negotio sententiam regulamq. præscripsit, quam nos quoque sequuti (cum terminus Nestorio ad emendationem datus dudum iam præterijsset, multumq. præterea temporis post nostrum, iuxta religiosissimi Imperatoris decretũ, in Ephesiorum ciuitatem aduentum fluxisset, atque hic non parum temporis commorati essemus, vt dies ab Imperatore præfinitus, elapsus iam esset; quoniam Nestorius à nobis citatus E non paruit) formam illam executioni mandauimus, canonicum Apostolicumq. iudicium in illum proferentes.

Interpretatio depositionis.

Arcadius reuerendissimus Episcopus & Legatus dixit: Etsi tardus nauigationis progressus, aduersaq. tempestas nos maxime detinuerit, ita vt, sicuti spes erat, ad destinatum locum venire nequiuerimus; attamen Dei gubernatione, ve-

Act.20.f. IESVS Chriſtus ſanguine ſuo acquiſiuit, ſollicitam inuenerimus. Quapropter veſtram beatitudinem rogatam cupimus, vt quæ à veſtra ſanctitate decreta ſunt, ea nobis exponi iubeatis.

Interpretatio depoſitionis.

Philippus presbyter, & Apoſtolicæ Sedis Legatus dixit: Gratias agimus ſanctæ venerandæq. Synodo, quòd litteris ſancti beatiq. Papæ noſtri vobis recitatis, ſanctos cantus ſanctis veſtris vocibus, ſancto capiti veſtro, ſanctis etiam veſtris exclamationibus, exhibueritis. Non enim ignorat veſtra beatitudo, totius Fidei, vel etiam Apoſtolorum caput eſſe beatum Apoſtolum Petrum. Proinde cum noſtra mediocritas multis tempeſtatibus iactata & vexata, ſerius acceſſerit, rogamus vt ea nobis patefieri mandetis, quæ ante aduentum noſtrum in ſancta hac Synodo acta ſunt; quò iuxta beati Papæ noſtri, præſentisq. huius ſancti cœtus ſententiam, nos quoque confirmemus, conformiter eorum depoſitioni.

Theodotus Ancyræ Epiſcopus dixit: Iuſtam eſſe ſanctæ Synodi ſententiam demonſtrauit vniuerſorum Deus per litteras Cæleſtini religioſiſſimi Epiſcopi huc allatas, & per veſtræ pietatis aduentum. Nam Cæleſtini Epiſcopi ſanctiſſimi & beatiſſimi zelum, & in piam Fidem ſtudium demonſtraſtis. Quoniam vero iuſta ratione permota veſtra beatitudo, ex ipſis actorum commentarijs intelligere quæſiuit de Neſtorij depoſitione; iuſtam ſententiam, ſanctæq. Synodi zelum & conſenſum in Fide, quam pijſſimus & ſanctiſſimus Epiſcopus Cæleſtinus magna voce deprædicat, veſtra reuerentia plane certoq. cognoſcet tum è plena fide, quam nos faciemus, tum è reliquis, quæ præſenti adduntur Actioni.

Interpretatio depoſitionis.

Philippus presbyter, & Apoſtolicæ Sedis Legatus dixit: Nulli dubium, immo ſæculis omnibus notum eſt, quòd ſanctus, beatiſſimusq. Petrus B Apoſtolorum princeps & caput, Fideiq. columna, & Eccleſiæ catholicæ fundamentum, à Domino noſtro Iesv Chriſto, ſaluatore humani generis ac redemptore, claues regni accepit, ſoluendiq. ac ligandi peccata, poteſtas ipſi data eſt: qui ad hoc vſque tempus, & ſemper in ſuis ſucceſſoribus viuit, & iudicium exercet. Huius itaque ſecundum ordinem ſucceſſor & locum tenens, ſanctus beatiſſimusq. Papa noſter Cæleſtinus Epiſcopus, nos ipſius præſentiam ſupplentes, ad hanc ſanctam Synodum miſit: quam quidem Synodum conuenire iuſſerunt humaniſſimi, Chriſtianiſſimiq. Imperatores, memoria retinentes, & perpetuo cuſtodientes Fidem catholicam; qui & Apoſtolicam doctrinam à pijſſimis, humaniſſimisq. ſanctæ memoriæ auis & patribus ipſorum traditam ſibi hucuſque cuſtodierunt, & cuſtodiunt. Synodum ergo, vt ſupra diximus, indixerunt, id vnum ſpectantes ac ſatagentes, vt Fides catholica, à ſæculis hactenus conſeruata, ſic perpetuo immota perſeueret. Neſtorius itaque nouæ peruerſitatis auctor, atque malorum caput, ſicuti è ſynodalibus actis accepimus, vocatus, ac admonitus ſecundum Patrum decreta, videlicet ſecundum Canonum diſciplinam, iudicio D ſe ſiſtere contempſit, cum tamen, vt ſpiritali remedio ſanitatem recipèret, tam ſancto cœtui vltro ſeſe offerre debuiſſet: ſed cauteriatam habens conſcientiam, quamuis legitime, & ſecundum Canonum diſciplinam, vt ante dixi, commonefactus, ad ſanctam hanc Synodum accedere recuſauit: neque terminum tantum ab Apoſtolica Sede ſibi conceſſum, ſed alia præterea multa temporum interualla fluere permiſit. Firmum ergo eſt iuxta omnium Eccleſiarum decretum (omnes namque Orientalis & Occidentalis Eccleſiæ ſacerdotes vel per ſe, vel certe per ſuos legatos, ſacerdotali huic conſeſſui interſunt) quod in ipſum pronuntiatum eſt, qui impio ore & hoſtili ſpiritu E blaſphemas voces depromere contra Dominum noſtrũ Iesvm Chriſtũ non eſt veritus: propterea Patrum ſanctiones ſecuta præſens ſancta Synodus, aduerſus impium temerariumq. Neſtorium lata ſententia definiuit, vt is, quem emendationis puduit, cum eo partem habeat, de quo ſcriptum eſt:

χοῦ καθολικῆς ἐκκλησίας ἐβεβαιώθη, τὸν Δημοσθένη τὸ ἰδιωτικὸν αἱρέσεως εἰσηνεγκόν· διὸ κἀγὼ ἐμμένω ἐξ αὐθεντίας τῆς ἁγίας ἀποστολικῆς καθέδρας πρεσβείας, μετὰ τῶν ἀδελφῶν τὴν ἀποφάσεως ἐκβιβαστὴς ὑπάρχων, τὸν μνημονευθέντα Νεστόριον, τὸν τῆς ἀληθείας ἐχθρὸν, τὸν φθορέα τῆς πίστεως, ὡσανεὶ πάντων ὑπόδικον, ἐκπεπτωκέναι τῆς ἐπισκοπικῆς τιμῆς, καὶ τῆς κοινωνίας πάντων τῶν ὀρθοδόξων ἱερέων.

Κύριλλος, ἐπίσκοπος Ἀλεξανδρείας, εἶπεν· Αἱ καθηκούσης, αἱ γεγενημέναι παρά τε τῶν ὁσιωτάτων, καὶ θεοσεβεστάτων ἐπισκόπων, Ἀρκαδίου, καὶ Προέκτου, ἔτι γε μὴν καὶ τοῦ θεοσεβεστάτου πρεσβυτέρου Φιλίππου, δῆλαι τῇ ἁγίᾳ συνόδῳ καθεστήκασι· καὶ πάντων δὲ, τῶν τόπον ἀναπληρούντων τῆς ἀποστολικῆς καθέδρας, καὶ ἁπάσης τῆς κατὰ τὴν θείαν ἁγίαν συνόδου τῶν θεοφιλεστάτων, καὶ ὁμοδόξων ἐπισκόπων· ὅθεν καὶ τὰ ἤδη ἐφεξῆς ἐναργῆ παρὰ τοῦ ὁμοδόξου, καὶ θεοφιλεστάτου ἐπισκόπου Κελεστίνου ἐξεβίβασται· συμφέρεται δὲ καὶ τῇ ψήφῳ, τῇ ἐξενεχθείσῃ κατὰ τοῦ αἱρετικοῦ Νεστορίου παρὰ τῆς ἁγίας συνόδου, τῆς συναχθείσης ἐφεξῆς κατὰ τὴν Ἐφεσίων μητρόπολιν. διὸ συναπέσθωσαν τοῖς ἤδη πεπραγμένοις καὶ κατὰ τὴν χθὲς, καὶ σήμερον, πραχθέντα ὑπομνήματα. συναινῶ δὲ τῇ θεοσεβείᾳ ὑμῶν, ὥστε καὶ ἰδίᾳ ὑπομνήσει κατὰ τὸ συνῆθες Φαρισαίων καταχῆσαι τὴν πρὸς ἅπαντας ἡμᾶς κανονικὴν συναίνεσιν.

Ἑρμηνεία τῆς καθέδρας.

Ἀρκάδιος, ὁ ἐλαχίστης ἐπίσκοπος, καὶ πρεσβευτὴς τῆς τῶν Ῥωμαίων ἐκκλησίας, εἶπε· Κατὰ τὰ πεπραγμένα ἐν ταύτῃ τῇ ἁγίᾳ συνόδῳ, ἀναγκαίως τὰς ἑαυτῶν διδασκαλίας τῆς ἑαυτῶν ὑποσχαφὰς βεβαιῶμεν.

Ἡ ἁγία σύνοδος εἶπεν· Ἀκολούθως δεδηλωμένων τῶν ἐλαχιστάτων, καὶ θεοσεβεστάτων, ἐπισκόπων, καὶ πρεσβυτῶν, Ἀρκαδίου, καὶ Προέκτου, καὶ Φιλίππου τοῦ πρεσβυτέρου, καὶ πρεσβυτοῦ τῆς ἀποστολικῆς καθέδρας, ἐπόμενόν ἐστι, τῇ οἰκείᾳ ὑποσχέσει τὸ ἱκανὸν ποιοῦντας, καὶ δι' ὑπομνήσεως βεβαιῶσαι τὰ πεπραγμένα. συναινοῦμεν οὖν αὐτοῖς τὰ πεπραγμένα ὑπομνήματα.

Ἑρμηνεία τῆς καθέδρας.

Φίλιππος πρεσβύτερος, καὶ πρεσβευτὴς τῆς ἀποστολικῆς καθέδρας, τοῖς ὑπομνήμασιν ὑπέγραψα.

Ἀρκάδιος ἐπίσκοπος, καὶ πρεσβευτὴς τῆς ἀποστολικῆς καθέδρας, τῇ ἐξενεχθείσῃ ἀποφάσει κατὰ Νεστορίου, τοῦ αὐθέντου τοῦ σχίσματος, καὶ αἱρέσεως, ἁπάσης βλασφημίας, καὶ ἀσεβείας, ὑπέγραψα.

Προέκτος ἐπίσκοπος, καὶ πρεσβευτὴς τῆς ἀποστολικῆς καθέδρας, τῇ δικαίᾳ κρίσει τῆς ἁγίας ταύτης, καὶ οἰκουμενικῆς, συνόδου, καθὼς ἐν τῶν πεπραγμένων ἐμάθομεν, κατὰ πάντα ἐξακολουθῶν, τῇ καθαιρέσει τοῦ ἀσεβοῦς Νεστορίου ὑπέγραψα.

A tholicam confirmata est, suæ hæreseos peruersitatem inuehere ausus fuerit; propterea & ego quoque auctoritate legationis Apostolicæ Sedis, vna cum fratribus sententiæ executor existens, definio memoratum Nestorium, veritatis inimicum, Fideiq. corruptorem, tamquam ijs, de quibus accusatus est, obnoxium, à gradu Episcopalis honoris, & ab omnium præterea sacerdotum orthodoxorum communione remotum esse.

Cyrillus Episcopus Alexandriæ dixit: Quæ Arcadius & Proiectus, sanctissimi pijssimiq. Episcopi, necnon Philippus religiosissimus Romanæ Ecclesiæ presbyter deposuerint, perspicue sancta Synodus percepit. Deposuerunt enim, supplentes locum Sedis Apostolicæ, totiusq. Synodi sanctissimorum, Deoq. dilectissimorum Occidentalium Episcoporum. Quare cum ea, quæ à Cælestino sanctissimo, Deoq. dilectissimo Episcopo decreta iam fuerant, executi sint, sanctæq. Synodi, quæ in hac Ephesiorum metropoli conuenit, sententiæ contra hæreticum Nestorium latæ adstipulati sint; consequens est, vt eorum quæ hesterno, hodiernoq. die acta sunt, commentarij superioribus actis attexantur, ipsorumq. pietati offerantur, quò propria obsignatione, vt moris est, planam faciant ac manifestam cum omnibus nobis canonicam assensionem.

Interpretatio depositionis.

Arcadius reuerendissimus Episcopus, & Romanæ Ecclesiæ Legatus dixit: Iuxta sanctæ huius Synodi acta, non possumus eorum doctrinam nostris subscriptionibus non confirmare.

Sancta Synodus dixit: Cum Arcadius & Proiectus reuerendissimi, religiosissimiq. Episcopi & Legati, & Philippus presbyter & Apostolicæ Sedis Legatus, consentanea sint loquuti, consequens est, vt promissis suis satisfacientes, etiam subscribendo acta confirment. Proinde actorum commentarij ipsis exhibeantur.

Interpretatio depositionis.

Philippus presbyter, & Apostolicæ Sedis Legatus, commentarijs subscripsi.

Arcadius Episcopus, & Apostolicæ Sedis Legatus, sententiæ in Nestorium, schismatis & hæresis, omnisq. blasphemiæ & impietatis auctorem pronuntiatæ subscripsi.

Proiectus Episcopus, & Apostolicæ Sedis Legatus, iusto sanctæ huius & œcumenicæ Synodi iudicio, prout ex actis edocti sumus, per omnia assentiens, impij Nestorij depositioni subscripsi.

EXEMPLVM RELATIONIS de Episcopis & Legatis, qui ab vrbe Roma venerunt, quam sancta Synodus per Eutychen diaconum ad pijssimos Imperatores misit.

Pijssimis, Deoq. dilectissimis Theodosio & Valentiniano, victoribus, triumphatoribus, semper Augustis, sancta Synodus, quæ gratia Christi, vestræq. maiestatis nutu in Ephesiorum metropoli congregata est.

VEstram, Christianissimi Imperatores, erga pietatem curam & studium, vniuersorum Deus gratum acceptumq. habens, etiam sanctorum Occidentalium Episcoporum animos zelo, vt Christum contumelia affectum vindicarent, excitauit. Nam licet maximum itineris spatium vniuersam illam sanctissimorum Episcoporum multitudinem ad nos peruenire prohibuerit; attamen illis in locis simul congregati, Cælestino sanctissimo pijssimoq. magnæ Romæ Episcopo etiam præsente, & nunc nostram de Fide sententiam magno consensu prædicarunt, eosq. qui diuersa sentiunt, ab omni prorsus sacerdotij sorte, graduq. alienos esse definierunt. Et hæc quidem etiam antequam sanctissima hæc Synodus conueniret, Cælestinus sanctissimus magnæ Romæ Episcopus per litteras suas indicauerat, Cyrilloq. sanctissimo, Deoq. dilectissimo magnæ ciuitatis Alexandrinæ Episcopo, vt suas vices subiret, commiserat. Sed & nunc denuo alijs etiam litteris, sanctæ Synodo, quam vestra maiestas in Ephesiorum metropoli conuenire præcepit, hæc significauit. Misit autem has litteras per Arcadium & Proiectum sanctissimos Episcopos, & Philippum religiosissimum presbyterum magnæ Romæ, qui Cælestini sanctissimi, Deoq. dilectissimi Episcopi præsentiam supplent. Quia ergo viri isti qui venerunt, totius Occidentalis sanctæ Synodi sententiam nostræ huic Synodo per litteras exposuerunt, sensumq. de Fide & pietate nobis consonum declararunt, & eadem quæ nos, decreuerunt, tum per litteras, tum per ea quæ in mandatis acceperant, quæ & in scriptis deposuerunt; necessario, quod officij ratio postulabat, de consensu illorum nobiscum ad maiestatem vestram retulimus; vt pietati vestræ certo constet, iudicium quod paulo ante à nobis exijt, esse vnam communemq. totius terrarum orbis sententiam: quam quoque vester circa Fidem & pietatem zelus aperte docendam ac patefaciendam curauit. Cum itaque negotium hoc, finem maiestati vestræ peroptatum, ecclesijsq. omnibus tutissimum, & Fidei firmitatem afferentem, iam acceperit; rogamus vestram pietatem, vt ab hac curâ & peregrinatione nos tandem

SANCTAE SYNODO GRATIA DEI, pientiſſimorumq. & Chriſtianiſſimorum Imperatorum decreto in hac Epheſiorum metropoli congregatae, Cyrillus Alexandrinorum, & Memnon Epheſiorum Epiſcopi.

Rogauimus autem clericos illos eiuſmodi verbis: Miſſi ſumus à ſancta Synodo, vt ad reuerendiſſimum Ioannem Epiſcopum mandata quædam deferamus; quare dignemini de aduentu noſtro illum certiorem facere. Cum autem interrogaremus, à quo exauctorati & excommunicati eſſemus; reſponderunt: A Ioanne Epiſcopo Antiocheno. Cũ vero iterum miſiſſemus, vt exactius aliquanto de illius ſenſu nobis conſtaret, dixerunt: Vel coram tabellionibus hæc dicere non recuſamus.

Timotheus Termeſi & Eudociadis Epiſcopus dixit: Sicut pietas veſtra mandarat, ad reuerendiſſimi Epiſcopi Ioannis domum nos contulimus. A Eustathius Docimij Episcopus dixit: Secundum iussionem sanctitatis vestræ deuenimus ad domum, in qua manet reuerendissimus Episcopus Ioannes Antiochenus; ibiq. clericos inuenimus, quos rogauimus, vt nuntiarent, oportere nos eumdem reuerendissimum Ioannem conuenire, eaq. quæ à sancta hac Synodo ipsi significabantur, exponere. Quæ quidem ſanctæ Synodo à veſtra maieſtate præſcripta fuerant, ea iam finem conuenientem ſortita ſunt; veſtræq. pietati id indicauimus. Quin & Apoſtolicam Fidem, quam trecenti decem & octo Patres Nicææ olim congregati expoſuerũt, manifeſtam veſtræ pietati exhibuimus, & Neſtorium illi contraria ſentientem à ſacerdotali functione amouimus, & à licentia prædicandi ſuam impietatem. Quoniam vero pauci quidam Neſtorio adhærentes, doctrina illius iam ante deprauati, alios quoque criminibus obnoxios ſibi adſciuerunt, adiuncto etiam ipſis reuerendiſſimo Ioanne Epiſcopo Antiocheno, vel propter cõtentionis ſtudium, vel propter humanam amicitiam; omnesq. triginta tantum; prius ſeſe ſynodum appellarunt, quàm de ijs criminibus ſe expurgaſſent, de quibus quiſque accuſabatur; (quaſi vero veſtra pietas duas, & non vnam Synodum, quæ & Euangelicam Fidem confirmaret, & eos qui peruerſa ſentirent, ab Eccleſiaſticis miniſterijs amoueret, conuenire iuſſiſſet) ſed, vt diximus, pauci illi ſupradicti antequã rationem de ijs, de quibus accuſabantur, redderent, ſeſeq. expurgarent, inter ſe coëuntes, inſaniæq. ſuæ Ioannem reuerendiſſimum Antiochenę eccleſiæ Epiſcopum adiutorem adſciſcentes (qui & ipſe quoque propter cunctationem ſuam, ſicut ex quorumdam rumore accepimus, metuebat, ne reus ageretur;) præter omnem Eccleſiaſticum ordinem, præterq. Canones, contra eccleſiaſticam & ſanctam Synodum, & contra caput ſanctiſſimorum Epiſcoporum hic congregatorum, Cyrillum ſcilicet, ſanctiſſimum Alexandriæ Archiepiſcopum, & Memnonem Epiſcopum Deo dilectiſſimum, blaſphemiam, depoſitionis contumeliam, vt exiſtimant, in ſe continentem, per audaciam protulerunt; cum nemo illos antea apud eos accuſaſſet; neque accuſatorem expectaſſent, nec ad iudicium vocaſſent: ſed cũ contumeliam hanc ante iudicium, & cauſæ examinationem ſcripto comprehenſam euomuiſſent, rationi adeo diſſentanea ad maieſtatem veſtram auſi ſunt referre; quaſi vero pietas veſtra vnam tantum œcumenicam Synodum eſſe neſciret; neque paucorum criminoſorũ hominum factioſam coitionem, quiq. pœnarum metu à ſancta Synodo ſe diſtraxerint, ſynodi nomine appellari non poſſe intellexiſſet. ſed cum forſitan deeſſet, quo ſe, de quibus inſimulabantur, purgarent, paucosq. numero ſe eſſe animaduerterent, veriti, ne conuicti pœnam ſubirẽt, anteuertentes inſolenter egerunt, illudq. facere cenſuerunt, quod ſeſe, ſi rei deprehenderentur, perpeſſuros non dubitabant. At hoc veluti ſtolidum, ac rationi diſſentaneum, viſum eſt nobis deſpicientia dignum. Sed quia ſuam illam abſurdiſſimam veſaniam ad maieſtatem vſque veſtram referre auſi ſunt, idq. quod contra leges & Canones, omnemq. Eccleſiaſticum ordinem perpetrarunt, veſtræ pietati ſignificare veriti non ſunt: propterea inſanum illorum impetum amplius non diſſimulauimus; verum, Canonum formam iterum ſequentes, reuerendiſſimum Antiochiæ Epiſcopum Ioannem, qui vna cum alijs in prædictos [Epiſcopos] tanta auſus fuit, accerſiuimus. Neque enim illi, cum & pauci, & criminibus obnoxij eſſent, in tantam vecordiam procedere auſi eſſent, niſi reuerendiſſimi eccleſiæ Antiochenæ Epiſcopi Ioannis temeritate confiſi fuiſſent. Cum itaque conueniſſemus, ac libelli à Cyrillo ſanctiſſimo, Deoq. dilectiſſimo Archiepiſcopo, & Memnone pijſſimo coepiſcopo nobis oblati fuiſſent, memoratum Ioannem accerſiuimus, quò vel nũc ſaltem querelam proferret, qua motus, in tantam contra primos ſanctæ Synodi contumeliam prolapſus eſſet. Atqui ſemel & iterum, & tertio itidem, vt cauſam diceret, accerſitus (quòd probabilem rationem non haberet, qua temeritatem ſuam tueri poſſet) Synodo ſe ſiſtere detrectauit; militibus vero & armis domum, in qua diuerſabatur, circumſepiẽs, neque ſanctiſſimos Epiſcopos à Synodo miſſos ſuſcepit, neque ſanctiſſimã Synodum congregatam reſponſo competenti dignatus eſt. Vnde cum animaduerteremus, ipſum cauſæ ſuæ defenſioni diffidere; quæ temere, vaneq. fuerant nugati, & contra omnem Canonum ordinem aduerſus Cyrillum ſanctiſſimũ Archiepiſcopum, & aduerſus Memnonem pijſſimum coëpiſcopum noſtrum ſcripto mandauerant, ea irrita, & prorſus vana eſſe iudicauimus. Etenim iudicium, quod lege & iuſtitia nulla ex parte nititur, aliud nihil eſt, niſi merũ conuicium. Quam ob rem cũ & ipſe, & reliqui quoque, quos ſecum habet, vſqueadeo illegitime inordinateque, & præter omnem Eccleſiaſticum ſtylum egerint, decreuimus eos tantiſper excommunicationi ſubiacere, (abſurdam eorum temeritatem coërcentes) donec comparentes, de his quæ temerarie & inſolenter admiſerunt, ſe purgent coram ſancta Synodo.

Hæc autem noſtra decreta ad veſtram pietatem neceſſario perſcripſimus; quam obnixe quoque rogamus, ne hominum criminibus obnoxiorum conuenticulum, ſynodus eſſe iudicetur. (nam & olim in ſancto & magno illo trecentorum decem & octo apud Nicæam congregatorum Concilio nonnulli reperti ſunt, qui cum pœnas ab illo irrogandas vererentur, ſe à ſancta & magna illa Synodo ſeparauerunt: nec tamen illi à magno & ſancto Imperatore Conſtantino Synodi loco habiti

sanctis metropolitanis Episcopis, viris sane illustribus, maximaq. pietate & eruditione præditis differens, ausus sit dicere: Equidem bimestrem, aut trimestrem Deum non confiteor: aliaq. his multo deteriora dixit.

Hæresim igitur vt impiam ac scelestissimam, quæq. sanctissimam nostram religionem euerteret, vniuersamq. mysterij dispensationem vel ab ipsis fundamentis dirueret, ad eum quem iam diximus modum demoliti sumus. Ceterum fieri non potuit, vt par erat, quin illi, qui Christum ex animo diligebant, & pro Domino zelabantur, multas experirentur difficultates. Etenim fore sperabamus, vt reuerendissimus Ioannes Episcopus Antiochenus Synodi diligentiam & pietatem laudaret; tardamq. Nestorij depositionem vitio fortasse nobis verteret. Verum hæc spes longe nos & omnino fefellit: secus enim euenit. Compertus est namque aduersarius & infensissimus tum sanctæ Synodo, tum rectæ Ecclesiarum Fidei, sicuti res ipsæ declarant. Nam simulatque Ephesum ingressus est, antequam puluerem ex itinere contractum excussisset, pallio nondum exutus, congregatis quibusdam, qui cum Nestorio simul recesserant, & blasphema verba in suum caput loquebantur, & gloriæ Christi tantum non illudebant, ac veluti collecto collegio hominum circiter triginta numero, qui nomen habebant Episcoporum (ex quibus alij erant extorres, otiosi, ecclesijsq. carentes: alij quoque ante multos annos ob graues culpas à suis Metropolitanis depositi: cum ipsis etiam Pelagiani, & Celestiani, ac nonnulli de ijs, qui ex Thessalia eiecti fuerunt;) rem ausus est impiam, qualem nemo ante illum ausus est vmquam. Etenim priuatim scriptum quoddam confecit, depositionisq. nomen & contumeliam impegit sanctissimo ac religiosissimo Cyrillo Alexandrinorum Episcopo, & pientissimo fratri nostro & comministro Memnoni Ephesiorum Episcopo; idq. nobis omnibus insciis, immo ne ipsis quidem, qui iniuriam hanc perpessi sunt, quid ageretur, aut quam ob causam hoc ausi essent, intelligentibus: sed, perinde ac si Deus non indigneturur ob ista, neque sint Ecclesiastici canones, neque futurum sit, vt propter hanc audaciam periculum subeant; excommunicationis nomine etiam vniuersæ Synodo contumeliam faciunt. Neque his contenti, hæc scripto publico mandata proposuerunt legenda quibuslibet, theatri parietibus affigentes, vt suæ impietatis spectaculũ exhiberent. Sed nondum his finibus constitit ipsorum audacia; sed præterea, quasi canonicum quiddam gessissent, ad pijssimorum, Christiq. amantium Imperatorum aures talia deferre non dubitarunt.

His ita transactis, sanctissimus, Deoq. dilectissimus Cyrillus Alexandrinus Episcopus, & pijssimus Memnon Ephesiorum ciuitatis Episcopus, libellos composuerunt, compositosq. Ὁ μακάριος προφήτης Δαυὶδ τοὺς ἐπὶ θεῷ πεποιθότας, [a] διπλοκάρδιους ὀνομάζει, λέγων· ἀνδρίζεσθε, καὶ κραταιούσθω ἡ καρδία ὑμῶν, πάντες οἱ ἐλπίζοντες ἐπὶ κύριον. τὰ μὲν γὰρ ἐν τοῖς ἀγαθείοις φυτὰ τῆς ἀφθονωτάτης τῶν ὑδάτων ἐπιῤῥοαῖς αὔξεται, καὶ τίθηλε, καὶ εἰς ὕψος αἴρεται μέγα· ψυχὴ δὲ ἀνδρὸς τῆς τοῦ ἁγίου πνεύματος ἀγαθαῖς παρακλήσεσιν [a] ἀνδρίζεται πρὸς ἀρετὴν· βεβαιοῦται πρὸς πίστιν· ἄθραυστον δέχεται τὴν ὑπομονήν· διὸ δὴ μάλιστα πασῶν τῶν ἄλλων ἀρετῶν ὁ μακάριος Παῦλος πρωτεύειν αὐτὴν φησίν· οὐ μόνον δέ, ἀλλὰ καὶ καυχώμεθα ἐν ταῖς θλίψεσιν, εἰδότες, ὅτι ἡ θλῖψις ὑπομονὴν κατεργάζεται· ἡ δὲ ὑπομονὴ δοκιμήν· ἡ δὲ δοκιμὴ ἐλπίδα· ἡ δὲ ἐλπὶς οὐ καταισχύνει. ἔστι τοίνυν ἡ ὑπομονὴ πάντας ἡμῖν ἀγαθοῦ παρέχεσθαι, καὶ παρασκευάζειν, ὁδὸς οὖσα εἰς δοκίμησιν, τροφὸς ἐλπίδος, τῆς εἰς αἰῶνα τὸν μέλλοντα. κατορθώσωμεν δὲ τὴν ὑπομονὴν τίνα τρόπον; ἡ θεία διδάσκει λέγουσα γραφή· τέκνον, εἰ προσέρχῃ δουλεύειν τῷ κυρίῳ, ἑτοίμασον τὴν ψυχήν σου εἰς πειρασμόν· εὔθυνον τὴν καρδίαν σου, καὶ καρτέρησον. ἀλλ' ἴσως ἐρεῖ τις· οὐ γὰρ ἦν ἑτέρως δοκιμῆσαι τὸν ἄνθρωπον; οὐκ ἦν δίχα πόνου κατορθοῦν δυνατὸν τὸ ἀγαθόν; οὐδαμῶς, φησὶ· καὶ διὰ ποίαν αἰτίαν; πολλοὶ γὰρ λῃσταὶ οἱ τῆς ἁγίους ἐπιβουλεύοντες, καὶ δεινὸς ὠρὲ αὐτοὺς ὁ πόλεμος. διὰ τοῦτο καὶ αὐτὸς ἔλεγεν ὁ σωτήρ· θλῖψιν ἕξετε ἐν τῷ κόσμῳ, ἀλλὰ θαρσεῖτε· ἐγὼ νενίκηκα τὸν κόσμον. οὕτως, ἐπειδήπερ πολὺς πανταχόθεν τῶν ἁγίων ὁ πόλεμος, ἀντιφέρεσθαι γενναίως ἀναγκαῖον αὐτοὺς ταῖς τῶν πειρασμῶν ἐφόδοις, διαμεμνῆσθαι δὲ τοῦ λέγοντος μακαρίου· μακάριος ἀνήρ, ὃς ὑπομένει θλῖψιν, ἐν πειρασμῷ· ὅτι δόκιμος γενόμενος, λήψεται τὸν στέφανον τῆς ζωῆς, ὃν ἐπηγγείλατο ὁ θεὸς τοῖς ἀγαπῶσιν αὐτόν. βάλλομαι

BEatus propheta Dauid eos qui spem suam in Deum defixam habent, animosissimos ostendit, dicens: Viriliter agite, & confortetur cor vestrum, omnes sperantes in Dominum. Etenim plãtæ, quæ in amœnissimis hortis sunt, vberrimis aquarum fluentis irrigatæ crescunt, ac virescunt, & in magnam proceritatem erigũtur: animus autem humanus Spiritus sancti consolationibus augescit ad pietatem, cõfirmatur ad fidem, & infractam acquirit patientiam, quam beatus Paulus inter omnes alias virtutes potissimum demiratur, ita dicens: Non solum autem, sed & gloriamur in tribulationibus; scientes quòd tribulatio patientiam operatur, patientia autem probationem, probatio vero spem, spes autem non confundit. Omne itaque bonum patientia nobis suppeditat atque conciliat; via est ad probationem, speiq. futuræ vitæ nutrix. At quibus rationibus comparetur, id diuina nos Scriptura edocet. Fili (inquit illa) accedens ad seruitutem Dei, prępara animam tuam ad tentationem; dirige cor tuum; & constans esto. Sed dixerit forte quispiam: Poterat ne homo alia via ad vitam probatam peruenire? poterat ne absque labore bonum consequi? Nequaquam, ait. Cur ita? Nam sancti quàmplurimorum patent insidijs, & atrox vbique bellum eos infestat. Hinc & Saluator quoque aiebat: In mundo tribulationem habebitis: sed confidite, ego vici mundum. Quia ergo multa vndecunque bella aduersus sanctos insurgunt, operæpretium est vt viriliter tentationum insultibus resistant, & discipuli dictum in memoria semper habeant: Beatus, ait, vir qui suffert tentationem; quoniam cum probatus fuerit, accipiet coronam vitæ, quã repromisit Deus diligentibus se. ex antiquorum geſtis aliquod vobis exemplum recenſere, vt ſpiritalis fortitudinis finem pernoſcatis. Babyloniorum tyranni, & qui apud illam gentem regni adminiſtrationem obtinebant, ſemper quodammodo ad crudelitatem, atque ad faſtum & ſuperbiam propenſiores extiterunt: quare humanæ condicionis limites egreſſi, dignitatem, quæ ſummo ſoliq. Deo debetur, ad ſeipſos rapere non dubitabant. Itaque deteſtandus ille Nabuchodonoſor auream ſtatuam erexit: hæc autem cum bene ſonantium inſtrumentorũ clangore celebraretur, mandauit ſubditis populis vt illam proni adorarent. Illi vero (quippe quibus vſitatum eſſet creaturam potius quàm creatorem Deum colere) promptiſſime ad id proruerunt, & mutauerunt gloriam incorruptibilis Dei in ſimilitudinem imaginis corruptibilis hominis. Poſteaquam vero Babylonij Hebræorum filios, Ananiam videlicet, Azariam & Miſaëlem, in medium produxiſſent, auream ſtatuam adorare iuſſerunt; genusq. illud nobiliſſimum, ac Deo amabile ad eamdem impietatem, qua ipſi tenebantur, delabi compellebant, nempe ad aureæ ſtatuæ adorationem. Sed nihil quidem promouerunt. At vero illorum pietate victi ac ſuperati, incendij cruciatum illis intulerunt. Crimen autem, quod violenter circumuentis imponebatur, erat firmitas in fide, conſtantia in pietate, humanæ culturæ deteſtatio, denique ea nolle ſapere, quæ diuinam naturam iniuria afficerent. At poſteaquam in caminum ignis proiecti ſunt, tunc ſane, tunc magna ineffabilis potentiæ accidit demonſtratio. Etenim elementi vis demutata eſt in id quod præter ſuam naturam erat; ignisq. creatoris nutui ceſſit, & flamma in ventum roris ſibilantem conuerſa eſt. Cum autem adoleſcentuli illi cæleſtis auxilij præſentiam animaduertiſſent, in ignis camino pſallebant, diuinisq. laudibus flammarum æſtum ſedabant. Caminus ille figura erat Eccleſiæ, quæ ſanctos habet choris tripudijsq. exultantes; nec homines tantum, verum etiam Angelos. Virorum iſtorum obſtupuiſti virtutem, laudaſti patientiam, pietatis magnitudinem commendaſti: ſpectemus nunc quo loco res noſtræ ſint conſtitutæ. Illi quidem ſub tyrannis barbaris degebant: nos vero ſub pij imperij ſceptris, illos pijſſime affectos habentes, qui omnium rerum obtinent principatum; quomodo inimicis noſtris cedemus? Nam etſi illi inſidiarum caminum accendunt, peruerſitatisq. flammas exſuſcitant, hominis culturam nobis inducentes: attamen Deum habemus in cælo; ipſum colemus, proniq. adorabimus. etenim cum Deus natura ſit, factus eſt homo nobis ſimilis; non quidem diuinitatem amittens, ſed humanam naturam honore eucheus; potens eſt eripere nos. Nos enim pijſſimorum Imperatorum noſtrorum fidem ſequuti, ingentiq. ipſorum manſuetudine freti, aduerſariorum improbitatem non feremus, & Emmanuelem Deum eſſe natura profitebimur. Quandoquidem ſi id prædicauerimus, enumq. in modum affecti fuerimus, plurimam conſequemur remunerationem. Et qualis hæc eſt? Ipſemet Chriſtus nos edocet. Ait enim: Omnis ergo quicum-

Poſtea vero, cum competenter reſpondiſſemus, pietatis veſtræ placitum hac de re expectari oportere, atque hæc etiam bis

Imperatorem abſolutionem vti ſuiſſe indicare videntur.

Omnia hæc mera mendacia ſunt, & calumniæ impoſturæ.

Schiſmatici ad Synodum ita tum, comparere se non ſunt auſi, vt ipſimet fatentur.

bis & ter dixiſſemus; pietatis ſanctiones pro nihilo ducentes, functionem ſacerdotalem, vt ſibi perſuadent, illis reſtituerunt: idem moliti, ac ſi quis, cum ipſe ſit ligatus, neque ſemetipſum à vinculis expedire valeat, alium tamen ſoluere conetur. Nam ſi Memnonis & Cyrilli depoſitio à nobis facta, valida non fuiſſet; nec libellos exhiberi, nec depoſitos abſolui, quod ipſi putant, oportebat. Sin autem ea exauctoratio vere iuſta legitimaq. fuit, vt revera fuit; horum quoque excommunicatio, perinde ac depoſitio, iuſta validaq. exiſtet. ab ijſdem enim hæc & illa manauit. Hæc cum ita ſe habeant, quomodo excommunicationis vinculis innodati, & omni ſacerdotali functione priuati, depoſitis ſacerdotij miniſterium reſtituere potuerunt? idq. maioribus quoque ſeſe inuoluentes criminibus? Quippe excommunicati cum eſſent, communionem temere attentarunt, & cum depoſitis, etiam ante ridiculam illam abſolutionem, contra iura communicauerunt. Rogamus itaque Maieſtatem veſtram, ne Eccleſiaſticas leges proculcatas neglectui habeat; ſed vt Fidem impugnatã, quàm celerrime vindicet; nobisq. inſidijs appetitis (nã ſexcenta mala, eaq. extrema, minantur) ſuccurrat, & hinc liberatos ad regiam ciuitatem euocet; vt corã pietate veſtra illorum iniquitatem & impietatem redarguamus. Perſuaſum enim habemus, fieri non poſſe, vt legitimo ordine, quæ propoſita ſunt, conſtituantur, niſi veſtræ Maieſtatis auctoritas intercedat. Quòd ſi hoc ſerenitati veſtræ non probatur, ſupplicamus Nicomediam accerſiri, vt expedite, quæ acta ſunt, dominationi veſtræ ſignificemus, veſtræq. pietatis ſanctiones accipiamus. Obſecramus etiam celſitudinem veſtram Chriſto dilectã, vt cum quolibet Metropolitano duo dumtaxat religioſiſſimi Epiſcopi conuocentur. Nam multitudo ad dogmatum quidem inquiſitionem ſuperflua eſt, ſolum vero nouit excitare tumultus. Quamobrem & ſupra memorati multitudine ſtipati venerunt, hac ſola cõfidentes, non autem veritate, aut dogmatum rectitudine: atque hoc vnum ſtudẽt, vt hominum turba quod volunt efficiant, ſubſcriptionumq. multitudine animos fallaciter occupent. Nos vero veſtro edicto obſequentes, & paucos quoſdam ad dogmatũ examinationem plus ſatis futuros arbitrantes, tres tantũ ex qualibet prouincia huc acceſſimus, veſtræq. pietatis decreta perpetuo obſeruantes, pijſſimos Epiſcopos iſtuc non amandauimus, vt fecerũt illi, qui omnia facile audẽt; ſed quæ oportuit, per litteras ſignificauimus: hoc vnum ob oculos verſantes, ne pijs veſtris decretis obſiſtamus. Ad hæc pietatem veſtram obnixe obteſtamur, vt omnibus præcipiat, vt Fidei in ciuitate Nicæna expoſitæ (quam huic quoque epiſtolæ noſtræ præpoſuimus) ſubſcribant; nihilq. peregrinum ipſi adſuant, neque Dominũ noſtrum IESVM Chriſtum purum hominem eſſe dicant: nam & Deus perfectus eſt, & homo perfectus: neque Chriſti Deitatem patibilem inducant: vtrumque enim æque temerarium eſt.

Schiſmatici Synodũ Conſtantinopolim aut Nicomediam dolo ſe transferri effingunt.

Schiſmatici damnatorum ſuam vbi obſe ex ſimulatione, orthodoxorum multitudinem in contemptum adducere ſtudent.

Sed tamen alios ſubornaſſe, qui multo plus poterant, quàm veri ſchiſmatici Epiſcopi.

Cum autem non parum téporis propter turbas à Cyrillo & Memnone excitatas in caſſum fluxiſſet, ſecundisq. ac tertijs deſtinatis pientiſſimorum Chriſtiq. amantiũ Imperatorum noſtrorum litteris præceptum eſſet, vt Dei Eccleſię, quæ vbique ſunt, pacis vinculo coniungerentur, necnon in Fidei expoſitione, quam beati Patres apud Nicænam ciuitatẽ ediderant, acquieſcerent, exortis videlicet ſcandalis è medio ſublatis, conati ſumus Epiſcopos cum Aegyptij Cyrilli ſententia facientes, hæreticisq. illius expoſitis capitibus adſtipulatos, inducere, vt [capita] illa orthodoxæ Fidei aperte repugnantia condemnarent, & expoſitione Nicæna contenti eſſent, iuxta Chriſtianiſſimorum Imperatorum noſtrorum ſanctionem. Verum cum hoc illis (quòd nimirum peruerſa opinio animos illorum præoccupaſſet) perſuadere nõ poſſemus; nos ſanam Patrum Fidem ſectantes, nihilq. extraneum illi admiſceri patientes, hanc noſtram confeſſionem in ſcriptis exponere, ſubſcriptionibusq. confirmare compulſi ſumus. Horum namque paucorum verborum expoſitio ſufficit cum ad pietatis doctrinam exacte tradendam, tum ad veritatis viam oſtendendam, tum ad redarguendos hæreticæ prauitatis errores & impoſturas. Habet autem ea Fidei expoſitio hunc in modum.

Quomodo de pace cum Synodi Patribus tractarint, quã numquã prodire ausi fuiſſent.

Credimus in vnum Deum, Patrem omnipotentem, viſibilium omnium & inuiſibilium factorem. Et in vnum Dominum IESVM Chriſtum, Filium Dei, natum ex Patre vnigenitum, hoc eſt, ex Patris ſubſtantia: Deum de Deo, lumen de lumine, Deum verum de Deo vero; genitum, non factum, conſubſtantialem Patri, per quem omnia facta ſunt, quæ in cælo, & quæ in terra. Qui propter nos homines, & propter noſtram ſalutem deſcendit, & incarnatus eſt, & homo factus: paſſus eſt, & tertia die reſurrexit, & aſcendit in cælos, ſedetq. in dextera Patris: & venturus eſt iudicare viuos & mortuos. Et in Spiritum ſanctum. Qui autem dicunt: Erat aliquando, cum non erat, & antequam naſceretur, non erat, quòdq. ex nihilo, aut ex alia ſubſtantia, aut eſſentia factus eſt; quiq. Filium Dei vertibilem, aut alterabilem eſſe aſſerunt; eos anathematizat catholica & Apoſtolica Eccleſia.

Hæc

Fidei Nicænæ Symbolum facit contra omnes hæreſes.

Hæc eſt Fides, quam Patres expoſuerunt; in primis quidem contra Arium blaſphemantem,& Filium Dei creaturam eſſe dicentem; tum vero contra omnem hæreſim Sabellij, Photini, Pauli Samoſateni, Manichæi, Valentini, Marcionis, & contra omnem hæreſim, quæ aduerſus Eccleſiam catholicam ſeſe erexit: quos etiam Epiſcopi illi,qui trecenti decem & octo numero in ciuitate Nicæa olim conuenerant,condemnarunt. In hac Fidei expoſitione nos omnes conquieſcere confitemur; in hac perſeueramus, qui hic Epheſi conuenimus,& qui in prouincijs noſtris degunt religioſiſſimi Epiſcopi,aſſenſum præbentes omnibus his,quæ à nobis agentur. Sapientis enim conſilio morem gerimus. Ne transferas,iniquit,terminos æternos, quos poſuerunt patres tui. Ceterum capita, quæ hæretico ſenſu imbuta Cyrillus Alexandrinus nuper expoſuit, quibusq. nonnullos ſuperuacaneos & ſtolidos anathematiſmos attexuit,& quæ Epiſcoporum calculo,ac ſubſcriptione corroborare conatus eſt, illa ſancta Synodus Epheſi congregata explodit,& ab orthodoxa Fide aliena eſſe decernit.

IOANNIS ARCHIEPISCOPI Antiocheni, ceterorumq. qui illi adhærebant, relatio reſcripta ad Imperatorem per Palladium Magiſtrianum.

HOc, pij Imperatores, orthodoxæ Fidei præſidium, hoc columen eſt, nimirum omnia ab illis illegitime acta euertere & antiquare, quæ etiam per canonicas ſanctiones iam ante euerſa & antiquata erant; vniuerſaq. Synodo ſimul congregata, primo loco dogmatum examinationem inſtituendam indicere. Sane cum decreta veſtra proxime allata non abſque magna laudum prædicatione legiſſemus, orbem terrarum beatum iudicauimus, cui talibus ſubeſſe ſceptris, taliq. gubernari contigerit imperio. Verũ vt iſta quæcumque mandaſtis, omnem admirationem longe excedunt, Imperatores pijſſimi; ita nobis quoque neceſſario enitendum eſt, vt veſtræ Maieſtati rationem reddamus, cur in Epheſiorum metropoli conſtituti, condemnationis ſententiam in eos

Imperatores ad ſubreptitiam narrationem reſcindendi Concilij acta.

Quomodo hæc confirmatio accipi debeat, ex aliis Imperatorum literis conſtat.

[x] tertiodecimo

Rationem reddit malis mandatis non ſeruatis.

ferre compulſi fuerimus, qui ab ipſo ſtatim exordio veſtra decreta proculcauerunt: qui propriæ conſcientiæ ſtimulis agitati, Arij, Eunomij, Apollinarijq. dogmata contra pietatem confirmare & innouare voluerunt, (inter quos Cyrillus Alexandriæ nuper capita quædam cũ anathematiſmis omni ſuperſtitione referta ad vrbẽ regiam miſit:) qui priuſquam vllam diuinorum dogmatum ſcrutationem attigiſſent, ad odium & inimicitias ſeſe verterunt; nullaq. piarum ſanctionum veſtrarum ratione habita, iniquam adeo ſententiam aduerſus tantã Conſtantinopolis imperatricis ciuitatum ſedem temere proferre non dubitarunt. Quanta autem illorum extiterit inſania, quantaq. eorumdem inſolentia, inde manifeſtum eſt omnibus, quòd etiam ſancta Synodus recto animi ſenſu, diuinoq. zelo permota, & ſanctis Eccleſijs conſulens, condemnationis ſententiam in eos qui ſuo iam ante iudicio condemnati erant, protulerit, nihil culpabile, (abſit) vel temerarium, quod quiſpiam dixerit, hac in re committens; ſed pietati, quæ in periculum adducta videbatur, ante omnia proſpiciens. Atque hæc actorum noſtrorum apud Maieſtatem veſtram iuſtiſſima ſit ratio. Neque enim aut gratia, aut odio ducti ſumus; ſed hoc vnum ſpectauimus, vt piam Fidem fluctuantem ab ijs quaſi in ſalutem vindicaremus, qui ſcripta ſua in ſummam illorum contumeliam & labefactationem munire ſtuduerunt, quæ Petrus profeſſus eſt, quæ de Deo locutus eſt Ioannes, quæ Matthæus, & alij Euangeliſtæ prædicarunt, quæ Paulus ſpiritu ſuggerente docuit; quæ omnes orthodoxi vbique terrarum prædicatione diuulgantes, piã Fidem plantauerunt. Quare veſtram pietatem, maieſtatemq. in orthodoxa doctrina educatam, obnixe rogamus, vt hanc orthodoxam Fidem retineat firmiter, ac propugnet, & incolumem conſeruet, tamquam in his ſummæ rerum ſpes nobis poſita ſit. Nos autem & antea & nunc quoque animo parati ſumus, iuxta pietatis veſtræ decreta, neque ad dextram neque ad ſiniſtram (quemadmodum diuina Scriptura loquitur) declinare. Nam cum omne Maieſtatis veſtræ ſtudiũ ad pietatem intendat; illi quidem qui paruerint, à vobis ipſis laudem, à Deo autem commendationem reportabunt: ceteros vero, qui nouitatibus dant operam, ſibiq. imaginariam quamdam tumultuationem potentiam, perinde ac illi qui bene temperatis Rebuſpub. tyrannidem inducunt, comparare ſtudent, iuſtam ignominiam, tamquã iuſti regiminis corruptores, veſtrarumq. denuntiationum temerarij contemptores incurrent. Quapropter, ne turbatio, aut aliqua tumultuatio Concilium infeſtet, veſtra Chriſti amans celſitudo decernat, vt duo tantum cuilibet Metropolitano adſint: nam & nos pietatis veſtræ litteris obſequuti, duos adduximus; cum tamen, ſi quidẽ multitudine opus fuiſſet, plurimos egregie in diuinis dogmatibus inſtitutos, nec vlla ratione cũ imperita diuinarum rerum Aſiaticorum & Aegyptiorum turba conferendos, nobiſcum habere po-

Cyrilli capita eorum oppoſitum euidenter oſtendunt.

Quàm falſa ſint hæc omnia & commentitia, Concilij acta demonſtrant.

Neque Concilium condemnationis ſententiam tulit, ſed Conſtantinopolim, atque hoc ipſum adhuc nullo ferme modo ordine.

Impudentiſſime mentiuntur, & calumniantur.

Summa impudentia Imperatricibus adulantur, ac ſuũ officium expellunt.

Deut. 5. d. 32.

Fruſtra ſtudiũ veſtrum ineſſe: nam id non iam ante decretũ erat, & à ſancta Synodo diligenter obſeruatum.

Vide quanto contemptu de Concilio Pontificij inquantur temerarij ſycophantæ.

A potuiſſemus. Niſi enim hoc ſtatuatur, fieri non poteſt, quin aliqua rurſus oriatur confuſio: ſiquidem quinquaginta ſunt Aegyptij, ſub Memnone tyrannidis duce quadraginta Aſiatici, duodecim item ex Pamphylia hæretici Meſſalianitarum nomine appellati; præter alios eidem Metropolitano adhærentes, & alios à ſynodis vel ab Epiſcopis diuerſis in locis excommunicatos & depoſitos: qui ſane omnes aliud nihil ſunt, quàm hominum turba diuinorum dogmatum penitus neſcia, & ad tumultus ſeditionesq. nata. [e] Ὁμολογῶ [e] ἐμοὶ νῦν ἐγένετο ἐπιστεῖλαι πρὸς τὴν ὁσιότητα ὑμῶν, καὶ τῶν γραμμάτων δοῦναι, οἷον ἐβουλόμην, ἀφικέσθαι· ἵνα τὰ ὑπὲρ τῆς προκειμένης E ἐκβάσεως, διὰ τῆς χάριτος τοῦ [f] Χριστοῦ, γνωρίσω τῇ σῇ θείᾳ ὑμῶν διαθέσει· ἤλθομεν γὰρ εἰς τὴν βασιλεύουσαν πόλιν, τρεῖς μετὰ τῶν Αἰγυπτίων προλαβόντων ἡμέρας· ὅσους δ' λοιπὸν ἐδόξης, καὶ παρ' αὐτῷ ὑπάρχειν [g] τῶν ἐπὶ τοῦ ἰδίου, μετὰ πάσης ἀσφαλείας· προεισελθόντες γὰρ οἱ βλάπτοντες, καὶ πᾶσι προσφόρως, καὶ καταλλήλως χρησάμενοι, ἀρκεῖ γὰρ πολλῶν εἰπεῖν, πάντων, ὡς εἰπεῖν, τὰς ἀκοὰς προκαταλαβόντες, τοὺς μὲν τῇ ψευδολογίᾳ, ὡς ἔτυχον, δελεάζοντες, τοὺς δὲ καθ' ἡμῶν τῇ συκοφαντίᾳ [h] προσσίζοντες· ἅπαντας δὲ κοινῇ.

Venimus enim in regiam ciuitatem triduo poſt Aegyptiorum aduentum. At vero quot in ipſo mox aditu pericula ſim perpeſſus, id nec oratione explicari facile eſt, nedum epiſtola repreſentetur. Nam optimi illi viri ante me [ciuitatem] ingreſſi, omnibusq. commode & ex voluntate vſi, (tantum enim dixiſſe ſatis ſit) omnium fere aures præoccuparunt; alios quidē mendacijs temere decipientes, alios confictis in nos calumnijs inſtigantes, omnes denique publi-

ce priuatimq. ea ratione in ſuam ſententiam alicientes, vt etiam magni principes, quiq. auctoritate ac dignitate pollebant, vel diuerſa in rebus bellicis munia obibant, perſuaſi eſſent, examinatione, quam oportuit, adhibita, iudicioq. conſecuto, & omnibus pijſſimis ſimul Epiſcopis vnam eamdemq. ſententiam proferentibus contra eũ (quẽ tamen indicta cauſa condemnarunt,) mirabilem illam depoſitionem eſſe factam. Sane Scholaſticio cubiculario magnificentiſſimo, Chriſtiq. ſtudioſo firmiter perſuaſerant, Neſtorium Epheſi ne audire quidem vllo pacto ſuſtinuiſſe Deiparæ vocabulum. Verumtamen ob inexpugnabilem veritatis virtutem, veſtrasq. orationes, Dei miſeratione prævalui, idq. ſum conſequutus, vt non ſolum pericula, quæ prima ſtatim fronte, vt dixi, ſe offerebant, euaderem; verumetiam vt magnificentiſſimos principes cõuenirem, vniuerſamq. rerum veritatem, quantum licebat, ipſis explicarem. Qui ſimul atque noſtram relationem acceperunt, omnia quæ Aegyptij fautores per tyrannidem tam in præſentem cauſam, quàm in nos ipſos quoque commiſerant, ad Imperatorum aures referre coacti ſunt. Denique, ne longius ſermonem protraham, cùm multa & ab his qui cum Cyrillo faciebant, & ab illis rurſum qui nobiſcũ ſentiebant, acta & diſputata fuiſſent; placuit vtraque pars, tum ego, quàm Aegyptij, ſui, ſuæq. cauſæ tuẽdæ gratia, præſentibus etiã magnis principibus pijſſimum Imperatorem adiremus, atque ab eo audiremur: quamquam proteſtatus ſum idẽtidem, me nec ea de cauſa adeſſe, nec vlla eiuſmodi mandata à pientiſſimis Epiſcopis accepiſſe; ſed tantum litterarum latorem adueniſſe. Sed profecto ob huiuſmodi verba pæne diſcerptus ſum. quod autem decretum fuerat, abſque vlla cunctatione executioni mandatum fuit. Quare diuina prouidentia etiam tum opem nobis ferente, Auguſtiq. animum ad veritatem dirigente, & re ipſa, quòd cor Regis vere in manu Dei ſit, declarante, aduerſarij damnati ſunt (oportet enim paucis ipſium rei euentum expedire) propterea quòd neque [Neſtorij] depoſitionis commentarios, neque quæ hic per mendacium effutiuerant, vlla ratione defendere poſſent. Quin & illud quoque modis omnibus perſpicuum euaſit, nec recto congruoq. ordine ſeruato Concilium conuocatum fuiſſe ab Aegyptio, nec ei iudicare licuiſſe, cum vnus eſſet ex ijs qui iudicandi erant, neque vllam omnino cauſam contra magnificentiſſimi Comitis Candidiani voluntatem attingere potuiſſe. Etenim omnes eiuſdem magnificentiſſimi Comitis Candidiani denuntiationes & comminationes, ſacra præterea per eum ad Synodum ſcripta, & alia ſimilia, tamquam Imperatore ſemel pro ſua poteſtate in iudicio iubente, recitata ſunt: neque quidquã omnino, quod iniquos illegitimosq. illorũ apud vos auſus ante oculos ponere poſſet, ob veſtras preces omiſſum eſt. Reſtat itaque, vt veritatis hoſtes ab omnibus cõmuni conſenſu damnationis ſententiam ferant, & veſtræ pietatis iudicium probetur & confirmetur;

Sed tamen quod verum erat perſuaſerant.

At iuſtiſſimè damnatum fuiſſe conſtat.

Et hoc veriſſimum erat.

Narrationem hanc mendacium eſſe refertam, ex alijs quæ ſequuntur, clare apparet.

Porro ne conflictus quidam fieret, promiſcue ipſis,conuenientibus,(metuendum enim & hoc erat propter ferociam, quæ neſcio vnde illis acciderat,) ingreſſus ordinem diſtribui. Præſente autem Neſtorio fere cum ipſa aurora,& Ioanne pientiſſimo Epiſcopo,aduenit etiam Cyrillus cum omnibus pientiſſimis Epiſcopis: ſolo autem Memnone abſente, magna turbatio, tumultusq. exoriri cœpit, dicentibus ijs qui cum Cyrillo venerant, Neſtorij, qui ab ipſis depoſitus eſſet, ne aſpectum quidem ferendum eſſe: nihilominus tamen conuenientibus diuinarum ſcripturarum lectionem fieri volebant. Affirmabant autem ij qui Cyrillo fauebant, lectionem diuinarum & terribilium ſcripturarum abſque Cyrillo non habendam, neque præſente Neſtorio, neque his qui ab Oriente venerant, ſanctiſſimis Epiſcopis: & ob hoc magna facta eſt ſeditio,immo prælium & pugna. PRI-

PRIMA SCHISMATICORVM petitio ex Chalcedone ad Imperatorem missa.

ORandum erat, ne à quopiam alio in expositionibus absurdis sermo pietatis adulteraretur, maxime autem, ne ab his qui sacerdotium præfecturamq. Ecclesiarum sortiti sunt, quos nescimus quomodo præsidendi cupiditas & ambitio, frigidæq. promissiones quædam, ad contemnenda semel omnia Christiana mandata induxerunt; idq. hoc solo animo, vt seruiant viro, qui præsumit ac sperat, se & auxilium sibi ferentes, omnia recte gesturos: dicimus Alexandrinum Cyrillum, qui sola nugacitate in sanctas Dei Ecclesias hæretica introduxit dogmata, eaq. confidit se argumentis comprobaturum; & correctionem peccatorũ effugere, solo Memnonis & prædictæ conspirationis Episcoporum ministerio sperauit. Quapropter nos, qui silentium alioqui amamus, & in ceteris philosophice agendum censemus, nunc silentium, & eius sapientiæ studium, Fidei iacturam intelligentes, ad solos vos post supernam virtutem orbis seruatores precando vertimur: quandoquidem scimus, pro pietate sollicitudinem vobis peculiariter conuenire; vtpote ijs, qui vsque in hoc tempus custodierint, vicissimq. per illam custodiantur. Suspensos autem hos libellos offerimus, tamquam coram sanctissimo Deo exhibenda esset nostra excusatio; non quòd pro religione minus alacres fuerimus, sed pietati studentes, & pro ea sermones facientes. Nihil enim est quod Christianorum temporibus sacerdotes magis facere [x] debeant, quàm vt coram tam fideli Rege testimonium ferant, etiamsi parati essemus vitam ac corpora nostra in [z] Fidei discrimine millies exponere. Idcirco propter Deum, qui videt omnia; & per Dominum nostrum IESVM Christum, qui iudicaturus est omnes in iustitia; & per Spiritum sanctum, cuius gratia regnum gubernatis; & per electos Angelos, qui vos custodiunt, quos assistentes videbitis terribili throno, & horrendam illam sanctificationem semper Deo offerentes, quam nunc quidam adulterare nituntur; pietatem vestram, quæ vafricie quorumdam obsidetur, id re ipsa adimentium, & hæretica capita Fidei introducta stabilientiũ, quæ omnino à sanis dogmatibus aliena sunt, & cum hæreticis opinionibus conueniunt; obsecrauimus, vt vel si quis illic subscribat vel consentiat, & post promissam à vobis veniam contendere vltra nolit, præcipias illum in medium venire, & Ecclesiasticis pœnis subiacere, quò pugnare pro pietate melius possis. Nihil enim ò Rex magis regium fuerit, pro quo & cum Persis & alijs barbaris prælia committere festinasti, reddente tibi Christo pulchras victorias pro hac tua in ipsum alacritate. Obsecramus autem, vt fiant apud pietatem tuam quæstiones in scriptis. Sic enim facilius dignoscentur, & in omne posterum tempus reprehendentur peccantes. Si quis autem sermones, pro quibus delinquens fuit, negligens, voluerit per præceptum rectæ Fidei prævalere, tuæ iustitiæ ac iudicij fuerit attendere, num & ipsam Doctorum appellationem abiecerint ij, qui de dogmatibus introducũt, *periclitari grauantur, & prædictis subijci nolentes, vt non redarguantur impie egisse, neque refutare ea digna putantes, vt mutua eorum conspiratio non habeatur inutilis. Iam enim per ordinatos manifestum est, quosdam ex illis pro hac impietate meditatos esse, vt dignitatibus concessis nonnullos demereantur, & alios quosdam modos excogitasse. Et id manifestius obsistet; & videbit eos pietas tua non multo post proditionis suæ mercedem quasi spolia Fidei Christi distributuros. At ex nobis quidam à pientissimo Iuuenali Hierosolymitanorum Episcopo olim ordinati, siluimus; quamuis pro Canonibus certandum esset, ne videremur nostræ gloriæ causa dolere. Et nunc quoque illius studia & præstigias tales per Phœnicen secundam & Arabiam non ignoramus. Sane de illis nobis non vacat curam habere, qui ciuitatibus ipsis, quarum nobis ministerium contraditum, atque adeo vita nostra destitui maluimus, quàm ista pro Fide promptitudine. Verum aduersus illorum conatus, Dei ac vestræ pietatis iudicium opponemus. Nunc autem oramus, vt vna ac primaria pietas curetur, & ne orthodoxæ religionis splendor, qui vix tãdem sub sancti nominis Constantino irradiauit, & per beatissimos auum & patrem vestræ pietatis confirmatus est, à tua autem Maiestate etiam in alias barbaras gentes, & in Persarum gentem prorogatus est, nunc in ipsis regiæ aulæ penetralibus langueſcat, & apud vestram turbetur serenitatem. Non enim duplices in Persidem, ò Rex, mittes Christianismi doctrinas, neque nostra magnum aliquid erunt, nobis discordia laborantibus, nemincq. existente apud illos qui dijudicet: neque quis geminis cõmunicabit verbis & Sacramentis, neque certe pie à tantis Patribus & incondemnatis sanctis desciscet; sed neque regni commoda tribuenda erunt his, qui diuersa inter se sentiunt; neque paruus inde [x] vsus pietatis hostibus excitabitur; & innumera alia malignæ contentionis ipsorum quis enumerarit nocumenta? Si quis autem est qui paruifaciat cælestium rationem, talis sit potius quicumque olim, quàm is cui omnem orbis potestatem Dominus dedit. Nostræ autem preces sunt, vt iudicium à tua pietate accipiamus. Mentem enim tuam ad exactam eorum quæ inquiruntur, comprehensionem Deus inducet. Demum si quid nunc prohiberet, (neque enim tuæ pietatis negotia omnia nota esse possunt) petimus à tua serenitate, vt ad propria tuto & feliciter commigrare nobis liceat. Nam videmus ciuitates nobis commissas, ex tali mora non parum offendi propter eos, qui etiam in rebus pijs, vt videtur, contentionem quærunt, nulla inde proueniente vtilitate.

Iniuste persequi Catholicos Patres.

Mirè commentitiam suam modestiam commendat schismatici.

ALTERA EORVMDEM PETITIO è Chalcedone ad Theodosium Augustum missa.

SAepenumero pietatem vestram & per nos ipsos, & per eos qui à nobis missi sunt, docuimus,quòd rectæ Fidei dogma corruptioni obnoxium videatur, & quòd ij discerpere videantur Ecclesiæ corpus, qui omnia susq. deq. faciunt, & omnem Ecclesiasticam cõstitutionem, omnemq. regiam legem conculcant; vniuersaq. simul confuderunt, vt expositam hæresim à Cyrillo Alexandrino confirment. Nam vt à vestra pietate in Ephesum vocati sumus ad inquirendum quæstiones,quæ pullularunt, & ad confirmandum Fidem Euangelicam & Apostolicam à sanctis Patribus expositam; nondum omnibus præsentibus conuocatis Episcopis, ij qui particulare Concilium habuerunt, hæretica illa capita, quæ cum Arij & Eunomij & Apollinarij impietate conueniunt, scriptis commentarijs roborarunt; & alios quidem deceperunt,alios vero terruerunt, alios autem de hæresi accusatos in communionem susceperunt; & alijs,qui non communicabant,mercedem vt communicarent dederunt; alios demum spe honoris, quibus indigni erant, accenderunt; & ita sibi multitudinem congregarunt, quasi nescientes, quòd piam religionem non multitudo, sed veritas ostendit. Iterum lectæ sunt vestræ pietatis litteræ per magnificentissimum Comitem Candidianum,significantes quòd pacifice & fraterne quæstiones, quæ nuper exortæ sunt, inquirantur. Verũ conuenientibus omnibus pientissimis Episcopis,nihil profuit lectio. Venit nobilis Palladius Magistrianus alias vestræ Maiestatis litteras afferens,docentes rescindenda esse omnia, quæ particulariter constituta fuerant, & Concilium denuo congregandum, verumq. dogma sanciendum. Contemptum est autem & hoc, more solito,pium vestrum mandatum ab his, qui omnia audent. Aduenit rursus magnificentissimus Magister Ioannes, qui tunc Comes omnium largitionum,alias iterum afferens litteras, significantes, quòd à vestra Maiestate trium depositiones decretæ sunt,tollendaq. è medio suborta offendicula, solamq. Fidem in Nicæa expositam à sanctis & beatis Patribus, ab omnibus confirmandam. Transgressi sunt, vt solent, & hanc legem ij qui omnia pro ludibrio habent. Enimuero nec post lectionem à cœptis desiterunt, & communionem habuere cum depositis, & meminerunt eorum tamquam Episcoporum, non permittentes, vt capitula ista,in damnum & corruptionem piæ Fidei exposita,exploderentur, tametsi à nobis ad colloquium sæpius accersiti fuerint. habebamus enim in promptu hæreticorum capitulorum argumenta. Horum nobis testis est magnificentissimus Magister, qui nobis & illis tertio ac quarto conuocatis, & hæc nec prætendere audens,propter illorum inobediẽtiam,operæpretium duxit post hac huc nos vocare. Aduenimus nihil remorati, nec quieuimus, donec huc peruenirem⁹, & apud vestram pietatẽ, & apud illustre Consistoriũ obsecrantes, vt ipsi certamen hoc pro capitulis susciperent, ac in colloquium venirent, vel ea tamquam aliena à recta Fide exploderent, manentes in sola expositione Fidei beatorum Patrum,qui in Nicæa conuenerant. Et hi quidem nihil horum facere voluerunt; sed manentes in hæretica contentione, permissi sunt Ecclesias frequentare, & sacerdotio fungi: nos vero synaxi destituti mansimus tanto tempore, & in Ephesо, & nunc; innumeraq. pericula & illic & hic pertulimus: & cum lapidaremur,& tantum non perderemur à seruis monachorum habitu indutis, boni consuluimus, vtpote pro pietate talia libenter perferentes. Post hæc visum est vestræ Maiestati, vt iterum nos ac illi conuocaremur, & vt ad inquirẽda dogmata inobedientes compellerentur. Hæc vt fierent,nobis expectantibus,vestra pietas in ciuitatem profecta est, & eos quidem qui de hęresi accusabantur,& propter hoc alios ex his depositos à nobis, alios vero excommunicatos, & deinde canonicis pœnis subijciendos, præcepit vt in ciuitatem venirent, sacerdotio fungerentur, & ordinarent. Nos vero,qui pro pietate tantum certamen suscepimus, & pro rectis dogmatibus nullum non periculum sustinuimus,neque ingredi in ciuitatem iussit, vt Fidei periclitantis negotium ageremus, & pro rectis dogmatibus vrgeremus, neque ad propria remigrare permisit; sed sumus in Chalcedone tristes, & gementes in Ecclesia quæ exercetur schismate. Idcirco qui nullum responsum obtinemus,necessarium duximus, vt præsentibus litteris doceremus vestram pietatem coram Deo, & Christo ipso,ac sancto Spiritu, quòd si quis ordinatus fuerit, antequam discutiantur recta dogmata, ab his qui hæretica sentiunt, necesse sit vt tota Ecclesia scindatur, tã Clero quàm plebibus dissidentibus. Nullus enim piorum feret, hæretica colentibus communionem dari, propriamq. salutem annihilari. Vbi autem hæc futura sunt, tunc vestra pietas præter suam mentem agere cogetur. Nam & schisma præter sententiam inualescet; & eos qui pro pietate certant, contristabit,non ferentes vt suæ animæ pereant, & consentent contentiosis impia Cyrilli dogmata, quæ iustificare volunt. Multi autem qui pietati student, & omnes nos, qui ex Orientali diœcesi, & vestræ prouinciæ ex diœcesi Ponti, & Asiæ, & Thraciæ, & Illyrici, & Italiarum,Cyrilli dogmata admitti non sinent,qui & vestræ pietati librum beatissimi Ambrosij miserunt,aduersa pullulanti huic superstitioni docentem. Quapropter ne hoc eueniat,& vestra pietas magis conturbetur, supplicamus,precamur, obsecramus, vt edicat, ne ordinatio antea fiat,donec orthodoxa Fides formetur, propter quam & nos congregauit vestra quæ Christum amat,celsitudo.

Obscure & deprauate hic exposita sunt.

Omnia hæc vera communia sunt, & impudentissima mendacia.

Omnes hę litteræ fuerunt subreptitiæ, dolo malo ab Imperatoribus extortæ.

Et hoc falsum est: siquidem Orientales se pro tuti, synodo se sistere ausi non fuerunt.

Non est controuersia de iis quæ iudicata, sed de iniusta Nestorii, iniusta vero Cyrilli & Memnonis depositione.

Schismatici in Ecclesi jam pridem.

Sed qui condemnantur, ij & ordinati erant; ac ordinatos vel inuitos & ignaros.

Solum schisma erant pietatis & religionis.

Schismata erunt ante pietatis, quæ ipsi mentiuntur causa.

His schismaticis obtenditur dissensio, alias sæpe depulsa.

TERTIA SCHISMATICORVM postulatio ex eadem ciuitate ad Imperatores missa.

NOn hunc euentum sortituram vestræ pietatis expectabamus vocationem. Vocati enim

enim honeſte ſumus tamquam ſacerdotes à Rege, & vocati ſumus ad confirmandam ſanctorum Patrum Fidem; propterea etiam tamquam pio Regi obedituri aduenimus. Vbi autem venimus, neque Eccleſiam minus ſequuti ſumus, neque veſtrum contempſimus edictum, ſed veſtros nutus ſequuti ſumus continue ab eo die, quo in Epheſum peruenimus, vſque in hodiernum. Verumtamen, vt videtur, nihil nobis profuit in hoc ſæculo modeſtia noſtra, immo etiam plurimum, vt videmus, obfuit. Nam nos quidem, qui ſic vos habuimus, vſque in præſentem diem Chalcedone tenti conſeruati ſumus; nunc autem ad propria dimittimur. Hi vero qui omnia confuderunt, & orbem turbis impleuerunt, & Eccleſias diſcerpere contendunt, & pietatem manifeſte oppugnant, ſacerdotio funguntur, Eccleſias congregant, &, vt putant, auctoritatem ordinandi habent (nimirum illicite ab illis petitam,) ſeditiones in Eccleſia excitant; quæ expendenda in vſus pauperum, in ſuos inſumunt milites. Ceterum non illorum tantum, ſed & noſter Rex es. Non enim parua portio regni tui eſt Oriens, in qua ſemper recta Fides reſulſit, & cum hac etiam aliæ prouinciæ & diœceſes, è quibus congregati ſuimus. Proinde ne deſpiciat veſtra Maieſtas Fidem, quæ adulteratur, in quam & vos baptizati eſtis, & veſtri progenitores, in quam & Eccleſiæ fundamenta ſunt iacta, propter quam ſanctiſſimi Martyres innumera mortis genera cum voluptate ſuſceperunt; cum qua & barbaros viciſtis, & tyrannos deſtruxiſtis, qua & nunc opus habetis in bello, quo Africam premitis. Eſt enim Deus omnium commilito veſter, ſi pro pijs eius dogmatibus laboraueritis, & prohibueritis corpus Eccleſiæ diſrumpi. Diſrumpetur enim, ſi opinio quam Cyrillus Fidei induxit, & alij hæretici confirmarunt, inualeſcat. Hæc ſæpe quidem coram Deo & in Epheſo & hic teſtati ſumus, & veſtram pietatem docuimus, rationem illius, vt coram omnium Deo, reddentes. Exigit enim & hoc à nobis, ſicut diuinæ ſcripturæ Propheticæ & Apoſtolicæ docent. Etenim beatus Paulus clamat: Teſtificor coram Deo, qui mortuos viuificat, & Domino noſtro IESV Chriſto, qui teſtificatus eſt ſub Pontio Pilato bonam confeſſionẽ. Et Ezechieli præcepit Deus, vt annuntiet populo; & minas adijcit, dicens: Niſi annuntiaueris, ſanguinem eius de manu tua requiram. Timentes itaque hoc iudicium, neceſſarium exiſtimamus iterum docere veſtram Maieſtatem, quòd ij qui permiſſi ſunt Eccleſias habere, in Eccleſijs docent quæ Apollinarius & Arius & Eunomius; illegitime & contra Canones ſacerdotio funguntur; & animas eorum qui ad ſe accedunt, ſi quis & ipſos volet audire *. Nam per diuinam gratiam, cui omnium hominum cura eſt, & qui omnes vult ſeruari, maxima pars populi ſana eſt, & pro pijs ſollicita eſt dogmatibus. Propter illos maxime dolemus. Et quia cruciamur, timentes, ne paulatim ſerpens morbus plures comprehendat, communeq. malum fiat; hæc nos veſtram ſerenitatem docemus, & docere non deſiſtimus, & precamur veſtram Maieſtatem, vt noſtris precibus annuat, & nihil ſinat adijci ad Fidem ſanctorum Patrum, qui in Nicæa congregati fuerunt. Quòd ſi & poſt hanc noſtram obſecrationem, hanc, quæ coram Deo data eſt, doctrinam non ſuſceperit veſtra pietas, nos etiam puluerem pedum excutiemus, & clamabimus cum beato Paulo: Mundi ſumus à ſanguine veſtro. Non enim ceſſamus nocte & die, ab eo die quo in hanc celebrem Synodum aduenimus, & Regi, & principibus, & militibus, & ſacerdotibus, & laicis teſtari, ne amittamus traditam nobis à Patribus Fidem.

EORVMDEM AD SVOS in Epheſo epiſtola.

POſtquam Chalcedonem venimus (nam Conſtantinopolim neque nos, neque aduerſarij noſtri intrare permiſſi ſumus propter ſeditiones bonorum Monachorum) fama accepimus, quòd ante octo dies, priuſquam compareremus (en gloriam pientiſſimi Regis) dominus Neſtorius ab Epheſo dimiſſus ſit, vt eat quò libèret. Vnde valde doluimus; quandoquidem vere ea quæ illicitè & abſque iudicio facta ſunt, iam robur habere videntur. Sciat autem veſtra ſanctitas nos promptos pro Fide certamen inituros, & certare velle ad mortem vſque. Expectamus autem hodie, hoc eſt, vndecima menſis Ciorpiæi, tranſiturum pientiſſimum noſtrum Regem ad Rufinianum, & illic cauſam auditurum. Precetur igitur veſtra ſanctitas, vt Dominus Chriſtus nos adiuuet, quò valeamus ſanctorum Patrum Fidem roborare, & in damnum ſanctæ Eccleſiæ exorta capitula radicitus diſcerpere. Eadem vt & veſtra ſanctitas ſentiat ac faciat, obſecramus; maneatq. in ſua pro Fide orthodoxa alacritate. Porro cum ſcripta eſſet epiſtola, nondum occurrerat nobis dominus Himerius. nam fortaſſis impeditus eſt in itinere. Ceterum nihil vos turbet. Speramus enim triſtia extinguenda, & veritatem effulſuram; modo veſtra pietas ſtrenue nos adiuuet.

Ex diametro hæc cum præcedentibus pugnant, vt iure videas ſchiſmaticos merito damnaſſe nos.

Male habet ſatisfactio Nationij depoſito.

Miſit his ſyllogæorum reſponderi nouembri.

Fruſtra contra hæc capitula nituntur.

EPISTOLA THEODORETI Epiſcopi Cyri è Chalcedone ad Alexandrum Hierapolitanum ſcripta.

NVllum humanitatis, nullum aſperitatis, nullum adhortationis, nullum declamationis genus omiſimus, quo apud pientiſſimum Regem, & illuſtre Conſiſtorium non ſimus vſi, teſtificantes coram Deo, qui omnia videt, & Domino noſtro IESV Chriſto, qui iudicaturus eſt orbem in iuſtitia, & Spiritu ſancto, & electis eius Angelis, ne contemnatur Fides, quæ ab his qui hæretica dogmata ſuſcepere, & his ſubſcribere auſi fuere, adulteratur; & vt præcipiatur ſolum exponendam ſicut in Nicæa, & abijciendam ſuperinductam hæreſim ad damnum & perniciem pietatis: & vſque in hodiernum diem nihil efficere valuimus, nunc huc, nunc illuc auditoribus ſeſe ſerena-

ferentibus. Attamen nos nihil horum dehortari potuit, vt ab vrgendo propositum desisteremus; sed persecuti sumus causam, Dei gratia. Cum iuramento enim pientissimo nostro Regi suasimus, quòd impossibile sit, nobis Cyrillũ & Memnonem conciliari; & quòd fieri nequeat, vt illis communicemus, qui non antea eiecerint hæretica capitula. Itaque nos quidem hanc habemus mentem: studium autem est his, qui sua ipsorum quærunt, non autem quæ IESV Christi, vt reconcilientur eis & præter mentem nostram. At non est nobis eius rei cura. Deus enim nostrum propositum exigit, & virtutem explorat, neque supplicia irrogat propter ea quæ præter mentem fiunt. De amico autem sciat tua sanctitas, quòd si quando eius faceremus mentionem vel apud pientissimum Regem, vel apud illustre Consistorium, defectionis notabamur: tantæ sunt eorum, qui intro sunt, erga illum inimicitiæ. Et hoc est molestissimum. Pientissimus Rex præ omnibus alijs auersatur nomen, manifeste dicens: De hoc mihi nullus loquatur. specimen enim semel ipse dedit. Attamen dum hic sumus, non cessabimus omni virtute & eius patris curam gerere, scientes factam illi ab impijs iniustitiam. Nobis quoque studiũ est, vt hinc liberemur, & vestra liberetur pietas. Nihil enim hinc boni sperandum, eo quòd iudices ipsi omnes auro confidant, & contendant vnam esse naturam Deitatis & humanitatis. Populus autem omnis gratia Dei bene habet, & iugiter ad nos egreditur. Incœpimus autem ipsis etiam differere, & celebrauimus communiones maximas, & quarto illis enarratum est precibus tuæ pietatis de Fide; & tanta audierunt voluptate, vt vsque ad horam septimam non discederent, sed perdurauerint vsque ad æstum solis. In aula enim maxima, & quattuor habente porticus, multitudo congregata fuit, & nos superne concionabamur è suggestu prope tectum. Verum Clerus omnis cum bonis Monachis valde nobis erat infensus, ita vt fieret collapidatio, quando à Rufinianis post aduentum pientissimi Imperatoris rediremus, & vulnerarentur multi ex laicis & falsis Monachis, qui nobiscum erant. Nouerat autem Rex pientissimus, quòd multitudo congregaretur contra nos; & solis nobis occurrens, dicebat: Noui quòd male congregamini. Dicebam autem ei: Quia dedisti fiduciam loquendi, cum venia audi. Iustum est, hæreticos quidem excommunicatos in Ecclesijs agere; nos vero qui pro Fide certamus, & propter hoc ab illis communionis exortes factos, non intrare in Ecclesiam? & ille respondit: Et ego quid faciam? Respondi igitur illi: Quod fecit magister tuus Comes largitionum in Epheso. Ille enim vt inuenit nonnullos congregari, nos autem non congregari, compescuit eos, dicens: Si non fueritis pacifici, non concedam vni parti congregari. Et oportebat etiam tuam pietatem præcipere hìc Episcopo, ne permitteret neque illis neque nobis congregari, donec conueniamus, vt iusta tua sententia omnibus nota fiat. Ad hæc dicebat: Equidem Episcopo imperare non possum. Itaque respondi ego: Igitur neque nobis imperes, & accipiemus Ecclesiã, & congregabimur, & cognoscet tua pietas, quòd multo plures nobiscum sunt, quàm cum illis. Ad hæc diximus ei, quòd nostra congregatio neque lectionem sacrarum scripturarum habebat, neque oblationem; solas autem preces pro Fide & vestra Maiestate, & de religione colloquia. Approbauit igitur, & vltra non prohibuit hoc fieri. Augentur igitur conuentus multitudinis ad nos venientis, & cum voluptate doctrinas audientis. Oret igitur vestra pietas, vt causa nostra exitum habeat Deo placentem. Nos enim quotidie periclitamur, & insidias Monachorum & Clericorum suspicantes, & potentiam & incuriam videntes.

Id impossibile est valere in vestra pertinacia perseuerantibus.

PARS HOMILIAE THEODORETI Episcopi Cyri, Chalcedone ad schismaticorum legatos, Nestorijq. fautores habitæ.

CHristus nobis dux sit sermonis, per quem & ipsi sermones, & nos diuinorum eius eloquiorum ministri: Christus, qui positus est in ruinam multorum, & in resurrectionem, & in signum cui contradicitur, olim quidem à carnali Israël, nunc autem à spiritali: Christus infidelibus quidem lapis offendiculi, & petra scandali; credentes autem non confundens, pretiosus lapis est, & fundamentum, secundum Esaiæ vocẽ. Christus lapis est, quem reprobauerunt ædificantes, & factus est in caput anguli: Christus Ecclesiæ fundamentum; Christus lapis, qui sectus est absque manibus, & factus est in montem magnum, & obtexit orbem, iuxta Danielis propheriam: pro quo, & cum quo, & propter quem impugnamur, propter quem à regia ciuitate prohibiti sumus; sed cælorum regno non excludimur. ciuitatem enim habemus supernam Hierusalem, cuius architectus & opifex Deus, vt Paulus dixit. Dicat de ipsis & per alium Prophetam: Secundũ multitudinem ipsorum ita peccauerũt mihi: gloriam eorum in ignominiam ponam. Dicat & per alium iterum Prophetam: Væ filij apostatæ; fecistis consilium, & non ex me; & pacta, & non per Spiritum meum; vt adijciatis peccatum super peccatum; conuersi estis, qui profundum consilium consultastis & iniustum. Dicat ad eos & Esaias: Manus enim vestræ pollutæ sunt sanguine, & digiti vestri peccatis: lingua vestra locuta est iniustitiam, & os vestrum iniquitatem meditatum est. IOANNIS ANTIOCHENI Episcopi homilia in Chalcedone dicta post homiliam Theodoreti, vt suos animaret.

SAncta lex est, vt patribus accepta ferantur ea quæ filiorum sunt. Meus igitur est Galaad, & meus est Manasses: immo non mei sunt, sed Dei, qui vestram cum nostra congregauit Ecclesiam, & hūc pro pietate zelum cum alijs donis largitus C est. Equidem inter vos ideo surrexi, vt dicendo salutarem simul, & valedicerem. etenim vobiscū sumus, ad fratres nostros contendentes. Transit enim, quocumque vult, absque impedimēto charitatis natura. Saluto vos, & oro, vt pacem habeatis cum Deo, prius quidem fideles, nunc autem confessores. Quisquis magnas facultates possidere censetur, strenue militat & impigre vt conseruet quæ possidet. Nullus igitur a paterna Fide destituat, quam & nos, vt depositum, apud filios deponimus. Respicite ad progenitores, D quos neque tormenta, neque mors, neque aliud quid humanum valuit à Fidei sinceritate auellere. Porro vobiscum paruæ quidem minæ sunt, magna autem merces; paruæ passiones, sed coronæ magnæ. Nemo deprædetur depositum vestrum, nempe dogmatum certitudinem; nemo persuadeat, Deum esse passibilem, neque corporis & Deitatis naturam vnam. Illa enim per se est diuina substantia; hanc vero, corporis videlicet, suscepit. Idcirco connexionem prædicamus, & non confusionem; vnionem, non contemperationem. Deus hoc per illud, Filius hoc per illud; omnia hæc per illud: adoratur cum illo, glorificatur cum illo; & qui cum illo adoratus est inseparabiliter, primitiæ appellatur nostræ naturæ. E Hæc seruate, & Deus pacis erit vobiscum, adiuuans vos modo quem ipse nouit: cui sit gloria in sæcula. Amen.

Pia & grauis esset hæc admonitio, nisi statim contra inferretur. Posuit enim, Concile Patres sanctos esse et fideles; quod omnino falsum est.

ALTERA SCHISMATICORVM epistola, intempestiue de victoria gloriantium, ad eosdem.

PRecibus sanctitatis vestræ datus est nobis accessus ad pientissimum Regem nostrum, diuinaq. gratia his qui diuersa sentiunt, in certamine

Scimus autem & totum Conſiſtorium nos valde habere acceptos, quòd pro pietate certamus. Viſum igitur eſt pientiſſimo noſtro Regi, vt vnuſquiſque ſuum ſenſum exponat, & ſuæ pietati offerat. dogmatum doctrinam, & ad quamuis hæresim confutandam faciat. Propter hanc omnibus lætis, triſtibusque, quæ humanæ vitæ accidere poſſunt, ſimul poſthabitis, iugiter in acie verſamur, vt hanc ſortem à patribus traditam, incontaminatam conſeruemus. Hac etiam de cauſa Cyrillum & Memnonem depoſuimus; illum quidem tamquam hæreſiarcham; hunc vero tamquam illius fautorem, & adiutorem in omnibus ad confirmanda ac ſtabilienda capita, quæ expoſita ſunt in Eccleſiarum perniciem: ceteros vero qui dogmatibus illis pietati diſſentaneis ſubſcribere & adſtipulari ſunt auſi, tantiſper excommunicationi ſubiecimus, dum ea anathematizauerint, & ad ſanctorum Patrum Nicænorum Fidem redierint. B Verum noſtra lenitas illis nihil profuit. Nam vſque hodie pro peruerſis illis dogmatibus decertant, & vltro in Canonis ſanctionem, vulnus accepturi, impegerunt. Habet is hanc perſpicuã ſententiam: Si quis Epiſcopus à ſancta Synodo, aut Presbyter, vel Diaconus ab Epiſcopo ſuo depoſitus, non expectato Synodi iudicio ſacris miniſterijs ſe ingeſſerit, nullus ſe expurgandi locus, ne in alia quidem Synodo huic relictus eſto. Sed & ſi qui ſunt, qui cũ eo communicauerint, hi penitus ab Eccleſia expellantur. In hanc ſanctionem inciderunt tam hi qui excommunicationis, quàm illi qui depoſitionis ſententiam in ſe exceperunt. Nam cum primum ſe à nobis depoſitos atque excommunicatos reſciuerunt, ſtatim vnà ſacris operati ſunt, & adhuc ſacra facere perſeuerant, tamquam ei fidem non habeant, qui dixit: Quodcumque ligaueritis ſuper terram, erit ligatum & in cælis. Hæc in ipſo mox exordio ſanctitati tuæ indicare cogitauimus: verum mutationis alicuius, & à malis hiſce emerſionis ſpe ducti, hactenus expectauimus: at ea nos ſpes fefellit. Nam neque impiam hanc hæreſim propugnare deſtiterunt, neque pijſſimi Imperatoris conſilia reuerentur. Etenim quintum iam nos & ipſos affatus, illis quidem mandauit, vt vel capita Cyrilli, tamquam cum Fide pugnantia reijciant; vel certe, ſuſcepto in eorum defenſionem certamine, ſanctorum Patrum confeſſioni conſentanea eſſe palam faciant. In promptu enim argumenta habemus, per quæ oſtenſuri eramus, quòd orthodoxæ Fidei doctoribus manifeſte aduerſantur, plurimumq. hæreticorum doctrinæ conſentiunt. Enimuero horum peruerſorum germinum auctor per hæc ipſa docet, diuinitatem vnigeniti Filij Dei paſſam eſſe, non autem humanitatem, quam pro ſalute noſtra ſuſcepit, ita videlicet, vt diuinitas inhabitans, paſſiones, quaſi proprij corporis eſſent, ſibi attribuerit, cum tamen in propria natura nihil pateretur. Addit præterea, ex diuinitate & humanitate vnam factam eſſe naturam: ſiquidem illud, Verbum caro factum eſt; ita exponit, quaſi diuinitas conuerſionem aliquam paſſa, & in carnem tranſmutata ſit. Ad hæc eos execratur, qui Euangelicas Apoſtolicasq. voces de Chriſto Domino diſtinguunt, vt humiles qui-

quidem ad humanitatem, diuinas vero ad Christi diuinitatem referant. Quod Ariani & Eunomiani sentientes, humilesq. dispensationis voces ad diuinitatē referentes, Deum Verbum creaturam & facturam, alteriusq. substantiæ, & Patri inæqualem esse affirmare non dubitarunt. Quæ vero blasphemia ex hisce principijs consequatur, quiuis facile intelligit. Nam & naturarum inducitur confusio, & Deo Verbo attribuitur illud: Deus meus, Deus meus, vt quid dereliquisti me? & illud: Pater mi, si possibile est, transeat à me calix iste. rursum fames, sitis, Angelica confortatio, & illud: Nunc anima mea turbata est. & iterum: Tristis est anima mea vsque ad mortem: & quæcumque talia in Domini nostri humanitatem ceciderunt. quæ perspicue cum Arij & Eunomij impietate congruere facile quis viderit. Illi enim cum heterusion, naturarumq. diuersitatem adstruere non valerent, perpessiones, & humiles illas voces diuinitati Christi, vt ante dictū est, adscribunt. Norit autē tua pietas, Arianorum doctores nihil aliud in ecclesijs suis hoc tempore docere, quàm quòd consubstātialitatis assertores iam demum cū Ario sentiant, quòdq. veritas, quæ diu latuerat, nunc tandem in lucem prodeat. Nos autē in dogmatibus beatorum Patrum, qui apud Nicæam conuenerunt, & eorum qui post illos doctrina claruerunt, Eustathij Antiocheni, Basilij Cæsariensis, & Gregorij, & Ioannis, & Athanasij, & Theophili, & Damasi Romani, & Ambrosij Mediolanensis, & reliquorum qui cum his eadem docuerunt, perseueramus, pijsq. illorum vestigijs insistimus; quippe qui Euangelica & Apostolica & prophetica verba sequentes, exactam orthodoxæ Fidei regulam nobis tradiderint: quam regulam nos inconcussam inflexamq. retinere studemus, qui in Oriente habitamus; similiter qui Bithyniam, & Paphlagoniam, & Cappadociam secundam, & Pisidiā, & Thessaliam, & Mysiā, Rhodopenq. incolunt, & alij quamplurimi diuersarū prouinciarum. Italos quoque certum est nouitatem illam nequaquā laturos esse. Nam Martinus sanctissimus Deoq. dilectissimus Mediolanēsium Episcopus ad nos scripsit, librumq. beati Ambrosij de Dominica incarnatione ad pijssimum Imperatorem misit, qui hæreticis illis capitibus contraria docet. Sed nec istud sanctitatem tuam prætereat, nempe, Cyrillum & Memnonem non contentos fuisse orthodoxam Fidem corrupisse; verum omnes quoque canonicas sanctiones proculcauisse. Nam qui à diuersis diœcesibus atque prouincijs excommunicatione perculsi fuerunt, illos ipsi statim in communionem receperunt. Alios prætereà de diuersis etiam hæresibus accusatos, eademq. sentientes cum Celestio & Pelagio (Euchitæ enim sunt, siue Enthusiastæ) & ob id à suo Diœcesano, vel Metropolitano excommunicatos, Ecclesiastica disciplina contempta, communioni restituerunt, multitudine vndecunque sibi coacta; ac tyrannice potius, quàm pie dog-

A dogmata sua statuere laborantes. Nam cùm pietate destituerentur, aliam necessario sibi potentiam excogitarunt, nempe hominum propugnacula, rati profusione pecuniæ se Patrum Fidem expugnaturos. Verum si pietas tua sese in conspectum dederit, religionisq. defensionem more suo susceipiat, nihil illorum machinationes efficere poterunt. Quamobrem sanctissime Domine, iterum atque iterum rogatus, illorum communionem, qui tanta hac temeritate vsi sunt, quiq. hanc hæresim inuexerunt, caueto; omnibusq. tam prope, quàm longe positis declarato, capita hæc ipsa esse, propter quę beatissimus Damasus Apollinarium, Vitalium & Timotheum hæreticos gradu mouit: epistolam præterea ab eo missam, non esse simpliciter admittendam; in qua sententiam hæreticam pietatis dogmate coloratam occultauit: siquidé in capitibus illis aperta fronte impietatem suam profitetur, eosq. qui aliter sentiunt, audacter anathematizat; in epistola autem callide simplicioribus damnum inferre studuit. Caueat itaque sanctitas tua, ne causam negligat, ne postea hæresim hanc corroboratam aspiciens, in vanum doleat, & quòd pietatẽ vindicare deinde nequeat, se affligat. Misimus etiam exemplum scripti, quod pijssimo Christianissimoq. Qui enim recipiunt eum in hæreticis illis commentarijs (hæretica commentaria, vt ſcitis, Patrum Fidei coniunxerunt,) hac ratione declarant ſeipſos hæreticos, & ab orthodoxa Fide alienos. Quomodo igitur, oro, fieri poteſt, vt duo hæc diuerſa, depoſitio & capitula, conueniant? Nam ſi fide digni ſunt qui eum recipiunt, digni fide erunt & in capitulis hæreticis, quæ expoſuerunt. Si autem capitula redarguunt eos hæreticos, omnino hæreticorum eſt & depoſitio. Hæc autē & ad pientiſſimum noſtrum Regem ſcripſimus, miſſo exemplari; vt quod operæpretiū videbitur, faciatis. Non minor enim nobis ſollicitudo eſt, quàm pro veritate ipſa, ne ſi depoſitio quæ ab hæreticis facta, robur accipiat, valeant & hæretica capitula, & alia quæ ab illis contra multos ſacerdotes facta ſunt. Bona nobis fiducia eſt, quòd veſtra ſanctitas hæc omnia doceat, & illa faciat, quæ omnia quæ ab hæreticis facta ſunt, irritent, ſiue depoſitionem, ſiue excommunicationem, idq. tam ſynodali reſcripto, quàm regio edicto. Non ignorat enim veſtra pietas, quòd habemus quoſdam Epiſcopos nobiſcum deſolatos in ſuis prouincijs. Demum miſimus veſtræ ſanctitati recens factam expoſitionem ab Alexandrino hæreticorum capitulorum, euidentius etiā per illam oſtendente ſuam impietatem: ſicut & rogauimus veſtram ſanctitatem, dignemini curare, vt nos ſtatim dimittamur, maxime quia nunc hiems inſtat.

Arguit, ſed ex falſo principio colligit. Nam etſi eorum ſynodum hæreticam fuiſſe, atque ideo Neſtorium deponere non potuiſſe.

Non fidecla vos fallat.

Immo vero maxi pars id ante vel exauctorata, vel excommunicata erat.

RELATIO ORIENTALIVM, qui Epheſi degebant, ad Theodoſium & Valentinianum Auguſtos.

Pientiſſimis & Chriſti amatoribus Regibus, Theodoſio & Valentiniano Auguſtis, ſancta Synodus, quæ Epheſi eſt congregata.

EDocti ex ſanctiſſimorum & pientiſſimorum miniſtrorum noſtrorum litteris, qui pro tota Synodo ad veſtrū pium Comitatum peruenerunt, tum quòd benignus illis ad veſtram pietatem patuerit acceſſus, tum quòd Maieſtas veſtra multum pro orthodoxa Fide zelet, gauiſi ſumus, quaſi præſentes prædictis ſerenam veſtræ pietatis faciem ſimul intueremur. Cognouimus enim, quomodo ea quæ ab aduerſarijs, veſtro iuſto iudicio minus fuere accepta; ſanctorum autem Patrum qui in Nicæa, Fides, pro qua & præſentes pientiſſimi Epiſcopi, & nos ſolliciti ſumus, receptionem meruit. Credimus itaque, Deum ſic inſtituiſſe veſtrā pietatem, ne quo modo commoueretur Apoſtolica Fides, per quam à progenitoribus regnum habet veſtra Maieſtas, omnesq. alienas nationes ſubditas habet. Et propterea gratiarum actiones, & continuas preces ſolito more cum magno gaudio Chriſto Domino offerimus. Quoniam autem ſub veſtro Imperio magna quędam fiducia eſt ſacerdotibus, confidimus etiam, ea quæ nos mœrore conficiunt & ſollicitudine, cognouiſſe veſtrā Maieſtatem, illorumq. remedium petere. Vnde oramus, & ante veſtigia veſtra prouoluimur, vt nos cum longanimitate humiliantes veſtræ pietati ſuſcipiatis, & iuſte petentes de offenſa perſona ab his qui receperunt hæretica capitula Cyrilli Alexandrini, & in Deū ipſum impie egerunt. Nam qui introduxerunt hæretica capitula, & turbauerunt ſanctorum Patrum Fidem, hanc ipſorum partem in ipſis commentarijs etiam illicitam depoſitionem fecerūt. Et credimus non viſum fuiſſe incorrupto veſtro & recto iudicio iuſtam illorum ſtare condemnationem, quos condemnari manifeſte oportet, vtpote conuictos hæreticos. Quæ autem particulariter ſecutura ſunt ab illis & cōtra Eccleſiaſticas conſtitutiones, & contra pientiſſima veſtra ſcripta, iam à multis didicit veſtra Maieſtas, ſi in nullo ab ipſis offendatur, veſtrisq. edictis non obluctentur, & Eccleſiaſticam Fidem prædicent. Nam etſi millies fugiens tumultus caueat, & ipſe priuatim agere malit; opus tamen, ne Fides iacturam ferat, eo quòd illegitima iſta depoſitio ab his qui hæretica capitula introducunt, facta ſit.

Omnia iam ceſſa per hæreticos Neſtorio, quem antea quid ſua perſuaſum eſſe, nemo erat qui dubitaret.

Sed ubi pro tanta hæreſis cumulo ſunt Concilij Patres?

Quaſi Noſtrum Epiſcopum Fidem prædicaturi, & ſuperuenturo malo parcere.

EPISTOLA LEGATORVM Schiſmaticorum ad ſuos in Epheſo.

Dominis maxime honorabilibus & pientiſſimis Epiſcopis, qui in Epheſo ſunt, Ioānes, Ioannes, Himerius, Paulus, Macarius, Apringius, Theodoretus.

QVinto acceſſus nobis contigit: & quamuis multum de hæreticis capitulis diſceptauerimus, iurauerimusq. ſæpius pientiſſimo Regi quòd impoſſibile ſit nobis communicare his qui diuerſa ſentiunt, ſi nondum exploſerint capitula; & quòd Cyrillus, etiam ſi reiecerit capitula, à nobis ſuſcipiendus non ſit, eo quòd ipſe tam impiæ hæreſeos hæreſiarches factus ſit; nihil tamen profecimus, eo quòd & aduerſarij inſtarent, & auditores hos tam impudenter obluctantes non compeſcerent, nec cogerent eos, vt ad inquiſitionēm & colloquium venirent. hac enim via effugiunt, ne capitula examinentur, & de his diſputari prorſus non ſinunt. Nos autem propter veſtras preces vſque ad mortem inſtare parati ſumus; & neque Cyrillum ſuſcipere, neque capitula ab eo expoſita, neque illis communicare, priuſquàm explodantur quæ male Fidei adiecta ſunt. Obſecramus igitur & veſtram ſanctitatem, vt ſapiatis eadem quæ nos, eumdemq. laborem oſtendatis. Certamen enim nobis pro religione eſt, quam ſolam habemus ſpem, & propter quam expectamus fruituros nos benignitate Saluatoris noſtri in futuro ſæculo. De pientiſſimo & ſanctiſſimo Epiſcopo Neſtorio ſciat veſtra pietas, quòd ſtuduerimus quidem ſermonem de illo inſerere; ſed nūc non potuimus, eo quòd omnes vel ad ipſum nomen hoſtiliter afficiuntur. Nihilominus curæ nobis erit, tametſi res ſic habeant, per opportunitatem temporis ac auditorum beneuolentiam etiam hoc facere, ſi quidem noſtro propoſito Deus cooperatus fuerit. Porro vt veſtra ſanctitas etiam hoc non ignoret, ſcitote, quòd videntes Cyrillianos tyrannide, & fraudibus, & adulatione, & donis omnes, vt ita dicam, decepiſſe, non raro

Non ſimus in hoc tam Cyrillum culpemus.

Leo impia impijſſima.

Schismatici ausa sua diffidentia; quòd autoritate se abscissi gloriabantur, retinentur.

raro pientissimum Regem & magnificentissimos principes obsecrauimus, vt & nos ad Orientem dimitteremur, & vestra pietas ad propria remigraret. Cognoscimus enim, quòd in vanum moras nectimus, & instituta non perficimus, eo quòd Cyrillus vbique fugit colloquium nostrum, conscius sibi, blasphemias, quas in duodecim capitulis suis edidit, manifeste redarguendas. Placuit autem pientissimo Regi post multas adhortationes, vt singuli ad propria redeamus; ad hoc, vt & A Aegyptius, & Memnon Ephesius in suis locis maneant. Sic enim poterit Aegyptius omnes excæcare muneribus suis, sic, vt ille quidem cum innumera fecerit mala, ad thronum suum redeat; iste vir innocens vix ad suam mansionem dimittatur. Omnem, quæ vobiscum est, fraternitatem, & nos, & qui nobiscum sunt, plurimum salutamus.

Cyrillum post contemptum vocat Aegyptium; Nestorium autem virum innocentem.

Ioannes Episcopus Antiochiæ Orientis valere vos in Christo precor, Domini pientissimi & sanctissimi. Subscripserunt autem similiter & alij.

VESTRA quidem Maiestas pietatem confirmare volēs, exactiorem dogmatum examinationem sanctæ Synodo iniunxit; quam & fecimus, antiquam secuti traditionem sanctorum Patrum, sanctorumq. Apostolorum & Euangelistarum, & trecentorum decem & octo [Patrum] apud Nicæam quondam congregatorum: quam etiam vna voce, vnoq. consensu interpretati, perspicue testatam pietati vestræ exhibuimus in ipsis cōmentarijs actorum, in quibus & Nestorium diuersa sentire manifesto deprehensum exauctorauimus. Neque enim sententiam suam in Ephesiorum metropoli constitutus adeo dissimulabat, vt alijs indicijs & argumentis reuincendus esset: sed quotidie exclamabat, dogmata à Fide aliena prædicans apud complures. Omnia vero in actorum commentarijs dilucide singillatimq. vestræ pietati recensuimus. Sed quoniam magnificentissimus Comes Candidianus Nestorij amicitiam pietati anteponens, aures pietatis vestræ præoccupare festinauit, priusquam Maiestas vestra exacte, quæ gesta sunt, intelligeret; priusquam commentarios acciperet,

E

& quæ

συν-

& quæ acta sunt, accurate consideraret, ea pietati vestræ suggerere studuit & inculcauit, quæ & sibi placita, & Nestorio grata erant: priusquam Maiestas vestra ex commentariorum, quæ [Synodi] acta complectebantur, lectione veritatem hauriret: in quibus apparet, ne minimam quidem maleuolentiam contra Nestorium nos exercuisse, sed ipsa veritatis dogmata exposuisse: quibus comparantes quę à Nestorio prædicabantur, clare deprehensa ex ipsius scriptis, epistolis, & publicis sermonibus; Euangelio, quod Christum vniuersorum Dominum præsentem nobis ostendebat, in medium proposito, sententiam tulimus. Quam ob rem iterum atque iterum Maiestatem vestram rogamus, ne quem eorum dignetur admittere, qui hominis amicitiam pietate priorem ducunt. In horum enim numero cum Ioannem reuerendissimum Episcopum Antiochenum existere, hoc est, ita animo comparatum esse odorati essemus, vt qui amicitiæ mallet gratificari, quàm Fidei vtilitatem spectare, ex eo coniecturam facientes, quòd neque Maiestatis vestræ minas veritus, neque piæ Fidei iam inde ab initio traditæ zelo permotus, sanctam Synodum post terminum à vestra Maiestate præstitutum, supra dies viginti & vnum suspensam tenuisset; vniuersi, qui in sancta Synodo orthodoxi, soliusq. Fidei studiosi sumus, ad eorum inquisitionem nos conferre coacti sumus, quæ ad pietatem pertinent; illud reuerēdissimo Ioanni Episcopo accidisse rati, quod magnificentissimus Comes Candidianus passus esse non obscure deprehenditur. non enim omnium est, pietati amicitias hominum postponere. Erat autem hæc nostra de Ioanne Episcopo religiosissimo suspicio non inanis, nec vana. Nam cum primum appulisset, Nestorij sententiæ sese adhærere, aperte sanctæ Synodo declarauit: siue hoc inde euenerit, quòd amicitiæ gratificaretur; siue inde, quòd in dogmatis errore cum eo communicaret.

Sed quoniam, quæ acta sunt, vestræ Maiestati aperte exponere, vt diximus, prohibemur, magnificentissimo Comite Candidiano nos impediente, ne quæ pia ratione præstitimus, indicaremus, omne vero studium & auxiliū Nestorio impendente; etiam atque etiam Maiestatem vestrā rogamus, vt sanctæ Synodi studium erga Deum cognoscat, magnificentissimumq. Candidianum accersat, & quinque è sancta Synodo, qui ea quæ gesta sunt, coram vestra pietate exponant ac defendant. Sunt enim illi qui diuersa à recta Fide sentiunt, ad tegēdam impostturam vsqueadeo callidi, vt quidā quoque sanctissimi Episcopi, occultato errore à Nestorio, decepti sint, eiq. sese adiunxerint, actisq. illius subscripserint: qui tamen, posteaquā dilucide quid sentiret, essent percontati, illumq. suas blasphemias retegentem comperissent, ab eo desciuerunt, ac sanctæ Synodo se adiunxerunt, patefactaq. eiusdem blasphemia, condemnationis sententiam aduersus prædictum Nestorium vnà nobiscum tulerunt. SAncta Synodus iuxta pijſſimorū Chriſtianiſſimorumq. Imperatorum noſtrorū edictum apud Epheſum congregata, vbi comperit, Chriſti inimicum in eadem animi ſententia obſtinate permanere, neque ab impia doctrina aliquando deſiſtere; quò terrarum orbis offenſio in poſterum conquieſceret, ipſum gradu & ordine mouit. Poſteaquam vero id in Conſtantinopolitana vrbe peruulgatum eſt, qui Neſtorij ſtudioſi erant, Eccleſiaſticaq. beneficia ab illo acceperāt, veritatē ſtudioſe circumueniebant; omnia ſcilicet tum maria, tū publicas quoque vias obſidentes, neminem prorſus à ſancta Synodo Conſtantinopolim venire, neque inde rurſum ad Synodū abire permittebāt: ea interim, quæ inimici Chriſti erant, vltro citroq. deferebantur. At quia nihil poteſt quiſquam contra Deum, (quid enim eſt homo?) Dei diſpenſatione accidit, vt epiſtola quæ ex Epheſina ciuitate ad ſanctos Epiſcopos & Monachos perſcripta fuerat, opera cuiuſdam mendici, qui in arundine eam incluſam gerebat, tandem redderetur. Hic namque dum ita mendicat, vnà cum arundine ipſam quoque epiſtolam tulit. Confeſtim omnes Archimandritæ, monachorum cateruis ſtipati exurgunt, hymnosq. & Pſalmos alternantes, ad Regiam contendunt. Erat autem inter alios Archimandritas ſanctus Dalmatius, qui annos quadraginta octo recluſus, extra monaſterij ſui ſepta nunquam pedem extulerat. Enimuero cum ob frequentes terræmotus Conſtantinopolim concutientes, crebris pijſſimi Imperatoris noſtri precibus, qui illum adibat & viſebat, ad exitum, communemq. aliorum ſupplicationem iam antea prouocatus fuiſſet, numquam tamen adduci potuit, vt exiret, vel ad ſupplicationem ſe conferret. Ceterum dum in hac re quid facto opus eſſet, Deum precando conſuleret, vox cælitus ad eum delapſa, vt egrederetur, imperauit. Noluit enim Deus gregem ſuum perire in finem. Comitabatur eoſdem etiam non parua orthodoxorum multitudo. Cum vero ad palatium peruenirent, Archimandritæ ab Imperatore acciti, ad illum ingrediuntur. Plebs vero, & Monachorum cœtus antiphonarum & Pſalmorum modulationi intenta foris manſit. Archimandritæ porro æquo reſponſo potiti, regrediuntur: ex regia voluntate omnes clara voce mandant, ad ſancti Mocij martyris baſilicam concedant, ibidem cum Imperatoris reſponſum, tum allatæ quoque epiſtolæ ſententiam percepturi. Omnes itaque tam Monachi, quàm populus, Pſalmum poſtremū verſus poſtremam ciuitatis partem concinentes, (erat enim via, qua incedebant, ex capitalibus vna) ad ſancti Mocij martyris baſilicam proceſſe-

ΑΝΤΙΓΡΑΦΟΝ ΤΩΝ ΕΥΡΕΘΕΝΤΩΝ ἐν Κωνσταντινουπόλει ἐπισκόπων περὶ τῆς ἁγίας συνόδου ὑπομνηστικόν.

Συναχθεῖσα ἡ ἁγία σύνοδος ἐν Ἐφέσῳ, κατὰ τὸ διάταγμα τῶν εὐσεβεστάτων, καὶ φιλοχρίστων ἡμῶν βασιλέων, καὶ εὑροῦσα τὸν ἐχθρὸν τοῦ Χριστοῦ ἐν τῇ αὐτῇ διανοίᾳ μένοντα, καὶ τὰ δυσεβῆ κηρύττοντα, καθῆλεν αὐτόν· ἵνα λοιπὸν τῆς οἰκουμένης ὅλης ἐκκοπῇ τὰ σκάνδαλα. καὶ ὡς ἐθρυλλήθη πρὸ ἐν Κωνσταντινουπόλει, πάντες οἱ τὰ ἐκείνου αὐτοῦ δαίζοντες, πάντα τὰ ἐκκλησιαστικὰ λαβόντες παρ' αὐτοῦ, σπουδάζοντο τὴν ἀλήθειαν· λέγομεν δή, φροῦντες τὰ τελεῖα, τὰς ὁδοὺς, καὶ μὴ συγχωροῦντες, μήτε ἐλθεῖν ἐν Κωνσταντινουπόλει ἐκεῖ ἀπὸ τῆς ἁγίας συνόδου, μήτε ἀπελθεῖν ἐκεῖ· ἀλλὰ μόνον τὰ τοῦ ἐχθροῦ τοῦ Χριστοῦ καὶ ἀπήγοντο, καὶ ἀπεφέροντο. καὶ ἐπεὶ οὐδεὶς δύναται πρὸς θεὸν, τί γάρ ἐστιν ἄνθρωπος; ἐξ οἰκονομίας θεοῦ ἐρχεται ἀπελθὼν ἀπὸ Ἐφέσου χάρτης, πρὸς τοὺς ἁγίους ἐπισκόπους, καὶ μοναχοὺς, πεμφθεὶς δι' ἐπαύτου τινὸς, δήσαντος αὐτῷ καλάμῳ ἐσωθεν· καὶ οὕτως ἐπαυτῶν, καὶ ἀποφερόμενος τὸν κάλαμον, τούτῳ λύει· καὶ ἀναγνόντα πάντα τὰ μοναστήρια, ἅμα τοῖς ἀρχιμανδρίταις αὐτοῦ ἐξῆλθον ἀπὸ τοῦ παλατίου, ψάλοντες ἀντίφωνα. ἦν δὲ ὁ ἅγιος Δαλμάτιος εἷς τῶν ἀρχιμανδριτῶν, ἐπὶ πολλὰ ἔτη ἐκτὸς ἔχων, μὴ ἐξελθὼν τοῦ μοναστηρίου αὐτοῦ, ἀλλ' ἔσω ὢν ἀποκεκλεισμένος. ὁ δὲ εὐσεβέστατος ἡμῶν βασιλεὺς ἀπήγετο πρὸς αὐτὸν, καὶ ἐβλεπεν αὐτὸν ἐκ καὶ σφυμῶν πολλάκις γινομένων ἐν Κωνσταντινουπόλει, καὶ πολλάκις προκαλέσαντος τοῦ βασιλέως, ὥστε αὐτὸν ἐξελθεῖν, καὶ λιτανεῦσαι, μηδέποτε ἐξελθεῖν, καὶ λιτανεῦσαι, ἐπείθη. δεξαμένου δὲ αὐτοῦ πρὸς τύπου, φωνὴ ἐξ οὐρανοῦ αὐτῷ κατῆλθε, λέγουσα, ὥστε ἐξελθεῖν· θεὸς γὰρ σὲ ἠθέλησεν ἀποβαλέσθαι αὐτοῦ τοῦ ἀγέλου εἰς τέλος. ἦν δὲ σὺν αὐτοῖς καὶ λαὸς πολὺς τῶν ὀρθοδόξων. ὡς οὖν ἦλθον εἰς τὸ παλάτιον, κληθέντες παρὰ τοῦ βασιλέως, εἰσῆλθον οἱ ἀρχιμανδρῖται· καὶ ἔμεινε τὸ πλῆθος τῶν μοναζόντων, καὶ τῶν λαῶν, ψάλοντες ἀντίφωνα· εἶτα ἐξῆλθον, τυχόντες δικαίας ἀποκρίσεως. βοῶσι πάντες τὰ μακάρια τοῦ βασιλέως· εἶτα ἀπελογοῦντο· ὅτι ἀπήλθομεν εἰς τὸ μαρτύριον τοῦ ἁγίου Μωκίου, καὶ ἀναγνόντες μὲν τὸν ὅρισμὸν· μανθάνετε καὶ τὴν ἀπολογίαν τοῦ βασιλέως. λοιπὸν ἀπῆλθον πάντες, καὶ οἱ μοναζόντες, καὶ οἱ λαοί. ἦν γὰρ ἡ ὁδὸς κεφαλὴ μία, ψάλοντες αὐτὸν τὸ πλάγιον ψαλμὸν, καὶ τὸ πλάγιαι τοῦ μέρους τῆς

τῆς πόλεως ἀπαντῶντος τοῦ λαοῦ· καὶ οἱ μονάζοντες μὲ κηρῶν ψάλλοντες· καὶ ὡς εἶδον τὸ πλῆθος, ἐβόησαν κατὰ τοῦ ἐχθροῦ· ἔρχονται εἰς τὸ μαρτύριον τοῦ ἁγίου Μωκίου, καὶ ἀναγινώσκεται αὐτοῖς ἡ ἐπιστολή.

Δαλματίου ἀπολογία.

Ἀνῆλθεν ἐφ' ὑψηλοῦ ὁ ἅγιος Δαλμάτιος, καὶ εἶπεν· εἰ θέλετε ἀκοῦσαι, ἡσυχάσατε, καὶ μαθήσεσθε, καὶ μὴ θελήσητε ἐμποδίσαι τοῖς λεγομένοις· ἀλλὰ μακροθυμήσατε ἵνα τὰ ῥήματα ἀκριβῶς ἀκούσητε. τὴν εὐλάβειαν, τὴν νῦν ἀναγνωσθεῖσαν τῇ ὑμετέρᾳ εὐσεβείᾳ, ὁ εὐσεβέστατος βασιλεὺς ἀκήκοεν, καὶ ἐπῄνεσεν· ἐπειδὴ ἤμελλον ἐγὼ εἰρηκὼς τῷ βασιλεῖ, ὅτι ἦλθε πρός με, ὅτι ὤφειλε γράψαι τῇ ἁγίᾳ συνόδῳ, ἃ ἐλέχθη αὐτῷ, καὶ οὐκ ἐγράφη. ἔπεμψε δὲ πρός με, καὶ ἀνεγνώσθη· καὶ ἵνα μὴ λυπήσω αὐτὸν, τὰ ἀκόλουθα προέπεμψεν, ἃ οἱ ἀποφέροντες, οὐκ ἐδέξαν, ἀλλὰ αὐτὶ αὐτῶν ἄλλα ὑπεδέξαν γράμματα. τὰ πρέποντα οἶδα, καὶ τὰ ἀκόλουθα ἐλάλησα αὐτῷ· ἃ οὐκ ἔξεστι νῦν εἰπεῖν, ὅτι τῆς ὑμετέρας εὐλαβείας. μὴ γὰρ νομίσητε ὅτι ὑστεραιρόμενος τὶς ἐμοῦ, ἢ καυχώμενος· σαυτρίψει γὰρ ὁ θεὸς ὀστᾶ ὑποκριτῶν. ὁ δὲ αὐτοκράτωρ γὰρ πάντα ἀκολούθως ἤκουσε τὰ μεμνημένα, καὶ ἐχάρη μὲ εὐχαριστίας τῷ θεῷ, καὶ συνεφώνησε τῇ ῥήμασι τῆς ἀκολουθίας τῆς ἁγίας συνόδου, ὡς πρέπει τῇ αὐτοῦ βασιλείᾳ, οὐ τοῖς ἐμοῖς ῥήμασιν ἐξακολουθήσας, ἀλλὰ τῇ πίστει τῶν πάππων αὐτοῦ, καὶ πατέρων. πάλιν, καθὼς ἔφερεν, ἐδέξατο, καὶ ἀνέγνω, καὶ ἐπείσθη· καὶ πάλιν εἶπεν ὅτι ἐὰν οὕτως ἐστὶν, ἄφες, ἐλθόντων οἱ ὑποκρινόμενοι ἐπίσκοποι· καὶ εἶπεν αὐτῷ· ὅτι οὐδεὶς αὐτοῖς συγχωρεῖ τοῦ ἐλθεῖν· καὶ εἶπεν· οὐδεὶς κωλύει· ἐγὼ δὲ εἶπον ὅτι σκορπισθήσονται, καὶ σκωλύσησθε τοῦ ἐλθεῖν· καὶ εἶπον πάλιν, ὅτι σὺ μὲν σκόρπια καὶ ἔρχονται πολλοὶ, καὶ ἀπέρχονται ἀκωλύτως, τὰ δὲ θεῖα τῆς ἁγίας συνόδου πραττόμενα, οὐδεὶς συγχωρεῖ ἀκουσθῆναι ὅτι τὴν ὑμετέραν εὐλάβειαν. ὡς δὲ τὸ μέρος τὸ ἕτερον, γνήσιον, ὡς τὸ τοῦ Κυρίλλου, εἶπον αὐτῷ τῷ βασιλεῖ ἐμπροσθεν πάντων· πῶς θέλεις ἀκοῦσαι, τῶν ἑξακισχιλίων ἀριθμῷ ὑποκόπων, ἢ ἑνὸς ἀνθρώπου δυσεβοῦς; τῶν ἑξακισχιλίων εἶπον, οἵτινες εἰσὶν ὑπὸ τὴν ἐξουσίαν τῶν μητροπολιτῶν τῶν ἁγίων ὑποκόπων. τοῦτο δὲν ἐγένετο, ἵνα πεμφθῇ, καὶ ἔλθωσιν οἱ ἐρχόμενοι, οἱ καὶ τὰ πεπραγμένα πᾶσιν ὑπὸ φανερὰ καταστῆναι, λέγω δὴ, οἱ ἁγιώτατοι ὑποκόποι, οἱ νῦν ἐρχόμενοι σὺν τοῖς ἁγίοις πατράσι· καὶ εἶπον, ὅτι καλῶς ἐζήτησας· καὶ πάλιν προσέθηκε ῥῆμα ἓν, καὶ εἶπεν· εὔχεσθε ὑπὲρ ἐμοῦ· καὶ οἶδα, ὅτι ὁ βασιλεὺς ἐξακολούθησε μᾶλλον τῷ θεῷ, καὶ τῇ ἁγίᾳ συνόδῳ, καὶ ἤκουσε τῶν διεστραμμένων ἀνθρώπων. εὔχεσθε οὖν ὑπὲρ τοῦ βασιλέως, καὶ ὑπὲρ ἡμῶν.

Apologia Dalmatij.

Sanctus itaque Dalmatius, vbi in suggestum ascēdisset, dixit: Si vultis audire, quieti adeste, & discite: neque his quæ dicētur, obstrepere velitis. Adeste autem patienti animo, vt verba exacte percipere valeatis. Quam nunc pietas vestra epistolam audiuit, eam pijssimus Imperator quoque legit, & persuasus est. Nam ego, cū ad me venissēt, dixeram Imperatori, eum ad sanctam Synodū debere scribere quæ suggesta quidem ipsi fuerūt, non tamen plene perscripta. Misit autem ad me, & lecta sunt. Verum ne qua illum tristitia afficerem, quæ consequebantur, præmisi; quæ latores non exhibuere, sed illorum loco alias quasdam litteras subostenderunt. Erant autem quæ cum ipso sum loquutus cōuenientia, & ad rem opportuna, quæ nunc coram vestra pietate repetere opus non est, ne elatus, aut gloriabundus à vobis existimer. Conteret enim Deus simulatorum ossa. Imperator omnia quæ facta narrabantur, ordine audiuit, audiēdoq. gauisus est, & Deo gratias egit. Neque audiuit solum, sed narrationis quoque seriem sanctę Synodi, sicut illius Maiestatem decebat, comprobauit, non meis quidem verbis ad hoc inductus, sed patrum & auorum suorū Fidem sequutus. Scripta itaque (vt par erat) suscepit & legit, ac persuasus ait: Si res ita habet, sine vt Episcopi qui adfuerunt, huc veniant. cui ego: Nemo eorum venire sinitur. & ille: Nemo prohibet. Rursum ego: Detinentur, inquam, & prohibentur, ne veniant. Subiecī: Qui è Nestorij factione sunt, eorum multi eunt & redeunt libere: quæ vero à sancta Synodo acta sunt, ea nemo ad vestram pietatem referri permittit. Ceterum pro altera parte, Cyrilliana scilicet, coram omnibus ipsi Imperatori dixi: Sex millia ne Episcoporum audire mauis, an vnum hominem, eumq. impium? Sex millia autem eos aiebam, qui sub Metropolitanorum sanctissimorum Episcoporum potestate degunt. (hæc autem omnia eò spectabant, vt accerserentur & venirent, qui ea quæ facta sunt, patefacerent. loquor autem de sanctissimis Episcopis, quos sancta Synodus huc destinauit.) Et respondit: Recte quæsiuisti. Rursumq. adiecit verbum vnum, & dixit: Precemini pro me. Sed & certo noui, Imperatorem Deo & sanctæ Synodo obsequutum potius, quàm peruersis hominibus. Orate igitur pro Imperatore, & pro nobis.

Populus Constantinopolitanus vna simul voce exclamauit: Anathema Nestorio.

SEmper & ab ineunte ætate orthodoxo dogmate gloriantes, toti in hoc sumus, vt sanctorum Patrum traditionem conseruemus. De qua quidem per ea quæ sanctissimus pijssimusq. Multa itaque & magna facinora, quæ pro eadem recta Fide egregie gesta sunt, aperte nobis innotuerunt. Quare cum Nestorium, nostrum quondam Antistitem, quòd Apostolicam, sinceramq. ac piam doctrinam adulteraret, à vestra pietate ordine locoq. motum esse intellexissemus, commemoratas litteras à Theodosio & Valentiniano pijssimis Christianissimisq. Sciat ergo vestra sanctitas, populum nobis vna voce consensisse, & magnis quoque laudum præconijs euexisse cùm sanctam & œcumenicam vestram Synodum, tum victores quoque Imperatores, quòd pium vestrum conuentum omni studio curassent. Sunt enim hi, de quibus iam dudum veſtræ pietati manifeſtum fecimus, quomodo à nobis receſſerint, Canonesq. temerario auſu calcantes, & ad contumeliam Præſidum noſtrorũ ſe conuertentes, ob illam proteruiam, qua in nos vſi ſunt, vniuerſę œcumenicæ Synodi communione ſeſe priuauerint; & quomodo ad probationem vocati, nequaquam parere voluerint; eaq. de cauſa ab vniuerſali Synodo prorſus & à communione, & à quauis functione remoti fuerunt.

Quin

Quin & illud quoque Chriſtianiſſimæ Maieſtati veſtræ indicamus, nempe nos propter talem illorũ inſolentiam, necnon propter certamina, quæ in hodiernum vſque diem pro depoſito Neſtorio decertare non ceſſant, ad communionẽ illos admittere nullatenus voluiſſe, cum neque Neſtorij depoſitioni ſubſcribere ſuſtinuerint, & aperte quoque cum illo ſentiant: tum ob id, quòd propter immodeſtum aduerſus Præſides noſtros conatum in Canones inciderint: tum etiam ob id, quòd pijs veſtris auribus mentiri, ac imponere non erubuerint. Oramus etiam veſtram Maieſtatem Deo dicatam, vt Cyrillum & Memnonem ſanctiſſimos Deoq. dilectiſſimos Epiſcopos, cum per ſacros Canones nullo modo ſint condemnati, ſanctæ Synodo reſtitui curet: eamq. Fidem inconcuſſam cuſtodiri faciat, quæ à maioribus tradita, animæ quoque veſtræ à Spiritu ſancto inſcripta hæret, & in commentarijs contra Neſtorium editis, & à nobis dudum oblatis, admodum dilucide explicatur; propoſita quidem Fide ſanctiſſimorum trecentorum decem & octo Patrum Nicææ quondam congregatorum: cum omnis in ipſis contenta actio ſufficiat ad reuincendam aduerſariorum impietatem, & ad oſtendendam & conſtituendam orthodoxam Fidem, quam vos hactenus per omnia cuſtodire ſtuduiſtis. Quòd ſi Maieſtati veſtræ, quæ inter nos, & illos qui ſe abiunxerunt, acta ſunt, exactius dignoſcere libuerit, ſublimitatem veſtram oramus, vt ad ſanctam Synodum mittat quos probauerit; vt hac ratione de omnibus etiã coram plenius doceri queat Chriſti amans veſtra Maieſtas.

Cum vero hac ſpe magnificentiſſimus ille vir, cuius meminimus, fruſtratus eſſet, aliud rurſum excogitauit, & à ſancta Synodo petijt, vt Fidei expoſitionem ſcripto ſibi exhiberet: vt cum illi quoque ipſius impulſu aſſenſiſſent, ac ſubſcripſiſſent, reuerſus diceret: Redegi illos in amicitiam, qui humanis offenſis inter ſe diſſidebant. Hoc intelligens ſancta Synodus, iterum ſurrexit, diſerte dicens: Nolumus nobis ipſis eam contumeliam irrogare. non enim tamquam hæretici [huc] vocati ſumus; ſed venimus vt Fidem labantem & exagitatam ſtabiliamus, quam & ſtabiliuimus: nec opus eſt Imperatori, vt Fidem nunc diſcat, cum hanc ſciat, & in ea baptizatus ſit. Quare nec id quidem Orientalibus ſucceſſit. Sed & illud quoque ſciatis, nempe, cum Fidei expoſitionem componerent, inter ſe contendiſſe, & in ea altercatione etiam nunc verſari. Nam alij ex illis ſanctæ Virgini Deiparæ appellationem concedunt; ita tamen, vt ſimul quoque hominis genitrix dicatur: alij vero prorſus negant, addunt q. paratiores ſe eſſe vt manus ſuas amputandas præbeant, quàm vt huiuſmodi voci ſubſcribant. Vbique autem turpitudine notantur, iam hæretici declarati. Hæc à veſtra pietate diſcant omnes, præſertim vero pijſſimi & ſanctiſſimi Archimandritæ; ne forte prædictus [vir] reuerſus, quorumdam aures mulcens, alia pro alijs dicat, aut doceat. Ne vero pigreſcat pietas veſtra, neque noſtri cauſa labori inſiſtens defatigetur, ſciens quòd hac ratione Deo hominibusq. ſeipſam commendet. Hic etenim pijſſimi Epiſcopi, qui nos numquam nouerant, per Saluatoris gratiam parati ſunt animas pro nobis ponere, & cũ lacrymis [nos] adeuntes, aiunt & exilium & mortem quoque ſimul ſubire ſe in votis habere. Verſamur autem omnes in multa conflictatione, eo quòd cuſtodiamur à militibus, etiam ante noſtra cubicula dormientibus; maxime vero nos. Reliqua autem Synodus vniuerſa defatigata eſt, & laborat; & complures mortui ſunt: iam vero & ceteri, eo quòd ſumptibus deſtituti ſint, res ſuas diuendunt.

QVanta propter veram orthodoxamq. Dei Fidem in Epheſiorum ciuitate quotidie patiamur, id ſermone explicari non poteſt. Turbationi enim turbatio abſque vlla intermiſſione ſuccedit. Fidei tamen vis & confeſſio multum

Etenim magnificentiſſimus Comes Candidianus milites interdum in nos concitans,totam ciuitatẽ tumultuationibus implet, omniumq. ſimul vitæ neceſſariorum importatione per cuſtodiã nos priuat. Non paucos quoque ex Zeuxippo,qui depoſito Neſtorio adhærent, permittit in nos, totamq. ſanctam Synodum contumelias effundere, qui & hanc ob cauſam aluntur. quin etiam non parua ruſticorum multitudo, per illos petulantius nos inſectantium, ex Eccleſiaſticis poſſeſſionibus conuenit. Hanc porro inſolentiam & temeritatem, quotidianasq. Irenæi magnificentiſſimi Comitis impoſturas, quibus ſimpliciores circumuenit, excepit Antiocheni Epiſcopi præſentia. Cum enim ſancta Synodus aduentum ipſius appetere intellexiſſet,honorem,& quã oportuit ſacerdoti obſeruantiam impendens, quoſdam Deo dilectiſſimos Epiſcopos cum nonnullis quoque religioſiſſimis clericis obuiam illi miſit, hæc duo faciens,nempe & debitum illi honorem deferens, ſimulq. vt à Neſtorij, propter impietatem quam profeſſus fuerat, à ſancta Synodo depoſiti, colloquio ſe abſtineret, eum commoneſaciens. Cum autem militum comitatu impediti,eum per viam alloqui non poſſent; nihilominus tamen pone ad illius diuerſorium vſque conſequuti ſunt. Multis autem horis ibi præſtolantes, neque vllam eius conueniendi copiam obtinere valentes,militum contumelijs interim onerati,tamdiu manſerũt, donec poſt diuturnam moram, cum videlicet ita illi viſum iam eſſet,pijſſimos Epiſcopos,religioſiſſimosq. clericos accerſitos, per milites ad ſe introducit. His itaque tranſactis, pijſſimi Epiſcopi qui ad illum miſſi fuerant, ad ſanctam Synodũ redeuntes,plagasq. ſibi impoſitas oſtendentes, & quæ acciderant exponentes, ad commentariorum actionem propoſito ſancto Euangelio, ſanctam Synodum ad indignationem commouerunt. Iam vero nonnihil illius inſolentiam refrænantes, eum excommunicationi ſubiecerunt, quæ & ipſi denuntiata eſt. Accepimus enim ſcriptum quoddam,certum illius temeritatis,illegitimæq. eiuſdem ſententiæ argumentum, nullo certo auctore editum,nulla ſubſcriptione munitum, in quadam ciuitatis parte fuiſſe propoſitum. Pijssimis Christianissimisq. Imperatoribus, Theodosio & Valentiniano, victoribus, triumphatoribus, semper Augustis, sancta & œcumenica Synodus, quæ per Dei gratiam, vestraq. Maiestatis nutum in Ephesiorum metropoli conuenit.

Τὸ μὲν ὑμέτερον κράτος οὐ πρέπει τὴν ἀληθῆ πίστιν * καταρτισμένην τῆς Νεστορίου διδασκαλίας, μὴ ἰουδαίων ἐναντίζοντος τῷ δεσπότῃ Χριστῷ, ἃ δι' ἡμᾶς, καὶ διὰ τὴν ἡμετέραν σωτηρίαν ὑπέμεινεν, ἀνθρώπινα πάθη· ἀλλὰ βδελυξαμένη ἡ ὑμῶν εὐσέβεια τοὺς τοιούτους κατὰ Χριστοῦ λόγους, ἐκ πάσης σπεύδει τὴν ὑφ' ἥλιον ἡμᾶς συναχθῆναι σφοδρότερον ἐν τῇ Ἐφεσίων μητροπόλει, παγῆναι τὰ τῶν πατέρων, καὶ τῶν ἀποστόλων τῆς εὐσεβείας βεβαιωμένα δόγματα. ὅθεν συνελθόντες, καὶ κοινῇ κρίσει βεβαιώσαντες τὴν ἐκπεθεῖσαν πρὸ τούτου πίστιν παρὰ τῶν τριακοσίων δεκαοκτὼ τῶν ἐν Νικαίᾳ συναχθέντων ἐπὶ τοῦ τῆς μακαρίας μνήμης Κωνσταντίνου, Νεστορίου τε καινοτομοῦντα τούτῳ τῷ πίστει κατέγνωμεν πίκραις λόγων, καὶ ἐπάναγκες ψήφισμα κατεβάλομεν τῆς δυσεβείας τὸ φρόνημα, τοῦ ἱεροπρεποῦς βαθμοῦ καθαιροῦντες, καθ' ὅτι περ καὶ λοιμὸν τὸν λόγον αὐτοῦ, * τῆς ἐκκλησίας ἀπονεμόμενον, ἀρξάμενοι βεβουλόμεθα· ἀλλ' ἐπειδὴ τινὰς * δεχόμεθα καὶ τῶν ἀπιστούντων ἤδη σαλωθέντας, καὶ τοῖς * αὐτοῖς φρονοῦντας, καὶ τῇ ἐκείνου βλασφημίᾳ συνυπαχθέντας, ἅπαντας τοὺς τοῖς * αὐτοῖς φρονοῦντας ἀκοινωνήτους πεποιήκαμεν, μέχρις ἂν ἀποστῶσι τῆς διεφθαρμένης ἐκείνου διδασκαλίας, ἐπιγνῶσι τὴν καθολικὴν, καὶ ἀποστολικὴν πίστιν· ἣ αἰῶθεν ἐπερειδόμενοι ἅπαντες σωζόμεθα. ἀλλ' ἡμεῖς μὲν ὅπερ διεθέμεθα τοὺς συναχθέντας νῦν ἐν τῇ πλατείᾳ ὡρίσαμεν ταῦτα, τὴν αὐτὴν ἐκδεχόμενοι μεταμέλειαν· αὐτοὶ δὲ τριάκοντα τὸν ἀριθμὸν ὄντες, μικρῷ πλείους, ἦσαν δέ τινες ἐν αὐτοῖς ἐξ ἑτέρων αἰτιῶν τοῖς κανόσιν ὑποκείμενοι, καὶ πολλαχόθεν τὸν διλαβέστατον ἐπίσκοπον τῆς Ἀντιοχέων Ἰωάννην, ὃς ἐν αὐτοῖς ὑστέρα πολλῆς βραδύτητος ὑπέδυνος ἦν αἰτίαις, ἄλλοι δ' ἐφ' ἑτέραις αἱρέσεσιν ἐλεγχόμενοι, τινὲς δ' αὐτῶν καὶ ἤδη καθῃρημένοι, πολὺς μετάνοιαν

C VEstra quidem Maiestas non est passa veram Fidem Nestorij doctrina labefactari, qui Christo Domino passiones humanas, quas propter nos, nostramq. salutem sustinuit, cum Iudæis probro vertit: immo vero pietas vestra huiusmodi contra Christum sermones aperte detestata, ex vniuerso prope orbe ad Ephesiorum metropolim congregari nos iussit, vt Patrum, Apostolorumq. pia dogmata cõfirmentur ac statuantur. Ob eam itaque causam in vnum congregati, Fidem à trecentis decem & octo [Patribus] qui in Nicæa ciuitate sub beatæ memoriæ Constantino conuenerant, expositam, communi iudicio corroborauimus: Nestorium vero peregrinis sophismatis, artificijsq. sermonum illam Fidem adulterare, pietatisq. sententiam nouitatis studio labefactare deprehensum, sacerdotali gradu mouimus, eius doctrinam veluti pestem quamdam Ecclesias depascentem comprimere volentes. Sed quoniam nonnullos quoque Episcopos iam nutantes, Nestorijq. sensu imbutos, immo in illius blasphemiam inductos comperimus, omnes qui eadem cum eo sentiunt, à communione excluſimus, donec perdita illius doctrina reiecta, catholicam & Apostolicam Fidem agnoscant: cui omnes iam olim firmiter innixi, salutem consequimur. Et nos quidem hæc decreuimus, vt qui in errorem acti fuerant, hac ratione corrigerentur, ipsorum pœnitentiam expectantes. Illi vero (cum triginta essent numero, paulo plures, multiq. ex ipsis etiam propter alia crimina Canonibus obnoxij, & reuerendissimum Ioannem Antiochenum Episcopum adsciuissent, qui & ipse quoque quòd admodum tarde venisset, culpam sustinebat; alij de alijs hæresibus conuicti; nonnulli quoque ex illis loco iam moti) ad pœnitentiam quidem non

non venerunt, sed ad patrocinandum Nestorio inter se conuenientes, contra sanctæ & œcumenicæ Synodi Præsides depositionis sententiam scribere, eamq. veluti ab vniuersa Synodo profectam, ad vestram pietatem deferre ausi sunt: quã vestra Maiestas cum accepisset, firmam esse iussit; ab ipsa nimirum Synodo ortam esse rata, & non contra Synodum ab illis cõtextam, qui cum Nestorio sentiunt, seq. de nobis propter Nestorij depositionem vlciscuntur; nullum prorsus crimen, quod contra sanctæ nostræ Synodi duces proferre queant, habentes. Atque ita temerario ausu pijs vestris auribus fucum facere voluerũt, ac efficere, vt depositio, quam contra sanctam Synodum moliti sunt, approbaretur; quæ tamen neque legitime, neque canonice, neque à multis decreta est. Quapropter & sancta Synodus legitima canonicaq. actione, ea quæ contumelioſe & absque vlla ratione ab ipsis iudicata fuerant, euertit, nullaq. esse declarauit. Vniuersi proinde ad pietatis vestræ Maiestatem confugimus, supplicantes, vt quæ contra Nestorium, eiusq. sectatores gesta sunt, robur suum obtinere; cetera vero, quæ ab illis qui Nestorium vindicant, eo quòd eiusdem cum illo sententiæ exsistunt, contra Synodi nostræ duces illegitime facta sunt, inefficacia & irrita manere iubeat; vt quæ neque conuenienter, neque canonice contra eos qui de nullo crimine conuicti sunt, sed sola vindictæ libidine per temeritatem aduersus sanctam Synodum perpetrata sunt ab illis qui cum Nestorio sentiunt. Etenim si sanctæ Synodi sententia in Nestorium apertæ impietatis præconem lata, est iusta, vt dominatio vestra iustam esse declarauit; intelligit vtique vestra Maiestas, quę contra sanctam Synodum ab illis qui cum Nestorio sentiũt, facta sunt, inefficacia penitus & irrita manere, cum ex nulla prorsus bona & consentanea causa nata sint, sed ex solo vindictæ studio, ob ea quæ sancta & magna Synodus contra Nestorium gessit. Obtestamur proinde vestram Maiestatem, vt tandem nos ab hac tribulatione liberet, Cyrillumq. & Memnonem Deo deuotissimos Episcopos, sanctæq. huius Synodi principes restitui nobis iubeat. Consentaneum est enim, vt vindicata iam pietate, illisq. refrænatis qui eam labefactabant, hi qui vna nobiscum pro Fide decertarunt, honore perfruantur, neque cum illis qui de nefandis in Christum blasphemijs conuicti sunt, condemnentur.

Iuuenalis Hierosolymorum Episcopus supplici huic libello subscripsi. Subscripserunt itidem & omnes Episcopi in commentariorum serie recensiti.

A Q Vi in tanta rerum fluctuatione versamur, tantisq. bellis vndique impetimur, nec vllo tamen interea pacto ad placidum serenumq. pijssimorum & Christianissimorum Imperatorũ aspectum, vnde solum á tantis his molestijs liberationem sperare licebat, admittimur; quam aliam consolationis rationem inire possumus, quàm vt quæ nos vrunt, apud nostra membra deploremus? Vos autem œcumenicæ Synodi membra estis, qui pietatis zelum per omnia ostendistis. Sciat itaque pietas vestra, Ephesum perinde ac carcerem prorsus nos inhabitare; in qua iam trimestre spatium vsque adeo B arcte incluſi tenemur, vt neque per mare, neque per terras libere & absque discrimine quempiam omnino vel ad pium Comitatum, vel in aliquem alium locum amandare queamus. Nam quotiescumque ea quæ mittimus, reddi contigit; vt tabellarij sexcenta vitæ discrimina euaderent, in alias atque alias formas sese transformare coacti sunt. Quòd autem tam diligenter custodimur, hoc aliunde non prouenit, quàm quòd ad pijssimos Imperatores omnia contra nos falso deferuntur. Nam alij, vt accepimus, quasi seditionis auctores apud pias Augustorum aures nos incusant: alij sic suggerere ausi sunt, quasi œcu- C menica nostra Synodus Cyrillum sanctissimum, Deoq. dilectissimum Archiepiscopum Alexandrinum, & sanctissimum, Deoq. deuotissimum coëpiscopum nostrum Memnonem deposuisset. Quidam & hoc fortassis adijcere veriti non sunt, quòd cum defectionis conciliabulo, cuius dux est Ioannes Antiochenus, amicum colloquium inire nobis placuerit. Ne igitur hæc patchant, tanta diligentia custodimur, tantumq. bellum contra nos concitatur. Cum ergo in magna difficultate constituti simus, ad vestram pietatem scribere festinauimus. Scimus enim, vos germanorum filiorum locum apud œcumenicam Synodum re- D tinentes, atque ita affectos, vt orthodoxam Fidem nulla ratione prodi velitis, cum multa supplicatione & lacrymis, simulq. cum his litteris ad pijssimi, Christianissimiq. Imperatoris genua aduolutos, illum de omnibus quæ contra nos geruntur, dilucide instructuros. Nos enim memoratos sanctissimos, Deoq. dilectissimos Episcopos Cyrillum & Memnonem non condemnauimus; sed magna commendatione, coronisq. dignos censemus; vt qui soli primiq. pluſquam reliqui omnes diuino zelo commoti, impijssimum Nestorium impietatis præconẽ excindere, Ecclesiasq. ab hoc piaculo repurgare, quibuscumque E modis elaborarint: neque nunc quidem à prædictorum sanctissimorum Episcoporũ communione nos seiungi sustinebimus; sed vna cum illis in exiliũ pelli, maximi quoque lucri loco ducturi sumus. Certum autem nobis est, illud schismaticorũ conciliabulum ad communionem non admittere: immo vero communibus omnium vocibus Ioannem Antiochenum, & qui cum illo faciunt, in facie Ecclesiæ iam anathematizauimus: primum quidem, quòd impietatis præconem Nestorium

ἄρπαγμα ὡς ἐκ τῶν διαβεβλημένων, ὅτι κατ' συνοδικὴν ἐμὲ, καὶ οὐ κατὰ συνοδικὴν τῆς ἁγίας συνόδου, τὴν καθαίρεσιν ὑπέμεινε Νεστόριος. ἀλλ' εὐλογητὸς ὁ σωτὴρ, ὁ τοὺς τὰ τοιαῦτα λέγοντας ἐλέγξας. ἐλθὼν γὰρ εἰς τὴν Ἐφεσίων ὁ κύριός μου, ὁ μεγαλοπρεπέστατος, καὶ ἐνδοξότατος κόμης τῶν θείων λαργιτιώνων Ἰωάννης, καταγνοὺς τῶν τὰ τοιαῦτα πλουμνησάντων, οὐδὲν εὗρεν ἀληθές. οἶδε δὲ, ὅτι ἰδίαν ἔνστασιν ἡ ἁγία συνόδος τῆς πίστεως ἔσχε, καὶ οὔτε ἐμοὶ χαριζομένη, οὔτε ἑτέρῳ τινὶ, ἀλλὰ θείῳ ζήλῳ κινουμένη, καὶ οὐκ ἐνεγκοῦσα τὰς ἐκείνου βλασφημίας, κατεψηφίσατο αὐτοῦ. ἀναγνωσθέντες δὲ καὶ τὸ γράμματα τῶν θεοσεβεστάτων, καὶ φιλοχρίστων βασιλέων· οἷς αἱ τῶν τριῶν καθαιρέσεις ἐβεβαιοῦντο εἶναι δεκτάς, ἐφρουρούμεθα πῶς, οὐδὲ εἰδότες τὸ ἐκβησόμενον. πλὴν εὐχαριστοῦμεν τῷ θεῷ, ὅτι καταξιωθῆναι ἐστὲ τοῦ ὀνόματος αὐτοῦ, οὐ δεσμῶται γενέσθαι μόνον, ἀλλὰ καὶ τὰ ἄπερα πάσχειν· καὶ γὰρ ἄμισθον τὸ πρᾶγμά ἐστιν. οὐκ ἠνέσχετο δὲ ἡ συνοδος κοινωνῆσαι Ἰωάννῃ, ἀλλ' ἐνίστατο λέγουσα· ἰδοὺ τὰ σώματα, ἰδοὺ αἱ ἐκκλησίαι, ἰδοὺ αἱ πόλεις, ἐξουσίαν ἔχετε· ἡμεῖς κοινωνῆσαι δύναμαι τοῖς ἀνατολικοῖς, ἂν μὴ λυθῇ τὰ καταδικασθέντα ἐκ τῆς αὐτοῦ συκοφαντίας κατὰ τῶν συλλειτουργῶν ἡμῶν, ὁμολογήσωσι δὲ καὶ τὴν πίστιν ὀρθὴν· καταγινώσκοντας γὰρ τὰ Νεστορίου καὶ λαλοῦντας, καὶ φρονοῦντας, καὶ ὁμολογοῦντας. ἡ πᾶσα οὖν ἔνστασις ἐν τούτοις. διχέθωσαν ὑπὲρ ἡμῶν πάντες οἱ ὀρθόδοξοι. ὡς γὰρ φησὶν ὁ μακάριος Δαυίδ· ἐγὼ δὲ εἰς μάστιγας ἕτοιμος.

A dictum est à calumniatoribus, Nestorium non sanctæ Synodi voluntate, sed meis artibus exauctoratum esse. Sed benedictus Saluator, qui talia dicentes redarguit. Etenim posteaquam dominus meus magnificentissimus & gloriosissimus Comes sacrarum largitionum Ioannes Ephesum venisset, nihilq. eorum veritate niti comperisset, condemnauit eos qui talia nugati fuerant. Agnouit autem, sanctam Synodum Fidei causa contendisse, studio proprio, neque mihi, neque vlli alteri gratificantem, sed diuino zelo motam, quòd blasphemias illius ferre non posset, Nestorium condemnasse. Posteaquam vero religiosissimorum, Christiq. amantium Imperatorum litteræ, quibus triũ depositiones confirmabantur, lectæ fuerunt, custodiæ traditi sumus, & adhuc custodimur, ignari prorsus quò tandem res hæc sit euasura. Verumtamen gratias agimus Deo, quòd pro nomine illius digni habeamur non solum vinculis constringi, sed cetera quoque omnia perpeti. neque enim ista præmijs suis carebunt. Non potuit autem sancta Synodus induci, vt cum Ioanne communicaret, sed restitit, dicens: Ecce corpora, ecce Ecclesias, ecce ciuitates; potestatem habetis: nos autem vt prius cum Orientalibus communicemus, quàm ea dissoluantur, quæ per illorum calumniam contra comministros nostros comparata sunt, ac rectam Fidem confiteantur, id fieri nullo modo potest. Dignoscuntur enim Nestorij dogmata loqui, sentire & confiteri. Tota itaque contentio in his posita est. Precentur pro nobis orthodoxi omnes. Vt enim beatus Dauid ait: Ego vero in flagella paratus sum. *Psal. 37. b. 18.*

Nam & populum confirmauimus, & piorum zelum inflammauimus, & sacerdotibus, in quibuscumque visum eis fuit, operam præstitimus. Verum quia hæc parua sunt, & quæcumque ab absentibus fieri possunt, non dubitauimus hanc quoque epistolam ad vos mittere, vestros sudores, quos pro religione profunditis, beatos prædicantes, necnon elogia, quæ de sanctis Prophetis & Patribus prodita sunt, omnibus & singulis vobis, sanctiPatres, personantes: quoniam tamquam patres sancti, cælestiq. vocatione digni, sicut oues occisionis reputati estis, tota die pro Christo mortificati, egentes, afflicti, angustiati, quibus dignus non erat mundus. Sed & vos quoque quid opus sit facto, per epistolam nobis explicate: vt si sanctam Synodum adire, quodq. certaminis adhuc reliquum est, vnà vobiscum tolerare necesse fuerit, alacriter, quæ nostra est promptitudo, aduolemus: sin autem hic manendum esse inferitis, (nam & ea quæ Dei amantissimus & pijssimus Imperator propter adorandum Deum nobis pollicetur, minime contemnenda sunt) hoc ipsum significate; ne graui ista sollicitudine & cura diutius conficiamur.

ΑΝΤΙΓΡΑΦΟΝ ΤΗΣ ΑΓΙΑΣ συνόδου πρὸς τοὺς αὐτοὺς ὑποπόους, εὑρεθέντας ἐν Κωνσταντινουπόλει.

Reuerendissimis, Deoq. dilectissimis comministris, Eulalio, Eutrechio, Acacio, Chrysaphio, Hieremia, Theodulo, Esaia, sancta Synodus, quæ per Dei gratiam, pijssimorumq. ac Christi amantiũ Imperatorum nostrorum decretum in Ephesiorum metropoli congregata est, in Domino Sal.

Τοῖς θεοσεβεστάτοις, καὶ θεοφιλεστάτοις συλλειτουργοῖς, Εὐλαλίῳ, Εὐτρεχίῳ, Ἀκακίῳ, Χρυσαφίῳ, Ἱερεμίᾳ, Θεοδούλῳ, Ἡσαΐᾳ, ἡ ἁγία σύνοδος, ἐν χάριτι θεοῦ, καὶ διατάγματι τῶν θεοσεβεστάτων, καὶ φιλοχρίστων ἡμῶν βασιλέων συγκροτηθεῖσα ἐν τῇ Ἐφεσίων μητροπόλει, ἐν κυρίῳ χαίρειν.

QVi ita affecti sunt, vt & litteræ vestræ testatum nobis faciunt, nihil mirum est si animo & corpore opem ferant decertantibus; laboresq. quos hoc loco exantlauimus, communes esse ducant. Nam & in certaminibus, spectatores qui certantibus fauent, illis non parum præsidij afferunt, dum luctaminum vsum suggerunt, dum ad victoriam excitant, illaq. denuntiant, quæ pro gloria obire oportet. At vestra pietas hac arte non contenta, quiddam etiam amplius præstandum cogitauit; nempe vt precibus nos confirmaret, & Deum propitiũ placatumq. redderet, ne videlicet supra id quod ferre possumus, tentaremur; aut vt impugnati vincamus oppugnatores. Quin & curarum quoque, laborumq. nostrorum participes estis. Solent enim maioribus plerũque curis angi qui procul absentes rerum euentum audiunt, quàm qui semetipsos in certamina dederunt. Non parum autẽ nos consolatur, illorum qui nos insectantur, artes & machinationes adeo non latuisse, vt ea etiam quæ improbe aduersus sanctam Synodum moliti sunt, ad vos vsque perlata sint. Certa namque spe ducimur fore, vt omnia

Τοὺς οὕτω διακειμένους, ὡς ἐδήλωσεν ἡμῖν καὶ τὰ γράμματα, οὐδὲν ἄπικος, καὶ τῇ ψυχῇ, καὶ τοῖς σώμασι συναθλεῖν· καὶ οὓς διελογιζόμεθα ἐνταῦθα πόνους, κοινοὺς ἡγεῖσθαι· & γὰρ ἐν τοῖς ἀγῶσιν οἱ παραδάται συναίρουσι τῶν θεατῶν, & τῶν παλαισμάτων ὑποβάλλοντες τὸν πόθον, καὶ πρὸς τὸν νικῶντα ἐκκρούοντες, καὶ παρεγγυῶντες ἃ δεῖ τοὺς ὑπὲρ τῆς δόξης ἀγωνιζομένους ποιεῖν. τῇ οὖν θεοσεβείᾳ ὑμῶν πλέον τοῦ πόνου τούτου ἐπινενεύκαμεν, τὸ δύνασθαι ἡμᾶς δυναμένους, & ἐκλιπαρεῖσθαι ὑπὲρ ἡμῶν τὸν θεόν· ὡς ἂν μὴ περαιτέρω παρὸ & δυνάμεθα φέρειν, ἢ πειρασθέντες κριθῶμεν τῶν πειραζόντων γινώμεθα. κεκοινωνήκατε οὖν ἡμῖν τῇ φέρειν πρὸ τῶν πολλῶν· εἰώθασι γὰρ πλέον ὑπὸ τῆς μερίμνης πάσχειν οἱ πόρρωθεν μανθάνοντες τὰ γινόμενα, ἢ οἱ τοῖς ἀγῶσιν ἐμβεβηκότες αὐτοῖς. ἱκανὸν οὖν ἡμῖν εἰς παραμυθίαν, τὸ μὴ ἀγνοηθῆναι τὰς τῶν ἐναντίων καθ' ἡμῶν ἐπιχειρήσεις· ἀλλὰ καὶ ἄχρις ὑμῶν ἐλθεῖν τὰ κατ' αὐτῆς τῆς ἁγίας συνόδου τολμώμενα. ἴσμεν γὰρ, ὅτι διὰ

διὰ τῆς ὑμετέρας θεοφιλίας καὶ εἰς τὰς τῶν εὐσεβεστάτων βασιλέων ἀκοὰς ἅπαντα περιλάβοιτο, καὶ λύσις ἔσται τῶν δυσχερῶν· δηλωσάτων ἡμῖν τόν τε Ἰωάννου τοῦ Ἀντιοχέως ἀπόνοιαν, καὶ τῶν μετ' αὐτοῦ, καὶ ὅσα αὐτοῖς ἀθέσμως παρὰ τοὺς κανόνας κατὰ τῶν θεοφιλεστάτων, καὶ ἁγιωτάτων ἐπισκόπων, Κυρίλλου, καὶ Μέμνονος, καὶ τῆς ἁγίας συνόδου τετολμήκασι. λογιζόμεθα γὰρ μηδὲν τούτων σαφῶς ἐγνωκέναι τὸν θεοφιλῆ, καὶ εὐσεβέστατον βασιλέα· οὐ γὰρ ἂν οὕτως ἴσχυσαν οἱ τὸν καθ' ἡμῶν ἐγείροντες πόλεμον, ὥστε μηδ' ὀλίγου ἡμᾶς ἀξιῶσαι ἀδικουμένους· ἀλλ' ὡς ἀδικουμένους ἐν ἐγκλήμασιν εἶναι· καὶ πολλάκις τὸ πάσχειν ἑαυτοὺς ἐκδεδωκότες, μᾶλλον ἢ ἀμῦναι δι' οὐδεμίαν τῶν ἀδικουμένων ἐγκαλουμένους. τὸ δὲ κωλύεσθαι τὸν ἐπίσκοπον ὑμῶν πρὸς ἡμᾶς ἀφικέσθαι, ἡμᾶς ἔχει τὸν πρόφασιν. πλειόνια γὰρ ἀκριβῶς ἡμᾶς νῦν συνίσχει ἐν γῇ τε, καὶ θαλάττῃ· ὥστε μηδὲ γνωρίζειν τῇ ὑμῶν ἐπιόντι δύνασθαι τὰ γεγενημένα. τῶν δὲ δακρύων ἔργον, καὶ τῆς προσευχῆς ὑμῶν ἐγύμετο, τὸ ἕκαστον ἡμῶν τῶν μήπω πρὸς τὸ τέλος συνελθόντων, τὸν αὐτὸν ἔχειν περὶ τῶν πραγμάτων κρίσιν, καὶ ἀσυμβάτως πρὸς αὐτοὺς διακεῖσθαι· πλὴν εἰ ἀνάγκης εἰς τοῦτο τῶν ἐπεχόντων ἡμᾶς συνελαυνούσης. καὶ ἐν τούτῳ δὲ τῆς διανοίας ὑμῶν τὸ μέρος ἔχομεν, κοινωνοὺς ὑμᾶς καὶ τῶν ἀγώνων, καὶ τῶν ἄθλων εἰδότες. καὶ ὁ ὑπὲρ τῶν τοὺς ἁγίους μάρτυρας ἀγαπώντων ἴσμεν γινόμενον, τοῦτο ἐστι καὶ ὑπὲρ τῆς ὑμετέρας θεοφιλίας ἰδεῖν· ἔχω γὰρ τῶν ἀγώνων ὄντες, τῶν δοκησὶ τῶν στεφάνων κατηξιώθητε, διανοίᾳ μὲν τοῖς ἀδικουμένοις συνεπείμενοι, τοὺς δὲ ἐπαναστάντας καταδικάζοντες· ὡς μηδὲν ὑμᾶς δοκεῖν, τῇ ἀπολείψει ἐλαττον ἔχειν, εἰς πάντα ὑμῶν τῆς ἡμετέρας συμφερομένων γνώμης. οὐ μικρὸν δὲ εἰς ἀφορμὴν νίκης τοῖς μαχομένοις, ἀλλὰ καὶ μέγιστον εἰς παράκλησιν, ὃ καὶ ὑμᾶς ἐμάθομεν πεποιηκέναι, τοῦ λαοῦ τὸν ζῆλον αὐξάνοντας, καὶ θαρρεῖν κατὰ τῶν ἐναντιουμένων ἐπιόντας. λείπεται δὲ, κατὰ χώραν μένοντας τὸ αὐτὸ γνωρίζειν ἡμῖν, καὶ τὰ παρ' ἡμῶν εἰς γνῶσιν τῶν θεοπίστων βασιλέων, καὶ τῆς ἁγίας ἐκκλησίας ἄγειν. τοῦτο γὰρ ἐστι μᾶλλον εἰς ὑπηκοΐαν αὐτάρκως, ἢ εἰ καταλαβόντες ἡμᾶς, συνταλαιπωρεῖν ἡμῖν πλειοχρουμένοις ἀνάγκοιεθε. λογιζόμενοι δὲ μὴ ἐλευθέραν εἰς γνῶσιν ὑμετέραν τὰ πρώην διαπεπρᾶσθαι, καὶ αὐθις τῇ θεοσεβείᾳ ὑμῶν τῶν αὐτῶν αὐτύπωσιν διεπεμψάμεθα. ἀνωτέρω δὲ πάλιν καὶ τοῖς εὐσεβεστάτοις βασιλεῦσι· καὶ γνώσεσθε τὴν θεοσέβειαν ὑμῶν θαυμαστὴν μαθεῖν· ἵν' εἰ μὲν δεδόσθαι, ὑπομνησθῶσι πρὸς τῶν ἀνωτέρω· εἰ δὲ μὴ τοῦτο γεγόνοι, ἵνα νῦν γοῦν μάθῃ αὐτῶν ἡ εὐσέβεια, ἃ πρότερον ἐβουλεύσαντό τινες ἡμῖν τινὲς, ἀγνοῆσαι τὴν αὐτῶν θεοφιλίαν ἐπιτρέψασαν. ἐῤῥῶσθαι ὑμᾶς ἐν κυρίῳ εὐχόμεθα, ἀγαπητοὶ, καὶ πολυέτεροι ἀδελφοί.

omnia & ſingula per veſtram pietatem ad pijſſimorum Imperatorum aures deferantur, omnesq. moleſtiæ è medio faceſſant, vbi primum per vos conſtiterit, quanta vi Ioannes Antiochenus cum ſuis in nos inſaniuerit; quantaq. illegitime præter Canones contra ſanctiſſimos pijſſimosq. Epiſcopos Cyrillum & Memnonem, & contra ſanctam Synodum præſumpſerint. Arbitramur enim, Deo dilectum pijſſimumq. Imperatorem nihil horum dilucide intellexiſſe: alioquin ij qui bellum iſtud aduerſum nos ſuſcitarũt, numquam tantum potuiſſent, vt nos, qui iniuriã perpeſſi ſumus, perinde ac ſi iniuriam intuliſſemus, inſimulati, miſericordia indigni cẽſeremur: maxime vero cum de offendentibus numquam nos vlciſci tentauerimus, ſed vltro perpeſſioni nos expoſuerimus. Quòd vero ſanctitas veſtra prohibeatur quo minus ad nos peruenire queat, id ex noſtrarum rerum ſtatu proficiſcitur. Tam arcte enim terra mariq. nunc obſidemur, vt nihil eorum quæ euenerunt, veſtræ ſanctitati ſignificare potuerimus. Fuit autem veſtrarum precum & lacrymarum beneficium, quòd vnuſquiſque noſtrum, qui nondum ad finem conuenimus, eamdem de hac re ſententiam habeat; conuentionemq. cum illis detrectare pergamus, etiam ſi principes nõ parum vehementer ad hoc nos impellant. Qua etiam in re veſtræ beneuolentię participes ſumus, non ignorantes, quòd laborum certaminumq. vos ſocios habemus: & quod ijs qui ſanctos Martyres diligebant, vſu veniſſe ſcimus, hoc ipſum & in veſtra quoque pietate obſeruamus. Nam etſi pugnæ expertes eſtis, interea tamen citra laborẽ coronas obtinuiſtis, dum iniuria quidem affectis beneuolentia præſto eſtis, inuaſores autem condemnatis, ita vt ex abſentia nihil damni capere videamini, quippe qui per omnia cũ noſtro ſenſu congruitis. Neque vero parũ ad victoriæ occaſionẽ certantibus, immo etiam ad cõſolationem plurimum adiuuat, quod feciſſe vos intelleximus. Nam & populi zelum auxiſtis, & vt aduerſarijs viriliter obſiſtant, omnes animatis. Supereſt autem, vt iſto in loco permanentes, de ijs quæ iſtic contingunt, certiores nos faciatis, resq. noſtras & ſacratiſſimis Imperatoribus, & Eccleſiæ ſanctæ declaretis. Hoc enim longe præſentius ſubſidium afferet, quàm ſi huc delati, afflictiones & obſidionem nobiſcum ſuſtineatis. Ceterum cum exiſtimaremus, quæ nuper ſcripſimus, ad veſtram cognitionem non peruenijſſe, rurſum eorumdem rerum exempla ad veſtram pietatem miſimus: ſed & alteram quoque relationem pijſſimis Imperatoribus faciendam curauimus. Veſtræ pietatis erit diligenter obſeruare, vt ſi quidem reddita fuerint, relata reducatis in eorum memoriam: ſin minus, ſaltem pietas illorum intelligat, quæ ante, quorumdam inſidijs intercepta, ad pietatis ipſorum notitiam peruenire nequiuerunt. Optamus vos in Domino valere, dilecti ac deſideratiſſimi fratres.

EPISTOLA ALYPII AD Cyrillum.

Sanctißimo, Deoq. dilectißimo Archiepiſcopo Cyrillo, Alypius Apoſtolorum Presbyter in Domino ſalutem.

Beatus homo, quem primum Deus dignum cenſuerit, ſanctum Deoq. dilectum caput tuum martyrij confeſſionis ſertis redimitum, dilectionis oculis contueri. Tu enim, ſanctiſſime pater, vigilanti lumine ſanctorum Patrum viam triuiſti: tu vtroque poplite claudicantes, recta ad veritatem incedere docuiſti: tu fiduciam indutus es Eliæ: tu ſolus Phinees zelum aſſumpſiſti: tu impium venenoſi draconis os obturaſti: tu voracem Bel euertiſti: tu inanē illius ſpem, hoc eſt, dominatum & præſidētiam ære coëmptam labefeciſti & compreſſiſti, aureæq. ſtatuæ apparatum perdidiſti. Et qualenam os ſpiritalibus vnguētis refertū, zeli tui encomia exprimere valeat, vt qui beati Theophili auunculi tui perfectus imitator euaſeris, immo & beati illius Athanaſij martyrio coronatus ſis? Etenim vt ille precibus propulſatas iniquorum hæreticorum machinationes perinde ac ſcopulos euitauit; ſic tua quoque ſanctitas iniqui illius conatus vitæ integritate, conſcientiæq. puritate, veluti infirmas quaſdam procellas ſedauit. Sic enim & beatus Athanaſius poſt multas falſas criminationes, quas hæretici ei impingebant, refutatas, exiliumq. eorum decreto qui tunc rerum potiebantur, & hoc ipſum fieri curabant, patienter toleratū, id conſequutus eſt, vt eo ſemper purior illuſtriorq. euaderet longanimitate, his prærogatiuis magis reſplendens, quo magis impura illa ora falſas criminationes ipſi intentabāt. Atque his certaminibus martyrij coronā ille ſibi nectens, Conſubſtantialitatem ſtabiliuit, peruerſamq. Arij doctrinā calcauit, & orthodoxiam denuo erexit, ac ſancti Marci Euangeliſtæ ſedem in ſublime extulit: quibus tu etiam vſus, Sancti illius veſtigijs impigre inſtitiſti. Precor itaque, ſanctiſſime Pater, vt dignus aliquando habear, qui te virum ſanctum coram cernam, tuaq. genua complectar, & tempore pacis coronati Martyris conſpectu fruar. Vniuerſum rerum noſtrarum ſtatum, quomodo cum fiducia egerimus, tuis ſanctorumq. Saluto vniuerſam ſanctam Synodum vnà cum tua ſanctitate martyrij corona ornatā. Deus te nobis largiatur valentem ac lætum, in Domino honoratum, pro veritate certantem.

Olim etiam sanctus pater noster & Episcopus factus Troilus, ab Antiocheno Clero multa passus est, & pientissimus Episcopus Theodorus vim non vulgarem pertulit, atque adeo vsque ad plagas, quas nec flagriones homines ferre deceat, illicite, absurde & illegitime. Nam cum propter aliam causam abijsset, illius vero felicem accepit finem, abusi abitione, vi cogere voluerunt, & subijcere sibi sanctos Episcopos insulæ contra Apostolicos Canones, & definitiones sanctissimæ Nicænæ Synodi. Et nunc quia cognouerunt quòd beatus ex hac vita migrauit, subornarunt magnificentissimum Ducem Dionysium scribere mandata prouinciæ Principi, & sanctissimæ Constantiensis ecclesiæ Clero. Litteræ publicæ sunt; quas & ad manũ habemus, & parati sumus eas vestræ sanctitati ostendere. Huius gratia rogamus & petimus, ne permittatur hominibus nihil non audentibus, vllam nouitatẽ inuehere, olim & ab initio volentibus præter Ecclesiasticos canones & constitutiones expositas à sanctissimis Patribus in Nicæa congregatis, imponere magnæ & sanctæ Synodo finitionibus ad nihil vtilibus. Nam, sicut diximus, non appulisset hodie magnificentissimus Dux Dionysius, Ecclesiæ afflictæ curam habens, neque ea quæ sibi non conueniunt, vsurpasset, neque Ecclesiasticis rebus se immiscuisset, nisi à sanctissimis, qui illic congregati erant, Episcopis & Clero ipsorum deceptus, putasset eam canonicam (quod etiam præcepta eius testantur) quam absque eorum consilio aduersus Episcopum Constantiæ Cypri metropolis habuit. Oramus autem & has litteras magnificentissimi Ducis legi, & præcepta, & omnia simul quæ in hac tragœdia commissa & facta sunt, vt ex ipsis cognoscat sancta vestra & magna Synodus intolerabilem vim factam. Etenim non vulgaris tumultus in tota Metropoli ortus est. Præterea significamus sanctę vestræ Synodo, quòd cum litteris glorioſissimi Ducis, etiam Diaconus sanctæ Antiochenæ ecclesiæ missus est. Ideo obsecramus, & ad sancta vestra genua procidimus, vt canonica sententia etiam nunc, sicut initio à temporibus Apostolorum, & constitutionibus & canonibus sanctissimæ & magnæ Synodi Nicænæ, illæsa & superior insidijs & potentia permansit nostra Cypriorum synodus; ita & nunc per vestram incorruptam & iustissimam sententiam, etiam vestra constitutione iustitiam nobis fieri cupimus.

Rheginus Episcopus Constantiæ Cypri subscripsi manu mea.

Zenon Episcopus Curiẽsis sanctæ ecclesiæ Dei Cypri subscripsi manu mea.

Euagrius minimus Episcopus Solensis Cypri sanctæ Dei ecclesiæ subscripsi manu mea.

Rheginus Episcopus inquit: Quoniam etiam præceptum obtulimus magnificentissimi Capitanei Dionysij, scriptum ad illustrissimum Principem prouinciæ, oro vt & illius lectio fiat.

Sancta Synodus dixit: Legatur & illius magnificentissimi Dionysij præceptum.

Flauius Dionysius illustrissimus & magnificentissimus vtriusque exercitus magister, Theodoro illustrissimo Cypriorum regionis Præsidi. Regia auctoritas ob multas, & maxime Ecclesiasticas causas pientissimos Episcopos, vt in Epheso conueniant, diuinis apertis signatisq. litteris præcepit. Quoniam autem cognouimus, Episcopum Constantiensis ciuitatis è præsenti vita migrasse, & prædefinitum sibi diem impleuisse; necessariũ hoc mandatum tibi transmittendum esse iudicauimus, vt ne quis absque scitu vel scripto pientissimæ Synodi audeat in locum defuncti nominare alium. Decet enim expectare formam, quam talium pientissimorum Episcoporũ consentus præscribet. nam, vt diximus, harum rerum gratia prædicti pientissimi viri conuenire iussi sunt. Itaque si contentioli turbas excitarent, partim tua grauitas, partim obtemperans illi exercitus eas auertere studeat, modisq. omnibus prohibeat, & ne quem, vt dixi, progredi sinat, antequam pientissimi Episcopi sua auctoritate approbent. Quòd si hasce litteras præuenerit incerti Episcopi ordinatio, illum iuxta cæleste responsum Regum in Ephesum, vt alios, venire iubeas: neque ignores, quòd si aliter fieri approbaris, tu quidem auri libras quinque, exercitus vero alias tantas fisco inferre cogemini. Vt autem hæc, quæ iuxta pientissimorum Episcoporum petitionem decreta sunt, scribantur, & celerem finem sortiantur, Maturium & Adelphium ab exercitu iustimus ob hoc ad illos legari. Datæ xij. kalendas Iunij, Antiochiæ.

Rheginus Episcopus dixit: Est & aliud mandatum eiusdem magnificentissimi Dionysij, scriptũ ad pientissimum Clerum Constantiensis metropolis, quod & ipsum vt legatur oro.

Sancta Synodus dixit: Lectum & hoc, inseratur in acta commentariorum.

Nouit & veſtra pietas, quomodo Auguſti & * callinici orbis Domini religioſiſſimos & ſanctiſſimos Epiſcopos in Epheſo conuenire iuſſerunt ob multas alias, & maximè ob Eccleſiaſticas cauſas. Itaque quoniam ex ipſis ſanctiſſimis Epiſcopis qui hic conuenere, cognouimus quòd beatiſſimus Epiſcopus veſter iuxta diuinam voluntatem obdormierit; operæpretium cenſui, vt ſignificarem veſtræ pietati, & admonerem, vt caueatis vobis, ne quis à quopiã in Epiſcopum eligatur, vel ordinetur, (nam de hoc plane forma præſcribetur) ſed expectate ſententiam, quæ illic danda eſt. Dignum ſane & iuſtum, vt ſancti Patres ea quæ Patres iubent, obſeruent. Sancta Synodus dixit: Quoniam autem cauſa quæ mouit magnificentiſſimum & glorioſiſſimũ Capitaneum Dionyſium vt hæc ſcriberet, obſcurius in propoſitis habetur; manifeſtius doceant præſentes pientiſſimi Epiſcopi ſanctarum Eccleſiarum quę in Cypro, quid mouerit magnificentiſſimum Capitaneum vt hæc mãdata emitteret.

Zenon Epiſcopus ciuitatis Curienſis Cypri dixit: Etiam beatę memoriæ Sapritius, qui mecum huc venit, eius rei gratia huc venit. Quoniam autem ex hac vita conceſſit, neceſſario nos docemus ſanctam veſtram & vniuerſalem Synodum, quòd ad ſuggeſtionem Antiocheni Epiſcopi & Cleri, magnificentiſſimus Capitaneus Principi & Clero ſcripſit.

Sancta Synodus dixit: Quid volente Antiocheno?

Euagrius Epiſcopus Solenſis Cypri reſpondit: Subijcere inſulam noſtram, & ordinandi ius ad ſe rapere attentat, præter Canones & conſuetudinem quæ iam olim inualuit.

Sancta Synodus dixit: Numquam ne Antiochenus viſus eſt in Conſtantia ordinare Epiſcopum?

Zenon Epiſcopus Curij Cypri dixit: A ſanctis Apoſtolis numquam poſſunt oſtendere, quòd adfuerit Antiochenus & ordinauerit, vel communicauerit vmquam inſulæ ordinationis gratiam, neque alius quiſquam.

Sancta Synodus dixit: Memor ſit ſancta Synodus canonis ſanctorum Patrum in Nicæa congregatorum, qui conſeruat vnicuique Eccleſiæ priſcam dignitatem. Hic etiam memor ſit Antiochiæ. Docete igitur, an non ius ordinandi ex more veteri apud vos habet Antiochenus. Can. 6.

Zenon Epiſcopus dixit: Prius affirmauimus, quòd numquam vel adfuerit, vel ordinauerit neque in metropoli, neque in alia ciuitate; ſed Synodus noſtræ prouinciæ congregata conſtituebat Metropolitanum: & oramus, vt veſtra ſancta Synodus ſua ſententia nobis conſentiat, & hæc ſtabiliat, ita vt vetus mos, ſicut hactenus robur habuit, ita & nunc habeat, & nullam nouitatem in noſtra prouincia fieri ſinat.

Sancta Synodus dixit: Doceant & hoc pientiſſimi magiſtri, num Troilus ille ſanctæ ac beatæ memoriæ Epiſcopus, qui nunc requieuit, vel ſanctæ memoriæ Sabinus, qui illum præceſſit, vel qui ante illos venerabilis Epiphanius, ab aliqua Synodo ordinati fuerint.

Zenon Epiſcopus dixit: Et nunc memorati Epiſcopi, & qui ante illos ſanctiſſimi Epiſcopi, & qui à ſanctis Apoſtolis erant, omnes orthodoxi, ab his qui in Cypro, conſtituti ſunt; & numquam locum habuit Antiochenus Epiſcopus, vel alius aliquis, ordinandi in noſtra prouincia.

Καν. β'. Εἰ δέ τινες ἐπαρχιῶται ἐπίσκοποι ἀπολείφθησαν τῆς ἁγίας συνόδου, καὶ τῇ ἀποστασίᾳ συνετέθησαν, ἢ συντεθῆναι προσθῆσιν, ἢ καὶ ἑαυτοὺς χειροτονήσαντες τῇ Νεστορίου καθαιρεσει, ἐπαλινδρομήσασι πρὸς τὸ τῆς ἀποστασίας συνέδριον, τύπους πάντη καὶ τὸ δόξαν τῇ ἁγίᾳ συνόδῳ ἀλλοτρίους εἶναι τῆς ἱερωσύνης ἐκ τοῦ βαθμοῦ ἐκπίπτειν.

Si qui autem prouinciales Episcopi à sancta Synodo abfuerunt, & deficientibus adhæserunt, aut adhærere tentauerint, vel etiam postquam subscripserunt Nestorij depositioni, rursus ad defectionis consessum recurrerunt: istos placuit sanctæ Synodo penitus alienos esse à sacerdotio, & à gradu cecidisse. Can. II.

Quicumque autem ob turpia gesta sunt à sancta Synodo condemnati, vel à proprijs eorum Episcopis, quibus præter Canones Nestorius, qui nullum rerum discrimen habebat, & qui cum illo eadem sentiunt, restituere conati sunt gradum vel communionem, aut conabuntur; istos censuimus nihil profecisse, & manere & esse nihilominus depositos. C. V.

Similiter autem & si qui velint ea quæ de singulis per sanctam Synodum Ephesinam gesta sunt, quocumque modo mouere: sancta Synodus ipsa decreuit, si quidem Episcopi aut clerici fuerint, eos omnino à proprio cadere gradu: si vero laici, excommunicatos esse. C. VI.

Et subscripserunt omnes Episcopi in [commentariorum] serie recensiti.

In Vaticanis libris, & nonnullis aliis, reperiuntur hi sex Canones tantum: in quibusdam vero additur sub nomine vii Canonis, definitio sanctæ Synodi post relationem Charisij presbyteri eius, quæ sub eo habetur c. 28. 29. 30. & pro Canone vii. aliud Synodi decretum de Episcopo Cypri, quod postea rursum pertinacem pronunciat paulo ẽ. hoc cod. col. 1403.

CVm diuinitus inſpirata Scriptura dicat: Sine conſilio nihil facias; eos in primis qui ſacro aliquo in munere verſari volunt, magna diligentia, omniq. ſtudio in id incumbere oportet, vt in omnibus rebus adminiſtrandis agendisq. ſumma adhibeatur conſideratio. nam ijs qui ſic viuere volunt, in optima ſpe res eorum ſitas eſſe; & veluti ſecundo curſu, quæ optant, ſuccedere contingit. Et ſane hæc non parum rationi conſentanea eſt oratio. Verum interim ſolet incidere aliquando aſper ac intolerandus dolor, qui mentem humanam tamquam ſubito aliquo fulminis percellat impetu, itaq. eam perturbatam peruerſamq. reddat, vt & ab vtiliū honeſtorumq. indagatione abducatur, & ad ea quæ natura ad lædendum ſunt comparata, ſpecie bonitatis perſequenda impellatur. Tale quiddam ſanctiſſimo illi religioſiſſimoq. viro Euſtathio contigiſſe cognouimus. Rite enim, ac ſecundum Canones, vt omnium teſtimonio probatur, electus eſt. Poſtea vero, cum in tumultum à nonnullis, vt dicit, pertractus eſſet, ſubitisq. ac inſperatis vndique malis circumſeptus (cum vſum in rebus gerendis admodum exiguum haberet) ſuſtinere tam multas, tamq. graues, quæ ei incumbebant, curas non vellet, nec refutare eorum qui ipſum adorirentur, maledicta, cum poſſet; recuſationis & abdicationis obtulit neſcio quo pacto libellum: quum contra oportebat, eam, quam ſemel fidei ſuæ ſacerdotalem curam commiſſam habuerat, fortitudine ſpiritali tenere, labores ſubire, ac animo volenti ſudorem, cui merces propoſita eſt, ſuſtinere. Quæ diligentia, quoniam in hoc aperte deſiderata fuit, (id tamen ex exiguo rerum vſu potius, quàm ex ignauiæ, deſidiæq. vitio) non leui equidem cauſa, quæ veſtra pietas eſt, memoratum Dei amantiſſimum fratrem noſtrum, ac in Epiſcopali dignitate collegam, Theodorum eligere compulſi eſtis, qui curam Eccleſiæ ſubiturus ſit. Indignum quippe fuiſſet, viduam manere Eccleſiam; indignum, paſtore carere Saluatoris noſtri ouilia. DEFINITIO SANCTAE ET œcumenicæ Synodi Ephesinæ contra impios Messalianitas, qui & Euchetæ, & Enthusiastæ quoque appellantur.

: Euchetæ de Nicephor. lib. 12. cap. 34.

VEnientes ad nos pientissimi & religiosissimi Episcopi Valerianus & Amphilochius, proposuerunt in communi considerandum de Messalianitis, hoc est, Euchetis, vel Enthusiastis, qui in Pamphylia versantur, vel quocumque nomine contaminatissima hæresis vocatur. At nobis considerantibus attulit pientissimus & religiosissimus Episcopus Valerianus schedulam synodicam de illis compositam in magna Constantinopoli sub beatæ memoriæ Sisinnio: quæ vbi lecta, ab omnibus probata est, quòd bene sit condita, rectèq. habeat. Et placuit nobis omnibus, & pietissimis Episcopis Valeriano & Amphilochio, & omnibus Pamphyliæ & Lycaoniæ prouinciarum pientissimis Episcopis, vt omnia quæ in synodica charta contenta, robur habeant, & nullo modo prætereunda; vt solida sint & ea quæ in Alexandria acta sunt; ita vt omnes, qui per vniuersam prouinciã hæretici Messaliani vel Enthusiastæ sunt, vel de eius hæreseos morbo suspecti, siue clerici, siue laici sint, conueniantur: & si quidem anathematizauerint, iuxta ea quæ in prædicta Synodo scripto pronuntiata sunt, in scriptis; si clerici fuerint, maneant clerici; si laici, ad communionem admittantur. Quòd si renuerint anathematizare, si Presbyteri vel Diaconi fuerint, vel in alio quopiam gradu Ecclesiç, excidant & à clero, & à gradu, & à communione: laici vero anathematizentur. Conuicti quoque non permittantur habere monasteria, vt ne zizania diffundantur & crescant. Hæc vt sic agantur, omnes vires intendant pientissimi Episcopi Valerianus & Amphilochius, ceteriq. reuerendissimi totius prouinciæ Episcopi. Vnde ad hæc placuit, librum * pollutum illius hæreseos, qui dicitur Asceticon, anathematizari, quem attulerat religiosissimus & pientissimus Valerianus, vtpote ab hæreticis compositum. Similiter si quid illorum impietatem sapiens apud pleroſque inueniatur, etiam hoc anathema sit. Præterea dum conueniunt, quæ

Si autem quæstio oborta de his quæ in hoc negotio sunt, & si quid difficile & ambiguum fuerit, quod pientissimis Episcopis Valeriano & Amphilochio, ceterisq. per totam prouinciam Episcopis non probatur, admotis scriptis omnia excutere debent. Et si relicti fuerint pientissimi Episcopi vel Lyciorum, vel Lycaoniorum; non relinquatur tamen Metropolitanus, C prouinciæ cuiuscumque fuerit. ΑΝΤΑ, vt ſcriptum eſt, obuia ſunt intelligentibus, & recta inuenientibus ſcientiam. Etenim qui ſacra diuinæ Scripturæ verba acuto puroq. oculo perlegunt, hi quod vtile in ijs occurrit, veluti diuinum quemdam & cæleſtem theſaurum in animos ſuos recondunt: qui vero mentem obtinent ad mendacium propenſam, nonnullorumq. nugacitati mancipatam, ac profanæ ſcientiæ auidam, illorum ſocij cenſebuntur, de quibus beatus Paulus ſcriptum reliquit: In quibus Deus huius ſæculi excæcauit mentes infidelium, vt non fulgeat eis illuminatio Euangelij gloriæ Chriſti. Cæci enim ſunt, & duces cæcorum: quare & in perditionis foueas corruunt. Nam, vt Saluator ipſe alicubi monet: Si cæcus cæco ducatum præſtet, ambo in foueam cadent. Sunt igitur nonnulli, qui contra veritatis dogmata garriunt, & diabolica prauitate mentem imbutam habentes, veritatis myſterium acri ſtudio adulterare contendunt; nec mediocriter incarnati Vnigeniti diſpenſationem inſectantur; non intelligentes neque quæ loquuntur, neque de quibus affirmant, ſicut ſcriptum eſt. Beati Patres qui Nicææ olim conuenerunt, rectæ inculpataq. Ὁ θεσπέσιος γράφει Παῦλος, ὁ τῶν θείων μυστηρίων ἱερεύς· ὁμολογουμένως μέγα ἐστὶ τὸ τῆς εὐσεβείας μυστήριον. θεὸς ἐν σαρκὶ ἐφανερώθη· ἐδικαιώθη ἐν πνεύματι· ὤφθη ἀγγέλοις· ἐκηρύχθη ἔθνεσιν· ἐπιστεύθη ἐν κόσμῳ· ἀνελήφθη ἐν δόξῃ. τί οὖν ἐστι τὸ, ἐφανερώθη ἐν σαρκί; τοῦτο γέγονε σὰρξ ὁ ἐκ θεοῦ πατρὸς λόγος, οὐ κατ' μετάθεσιν, ἢ τροπὴν, τῆς ἑαυτοῦ φύσεως εἰς σάρκα μεταπεποιημένης, ὡς ἤδη προείπομεν, ἰδίαν δὲ μᾶλλον ποιησάμενος σάρκα τὴν ἐκ τῆς ἁγίας παρθένου, εἷς, καὶ ὁ αὐτὸς χρηματίζων υἱός· οὐ μὲν τῆς ἐνανθρωπήσεως ὡς ἄσαρκος ἦν λόγος, μετὰ δὲ τὴν ἐνανθρώπησιν, ἦν ὁ αὐτὸς ἐν σώμασι. τοιγαροῦν φαμὲν τὸν αὐτὸν ὑπάρχειν θεόν τε ὁμοῦ, καὶ ἄνθρωπον, οὐ διαιροῦντες εἰς ἄνθρωπον ἰδικῶς τινα, καὶ αὐτὰ μέρος κείμενον τῷ ἀπ' αὐτοῦ θεωρείσθαι, καὶ εἰς θεὸν λόγον ἰδικῶς· ἵνα μὴ δύο νοῶμεν υἱοὺς, ἀλλ' ἕνα, καὶ τὸν αὐτὸν, ὁμολογοῦντες τὸν αὐτὸν Χριστὸν, καὶ υἱὸν, καὶ κύριον. τοὺς δὲ μὴ οὕτως ἔχειν ὑπειληφότας, ἡμεῖς μισοῦμεν ἐβάλοντας, διαιροῦντας δὲ εἰς υἱοὺς δύο τὸν ἕνα, καὶ διαιροῦντας ἀπ' ἀλλήλων τὰ ἡνωμένα κατ' ἀλήθειαν, φάσεως δὲ κατὰ μόνην τὴν ἀξίαν, ἤτοι αὐθεντίαν, ἀνθρώπου γνώσθαι συναφθέντα πρὸς θεὸν, τῆς ὀρθῆς, καὶ ἀμωμήτου πίστεως ἀλλοτρίους εἶναι φαμέν. ὥστε κἂν *ἀποστολος ὀνομάζηται, κἂν *κεχρίσθαι λέγηται, καὶ εἷς υἱὸν ᾠρίσθαι θεοῦ, οὐκ αἰσχυνόμεθα τὴν οἰκονομίαν. αὐτὸν δὲ φαμὲν τὸν ἐκ θεοῦ πατρὸς λόγον, ὅτι καθ' ἡμᾶς γέγονεν ἄνθρωπος, ὠνομάσθαι δὲ τότε καὶ ἀπόστολον, καὶ *κεχρίσθαι δὲ μετ' ἡμῶν τὸ ἀνθρώπινον· ὃ δὴ γεγονὼς καθ' ἡμᾶς, εἰ καὶ μεμένηκεν ὅπερ ἦν, εἰ πεφυκότα τὰ ἡμῶν· οὐκοῦν δὲ μᾶλλον

Explanatio secunda.

Diuinus Paulus, sacer ille diuinorum mysteriorum interpres, ita scribit: Manifeste magnum est pietatis sacramentũ: Deus manifestatus est in carne, iustificatus est in spiritu, apparuit Angelis, prædicatus est Gentibus, creditus est in mũdo, assumptus est in gloria. Quid igitur est quod dicit, Manifestatus est in carne? hoc est, Dei Patris Verbum caro factum est: non quòd secundum propriam naturam conuersum, aut transmutatum sit in carnẽ, vt modo dicebamus; sed potius quòd D carnem ex sancta Virgine sumptam, propriam sibi fecerit, vnus idemq. Filius appellatũ: ante incarnationem quidem tamquam Verbum tantum carnis expers; post incarnationem vero idem etiam in corpore. Atque hinc est, vt eumdem Deum simul & hominem esse dicamus, non diuellentes eum in hominem seorsum per se positum, & in Deum Verbum seiunctim per se consideratum, ne duos hac ratione filios intelligamus; sed vnum eumdemq. Christum & Filium & Dominum esse confitentes. Qui autem hoc secus habere existimant, aut non ita volunt credere, sed vnum filium in duos dispertiuntur, & quæ re ipsa E coniuncta sunt, à se disiungunt; aiuntq. hominem secundum solum dignitatis, vel auctoritatis consortium Deo coniunctum esse; eos à recta inculpataq. Fide alienos dicimus. Quãuis ergo Apostolus nominetur, vnctusq. & Dei filius designatus dicatur; non erubescimus dispensationem. Affirmamus autem Dei Patris Verbum tunc demum Apostolum nominatum, & nobiscum secundum humanitatem inunctum esse, quando similis nobis homo factum est. Qui enim nobis assimilatus est, licet id quod erat manserit, quæ nostra sunt non auersatur: immo vero propter di-

Anathematiſmus III.

Si quis in vno Chriſto poſt vnionem diuidit hypoſtaſes, ipſasq. ea tantum coniunctione inter ſe connectit, quæ eſt ſecundum dignitatem, ſiue auctoritatem, vel poteſtatem, & non eo potius concurſu, qui eſt ſecundum naturalem vnionem; anathema ſit.

Declaratio tertia.

Incarnati Vnigeniti diſpenſatorium myſteriũ accurate inquirentes, Dei Patris Verbum admirabili inexplicabiliq. modo, ſancto corpori animam rationis compotem habenti vnitum dicimus; atque ita vnum eſſe filium intelligimus; quemadmodum nimirum & in nobis ipſis cernere licet. Sunt ſane anima & corpus naturæ diuerſæ; at duo hæc inter ſe coniuncta vnum animal conſtituunt. Verum ſunt qui aliter hæc habere opinantur. Statuunt hi nobis hominem ſeorſum per ſe; eumq. Dei Patris Verbo ſecundum ſolam dignitatem, ſiue auctoritatem coniunctum dicũt; ſecundum naturalem autem, hoc eſt, veram vnionem, & vt nos credimus, nequaquam. Nam ita etiam diuina Scriptura dicit: Et eramus natura filij iræ, ſicut & ceteri. illud, Natura, ſumit pro vere. Qui itaque ſubſiſtentias poſt vnionem diuidunt, & ſingulas, hoc eſt, Deum & hominem, ſeparatim ponunt, talemq. illarum copulam confingunt, quæ ſecundum ſolam dignitatem contingit, illi duos omnino filios conſtituunt; cum tamen diuina Scriptura vnum Filium & Dominum eſſe affirmet. Quare poſt arcanam illam copulam, ſiue Emmanuelem & incarnatum & inhumanatum Deum nomines, nos Dei Patris Verbum accipimus: ſiue hominem dixeris, nos æque illud ipſum [Dei Verbum,] quod per diſpenſationem menſuris humanitatis ſeſe demiſit, agnoſcimus. Dicimus itaque ipſum palpabilem factum eſſe, qui impalpabilis eſt; & viſibilem, qui inuiſibilis. Non enim alienum erat ab illo corpus, quod ſibi vniuit, quod vtique palpabile & viſibile dicimus. Eos vero qui ita non credunt, ſed ſubſiſtentias poſt vnionem, vt modo aiebam, diuidunt; eamq. nudam ipſarum vnionem excogitant, quæ in ſola dignitate, ſiue auctoritate conſiſtit, propoſitus hic anathematiſmus ab ijs alienos eſſe iudicat, qui quæ recta ſunt, ſentire conſueuerunt.

Anathematiſmus IV.

Si quis duabus perſonis ſiue hypoſtaſibus eas voces attribuit, quæ in Euangelicis & Apoſtolicis ſcripturis paſſim occurrunt; quæve à ſanctis de Chriſto, vel ab ipſo quoque Chriſto de ſe ipſo dictæ ſunt; & alias quidem homini tamquam ſeorſum à Dei Verbo conſiderato adſcribit; alias vero tamquam Deo conuenientes, ſoli Dei Patris Verbo adaptat; anathema ſit.

Declaratio quarta.

Ἐν μορφῇ, καὶ ἰσότητι τοῦ θεοῦ, καὶ πατρὸς ὑπάρχων ὁ ἐξ αὐτοῦ λόγος, οὐχ ἁρπαγμὸν ἡγήσατο τὸ εἶναι ἴσα θεῷ, καθὼς γέγραπται· καθῆκε δὲ μᾶλλον ἑαυτὸν εἰς ἐκένωσιν, καὶ καταπεφοίτηκεν ἐθελοντὴς ἐν τοῖς καθ' ἡμᾶς, οὐ μεθιεὶς τὸ εἶναι ὅπερ ἐστί, μεμενηκὼς δὲ μᾶλλον καὶ οὕτω θεὸς, καὶ τὰ τῆς ἀνθρωπότητος οὐκ ἀπημάσας μέτρον. πάντα τοίνυν αὐτοῦ τὰ θεοπρεπῆ, καὶ ἀνθρώπινα. ποῦ γὰρ ἐπ' ἐκενέωσεν ἑαυτὸν, εἰ τοῖς τῆς ἀνθρωπότητος μέτροις ἐπερυθριᾷ; Ἢ εἰ περιῆπτο τὰ ἀνθρώπινα, τίς ὁ καταβιασας αὐτὸν ὡς ἐξ ἀνάγκης, Ἢ βίας εἰς τὸ ὁμοιοῦσθαι καθ' ἡμᾶς; πόσας τοίνυν τὰς ἐν τοῖς εὐαγγελίοις φωνὰς, τίς τε ἀνθρωπίνας, καὶ μιᾷ καὶ τὰς θεοπρεπεῖς, ἑνὶ προσώπῳ προσαπάδομεν· ἐπεὶ δὲ καὶ ἕνα πιστεύομεν υἱὸν εἶναι Χριστὸν Ἰησοῦν, τοῦτον, ἐνανθρωπήσαντά τε, Ἢ σεσαρκωμένον τὸν τοῦ θεοῦ λόγον. ὥστε κἂν λέγῃ τι τῶν ἀνθρωπίνων, τοῖς τῆς ἀνθρωπότητος αὐτοῦ μέτροις καταλογιζόμεθα τὰ ἀνθρώπινα· αὐτοῦ γὰρ πάλιν καὶ τὸ ἀνθρώπινον· κἂν εἰς θεὸς Δαβὶδ λέγηται, θεὸν εἶναι προσδοκῶντες τὸν ἐνανθρωπήσαντα, πάλιν ὡς ἑνὶ Χριστῷ, καὶ υἱῷ, τὰς ὑπὲρ ἀνθρώπου φύσιν προσνεμόμεθα φωνάς. οἱ δὲ διιστάντες εἰς δύο πρόσωπα, δύο καὶ πάντως ἀναγκαίως ἀποῦσιν υἱούς. ὥσπερ γὰρ τὸν καθ' ἡμᾶς ἄνθρωπον οὐκ εἰς δύο πρόσωπα διαιρεῖσθαι θεμις, κἂν ἐκ ψυχῆς νοοῖτο, Ἢ σώματος, ἀλλ' εἷς ἐστι, καὶ ὁ αὐτὸς ἄνθρωπος, οὕτω Ἢ ἐπὶ τοῦ Ἐμμανουήλ· ἑνὶ δὲ ἐστιν εἷς υἱὸς, καὶ κύριος, ὁ σεσαρκωμένος, Ἢ ἐνανθρωπήσας τοῦ θεοῦ λόγος, ἐν αὐτοῦ πάντως ἐστὶ καὶ πρόσωπον· καὶ αὐτῷ προσνεμόμεν τά τε ἀνθρώπινα, διὰ τὴν οἰκονομίαν τὴν μὴ σαρκὸς, καὶ μιᾷ καὶ τὰ θεῖα, διὰ τὴν ἐκ θεοῦ πατρὸς ἀπόρρητον γέννησιν. οἱ δὲ διιστῶντες, καὶ δισσοὺς ὁριζόντες εἰς ἄνθρωπον ἰδικῶς, ὡς ἕτερον ὄντα υἱὸν μὲν διὰ τὸν ἐκ θεοῦ λόγον, καὶ εἰς θεὸν ἰδικῶς, ὡς ἕτερον ὄντα υἱὸν, δύο λέγοντες υἱοὺς, ἀναφέρονται δικαίως τῇ δυνάμει Ϝ προκειμένῃ ἀναθεματισμῷ.

Ἀναθεματισμὸς ε'.

Εἴ τις τολμᾷ λέγειν θεοφόρον ἄνθρωπον τὸν Χριστὸν, καὶ οὐχὶ δὴ μᾶλλον θεὸν εἶναι κατ' ἀλήθειαν, Ἢ υἱὸν ἕνα, καὶ φύσει, καθὸ γέγονε σὰρξ ὁ λόγος, καὶ κεκοινώνηκε καθαπλήσιως ἡμῖν αἵματος, καὶ σαρκὸς, ἀνάθεμα ἔστω.

Dei Patris Verbum in eiuſdem Patris forma & æqualitate exiſtens, non rapinam arbitratum eſt eſſe ſe æquale Deo, vt ſcriptum eſt; ſed potius ſe ipſum ſponte exinaniuit, & ad noſtra ſe demiſit, non amittens eſſe quod eſt, ſed magis etiam hoc pacto Deus permanens, & nihil eorum quæ ad humanæ naturæ condicionem pertinent, aſpernatus. Sunt itaque illius omnia, non ſolum diuina, verum etiam humana. Qua enim ratione ſe ipſum exinaniuit, ſi humanæ naturæ partes erubuit? Et ſi humana auerſatus eſt, quis illum tamquam neceſſitate aut vi ad hoc impulit, vt nobis ſimilis fieret? Omnes itaque Euangelij voces, ſiue illæ humanum quid ſonant, ſiue diuinũ, vni perſonæ tribuimus. nam & Chriſtum IESVM, hoc eſt, inhumanatum & incarnatũ Dei Verbum, vnum Filium eſſe credimus. Quare ſi quid humanum [Scriptura de Chriſto] prædicat, hoc ad humanitatis eius condicionem transferemus; (eſt enim illius & ipſa quoque humanitas) ſi quid vero tamquam de Deo, de illo enuntiatur, voces altiores, quàm vt humanæ naturæ conueniant, vni rurſum Chriſto & Filio aſſignabimus, Deum inhumanatum illum eſſe credẽtes. Qui vero illum in duas perſonas diuidunt, neceſſario duos quoque filios confingunt. Sicut enim homo noſtri ſimilis, licet ex anima & corpore conſtitutus intelligatur, non geminus, ſed vnus & idem homo eſt: ita de Emmanuele quoque nobis cogitandum eſt. Quia namque Dei Verbum incarnatum & homo factum, vnus eſt Filius & Dominus, vna etiam omnino eſt ipſius perſona: eiq. tribuemus humana propter illius cum carne diſpenſationem; & diuina propter inexplicabilem eiuſdem ex Patre generationem. Ceterũ qui illum in hominem ſeparatim diuidunt, tamquam qui alius à Dei Verbo ſit filius; & in Deum ſeorſum, tamquam qui alius ſit filius, duos filios aſſerentes, propoſiti anathematiſmi virtuti merito ſubduntur.

Anathematiſmus V.

Si quis dicere audet, Chriſtum hominem Deiferum, ac non potius verum Deum eſſe, vtpote vnicum ac naturalem Filium; quatenus nimirum Verbum caro factum, carni & ſanguini perinde ac nos communicauit; anathema ſit.

Declaratio quinta.

Verbum Dei carnem eſſe factum, dicit magnus ille Euangeliſta Ioannes: non quòd propria natura tranſmutata, aut conuerſa in carnem tranſierit, ſicut iam ante expoſitum eſt, (expers enim mutationis eſt vt Deus) ſed quia æque ac nos, carnis & ſanguinis particeps, & homo effectum eſt. Sacra enim Scriptura hominem ſuo more carnem appellat. ſcriptum eſt enim: Quia videbit omnis caro Salutare Dei. Sed impiorum dogmatum inuentores, Neſtorius, & qui illum ſectan-

Affirmant autem, vnigenitũ Dei Verbũ in homine ex ſancta Virgine nato perinde ac in vno aliquo ex ſanctis inhabitaſſe, ita vt iam nõ oporteat confiteri, quòd vnus ſit Chriſtus & Filius & Dominus & adorandus; ſed tamquam homo per ſe & ſeparatim intellectus, ob ſolã copulationem in vnione dignitatis honoratus, ſimul adoretur, & conglorificetur. Habitat quidem in nobis quoque omnium Deus per Spiritum ſanctum. Dixit enim iamdudum per vnum è ſanctis Prophetis: Quoniam inhabitabo in eis, & inambulabo, & ero ipſis Deus, & ipſi erunt mihi populus. Scribit & beatus Paulus quoque: Neſcitis quia templũ Dei eſtis, & Spiritus Dei habitat in vobis? Et ipſe Chriſtus de ſanctis ſuis Prophetis, ſiue de ſanctis qui anteceſſerant, ait: Si illos dixit deos, ad quos ſermo Dei factus eſt; quẽ Pater ſanctificauit, & miſit in mundum, vos dicitis, Quia blaſphemas; quia dixi: Filius Dei ſum? Sed non ita Deus in Chriſto habitat, ſicut in nobis. Erat enim natura Deus, nobis ſimilis factus, vnusq. ac ſolus Filius, etiam cum caro factus eſt. Quicumque igitur Deiferum hominem eum eſſe dicere audent, ac non potius Deum hominẽ factum, neceſſario in propoſitum anathematiſmum incidunt.

Declaratio septima.

Cum beatus Gabriel vnigeniti Filij Dei generationem secundum carnem sanctæ Virgini annuntiaret, Paries, aiebat, filium; & vocabis nomen eius IESVM. Ipse enim saluum faciet populum suum à peccatis eorum. Nominatus autem & Christus est, propterea quòd secundum humanam naturam nobiscum vnctus est, iuxta illud Psalmistæ: Dilexisti iustitiam, & odisti iniquitatem: propterea vnxit te Deus, Deus tuus oleo exultationis præ consortibus tuis. Quamuis enim ille Spiritum sanctum largiatur, neque ad mensuram his qui digni sunt, eum largiatur, (est enim plenus, & de plenitudine eius nos omnes accepimus, sicut scriptum est;) attamen vt homo est, dispensatorie inunctus dicitur, spiritaliter, & non humano more, deuolante super ipsum Spiritu sancto, vt maneat in nobis etiam, à quibus propter Adæ transgressionem initio recesserat. Ipsum itaque vnigenitum Dei Verbum incarnatum Christus appellatum est: & cum propriam potentiam habeat Deo dignam, miranda operatum est. Qui ergo Christi potentiæ Vnigeniti gloriam accessisse dicunt, quasi Vnigenitus alter sit à Christo, duos filios esse sentiunt; alterum quidem operantem; alterum vero alterius ope & vi, tamquã hominem nobis similem, impulsum; & in huius anathematismi pœnam incidunt.

Anathematismus VIII.

Si quis dicere audet, hominem assumptum vnà cum Dei Verbo adorandum, & conglorificandũ, & Deum, tamquam alterum cum altero, connominandum esse (hunc enim intellectum particula, Cum, adiecta, perpetuo ac necessario affert) & non potius vna adoratione Emmanuelem honorat, vnamq. illi glorificationẽ attribuit, quatenus Verbum factum est caro; anathema sit.

Declaratio octaua.

Baptizati sumus in vnum Deum Patrem omnipotentem, & in vnum Filium, & in vnum quoque Spiritum sanctum. An ignoratis, fratres (ait beatus Paulus) quia quicumque in Christum IESVM baptizati sumus, in mortem ipsius baptizati sumus? Consepulti ergo sumus cum illo per baptismum in mortem; vt quomodo Christus surrexit à mortuis per gloriam Patris, ita & nos in nouitate vitæ ambulemus. Credidimus itaque, & baptizati sumus in vnum, vt dixi, Filiũ, Dominum nostrum IESVM Christum, hoc est, incarnatum, hominemq. factum Dei Patris Verbum; vnumq. existentem Deum adorare edocti sumus, ac supernæ virtutes nobiscum. Scriptum est enim: Cum autem introducit Primogenitum in orbem terræ, dicit: Et adorent eum omnes Angeli Dei. Factus est autem vnigenitus primogenitus, quando homo nobis similis apparuit. tunc enim illorum quoque frater appellatus est

Anathematismus IX.

Si quis vnum Dominum IESVM Christum à Spiritu clarificatum dixerit, propria virtute ipsius, tamquam aliena vtentem; ac vim & efficaciam ab eodem accepisse, qua contra immundos spiritus operaretur, & diuina inter homines miracula patraret, ac non potius ipsum Spiritum, per quem diuina signa edidit, illius proprium esse confessus fuerit; anathema sit.

Declaratio nona.

Etsi vnigenitum Dei Verbum homo factũ est, mansit tamen Deus, omnia præter solam paternitatem cum Patre cõmunia habens: Spiritumq. sanctum, qui ex ipso est, ipsiq. essentialiter inest, proprium habens, diuinæ potentiæ signa operabatur. Quare posteaquam homo factum est, Deus etiam sic permansit; atque ita propria per Spiritum virtute miracula patrabat. Qui vero dicunt, illum, tamquam vnum quempiam è sanctis, nobis similibus, Spiritus operatione clarificatũ, eaq. non vt diuina & propria, sed tamquam aliena, & quæ Deum non deceat, vsum, necnon quasi Spiritus gratia ad cælos esse assumptum, illi merito anathematismi huius virtuti subiacebunt.

Si quis ergo dixerit, Pontificem & Apostolum nostrum non esse ipsum Dei Verbum, posteaquam caro & homo nobis similis factum est; sed hominem illum qui ex muliere natus est, quasi alterum quempiam ab ipso diuersum: aut si quis Christum pro seipso quoque, & non potius pro nobis solis sacrificium obtulisse dixerit (neque enim oblatione egebat, qui peccatum non nouit) anathema sit.

Declaratio decima.

Exigua sane sunt Verbo, quod ex Deo Patre ortum est, quæ humana sunt; attamen propter dispensationem non reijcienda. Cum enim secundum naturã vniuersorum Dominus esset, seruili forma accepta, in ea quæ nostra sunt, semetipsum demisit: appellatusq. est noster Pontifex & Apostolus, humanæ naturæ condicionibus ad hoc etiam ipsum vocantibus. Obtulit autem semetipsum pro nobis Deo & Patri in odorem suauitatis. Vna quippe oblatione consummauit sanctificatos in sempiternum, sicut scriptum est. E Impatibile & immortale est Dei Patris Verbum. altior est enim diuina illa & incorruptibilis natura, quàm quæ aliquid pati possit, eaq. omnia viuificat: quinetiam interitum, & quidquid tristitiam afferre solet, longe exuperat. Verum licet secundum essentiam hoc sit Dei Patris Verbū; nihilominus carnem, quæ mori posset, sibi propriam fecit, vt per hoc quod pati solitum est, pas-

passiones pro nobis ac propter nos in seipsum assumens, nos omnes à morte & corruptione liberaret; suum corpus, vt Deus, viuificans, primitiæq. dormientium, ac primogenitus ex mortuis effectum. Oriental. oppositio.

Ecquis carnem factum Dei Verbum, carnaliter natum esse simul confitebitur? Nam si carnaliter genuit, iam non vt virgo. Et vbi ponemus hoc: Spiritus sanctus superueniet in te, & virtus Altissimi obumbrabit tibi; si, iuxta illius mentẽ, carnaliter, & non vt Deum decet, Virgo genuit? & quomodo hunc stella insolito modo apparens, demonstrauit? Magi vero ex Perside, illa duce, aduenerunt, natum quærentes; & inuento dona obtulerunt ei qui videbatur oculis, & ei qui mẽte percipiebatur conuenientia. Angeli, qui descenderunt de cælo, cũ pastoribus mixti, de natali tripudiarunt, dicentes: Gloria in excelsis Deo, & in terra pax, in hominibus bona volũtas. Hæc cuius indicia? carnalis, an eius, quæ Deum decet, natiuitatis? Et alioqui, si absque examine & iudicio in eius voces inciderimus, & conuersionẽ & commutationem Verbi in carnem imaginabimur, & sic etiam peccatum & maledictum ipsum factum esse suspicabimur: si quidem minus ad sequentia vel præcedentia contextus sermonis, & ad ipsam consuetudinem Scripturæ attenderimus. Ceterum carnem esse factum Verbum, recte iuxta Euangeliorum mentem, habitationem in carne exponimus.

Defensio Cyrilli.

Dispensationis vnigeniti Filij Dei in carne sacramentum sapiẽtissimus Ioannes declarat, scribens: Et Verbum caro factum est, & habitauit in nobis. Hæc recte intelligentes beati Patres olim in Nicæa congregati, dixerunt, ipsum Verbum ex Deo Patre natum, per quod omnia fecit Pater, lumen de lumine, Deum verum de Deo vero, incarnatum, & inhumanatum esse, hoc est, vnitum carni animam habenti rationalem, & hominem factum esse; & cum hoc etiam mansisse Deum. Quòd autem absque conuersione & confusione vnio-

E *Ioan.1.b.*

vnionis opus factum est, manente, vt dixi, Deo Verbo id quod est, tametsi factum sit caro, (immutabile enim secundum naturam est) nulli dubium. Nam quod dicitur incarnari, non in carnis naturam vertitur; sed aliud quiddam ab illa, & ei vnitum intelligitur. Sic sentientes beati Patres, Dei genitricem nominauerunt sanctam Virginem. Crediderunt enim, quòd incarnatum & hominẽ factum genuerit Filium illum, per quem omnia fecit Pater. Verum Nestorius nouellarum blasphemiarum inuentor, cum hac sententia pugnans, improbat quidem vocem hanc, Dei genitricem, quasi non sit vere dicta. dicebat autem sic: Interrogaui, inquit, sæpe eos: Diuinitatem natam dicitis è beata Virgine? Resiliunt statim ad hanc vocem. Et quis, inquit, tanto blasphemiæ morbo laborat, vt quæ genuit templum, in illa dicat à Spiritu sancto Deum creatum esse? Deinde quando inferimus: Quid igitur absurdum nos dicimus, consulentes fugiendam illã vocem, & eundum ad communem vtriusque naturæ significatum? id tunc blasphemè dictum putant. Vel confitere manifeste, Deicatem ex beata Maria natam esse: vel, si fugis hanc blasphemam vocem, cur qui hæc dicis, te nõ dicere simulas? Igitur illo vrgente, immo inculcante impie, vt ij qui sanctam Virginem Dei genitricem dicunt, fateri debeant, carnis fuisse fructum nudam & seorsum positam Deitatis naturam, & subsistẽtiæ initium ex muliere habuisse Dei Verbum; probare volentes, nos ab hac opinione prorsus alienos esse, (non enim ita deliramus, vt velimus sapere aliud, quàm quod oportet sapere) Virginẽ peperisse dicimus Dei Verbum secundum Scripturas carnem factum, hoc est, hominem; peperisse autem illum carnaliter, hoc est, secundum carnem. Nam Deus & Pater secundum diuinitatem genuit ex se Deum existentem Filium. Quoniam autem quod natum est ex carne, caro est; genuit Virgo, vt caro existens, carnaliter. Carnaliter autem dicere, non est tollentis admirabilem natiuitatem, neque euertentis Spiritus sancti operationem, qua in vtero formauit partum; sed docentis potius, quòd sicut Deus gignit diuine, hoc est, digne Deo secundum suam naturam; ita & homo humane, hoc est, caro carnaliter. Deus autem existens secundum naturam Verbum, quamuis caro factum, diuine processit, hoc est, vt decet eum qui secundum veritatem est Deus. Solus enim habuit matrem nuptias non expertam; & seruauit virginem eam, quæ ipsum peperit secundum carnem. Admiror autem quòd grauantur dicere sanctam Virginem Dei genitricem, cùm Deo digne ipsum esse genitum fateantur. Non enim homo communis gignitur Deo digne. Dona vero allata esse dicunt à Magis conuenientia & ei qui intelligebatur, & ei qui videbatur, diuidentes in duos iterum post vnionẽ, vnum Dominum nostrum IESVM Christum. Qui enim intelligitur, factus est visibilis, non immutatione naturæ, sed vnitione cum corpore, quod vide-

Diuinus Paulus, quomodo factum sit homo vnigenitum Dei Verbum, vt fidelis dispẽsator sacramentorum Dei, & ipsum habens in se loquentem Christũ, manifeste omnibus ostẽdens: Non enim alicubi Angelos apprehendit, inquit; sed semen Abrahæ apprehendit. Vnde oportuit eum per omnia fratribus similem fieri, vt misericors & fidelis fieret Pontifex in his quæ ad Deum. Nos vero vt rectissime prolatum hoc dictum nostra sententia probamus, sequentes vbique diuinitus inspiratas Scripturas, & valde admirantes Theologorum voces, immo eas pro diuinis legibus habentes, dicimus Dei Patris Verbum non apprehendisse neque sanctorum Angelorum, neque suam naturam: credimus autem, secundum quod sacris litteris videtur, quòd obumbrans sanctæ Virgini, vtpote virtus existens altissimi Patris, formauit sibi corpus ex illa, verumtamen per operationem sancti Spiritus; & factum est homo, appellatumq. & filius Abrahæ & Dauidis; nõ amittens propter humanitatem quòd sit Filius Dei & Patris secundum veritatem; manens autem potius, quamuis factum sit caro, in natura & eminentia & gloria Deitatis. Immutabilis enim est, & conuersione potentior, vt Deus. Est igitur vnus & idem Filius & Dominus, & ante incarnationem, & post incarnationem. Diuidere autem vnũ in duos filios, & soluere veræ vnitionis opus, distinguendo seorsum, & ponendo priuatim hominem, & priuatim Deum, crimen est in primis impium. Porro Nestorius ista parum curans, audet ipsis verbis sic dicere: Hoc sentite in vobis, quod & in Christo Iesv, qui in forma Dei existens, seipsum exinaniuit, formam serui accipiẽs. Luc. 1. d. 35.

Matth. 1. a

φρενῶν ἀιδρότων ἀσυμφανὴς, ὅτι ψευδοχαράττουσι τῶν παρ' ἐμοῦ γεγραμμένων τὴν διάνοιαν, καὶ συκοφαντοῦσι καὶ τούτῳ τὴν ἀλήθειαν. καὶ καθ' ἕτερον δ' τρόπον ἀπαλλαγμένοις εἴη ἂν, καὶ μάλα εἰκότως, ἁμοιρήσαι δι' ἃ δὲ μόνοις πᾶσι τὸ ἰδιάζειν τυχὸν, ὡς ἐπὶ μὲν ἐστι κατὰ Φύσιν ἰδίαν ἡ σὰρξ γενομένη τοῦ ἐκ θεοῦ πατρὸς λόγου, ἕτερος δι' ἐστὶν υἱὸς πατὴρ Φωτὸς λόγον, κατὰ γε τὸν τῆς ἰδίας Φύσεως λόγον ὁ μονογενής· ἀλλ' οὐ τὸ ἰδιάζειν τοῦτο μερίζειν ἐστὶ τὰς Φύσεις μετὰ τὴν ἕνωσιν. εἰ δ' δή τις βούλοιτο τῷ τοῦ μυστηρίου δυνάμει ἀκριβῶς διαγνοίας ὄμματι κατασκοπεῖσθαι, κατανοήσειεν ἂν, ὅτι, καθάπερ ἐφ' ἑνὸς ἐν ἀρχαῖς, οὐ τῆς αὐτῆς Φύσεως ἐπιλάβετο θεὸς ὢν ὁ λόγος, ἀλλὰ σπέρματος Ἀβραάμ· οὐχ ὁμοίως δ' τῷ ἐκ θεοῦ Φυῒ λόγῳ, τὸ ἐκ σπέρματος Ἀβραὰμ ἄγιον σῶμα· ὅπερ ἐκ τῆς μακαρίας παρθένου λαβὼν, πρωτότοκον αὐθρωπος, ἵνα τοῖς ἀδελφοῖς ὁμοιωθῇ, κ' χρηματίσῃ πρωτότοκος ὁ μονογενής· ἀλλ' εἰ καὶ ἔστιν ἑπτὰ προφυὲς τὸ σῶμα τοῦ ἐκ θεοῦ πατρὸς λόγου, ἀλλ' οὖν εἷς Χριστὸς, καὶ υἱὸς, καὶ θεὸς, ὁ κύριος· καὶ εἰ γέγονε σὰρξ· καὶ τὸν τῆς ἀληθοῦς ἑνώσεως τρόπον διασώζειν, οὐκ ἀζήμιον, διιστάντας εἰς υἱοὺς δύο τοὺς ὑποστάσεις, δισσοφοιτώσας μὲν ἀλλήλων εἰς τὸ ἰδίᾳ πεῖναι, καὶ κατὰ μέρος, ἐχούσας δὲ μονὰν, σωσάφειαν τοῦ ἑκατέρου τε, καὶ οὐ τὸ ἔλαττον τιμῆς. εἰ δ' δὴ λέγοιμεν Φυσικὴν τὴν ἕνωσιν, τὴν ἀληθῆ φαμὲν, ἔθος ἐχούσης τῆς θεοπνεύστου γραφῆς, οὕτω κεχρῆσθαι τῇ λέξει· γράφει γοῦν που πού ὁ θεσπέσιος Παῦλος· καὶ ἦμεν τέκνα Φύσει ὀργῆς, ὡς καὶ οἱ λοιποί· καὶ ἐδηλοῦ που Φάναι τὸς αὐυφεστάναι τῇ Φύσει τὴν θείαν ὀργὴν, ὥστε καὶ αὐτὸς γενήματα κατάδικα τοὺς ἁμαρτωλοὺς· ἡ πάντα τε, καὶ πάντως ἰσόμεθα· σύμφρονες τοῖς τὴν Μανιχαίων νοσοῦσι μανίαν· ἀλλὰ τὸ, Φύσει δηλοῖ τὸ τῇ ἀληθείᾳ· σὺν οὖν οὐ συγχέοντες τὰς Φύσεις, οὔτε μὴν ἀλλήλαις αὐτὰς ἀναφύροντες, καθάπερ Φασὶν οἱ δι' ἐναντίας, Φυσικὴν Φαμὲν γνῶσαι τὴν ἕνωσιν· ἀλλ' ἐκ δύο πραγμάτων ἀνομοίων, θεότητός τε, καὶ ἀνθρωπότητος, τὸν ἕνα γνῶσθαι Χριστὸν, καὶ υἱὸν, καὶ κύριον, διαβεβαιούμεθα παντάχοθ'. τῶν δὲ Ἀπολιναρίου δογμάτων ἀδὲς παντελῶς ἡμῖν ὁ λόγος· τοὺς γὰρ ἅπαξ καταγνωσθέντας, ὡς θεοχαράττοντας τὴν ἀλήθειαν, ἀποστρέφεσθαι χρή.

Ἀναθεματισμὸς δ'.

Εἴ τις πρόσωπος δυσὶν, ἤγουν ὑποστάσεσι, τὰς τε ἐν τοῖς εὐαγγελικοῖς, καὶ ἀποστολικοῖς συγγράμμασι φωνὰς διανέμει φωνὰς, ἢ ὑπὸ χριστοῦ περὶ τῶν ἁγίων λεγομένας, ἢ παρ' αὐτοῦ περὶ ἑαυτοῦ· καὶ τὰς μὲν ὡς ἀνθρώπῳ θεωρικῷ τὸν ἐκ θεοῦ πατρὸς λόγον ἰδικῶς νοουμένῳ προσπίπτει, τὰς δ' ὡς θεοπρεπεῖς μόνῳ τῷ ἐκ θεοῦ πατρὸς λόγῳ, ἀνάθεμα ἔστω.

Ἀντίρρησις τῶν ἀποστολικῶν.

Ἀκήκοεν καὶ παῦλος τῶν αὐτοῦ θεσπισμάτων αὐτὸν ὑποκρινόμενος· ἐν οἷς φησι· καὶ ἀκούσῃς, ὅτι προέκοπτε σοφίᾳ, καὶ ἡλικίᾳ, καὶ χάριτι, μὴ σοφὸν ἐξ ὑποθέσεως

A solet, obscurum est, quòd vitiant sensum eorum quæ à me scripta sunt, & calumniantur etiam in hoc veritatem. Sed & alio modo culpa vacaret, & omni reprehensione, idq. merito, scire forsitan, quòd alia quidem est secundum naturam propriã caro à Verbo ex Deo Patre nato, & alius rursus Vnigenitus secundum naturæ propriæ rationem. Sed scire hæc, non est diuidere naturas post vnitionem. Iam si quis voluerit sacramenti virtutem exacto mentis oculo cõsiderare, videbit vtique, quòd (sicut dixi in principio) non suam naturam apprehendit Deus existens Verbum, sed semen Abrahæ. Non est autem consubstantiale B Verbo ex Deo nato, quod est ex semine Abrahæ sanctum corpus, quod è beata Virgine sumpsit, procedens homo, vt fratribus similis esset, & appellaretur primogenitus, qui erat vnigenitus. Quamuis autẽ alterius naturæ sit corpus à Verbo Dei Patris; vnus tamen est Christus, & Filius, & Deus, & Dominus, tametsi factus sit caro. Non caret autem damno, dissoluere veræ vnitionis modum, & diuidere subsistentias à se mutuo seiunctas in duos filios, vt priuatim & seorsum sint, habentes autem solum externam connexionẽ, quasi in ordine dignitatis. Quòd si naturalem vnionem dixerimus, veram intelligimus. Habet enim Scriptura diuinitus inspirata hunc morem, hac dictione in hunc sensum vti. Scribit enim alicubi quibusdam diuinus Paulus: Et eramus natura filij iræ, sicut & ceteri. & neutiquam dixerit quispiam subsistere secundum naturam, diuinam irã, ita vt peccatores illius sint soboles: alioqui prorsus & omnibus modis consentiemus laborantibus insania Manichæorum. Sed ibi natura idem est, quod vere. Non igitur confundentes naturas, neque ipsas inter se miscentes, sicut dicunt aduersarij, naturalem dicimus factam esse vnitionem; sed ex duabus rebus dissimilibus, Deitate inquam, & humanitate vnum factum esse Christum, & Filium, & Dominum, vbique affirmamus. Demum cum Apollinarij dogmatis plane nihil nobis commune est. Semel enim condemnatos, tamquam veritatem adulterantes, auersari oportet.

Ephes. a. 3.

Anathematismus IV.

Si quis duabus personis, siue hypostasibus eas voces attribuit, quæ in Euangelicis & Apostolicis scripturis passim occurrunt; quæve à sanctis de Christo, vel ab ipso quoque Christo de se ipso dictæ sunt; & alias quidem homini tamquam seorsum à Dei Verbo considerato adscribit; alias vero tamquam Deo conuenientes, soli Dei Patris Verbo adaptat; anathema sit.

Orientalium oppositio.

Deinceps etiam hoc loco illi sua ipsius decreta suggerenda sunt. Dixit enim: Quamuis audias, quòd profecerit ætate & sapientia & gratia, ne putes sapiens ex incremento factum esse Verbum

Christum, sed non in vnam naturam omnia contrahentes; ita vt ex vno naturarum nomine vtraque intelligatur propter incomprehensibilē vnitionis summitatem, quemadmodū & hoc: Nemo ascēdit in cælum, nisi qui descendit de cælo, Filius hominis qui est in cælo. &: Si igitur videritis Filium hominis ascendentem vbi prius erat; nonne ex appellatione Filij hominis, etiam ei inconfuse & inseparabiliter vnitum intelligimus? Nam quamuis & Filium hominis nominarit propter assumptæ & visibilis carnis naturam; tamen per ea quæ ab ipso fiebant, Deū se ipsum demonstrabat. Et iterum: IESVS Christus, per quem omnia. & iterum: IESVS Christus heri & hodie, ipse & in sæcula. Si heri & hodie, quomodo per ipsum omnia? Si autem per ipsum omnia, quomodo heri & hodie? Sed & hoc certum est: Omnia per ipsum. & hoc: Heri & hodie, fide recipiendum. & hoc: Ipse in sæcula, verum, si secundum differentiam naturarum inconfuse & insepa rabiliter vnitarum voces aptemus, intelligentes secundum visibile quidem, heri & hodie; secundū vero intelligibile, in sæcula; secundum autem filiationis vnitatem, vnum & eumdem.

Cyrilli defensio.

Vt apparet, his qui anathematismos à nobis vtilissime & necessario factos, imprudenter reprehendere volunt, vnicus ille scopus est, vt nihil verum vel sapiant, vel dicant; declarentq. se solo calumniandi studio occupatos. Nam si mentem suam studiose ac diligenter scriptis adhibuissent, non ignorassent, quòd suis sententijs & sermonibus, quos faciunt, stabiliant anathematismum, ostendantq. potius illum non inerudite conditū. Et quo modo, dicā. Bonus Nestorius dicebat tale quiddam, in ecclesia enarrans: Vt autem ipsum manifestius dicā, & ita vt omnes facilius capiant: Arius, & Eunomius, & Apollinarius, & omnes societatis illorum chori, studebāt inducere nomen hoc, Dei genitrix, vt si commixtio fieret, & naturæ non separarentur, nihil humile de humanitate accipiendum esset, locumq. iam haberent ipsi contra Deitatem; quasi omnia quæ dicebantur, de vno dicerentur. Hæc cum sic dicta sint, vtilissime anathematismum fecimus, non permittentem in duas diuidi personas & subsistentias vnum Dominum IESVM Christum. Quòd autem & ipsi cū nostris sermonibus conueniant, perspicuum erit ex his quæ scripserunt, & sentiunt. Habent autem sic: Tamquā vero personis duabus, vel subsistentijs duabus, vel filijs duobus, diuidendo vnitionē, hoc est vnum Filium, voces aptare non conuenit. Indiuisibilis enim & inseparabilis est summa vnitio, & vnus Filius est secundum omnem rationem & modum & cogitationem. Si autem summa vnitio seruetur, & vnus Filius & Christus & Dominus ponatur, de vno & eodem Filio accipere oportet quæ dicuntur: sed tamen secundum vnitarum naturarum virtutem accommodare de-

similitudine Patris Deum Verbum & ex humanitatis suæ mensuris agnoscimus. Nam si necessarium est credere, quòd Deus existens natura, factum est caro, hoc est, homo, carne animata anima rationali; quænam ratio ferat, vt quis voces eius erubescat, ſi factæ sunt homini, congruentes? Nam si vitasset sermones qui hominibus congruunt, quis compulisset vt homo fieret similis nobis? Qui autem se demisit propter nos in voluntariam exinanitionem, propter quam causam vitaret sermones suæ exinanitioni conuenientes? Igitur vni personæ omnes voces in Euangelijs, subsistentiæ inquam vni Verbi incarnati tribuendæ sunt. Dominus enim vnus IESVS Christus, secundum Scripturas.] Igitur, quantum ex iam ante scriptis, non ignorasse deprehendimur dispensationem, & suas vtriusque naturæ voces, sed potius non permittere animalibus, & spiritũ non habentibus, duos cogitare vel dicere filios, ita vt diuidant inter se subsistentias post indiuulsam vnitionem. Sed quia parum quid ex nostra epistola posuerunt in principio suorum sermonum, & minantur nobis quòd in tempore sint redarguturi, quasi non mediocriter peccauerimus in Verbum ex Deo Patre; & incrementum ac profectum, qui ad carnem pertinet, naturæ ipsius insipientissime tribuerimus: age & ad hoc conuenientia dicamus, adijciendo totam epistolæ partem. Ipsi enim metuentes veritatem, & auditores fallentes, partem quamdam posuerũt, eam quæ ipsis vtilissima esse videbatur ad hoc, vt inde possent ac viderentur iuste calumnias in nos struere. Habet autem sic quod dictum est: Etiamsi audieris, quòd profecerit IESVS ætate & sapientia & gratia, ne putes Verbum Dei sapiens profectu effectum esse. Commemorabo autem magis, quòd sic diuinus Paulus scripserit: Christus Dei virtus, & Dei sapientia. Neque rursus illud nugaciter ausis dicere, quòd proficere in ætate & sapientia & gratia homini attribuamus: hoc enim, vt opinor, nihil aliud est, quàm diuidere in duos vnum Christum: sed sicut paulo ante dixi, Filius qui est ante sæcula, in nouissimis sæculi téporibus in Filiũ Dei prædestinatus esse dicitur, suæ carnis natiuitatem sibi approprians dispensatiue. Sic & existens sapientia eius qui genuit, proficere in sapientia dicitur, quamuis perfectissimus sit, vtpote Deus, dum humanitatis proprietates per summam vnionem in se conuenienter susceipit.] Cur ergo cum Deus dicat: Iudicium iustum iudicate; veritatẽ falsis rationibus adumbrant? Neque enim partitionem subsistentiarum post vnitionem dogmatizamus, neque Deitatis naturam augmento & profectu opus habuisse dicimus; sed illud multo magis, quòd secundum dispensatiuam appropriationẽ suas fecerit carnis proprietates, eo quòd Verbum caro factum est, secundum Scripturas. Quòd autem tali fidei & opinioni etiam sanctorum Patrum concinat chorus, ostendere attentabo, adijciens ad maiorem certitudinem, partem enarrationis olim

Verum quamuis hæc posita sint propter id quod erat visibile, nemo tamen ita accipiet, ac si vel vt homo simpliciter vim acceperit operandi, vel vt iustus, vel vt Propheta, vel vt Apostolus: neque rursus diuinas voces aut delemus, aut inficiamur; neque imperite simul & blaspheme anathematizamus dictas & positas propter visibilis carnis naturam; neque vt hominem simpliciter, vel vt iustum, vel Prophetam, vel Apostolum, operandi vim accepisse dicemus. Καὶ νῦν ἡμῖν ὁδὸν ἥπερ διὰ τῶν ἴσων ἔρχεται λόγων τῆς ἀπολογίας ὁ τρόπος· εἷς μὲν ἐστιν ὁμολογουμένως ὁ κύριος ἡμῶν Ἰησοῦς Χριστὸς, ὁ αὐτὸς ἅμα πιστευόμενος καὶ ἐκ θεοῦ πατρὸς λόγος ἀϊδιός τε, καὶ συναΐδιος, καὶ ἐν ἐσχάτοις τοῦ αἰῶνος καιροῖς αὖθις ἐκ γυναικὸς, κατὰ δόξαν ἔφυ κατὰ σάρκα γένησιν. ἀλλ' ὡς ἦν ἀρχὴν υἱὸς, καὶ θεὸς, καὶ κύριος, εἰργάζετο τὰς θεοσημίας, διὰ τῆς ἐνόντος αὖθις ἰσχύος, πληροφορῶν ὅτι, καὶ σὰρξ γέγονε σὰρξ, ἀλλ' οὐδὲν ἧττον ἐστὶ καὶ οὕτω θεὸς ἀληθινὸς, καὶ δύναμις ὁ πατρός· οὐ γὰρ πέπαυται τοῦ εἶναι ὃ ἦν, γυμνούμενος αὖθις. ἐπληροῦτο τοίνυν καὶ τὸ δοξαστὸν τοῦτο μὲν δαιμονίοις ἐπιτιμῶν, καὶ σωτηρίαν τὴν σύμπασαν· τοῦτο δὲ τυφλοῖς τὸ φῶς ἐνιείς· νεκροὺς αὖ τοῖς ἐγείρας· θαλάσσαν ἀρειμάνιον ἑνὶ καταδυνάζων ῥήματι, οὐχ ὡς ἄνθρωπον τινὰ, καὶ ἕτερον ὄντα παρὰ μόνης Χριστὸν δεχόμενος θεοῦ πίστεως, καθάπερ ἀμέλει καὶ ἕνα τῶν ἁγίων προφητῶν, ἢ ἄγγελον ἀποστόλων· ἀλλ' ἑαυτῷ τὸν δόξαν πραγματευόμενος· ἵνα δι' ἁπάντων πιστευθῇ υἱὸς ὢν φύσει, καὶ οὐ γέγονεν ἄνθρωπος. διὸ οὖν ἄρα τῶν ἑκατέρωθεν ἀναχθέντων Νεστορίου λέγοντος· καινὴ γὰρ αὐτῇ τῆς τριάδος ἐνέργεια, καὶ μόνης ὑποστάσεσι τὴν διαίρεσιν ἔχουσα· ἦν τοῦ μονογενοῦς ἡ δόξα ποτὲ μὲν τῷ πατρὶ πρέπη μόνον, ποτὲ δὲ τῷ πνεύματι, ποτὲ δὲ τῇ τοῦ Χριστοῦ δυνάστεια. σχολῇ ἢ δεικνύτωσαν οἱ δαίμονας ἐξήλαυνε ἕτερον ἡμῖν Χριστὸν ἰδίᾳ, καὶ καθ' ἕκαστον μέρος ὑποστάντα, καὶ νοούμενον· ᾧ τὴν ἑαυτοῦ δυναστείαν πρέπειν ὁ μονογενὴς τοῦ θεοῦ λόγος, ὡς ἕτερος ὢν παρ' αὐτὸν ἰδικῶς ὁ υἱὸς· καὶ ἡ εἰμὴ ἐστιν ἕτερος, καὶ ἕτερος, ἀλλ' εἷς τις, καὶ ὁ αὐτὸς καὶ σὺν πατρὶ μονογενὴς, καὶ γυναικὸς ἄνθρωπος κατὰ σάρκα· πῶς δὲ ἀνῆλθον εἰλήφθαι σαρκὸς, καὶ ἔχει δὴ μᾶλλον ἀνταναστῆναι πάλιν τῇ ἀληθείας τὴν δύναμιν τοῖς παρ' ἐκείνου βαπτισμοῖς, τῶν τῆς εὐσεβείας δογμάτων τὸ κάλλος ἐδήλωσεν; ἵνα μὲν οὖν, καὶ ἔστι θεὸς ὁ υἱός. ἐπεὶ δὲ ἅπαξ τὸ τῆς ἀνθρωπότητος ἔπαθε μέτρον, καὶ σὺν δόξῃ βλέπειν ἐπιήσατο τὴν οἰκονομίαν, ἔστι μένει δὲ πάντα διὰ τὴν κένωσιν ἣν εἵλετο δι' ἡμᾶς· πάντη τι, καίτοι καὶ φύσει

Cyrilli defensio.

Et nunc quoque iisdem sermonibus defensionis modus incedet. Nam vnus quidem est absque dubitatione Dominus noster IESVS Christus, qui idem creditus est esse & ex Deo Patre Verbum æternum, & ante sæcula; & in nouissimis sæculi temporibus homo ex muliere, qui admirabilem habuit secundum carnem natiuitatem. Verumtamen cum vnus esset Filius & Deus & Dominus, operabatur signa per virtutem plusquam humanam; sufficientibus argumentis docens, quòd quamuis factus sit caro, nihilominus tamen sit etiam sic Deus verus, & virtus Patris. Non enim destitit esse quod erat, factus homo. Faciebat igitur insolita, tum quòd dæmonia increpabat, & Satanam conterebat, tum quòd cæcis lumen præstabat, mortuos resuscitabat, mare procellosum vno verbo sedabat; non sicut hominem quempiã, & alterum existentem seorsim, Christum glorificari faciens, quemadmodum scilicet & vnum ex sanctis Prophetis vel Apostolis; sed sibi gloriam procurans, vt ab omnibus crederetur Deus existens natura, tametsi factus esset homo. Fuisset igitur absurdissimum ferre Nestorium dicentem: Communes enim Trinitatis sunt operationes, & solis subsistentijs distinctionem habentes. Proinde Vnigeniti gloria interdum Patri adaptatur, interdum Spiritui, interdum Christi potentiæ. Idcirco qui reprehendere volunt, vel ostendant nobis alium Christum, qui priuatim & seorsim existat & intelligatur, cui suam potentiam applicuerit vnigenitum Dei Verbum, quasi seorsim diuersus sit ab ipso Filius; vel nisi sit alius & alius, sed vnus & idē & ex Patre vnigenitus, & ex matre homo secundum carnem, quomodo silendi locus esset, & non magis veritatis potentia illius nugis opponenda, pulchra pietatis dogmata corrũpentibus? Itaque erat quidem & est Deus ipse Filius. Quoniam autem semel subijt humanitatis mensuram, & dispensationē haud reijciendam censuit; ob exinanitionē autem sustinuit omnia voluntarie nostri causa: ea propter, quamuis sit secundum *Luc. 4. g. 10. c. 18. g. Ioan. 11. f. Matth. 14 d.*

ἐν τῷ πρώτῳ τόμῳ λέγῃ· καίτοι γε ἀεὶ σωεφρόνων ὡς λόγος τῷ ἰδίῳ πατρὶ, καὶ ἐξ αὐτοῦ τε, καὶ ἐν αὐτῷ κατ' φύσιν ὑπάρχων, πάλιν ἦκουε λέγοντος αὐτοῦ μετὰ σαρκός· κάθου ἐκ δεξιῶν μου, ἕως ἂν θῶ τοὺς ἐχθρούς σου ὑποπόδιον τῶν ποδῶν σου· οὕτω καὶ προσκυνεῖσθαι φαμὲν αὐτὸν παρ' ἡμῶν αὐτῶν, καὶ τῶν ἁγίων ἀγγέλων. πρὸς οὖν ταῦτα φαμὲν, ὡς πάνυ ἀπριβῶς ἐπίσκηψε τοῖς σὺν τῇ σαρκὶ προσκυνεῖν τὸν υἱὸν, καὶ τῷ αὐτῷ ὡς ἑτέρου τινὸς ὄντος παρὰ τὸν, σὺν, τοῦ μετὰ ὅπερ αὐτὸς ἔθηκεν, ὡς προείρηται, λέγων αὐτὸν μὴ σαρκὸς δεῖν προσκυνεῖσθαι, ἀπαγορεύων ὃ συμπροσκυνεῖσθαι τῇ θεότητι τὴν σάρκα.

A rari, ſicut & ipſe in primo tomo dicit. Nam quamuis ſemper vt Verbum cum Patre ſuo conſideat, & ex ipſo & in ipſo ſecundum naturam exiſtat, tamen audiebat etiam in carne exiſtens dicentem: Sede à dextris meis, donec ponam inimicos tuos ſcabellum pedum tuorum. Ita & adorari dicimus ipſum & à nobis ipſis, & à ſanctis Angelis. Proinde ad hæc dicimus, quòd ſcite admodum præcepit his, qui cum carne vnum & eumdem Filium adorare volunt, tamquam aliud quiddam ſit σὺν, quàm αὐτὸν, id quod & ipſe poſuit, ſicut prædictum eſt, dicens, ipſum cum carne adorandum, negans autem coadorandam cum diuinitate carnem. Cyrilli defenſio.

Mente attentiſſima nos eſſe hortatur diuinus Paulus, dicens: Probate vos ipſos, num ſitis in fide. Nam mens humana licet nonnumquam propter amorem ſui à recta via egrediatur, & à veris dogmatibus diſcedat, ferme ſemper grauatur, & formidat ſuas cogitationes abſurditatis damnare. Sed tamen ſe ipſam facile corriget, ſi labores ſcrutata fuerit ſanctorum Patrum, qui ab omnibus de rectitudine & certitudine dogmatum celebrantur, tum ſuam recte fidem explorabit. C Omnes enim, quibus integrum cor eſt, illorum ſententias ſequi contendunt: quia & ipſi Apoſtolica & Euangelica traditione ſuam mentem quũ impleuiſſent, & ex ſacris ſcripturis ſermonem Fidei recte & citra reprehenſionẽ tractaſſent, mũdi fuere luminaria, ſermonẽ vitæ continentes, prout ſcriptũ eſt. Itaque ſcribit æternæ memoriæ pater noſter & Epiſcopus Athanaſius de noſtri omniũ ſaluatore Chriſto in libris de Incarnatione: Confitemur etiam eſſe illum Filium Dei, & Deũ ſecundum ſpiritum, Filium hominis ſecũdum carnem, non duas naturas vnum Filium; vnam quæ adoretur, & alteram quæ non adoretur; ſed vnam naturam Dei Verbi incarnatam & adorandam cum carne ſua vna adoratione: neque duos filios; aliũ quidem Filium Dei verum & adorandum; alium vero ex Maria hominem non adorandum, ſcilicet ſecũdum gratiam Filium Dei factum, ſicut & homines. Et poſt alia iterum: Igitur qui natus ex virgine Maria, natura Filius Dei eſt, & Deus verus, & non gratia & participatione, ſecundum carnem ſolam ex Maria homo; ſecundum ſpiritum autem, ipſe Filius Dei, & Deus. Et iterum: Si quis autem præter hæc ex diuinis ſcripturis docet, alium dicens Filium Dei, alium ex Maria ſecundum gratiam filium adoptatũ, ſicut nos, ita vt ſint duo filij, vnus ſecundũ naturam filius Dei, qui ex Deo; & vnus ſecundum gratiam, homo ex Maria: vel ſi quis Domini noſtri carnem ſuperne eſſe dicit, & non ex virgine Maria; vel conuerſam diuinitatem in carnem, aut confuſam, aut immutatam; vel paſſibilem Domini Deitatem; vel non adorandam Domini noſtri carnem vt hominis, & non adorandam vt Domini & Dei carnem; hunc

tur, tunc duo, vel etiam plura, & non vnum, ſecundum compoſitionem ſignificari dicimus. Exempli gratia, ſi forte dicamus, cohonorari animam hominis cum ſuo corpore, ſi quis honor certe fieret à quopiam erga vnum hominem, qui eſt ex vtriſque: vel ſi quis diceret, animam cum ſuo corpore eſſe vnum animal; nō propterea in duos homines vnum diuidit, videtur autem potius nō ignorare ea, ex quibus eſt, hoc eſt, compoſitum eſt naturaliter. Quando vero dico, Petrus & Ioannes coappellantur homines, vel etiam cum Petro & Ioannes aſcendit in templū; non iam οὐ, vel μή, id eſt cum, vnum quiddam ſignificat. Non enim Ioannes compoſitus eſt cum Petro, ſed neque ad vnius hominis cōſtitutionem vterque aliquid conferunt. Cur ergo veritati illudunt, diuidentes imperite vnum in duos Chriſtos? Si autē putant, quòd dicendo Filium cum proprio corpore conſidere Patri, duos intelligendos filios conceſſerimus; inquirant, an dicamus vnum Filium vnica conſidentia honoratum eſſe, & non duabus; ita vt vna & priuatim tributa ſit corpori, altera vero rurſum & priuatim Verbo. Verum hoc non poterunt oſtendere. Quomodo enim, vel vnde? Nam vnum & eumdem cum ſua carne Filium, eumdem Deum ſimul & hominem, vna conſidentia apud Patrem honeſtari affirmamus. Ceterum dicere hominem adorari cum Deo, & coappellari Deum, omnino eſt confiteri duos adorandos, vel etiam inter ſe coappellandos. Atqui valde fatuus, & à rectis & veris cogitationibus omnino alienus eſt eiuſmodi ſermo. Igitur factus eſt anathematiſmus contra eos, qui modis omnibus diuidunt Emmanuelem in hominem ſeorſim, & Deum Verbum ſeorſim. Nobis enim vnum & eumdem Theologorum ſermo prædicauit, ſacrarumq. ſcripturarum inadulterata cognitio.

Anathematiſmus IX.

Si quis vnum Dominum IESVM Chriſtum à Spiritu clarificatum dixerit, propria virtute ipſius, tamquam aliena vtentem; ac vim & efficaciam ab eodem accepiſſe, qua contra immundos ſpiritus operaretur, & diuina inter homines miracula patraret, ac non potius ipſum Spiritum, per quem diuina ſigna edidit, illius proprium eſſe confeſſus fuerit; anathema ſit.

Sed videntur mihi esse obliti Christi, dicentis: Quomodo dices fratri tuo: Frater, sine eijciam festucam de oculo tuo, & ecce trabs est in oculo tuo? Quòd autem propositus anathematismus nullo modo rectæ Fidei sermonibus obsit, sed prosit potius; sine labore videre licet. Nam eos qui diuidunt vnum Dominum Iesvm Christum, & diuidunt ipsum, vt iam sepissime diximus, in hominem seorsim, & in Deum Verbũ seorsim, ita vt duæ intelligãtur personæ & subsistentiæ inter se disunctæ, hoc facere nõ sinit: neque permittit dicere, quòd tamquã vnus cõmunis homo Iesvs operandi facultatem acceperit à Spiritu sancto, vt possit scilicet diuina signa perficere; alioquin nullo modo differet à sanctis Apostolis vel Prophetis, qui per diuinam benignitatem diuinis impleti donis, merito dicere possunt: Ciratia Dei sumus, quod sumus. Sed sanctis quidem viris, in quibus donorum sancti Spiritus distributio præcellit, bene congruit hæc vox; Christo autem non item. Proprius enim est eius Spiritus sanctus, quemadmodum scilicet est Dei Patris: operatur autem sicut Pater per Spiritum, ita & ipse. Itaque quamuis diceret Iudæis: Multa bona opera ostendi vobis à Patre meo. &: A me ipso non loquor: Pater autem in me manẽs, ipse facit opera; rursus tamen alicubi dicebat: Si autẽ ego in Spiritu Dei eijcio dæmonia; operationem per Spiritum referens in se & Patrem, propter identitatem substantiæ. Et multus quidẽ ac prolixus esset de his rebus sermo: sed illum dilatare volentibus conuenienti tempore, vt puto, opus esset. Itaque non quasi aliena virtute per Spiritum operandi facultatem accepisse dicimus Emmanuelem, sed illa potius diuino more vsum, & propriam habuisse consubstantialis Spiritus virtutem. Nam beati quidem discipuli signa facientes, dicebant: Viri, quid nobis attenditis, quasi propria virtute aut pietate fecerimus ambulare portæ speciosæ assidentem claudum? Proprius autem Christi est Spiritus eius. Illis autem qui nostra cauillantur, hoc dicimus: si quidem non displicet illorum mentibus diuidi indiuisibilem, & dicere, sicut communem hominem operandi facultatem Iesvm accepisse

A iterum ait: Quemadmodum & in alio loco dicit: Tu es sacerdos in æternum secundum ordinem Melchisedec. Et quis rursus comparatus est ipsi Melchisedec secundum sacerdotium? num ipsum Deum Verbum existimare fas est, an carnem ex nobis assumptam, ipsi inseparabiliter & inconfuse vnitam? Et iterum dicit: Qui in diebus carnis suæ, preces & supplicationes ad eum, qui possit saluare illum à morte, cum clamore valido & lacrymis ſofferens, exauditus est pro sua reuerentia.] Numquid Dei Verbum supplicationes & preces, & cum clamore valido ad aliquem, qui possit ipsum saluare, offerens, exauditum est pro reuerentia, & didicit ex his quæ passum est, obedientiam? Si igitur Deus Verbum est Pontifex, etiam didicit ex his quæ passus est ipse, & consummatus est. Verum ne turbetur mens vestra, audiens de eo qui passus est: Et quidem cum esset filius. Non enim duos filios ponimus, eum qui passus est, & qui mansit impassibilis. neque enim à Deitate seorsim sequestratus is qui est ex semine Dauid, filius nominatus est; vt neque Deitas post vnitionem, sine carne visibili Filius appellata est: nam filiatio post vnitionem vtrique naturæ vna est, cum à se mutuo non sint separatæ. Non enim post vnitionem separatio facta est: manet enim perpetuo vnitio. Quin & in passionibus carnis, Deitas erat inseparabilis, manens impassibilis; & quæ Deum decét, per carnem perficiebantur: vnde vnum & eumdē Filium confitemur, naturis inconfusis manentibus; non alium & alium dicentes; absit; sed vnū & eumdem. Itaque Pontificem & Apostolum confessionis nostræ IESVM Christum secundum diuinas scripturas factum esse, nullus non confitebitur; non tamen separatum seorsim hominem ex muliere à Dei Patris Verbo, ita vt quod ex semine Dauid vnitum est inconfuse, ineffabiliter, & inseparabiliter Verbo ex Patre genito, sit Pōtifex tentatus per omnia absque peccato, & edoctus ex his quæ passus est, obedientiam; qui obtulerit Deo & Patri non pro seipso, sed pro solis nobis suam carnem. Non enim imperite dicemus, Deū Verbum Pontificem, & obtulisse seipsum Deo & Patri: nam Vnigeniti Deitatis ipse Pater non est Deus, sed pater.

Iterum aduersarijs opportune dicemus: Vsquequo claudicatis ambobus poplitibus vestris? Oportet enim vos habere sanam & integram ad cognoscenda rectæ Fidei dogmata mentem, non duplicitate animi claudicantem, valde imbecillem, & recte incedere non valentem: Nam duplex animo inconstans est in omnibus vijs suis, & non accipiet aliquid à Domino. Idq. dico valde admirans, aduersarios tam impudenter ac temere propositum etiamnum anathematismum perstringere velle. Nec absurdum, quòd nolunt Dei Patris Verbum à nobis nominari Apostolum & Pontificem confessionis nostræ, quando factū est homo.

A omnes Ecclesiæ filios sit in confesso, quid sibi vult quòd sæpe propriam eam dicit, nisi forte excipit eam à nostra natura? Quomodo autem etiam interdicit, ne dicatur connexam esse ei secundum dignitatem & auctoritatem, cum ipse dicat in primo tomo: Sic enim & nos illius paupertate ditati sumus, eleuata in eo humana natura in dignitatem Deo conuenientem? Sed nos dicamus ei, qui aduersatur etiam sibi ipsi: Si igitur naturæ inconfusæ manent, manet autem & vnitas: dicimus vero adorationem & virtutem & dignitatẽ & auctoritatẽ tamquam vni Filio offerri debere, manentibus naturis in vnitate inconfusis: si quid B restat aliud, quod certiorẽ vnitatem exprimat, & dabimus & consentiemus, extra confusionem videlicet naturarum. Sed perspicuum est, quia ei nihil sufficit ad summam vnitatem, nisi vt naturas confundat. Sed nos naturas quidem existentes inconfusas seruabimus, vnitatemq. summam & diuinam & nobis incomprehensibilem confitemur; omnia ad glorificationem, tamquam Deo & vni Filio offerentes, & dicentes ei beati Petri vocem: Tu es Christus filius Dei viui. *Matth.16. c.16.*

A pophagiam efficit, cum ad exoletas cogitationes mentem fidelium nefarie perducat, eaq. humanis subijcere rationibus conetur, quæ sola & indubia fide capiuntur? Neque enim, quia minime editur diuinitatis natura, propterea commune dixerit quispiam sanctum Christi corpus. Scire autem operæpretium est, quòd, sicut supra diximus, proprium est corpus eius Verbi, quod omnia viuificat. Quoniam autem est corpus vitæ, viuificum est: propterea namque mortalibus nostris corporibus largitur vitam, & mortis imperium euacuat. Viuificat autem nos æquali modo & sanctus Spiritus Christi: Spiritus enim est B qui viuificat, secundum eiusdem Saluatoris vocem. Neque vero molestum erit, ne videar ego solus proprium appellare corpus Verbi, etiam sanctorum Patrum afferre sententias, vt sciant aduersarij, quòd frustra contra nos declamant, qui vbique illorum voces sequimur. Dicit ergo celeberrimus pater noster & Episcopus Athanasius in sermone de sancta Trinitate: Et monstrabatur quòd non apparêter, sed vere habuerit corpus. Decebat autem Christum induentem humanam carnem, hanc cum proprijs passionibus eius indui totam; vt sicut proprium eius dicimus esse corpus, ita & ipsæ passiones corporis propriæ solum eius dicantur, quamuis non C contingerent eius diuinitatem. Et iterum: Hæc necessario antea examinauimus, vt si videamus ipsum quasi per instrumentum sui corporis diuino modo operantem, vel dicentem, cognoscamus, quòd Deus existens hæc operetur. Et hæc beatus Pater noster Athanasius. Verumtamen quamuis proprium dicatur Verbi corpus; est tamen ex muliere, & nostris cognatum, secundum quod caro intelligitur. Dicit quidem beatus Paulus: Primus homo ex terra terrenus, se- 1. Cor. 15. f. 47. cundus è cælo. Et ipse Christus: Nemo ascendit Ioan. 3. b. in cælum, inquit, nisi qui de cælo descendit, Filius D 13. hominis. Sed tamen asserimus, quòd non ex cælo corpus vnitum sibi deferens Verbum hæc dicat: verum cum desursum existens ipsum & ex cælo, corpus proprium fecerit ita sibi vnitum, vt nec dici, nec intelligi valeat, citra conuersionem & confusionem; hac ratione de cælo dicit se venisse, quando factũ est Filius hominis. Proinde cum recte habeat sermo noster, & reprehensione vacet, quam igitur suæ aduersus nos dicacitatis occasionem obtrectare nobis volentes habebunt, si quorumdam blasphemijs anathematismus repugnans, mendacio veritatem opponat? Opinor autem me à recta via non excidisse, quòd Christũ E dixi supra nos. Nam licet Verbum Dei factum sit homo; est tamen etiam sic non solum supra nos homines tantũ, sed etiam supra omnem creaturam. Non enim solum homo intelligitur, & sicut nos; sed idem ipse rursus Deus desursum, & de cælo.

A mali, non ablatio. alterum enim à simili non auferetur, sed augetur. Quæ igitur salus passibilis est naturæ? Vt diximus, non impassibilis secum in passione societas, sed translatio eius ad id quod est impassibile: quod & fecit Dominus Christus, dum non ipse secundum diuinitatem deiectus est ad passionem, sed omnem humanitatem per suã sanctam carnem in sublime euexit, & humi iacentem in cælos traxit, & pridem omni libertate destitutam, adoptione filiorum dignatus est. Quis autem debitor erat mortis, quæ est ex inobedientia? Omnino humana natura, non diuina. Quam igitur consentaneum erat persoluere mortem ex inobedientia existentem?

Admiranda profecto veritatis potentia est: id quod experientia testatur. Non enim mihi multo sermone ad defensionem opus est, ad persuadendum deceptis, & opinantibus, quòd passibilẽ esse dicamus diuinã Verbi naturam, cum semel aduersarij vltro cõfessi sint, idq. satis perspicue, nos ab illis criminibus esse alienos. Sed quia sumptum quod suppositione non indigeat, ad suum libitum inconsulte proponunt, & acribus cogitationum inuentis conantur vim suæ sagacitatis ostendere, ac vehementer admodum adstruunt, vt demonstrent impassibile secundum suam naturam esse Dei Verbum; audiant à nobis, quòd frustra pugnant, aëremq. verberant, nemine in hoc eis se opponente, vel diuersa sentiente. Quid igitur frustra insudant, & incassum contendunt? Quis adeo stupidus, vt eminentissimam omnium substantiam passibilem esse definiat, & eam, quæ est vltra omne genitum, & incorporea, infirmitatibus passionum concuti dicere audeat? Verum quia sacramẽti ratio agnoscit, Filium ex Deo Patre secundum naturam vnigenitum, hominem factum dispẽsatiue, ipsiusq. proprium esse sanctum illud corpus ex beata Virgine sumptum, eam ob causam iure optimo carnis passiones eius esse dicimus secundum dispensatiuam appropriationẽ, seruata vbique natura eius impassibili: Deus enim est ex Deo. Quando igitur carne dicitur pati, nõ ipse in propria natura, qua Deus est, intelligitur pati, sed potius sibi appropriare passionẽ. Ipsius enim factum est vnitum sibi corpus, sicut dudum dixi. Quapropter & diuinus Paulus ipsum per quem omnia, & in quo omnia fecit Pater, dicit esse factum primogenitum ex mortuis. Scribit autem sic: Gratias agentes Patri, qui nos idoneos fecit in partem sortis sanctorum in lumine; qui eripuit nos de potestate tenebrarũ, & trãstulit in regnum Filij dilectionis suę; in quo habemus remissionẽ peccatorũ: qui est imago Dei inuisibilis, primogenitus omnis creaturæ: quia in ipso creata sunt omnia, quæ in cælis & quæ in terra, visibilia & inuisibilia, siue Throni, siue Dominationes, siue Principatus, siue Potestates; omnia per

Οὐ γὰρ τοσοῦτον οὐρανὸς, καὶ γῆ, καὶ τὸ μεγέθη τῶν πελαγῶν, καὶ τὰ ἐν ὕδασι διαιτώμενα, καὶ τὰ χερσαῖα τῶν ζώων, καὶ φυτὰ, καὶ ἀστέρες, καὶ ἀὴρ, καὶ ὧραι, καὶ ἡ ποικίλη τοῦ παντὸς διακόσμησις, τὸ ὑπερέχον τῆς ἰσχύος σημήνειεν, ὅσον τὸ ἀνωνόητον καὶ ἄπειρον καὶ ἀχώρητον ἀπαθῶς διὰ σαρκὸς συμπλακῆναι τῷ θνητῷ· ἵνα ἡμῖν τῷ ἰδίῳ πάθει τὴν ἀπάθειαν χαρίσηται.

Καὶ ἐδείκνυτο, ὅτι μὴ φαντασίᾳ, ἀλλὰ ἀληθῶς ἴσχων ἴδιον τὸ σῶμα. ἔπρεπε γὰρ τὸν κύριον ἐνδιδυσκόμενον τὴν ἀνθρωπίνην σάρκα πᾶσιν, μετὰ τῶν ἰδίων παθῶν ὅλην αὐτὴν ἐνδύσασθαι· ἵν' ὥσπερ ἴδιον αὐτοῦ λέγομεν εἶναι τὸ σῶμα, οὕτω καὶ τὰ τοῦ σώματος πάθη ἴδια μόνον αὐτοῦ λέγηται· οὐ καὶ μὴ ἅπτοιτο τῆς τοῦ θεότητος αὐτοῦ. εἰ μὲν ἕτερον τὸ σῶμα, ἐκείνου ἂν λέγοιτο καὶ τὰ πάθη· εἰ δὲ τοῦ λόγου ἦν σάρξ, ὁ γὰρ λόγος σὰρξ ἐγένετο, ἀνάγκη δὲ τὰ τῆς σαρκὸς πάθη λέγεσθαι αὐτοῦ, οὗ καὶ ἡ σάρξ ἐστιν· οὗ γὰρ λέγεται τὰ πάθη, οἷα ἐστὶ μάλιστα τὸ κατακεντηθῆναι, τὸ μαστιγωθῆναι, τὸ διψᾶν, καὶ ὁ σταυρὸς, καὶ ὁ θάνατος, καὶ αἱ ἄλλαι τοῦ σώματος ἀσθένειαι, τούτου καὶ τὸ κατόρθωμα, καὶ ἡ χάρις ἐστί. Διὰ τοῦτο πάνυ ἀκολούθως, καὶ πρεπόντως οὐκ ἄλλου, ἀλλὰ τοῦ κυρίου λέγεται τὰ τοιαῦτα πάθη· ἵνα καὶ ἡ χάρις παρ' αὐτοῦ εἴη· καὶ μὴ εἰδωλολάτραι γινώμεθα· ἀλλὰ ἀληθῶς θεοσεβεῖς· ὅτι μηδένα τῶν γενητῶν, μὴ δὲ κοινόν τινα ἄνθρωπον, ἀλλὰ τὸν ἐκ θεοῦ Φύσει, καὶ ἀληθινὸν υἱὸν, τοῦτον γενόμενον ἄνθρωπον, ἐφ' ἡμῖν ἥπλωσε κύριον αὐτὸν, καὶ θεὸν, καὶ σωτῆρα· ὃν ἐπικαλούμεθα. διὸ χρὴ πάνυ εἰς πληροφορίαν, ὡς γε οἶμαι, τοῖς ἀφ' ἱερῶν τὰ προτεθέντα ῥητὰ, τοῦ θείου νόμου διαρρήδην λέγοντος· ἐπὶ στόματος δύο μαρτύρων, καὶ τριῶν, σταθήσεται πᾶν ῥῆμα. εἰ δέ τις βούλοιτο καὶ μετὰ ταῦτα ἐπιφιλονεικεῖν, ἀκουέτω παρ' ἡμῶν· ἴθι τὸν ὁδὸν σαυτόν. ἡμεῖς δὲ ταῖς ὀρθαῖς γραφαῖς, καὶ τῇ τῶν ἁγίων πατέρων ὑποθήκῃ πιστεύομεν· κερδανοῦμεν γὰρ οὕτω τὸ καλὸν τῆς ἄνω κλήσεως τὸ βεβαίωμα Χριστῷ· δι' οὗ, καὶ μεθ' οὗ τῷ θεῷ, καὶ πατρὶ ἡ δόξα σὺν ἁγίῳ πνεύματι, εἰς τοὺς αἰῶνας. ἀμήν.

Basilij Cæsareæ Episcopi.

Non enim cælum & terra, ac marium spatia, & quæ in terris & in aquis degunt animantes, & plantæ, & stellæ, & aër, & anni tempora, & varius totius vniuersitatis ornatus, tantum potentiæ excellentiam ostendit, quantum immensum illum infinitumq. Deum impassibiliter per carnem assumptam complexum esse mortem, quò nimirum per propriam passionem suam nobis impassibilitatem impertiretur.

Athanasii Episcopi Alexandriæ.

Et ostendebatur, quòd non apparenter, sed vere habuerit corpus. Decebat enim Dominum humanam hanc carnem induentem, cum suis passionibus ipsam totam induere: vt sicut proprium ipsius esse dicimus corpus, ita & corporis passiones propriæ tantum eius dicantur, etiamsi non contigerint diuinitatem eius. Nam si alterius esset corpus, illius etiam dicerentur passiones. Si autem Verbi est caro, (Verbum enim caro factũ est) necessarium est vt & carnis passiones eius esse dicantur, cuius & caro est. Cuius enim dicuntur passiones, quales sunt maxime, condemnari, flagellari, sitire, & crux, & mors, & aliæ corporis infirmitates, eius & recte factũ & gratia est. Idcirco recte ac decenter non alterius, sed Domini dicuntur esse huiusmodi passiones; vt & gratia ab ipso sit, & non efficiamur idololatræ, sed vere Deum colentes: quia nullam creaturam, neque communem aliquem hominem, sed naturalem & verum Dei Filium, & hunc hominem factum, & eumdem nihilominus Dominum & Deũ ac Saluatorem inuocamus.

Sufficiunt igitur, vt opinor, ad probationem sapientibus sententiæ propositæ, diuina lege manifeste dicente: In ore duorum vel trium testium stabit omne verbum. Si quis autem voluerit etiã post hæc adhuc contendere, audiat à nobis: Tuo perge itinere. Nos autem diuinas scripturas, & sanctorum Patrum sequemur Fidem. Sic enim lucrabimur supernæ vocationis brauium in Christo: per quem, & cum quo, Deo & Patri gloria cum sancto Spiritu in sæcula. Amen.

Illæ namque ea quæ ſunt diſperſa, & à grege diuiſa, rapientes dilacerant; hic autem in medio gregis exiſtens, & ſaluator reputatus & cuſtos, latentem errorem in eos qui illi parent, introducit. Quod enim aperte oppugnat, obſeruari facile eſt: quod vero ſub amicitiæ ſpecie inſidias parat, inuenit eum, contra quem pugnat, incautum, eiq. facile infert læſionem. vnde ijs qui exterius oppugnant, interius pugnantes ſunt ſæuiores. Hoc me multo magis contriſtat, quòd ſub pietatis nomine atque figura, & in paſtoris dignitate conſiſtens, in hæreticas & blaſphemas voces erumpit; & dudum extinctam Apollinarij inanem ſimul impiamq. doctrinam renouat. ἀναίρεσιν, ἀπολύσεως,

A ginis Spiritus ſanctus non formauit, reſtat intelligi, ſerui formam & fictam & formatam & conceptam & natam eſſe naturaliter. Quia vero [ea ſerui forma] non erat nuda à Dei forma, ſed templum erat inhabitantis Dei Verbi, ſecundũ Pauli vocem: In ipſo enim, inquit, complacuit omnem plenitudinem diuinitatis inhabitare corporaliter: non hominis genitricem, ſed Dei genitricem Virginem appellamus; illam quidem figmento & formationi & conceptui, hanc autem vnitioni imponentes appellationem. Propterea & natus infans Emmanuel appellatur, neque Deus ab humana natura ſeparatus, neque homo diuinitate nudatus. Emmanuel enim nobiſcum interpretatur eſſe Deum, ſecundum Euangelicam vocem. Illud autem, Nobiſcum Deus, & ex nobis pro nobis aſſumptum ſignificat, & aſſumentem Deum Verbum prædicat. Ergo infans Emmanuel dicitur propter aſſumentem Deum; & Dei genitrix Virgo, propter vnitionem formæ Dei ad conceptam ſerui formam. Non enim in carnem Deus Verbum conuerſum eſt; ſed Dei forma aſſumpſit ſerui formam.

C Valde multum declamauimus aduerſus eos, qui confiteri non patiuntur Emmanuelem vere eſſe Dei Verbum, & ſanctam Virginem Dei genitricem, quòd Dei Verbum ſecundum carnem genuerit, quando factum eſt caro.
